Ms. Contreras

Earlier this afternoon, I received notification that my application for a demolition permit for 4000 Balcones Drive has been referred to the Historic Landmark Commission for consideration during their December 16, 2019 meeting. My client is adamantly opposed to the imposition of historic zoning on this property. Please consider this email to be notice of a valid petition and let me know if any further action will be required to perfect his rights.

Thank You
