## The petition

The Brentwood/Highland Neighborhood Plan provides a framework for increased density and growth while maintaining and improving the vibrant neighborhoods it serves. I oppose the proposed changes to the Brentwood Neighborhood Plan Future Land Use Map and associated zoning change requests for the Shia Properties and the State Trooper Properties at Houston St., Sunshine Dr., and North Lamar Blvd.

City of Austin Cases: NPA-2012-0018.01, NPA-2012-0018.02,  
and Cases: C14-2012-0052, C14-2012-0053, C14-2012-0054.

## Collected Comments

1. It would cause too much congestion at McCallum High School.  
– ROBERT HENDRICKS, *Allandale*, 78757, on 2012-06-11 20:43:54
2. we have kids attending McCallum in the next few years and want to see them get there safely. higher density like this doesn't help the situation.  
– AMY HUFFORD, *Allandale*, 78757, on 2012-06-08 17:30:43
3. My daughter goes to McCallum High School.  
– JOHN RACANELLI, *Barton Hills*, 78704, on 2012-06-11 20:58:01
4. I do not support the proposed changes.  
– CARRIE RICHE, *Brentwood*, 78757, on 2012-06-08 16:48:11
5. Staff, Mayor and Council need to support the neighborhood plan in which countless staff and citizen hours have been invested. The plan contains a sound plan for the development of these spaces.  
– JON DAVID SWANN, *McCandless Street*, 78756, on 2012-06-10 21:39:19
6. as a recent former Brentwood resident, I oppose this direction.  
– ADRIENNE O'KEEFE, *highland Hills*, 78731, on 2012-06-11 17:48:09
7. The Neighborhood Plan must be honored or there is no credibility. The proposed development is totally inappropriate for this location. The area is already extremely congested with high school activities. A large apartment complex is just a recipe for massive congestion and accidents. Please do not approve this zoning change.  
– KAREN SAADEH, *Hyde Park*, 78751, on 2012-06-11 03:13:38
8. I have lived in Austin for 42 years. I grew up in Allandale and my family attended McCallum High. I have lived in south Austin for a while, and now returning to Allandale for permanent residency in two weeks!! My daughter will now attend McCallum High, also. We oppose these neighborhood destroying zoning change cases!!!  
– JAMES TEASDALE, *Allandale*, 78757, on 2012-06-11 16:00:35
9. The unjustified challenge to the existing Brentwood Neighborhood Plan is a lesson showing what can happen in many central Austin neighborhoods.  
– LOUISA HOBERMAN, *Shoalmont*, 78731, on 2012-06-16 12:46:20
10. My children attend McCallum High school and I see the congestion on a daily basis. This plan is not conducive to a safe environment for our children and is certainly not best use of that property for the neighborhood.  
– MICHELLE SMITH, *NACA*, 78758, on 2012-06-11 12:24:51
11. Uphold the neighborhood plan with less intensive uses along Houston and Sunshine (local, residential streets).  
– DON LEIGHTON-BURWELL, *Brentwood*, 78757, on 2012-06-25 16:33:26

