Additional Backup Information

Ordinance 20111215-091 amended the City Code as it relates to historic landmark tax exemptions, but did not accurately reflect the direction of council in setting maximum exemptions for certain historic landmark properties, including certain properties used for a commercial purpose. This ordinance will correct these inaccuracies.

The correction is located in Subsections (B) and (C) of Section 11-1-22 (*Determination of Exemption Amount*).
