## **ZONING CHANGE REVIEW SHEET**

**CASE:** C14-2010-0076 – The Shops  
at Onion Creek

**Z.A.P. DATE:** July 6, 2010

**ADDRESS:** 11215 South IH 35 Service Road Northbound

**OWNER:** WSP Development #10, Ltd.  
(James Herman)

**AGENT:** StoneCrest Investments  
(Blake Herman)

**ZONING FROM:** GR-CO for Tracts 1 and 2; CS-1-CO for Tract 3 (3,000 square feet)

**ZONING TO:** CS-1-CO for Tract 1 (1,925 square feet); GR-CO for Tracts 2 and 3

**AREA:** 0.15 acres (6,518 square feet)

### **SUMMARY STAFF RECOMMENDATION:**

The Staff's recommendation is to grant commercial – liquor sales – conditional overlay (CS-1-CO) combining district zoning for Tract 1 and community commercial – conditional overlay (GR-CO) combining district zoning for Tracts 2 and 3.

The Conditional Overlay:

1) prohibits the following uses on Tracts 2 and 3:

automotive rentals; automotive repair services; automotive sales; automotive washing; commercial off-street parking; communications services; exterminating services; funeral services; hotel-motel; indoor entertainment; indoor sports and recreation; off-site accessory parking; outdoor entertainment; outdoor sports and recreation; pawn shop services; plant nursery; research services; service station; special use historic; club or lodge; communication service facilities; community recreation (private); community recreation (public); congregate living; counseling services; cultural services; day care services (commercial); day care services (limited); family home; group home, class I; (general); group home, class I (limited); group home, class II; guidance services; hospital services (general); private secondary educational facilities; public primary educational facilities; public secondary educational facilities; residential treatment; and, transportation terminal.

2) prohibits the following *additional* uses on Tract 1:

agricultural sales and services; building maintenance services; campground; commercial blood plasma center; construction sales and services; convenience storage; drop-off recycling collection facility; electronic prototype assembly; equipment repair services; equipment sales; kennels; laundry services; vehicle storage; limited warehousing and distribution; maintenance and service facilities; and, transitional housing.

### **ZONING AND PLATTING COMMISSION RECOMMENDATION:**

July 6, 2010:

**ISSUES:**

Correspondence from the Onion Creek Homeowners Association in support of the proposed rezoning is attached at the back of the packet.

**DEPARTMENT COMMENTS:**

The subject tracts consist of three adjoining commercial lease spaces within a commercial shopping center. Tracts 1 and 2 are zoned community commercial – conditional overlay (GR-CO) combining district zoning and Tract 3 is zoned commercial – liquor sales – conditional overlay (CS-1-CO) combining district by way of a 2004 zoning case. The Conditional Overlay applicable to all tracts prohibits certain land uses. Access to the tracts is taken from driveways to the northbound service road of IH 35 and Onion Creek Parkway. As shown in Exhibit C, there are other office and retail uses within the shopping center including a bank, insurance office, dental office, nail salon, dry cleaners, florist and restaurants (GR-CO). Please refer to Exhibits A (Zoning Map) and A-1 (Aerial View).

The Applicant has requested commercial – liquor sales (CS-1) district for Tract 1 to convert a vacant lease space to a liquor store. Furthermore, a connecting lease space (Tract 2) between the existing and proposed CS-1 footprints (Tracts 3 and 1, respectively) provides for this scenario to occur and continue as a single rezoning case. This provides for a limited amount of liquor sales use to occur within the shopping center, but rezones the tract that is not presently being used for liquor sales. The Conditional Overlay continues the prohibited uses established by the 2004 case.

Staff recommends CS-1-CO district zoning for Tract 1 and GR-CO district zoning for Tracts 2 and 3, based on the following considerations: 1) the proposed use is compatible with the surrounding uses within the retail center and its corresponding GR-CO zoning; 2) access is taken to a freeway and an arterial roadway; and 3) it provides for liquor sales to occur within the shopping center, while limiting the amount of square footage by rezoning that area not presently used for this purpose.

**EXISTING ZONING AND LAND USES:**

	<b>ZONING</b>	<b>LAND USES</b>
<i>Site</i>	GR-CO; CS-1-CO	Three adjoining lease spaces in a commercial shopping center
<i>North</i>	GR-CO	Lease spaces in a commercial shopping center
<i>South</i>	GR-CO	Lease spaces in a commercial shopping center
<i>East</i>	GR-CO; SF-6	Driveway and parking spaces, Buffer area adjacent to townhomes; Townhomes

**RELATED CASES:**

The subject property was part of a 2004 case, known as Onion Creek Commercial Park which zoned Tract 3 to the commercial – liquor sales – conditional overlay (CS-1-CO) district, and Tracts 2 and 3 to the community commercial – conditional overlay (GR-CO) district (C14-04-0074 – Ordinance 040930-Z-3). Please refer to Exhibit D.

There is a public Restrictive Covenant approved with the 2004 zoning case that limits the site development to uses and intensities described in the approved traffic impact analysis memorandum dated September 1, 2004. The development outlined in the TIA consisted of a 19,663 square foot shopping center; a 3,000 square foot bank; a 1,000 square foot restaurant without drive-through; a 9,500 square foot high-turnover restaurant; and 440 townhomes.

The three tracts represent a portion of Lot 1, Block A of Onion Creek Section 100, a subdivision plat recorded in August 2002 (C8-01-0220.0A). Please refer to Exhibit B.

