*** External Email - Exercise Caution ***

Kalan

I hope this is only a formality and this item will be withdrawn or placed on the consent agenda. As you have no doubt already discerned, my client does not believe this property qualifies for historic zoning and is therefore adamantly opposed to the imposition of same. Please consider this email to be a valid petition and let me know if I need to take further action to protect my client's rights.

Thank You

Ross Rathgeber
