APPLICANT: Historic Landmark Commission

HISTORIC NAME: Callan-Boswell House

WATERSHED: Waller Creek

ADDRESS OF PROPOSED ZONING CHANGE: Waller Creek

ZONING FROM: SF-3-NCCD-NP to SF-3-H-NCCD-NP

SUMMARY STAFF RECOMMENDATION: Staff cannot recommend this house for landmark designation due to the absence of information concerning its early history. The house was moved to the current site in 1945 by Judge Krueger, who owned the property, but there is no indication that the house nor its residents were tied to Judge Krueger or his family. Staff does recognize the compatibility of the house with the historic character of the district and encourages the property owner to attempt to retain and rehabilitate the house or to relocate the house within the neighborhood.

QUALIFICATIONS FOR LANDMARK DESIGNATION:

Staff does not believe that the Callan-Boswell House qualifies for individual designation as a historic landmark, but recognizes that it would be contributing to a local historic district in the Grooms Addition. The house is a typical vernacular dwelling that was moved to the site from an unknown location in 1945; its earlier history remains a mystery.

HISTORIC LANDMARK COMMISSION ACTION: April 26, 2010: Initiated a historic zoning case. Vote: 7-0. May 24, 2010: Recommended a zoning change from family residence – neighborhood conservation – neighborhood plan (SF-3-NCCD-NP) combining district to family residence – historic landmark – neighborhood conservation – neighborhood plan (SF-3-H-NCCD-NP) combining district zoning. Vote: 5-1 (Hansen opposed; Leary ill).

PLANNING COMMISSION ACTION: July 13, 2010: Postponed to July 29, 2010 at staff's request to allow additional research by staff and the neighborhood regarding the origins of the house.

DEPARTMENT COMMENTS: The house is not listed in the Comprehensive Cultural Resources Survey (1984).

BASIS FOR RECOMMENDATION:

Architectural Description:

One-story rectangular-plan side-gabled board-and-batten frame house with a partial-width hipped-roof independent porch on turned wood posts; 1:1 fenestration.

Historical Associations:

The house was moved to its current site in 1945 by Judge Charles Krueger, who lived in the adjacent house facing Duval Street. The house is believed to have come from the Whitis Subdivision, one of the older areas in the North University area; stylistically, it appears that the house was built around 1915. On the current site, the house has been used as a rental unit; renters have included a bookbinder in the late 1940s, and a building crew foreman at the University of Texas from the late 1950s through the mid-1990s.

Robert and Hildegard Callan are listed as the renters of the property in city directories from 1944-45 through 1949. He worked as a bookbinder for A.C. Baldwin and Sons, and moved here from 1207 Alta Vista Avenue in Travis Heights. John R. Boswell was the longest-term tenant of the house, moving into the house in the mid-1950s with his wife Ida, and staying here until his death in 1997. Prior to moving into this house, Boswell lived with his mother Mamie at 1107 W. 38th Street in 1944-45, when he was serving in the U.S. Army, and then they moved to 3812 Morningside Drive by 1947, when he worked as a clerk for the Wood Food Store. When he and his wife Ida moved into this house, he worked as a building crew foreman for the University of Texas, a position he kept until he retired in the early 1980s. He died in 1997.
