STATEMENT: Please provide the decision being appealed and the specific grounds for the appeal. If specific grounds are not provided appeal will not be considered valid:

Home Slice Pizzeria is extremely close to a residential use historic home & the noise would be intolerable. In addition, Home Slice is a serial noise violator, is within 100' of SF-3 property, and has inadequate parking even without an outdoor music venue. This permit should never have been granted, and we sincerely hope it will be denied on appeal. Thank you.

Appeal of Home Slice Pizza's OMV

Specific grounds why approval of Home Slice Pizza's outdoor music venue permit should be denied:

Joseph Strickland, owner of Home Slice promised in Dec. 2004 SRCC meeting that he wouldn't have outdoor music. This will be a credibility issue for future promises or compromises.

SRCC general membership voted unanimously at our March annual meeting to oppose Home Slice having an OMV. *See attached excerpt of minutes.

There is a lack of sufficient space for audience in outside area at Home Slice to host concerts. Adjacent residents shouldn't be denied use and access to their homes or off street parking due to an outdoor music venue added draw of more customers.

Parking issues specifically in the S. Congress area have been problematic and years of study and months of mediation including merchants & neighbors have not provided any solutions or increased capacity for the visitors we already have, particularly on weekends. Adding outdoor music to Home Slice will make situation even worse.

Home Slice is bordered on north side by SF use (an historic property, owned by same family for many, many decades,) on the east side after a 16ft. alley by SF zoned & used, and within the HS block nine of the 12 lots are SF use with 13 households within earshot.

Please note, there has not been signs produced at 1410 Nickerson in decades, it is an SF use (and has been continuously used by same family since 1957) and HS vendors & customers already frequently block the garage to the property.

There are too many SF properties within 200 to 600 ft. that will be negatively impacted by the noise and more crowds from outdoor music.

More entertainment venues will negatively impact the retail, personal services, and other varied day uses along the Avenue. The mix of businesses along S Congress and the many hours of use align with Greater South River City's Neighborhood Plan & Bouldin Creek's NP and adding more outdoor music will obstruct sustainable commerce.

There have been complaints against HS vendors & visitors blocking the alley, making access to residents' houses impossible. There have also been complaints about volume Home Slice canned music from speakers attached to the fence adjoining the SF use. These complaints were not routed to APD but directly from the homeowner to HS. Conditions have not improved in this regard over the years.

There were multiple complaints on March 16, 2012 for over permitted dbs that were called into 311. There were also calls to 311 for blocking the alley during HS's carnival November 2011. In addition, speakers and amplification were used within 20ft. of SF zoned and used properties, contrary to City Sound Department's instructions to Home Slice for that event.

It is not possible to mitigate adverse impacts of the proposed venue on adjacent residential and still permit for the peaceable enjoyment of the resident's homes. It is not possible to protect the health and safety of residents living in areas adjacent to the proposed venue.

The substantial investments homeowners have made into the properties should not be discounted for the interests of one commercial enterprise that will negatively impact the residents, other businesses, churches and schools. Our residents have invested time, energy and funds to improve the entire neighborhood and should not bear the burden of becoming the new entertainment district. Many of the most involved and invested residents are families with young children, and keeping the neighborhood diverse and one that will populate our public schools is desirable and smart long-term planning.

The single family zoned and used lots along S Congress are half block in on either side of the Avenue, and if this OMV is not overturned, one would expect that Perla's, Hop Doddy, South Congress Café, Wahoo Fish Tacos, Magnolia's, Doc's Motorworks, Zen, Amy's and future restaurant foot prints to follow as outdoor music venues. We have a good and truly diverse demographic of interesting visitors already and shouldn't do something that will make South Congress akin to Sixth Street or like SXSW throughout the year.

Given the peculiar problems we already experience in South Congress area with parking and safe walking along the side streets, this is a very bad addition to a single family neighborhood.

*SRCC General Meeting Minutes March 6, 2012

NEW BUSINESS

9. 7:40 Home Slice Pizza Outdoor Music Venue Request

Presenter: Mary Lovell, Member

Home Slice has applied for an outdoor music venue permit despite being within 100ft of a private residence. Some residents only have access to their homes via the alleyway next to Home Slice and expect a large outdoor event will make getting home difficult if not impossible.

MOTION: Mary Lovell / Russell – to register the SRCC as an interested party and to oppose the outdoor music permit for Home Slice = PASSED

These complaints were not routed to APD but directly from the homeowner to HS. Conditions have not improved in this regard over the years.

There were multiple complaints on March 16, 2012 for over permitted dbs that were called into 311. There were also calls to 311 for blocking the alley during HS's carnival November 2011. In addition, speakers and amplification were used within 20ft. of SF zoned and used properties, contrary to City Sound Department's instructions to Home Slice for that event.

It is not possible to mitigate adverse impacts of the proposed venue on adjacent residential and still permit for the peaceable enjoyment of the resident's homes. It is not possible to protect the health and safety of residents living in areas adjacent to the proposed venue.

Exhibit A

The substantial investments homeowners have made into the properties should not be discounted for the interests of one commercial enterprise that will negatively impact the residents, other businesses, churches and schools. Our residents have invested time, energy and funds to improve the entire neighborhood and should not bear the burden of becoming the new entertainment district. Many of the most involved and invested residents are families with young children, and keeping the neighborhood diverse and one that will populate our public schools is desirable and smart long-term planning.

The single family zoned and used lots along S Congress are half block in on either side of the Avenue, and if this OMV is not overturned, one would expect that Perla's, Hop Doddy, South Congress Café, Wahoo Fish Tacos, Magnolia's, Doc's Motorworks, Zen, Amy's and future restaurant foot prints to follow as outdoor music venues. We have a good and truly diverse demographic of interesting visitors already and shouldn't do something that will make South Congress akin to Sixth Street or like SXSW throughout the year.

Given the peculiar problems we already experience in South Congress area with parking and safe walking along the side streets, this is a very bad addition to a single family neighborhood.

NEW BUSINESS

9. 7:40 Home Slice Pizza Outdoor Music Venue Request

Presenter: Mary Lovell, Member

Home Slice has applied for an outdoor music venue permit despite being within 100ft of a private residence. Some residents only have access to their homes via the alleyway next to Home Slice and expect a large outdoor event will make getting home difficult if not impossible.

MOTION: Mary Lovell / Russell – to register the SRCC as an interested party and to oppose the outdoor music permit for Home Slice = PASSED

Date of Decision: _____

Date of Decision: _____

STATEMENT: Please provide the decision being appealed and the specific grounds for the appeal. If specific grounds are not provided appeal will not be considered valid:

The Home Slice proposed venue is simply too close to residences
Also, the noise level is too loud, by itself - let
alone added to the already (too many) established
outdoor music venues. When all of them have
music playing it is not music anymore. It is
just horrible noise. I am adamantly opposed to
Home Slice having an outdoor music permit!
