CONSOLIDATED RENTAL CAR FACILITY

MASTER LEASE AGREEMENT

THIS CONSOLIDATED RENTAL CAR FACILITY MASTER LEASE AGREEMENT (the "Master Lease") is made as of the __day of ______, 2013, by and between CITY OF AUSTIN, a Texas home rule municipality acting by and through its Executive Director of the Department of Aviation (the "City") and AUSTIN CONRAC, LLC, a Texas limited liability company (the "Master Lessee"). City and Master Lessee may be referred to herein individually as a "Party" and collectively as the "Parties".

For and in consideration of the mutual promises, covenants and conditions hereinafter set forth, the Parties agree as follows:

ARTICLE 1 DEFINITIONS

- 1.1 <u>Definitions</u>. Definitions of defined terms utilized in this Master Lease and not otherwise defined herein are set forth in <u>Attachment 1</u> hereto. The definitions for other defined terms are set forth in other parts of this Master Lease. Defined terms used and not defined in the exhibits to this Master Lease shall have the definitions ascribed to them elsewhere in this Master Lease or in <u>Attachment 1</u> hereto.
- 1.2 <u>Interpretations</u>. All terms defined in this Master Lease and all pronouns used in this Master Lease shall, unless the context clearly requires otherwise, be deemed to apply equally to the singular and plural forms and to all genders. The term "or" is specifically used in its logical sense and, as such, is satisfied whenever one or more of its operands are true. Except as otherwise expressly provided or unless the context otherwise requires, (a) all accounting terms not otherwise defined herein have the meanings assigned to them in accordance with generally accepted accounting principles as at the time applicable, (b) the words "herein," "hereof" and "hereunder" and other words of similar import refer to this Master Lease as a whole and not to any particular ARTICLE, Section or other subdivision, and (c) the word "including" shall mean "including without limitation". The table of contents, titles and headings of the ARTICLEs and Sections of this Master Lease have been inserted for convenience of reference only and are not to be considered a part hereof and shall not in any way modify or restrict any of the terms or provisions hereof. This Master Lease and all the terms and provisions hereof shall be liberally construed to effectuate the purposes set forth herein.

ARTICLE 2 PURPOSE AND SCOPE OF MASTER LEASE

2.1 <u>Primary Purpose</u>. Pursuant to the LOI, City and Master Lessee agreed to enter into this Master Lease to provide for, among other provisions, the terms, covenants and conditions for the design, construction, financing, occupancy, operation, maintenance and management of the Joint Use Facility which will contain the CONRAC and the Commercial

Parking Facility. To the extent of any inconsistencies between this Master Lease and the LOI, this Master Lease governs.

- 2.2 <u>Reserved Rights</u>. As contemplated by the LOI, this Master Lease also includes the terms, covenants and conditions for certain reserved rights of City including the: (a) exclusive right of possession and use of the Commercial Parking Facility; (b) right of title and ownership of the Joint Use Facility; and (c) right and option to terminate this Master Lease any time after two hundred forty (240) months after the Opening Date, subject to the terms and conditions described in Sections 3.3, 4.4 and 4.5.
- 2.3 <u>Related Documents</u>. The LOI further contemplates the execution of the Indenture, Concession Agreements, Sublease Agreements, the Development Agreement, and the Construction Contract contemporaneously with or prior to the execution of this Master Lease, and certain terms, covenants and conditions regarding such documents are contained herein. The LOI also contemplates, and the Parties agree, that a Facility Management Agreement will be executed with a Facility Manager on or before Substantial Completion. To the maximum extent possible, all of the documents referenced in this Section shall be interpreted in harmony to best effect the purposes stated in this Article. To the extent of any irreconcilable conflict, the referenced documents shall have the following order of priority: Indenture, Concession Agreement, Master Lease, Sublease Agreement, Development Agreement, Construction Contract, and Facility Management Agreement.
- 2.4 <u>Nature of Master Lease</u>. As of the Effective Date, this Master Lease provides for the lease by City of the CONRAC Site to Master Lessee for the purpose of exercising the exclusive right and obligation to develop and construct the Joint Use Facility by Master Lessee to be paid for from proceeds of the Bonds and other funds specified in the Indenture. From and after Substantial Completion and continuing through the Lease Term, this Master Lease provides for the lease by City of the CONRAC to Master Lessee for the purpose of the operation and management of the CONRAC to carry out the exclusive right and obligation to house customer service and quick turnaround operations including ready return stalls and the storage of vehicles of Rental Car Concessions through Sublease Agreements with RACs that are parties to Concession Agreements and that are thereby required to occupy, use and operate the Subleased Premises in the CONRAC under the respective Sublease Agreements. Master Lessee has no responsibility either to recruit or supply rental car companies to become RACS or to persuade any RAC to enter into a Sublease Agreement. Master Lessee shall not discourage rental car companies to become RACS or from entering into a Sublease Agreement.

ARTICLE 3 LEASED PREMISES

3.1 <u>Leased Premises</u>. Pursuant to and in accordance with the authority provided to the City under the Act and subject to all of the terms, covenants and conditions contained in this Master Lease, City hereby grants to Master Lessee, and Master Lessee hereby accepts from City for the Lease Term, the following described real property located at the Airport:

3.1.1 Prior to Substantial Completion.

3.1.1.1 <u>CONRAC Site</u>. Commencing on the Effective Date and continuing for the period of the development and construction of the Joint Use Facility to Substantial Completion, the Leased Premises will consist of the CONRAC Site described as follows:

That portion of the Airport generally described as the Eastern ½ of Parking Lot A bounded by Lot C to the North, the Airport parking garage and its associated access road to the South, Presidential Boulevard to the East and Lot A landscaping strip to the West; together with a non-exclusive appurtenant road located South of surface Parking Lots B and C and North of Parking Lot A for vehicular ingress and egress to and from the CONRAC Site, all located at the Airport, as more particularly described/depicted on Exhibit A-1, attached to and made a part of this Master Lease, with an appurtenant license to occupy all improvements thereon as constructed under this Master Lease for the purpose of carrying out the development and construction as contemplated herein which license shall expire on Final Completion.

