

## MEMORANDUM

To: Navigation Committee  
Parks and Recreation Board

From: Chris Yanez  
Principal Planner, Parks and Recreation Department

Date: February 13, 2012

Subject: Sherriff Boat Dock  
Case # SP-2011-0273D

A request has been received from Jeff Walker on behalf of Karen Sherriff to construct a new boat dock at 8808 Big View Drive. Parks and Recreation Department staff has reviewed plans for the proposed project in accordance with the requirements of Article XIII and finds that approval of the Parks and Recreation Board is required for a dock that exceeds 20% of the width of the lot at the shoreline [Section 25-2-1176(D)(2)].

Staff recommends approval of the request with possible relocation or modification of shoreline access where feasible.
