To the Local Historic District Review Commission,

I am writing to express my strong support for my neighbors' (Joseph Dunsmoor and Elizabeth Widen) proposed construction at 4312 Avenue B of an ADU (Case Number HR 23-160077). I am the homeowner and resident of [redacted] which is within 500 feet and directly behind 4312 Avenue B.

As a member of the Hyde Park community and a resident within close proximity to this property, I believe the project is well aligned with the character of the neighborhood. I have seen the proposed architectural plans and was impressed by the design, and I feel confident Joseph and Elizabeth have taken into full consideration the historical significance of the area.

Please feel free to contact me if you require any additional information or if it would be helpful to provide public input on this matter. I appreciate the commission's dedication to preserving the historic quality of our neighborhood.

Sincerely,

Emily