3.1.2 Upon and Following Substantial Completion.

Commencing on Substantial Completion and 3.1.2.1 CONRAC. continuing through the Lease Term, the Leased Premises will consist of: (a) the CONRAC, excluding the reserved rights and premises of City as described in Section 3.3; (b) a nonexclusive appurtenant road located South of surface Parking Lots B and C and North of Parking Lot A necessary for vehicular ingress and egress to and from the CONRAC; (c) a non-exclusive walkway approximately sixty (60) feet in width over and across the existing Terminal parking garage located South of the CONRAC running from the Terminal to the CONRAC necessary for pedestrian access to and from the CONRAC; and (d) a non-exclusive right of access with City's prior approval to an area located immediately adjacent to the outside walls of the Joint Use Facility and extending fifteen (15) feet therefrom solely for the purpose of performing Master Lessee's maintenance obligations under this Master Lease, all located at the Airport, as initially described/depicted on Exhibit A-2, attached to and made a part of this Master Lease. The descriptions of the Leased Premises described/depicted on Exhibit A-1 and Exhibit A-2 will be amended upon Final Completion and receipt and approval by City from Master Lessee of a final as-built survey plat and metes and bounds description of the CONRAC Site, including the location and dimensions of the Joint Use Facility on the CONRAC Site, in accordance with <u>Sections 9.6.1.3</u> and <u>9.7</u>.

3.2 <u>No Warranty</u>. Master Lessee accepts the Leased Premises when conveyed in their then current condition. Other than warranting the City's clear title to the CONRAC Site as of the Effective Date, City makes no specific warranties, express or implied, concerning the title, condition, or use of the Leased Premises, including those uses authorized by this Master Lease, unless otherwise specified in this Master Lease. Without limiting City's disclaimer of warranty, City and Master Lessee expressly agree that City neither warrants nor bears any responsibility whatsoever, and expressly disclaims and is released from, any and every warranty and

responsibility whatsoever, express or implied, related to the Leased Premises. Master Lessee acknowledges that it has no easements, rights, or privileges, express or implied, in or relating to the Airport other than those specifically granted under this Master Lease.

- 3.3 Premises Reserved to City. The Leased Premises shall not include, and City reserves for its exclusive use the Commercial Parking Facility, the Parking Management Office in the QTA Facility and an Intermediate Distribution Frame room ("IDF Room") on each floor of the CONRAC which shall contain City's networking equipment for connectivity to the Joint Use Facility, together with the non-exclusive right to use dedicated elevators and stairwells located in the Joint Use Facility and designated roadways necessary for ingress and egress to and from the Commercial Parking Facility, all as initially described/depicted on Exhibit A-3, attached to and made a part of this Master Lease. The description of the Commercial Parking Facility will be modified by amendment to this Master Lease upon Final Completion and receipt and approval by City of a final as-built survey of the Joint Use Facility from Master Lessee in accordance with Sections 9.6.1.3 and 9.7. City and Master Lessee agree to execute an amendment to this Lease to incorporate the final description of the Commercial Parking Facility. Master Lessee acknowledges that the rights granted under this Master Lease shall at all times be subject to City's reserved rights described in this Section and in Sections 2.2, 4.4 and 4.5.
- 3.4 Ownership and Title to CONRAC Site and Joint Use Facility. At all time during the Lease Term including during the construction of the Joint Use Facility, City shall own and retain fee title to the CONRAC Site and the Joint Use Facility as further provided in Section 10.1.
- 3.5 Amendment of Lease. After Final Completion and City's approval of the final asbuilt survey plat and metes and bounds description delivered to City in accordance with Sections 9.6.1.3 and 9.7, Master Lessee and City shall execute an amendment to this Master Lease to identify the Leased Premises, Commercial Parking Facility and the CONRAC Site, and, at City's option, shall execute a summary and memorandum of this Master Lease which may include, among other provisions, the final description of the Leased Premises, the primary terms of this Master Lease and confirmation of City's ownership of the Vested Improvements (the "Memorandum of Lease"). Master Lessee shall not record the Memorandum of Lease or any other document which describes or pertains to CONRAC Site or Leased Premises in the Official Public Records of Travis County, Texas without the prior written consent of City.

ARTICLE 4 USES AND RESERVED RIGHTS

- 4.1 <u>Permitted and Required Uses</u>. Subject to and in accordance with all present and future Legal Requirements and City Codes and Standards and the terms of this Master Lease, Master Lessee covenants and agrees that it shall use the Leased Premises solely for the following uses and for no other purpose or uses:
- 4.1.1 Prior to Final Completion, the development and construction of the Joint Use Facility on the CONRAC Site in accordance with the requirements of <u>ARTICLE 9</u>.

- 4.1.2 Upon Substantial Completion and continuing through the Lease Term, the operation, maintenance and management of the CONRAC for the operation of Rental Car Concessions in accordance with the requirements of <u>ARTICLE 11</u>, <u>ARTICLE 12</u> and <u>ARTICLE 13</u> and of the Off-Airport Rental Drop-Off Areas of the CONRAC for drop-off and pickup of customers of off-Airport motor vehicle rental services.
- 4.1.3 Upon Substantial Completion and continuing through the Lease Term, the sublease of the CONRAC for the operation of Rental Car Concessions by entering into Sublease Agreements with each RAC that is a party to a Concession Agreement (then in effect and not in default) in accordance with the requirements of <u>ARTICLE 14</u>.
- 4.2 <u>Prohibited Uses and General Standards.</u> Master Lessee shall not use or occupy the Leased Premises, permit the Leased Premises or any part thereof to be used or occupied, or do or permit anything to be done in or upon the Leased Premises, in whole or in part, in a manner that would in any way (a) violate any then-applicable Legal Requirements or City Codes and Standards; (b) violate any of the covenants, agreements, provisions and conditions of this Master Lease, the Concession Agreement or the Sublease Agreement; (c) violate any certificate of occupancy then in force with respect to the Leased Premises; (d) increase the difficulty for City, Master Lessee, the Facility Manager or any RAC to obtain fire or other required insurance, subject to express permission herein granted to conduct fueling in the QTA Facility; (e) constitute a public or private nuisance; (f) in City's reasonable judgment, may impair or interfere with the character, reputation or appearance of the Leased Premises or City, the use of any other City property or City's operation of the Airport; or (g) permit or suffer any waste, damages, disfigurement or injury to or upon the Leased Premises or any part thereof. Master Lessee expressly agrees to comply with all present or future City Codes and Standards. Without limiting the generality of the foregoing, Master Lessee shall neither use nor allow the use of all or any part of the Leased Premises for any of the following:
- 4.2.1 The outside storage of junk, salvage vehicle parts, non-operational equipment, unused or damaged equipment or material, or solid waste or debris; except to the extent directly related to and in support of an authorized use and on a portion of the Leased Premises visually screened from adjacent properties.
- 4.2.2 Stripping, wasting, or removing any soil, gravel, or other City-owned material without the written approval of City.
- 4.2.3 Placing, spilling, or dumping garbage, trash, sewage, refuse, or other waste material except in a waste receptacle City has approved for that purpose or in a waste receptacle designed and provided for that purpose by Master Lessee on the Leased Premises.
- 4.2.4 Operating an incinerator or burning trash, brush, or other material without the written approval of City.
- 4.2.5 The establishment or maintenance of any kind of temporary or permanent living quarters.
- 4.2.6 Selling or dispensing fuel other than to the RACs or to their car rental customers as an integral part of car rental Transactions as provided for in the Sublease