12. We oppose building any large structures which will increase the amount of traffic in the McCallum H.S. area.  
– CINDY LAWRENCE, *Allendale*, 78756, on 2012-06-11 13:08:42
13. I've been over in that area around pick-up. I agree, the proposed redevelopment will increase traffic load beyond what that area is capable of handling.  
– CATHY SAVAGE, *Allendale*, 78757, on 2012-06-08 18:44:36
14. I am always interested to see thoughtful, engaged development in Austin's inner city. Just because we can do something, doesn't mean we should. I'd like to see more impact studies done on this proposed development  
– RL MCGRUDER, *Highland*, 78752, on 2012-06-11 18:18:29
15. I oppose the re-zoning to a higher density zoning for the property at Houston and Sunshine / Lamar  
– TOM ROTT, *Brentwood / Broad Acres*, 78756, on 2012-06-09 19:42:41
16. Please keep zoning the same. This area is very congested already.  
– LINDA ANDERSON, *Hyde Park*, 78751, on 2012-06-11 14:41:12
17. This development is not aligned with the Brentwood neighborhood plan and will contribute to traffic congestion and safety issues at McCallum High School.  
– TERESA GRIFFIN, *Hyde Park*, 78751, on 2012-06-11 02:37:25
18. The proposed changes allow for development that is too dense for this location and incompatible with the surrounding properties. The SF6 lots act as a medium-density buffer between the single family houses and the nearby commercial space. They should be developed under the existing rules.  
– EVAN RIVERA, *Brentwood*, 78756, on 2012-06-07 23:50:19
19. The neighborhood plan is a well thought out and long range plan of what the neighbors want. The MF6 re-zoning is a result of what type of development financing is most available at this snapshot in time. Let's keep to principal and planning and encourage smart overall development here. MF6 does not align with this principal.  
– L P CARR, *Brentwood*, 78757, on 2012-06-10 12:53:37
20. My children will go to McCallum. These potential traffic concerns will affect us as well.  
– KIM FASSIOTTO, *Allendale*, 78757, on 2012-06-12 14:12:17
21. The applicants want to change the land use designation to Multifamily without discussing the final zoning and density. Current land use allows for increased density and development while preserving the transition to SF-3 homes and neighborhood.  
– BRIGHT DORNBLASER, *5406 Mc Candless Street*, 78756, on 2012-06-08 16:32:49
22. 90 ft. tall buildings is unacceptable. this is driven by GREED! They should come with a plan more in line with the current neighborhood uses. Traffic is already bad in that area. This feels like a push for more condos!

- JOE GRADY MOORE, *Allandale*, 78757, on 2012-06-12 16:19:38
23. This change in zoning will create a dangerous situation for the students of McCallum who walk to school or take public transportation. Lamar and 2222 were not built to handle this high density traffic. It changes the neighborhood in a negative way. As a current resident and homeowner of Brentwood, I do not support the zone change.  
– STEPHANIE SLUYTER, *Brentwood*, 78756, on 2012-06-08 12:49:10
24. I often go to McCallum for school events, there is no doubt its not appropriate development for that street/area.  
– BILL AKIN, *Ridgelea*, 78731, on 2012-06-13 12:51:25
25. This is a neighborhood and zoned as such. What a poor decision it would be to put such density near a school. This is not part of the neighborhood plan. Who is profiting from this venture? Certainly not the neighborhood or any of us who will have children walking to McCallum.  
– BETH BISHOP, *Northfield*, 78751, on 2012-06-08 23:27:32
26. no to rezoning. develop the land as it is zoned  
– CHANDIMA DEHIPITIYA, *brentwood/mccandless*, 78756, on 2012-06-12 15:36:39
27. Too large for the area  
– MARCI ROE, *Brentwood*, 78757, on 2012-06-14 18:07:29
28. We do not need any more apartments in our neighborhood and we do not want any. It is already crowded enough and there are enough condo/apartments being built throughout the city anyway.  
– RICHARD, KELLI & ALAINA MAY, *Brentwood*, 78757, on 2012-06-25 16:57:45
29. I am not for the apartments goin up in the area, look at the traffic and congestion in the area already  
– BLAIRE STREHLER, *woodrow*, 78756, on 2012-06-12 19:16:52
30. My daughter plans to be a McCallum freshman this fall and I am very concerned with the influx of people and traffic. We are planning for her to walk to school which is only a couple of blocks. Neighborhood safety and traffic congestion throughout the immediate area are of utmost concern to me.  
– LESLEY KOOP, *Brentwood Neighborhood*, 78756, on 2012-06-23 14:35:44
31. I've lived off Houston on McCandless for 16 years. My sons graduated from nearby McCallum and I worked many years at nearby Texas Health and Human Services, and have volunteered for youth organizations, PTAs, nonprofit boards and commissions in the central Austin area. Brentwood is what I consider a family/community-oriented legacy area. My grandsons now spend roughly half their weeks at my home and in this neighborhood. I'm pro-development, when it's community-oriented, balanced, thoughtful, safe and inclusive for our diverse residents, extended families and others who come to the Brentwood area for family activities – such as the Fine Arts Academy and new big theater (across the street from this proposed

monstrosity). Please uphold our wonderful Brentwood Neighborhood Plan, and give us the opportunity to enjoy a development in this space that would be neighbor-friendly, and that would have some open/greenspace!

