Subject: 1000 Forest View Drive
Case # SP-2012-0038DS

A request has been received from Scott Stephens on behalf of Austin Water Utility to construct a new buoy system at 1000 Forest View Drive. Parks and Recreation Department staff has reviewed plans for the proposed project in accordance with the requirements of Article XIII and finds that approval of the Parks and Recreation Board is required for a dock that extends beyond 30 feet from the shoreline [Section 25-2-1176(B)(2)].

Staff recommends approval of the request.
