

AUSTIN CITY CLERK

RECEIVED  
PETITION FOR CONSENT TO THE CREATION  
OF MUNICIPAL UTILITY DISTRICT

2010 OCT 18 PM 2 23

TO THE HONORABLE MAYOR AND CITY COUNCIL OF THE CITY OF AUSTIN,  
TEXAS:

The undersigned (the "Petitioner"), acting pursuant to the provisions of Chapters 49 and 54, Texas Water Code, respectfully petitions the City Council of the City of Austin, Texas (the "City"), for its written consent to the creation of a municipal utility district over the land described by metes and bounds on **Exhibit "A"**, which is attached hereto and incorporated herein for all purposes (the "Land"), and, in support thereof, would show the following:

I.

The name of the proposed district is PILOT KNOB MUNICIPAL UTILITY DISTRICT NO. 2 (the "District").

II.

The District is proposed to be created and organized under the terms and provisions of Article XVI, Section 59 of the Constitution of Texas and Chapters 49 and 54, Texas Water Code.

III.

The District will contain approximately 557.187 acres of land, more or less, situated in Travis County, Texas. All of the land proposed to be included in the District is located within the extraterritorial jurisdiction of the City. All of the land proposed to be included may properly be included in the District.

IV.

Petitioner holds title to and is the owner of a majority in value of the holders of title of the Land as indicated by the tax rolls of the Travis County, Texas.

V.

The general nature of the work to be done by the District at the present time is the design, construction, acquisition, maintenance and operation of a waterworks and sanitary sewer system for domestic and commercial purposes; the construction, acquisition, improvement, extension, maintenance and operation of works, improvements, facilities, plants, equipment and appliances helpful or necessary to provide more adequate drainage for the District and to control, abate and amend local storm waters or other harmful excesses of waters; the provision of and construction, acquisition, maintenance and operation of parks and recreational facilities and the construction, acquisition, improvement, maintenance and operation of such other and

additional facilities, systems, plants and enterprises as may be consonant with any or all of the purposes for which the District is created.

VI.

There is a necessity for the above-described work, because there is not now available within the area, which will be developed for single family residential and commercial uses, an adequate waterworks system, sanitary sewer system, drainage and storm sewer system or parks and recreational facilities. The health and welfare of the present and future inhabitants of the area and adjacent areas require the purchase, design, construction, acquisition, ownership, operation, repair, improvement and extension of an adequate waterworks system, sanitary sewer system, drainage and storm sewer system, parks and recreational facilities and other facilities and systems. A public necessity, therefore, exists for the creation of the District in order to provide for the purchase, design, construction, acquisition, ownership, operation, repair, improvement and extension of a waterworks system, sanitary sewer system, drainage and storm sewer system, parks and recreational facilities and other systems to promote the purity and sanitary condition of the State's waters and the public health and welfare of the community.

VII.

A preliminary investigation has been made to determine the cost of the proposed District's project, and it is now estimated by the Petitioner, from such information as it has available at this time, that such cost will be approximately \$113,700,000.

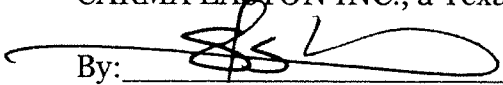

VIII.

Petitioner, by submission of this Petition, requests the City's consent to the creation of the District and to the inclusion of the Land within the District.

WHEREFORE, Petitioner prays that this petition be heard and that your Honorable Body duly pass and approve an ordinance or resolution granting consent to the creation of the District and authorizing the inclusion of the Land within the District.

RESPECTFULLY SUBMITTED this 18th day of October, 2010.