– ROBIN L. SCOTT, *5405 McCandless St., 78756*, on 2012-06-11 22:13:54

32. We expect the neighborhood plan to be upheld. This area is a great place to live and while we know there will be some growth it must be reasonable. The school activities already increase the traffic so that must be considered.

– JOHNNIE E. MOGONYE, *Brentwood, 78756*, on 2012-06-12 15:02:58

33. The land across from McCallum HS is obviously an opportunity that has long been neglected and is waiting and wanting to be filled. McCallum HS is a core asset to the citizens of Austin, and to the district it serves in particular. After graduating McCallum myself, I got degrees from two top universities and work all over the world for global corporations before returning to this district to send my own kids up through the McCallum feeder schools. Packing 400 apartments through zoning variances at the front door of the school will not create the safe, world-class facility we need to compete in a tough global economy. The facility that goes in there should be compatible with the established neighborhood plan.

– SCOTT BURTON, *Rosedale, 78756*, on 2012-06-11 15:06:39

34. Please engage stakeholders in a process that will ensure any zoning changes will not negatively impact McCallum community

– MARK L FISHMAN, *Hyde Park, 78751*, on 2012-06-11 04:00:18

35. Please save our cut through to mcdonalds

– ANGELA MESSER, *austin, 78745*, on 2012-06-12 18:58:53

36. My brother-in-law and my oldest granddaughter graduated from McCallum, and 3 more grand-kids go there now. My grandson has already gotten a broken leg after being hit by a car coming home from McCallum, so i would really not like to see more traffic. It's dangerous enough there now.

– STAN KERR, *mlk, 78721*, on 2012-06-12 20:54:46

37. I had to move out of Austin because of developements such ad this in my Rosedale beighborhood

– ANDREA MAGUIRE, *red Rock, 78662*, on 2012-06-11 17:24:05

38. Own and have lived at this address for 40+ years and wish the area to stay residential. Keep in mind the place in question is right across from McCallum High School.

– WALMA DEAN MARTINETS, *5312 Grover Avenue, Austin, Texas, 78756*, on 2012-06-12 02:39:54