Agreements, or otherwise operating a Commercial Fueling Service, on or off the Leased Premises.

- 4.2.7 Operating a Valet Parking Service or public parking.
- 4.2.8 Maintenance and repair of vehicles, including fluid changes and belt replacement, on the Leased Premises; provided however, washing, vacuuming, refueling, changing light bulbs, fuses, wiper blades, changing or repairing leaking or flat tires and similarly quick turnaround activities in the QTA Space is permitted.
- 4.2.9 Sales of: (i) food and beverages (except for vending machines located within the Exclusive Use Premises of a RAC for the sale of food and beverages exclusively to the employees of the RAC), (ii) news and sundries, (iii) alcohol, (iv) aviation-related equipment and services sales or other activities normally associated with fixed-base-operators, (v) advertising including any sponsorships, or (vi) vehicles.
- Signs. Subject to Master Lessee's compliance with City Codes and Standards, Master Lessee may install and display signage at the CONRAC at all times during the Lease Term to ensure the safe and efficient operation of the Rental Car Concessions by the RACs including wayfinding and directional signage within the CONRAC and on Airport roadways. Except for signs displayed by a RAC within its Exclusive Use Premises regarding the RAC's own products or services or as otherwise specifically permitted by City, Master Lessee shall not attach to or paint on or within the Leased Premises (including the walls, windows, floors and doors thereof) any other signs or other advertising matter, symbols, canopies, or awnings. At the expiration or earlier termination of the Lease Term, all signs, symbols, canopies, or awnings attached or painted by Master Lessee shall be removed by Master Lessee at its own expense, and Master Lessee shall repair any damage or injury to the Leased Premises and correct any unsightly condition caused by the maintenance and removal of such signs, symbols, canopies, or awnings. Master Lessee shall not be permitted to advertise any products and/or services other than those connected to the operation of Rental Car Concessions by the RACs. All advertising connected to the operation of Rental Car Concessions in the CONRAC by the Master Lessee or RACs shall be subject to prior written approval by City.

4.4 Reserved Rights of City.

4.4.1 City reserves for its exclusive use the Commercial Parking Facility, the Parking Management Office in the QTA Facility and an IDF Room on each floor of the CONRAC which shall contain City's networking equipment for connectivity to the Joint Use Facility, together with the non-exclusive right to use dedicated elevators and stairwells located in the Joint Use Facility and designated roadways, ramps and flyovers necessary for ingress and egress to and from the Commercial Parking Facility for use as a City-operated commercial parking facility and such ancillary uses as City deems appropriate or necessary in its sole discretion. City further reserves the right to use the exterior walls of the Joint Use Facility for any advertising and signage City deems appropriate in its sole discretion, excluding only advertising of any provider of ground transportation products or services to or from the Airport such as taxis, shuttles, buses, off-Airport motor vehicle rentals or similar services.

- 4.4.2 City reserves the right, so long as each exercise of the right does not unreasonably interfere with Master Lessee's Permitted Use of the Leased Premises: (a) to grant to others any right or privilege related to the Airport that City has not specifically and exclusively granted to Master Lessee pursuant to this Master Lease; (b) to grant to third parties or to reserve to City easements or rights-of-way through, on, above, or under the Leased Premises or the Airport; (c) of ingress to and egress from the Leased Premises and the Commercial Parking Facility; and (d) the right as a third-party beneficiary of the Sublease Agreements, the Development Agreement, Construction Contract, and Facility Management Agreement to enforce the same in accordance with their respective terms and to proceed directly against the parties to such agreements, subject first to reasonable good faith efforts to coordinate enforcement through any non-breaching primary party.
- 4.4.3 Without limitation of the foregoing reserved rights of City, City, and its elected and non-elected officials, officers, employees, agents, representatives, contractors and subcontractors, and furnishers of utilities and other services, shall have the right from time to time to do or permit any of the following, so long as each exercise of the right does not unreasonably interfere with Master Lessee's Permitted Use of the Leased Premises: (a) to construct and maintain existing and future utility and other systems; (b) to enter upon the Leased Premises at all reasonable times and upon reasonable notice (provided no notice shall be required during any real or threatened emergency to life, safety or structural integrity) to inspect any part thereof, and to make such repairs, replacements or alterations thereto as may, in the reasonable opinion of City, be deemed necessary or advisable, but with thirty (30) days prior notice to and opportunity for Master Lessee first to accomplish the same, except in the case of real or threatened emergency to life, safety or structural integrity; (c) of continual access to all facilities including utility and informational technology cables or lines located beneath the surface of the Leased Premises through manholes constructed by Master Lessee or otherwise; (d) to have access to all mail facilities according to the rules and regulations of the United States Postal Service; (e) to restrict the weight, size and location of equipment, furniture, safes, computers, and other heavy articles in or about the Leased Premises (including within the IDF Rooms) and the times and manner any or all such items or fuel may be moved in and out of the Leased Premises, and in any event at Master Lessee's sole risk and responsibility; (f) to perform any acts related to the safety, protection or preservation of the Leased Premises and the Commercial Parking Facility, but with respect to the Leased Premises with thirty (30) days prior notice to and opportunity for Master Lessee first to accomplish the same, except in the case of real or threatened emergency to life, safety and structural integrity; (g) to do or permit to be done any work in or about the Leased Premises, the Commercial Parking Facility or any adjacent or nearby building, land, street or alley; (h) to grant to anyone the exclusive right to conduct any business or render any service in the Leased Premises that does not operate to negatively impinge on the rights of the Master Lessee or its use of the Leased Premises as expressly permitted by this Master Lease; (i) to adopt, amend, modify, rescind or suspend any City rules, regulations, or policies in effect from time to time and to adopt such additional City rules, regulations, or policies as City, in its sole discretion, shall determine to be desirable for the safe, economical and efficient operation of the Leased Premises; (j) to exercise all other rights reserved by City pursuant to the provisions of this Master Lease; and (k) to construct, install, or maintain over, in, under or through the Leased Premises new lines, pipes, mains, wires, cables, utilities, conduits, and equipment; provided, however, in each case in the exercise of any such

rights (a) through (k), City shall not unreasonably interfere with the use, occupancy or operations of Master Lessee or any RAC, to the extent reasonably practicable under the circumstances.

