Alderman Crocker came in and answered
On motion of Alderman Markley the call was suspended

His Honor the Mayor stated that he had convened
the Council at the request of three members, that he was
not informed at the time the request was made of the
object of the call, whereupon Alderman Markley stated
that as he was one of the three members that made the
request for the called meeting of the Council, that the
object of the call was for the purpose of taking further
action on the ordinance making an appropriation for
the establishing and building Pecan Street Market

Alderman Hall rose to a point of order stating
