

## A G E N D A

## Recommendation for Council Action (Purchasing)

Austin City Council	Item ID:	12898	Agenda Number	16.
---------------------	----------	-------	---------------	-----

Meeting Date:	March 8, 2012
---------------	---------------

Department:	Purchasing
-------------	------------

## Subject

Authorize award and execution of a 12-month requirements service contract with INLAND TECHNOLOGIES LTD., for runway derubberization for the Aviation Department for maintenance of runways at the Austin-Begstrom International Airport in an estimated amount not to exceed \$81,500, with three 12-month extension options in an estimated amount not to exceed \$81,500 per extension option, for a total estimated contract amount not to exceed \$326,000.

## Amount and Source of Funding

Funding in the amount of \$15,000 is available in the Fiscal Year 2011-2012 Operating Budget of the Aviation Department. Funding for the remaining 6 months of the original contract period and the extension options is contingent upon available funding in future budgets.

## Fiscal Note

There is no unanticipated fiscal impact. A fiscal note is not required.

Purchasing Language:	Lowest bid of four bids received.

## Additional Backup Information

This contract will provide for runway derubberization services for the Aviation Department on an as-needed basis. In accordance with (IAW) FAA Advisory Circular 150/5320-12, the Austin airport needs to have rubber removed at a minimum of once every 6 months based upon the number of jet aircraft landing on the runways. This service is required to maintain a minimum amount friction on runway surfaces. The planned areas to have rubber removed are Runway 17R, Runway 35L, and East Runway (17L/35R).