- 4.5 <u>Termination Option of City</u>. City shall have the absolute right and option, in its sole discretion, at any time after two hundred forty (240) months after the Opening Date:
- 4.5.1 To terminate this Master Lease upon not less than nine (9) months written notice to Master Lessee and to all RACs if upon such termination City will continue to operate the CONRAC for use for Rental Car Concessions or relet the Leased Premises to a Substitute Master Lessee as provided in <u>Section 22.4</u> to continue to operate the CONRAC for use for Rental Car Concessions; or
- 4.5.2 To terminate this Master Lease and all Sublease Agreements upon not less than thirty-six (36) months written notice, to Master Lessee and to all RACs if upon such termination City will convert the CONRAC to a use other than for Rental Car Concessions.

ARTICLE 5 TERM

- 5.1 <u>Term.</u> Subject to the rights of City pursuant to <u>Section 4.5</u> and the rights of either Party to terminate this Master Lease pursuant to any provision of this Master Lease expressly allowing termination prior to the expiration of the Lease Term, this Master Lease shall be effective and binding between the Parties as of the Effective Date, and the Lease Term shall commence on the Opening Date and expire on the last day of the three hundred sixtieth (360th) full calendar month after the Opening Date.
- 5.2 <u>Holding Over</u>. If Master Lessee holds over and remains in possession of the Leased Premises after the expiration, cancellation or termination of this Master Lease, the holding over will not operate as an extension of the term of this Master Lease and shall be subject to the terms of <u>Section 20.2</u>.

ARTICLE 6 RENTS AND FEES

6.1 Base Rent.

6.1.1 <u>Base Rent After Opening Date</u>. For and in consideration of the rights granted by this Master Lease, Master Lessee shall, commencing on the Opening Date, pay to City the Base Rent for the CONRAC for each Lease Agreement Year or portion thereof during the Lease Term. For the Lease Agreement Year commencing on the Opening Date and continuing for the next successive four (4) Lease Agreement Years, the Base Rent shall be nine hundred thousand dollars (\$900,000.00) per Lease Agreement Year, calculated at the rate of one dollar and forty-five cents (\$1.45) per square foot times six hundred twenty thousand six hundred eighty-nine (620,689) square feet of the CONRAC. The Base Rent shall be adjusted on the fifth (5th) anniversary of the Opening Date and on each successive fifth (5th) anniversary of the Opening Date thereafter during the Lease Term as provided in <u>Section 6.1.2</u>. The Base Rent due for an Lease Agreement Year shall be paid to City in advance in monthly installments on the first

- (1st) day of each and every month during the Lease Term, at such place as City may designate, without any prior demand, and without any abatement, deduction or set-off whatsoever except as expressly provided in Sections 19.2 and 19.5. If the Opening Date falls on any day other than the first day of a calendar month, Base Rent for the first fractional month prior to the commencement of the first Lease Agreement Year shall be equivalent to a monthly installment to be paid for the first Lease Agreement Year prorated on the basis of the actual number of days in such fractional month and shall be paid with the first monthly payment due upon the commencement of the first Lease Agreement Year. Within thirty (30) days after each fifth (5th) anniversary of the Opening Date, City shall provide to Master Lessee with a statement specifying the Base Rent due hereunder for the next successive five (5) Lease Agreement Years determined in accordance with Section 6.1.2 and the City's basis of calculation of the same. Master Lessee shall commence payment of the Base Rent specified in the statement sixty (60) days after the date of the applicable statement and if the sixtieth (60th) day does not fall on the first (1st) day of the month, then on the first (1st) day of the following month.
- Adjustment of Base Rent. On the fifth (5th) anniversary of the Opening 6.1.2 Date and on each successive fifth (5th) anniversary of the Opening Date thereafter during the Lease Term, the Base Rent provided for in Section 6.1.1 shall be adjusted to reflect any increase in the Consumer Price Index as hereinafter provided. Each of the five (5) Lease Agreement Years following the Opening Date and following a fifth (5th) anniversary of the Opening Date is for purposes of this Section referred to as the "Adjustment Period." The increase in the Base Rent for each Adjustment Period of the Lease Term shall be commensurate with the actual annual cumulative percentage changes in the Consumer Price Index for the immediately preceding Adjustment Period. For example, if during the first Adjustment Period the Consumer Price Index increases by two (2) percent in each of the applicable Lease Agreement Years, the Base Rent for the second Adjustment Period would be nine hundred ninety thousand dollars (\$990,000.00). If the calculation of the adjustment for the Base Rent would result in a decrease in the Base Rent from the immediately preceding Adjustment Period, the Base Rent for the present Adjustment Period shall remain the same as for the immediately preceding Adjustment Period. Anything in this Master Lease to the contrary notwithstanding, the Base Rent for an Adjustment Period shall in no event be less than the Base Rent for the immediately preceding Adjustment Period. The adjusted rental shall be the Base Rent of the Leased Premises effective as of the first (1st) day of the succeeding Adjustment Period. Master Lessee shall continue payment of the Base Rent in effect for the expiring Adjustment Period until notified by City of any increase in such Base Rent. Such notification shall include a memorandum showing the calculations used by City in determining the adjusted Base Rent.
- 6.2 <u>Holdover Rent</u>. If, and for as long as Master Lessee holds over and remains in possession of the Leased Premises after the expiration, cancellation or termination of this Master Lease, Master Lessee shall pay Base Rent in accordance with the terms of <u>Section 20.2</u>.
- 6.3 <u>Payments</u>. Master Lessee agrees to make all payments of Base Rent and any other rents, charges, fees, or other consideration payable to City required under this Master Lease as follows:

6.3.1 If by check:

City of Austin Department of Aviation 3600 Presidential Blvd., Suite 411 Austin, TX 78719

or if by electronic transfer of funds:

City of Austin Automated Clearing House (ACH) transfer of funds to JP Morgan Chase Bank, NA, 221 West Sixth Street, 2nd Floor, Austin, Texas 78701 as follows:

ACH Instructions: ABA: 111000614

Account Number: 9900075116

Swift Code: CHASUS33

Location: New York, New York Account Name: City of Austin Investment Pool Receiving Account

or at such other place or manner as City may direct in writing.