39. Big money interests cannot be permitted to run roughshod over residents.

– KEVIN HENDRYX, *Shady Hollow, 78739*, on 2012-06-11 14:57:01

40. My daughter goes to McCallum and the traffic is already heavy on the surrounding streets.

– ELIZABETH CHAPPELL, *Crestview, 78757*, on 2012-06-08 03:16:07

41. The neighborhood plan already condones increasingly the density level for that lot to something that would be in line with the current density level for the neighborhood. The proposed plan is a gross increase in what is appropriate for the neighborhood.  
– KENDA FLAKS, *Brentwood*, 78756, on 2012-06-11 02:46:51
42. The area is already congested enough due to all the events and performances that take place at McCallum High School throughout the school year and into the summer, adding a 400 unit apartment complex isn't going to make things any better.  
– KEVIN RAPIER, *Brentwood*, 78757, on 2012-06-12 14:22:00
43. I oppose the plan to change the zoning.  
– JOHN C. MITCHELL, *Brentwood*, 78756, on 2012-06-12 14:44:21
44. I oppose the proposed change in zoning. The current zone designation allows plenty of opportunity for developers to make a profit by building single-family dwellings, as recent development of the lot on the corner of Houston and Grover has demonstrated. The proposed zone change is just the thin end of the wedge. Just because developers ask for a zone change does not mean it has to be granted.  
– MELANIE HAWTHORNE, *Brentwood (Grover Avenue)*, 78756, on 2012-06-11 21:53:00
45. Please stay with the plan. Don't increase density and traffic beyond what is sustainable.  
– DAVID HENDERSON, *Brentwood*, 78757, on 2012-06-09 22:17:58
46. I understand the need for more density in central Austin, but rezoning to M-6 is inconsistent with the existing properties in Brentwood (single family and low-density multi family zoning) and is out of character for our neighborhood and this part of Austin. Furthermore, increased traffic from this 400 unit building would put exacerbate the already less than ideal access to Lamar Blvd (adding all these left turn movements without a continuous median? Lamar is already an unsafe street for pedestrian/bicycle activity). Please reconsider this zoning change, and certainly require a traffic impact analysis before proceeding.  
– DONNA CHEN, *Brentwood*, 78757, on 2012-06-07 21:16:47
47. There is already too much traffic in the area near McCallum High School.  
– AL EVANS, *Brentwood*, 78757, on 2012-06-09 20:35:39
48. Please either consider fewer units, maybe duplexes instead of a huge complex.  
– JULIE PECKHAM, *3303 Stardust Drive*, 78757, on 2012-06-19 02:16:14
49. As one who has worked on neighborhood plans and seen the difficulty of keeping them in force, I urge that the Planning Commission support the Brentwood Neighborhood Plan and deny this request.  
– LIN TEAM, *Eastwoods*, 78705, on 2012-06-11 02:10:17
50. I am opposed to a 400 unit complex on this site.  
– JENNIFER HUSTED, *Crestview*, 78757, on 2012-06-08 03:50:53
51. This would be a traffic nightmare. The area is not pedestrian-friendly and 400+ new vehicles

on Houston going to either Burnet or Lamar is not workable.

– SUSAN BURNETT, *Brentwood*, 78756, on 2012-06-25 18:01:29

52. Please think long and hard about this. The intersection at Houston ST and N Lamar is already very dangerous. This is very close to Mc Callum High as well. These are my major concerns. Thank you.

– KENT SAMUELSON, *Brentwood*, 78757, on 2012-06-07 16:02:52

53. uphold the neighborhood plan - responsible density is okay - maintain character of neighborhood and enhance urban non-car mobility

– MARY BARRETT, *Brentwood*, 78757, on 2012-06-11 15:54:18

54. Please don't add more traffic to our area. The school while very important does create much traffic with all their activities as well as proximity to Koenig Lane/Lamar. I support the Brentwood neighborhood plan.

– DOROTHY L. MOGONYE, *Brentwood*, 78756, on 2012-06-12 15:07:19

55. Don't mess with our 'hood!

– ANNIE, *Brentwood*, 78757, on 2012-06-07 18:57:26

56. My mother watches my 2-year old son Monday through Friday on McCandless St. She has been on this street for approx. 20 years and we have seen traffic get worse and worse due to people that use it as a thru-street for getting to/from HHSC and/or cutting across from Lamar to Burnet/North Loop. The volume of cars and their speed is already greatly putting my son's (and any other kid that plays in their front yard) safety at risk. 400 additional residents in an already densely populated neighborhood would tip the scales and make the safety not worth it. Additionally, traffic on Houston, between Grover and Lamar is already very congested during the start/end times for McCallum High School. I ask that you make the decision in favor of the safety of my son, the students and other children in the neighborhood and not allow this development to be approved.

– ADAM VAUGHN, *McCandless St*, 78756, on 2012-06-12 14:41:05

57. We have lived on McCandless Street for 4.5 years and are against irresponsible development and high density apartments.

– ANDREW POTTER, *Brentwood*, 78756, on 2012-06-14 01:39:11

58. Though we don't live in the Brentwood neighborhood, our daughter attends McCallum. We drop her off at school each day and since the area is already quite congested the proposed zoning change doesn't seem like a good idea.

