

MEMORANDUM

TO: Navigation Committee
Parks and Recreation Board

FROM: Andrew Clamann, Environmental Scientist
Watershed Protection Department

DATE: August 5, 2010

SUBJECT: Proposed Code Changes relating to docks, bulkheads, and shoreline access

On August 5, 2010 I would like to solicit the recommendations of the Navigation Board regarding the proposed code changes relating to docks, bulkheads, and shoreline access. Please find attached a legislative copy of the proposed draft ordinance changes in addition to a word-doc which demonstrates how the proposed changes will appear within the context of the respective sections of the code. The recommendations of the Navigation Board will be presented to the Codes and Ordinances Subcommittee for their review on August 17, 2010.
