CASE: C14-2010-0069 904 San Antonio St. Re-zone **P. C. DATE:** 06-08-2010

ADDRESS: 904 San Antonio Street

AREA: 0.4055 acres

APPLICANT: John C. Horton, III

AGENT: Thrower Design (Ron Thrower)

NEIGHBORHOOD PLAN AREA: Downtown

CAPITOL VIEW: Yes

T.I.A.: No

HILL COUNTRY ROADWAY: No

WATERSHED: Shoal Creek

DESIRED DEVELOPMENT ZONE: Yes

ZONING FROM: MF-4 – Multi-Family Residence Moderate-High Density

ZONING TO: DMU – Downtown Mixed Use

SUMMARY STAFF RECOMMENDATION:

Staff recommends DMU-CO, Downtown Mixed Use – Conditional Overlay. The Conditional Overlay would make a bail bond services use, cocktail lounge use, or liquor sales use a conditional use; and prohibit pawn shop services use as well as limit vehicle trips to less than 2,000 per day.

PLANNING COMMISSION RECOMMENDATION:

DEPARTMENT COMMENTS:

The Downtown Mixed Use (DMU) district is the designation for a use located on the periphery of an area that has a CBD designation. A DMU district designation may be applied to a development that includes any combination of office retail, commercial, and residential uses and that is compatible with the downtown area. A DMU district use with an intermediate density may be used as a transition between the downtown area and surrounding districts. A DMU district is suitable for an area to which the central business district may expand. The subject tract is located in and amongst various zoning districts, including DMU, GO, CS and LO. The most recent surrounding case histories were requests to the DMU zoning district. It should be noted that this property lies within the Downtown Parks Overlay {§ 25-2-168}, a Capital View Corridor and the Criminal Justice Overlay sub-district {§ 25-2-650}. In the Criminal Justice Center overlay district a bail bond services use, cocktail lounge use, or liquor sales use that would otherwise be a permitted use is a conditional use; and a pawn shop services use is prohibited.

BASIS FOR RECOMMENDATION:

Granting of the request should result in an equal treatment of similarly situated properties.

Granting DMU zoning would be in keeping with other similarly situated properties in the area that have recently received DMU zoning as well.
