REQUEST: Please confirm the remaining budget amount for the Interlocal Agreement with UT-Austin through the Office of Innovation.

---

**RESPONSE:**

The Interlocal Agreement with UT-Austin has \$5.8 million remaining in total authorization. This is separate from the budgeted amount for individual projects, which must be managed by each department that owns/manages the project. As such, there is not specific funding associated with the interlocal agreement; departments must fund projects out of existing budget allocations.
