To the Local Historic District Review Commission,

I am writing to express my strong support for my neighbors' (Joseph Dunsmoor and Elizabeth Widen) proposed construction at 4312 Avenue B of an ADU (Case Number HR 23-160077; Public Hearing: Historic Landmark Commission 10 January 2024; Contact: Sam Fahnestock, 512-974-3393).

I am the homeowner and resident of [redacted] which is within 500 feet of 4312 Avenue B. I have seen the proposed architectural plans and was impressed by the design, and I feel confident Joseph and Elizabeth, the homeowners, have taken into full consideration the historical significance of the area. They are constructing this unit as a living space for Joseph's mother, who was born and raised in Austin, Texas and currently lives in the Crestview neighborhood. Thus, the additional living space will immediately be put to good use as a comfortable and nearby living space for their children's grandmother.

Please feel free to contact us if you require any additional information or if it would be helpful to provide public input on this matter. We appreciate the commission's dedication to preserving the historic quality of our neighborhood.

Sincerely,

Tess Bruns

Owner and resident at [redacted]
