Date: Tuesday, November 13, 2012

Time: 3:30 pm – 5:00 pm

Location: 2910 E. 5th Street, Austin Texas

The Care Strategy Sub-Committee of the Austin Area Comprehensive HIV Planning Council will meet with officials of the Capital Metropolitan Transportation Authority to discuss transportation needs of HIV positive persons in the community. This discussion is in response to a recent Needs Assessment Report which highlighted a number of issues and concerns expressed by the HIV positive community regarding public transportation. The discussion is intended to provide the Sub-Committee with additional insight regarding Capital Metro policies and procedures, and the challenges faced by Capital Metro when serving HIV positive persons within the community.
