RE: Postponement of "Code Amendment – Amphitheater" (ITEM C.1, PUBLIC HEARING)

Staff is requesting a postponement of initiation of the following code amendment from the October 23, 2012, Planning Commission meeting to a later date.

Consider an amendment to Chapter 25-2 of the city code to make outdoor amphitheaters a conditional use in all zoning districts.

The postponement will allow: additional time for staff to conduct research on the item, and for the Planning Commission Codes and Ordinances Subcommittee to review the proposed amendment.
