CBQ NO.: 047

REQUESTED BY: Kelly

DATE REQUESTED: 07/18/2023

DATE POSTED: 08/01/2023

REQUEST: Is there any current funding allocated for EMS for additional large-scale event resources?

RESPONSE:

The FY24 Proposed Capital Budget includes \$1.5 million to purchase a mass causality vehicle.

In addition, ATCEMS has an ambulance bus (AMBUS) that is capable of treating and transporting up to 20 patients in a lying-down position. This AMBUS is staffed on an as-needed basis. It is available for scene response (local, regional, and state-wide) to both noticed and no-notice events.
