From: Jeff Walker - What's Up... Dock

Cc Terry and Lori Payne -
Property Owner

Subject: Boat Dock - 8818 Lot 2 Big View Drive

Permit Number: SP-2009-0176D(R1)

Subject: Variance Request

The owner of said property listed above, is requesting a variance to COA code 25-2-1176(B)(2), to extend the all ready approved boat dock an additional 23 feet out into the water, due to the depth of the water in this area. This extension will provide for safer navigation to and from the boat dock.

We have included photo and measurements to provide the necessary data points to approve this request.

Our request would like to be review and approved at the next Parks Board meeting, currently scheduled for October. We look forward to hearing from you.
