Re: Application for Landmark Status  
Historic Landmark Commission  
The Crutchfield House  
4001 Avenue G, Austin, Texas

To Whom It May Concern:

The undersigned, Margaret Crutchfield Lipps, C. C. Crutchfield, Jr. and John R. Crutchfield are the only children of Cicero and Melba Crutchfield who purchased the above residence in 1941. As sole heirs of our parents, the three of us sold the residence to Howard Liljestrand and Blinda Mc Clelland in 1995 after the death of our mother, who survived our father.

This will confirm that we jointly and severally approve of the designation of the residence as a Historic Structure and consent to the designation of the property as "The Crutchfield House".
