The report of the above Committee having been put to vote
 was adopted, and the following Ordinance passed. viz
 Be it ordained by the City Council of Austin City
 that the above amount of one thousand dollars be
 appropriated as called for in the Report of the Committee.

Resolved that the City Council do unannouncedly request the General Commanding to remove from Office John W. Farr who has heretofore been appointed City Marshall.

Our reasons are that the said J. W. Farr has never performed the duties of City Marshall, and is totally unfit for the Office.

We believe that until an election for City Officers takes place, the Police force of the City ^{will} be entirely adequate to maintain the peace of the City without a City Marshall; and that the salary of the said Officer Cass as well be saved to the City. We also respectfully beg leave to refer to a former petition for this object which was forwarded to the General Commanding about four months since, but which has not been responded to.