- 6.3.2 Master Lessee shall make all payments required under this Master Lease in lawful currency of the United States of America. Master Lessee shall make its payments free from any claim, demand, setoff, or counterclaim of any kind against City. All payments of Rent are further subject to the provisions of Section 26.27. Master Lessee's obligation to pay Base Rent and any other rents under this Master Lease is an independent covenant, and no act or circumstance, regardless of whether such act or circumstance constitutes a breach of the Master Lease by City shall release Master Lessee of its obligations to pay Base Rent or any other rents as required by this Master Lease; provided however, nothing contained in this Section 6.3.2 or Master Lessee's non-compliance with the same shall be deemed a waiver by Master Lessee of any other claim or remedy otherwise provided for in this Master Lease or by the City of Master Lessee's obligation to make all payments free from any claim, demand, setoff or counterclaim of any kind against City.
- 6.4 <u>Late Payment Charges</u>. Master Lessee further agrees that upon default in the timely payment of any Base Rent or any other rents, charges, fees or other consideration payable to City required under this Master Lease, without limitation to any other right or remedy of City because of such default, Master Lessee shall pay to City, a late payment charge equal to five percent (5%) of the amount of such delinquent amount.
- 6.5 <u>Landlord's Lien</u>. Any Base Rent or other rent that is due and unpaid is secured by a lien in favor of City against Master Lessee's property in the CONRAC.

- 6.6 <u>Security</u>. Master Lessee shall, upon the Effective Date of this Master Lease, obtain and deliver to City the following to secure Master Lessee's full performance of this Master Lease, including the payment of all fees and other amounts now or hereafter payable to or required to be remitted to City under this Master Lease (the "Security"): a good and sufficient irrevocable stand-by letter of credit in a form approved by City in a stated amount equal to the Security Amount. The form and provisions of the Security and the identity of the issuer thereof, shall at all times be subject to City's approval. The Security shall remain in place at all times throughout the full Lease Term and throughout any holdover period.
- Application of Security. City may apply all or part of the proceeds of the Security 6.7 to amounts that remain unpaid after the date due to City under this Master Lease. The Security shall remain on deposit with City throughout the Lease Term, and, in addition to any and all other remedies available to it hereunder or otherwise, at any time that City is entitled hereunder to draw on the Security, City shall have the right, in its sole discretion, to draw upon the entire stated amount of such Security and to hold and apply any proceeds of such draw in excess of amounts then due to City as a cash deposit hereunder, and Master Lessee shall, within two (2) Business Days after such draw upon the entire stated amount of the Security, cause a replacement Security that meets the requirements of this ARTICLE 6 to be issued for the benefit of City in the original stated amount of the Security upon which City has drawn (and, upon receipt of such replacement Security, City shall refund to Master Lessee the amount of any excess proceeds of the prior Security then held by City subject to City Council approval, if necessary). Master Lessee hereby agrees to the deposit of any such excess proceeds with City. City shall have no obligation to draw upon the Security, and neither the existence of such right nor the holding of the Security itself shall cure any default or breach on the part of Master Lessee under this Master Lease. Within sixty (60) days after the expiration or earlier termination of the Lease Term and upon request therefor by Master Lessee, City will return the Security to Master Lessee, less any amounts then due from Master Lessee to City under this Master Lease. Master Lessee hereby waives any right to any interest which may be earned or accrued on the proceeds of a draw under the Security during the Lease Term and agrees that City shall have no obligation to hold excess proceeds of a draw under the Security in a segregated account and City may commingle such proceeds with its other funds. No trust relationship is created with respect to the Security.
- 6.8 Master Lessee's Rent and Operation Reserve. Each Sublease Agreement shall provide that prior to the Substantial Occupancy Date, each RAC shall pay the Rent Reserve Requirement to Master Lessee in an amount equal to twenty-five percent (25%) of the RAC's Pro Rata Share of Base Rent for the period commencing on Opening Date through the end of the first Sublease Agreement Year, and thereafter cause that Rent Reserve Requirement to be maintained in an amount equal to twenty-five percent (25%) of the RAC's Pro Rata Share of Base Rent for the then-current Sublease Agreement Year. The aggregate Rent Reserve Requirements of all RACs shall constitute the Rent reserve portion of Master Lessee's Rent and Operation Reserve which Master Lessee shall be entitled to use for the payment of Base Rent to any extent that RAC monthly payments of their Pro Rata Share of Base Rent are at any time not sufficient to cover the amount of Base Rent to be paid pursuant to this Master Lease. Any use of the Master Lessee's Rent and Operation Reserve due to the failure of a RAC to pay in full its monthly Pro Rata Share of Base Rent shall be charged against that RAC's Rent Reserve

Requirement, but exhaustion of a RAC's Rent Reserve Requirement shall not limit Master Lessee's access to the entire Master Lessee's Rent and Operation Reserve to draw funds to cover any and all shortages in monthly RAC payments to Master Lessee to pay Base Rent.

