REQUEST: What are the option(s) for preventing vehicular access to the Circle C Metro Park soccer fields at night, and how much funding would be required to implement?

RESPONSE:

The options to prevent vehicular access at the Circle C Metro Park soccer fields include the following:

- Add thirty (30) large boulders/cut stones to go along with the existing smaller rocks around the park estimated cost: \$7,000.
- Replace the smaller rocks currently in place and replace with ninety (90) large boulders/cut stones estimated cost: \$21,000.
- Add an electronic gate with an automated opening and closure mechanism to control park entry estimated cost: \$80,000
