Additional Backup Information

On December 15, 2011, the Council adopted Ordinance No. 20111215-051, establishing interim procedures for Council meetings. The purpose of the interim procedures was to balance the efficient running of council meetings with the desire to encourage public discussion on matters that are before the Council. The interim regulations were set to expire in March 2012. On March 1, 2012, Council adopted Ordinance No. 20120301-034 extending the interim procedures until April 26, 2012.

Ordinance No. 20120301-034 also instructed the City Manager to bring forward a recommendation for Code amendments regarding Council meeting procedures. The proposed ordinance codifies the interim procedures. It also codifies the provision of several adopted resolutions and ordinances relating to Council meeting procedures, including work session procedures and early publication of the Council meeting agenda.