6.9 <u>City's Security Interest in Accounts.</u>

- 6.9.1 To further secure Master Lessee's obligations under this Master Lease, Master Lessee grants to City a security interest in the Master Lessee's Rent and Operation Reserve account(s) and any account(s) established for the deposit of Security requirements of the RACs as provided for in each Sublease Agreement, to be effective upon the establishment of any such accounts, and all instruments, documents, agreements and other writings evidencing such accounts, all sums at any time on deposit therein, all sums to become due with respect to such accounts and any and all renewals, replacements and proceeds thereof (the "Account(s)"). Master Lessee agrees to sign and deliver to City within five (5) Business Days of the establishment of any Account any documents or instruments that City considers necessary to obtain, maintain and perfect its security interest in the Account including, without limitation, a deposit account control agreement among Master Lessee, City and the bank with which the Account is established in form and substance acceptable to City. Any such deposit account control agreement shall not limit or impair Master Lessee's free access to the Master Lessee's Rent and Operation Reserve for use to make payments of Rent and O&M Costs except on the occurrence of an Event of Default which is not cured within any applicable cure period. If the Facility Management Agreement provides for any of the Accounts to be established or held in the name of the Facility Manager, Master Lessee shall cause the Facility Manager to grant a security interest in such Accounts to City and to otherwise comply with the requirements of this Section.
- 6.9.2 Upon the termination of each Sublease Agreement, the City's security interest as stated in Section 6.9.1 as to any portion of the Master Lessee's Rent and Operation Reserve account(s) and any account(s) established for the deposit of Security requirements provided for in the applicable Sublease Agreement held with respect to the subject RAC, not required to satisfy outstanding liabilities of that RAC to Master Lessee, shall be released, and that amount shall be refunded to that RAC by Master Lessee after deduction therefrom and payment to City of all amounts owed to City by or on account of the subject RAC.
- 6.9.3 Upon the termination of this Master Lease, Master Lessee shall assign the Accounts to City or Substitute Master Lessee, as applicable, utilize the Accounts to fulfill its remaining obligations under this Master Lease or distribute the balances in the Accounts the RACs in accordance with the terms of <u>Section 5.4</u> of the Sublease Agreements.
- 6.10 <u>Sublessee Payment of Base Rent</u>. Each Sublease Agreement shall also provide that commencing on the Opening Date and continuing thereafter through the Lease Term, the respective RAC shall pay to Master Lessee one-twelfth (1/12) of its Pro Rata Share of Base Rent for that Lease Agreement Year (or for the first Lease Agreement Year, an equal monthly amount) monthly in advance on the first day of each and every month during the Lease Term, in such manner and place as the Master Lessee may designate, without any prior demand, and without any abatement, deduction or set-off whatsoever.

- 6.10.1 Upon conclusion of each Lease Agreement Year for which no Base Rent remains unpaid, Master Lessee will submit to City a request for refund of Base Rent paid by Master Lessee for the just-concluded Lease Agreement Year, and City will thereupon submit a requisition to the Trustee for disbursement from the CFC Surplus Fund, as funds may be available therein and according the priority of uses thereof, all as stated in the Indenture pursuant to Sections 4.2.6.2.4(f) and 4.2.6.2.5(g) of the Concession Agreement. Upon receipt of any such reimbursement, Master Lessee shall distribute the same by Pro Rata Share for the period for which the reimbursement is made to all RACs then in Good Standing, apply the same as a credit toward past or future obligations of the RACs, or any combination of those options, and add to the Master Lessee's Rent and Operation Reserve any reimbursement for which any RAC is not eligible due lack of Good Standing.
- RAC O&M and Rent Reserve Fund. The City shall cause to be established a RAC O&M and Rent Reserve Fund pursuant to the Indenture, which shall be funded at the times and in the amounts set forth in the Indenture and Concession Agreement. In the event that a RAC's Rent Reserve Requirement is exhausted and not restored by the RAC within ten (10) days of written notice, Master Lessee shall be entitled to restore Master Lessee's Rent and Operation Reserve by request to City for disbursement from the RAC O&M and Rent Reserve Fund in accordance with the terms of the Indenture. Upon written request of Master Lessee to City for restoration of the Master Lessee's Rent and Operations Reserve from the RAC O&M and Rent Reserve Fund, accompanied by documentation supporting the request and any additional documents required by City, City will submit a requisition to the Trustee in accordance with the Indenture for disbursement from the RAC O&M and Rent Reserve Fund. City may also submit a requisition to the Trustee in accordance with the Indenture for disbursement from the RAC O&M and Rent Reserve Fund to pay any amounts that remain unpaid after the date due under this Master Lease. On the expiration or earlier termination of this Master Lease that does not result in establishment of a Substitute Master Lessee as provided under Sections 21.2.3 or 22.4, City may submit a direction to the Trustee in accordance with the Indenture to transfer any balance remaining in the RAC O&M and Rent Reserve Fund to the CFC Surplus Annual Disbursement Account of the CFC Surplus Fund as of the date of the expiration or termination of this Master Lease.

ARTICLE 7 AUDITS AND RECORD RETENTION

7.1 Annual Audit Requirement, CPA Opinion.

7.1.1 Within one hundred twenty (120) days after the end of each Lease Agreement Year, Master Lessee, at its own expense, shall provide to City an audited annual accounting statement of the Master Lessee's Rent due City and O&M Costs for such Lease Agreement Year (each, an "Annual Audited Statement"). The Annual Audited Statement shall be prepared by an independent, licensed Certified Public Accountant, in accordance with generally accepted accounting principles applicable to private entities. The Annual Audited Statement shall include the auditor's opinion on whether the statement of Rent and O&M Reconciliation Reports have been completely and accurately presented, calculated, and reported according to the terms of this Master Lease, and whether Rent due City and O&M Reconciliation

Reports have been completely and accurately calculated and paid according to the terms of this Master Lease. This obligation shall survive termination of this Master Lease.

