PLANNING COMMISSION RECOMMENDATION:

DEPARTMENT COMMENTS:

The site is currently developed with a one story building and associated parking. The property was formerly a beauty salon. The prospective buyers have indicated that they would like to open a guitar shop on the premises. The current zoning on the property is for an office use. The proposed new use is a commercial use and would need a zone change as well as a Neighborhood Plan Amendment. The applicant met with the Hancock Neighborhood and the Central Austin Neighborhood Planning Advisory Committee (CANPAC). Both the Hancock Neighborhood and CANPAC supported an out of cycle Neighborhood Plan Amendment application as well as support for the zone change request with conditions. The applicant is in agreement with those conditions, which prohibits certain uses and makes other uses "conditional uses". See attached emails from the neighborhood.

BASIS FOR RECOMMENDATION:

1. Zoning changes should promote compatibility with adjacent and nearby uses and should not result in detrimental impacts to the neighborhood character.

Granting the requested zone change to LR-CO-NP is will not be a detriment to the neighborhood and the property has been used as a commercial use in the past.

Maureen,

HNA's CANPAC reps notified us of tonight's meeting concerning a FLUM change for 4306 Red River. I will be at the meeting, but I wanted to give you a heads-up on some zoning change details you may not have yet heard. Almost all of these were discussed with the potential purchasers (we missed a few by accident), and I don't think they have any objections.

Basically, approval of the FLUM and zoning change is based on these allowed, proposed, and prohibited uses:

Allowed uses

COMMERCIAL Administrative and Business Offices COMMERCIAL Consumer Repair Services COMMERCIAL Personal Services COMMERCIAL Professional Office COMMERCIAL Software Development CIVIC Cultural Services CIVIC Day Care Services (Limited) CIVIC Private Primary Educational Facilities CIVIC Private Secondary Educational Facilities CIVIC Public Primary Educational Facilities CIVIC Public Secondary Educational Facilities CIVIC Religious Assembly

Conditional uses (most are allowed in the LR base) RESIDENTIAL Bed & Breakfast (Group 1) RESIDENTIAL Bed & Breakfast (Group 2) COMMERCIAL Medical Offices exceeding 5000 sq. ft. gross floor area COMMERCIAL Medical Offices not exceeding 5000 sq. ft. gross floor area CIVIC Day Care Services (Commercial) CIVIC Day Care Services (General)

CIVIC Family Home CIVIC Group Home, Class I (General) CIVIC Group Home, Class I
(Limited) CIVIC Group Home, Class II

CS/a

Prohibited uses

COMMERCIAL Consumer Convenience Services COMMERCIAL Financial Services
COMMERCIAL Food Sales COMMERCIAL Off-Site Accessory Parking COMMERCIAL Pet
Services COMMERCIAL Restaurant (General) COMMERCIAL Restaurant (Limited)
COMMERCIAL Service Station AGRICULTURAL Urban Farm CIVIC Club or
Lodge CIVIC Communication Service Facilities CIVIC Counseling Services
CIVIC Local Utility Services CIVIC Safety Services
CIVIC Telecommunication Tower

I don't think the City staff will have any problems with these items, but I wanted to confirm that we could make the "Group Home" uses conditional. My recollection from the neighborhood plan is that some uses can't be disallowed, so I wanted to make sure we addressed those situations before we get too far along.

Please let me know if you have questions or need additional information.

Mark,

Patterson, Clark

Bart,

Is my memory correct that a letter from CANPAC supporting the below out of cycle planning amendment is what is needed? Is an email to the agent stating CANPAC support sufficient?

From: Bart Whatley, Hancock Zoning Committee Chair

Adam & Nuria,

In Hancock's May general meeting the neighborhood voted to recommend allowing an out of cycle plan amendment for 4306 Red River, if objections were not raised by the zoning committee in a follow up meeting. The Hancock Zoning Committee met 6-6-2012 and found no objections to the request, as indicated below in the committee meeting summary.

-
HANCOCK NEIGHBORHOOD ASSOCIATION
ZONING COMMITTEE NOTES (for the 4306 Red River agenda item)
6-6-2012
Bart Whatley, author

2. 4306 Red River request to change zoning from LO to LR and amend the Neighborhood Plan Land Use from Mixed Use Office to Neighborhood Mixed Use to operate Austin Vintage Guitars at the location that has previously been a beauty parlor.
- 2.1. The neighborhood heard from this applicant in a recent meeting and the neighborhood was in favor of the out of cycle neighborhood plan amendment if no objections were raised in this zoning committee meeting regarding the plan amendment. Current zoning does not allow for Consumer Repair Services use that is required to operate this business.
- 2.2. The potential owner and operator of the guitar business plans to remove the garage apartment and add a second story to the existing front building. Tuning room will be soundproofed.
- 2.3. Motion passed (unanimous): Zoning Committee finds no objections to an out of cycle plan amendment and further wishes to recommend that the neighborhood association require a Conditional Overlay to the sought LR zoning to alter allowed uses

as follows: Conditional uses: Bed & breakfast, day care services commercial, group home, medical office; Uses not allowed: Communication services facilities, communications services, consumer convenience services, counseling services, financial services, local utility services, off site accessory parking, pet services, restaurant, safety services, service station, urban farm, detention, community recreation, club/lodge.
