Re: Vacation Request of Street R.O.W. @
901 S. Lamar Blvd

Dear Jennifer:

This request to vacate the right of way in front of my property, is to return this tract of land to its original size. The City of Austin acquired this right of way in 1987 (refer to attached street deed). I purchased this tract of land in March of 2003. In 2003, we permitted and built our office project that is a two lot unified site plan (refer to the attached site plan). The site has all the required parking for the two buildings (existing and proposed). The site is zoned CS-V, and the use is office, no housing. The site is outside of the CBD and UT area.

Sincerely,

Bob Ellis
