To the extent possible and under reasonable circumstances, all transfers of Bonds shall be made within three business days after request and presentation thereof. The District shall have the right to inspect the Registration Books during regular business hours of the Paying Agent/Registrar, but otherwise the Paying Agent/Registrar shall keep the Registration Books confidential and, unless otherwise required by law, shall not permit their inspection by any other entity. The Paying Agent/Registrar's standard or customary fees and charges for making such registration, transfer, conversion, exchange and delivery of a substitute Bond or Bonds shall be paid as provided in the FORM OF BOND set forth in this Order. *To be completed in connection with pricing the Bonds.

An authorized representative of the Paying Agent/Registrar shall, before the delivery of any such Bond, date and manually sign the Paying Agent/Registrar's Authentication Certificate, and no such Bond shall be deemed to be issued or outstanding unless such Certificate is so executed. The Paying Agent/Registrar promptly shall cancel all paid Bonds and Bonds surrendered for conversion and exchange. No additional ordinances, orders, or resolutions need be passed or adopted by the Board of Directors of the District or any other body or person so as to accomplish the foregoing conversion and exchange of any Bond or portion thereof, and the Paying Agent/Registrar shall provide for the printing, execution, and delivery of the substitute Bonds in the manner prescribed herein, and the Bonds shall be of typewritten, photocopied, printed, lithographed, engraved or produced in any other similar manner, all as determined by the officers executing such bond as evidenced by their execution thereof. Pursuant to Chapter 1201 of the Texas Government Code, as amended, the duty of conversion and exchange of Bonds as aforesaid is hereby imposed upon the Paying Agent/Registrar, and, upon the execution of said Certificate, the converted and exchanged Bond shall be valid, incontestable, and enforceable in the same manner and with the same effect as the Bonds which initially were issued and delivered pursuant to this Order, approved by the Attorney General, and registered by the Comptroller of Public Accounts.

(b) Payment of Bonds and Interest. The District hereby further appoints the Paying Agent/Registrar to act as the paying agent for paying the principal of and interest on the Bonds, all as provided in this Order. However, in the event of a nonpayment of interest on a scheduled payment date, and for 30 calendar days thereafter, a new record date for such interest payment (a "Special Record Date") will be established by the Paying Agent/Registrar, if and when funds for the payment of such interest have been received from the District. Notice of the Special Record Date and of the scheduled payment date of the past due interest (which shall be 15 calendar days after the Special Record Date) shall be sent at least five business days prior to the Special Record Date by United States mail, first-class postage prepaid, to the address of each registered owner appearing on the Registration Books at the close of business on the last business day next preceding the date of mailing of such notice.

(c) In General. The Bonds (i) shall be issued in fully registered form, without interest coupons, with the principal of and interest on such Bonds to be payable only to the registered owners thereof, (ii) may be transferred and assigned, (iii) may be converted and exchanged for other Bonds, (iv) shall have the characteristics, (v) shall be signed, sealed, executed and authenticated, (vi) shall be payable as to the principal of and interest, (vii) may be redeemed prior to their scheduled maturities (notice of which shall be given to the Paying Agent/Registrar at least 40 calendar days prior to any such redemption date), and (viii) shall be administered, and the Paying Agent/Registrar and the District shall have certain duties and responsibilities with respect to the Bonds, all as provided, and in the manner and to the effect as required or indicated, in the FORM OF BOND set forth in this Order. The Bond initially issued and delivered pursuant to this Order is not required to be, and shall not be, authenticated by the Paying Agent/Registrar, but on each substitute Bond issued in conversion of and exchange for any Bond or Bonds issued under

this Order the Paying Agent/Registrar shall execute the PAYING AGENT/REGISTRAR'S AUTHENTICATION CERTIFICATE, in the form set forth in the FORM OF BOND.

(d) Substitute Paying Agent/Registrar. The District covenants with the registered owners of the Bonds that at all times while the Bonds are outstanding the District will provide a competent and legally qualified bank, trust company, financial institution, or other agency to act as and perform the services of Paying Agent/Registrar for the Bonds under this Order, and that the Paying Agent/Registrar will be one entity. The District reserves the right to, and may, at its option, change the Paying Agent/Registrar upon not less than 30 days written notice to the Paying Agent/Registrar, to be effective at such time which will not disrupt or delay payment on the next principal or interest payment date after such notice. In the event that the entity at any time acting as Paying Agent/Registrar (or its successor by merger, acquisition, or other method) should resign or otherwise cease to act as such, the District covenants that promptly it will appoint a competent and legally qualified bank, trust company, financial institution, or other agency to act as Paying Agent/Registrar under this Order. Upon any change in the Paying Agent/Registrar, the previous Paying Agent/Registrar promptly shall transfer and deliver the Registration Books (or a copy thereof), along with all other pertinent books and records relating to the Bonds, to the new Paying Agent/Registrar designated and appointed by the District. Upon any change in the Paying Agent/Registrar, the District promptly will cause a written notice thereof to be sent by the new Paying Agent/Registrar to each registered owner of the Bonds, by United States mail, first-class postage prepaid, which notice also shall give the address of the new Paying Agent/Registrar. By accepting the position and performing as such, each Paying Agent/Registrar shall be deemed to have agreed to the provisions of this Order and a certified copy of this Order shall be delivered to each Paying Agent/Registrar.

(e) Book-Entry-Only System. The Bonds issued in exchange for the Bonds initially issued as provided in Section 3 shall be issued in the form of a separate single fully registered Bond for each of the maturities thereof registered in the name of Cede & Co., as nominee of The Depository Trust Company of New York ("DTC") and except as provided in subsection (f) hereof, all of the outstanding Bonds shall be registered in the name of Cede & Co., as nominee of DTC.

