Subject: Boardwalk Trail at Lady Bird Lake
Case # SPC-2011-0327C

A request has been received from David Taylor on behalf of the City of Austin to construct a boardwalk along the shores of Lady Bird Lake. Parks and Recreation Department staff has reviewed plans for the proposed project in accordance with the requirements of Chapter 25-2, Chapter 25-7 and, Chapter 25-8 and finds that 1.) approval of the Parks and Recreation Board is required for a structure extending beyond 30 feet from shore [Section 25-2-1176(B)(2)] and; 2.) to place fill in Lady Bird Lake [Section 25-8-652] and; 3.) review and comment by the Parks and Recreation Board is required on a site plan that proposes to modify the shoreline of Lady Bird Lake [Section 25-7-63].

As the project proposes to mitigate construction impacts, staff recommends the requests.
