

ORDINANCE NO. _____

AN ORDINANCE AMENDING EXHIBIT A TO ORDINANCE NO. 20110912-007 TO EXTEND THE TERM OF THE BATCH 6 GREEN POWER CHARGE TO THE GREENCHOICE® ENERGY RIDER.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF AUSTIN:

PART 1. The GreenChoice Energy Rider in Exhibit A to Ordinance No. 20080908-006, Austin Energy's Electric Rate Schedule, is amended to read:

CITY OF AUSTIN
ELECTRIC RATE SCHEDULE
GREENCHOICE® ENERGY RIDER

Application:

The charges set forth in this rider apply to those customers who choose to participate in Austin Energy's GreenChoice® program. By subscribing to the GreenChoice® program, participants will assist Austin Energy in adding renewable energy resources by paying a Green Power Charge as provided by this rider. The Batch-1 Green Power Charge applies to residential service and general service non-demand customers who subscribed in writing to Austin Energy's GreenChoice® program before October 13, 2000, except as provided for in the Electric Rate Schedule Residential Service, and to other customers who subscribed in writing before September 22, 2000. The Batch-2 Green Power Charge applies to those customers who subscribe in writing to the GreenChoice® program after the Batch-1 dates, but before December 6, 2003. The Batch-3 Green Power Charge applies to those customers who subscribe in writing to the GreenChoice® program after the Batch-2 dates, but before April 22, 2005. The Batch-4 Green Power Charge applies to those customers who subscribe to the GreenChoice® program after the Batch-3 dates but before March 31, 2006. The Batch-5 Green Power Charge applies to those customers who subscribe to the GreenChoice® program after January 14, 2008. The Batch-6 Green Power Charge applies to those customers who subscribe to the GreenChoice® program after January 1, 2009.

On or after March 28, 2001, GreenChoice® participants pay a Green Power Charge, rather than the normal Fuel Adjustment Factor, on that portion of their monthly energy use that is designated as GreenChoice® energy. Subscriptions to GreenChoice® shall continue for the full term of this rider unless terminated sooner in accordance with the terms of this rider. Aside from the Green Power Charge, participants' usage will otherwise be priced in accordance with all applicable rate tariffs and riders otherwise governing participant's electric service, including all energy rates, demand rates, and other charges and adjustments that may apply to participant's service.

Participants' subscriptions under this rider will support Austin Energy's acquisition of renewable energy. This energy cannot be directed to any one particular destination on the ERCOT electric grid, including participant's premises. Participants' subscriptions may be satisfied by Renewable Energy

1 Credits (RECs) as provided for in the Public Utility Regulatory Act. The availability of energy from the
2 renewable sources in question may vary from time to time and is dependent upon weather conditions,
3 force majeure, and third-party actions for which Austin Energy cannot be responsible. This may produce
4 periodic shortfalls of GreenChoice[®] energy during the term of this rider.
5

6 Participation in the GreenChoice[®] program is contingent upon the participant's remaining an Austin
7 Energy customer for the duration of the GreenChoice[®] program as set forth by this rider. If participant's
8 electric service is involuntarily terminated by Austin Energy, or if participant discontinues electric
9 service and relocates outside of the Austin Energy service area, participation in the GreenChoice[®]
10 program shall end immediately. If participant relocates to another premise within Austin Energy's
11 service area, participant may cancel its participation within 15 days of the relocation. If participant
12 chooses another electric provider after any deregulation of the Austin electric retail market, Austin
13 Energy may terminate participant's participation in this program at Austin Energy's sole discretion.
14 Participants who are terminated from the GreenChoice[®] program or who cancel their participation shall
15 be ineligible for further subscriptions to the program. Subscriptions are not transferable from customer
16 to customer.
