Glossary	compact community	A community in which housing, services, retail, jobs, entertainment, health care, schools, parks, and other daily needs are within a convenient walk or bicycle ride of one another. A compact community is supported by a complete transportation system, encourages healthier lifestyles and community interaction, and allows for more efficient delivery of public services.
Glossary	cost burdened	Households whose costs of housing, transportation, and utilities reduces their ability to afford other necessities, such as food, medical care, or child care. Typically, households are considered cost burdened if their housing costs exceeds 30 percent of their income or if their combined housing and transportation costs exceeds 45 percent of their income.

PS P3		Replace "mixed use centers" with activity centers
throughout		Use hyphen consistently. Current use typically does not hyphenate African Americans, etc. Search doc for other occurrences.
Throughout		Need to do a find-and-replace of "flood plain" into a single word ("floodplain") throughout document (e.g., p.129 CP P6).
Throughout		"IH 35" Document inconsistently references this roadway (varies between IH 35, IH-35, I-35, etc.). Use find-and-replace to choose one consistent version.
Throughout		Make sure there's only 1 space after each period.
Throughout	glossary	Make all the dashes after the entry name are consistent (for example, blueway and brownfield use hyphens; building block and biodiversity use en-dashes)
Throughout		Fill in all page numbers
Throughout		Check for instances of upper-case "building block," "policy," "growth concept map," and "action"
TOC		Match appendices and TOC listing together (for example, the Framework is E in the body and C in the TOC)
TOC	Title	Make the TOC match the title of the appendix: "Related Regional Planning Initiatives"
UD P1		especially <u>within activity centers and along activity corridors including in the</u> Downtown, future TODs, in denser, mixed-use communities, and other redevelopment areas
