Subject: Support of variance C15-2012-0068

Case Number C15-2012-0068
Bryan Bayerdorffer
1502 West 9th Street
Austin, Tx. 78703

As the adjacent homeowner, I am writing in support of a variance for a 5 ft rear setback as opposed to a 10ft rear setback. The 5 ft setback will allow for a smaller and more compatible structure.
Thank you and please to do not hesitate to contact me directly if I can be of service.