With respect to Bonds registered in the name of Cede & Co., as nominee of DTC, the District and the Paying Agent/Registrar shall have no responsibility or obligation to any securities brokers and dealers, banks, trust companies, clearing corporations and certain other organizations on whose behalf DTC was created to hold securities to facilitate the clearance and settlement of securities transactions among DTC participants (the "DTC Participant") or to any person on behalf of whom such a DTC Participant holds an interest in the Bonds. Without limiting the immediately preceding sentence, the District and the Paying Agent/Registrar shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co. or any DTC Participant with respect to any ownership interest in the Bonds, (ii) the delivery to any DTC Participant or any other person, other than a Registered Owner, as shown on the Registration Books, of any notice with respect to the Bonds, or (iii) the payment to any DTC Participant or any person, other than a Registered Owner, as shown in the Registration Books of any amount with respect to principal of or interest on the Bonds. Notwithstanding any other provision of this Order

to the contrary, but to the extent permitted by law, the District and the Paying Agent/Registrar shall be entitled to treat and consider the person in whose name each Bond is registered in the Registration Books as the absolute owner of such Bond for the purpose of payment of principal of and interest, with respect to such Bond, for the purposes of registering transfers with respect to such Bond, and for all other purposes of registering transfers with respect to such Bonds, and for all other purposes whatsoever. The Paying Agent/Registrar shall pay all principal of and interest on the Bonds only to or upon the order of the respective Registered Owners, as shown in the Registration Books as provided in this Order, or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the District's obligations with respect to payment of principal of and interest on the Bonds to the extent of the sum or sums so paid. No person other than a Registered Owner, as shown in the Registration Books, shall receive a Bond evidencing the obligation of the District to make payments of principal, and interest pursuant to this Order. Upon delivery by DTC to the Paying Agent/Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions in this Order with respect to interest checks being mailed to the registered owner at the close of business on the Record Date the word "Cede & Co." in this Order shall refer to such new nominee of DTC.

(f) Successor Securities Depository; Transfer Outside Book-Entry-Only System. In the event that the District determines to discontinue the book-entry system through DTC or a successor or DTC determines to discontinue providing its services with respect to the Bonds, the District shall either (i) appoint a successor securities depository, qualified to act as such under Section 17(a) of the Securities and Exchange Act of 1934, as amended, notify DTC and DTC Participants of the appointment of such successor securities depository and transfer one or more separate Bonds to such successor securities depository or (ii) notify DTC and DTC Participants of the availability through DTC of Bonds and transfer one or more separate Bonds to DTC Participants having Bonds credited to their DTC accounts. In such event, the Bonds shall no longer be restricted to being registered in the Registration Books in the name of Cede & Co., as nominee of DTC, but may be registered in the name of the successor securities depository, or its nominee, or in whatever name or names the Registered Owner transferring or exchanging Bond shall designate, in accordance with the provisions of this Order.

(g) Payments to Cede & Co. Notwithstanding any other provision of this Order to the contrary, so long as any Bond is registered in the name of Cede & Co., as nominee of DTC, all payments with respect to principal of, and interest on such Bond and all notices with respect to such Bond shall be made and given, respectively, in the manner provided in the Letter of Representations of the District to DTC.

(h) Initial Bond. The Bonds herein authorized shall be initially issued as a fully registered bond, being one Bond, and the initial Bond shall be registered in the name of the initial purchaser or the designees thereof. The Initial Bond shall be the Bond submitted to the Office of the Attorney General of the State of Texas for approval, certified and registered by the Office of the Comptroller of Public Accounts of the State of Texas and delivered to the initial purchaser. Immediately after the delivery of the Initial Bond on the closing date, the Paying Agent/Registrar shall cancel the Initial Bond delivered hereunder and exchange therefor Bonds in the form of a

separate single fully registered Bond for each of the maturities thereof registered in the name of Cede & Co., as nominee of DTC and except as provided in Section 5, all of the outstanding Bonds shall be registered in the name of Cede & Co., as nominee of DTC.

(i) DTC Blanket Letter of Representations. The District confirms execution of a Blanket Issuer Letter of Representations with DTC establishing the Book-Entry-Only System which will be utilized with respect to the Bonds.

Section 6. FORM OF BONDS. The form of the Bonds, including the form of Paying Agent/Registrar's Authentication Certificate, the form of Assignment and the form of Registration Certificate of the Comptroller of Public Accounts of the State of Texas to be attached to the Bond initially issued and delivered pursuant to this Order, shall be, respectively, substantially as follows, with such appropriate variations, omissions, or insertions as are permitted or required by this Order.

States mail, first-class postage prepaid, at least 30 calendar days prior to the date fixed for any such redemption, to the registered owner of each Bond to be redeemed at its address as it appeared on the 45th calendar day prior to such redemption date and to major securities depositories and bond information services; provided, however, that the failure to send, mail or receive such notice, or any defect therein or in the sending or mailing thereof, shall not affect the validity or effectiveness of the proceedings for the redemption of any Bond, and it is hereby specifically provided that the publication of such notice as required above shall be the only notice actually required in connection with or as a prerequisite to the redemption of any Bonds or portions thereof and by the date fixed for any such redemption due provision shall be made with the Paying Agent/Registrar for the payment of the required redemption price for the Bonds or portions for which such payment is made, all as provided above. The Bonds or portions thereof which are to be so redeemed thereby automatically shall be treated as redeemed prior to their scheduled maturities, and they shall not bear interest after the date fixed for redemption, and they shall not be regarded as being outstanding except for the right of the registered owner to receive the redemption price from the Paying Agent/Registrar out of the funds provided for such payment. If a portion of any Bond shall be redeemed, a substitute Bond or Bonds having the same maturity date, bearing interest at the same rate, in any authorized denomination or denominations, at the written request of the registered owner, and in the aggregate principal amount equal to the unredeemed portion thereof, will be issued to the registered owner upon the surrender thereof for cancellation, at the expense of the District, all as provided in the Bond Order.

WITH RESPECT TO any optional redemption of the Bonds, unless certain prerequisites to such redemption required by the Bond Order have been met and moneys sufficient to pay the principal of and premium, if any, and interest on the Bonds to be redeemed shall have been received by the Paying Agent/Registrar prior to the giving of such notice of redemption, such notice shall state that said redemption may, at the option of the District, be conditional upon the satisfaction of such prerequisites and receipt of such moneys by the Paying Agent/Registrar on or prior to the date fixed for such redemption, or upon any prerequisite set forth in such notice of redemption. If a conditional notice of redemption is given and such prerequisites to the redemption and sufficient moneys are not received, such notice shall be of no force and effect, the District shall not redeem such Bonds and the Paying Agent/Registrar shall give notice, in the manner in which the notice of redemption was given, to the effect that the Bonds have not been redeemed.