- 7.1.2 In the event Master Lessee fails to timely submit its Annual Audited Statement, or the information submitted by Master Lessee within the required timeframe fails to conform to the requirements stated above, and such Annual Audited Statement is not received within fifteen (15) days after receipt of written notice from City, then City may impose on Master Lessee, and Master Lessee shall pay, a non-compliance penalty of thirty dollars (\$30.00) per day for each day the Annual Audited Statement is not received after the due date. If the Annual Audited Statement required hereunder is not provided by Master Lessee within one hundred fifty (150) days after the end of the Lease Agreement Year, then City may impose, and Master Lessee shall pay, a noncompliance penalty of one hundred dollars (\$100.00) per day for each day the Annual Audited Statement is not received by City after one hundred fifty (150) days after the end of Master Lessee's Lease Agreement Year.
- 7.2 Records Retention. Master Lessee shall maintain full and accurate records. accounts, books, and data with respect to all business done by it hereunder which shall show all of the construction costs, Rent, and O&M Costs, in sufficient detail to readily permit verification of construction costs, Rent, and O&M Costs by City. Such records shall include all books, records, design and construction agreements, Sublease Agreements, Facility Management Agreement, amendments to agreements, and other documents generated or maintained by Master Lessee concerning or relating to Master Lessee's design, construction, subleasing, operations, repair, and maintenance under the Master Lease, the collection of Sublease Agreement payments, or the calculation of other rents, fees or charges payable under this Master Lease and Sublease Agreements, such as but not limited to general ledgers, trial balances, subsidiary ledgers, Sublease Agreements, and corporate chart of accounts. Master Lessee shall retain all such records, accounts, books, ledgers, journals, business reports, Sublease Agreements, Facility Management Agreement, design and construction documents, and amendments, and all other pertinent data and supporting documentation ("books and records") related to performance under this Master Lease for the longer of: (a) three (3) years after the end of the Lease Agreement Year to which they pertain or until completion of all pending audits or litigation between the parties; or (b) longer retention as required by law or local, state or federal requirements.
- 7.2.1 Records retention requirements shall survive expiration or earlier termination of this Master Lease.
- 7.2.2 All subcontractors and RACs of Master Lessee under this Master Lease shall be subject to the same records retention requirements (as contained in <u>Section 7.2</u>) and also to the City's right to audit (as contained in <u>Section 7.3</u>). Master Lessee shall include these same provisions in its subcontracts and Sublease Agreements under this Master Lease.
- 7.3 <u>City's Auditing Rights</u>. Upon written notice, City or its authorized representatives shall, at any time during the term or within three (3) years after the end of any Lease Agreement Year, have access to, and the right to audit, examine, or reproduce any or all books and records of Master Lessee related to its performance or operation under this Master Lease. Master Lessee shall cooperate fully with any audit or examination initiated by City, and

shall produce all books and records requested for audit to a designated location at the Airport, or in Austin, Texas, within thirty (30) days of the date of written request. To facilitate the inspection of Master Lessee's books and records, documents provided for audit shall be made available in an electronically downloadable format acceptable to City whenever possible. When electronic files do not exist, legible printed copies of books and records must be provided.

- 7.3.1 If Master Lessee fails to produce all books and records requested for audit within the required timeframe, Master Lessee shall be subject to a noncompliance penalty of fifty dollars (\$50.00) per day for each day beyond the thirtieth (30th) day after date of initial written request, and then one hundred dollars (\$100.00) per day for each day after forty-five (45) days, until all books and records have been provided for audit as requested. In addition to the penalty, if Master Lessee's books and records have not been provided for audit within forty-five (45) days of audit request, City shall have the right to send its auditor or authorized representative to another location where Master Lessee's books and records are maintained in order to audit, examine, or reproduce books and records. In this event Master Lessee shall pay all reasonable expenses for the audit, including, but not limited to, travel/transportation expenses, food and lodging, and related business expenses.
- 7.3.2 If the audit reveals that the O&M Costs are less than the Reimbursed O&M Costs as reported by Master Lessee or Facility Manager to City, then Master Lessee shall pay City the overpayment plus a penalty of ten percent (10%) of the overpayment amount within twenty (20) days of written notice by City. If the audit reveals that the O&M Costs are more than the Reimbursed O&M Costs, the underpayment shall be credited to the RACs' O&M Deposit in equal shares.
- 7.3.3 City's rights and Master Lessee's obligations under this <u>Section</u> shall survive the expiration or earlier termination of this Master Lease.

ARTICLE 8 ISSUANCE OF BONDS; PAYMENT FOR COSTS OF THE PROJECT

- 8.1 <u>Issuance of Initial Bonds; Rating Agencies</u>. City shall, subject to the terms and conditions of this Master Lease, use reasonable efforts to issue, sell and deliver the Initial Bonds in amounts that are sufficient to pay the Costs of the Project and to fund Bond Obligations due upon the closing of the issuance of the Initial Bonds. To this end, City will require ratings of the Initial Bonds from one or more of the Rating Agencies that are sufficient to support the sale and issuance of the Initial Bonds on terms and conditions acceptable to City. In the event that this Master Lease is executed prior to the issuance of the Initial Bonds and one or more of the Rating Agencies requires amendments, modifications or revisions of, or supplements or deletions to, this Master Lease in order to provide the rating(s) of the Initial Bonds that City determines to be necessary to proceed with the issuance of the Initial Bonds, Master Lessee agrees to make such amendments, modifications or revisions of, or supplements or deletions to, any of the terms, conditions or requirements of this Master Lease as may be reasonably required.
- 8.2 <u>Issuance of Additional Bonds</u>. City, at its sole discretion after good faith consultation with the Master Lessee and the RACs, shall have the right to issue Additional Bonds for the following purposes: (a) as refunding debt obligations which are used to achieve annual debt service

savings or to achieve terms that City determines are more beneficial to the City than the terms of the Bonds being refunded; (b) to pay any part of the Costs of the Project not fully funded or provided for out of the proceeds of the Initial Bonds; (c) to pay the Costs of additional rental car facilities at the Airport; (d) to pay any costs of any Major Maintenance; (e) subject to any restriction hereunder regarding the use of Customer Facility Charge proceeds and Applicable Laws, to fund any other obligation imposed on City or Master Lessee under this Master Lesse; and (f) for any other purpose permitted by the terms of the Indenture.

- 8.3 No Limitation on City. Nothing in this ARTICLE 8 shall be construed as a limitation of the authority of City to issue bonds for any legal purpose that it elects; instead, any limitation set forth in this ARTICLE 8 shall operate exclusively to limit whether the obligations under any such bond(s) shall be considered Bond Obligations under this Master Lease. Nothing contained in this Master Lease shall be construed as: (a) a limitation of the authority of City to requisition moneys from the Trustee that are on deposit in any fund or account established pursuant to the Indenture and in accordance with and subject to the terms of the Indenture and to use such moneys in accordance with the Indenture, the Concession Agreement and this Master Lease; or (b) an obligation on the part of City to act on any request of the Master Lessee for discretionary requisitions by City of moneys held by the Trustee under the Indenture; or (c) an agreement by City that any reimbursement or disbursement requests by Master Lessee are eligible for reimbursement or disbursement if the Indenture or Concession Agreement provide otherwise.
- 8.4 <u>Requests for Disbursement from Funds</u>. Master Lessee agrees not to submit requests to City for double payment, reimbursement or refund for the same cost as both a Routine Maintenance costs and as Major Maintenance reimbursable from the Repair and Replacement Fund, or otherwise to request to be paid, reimbursed or refunded more than one hundred percent (100%) of any eligible cost from funds established pursuant to the Indenture.

