"Zilker playground lights were officially turned on August 2, thus giving the neighborhood a lighted athletic field for an enlarged night program which also increased attendance the last month of the summer program. Earlier in the Spring a tree planting ceremony was held at Zilker with the Recreation Department staff, members of the City Council, the Parks and Recreation Board, the Zilker School P.T.A., and about 600 school children taking part. About seventy elm and sycamore trees, two of which can be seen in the right foreground of the above picture, were planted." - copied from paper removed from back of photo.