ALL BONDS OF THIS SERIES are issuable solely as fully registered Bonds, without interest coupons, in the denomination of any integral multiple of \$5,000. As provided in the Bond Order, this Bond may, at the request of the registered owner or the assignee or assignees hereof, be assigned, transferred, converted into and exchanged for a like aggregate amount of fully registered Bonds, without interest coupons, payable to the appropriate registered owner, assignee or assignees, as the case may be, having any authorized denomination or denominations as requested in writing by the appropriate registered owner, assignee or assignees, as the case may be, upon surrender of this Bond to the Paying Agent/Registrar for cancellation, all in accordance with the form and procedures set forth in the Bond Order. Among other requirements for such assignment and transfer, this Bond must be presented and surrendered to the Paying

Agent/Registrar, together with proper instruments of assignment, in form and with guarantee of signatures satisfactory to the Paying Agent/Registrar, evidencing assignment of this Bond or any portion or portions hereof in any authorized denomination to the assignee or assignees in whose name or names this Bond or any such portion or portions hereof is or are to be registered. The Form of Assignment printed or endorsed on this Bond may be executed by the registered owner to evidence the assignment hereof, but such method is not exclusive, and other instruments of assignment satisfactory to the Paying Agent/Registrar may be used to evidence the assignment of this Bond or any portion or portions hereof from time to time by the registered owner. The Paying Agent/Registrar's reasonable standard or customary fees and charges for assigning, transferring, converting and exchanging any Bond or portion thereof will be paid by the District. In any circumstance, any taxes or governmental charges required to be paid with respect thereto shall be paid by the one requesting such assignment, transfer, conversion or exchange, as a condition precedent to the exercise of such privilege. The Paying Agent/Registrar shall not be required to make any such transfer, conversion or exchange (i) during the period commencing with the close of business on any Record Date and ending with the opening of business on the next following principal or interest payment date or (ii) with respect to any Bond or any portion thereof called for redemption prior to maturity, within forty-five (45) calendar days prior to its redemption date.

WHENEVER the beneficial ownership of this Bond is determined by a book entry at a securities depository for the Bonds, the foregoing requirements of holding, delivering or transferring this Bond shall be modified to require the appropriate person or entity to meet the requirements of the securities depository as to registering or transferring the book entry to produce the same effect.

IN THE EVENT any Paying Agent/Registrar for the Bonds is changed by the District, resigns, or otherwise ceases to act as such, the District has covenanted in the Bond Order that it promptly will appoint a competent and legally qualified substitute therefor, and cause written notice thereof to be mailed to the registered owners of the Bonds.

THE BONDS are payable from the proceeds of a tax, without legal limit as to rate or amount, levied upon all taxable property within the District. The Bonds are further payable from the District's Net Revenues (as defined in the Bond Order), if any. The Bond Order provides that the District reserves the right to consolidate with one or more conservation and reclamation districts, to consolidate its waterworks and sewer systems with the systems of such districts, and to secure the Bonds and any other bonds of the District or such districts by a pledge of the net revenues of the consolidated system. The Bond Order further provides that the pledge of taxes and Net Revenues, if any, to the payment of the Bonds shall terminate at such time, if ever, as (i) money and/or direct obligations of the United States or obligations unconditionally guaranteed by the United States in an amount sufficient to defease the Bonds is deposited with or made available to the Paying Agent/Registrar in accordance with the Bond Order or (ii) the City of Austin, Texas (the "City") dissolves the District, and assumes the obligations of the District pursuant to existing Texas law and the Consent Agreement.

THE BONDS are issued pursuant to the Bond Order, whereunder the District covenants to levy a continuing direct annual ad valorem tax, without legal limit as to rate or amount, on

taxable property within the District, for each year while any part of the Bonds are considered outstanding under the provisions of the Bond Order, in sufficient amount, together with revenues and receipts available from other sources which are equally available for such purposes, to pay interest on the Bonds as it becomes due, to provide a sinking fund for the payment of the principal of the Bonds when due or the redemption price at any earlier required redemption date, to pay when due the other contractual obligations of the issuer payable in whole or in part from taxes, and to pay the expenses of assessing and collecting such tax, all as more specifically provided in the Bond Order. The Bonds are further payable from the Net Revenues, if any, of the System. Reference is hereby made to the Bond Order for provisions with respect to the operation and maintenance of the District's facilities, the custody and application of funds, remedies in the event of a default hereunder or thereunder, and the other rights of the registered owners of the Bonds. By acceptance of this Bond the registered owner hereof consents to all of the provisions of the Bond Order, a certified copy of which is on file in the office of the District.

THE OBLIGATION to pay the principal of and the interest on this Bond is solely and exclusively the obligation of the District until such time, if ever, as the District is abolished and this Bond is assumed as described above. No other entity, including the State of Texas, any political subdivision thereof other than the District, or any other public or private body, is obligated, directly, indirectly, contingently, or in any other manner, to pay the principal of or the interest on this Bond from any source whatsoever. No part of the physical properties of the District, including the properties provided by the proceeds of the Bonds, is encumbered by any lien for the benefit of the registered owner of this Bond.

THE DISTRICT RESERVES THE RIGHT to issue (i) additional bonds equally secured by a pledge of taxes and Net Revenues or from taxes only; (ii) bonds, notes, and other obligations of inferior liens; and (iii) revenue bonds, payable solely from contracts with other persons, including private corporations, municipalities, and political subdivisions to finance facilities needed in performing any such contracts. Reference is made to the Bond Order for a complete description of the right to issue additional obligations.

TO THE EXTENT permitted by and in the manner provided in the Bond Order, the terms and provisions of the Bond Order and the rights of the registered owners of the Bonds may be modified with, in certain circumstances, the consent of the registered owners of a majority in aggregate principal amount of the Bonds affected thereby; provided, however, that, without the consent of the registered owners of all of the Bonds affected, no such modification shall (i) extend the time or times of payment of the principal of and interest on the Bonds, reduce the principal amount thereof or the rate of interest thereon, or in any other way modify the terms of payment of the principal of or interest on the Bonds, (ii) give any preference to any Bond over any other Bond, or (iii) reduce the aggregate principal amount of the Bonds required for consent to any such modification.

THIS BOND shall not be valid or obligatory for any purpose or be entitled to any benefit under the Bond Order unless this Bond either (a) is registered by the Comptroller of Public Accounts of the State of Texas as evidenced by execution of the registration certificate endorsed

hereon or (b) is authenticated as evidenced by execution of the authentication certificate endorsed hereon by the Paying Agent/Registrar.

IT IS HEREBY CERTIFIED, COVENANTED, AND REPRESENTED that all acts, conditions, and things necessary to be done precedent to the issuance of the Bonds in order to render the same legal, valid, and binding obligations of the District have happened and have been accomplished and performed in regular and due time, form, and manner, as required by law; that provision has been made for the payment of the principal of and interest on the Bonds by the levy of a continuing, direct annual ad valorem tax upon all taxable property within the District and by the pledge of Net Revenues, if any, as described above; and that issuance of the Bonds does not exceed any constitutional or statutory limitation. In the event that any provisions herein contained do or would, presently or prospectively, operate to make any part hereof void or voidable, such provisions shall be without effect or prejudice to the remaining provisions hereof, which shall nevertheless remain operative, and such violative provisions, if any, shall be reformed by a court of competent jurisdiction within the limits of the laws of the State of Texas.

