Hi Angela,
I am a home owner at 4508 Erin Ln, around the corner from the 2513 Great Oaks Pkwy property that is being considered for demolition. I could not make the hearing tonight, so I am emailing to make sure my concerns are heard. While I am not one to want to stand in the way of a neighbor updating or renovating their home, I am concerned with the new up zoning changes that will be taking place in Austin, and am hoping that a single family home, in keeping with the vibe and style of this mid-century modern neighborhood is what will be built back in place of this home. I think home owners should be allowed to do what they want with their properties, within reason, but for the benefit of the neighborhood I really hope that what is built back will be a modest single family home with architectural qualities reminiscent of the midcentury modern design and will stand the test of time and will not disrupt the cool culture of our small neighborhood over here in Great Oaks Pkway and Erin Ln.
Thank you for your time and consideration,

Joanna Wilkinson
