

Task Force Action on Imagine Austin, February 21

Endorsed 21-3 with the following:

Changes to draft	Staff edit
Add "bikeable" to LUT Action 1	GC
Dove Springs case study	GC
- rewrite to soften	
- remove identifiers	
- check preceding section to set the context	
Better definition of "compact community" [NOTE: Work in progress with Evan Taniguchi]	MW
Include definition of "creative community"	MW
Improve graphic describing the relationship between IA and small area plans.	WRT
Include tracking CIP and spending geographically to "Invest in a compact and connected city" program	GC
Revise ECO 6 for clarity and connection to local business	PD
p. 5-10: Include "non-profits" in short term bullets 2 and 3	GC
Double check for instances of "creative class" to remove	GC
Priority program: Revise to household affordability (away from housing affordability)	GC
Include "Activity Corridors" in the county ETJ along bond election roads	MD
Map 2.7: Include SH-130	WRT
Correct open space layer	GC/PF
Include caption describing the composite FLUM (from neighborhood plans, not IA)	GC
Include language specifying a non-degradation policy of Barton Springs in the Water Resources program [NEW TEXT: Short-term: Enact a new watershed protection ordinance to streamline and expand protection of headwaters, to promote low-impact stormwater management strategies, and to reduce capital expenditures required to mitigate water quality problems, erosion, and flooding.	GC/WPD
Ongoing: Maintain a non-degradation policy for the Barton Springs Zone.]	
Specify that distances in indicators and metrics apply to the center of each parcel not to the edge	GC
Glossary definition of "cost burdened households": include transportation and utilities	MW
Water resources program: change low-income to low-water-use	GC
5-32: Rephrase to make it clear that neighborhood plan amendments go through the neighborhood plan amendment process [NEW TEXT: Changes to neighborhood plans will be considered by the City Council through the neighborhood plan amendment process. Changes to other small area or master plans will be addressed through a public amendment process by the City Council. Changes to Imagine Austin should be addressed through the annual review.]	GC
5a-31: Replace mention of two UT colleges with general "colleges and universities"	GC

Continue to work on (PC/after adoption)

Calibration of complete communities throughout the city

Develop positive examples of complete communities in Austin

Priority programs should be revisited; include measurement tools

Neighborhood centers on west side should be revisited with recommendation of purchase be conditional with open space

Continue to work on LUT X toward plainer language

Work with Watershed Protection to identify better areas to manage density at 620/2222 and MoPac/William Cannon

Continue to work on Water Resources program (step 5)