IT IS FURTHER CERTIFIED that the District has designated the Bonds as "qualified tax-exempt obligations" within the meaning of Section 265(b) of the Internal Revenue Code of 1986.

IN WITNESS WHEREOF, the District has caused this Bond to be signed with the manual or facsimile signature of the President or Vice President of the Board of Directors of the District and countersigned with the manual or facsimile signature of the Secretary or Assistant Secretary of the Board of Directors of the District, and has caused the official seal of the District to be duly impressed, or placed in facsimile, on this Bond.

C. The initial Bond shall be numbered "T-1."

Section 7. SECURITY FOR THE BONDS. (a) Pledge and Levy of Taxes. For each year while any Bond is outstanding and the District remains in existence, the Board shall consider the taxable property in the District and determine the actual rate of the bond tax and/or the maintenance tax per \$100 valuation of taxable property which is to be levied in that year, and levy the bond tax and/or the maintenance tax against all taxable property in the District.

(i) Annual Budget. Prior to determining the bond tax and/or maintenance tax to be levied for any calendar year, the Board shall adopt an annual budget for the District setting forth the estimated expenditures and disbursements of the District's receipts, revenues, and funds, the estimated receipts, revenues and funds and the sources thereof, and the District's debt service for the succeeding fiscal year. The budget shall be developed in accordance with generally accepted accounting procedures, and shall contain such budgetary items and provisions as may be reasonably necessary to reflect adequately the operations and activities of the District for the annual period covered by the budget. The board shall not determine the bond tax and/or maintenance tax to be levied for any calendar year until the Board has approved an annual budget for the expenditure and disbursement of the receipts, revenues and funds of the District.

* To be completed in connection with pricing the Bonds.

- (ii) Establishment of District Interest and Sinking Fund and Levy of Bond Tax. A special fund or account, to be designated the North Austin Municipal Utility District No. 1 Series 2012 Bonds Interest and Sinking Fund (the "Interest and Sinking Fund") is hereby created and shall be established and maintained by the District at its official depository bank. The Interest and Sinking Fund shall be kept separate and apart from all other funds and accounts of the District, and shall be used only for paying the principal, interest and redemption price of the Bonds. All taxes levied and collected for and on account of the Bonds shall be deposited, as collected, to the credit of the Interest and Sinking Fund. During each year while any of the Bonds are outstanding and unpaid, the District shall compute and ascertain the rate and amount of ad valorem tax, based on the latest approved tax rolls of the District, with full allowances being made for tax delinquencies and costs of tax collections, which will be sufficient to raise and produce the money required to make payment of the principal and interest on the Bonds. The rate and amount of ad valorem tax is hereby ordered to be levied and is hereby levied without limit as to rate or amount and is hereby levied without limit as to rate or amount against all taxable property in the District for each year while any of the Bonds are outstanding and unpaid, and such ad valorem tax shall be assessed and collected each such year and deposited to the credit of the Interest and Sinking Fund. In determining the rate of tax to be levied, assessed and collected, the District may take into account the amount of funds on hand in the Interest and Sinking Fund including the amounts therein from the deposit of Net Revenues. The ad valorem taxes and the Net Revenues are hereby irrevocably pledged to the payment of the principal of and interest on the Bonds as same become due.

(b) Pledge of Net Revenues. The District covenants and agrees that the Net Revenues, if any, are hereby pledged for payment of the Bonds. The revenues hereby pledged shall immediately be subject to the lien of this pledge without any physical delivery thereof or further act, and the lien of this pledge shall be valid and binding as against any parties of any kind having a claim of any kind in tort, contract or otherwise against the District irrespective of whether such parties have notice thereof.

To the extent provided by law, such pledge of Net Revenues and taxes will terminate if the City takes over all properties and assets, assumes all debts, liabilities, and obligations, and performs all functions and services of the District, and the District is abolished pursuant to law and the Consent Agreement.

The laws of the State of Texas permit the District to be consolidated with one or more conservation and reclamation districts. In the event the District is consolidated with another district or districts, the District reserves the right to:

- (i) Consolidate the System with a similar system of one or more districts with which the District is consolidating and operate and maintain the systems as one consolidated system (herein for purposes of this section the "Consolidated System").

(ii) Apply the net revenues from the operation of the Consolidated System to the payment of principal, interest, redemption price and bank charges on the revenue bonds or the combination tax and revenue bonds (herein for purposes of this section the "Revenue Bonds") of the District and of the district or districts with which the District is consolidating (herein collectively the "Consolidating Districts") without preference to any series of bonds (except subordinate lien revenue bonds which shall continue to be subordinate to the first lien Revenue Bonds of the Consolidating Districts).

(iii) Pledge the net revenues of the Consolidated System to the payment of principal, interest, redemption price and bank charges on Revenue Bonds which may be issued by the Consolidating Districts on a parity with the outstanding first lien Revenue Bonds of the Consolidating Districts.

(c) Perfection. Chapter 1208 of the Texas Government Code applies to the issuance of the Bonds and the pledge of taxes and revenues granted by the District under Section 7 of this Order, and such pledge is therefore valid, effective and perfected. If Texas law is amended at any time while the Bonds are outstanding and unpaid such that the pledge of taxes and revenues granted by the District under Section 7 of this Order is to be subject to the filing requirements of Chapter 9 of the Texas Business & Commerce Code, then in order to preserve to the registered owners of the Bonds the perfection of the security interest in said pledge, the District agrees to take such measures as it determines are reasonable and necessary under Texas law to comply with the applicable provisions of Chapter 9 of the Texas Business & Commerce Code and enable a filing to perfect the security interest in said pledge to occur.

Section 8. DEFEASANCE OF BONDS. (a) Any Bond and the interest thereon shall be deemed to be paid, retired and no longer outstanding (a "Defeased Bond") within the meaning of this Order, except to the extent provided in subsections (c) and (e) of this Section, when payment of the principal of such Bond, plus interest thereon to the due date or dates (whether such due date or dates be by reason of maturity, upon redemption, or otherwise) either (i) shall have been made or caused to be made in accordance with the terms thereof (including the giving of any required notice of redemption) or (ii) shall have been provided for on or before such due date by irrevocably depositing with or making available to the Paying Agent/Registrar or an eligible trust company or commercial bank for such payment (1) lawful money of the United States of America sufficient to make such payment, (2) Defeasance Securities, certified by an independent public accounting firm of national reputation to mature as to principal and interest in such amounts and at such times as will ensure the availability, without reinvestment, of sufficient money to provide for such payment and when proper arrangements have been made by the District with the Paying Agent/Registrar or an eligible trust company or commercial bank for the payment of its services until all Defeased Bonds shall have become due and payable or (3) any combination of (1) and (2). At such time as a Bond shall be deemed to be a Defeased Bond hereunder, as aforesaid, such Bond and the interest thereon shall no longer be secured by, payable from, or entitled to the benefits of, the ad valorem taxes or revenues herein levied and pledged as provided in this Order, and such principal and interest shall be payable solely from such money or Defeasance Securities.

