

**Petition for "No Sit No Lie" Ordinance**

**Reason for Opposition:** The ordinance will further clog our municipal court dockets, criminalize the behaviors of innocent East Austin residents, and erode the trust between the community and the Police department without having any real impact on the open drug market at E. 12<sup>th</sup> and Chicon Street.

By signing this petition I state that I agree with the reason for Opposition. I affirm that I reside at the address stated below and I am of legal voting age.
