RE: Postponement of Proposed Code Amendment

C20-2012-012 UNO Land Uses - Conduct a public hearing and consider an ordinance amending the City Land Development Code regarding land uses in the University Neighborhood Overlay

Staff is requesting a postponement of this item to the next meeting of the Planning Commission on July 24, 2012. The item, including the draft ordinance, will be presented to commission at this time.

A staff presentation of this item is in conflict with a Council-directed staff presentation at the Community Development Commission on a separate issue.