(b) The deposit under clause (ii) of subsection (a) shall be deemed a payment of a Bond as aforesaid when proper notice of redemption of such Bonds shall have been given, in accordance with this Order. Any money so deposited with the Paying Agent/Registrar or an eligible trust company or commercial bank as provided in this Section may at the discretion of the Board of Directors also be invested in Defeasance Securities, maturing in the amounts and at the times as hereinbefore set forth, and all income from all Defeasance Securities in possession of the Paying Agent/Registrar or an eligible trust company or commercial bank pursuant to this Section which is not required for the payment of such Bond and premium, if any, and interest thereon with respect to which such money has been so deposited, shall be turned over to the Board of Directors.

(c) Notwithstanding any provision of any other Section of this Order which may be contrary to the provisions of this Section, all money or Defeasance Securities set aside and held in trust pursuant to the provisions of this Section for the payment of principal of the Bonds and premium, if any, and interest thereon, shall be applied to and used solely for the payment of the particular Bonds and premium, if any, and interest thereon, with respect to which such money or Defeasance Securities have been so set aside in trust. Until all Defeased Bonds shall have become due and payable, the Paying Agent/Registrar shall perform the services of Paying Agent/Registrar for such Defeased Bonds the same as if they had not been defeased, and the District shall make proper arrangements to provide and pay for such services as required by this Order.

(d) Notwithstanding anything elsewhere in this Order, if money or Defeasance Securities have been deposited or set aside with the Paying Agent/Registrar or an eligible trust company or commercial bank pursuant to this Section for the payment of Bonds and such Bonds shall not have in fact been actually paid in full, no amendment of the provisions of this Section shall be made without the consent of the registered owner of each Bond affected thereby.

(e) Notwithstanding the provisions of subsection (a) immediately above, to the extent that, upon the defeasance of any Defeased Bond to be paid at its maturity, the District retains the right under Texas law to later call that Defeased Bond for redemption in accordance with the provisions of the Order authorizing its issuance, the District may call such Defeased Bond for redemption upon complying with the provisions of Texas law and upon the satisfaction of the provisions of subsection (a) immediately above with respect to such Defeased Bond as though it was being defeased at the time of the exercise of the option to redeem the Defeased Bond and the effect of the redemption is taken into account in determining the sufficiency of the provisions made for the payment of the Defeased Bond.

Section 9. FUNDS, FLOW OF FUNDS, APPLICATION OF FUNDS AND INVESTMENTS.

(a) Designation of Funds. The following funds are hereby created or affirmed:

(i) the Operating Fund;

- (ii) the Interest and Sinking Fund; and
- (iii) the Construction Fund.

Each fund shall be kept separate and apart from all other funds of the District. The Interest and Sinking Fund shall constitute a trust fund which shall be held in trust for the benefit of the owners of the Bonds. All other funds shall be used solely as provided in this Order until all of the Bonds have been retired, both as to principal and interest.

(b) Operating Fund. The Operating Fund shall comprise the fund of the District for operating and maintaining the System and paying general and administrative expenses of the District. The District shall deposit to the credit of the Operating Fund all income or increment which may grow out of the ownership and operation of the System unless derived from contracts with other persons, including private corporations, municipalities, and political subdivisions which, under the terms of the authorizing orders, may be pledged for the requirements of the District's revenue bonds issued particularly to finance the facilities needed in performing any such contracts, and the District may deposit to the credit of the Operating Fund such other income or receipts of the District not otherwise required to be applied by this Order. The Operating Fund shall be used solely to (i) pay all reasonable expenses of the administration, efficient operation, and adequate maintenance of the System, (ii) transfer from time to time any excess to the credit of the Interest and Sinking Fund when needed to pay the obligations of the District payable therefrom, and (iii) to the extent the balance of the Interest and Sinking Fund and tax collections available for deposit thereto are sufficient to pay when due the obligations of the District payable from the Interest and Sinking Fund, to pay any other expense of the District.

(c) Construction Fund. The Construction Fund shall comprise the capital improvements fund of the District. The District shall deposit to the credit of the Construction Fund the balance of the proceeds of the Bonds remaining after the deposits to the Interest and Sinking Fund provided in Section 9(d) of this Order. The Construction Fund shall be applied solely to pay (i) the costs necessary or appropriate to accomplish such of the purposes for which the Bonds are issued as approved by the Commission with any surplus proceeds subject to the Commission's further approval and (ii) the costs of issuing the Bonds. Interest earnings derived from the investment of proceeds from the sale of the Bonds deposited in the Construction Fund shall be used for the purpose for which the Bonds are issued; provided that after completion of the purposes set forth in Section 1 of this Order any interest earnings remaining on hand shall be deposited in the Interest and Sinking Fund or used to pay any rebate in accordance with Section 11 of this Order.

(d) Interest and Sinking Fund. The Interest and Sinking Fund shall comprise the interest and sinking fund of the District. The District shall deposit to the credit of the Interest and Sinking Fund (i) accrued interest on the Bonds from their date to the date of their delivery, (ii) collections of District taxes or Net Revenues, if any, to the extent provided in Section 7(a) and 7(b) hereof, (iii) capitalized interest on the Bonds, and (iv) amounts transferred from the Operating Fund to the extent provided in paragraph (b) of this Section 9. The Interest and Sinking Fund, including interest earnings or amounts deposited therein, shall be applied solely to pay the

principal or redemption price of and interest on the Bonds when due, and the fees of the Paying Agent/Registrar.

(e) Investment of Funds. The Board may place money in any fund created by this Order in time or demand deposits or invest such moneys as authorized by law at the time of such deposit. The District hereby covenants that the proceeds of the sale of the Bonds will be used as soon as practicable for the purposes for which the Bonds are issued. Obligations purchased as an investment of money in any fund shall be deemed to be a part of such Fund. Except as otherwise provided by law or by this Order, amounts received from the investment of any money in any Fund created by this Bond Order, except the Interest and Sinking Fund which shall be applied as set forth in Section 9(a) above, may be placed into any fund of the District as determined by the Board.

