CBQ NO.: 190

REQUESTED BY: Ellis

DATE REQUESTED: 07/31/2023

DATE POSTED: 08/08/2023

REQUEST: When fees are charged for MUDs, PUDs, PDAs, and PIDs do those dollars return to the individual department budgets as laid out in the chart? For example, does the Planning Dept budget receive the \$200k+ charged to pay for the service of creating a MUD? If not, where do the fees go?

RESPONSE:

Yes, the fees charged for MUDs, PUDs, PDAs, and PIDs listed on the Special Districts fee schedule are recognized by the individual departments listed on the chart. The Development Services Department (DSD) only collects and manages the fees denoted as DSD, Trees, or notification fees. All other fee amounts are developed, set, and collected by the respective departments.