– EVELYN J. CARLISLE, *Westover*, 78759, on 2012-06-11 04:14:14

59. my child attends McCallum HS and I have 2 more coming. The traffic is bad enough as it is!

– KERREN CAMPA, *Shoalmont*, 78756, on 2012-06-11 14:46:56

60. My child attends the Fine Arts Academy at McCallum High School. The roads cannot accommodate further density, such as the development proposed. It will change the feel of the neighborhood and increase congestion around the school. It may result in obstruction to

emergency vehicles and threaten pedestrian safety (specifically students of McCallum HS). Please do not approve this plan.

– ILLYSA FOSTER, *Travis Heights*, 78704, on 2012-06-13 02:11:04

61. I am adamantly opposed to this development! It is inconsistent with the Brentwood Neighborhood Development Plan and will create unimaginable congestion in the already busy streets surrounding McCallum High School. Please, please DO NOT approve this plan!

– ANNE ROGERS, *Brentwood*, 78756, on 2012-06-08 14:00:46

62. The neighborhood plan is an agreement between stakeholders that allows for reasonable dense growth where appropriate and restrictions where dense growth is not appropriate. Amendments to the plan should only be allowed where there is a compelling public interest and a mitigation of negative impacts on neighborhood traffic, congestion and peaceful enjoyment for multiple residents. Requests which benefit primarily single landowners in areas which negatively impact traffic, congestion and peaceful enjoyment of many residents should not be permitted. Neighborhood landowners create land plans for this purpose, so that individuals do not destroy what others have worked so hard to preserve.

– SOPHIA GILL, *Rosedale/Brentwood*, 78756, on 2012-06-12 14:21:59

63. I support family-friendly, neighborhood-friendly development in our vibrant neighborhood. I oppose the current proposed plan which goes against the already established Brentwood Neighborhood plan.

– LEIGH DOUGHERTY, *Brentwood*, 78757, on 2012-06-25 18:52:48

64. Austin is a vibrant, expanding city, and changes in the flight paths after the closing of Mueller Airport have Brentwood an attractive area for development - so we accept that development is coming. But please use the slower, carefully thought out development plan that maintains the neighborhood atmosphere. We don't want history to repeat itself. We previously lived in Houston and someone built a large apartment complex on the edge of our neighborhood there. It was OK for the first 5 years. But then it started a long downhill slide, and the neighborhood with it. The elementary school, which had been on McCall Magazine's list of the 100 best public schools in the nation, had to change emphasis to remedial programs and ESL. By the time we retired and moved, it was a center for the local drug trade, with a burned out apartment block and several empty store fronts. We don't want this to happen to our new neighborhood. Even in the near term when business is booming, an apartment complex this large would increase parking problems and traffic congestion in the area. We moved to Brentwood because we fell in love with the neighborhood atmosphere. So please proceed carefully with development in a way that preserves that atmosphere. Thank you. Cynthia Sheehan

– CYNTHIA SHEEHAN, *5405 Aurora Drive*, 78756, on 2012-06-12 16:47:25

65. McCallum HS is our HS and changing the zoning of buildings so hear to allow heavier congestion without addressing that seem inappropriate.

– GREG ATKINSON, *Hancock*, 78751, on 2012-06-11 02:19:09

66. Please preserve the character of a neighborhood that typifies what people come to Austin

for in the first place.

– KATHERINE M MESSER, *Springdale Hills*, 78723, on 2012-06-08 16:48:52

67. please do not allow construction of this apartment mega-complex in our quiet neighborhood

– AUSTIN GASKAMP, *brentwood*, 78756, on 2012-06-10 04:07:07

68. this planned building will cause too much traffic which could prove dangerous to so many students in the area.