(f) Security for Funds. All funds created by this Bond Order shall be secured in the manner and to the fullest extent required by law for the security of funds of the District.

(g) Interest Earnings on Bond Proceeds. Interest earnings derived from the investment of proceeds from the sale of the Bonds shall be used along with other Bond proceeds for the purpose for which the Bonds are issued as set forth in Section 1 hereof; provided that after completion of such purpose, if any of such interest earnings remain on hand, such interest earnings shall be deposited in the Interest and Sinking Fund or used to pay any rebate in accordance with Section 11 of this Order.

Section 10. CUSTODY, APPROVAL, AND REGISTRATION OF BONDS; BOND COUNSEL'S OPINION; CUSIP NUMBERS AND CONTINGENT INSURANCE PROVISION, IF OBTAINED. The President of the Board of Directors of the District is hereby authorized to have control of the Bonds initially issued and delivered hereunder and all necessary records and proceedings pertaining to the Bonds pending their delivery and their investigation, examination, and approval by the Attorney General of the State of Texas, and their registration by the Comptroller of Public Accounts of the State of Texas. Upon registration of the Bonds said Comptroller of Public Accounts (or a deputy designated in writing to act for said Comptroller) shall manually sign the Comptroller's Registration Certificate attached to such Bonds, and the seal of said Comptroller shall be impressed, or placed in facsimile, on such Certificate. The approving legal opinion of the District's Bond Counsel and the assigned CUSIP numbers may, at the option of the District, be printed on the Bonds issued and delivered under this Order, but neither shall have any legal effect, and shall be solely for the convenience and information of the registered owners of the Bonds. In addition, if a Municipal Bond Insurance Policy is obtained, the Bonds may bear an appropriate legend as provided by the such bond insurer.

Section 11. COVENANTS REGARDING TAX EXEMPTION OF INTEREST ON THE BONDS. (a) Covenants. The District covenants to take any action necessary to assure, or refrain from any action which would adversely affect, the treatment of the Bonds as obligations described in section 103 of the Code, the interest on which is not includable in the "gross income" of the holder for purposes of federal income taxation. In furtherance thereof, the District covenants as follows:

(1) to take any action to assure that no more than 10 percent of the proceeds of the Bonds or the projects financed therewith (less amounts deposited to a reserve fund, if any) are used for any "private business use," as defined in section 141(b)(6) of the Code or, if more than 10 percent of the proceeds or the projects financed therewith are so used, such amounts, whether or not received by the District, with respect to such private business use, do not, under the terms of this Order or any underlying arrangement, directly or indirectly, secure or provide for the payment of more than 10 percent of the debt service on the Bonds, in contravention of section 141(b)(2) of the Code;

(2) to take any action to assure that in the event that the "private business use" described in subsection (1) hereof exceeds 5 percent of the proceeds of the Bonds or the projects financed therewith (less amounts deposited into a reserve fund, if any) then the amount in excess of 5 percent is used for a "private business use" which is "related" and not "disproportionate," within the meaning of section 141(b)(3) of the Code, to the governmental use;

(3) to take any action to assure that no amount which is greater than the lesser of \$5,000,000, or 5 percent of the proceeds of the Bonds (less amounts deposited into a reserve fund, if any) is directly or indirectly used to finance loans to persons, other than state or local governmental units, in contravention of section 141(c) of the Code;

(4) to refrain from taking any action which would otherwise result in the Bonds being treated as "private activity bonds" within the meaning of section 141(b) of the Code;

(5) to refrain from taking any action that would result in the Bonds being "federally guaranteed" within the meaning of section 149(b) of the Code;

(6) to refrain from using any portion of the proceeds of the Bonds, directly or indirectly, to acquire or to replace funds which were used, directly or indirectly, to acquire investment property (as defined in section 148(b)(2) of the Code) which produces a materially higher yield over the term of the Bonds, other than investment property acquired with --

(A) proceeds of the Bonds invested for a reasonable temporary period of 3 years or less or, in the case of a refunding bond, for a period of 30 days or less until such proceeds are needed for the purpose for which the Bonds are issued,

(B) amounts invested in a bona fide debt service fund, within the meaning of section 1.148-1(b) of the Treasury Regulations, and

(C) amounts deposited in any reasonably required reserve or replacement fund to the extent such amounts do not exceed 10 percent of the proceeds of the Bonds;

(7) to otherwise restrict the use of the proceeds of the Bonds or amounts treated as proceeds of the Bonds, as may be necessary, so that the Bonds do not otherwise contravene the requirements of section 148 of the Code (relating to arbitrage) and, to the extent applicable, section 149(d) of the Code (relating to advance refundings); and

(8) to pay to the United States of America at least once during each five-year period (beginning on the date of delivery of the Bonds) an amount that is at least equal to 90 percent of the "Excess Earnings," within the meaning of section 148(f) of the Code and to pay to the United States of America, not later than 60 days after the Bonds have been paid in full, 100 percent of the amount then required to be paid as a result of Excess Earnings under section 148(f) of the Code.

(9) to assure that the proceeds of the Bonds will be used solely for new money projects.

(b) Rebate Fund. In order to facilitate compliance with the above covenant (8), a "Rebate Fund" is hereby established by the District for the sole benefit of the United States of America, and such fund shall not be subject to the claim of any other person, including without limitation the bondholders. The Rebate Fund is established for the additional purpose of compliance with section 148 of the Code.

(c) Proceeds. The District understands that the term "proceeds" includes "disposition proceeds" as defined in the Treasury Regulations and, in the case of refunding bonds, transferred proceeds (if any) and proceeds of the refunded bonds expended prior to the date of issuance of the Bonds. It is the understanding of the District that the covenants contained herein are intended to assure compliance with the Code and any regulations or rulings promulgated by the U.S. Department of the Treasury pursuant thereto. In the event that regulations or rulings are hereafter promulgated which modify or expand provisions of the Code, as applicable to the Bonds, the District will not be required to comply with any covenant contained herein to the extent that such failure to comply, in the opinion of nationally recognized bond counsel, will not adversely affect the exemption from federal income taxation of interest on the Bonds under section 103 of the Code. In the event that regulations or rulings are hereafter promulgated which impose additional requirements which are applicable to the Bonds, the District agrees to comply with the additional requirements to the extent necessary, in the opinion of nationally recognized bond counsel, to preserve the exemption from federal income taxation of interest on the Bonds under section 103 of the Code. In furtherance of such intention, the District hereby authorizes and directs the President to execute any documents, certificates or reports required by the Code and to make such elections, on behalf of the District, which may be permitted by the Code as are consistent with the purpose for the issuance of the Bonds. This Order is intended to satisfy the official intent requirements set forth in Section 1.150-2 of the Treasury Regulations.

