**Division: Golf Enterprise Fund**  
**Office #: 974-9351**

#### Scope

Authorize award of golf cart and utility golf cart purchase for EZ-GO Golf Carts, Textron Inc.

This contract is for the purchase of golf carts and utility golf carts for the Jimmy Clay Roy Kizer Golf Complex (Clay/Kizer), Lions Municipal Golf Course, Hancock Golf Course, and Morris Williams Golf Course. Approximately two hundred eighty (280) fleet golf carts and eight (8) utility carts will be purchased and will include a service and repair agreement.

These golf carts are to replace the existing fleet that is out of warranty. The golf carts are utilized to transport the golfers and guest around the course as an additional option to walking the course. These carts will be rented by golf course patrons.

#### Background

The city purchased a fleet of carts for the three City operated golf pro shop (5) years ago with a similar purchase. The City has taken over operations of the Hancock and Lions Pro Shops and will replace the existing fleets as part of the Golf Division purchase. If the fleet is not replaced then additional repairs would be required and service to patrons would drop due to cart breakdowns.

The Vendor will buy the City's current fleet of 210 golf carts for a total credit of \$257,250 and is included as a credit to the total bid amount. The Vendor will provide service and maintenance to the golf carts as warrantied. The City will own the golf carts.

#### Schedule

Delivery - December of 2012

#### Budget

Funding not to exceed \$854,086.00.