– CYNTHIA BREED, *Lakewood*, 78750, on 2012-06-11 07:40:02

69. no to MF6 development

– MARK HARRIS, *brentwood*, 78756, on 2012-06-12 03:52:26

70. This change would negatively impact our community especially our children who are walking or biking to McCallum H.S.

– ELIZABETH PURZER, *Brentwood*, 78757, on 2012-06-07 15:00:54

71. We live on Sunshine Drive and are very concerned about the increase in traffic on our street.

– JAN AND MICHAEL WILSON, *brentwood*, 78756, on 2012-06-12 20:33:19

72. My child attends the Fine Arts Academy at McCallum High School. I feel it would be a detriment for development of this type in the school's neighborhood. McCallum has several afterschool programs that would be affected by this development, but because McCallum also has a Fine Arts Academy, the number of afterschool activities is threefold. Thank you for your consideration.

– ALICIA RACANELLI, *Barton Hills*, 78704, on 2012-06-11 14:08:23

73. I live on Aurora Drive, and the proposed new developments would be just around the corner from me. The proposal does not fit with this neighborhood and its goals as a single-family community (primarily) with a school in its midst.

– SHELLY GRAY, *Brentwood*, 78756, on 2012-06-22 17:04:36

74. The City of Austin, the Planning Commission, & the owner will do a HUGE disservice to McCallum High School & to the neighborhood surrounding McCallum

– THERESA HITT, *Allendale*, 78757, on 2012-06-12 19:34:17

75. This plan does not fit with the Brentwood neighborhood plan and adversely affects our neighborhood

– JENNIFER CARSON, *Brentwood*, 78757, on 2012-06-10 14:38:44

76. It is extremely important to maintain the buffers from Lamar that are necessary for keeping our residential neighborhoods safe.

– BONNIE LISTER, *Crestview*, 78757, on 2012-06-11 16:49:45

77. Please uphold Neighborhood Plans and Central City Schools.

– KAREN MCGRAW, *Hyde Park*, 78751, on 2012-06-11 02:09:52

78. McCallum High School is the home high school for many nearby neighborhoods, including my own. As a current member of the McCallum Campus Advisory Council and past chair of the McCallum Facility Master Plan Task Force, I am extremely concerned about these proposed zoning changes, particularly absent any meaningful dialog between the applicant and neighborhood representatives. As one of AISD's most successful central city high schools, McCallum is already operating slightly over the capacity for which it was designed and I am concerned about any zoning changes that would significantly add to the area's congestion or inhibit McCallum's ability to contemplate future expansion if necessary. For these reasons, I ask you to oppose the proposed zoning changes for the properties in question.  
– SUSAN MOFFAT, *Hyde Park*, 78751, on 2012-06-11 01:37:35
79. I oppose these requests.  
– TREY KIRK, *Brentwood*, 78757, on 2012-06-09 21:27:36
80. I do not want such a large development, we are a single unit, family oriented neighborhood. Our neighborhood cannot handle a 400 unit apartment building.  
– AIDA MARIA ALLEN, *Brentwood*, 78756, on 2012-06-11 19:39:40
81. We don't need more cars. Our neighborhood hangs now, with all the business's  
– MEL BLACK, *Brentwood*, 78756, on 2012-06-18 21:57:20
82. My children attend McCallum high school and our family would be greatly affected by this proposed change.  
– DENISE JEWELL, *Hancock*, 78705, on 2012-06-11 16:43:26
83. Keep neighborhoods for homeowners and renters  
– ROSEMARY VAUGHN, *Hancock*, 78705, on 2012-06-11 16:16:19
84. we are McCallum parents and are concerned about increased traffic near the school  
– BLAKE STANFORD, *Mt Bonnell Shores*, 78731, on 2012-06-15 01:33:36
85. This proposal would have disastrous affect on the McCallum neighborhood and community.  
– NINA FAULKNER, *Highland Park West*, 78731, on 2012-06-11 13:24:12
86. Too big, wrong place, too much traffic  
– DALE HENRY, *Brentwood*, 78757, on 2012-06-10 02:37:24
87. I work at McCallum and know this would negatively affect our students.  
– MICAH SUSMAN, *South Austin*, 78745, on 2012-06-11 05:11:08
88. I support the Brentwood/Highland Neighborhood Plan. Please respect all the hard work that residents put into creating this plan. I understand developers want to talk about economic growth. But they don't care about the neighborhood. They just want to make a quick profit at our expense. Thank you!  
– TODD GERNERT, *Brentwood*, 78757, on 2012-06-07 23:26:50
89. Bad idea for McCallum High School. Too big and too little impervious cover.