(d) Allocation Of, and Limitation On, Expenditures for the Project. The District covenants to account for the expenditure of sale proceeds and investment earnings to be used for the purposes described in Section 1 of this Order (the "Project") on its books and records in

accordance with the requirements of the Code. The District recognizes that in order for the proceeds to be considered used for the reimbursement of costs, the proceeds must be allocated to expenditures within 18 months of the later of the date that (1) the expenditure is made, or (2) the Project is completed; but in no event later than three years after the date on which the original expenditure is paid. The foregoing notwithstanding, the District recognizes that in order for proceeds to be expended under the Code, the sale proceeds or investment earnings must be expended no more than 60 days after the earlier of (1) the fifth anniversary of the delivery of the Bonds, or (2) the date the Bonds are retired. The District agrees to obtain the advice of nationally-recognized bond counsel if such expenditure fails to comply with the foregoing to assure that such expenditure will not adversely affect the tax-exempt status of the Bonds. For purposes of this subsection, the District shall not be obligated to comply with this covenant if it obtains an opinion of nationally-recognized bond counsel to the effect that such failure to comply will not adversely affect the excludability for federal income tax purposes from gross income of the interest.

(e) Disposition of Project. The District covenants that the property constituting the Project will not be sold or otherwise disposed in a transaction resulting in the receipt by the District of cash or other compensation, unless the District obtains an opinion of nationally-recognized bond counsel that such sale or other disposition will not adversely affect the tax-exempt status of the Bonds. For purposes of this subsection, the portion of the property comprising personal property and disposed of in the ordinary course shall not be treated as a transaction resulting in the receipt of cash or other compensation. For purposes of this subsection, the District shall not be obligated to comply with this covenant if it obtains an opinion of nationally-recognized bond counsel to the effect that such failure to comply will not adversely affect the excludability for federal income tax purposes from gross income of the interest.

(f) Designation as Qualified Tax-Exempt Obligations. The District hereby designates the Bonds as "qualified tax-exempt bonds" as defined in section 265(b)(3) of the Code. In furtherance of such designation, the District represents, covenants and warrants the following: (a) that during the calendar year in which the Bonds are issued, the District (including any subordinate entities) has not designated nor will designate bonds, which when aggregated with the Bonds, will result in more than \$10,000,000 of "qualified tax-exempt bonds" being issued; (b) that the District reasonably anticipates that the amount of tax-exempt obligations issued, during the calendar year in which the Bonds are issued, by the District (or any subordinate entities) will not exceed \$10,000,000; and (c) that the District will take such action or refrain from such action as necessary, and as more particularly set forth in this Section, in order that the Bonds will not be considered "private activity bonds" within the meaning of section 141 of the Code.

Section 12. SALE OF BONDS. The Bonds are hereby sold, pursuant to the taking of public sealed bids therefor, on this date, and shall be delivered to _____* (the "Purchaser") at a price of ____%* of the par amount (\$_____) plus accrued interest. The Board hereby finds and determines that the net effective interest rate on the Bonds, as calculated pursuant to Chapter 1204 of the Texas Government Code, as amended is ____%* which rate is not more than two (2) percent above the highest average interest rate reported by the *"Daily Bond*

Section 13. GENERAL COVENANTS OF THE DISTRICT. The District covenants and represents that:

(1) It has lawful power to issue the Bonds and to pledge the Net Revenues and has lawfully exercised such power under the Constitution and laws of the State of Texas.

(2) The Bonds shall be ratably secured in such manner that no one Bond shall have preference over other Bonds.

(3) Except for the pledge to the payment of the Bonds and the Series 2004 Bonds, the Series 2006 Bonds, the Series 2007 Bonds, the Series 2009 Bonds and the Series 2010 Bonds, the Net Revenues have not been in any manner pledged to the payment of any debt or obligation of the District or of the System.

(4) It has obtained or will obtain and will comply with the terms and conditions of all franchises, permits, and authorizations and will maintain same in full force and effect.

(7) It shall keep accurate records and accounts and employ an independent certified public accountant to audit and report on its financial affairs at the close of each fiscal year. Such audits shall be in accordance with applicable law, rules, and regulations in effect from time to time, including particularly Section 50.371 et seq. of the Texas Water Code, as amended, and the Water District Accounting Manual adopted by the Commission. A copy of such audit shall be filed in the office of the District and shall be open to inspection by any interested person during normal office hours. The District shall allow any holder or holders of not less than 25% in principal amount of the bonds then outstanding to inspect the System and all records, accounts, and data of the District relating thereto at all reasonable times and shall furnish a copy of such audit report to any such holder or holders upon request upon payment to the District of the charge therefor as prescribed by law.

*To be completed in connection with pricing the Bonds.

(8) The President, the Vice President, the Secretary, and all other officers of the Board from time to time, or any of them, are hereby authorized and directed to do any and all things required for the construction of the System and are further authorized and directed to make money of the District available for the payment of the Bonds in the manner provided by law and herein.

(9) So long as any of the Bonds or the Additional Bonds remain outstanding, the District covenants that it will at all times maintain the System or within the limits of its authority cause the same to be maintained, in good condition and working order and will operate the same, or cause the same to be operated, in an efficient and economical manner at a reasonable cost and in accordance with sound management principles. In operating and maintaining the System, the District will comply with all contractual provisions and agreements entered into by it and with all valid rules, regulations, directions or orders of any governmental, administrative or judicial body having jurisdiction over the District.

(10) It is in compliance with and will comply with the covenants set forth in the Consent Agreement.

Section 14. REMEDIES OF REGISTERED OWNERS. In addition to all rights and remedies of any registered owner of the Bonds provided by the laws of the State of Texas, the District and the Board covenant and agree that in the event the District defaults in the payment of the principal of or interest on any of the Bonds when due, fails to make the payments required by this Order to be made into the Interest and Sinking Fund, or defaults in the observance or performance of any of the covenants, conditions, or obligations set forth in this Order, the registered owner of any of the Bonds shall be entitled to a writ of mandamus issued by a court of proper jurisdiction compelling and requiring the Board and other officers of the District to observe and perform any covenant, obligation, or condition prescribed in this Order. No delay or omission by any registered owner upon default shall impair any such right or power, or shall be construed to be a waiver of any such default or acquiescence therein, and every such right or power may be exercised from time to time and as often as may be deemed expedient. The specific remedies mentioned in this Order shall be available to the registered owners of the Bonds as provided herein and shall be cumulative of all other lasting remedies.