### **SUMMARY STAFF RECOMMENDATION:**

The Staff's recommendation is to grant commercial – liquor sales – conditional overlay (CS-1-CO) combining district zoning for Tract 1 and community commercial – conditional overlay (GR-CO) combining district zoning for Tracts 2 and 3.

The Conditional Overlay:

1) prohibits the following uses on Tracts 2 and 3:

automotive rentals; automotive repair services; automotive sales; automotive washing; commercial off-street parking; communications services; exterminating services; funeral services; hotel-motel; indoor entertainment; indoor sports and recreation; off-site accessory parking; outdoor entertainment; outdoor sports and recreation; pawn shop services; plant nursery; research services; service station; special use historic; club or lodge; communication service facilities; community recreation (private); community recreation (public); congregate living; counseling services; cultural services; day care services (commercial); day care services (limited); family home; group home, class I; (general); group home, class I (limited); group home, class II; guidance services; hospital services (general); private secondary educational facilities; public primary educational facilities; public secondary educational facilities; residential treatment; and, transportation terminal.

2) prohibits the following *additional* uses on Tract 1:

agricultural sales and services; building maintenance services; campground; commercial blood plasma center; construction sales and services; convenience storage; drop-off recycling collection facility; electronic prototype assembly; equipment repair services; equipment sales; kennels; laundry services; vehicle storage; limited warehousing and distribution; maintenance and service facilities; and, transitional housing.

### **BASIS FOR LAND USE RECOMMENDATION (ZONING PRINCIPLES)**

*1. The proposed zoning should be consistent with the purpose statement of the district sought.*

Tract 1: The commercial – liquor sales (CS-1) zoning district is intended for commercial and industrial activities of a service nature which typically have operating characteristics or traffic service requirements generally incompatible with residential environments, and specifically includes liquor sales as a permitted use.

Tracts 2 and 3: The community commercial (GR) district is intended for office and commercial uses serving neighborhood and community needs, including both unified shopping centers and individually developed commercial sites, and typically requiring locations accessible from major trafficways.

The shopping center takes access from the northbound IH 35 service road and Onion Creek Parkway, a freeway and an arterial roadway, respectively.

2. *Zoning changes should promote compatibility with adjacent and nearby uses.*

Staff recommends CS-1-CO district zoning for Tract 1 and GR-CO district zoning for Tracts 2 and 3, based on the following considerations: 1) the proposed use is compatible with the surrounding uses within the retail center and its corresponding GR-CO zoning; 2) access is taken to a freeway and an arterial roadway; and 3) it provides for liquor sales to occur within the shopping center, while limiting the amount of square footage by rezoning that area not presently used for this purpose.

## **EXISTING CONDITIONS**

### **Site Characteristics**

The rezoning area consists of three commercial lease spaces within a shopping center.

### **Impervious Cover**

The maximum impervious cover allowed by the GR or CS-1 zoning district would be 80% based on the more restrictive watershed regulations.

### **Environmental**

The site is not located over the Edwards Aquifer Recharge Zone. The site is in the Desired Development Zone. The site is in the Onion Creek Watershed of the Colorado River Basin, which is classified as a Suburban Watershed by Chapter 25-8 of the City's Land Development Code. Under current watershed regulations, development or redevelopment on this site will be subject to the following impervious cover limits:

<i>Development Classification</i>	<i>% of Net Site Area</i>	<i>% with Transfers</i>
Single-Family (minimum lot size 5750 sq. ft.)	50%	60%
Other Single-Family or Duplex	55%	60%
Multifamily	60%	70%
Commercial	80%	90%

According to flood plain maps there is no floodplain within or adjacent to the project boundary.

Standard landscaping and tree protection will be required in accordance with LDC 25-2 and 25-8 for all development and/or redevelopment.

No trees are located on this property. At this time, site specific information is unavailable regarding other vegetation, areas of steep slope, or other environmental features such as bluffs, springs, canyon rimrock, caves, sinkholes, and wetlands.

Under current watershed regulations, development or redevelopment on this site will be subject to the following water quality control requirements:

- Structural controls: Sedimentation and filtration basins with increased capture volume and 2 year detention.

### **Transportation**

No additional right-of-way is needed at this time.

### **Water and Wastewater**

The landowner intends to serve the site with City of Austin water and wastewater utilities. The landowner, at own expense, will be responsible for providing any water and wastewater utility improvements, offsite main extensions, utility relocations and or abandonments required by the proposed land use. Water and wastewater utility plans must be reviewed and approved by the Austin Water Utility for compliance with City criteria. All water and wastewater construction must be inspected by the City of Austin. The landowner must pay the City inspection fee with the utility construction. The landowner must pay the tap and impact fee once the landowner makes an application for a City of Austin water and wastewater utility tap permit.

### **Site Plan and Compatibility Standards**

Compatibility Standards apply within 540 feet or less from property in an SF-5 or more restrictive zoning district. I-SF-2 is located approximately 350 feet to the east of the proposed zoning change.

Any new development is subject to Subchapter E. Design Standards and Mixed Use. Additional comments will be made when the site plan is submitted.

Please be aware that State Law governs the location of the sale of alcohol; it may not be sold within 300 feet of a church, public or private school or public hospital. [See Subchapter C Local Regulation of Alcoholic Beverages]

RE: The Shops At Onion Creek

The City of Austin  
Zoning and Platting Department

To Whom It May Concern:

I, Dick Perrone, Vice President and Infrastructure Chairman of the Onion Creek Homeowners Association, have studied the attached drawing of the Shops At Onion Creek and agree with the proposed zoning of the 1925 sq. ft. to allow commercial liquor sales. I am aware that the required zoning is CS-1CO.

Sincerely,

Dick Perrone