- NANCY HOHENGARTEN, *Hyde Park, 78751*, on 2012-06-11 16:24:45
90. i'm moving back to Austin in 2.5 years and want there to still be a quality of life there. just sayin'...
- JOHN PORTER, *Harlem, 10030*, on 2012-06-12 20:57:07
91. I am within 200 feet of the proposed changes
- STEPHANIE TABONE, *Brentwood, 78756*, on 2012-06-07 17:34:27
92. Please use common sense and good development practices to help keep our city livable.
- LIAN AMBER, *Travis heights, 78704-3151*, on 2012-06-08 20:43:16
93. My children attend McCallum and Lamar MS, the traffic in these areas during school and well into the evenings is already a nightmare. And given that McCallum has alot of new drivers, it is a mix for great disaster. I am opposed to this re-zoning.
- SHELLY A. KING, *Allandale, 78757*, on 2012-06-12 15:29:02
94. Please respect Brentwood's neighborhood plan and desires as they are.
- MARY BROOKS, *Crestview, 78757*, on 2012-06-11 17:17:09
95. McMansions have ruined the quality of life in our neighborhood over the past 10 years. It is time to put a stop to unscrupulous developers that have no vested interest in our communities.
- ANGUS TILNEY, *Northfield Neighborhood Association, 78751*, on 2012-06-25 18:01:02
96. The change of zoning in the area across fro McCallum High School is short sighted, to say the least. Truly a horrible idea to allow 80% covet and 90 feet tall! Hae you ever seen the traffic around the school as it is? This is crazy!
- KATHY DUKE, *Hyde Park, 78751*, on 2012-06-11 19:27:09
97. Let's keep the high-rises downtown and out of our single-family neighborhoods.
- MAGGIE KEESHEN, *Brentwood, 78757*, on 2012-06-07 17:27:44
98. I want to see the development company work with the neighborhood.
- ANDREA ROBERTS, *Brentwood, 78757*, on 2012-06-10 14:26:50
99. I have a prospective McCallum student and feel that this project would interfere with the quality of life of the neighbors and students in the area significantly.
- SUSAN ANSORGE, *Ridgelea , 78731-6127*, on 2012-06-13 12:07:14
100. Please, no more high-density living options in the area. 2222 is already dangerous right there where our children walk. Let's not add more risk to the area.
- STACEY DOYLE, *Crestview, 78757*, on 2012-06-11 15:35:20
101. Please DO NOT change zoning for this area.
- DANIEL CARNEY, *Crestview, 78757*, on 2012-06-07 22:27:07
102. I opposed the proposed zoning changes. Please listen to the people who live in our neighbor-

hood, especially in the area of immediate proximity.

