Carl,  
 As discussed, the Todd Lane Warehouses rezoning case will be notified for the October 12th, 2010 Planning Commission meeting so that it does not expire. I understand that the Applicant would like to request an indefinite postponement in order to continue discussions with the City about the expansion of the Todd Lane right-of-way. Could you please submit correspondence to me that confirms the Applicant's request for an indefinite postponement? I will then forward it to the Planning Commission for their consideration.

Thank you,  
 Wendy
