Subject: 1502 West 9th Street Case: C15-2012-0068

I fully support the variance requested in C15-2012-0068. My home, 1500 West 9th St., the Hopkins Landmark Homestead, is located next door to the Bayerdorffer home on the east side. I have also submitted affirmative support on the Notice of Public Hearing – Land Development Code Variance which has been mailed to your office.