– NANCY, *Brentwood*, 78757, on 2012-06-25 17:38:58

103. I used to live in Crestview, adjacent to Brentwood, and have kept up with the neighborhood issues. I also used to visit McCallum regularly for my job. The area is already congested and this proposal sounds like it would make things worse and antagonize the neighbors.  
– ROBYN ROSS, *North University*, 78705, on 2012-06-11 12:11:39
104. I oppose this development due to its proximity to McCallum H.S. and the fact that it just does not 'fit' with the older neighborhood.  
– CHRISTY BERRY, *Crestview*, 78757, on 2012-06-08 15:18:26
105. The scope of this project far exceeds city zoning limitations. The current infrastructure will not support it.  
– CHRISTINE WADE, *Ridgelea*, 78731, on 2012-06-12 14:44:49
106. My grandsons go to McCallum and I do not think the area in front of that school can comfortably accommodate the scale of development planned.  
– MARTHA CAMPBELL, *Hyde Park*, 78751, on 2012-06-11 13:50:29
107. Please let the residents who have invested in the neighborhood have a decision in how it grows.  
– KYLE JOHN DANEHY, *Brentwood*, 78757, on 2012-06-07 15:04:59
108. Up to 80% impervious cover is ridiculous, in the middle of a city that already has air quality issues (air quality being helped by every bit of plant growth possible)—not to mention the negative aesthetic effects on quality of life of high paving/cover percentages! And set-backs as small as 5 feet don't in any way allow for the foot/bike traffic necessary to deal with the already congested road conditions in the area!  
– HEATHER HUNZIKER, *Hyde Park*, 78751, on 2012-06-11 18:36:12
109. There is yet another proposed zoning change in my neighborhood near north loop and lamar and mccallum high school. less than 500 ft from my house a developer wants to build a 400 unit apartment complex facing tiny houston street, which will dramatically increase traffic and noise. this breaks my heart and if it happens, it will totally change my sweet little street and neighborhood. i am not against development of this property, but mixed use or single family housing would make more sense. what they are proposing (high density residential) does not.  
– HEATHER FRANKIE FRANKOVIS, *Brentwood*, 78756, on 2012-06-08 17:07:51
110. too much density proposed for this location!  
– RICH BALCUM, *Ridgelea*, 78731, on 2012-06-13 18:30:24
111. I've lived in Brentwood in the past 3 years and can't imagine how this would improve the neighborhood. In fact, I see it doing just the opposite.  
– ELIZABETH NEWTON, *East Austin*, 78702, on 2012-06-11 15:49:37

112. There is already too much overcrowded schools in this area.  
– DARLA RAPIER, *6009 Grover Ave, 78757*, on 2012-06-12 16:40:48
113. The traffic congestion in this neighborhood due to the high school seems reason enough to deny any permit that would increase density in the immediate area of the school. In addition to its daytime activities and the pick ups and drop offs that must be done at school beginning and ending times, this school holds performing arts functions ALL THE TIME in addition to the normal after school activities that most schools have. It's always crowded, parking is always an issue, and students are at risk of being hit by cars all the time.  
– LAZAN PARGAMAN, *Highland park, 78731*, on 2012-06-11 13:54:37
114. I went to high school at McCallum. Traffic was and continues to be a huge concern for the neighborhood!  
– DEBORAH RISQVI, *Taylor, TX, 76574*, on 2012-06-12 14:27:42
115. I lived in the area for years and oppose these changes to the Brentwood area. Friends live close to McCallum and the traffic congestion is already so bad that it is impossible to negotiate the streets or park to visit any of our friends in the area.  
– MICHELLE PRICE, *formerly Crestview, 78748*, on 2012-06-12 14:20:42
116. There are already many mixed use and medium density residential developments that appear to be empty along Lamar. How many low quality, over-built and empty buildings do we need in this corridor? I see no reason to compromise the existing neighborhood plan when Crestview station remains a ghost town. There is no compelling reason to support such a drastic rezoning.  
– ELIZA EVANS, *Brentwood*, *78757*, on 2012-06-11 14:54:14
117. I don't live in Brentwood but my children attend school there and I feel this will affect the school zone and neighborhood negatively.  
– SUSAN CRAVEN-MOORE, *Quail Creek, 78758*, on 2012-06-12 18:33:39
118. Please keep our children in mind when planning how traffic and parking impact our streets.  
– HEIDI, *Brentwood, 78756*, on 2012-06-07 18:42:03
119. I am opposed.  
– JOHN TROPPI, *Brentwood, 78756*, on 2012-06-11 13:03:37
120. The project is much too large for that area.  
– SALLY BRACKETT, *ridgelea, 78731*, on 2012-06-12 13:55:42

## Full List of Signatures

This ipetition has collected 306 signatures on 6/25/2012, 8:00 PM.