Section 15. ADDITIONAL BONDS, SPECIAL PROJECT BONDS AND REFUNDING BONDS. (a) Additional Bonds, Inferior Obligations and Refunding Bonds. The District expressly reserves the right to issue in one or more installments or issues, additional bonds heretofore voted but unissued and bonds hereafter voted and payable from a lien on and pledge of taxes and revenues on a parity with and of equal dignity with the pledge for the Bonds; and bonds, notes and other obligations of inferior liens. This District further reserves the right to issue refunding bonds, notes or other obligations in any manner permitted by law to refund any Bonds, Additional Bonds, bonds, notes or other obligations at or prior to their respective dates of maturity or redemption.

The District further reserves the right to refund such bonds.

Section 16. APPROVAL OF OFFERING DOCUMENTS. An "Official Notice of Sale", an "Official Bid Form", and an "Official Statement", dated _____, 20____*, were prepared and distributed in connection with the sale of the Bonds (said documents are hereinafter referred to as the "Offering Documents"). Said Offering Documents, and any addenda, supplement, or amendment thereto, are hereby approved by the Board of Directors of the District, and their use in the offer and sale of the Bonds is hereby approved.

Section 17. DAMAGED, MUTILATED, LOST, STOLEN OR DESTROYED BONDS. (a) Replacement Bonds. In the event any outstanding Bond is damaged, mutilated, lost, stolen, or destroyed, the Paying Agent/Registrar shall cause to be printed, executed, and delivered, a new bond of the same principal amount, maturity, and interest rate, as the damaged, mutilated, lost, stolen, or destroyed Bond, in replacement for such Bond in the manner hereinafter provided.

(b) Application for Replacement Bonds. Application for replacement of damaged, mutilated, lost, stolen, or destroyed Bonds shall be made by the registered owner thereof to the Paying Agent/Registrar. In every case of loss, theft, or destruction of a Bond, the registered owner applying for a replacement bond shall furnish to the District and to the Paying Agent/Registrar such security or indemnity as may be required by them to save each of them harmless from any loss or damage with respect thereto. Also, in every case of loss, theft, or destruction of a Bond, the registered owner shall furnish to the District and to the Paying Agent/Registrar evidence to their satisfaction of the loss, theft, or destruction of such Bond. In every case of damage or mutilation of a Bond, the registered owner shall surrender to the Paying Agent/Registrar for cancellation the Bond so damaged or mutilated.

(c) No Default Occurred. (d) Charge for Issuing Replacement Bonds. Prior to the issuance of any replacement bond, the Paying Agent/Registrar shall charge the registered owner of such Bond with all legal, printing, and other expenses in connection therewith. Every replacement bond issued pursuant to the provisions of this Section by virtue of the fact that any Bond is lost, stolen, or destroyed shall constitute a contractual obligation of the District whether or not the lost, stolen, or destroyed Bond shall be found at any time, or be enforceable by anyone, and shall be entitled to all the

The District undertakes to provide only the financial information, operating data, financial statements, and notices which it has expressly agreed to provide pursuant to this Section and does not hereby undertake to provide any other information that may be relevant or material to a complete presentation of the City's financial results, condition, or prospects or hereby undertake to update any information provided in accordance with this Section or otherwise, except as expressly provided herein. The District does not make any representation or warranty concerning such information or its usefulness to a decision to invest in or sell Bonds at any future date.

UNDER NO CIRCUMSTANCES SHALL THE DISTRICT BE LIABLE TO THE HOLDER OR BENEFICIAL OWNER OF ANY CERTIFICATE OR ANY OTHER PERSON, IN CONTRACT OR TORT, FOR DAMAGES RESULTING IN WHOLE OR IN PART FROM ANY BREACH BY THE DISTRICT, WHETHER NEGLIGENT OR WITHOUT FAULT ON ITS PART, OF ANY COVENANT SPECIFIED IN THIS SECTION, BUT EVERY RIGHT

AND REMEDY OF ANY SUCH PERSON, IN CONTRACT OR TORT, FOR OR ON ACCOUNT OF ANY SUCH BREACH SHALL BE LIMITED TO AN ACTION FOR *MANDAMUS* OR SPECIFIC PERFORMANCE.

No default by the District in observing or performing its obligations under this Section shall comprise a breach of or default under this Order for purposes of any other provision of this Order.

Should the Rule be amended to obligate the District to make filings with or provide notices to entities other than the MSRB, the District hereby agrees to undertake such obligation with respect to the Bonds in accordance with the Rule as amended.

Nothing in this Section is intended or shall act to disclaim, waive, or otherwise limit the duties of the District under federal and state securities laws.

The provisions of this Section may be amended by the District from time to time to adapt to changed circumstances that arise from a change in legal requirements, a change in law, or a change in the identity, nature, status, or type of operations of the District, but only if (1) the provisions of this Section, as so amended, would have permitted an underwriter to purchase or sell Bonds in the primary offering of the Bonds in compliance with the Rule, taking into account any amendments or interpretations of the Rule since such offering as well as such changed circumstances and (2) either (a) the holders of a majority in aggregate principal amount (or any greater amount required by any other provision of this Order that authorizes such an amendment) of the outstanding Bonds consents to such amendment or (b) a person that is unaffiliated with the District (such as nationally recognized bond counsel) determines that such amendment will not materially impair the interest of the holders and beneficial owners of the Bonds. If the District so amends the provisions of this Section, it shall include with any amended financial information or operating data next provided in accordance with paragraph (a) of this Section an explanation, in narrative form, of the reason for the amendment and of the impact of any change in the type of financial information or operating data so provided. The District may also amend or repeal the provisions of this continuing disclosure agreement if the SEC amends or repeals the applicable provision of the Rule or a court of final jurisdiction enters judgment that such provisions of the Rule are invalid, but only if and to the extent that the provisions of this sentence would not prevent an underwriter from lawfully purchasing or selling Bonds in the primary offering of the Bonds.

Section 32. PAYMENT OF ATTORNEY GENERAL FEE. The District hereby authorizes the disbursement of a fee equal to the lesser of (i) one-tenth of one percent of the principal amount of the Bonds or (ii) \$9,500, provided that such fee shall not be less than \$750, to the Attorney General of Texas Public Finance Division for payment of the examination fee charged by the State of Texas for the Attorney General's review and approval of public securities and credit agreements, as required by Section 1202.004 of the Texas Government Code. The appropriate member of the District's staff is hereby instructed to take the necessary measures to make this payment. The District is also authorized to reimburse the appropriate District funds for such payment from proceeds of the Bonds.
