<hr/>	<hr/>
\$1,950	Total Estimated Unrealized Revenue

**ANALYSIS / ADDITIONAL INFORMATION:** The total estimated amount of unrealized revenue to the Health and Human Services Department for this item is \$1,950. The fees and estimated unrealized revenue are based on these three organizations providing this service. Any additional organizations added that provide this service will increase the amount of unrealized revenue to the Health and Human Services Department.

Waiving fees for this event results in unrealized revenue for the General Fund, Health and Human Services Department. Although budgeted revenue for fees is based upon historical data and not necessarily upon specific events, the waiver of these fees reduces potential revenues that could be realized.
