Subject: request for postponement

Wendy:

I am requesting a postponement of Peaceful Hill Condos c14-2011-0141 until August 2nd:

1 The applicant has apparently hired a lawyer to facilitate neighborhood discussions. I do not yet even know if that is true or who that person may be.

2 Their has been around the school zone a change in the traffic infrastructure regarding detours, which affects school safety traffic patterns. I have contacted many city agencies who have not had a chance to weigh in on this issue, especially the Public Works Dept.

Please contact the owner, and let me know asap.

Thank you.

John B. Stokes
