**MEMORANDUM**

**TO:** Planning Commission

**FROM:** Sarah Graham, Case Manager  
Planning and Development Review Department

**DATE:** November 9, 2010

**SUBJECT:** Addendum for Item C-19

**PROJECT:** Holly Street Power Plant Decommissioning and Demolition Project – Temporary  
Off-Site Improvements - SPC-2010-0137C

This site plan was heard at the Waterfront Planning Advisory Board meeting on November 8, 2010. The site plan was recommended on a consent vote with the following condition:

- That there is a sidewalk along Mildred Street to continually provide a trail connection during the decommissioning process.

Staff has followed up with this request, and there is an existing sidewalk along Mildred Street that connects directly to the trail for continuous pedestrian access to Lady Bird Lake during the decommissioning process.

Please let me know if you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read "Sarah Graham".