ARTICLE 9 CONSTRUCTION

- 9.1 <u>Compliance</u>. Any improvement, construction, alteration, import of material, export of material, or any other alteration or addition to the CONRAC Site as described in this <u>ARTICLE</u> shall be completed in accordance with the provisions of this (1) Master Lease, (2) the 2011 Reimbursement Agreement, (3) the Construction Contract, (4) Legal Requirements, (5) City Codes and Standards and (6) the City Building Permit Requirements.
- 9.2 Permitting; Planning Requirements. Before Master Lessee undertakes, causes or permits any clearing, excavation, filling, demolition, construction, improvement or other work on the CONRAC Site or delivery of materials or equipment to the CONRAC Site, whether temporary or permanent ("Commencement of Construction"), Master Lessee shall: (a) enter into a Development Agreement with Developer in the form of Exhibit C attached to and made a part of this Master Lease; (b) enter into or cause the Developer to enter into a Construction Contract in the form of Exhibit D attached to and made a part of this Master Lease; (c) obtain City Site Development and Building Permits required for the scope of work to be undertaken (it being expressly understood that phased permitting is approved to allow specified scope to proceed while work toward permits for other scope of work remains ongoing); and (c) otherwise comply with the requirements of City Codes and Standards and this Master Lease, including the

requirements for the submission and approval of the plans and specifications for the Joint Use Facility. Master Lessee, Developer, Design-Builder and others as necessary, shall attend such periodic meetings with City representatives as required by City for the purpose of the review of drawings, plans, finishes and specifications pursuant to City Codes and Standards and this Master Lease, 2011 Reimbursement Agreement, and Construction Contract.

- 9.2.1 To obtain all applicable permits, Master Lessee shall submit the following to City for the scope of work subject to the respective permit:
- 9.2.1.1 One (1) complete copy of all work product for the design and construction of the Joint Use Facility in electronic file formats (9CD-R) and prepared with computer-aided design and drawing technology utilizing City's ABIA CAD standards.
- 9.2.1.2 At least three (3) sets of full-size printed Project drawings, plans and specifications for the Joint Use Facility (in hard copies and electronic format specified by City and which may be submitted in stages depending on the stages or phases of construction) in sufficient detail for City to evaluate the project and its scope, including, as applicable,
- 9.2.1.2.1 a site plan showing, with horizontal dimensions and elevations, proposed work to be performed and improvements to be constructed on the CONRAC Site, as well as any off-site improvements Master Lessee proposes to perform on the Airport in conjunction with the construction of the Joint Use Facility, including the location of all proposed utility lines and connections, drainage, vehicle parking, landscaping, paths, drainage, roads and easements;
- 9.2.1.2.2 architectural drawings sufficiently complete for construction, showing front and side elevation views, floor plans for each floor of the Joint Use Facility and dimensions of any proposed structure and the materials, including colors and exterior finishes to be used, finished floor elevation data for each level and maximum elevation (height) of the Joint Use Facility;
- 9.2.1.2.3 a boundary survey of the CONRAC Site, incorporating any boundary changes previously approved by City, unless such a survey is already on file with City on the date Master Lessee files the City Building Permit application;
 - 9.2.1.2.4 a copy of the fully executed Development Agreement;
 - 9.2.1.2.5 a copy of the fully executed Construction Contract;
- 9.2.1.2.6 a copy of the schedule for the completion of the construction of the Joint Use Facility and a schedule of values composing the fixed price for the construction in accordance with the Development Agreement and Construction Contract;
- 9.2.1.2.7 documentation showing that the plans and specifications for the scope of work to be undertaken have received any approval required by other Governmental Authorities having jurisdiction over the proposed Project; and

9.2.1.2.8 copies of all Deliverables required under the 2011 Reimbursement Agreement and Construction Contract in the amount and format specified by City; and

9.2.1.2.9 any additional data or documents reasonably requested by City.

- 9.2.2 Master Lessee shall provide interim construction plans of the Joint Use Facility at the following milestones:
- 9.2.2.1 Under the Construction Contract, at thirty percent (30%) and fifty percent (50%) of construction documents (one hundred percent (100%) schematic design and one hundred percent (100%) design development, respectively) to allow for comments by City before City issues any applicable permits to Master Lessee, and thereafter for approval of any proposed Significant Change. The schematic design documents and design development documents may be submitted in stages in advance of the construction of various elements of the Project. (Completed prior to the Effective Date.)
- 9.2.2.2 Under the Construction Contract, at one hundred percent (100%) of design development drawings, to the extent not previously under Section 9.2.2.1, at ninety-five percent (95%) of construction documents to allow for comments by City before City issues any applicable permits to Master Lessee, and thereafter for approval of any proposed Significant Change. City agrees to review all plans and specifications and comment within fourteen (14) days of the delivery so long as Master Lessee provides at least ten (10) days' notice to City prior to delivery for review.
- 9.2.3 The approval by City of any construction design or any other provision does not waive Master Lessee's legal responsibility or liability to comply with all Environmental Laws, Legal Requirements and City Codes and Standards, including those concerning the construction, and design of the Joint Use Facility, all of which shall be Master Lessee's sole responsibility. In addition, such review or approval shall not constitute a waiver by City of the right thereafter to require Master Lessee to correct any failure by Master Lessee to comply with any Environmental Laws, Legal Requirements or City Codes and Standards.
- 9.2.4 If Master Lessee does not obtain a City Building Permit required in Section 9.2 of this ARTICLE for a particular scope of work before beginning that work on the CONRAC Site, City shall, after five (5) days written notice and opportunity to cure (except in the case of real or threatened emergency to life, safety or structural integrity) and when it is in the interest of safe, effective, or efficient operation of the Airport to do so, require Master Lessee to cease or suspend the activity and to submit the application for the City Building Permit and other documentation required under Section 9.2. After review of the application, City shall approve or deny the application. If City grants a City Building Permit, Master Lessee shall, at no cost to City, comply with any requirement that City includes in the approval as necessary to bring the construction into compliance with the City's Building Permit Requirements. If City denies a City Building Permit and if City so directs, Master Lessee shall, at no cost to City,

remove all unauthorized improvements and restore the CONRAC Site to its condition prior to the unauthorized work on the CONRAC Site.

- 9.3 Performance Bond and Security. Prior to the Commencement of Construction, Master Lessee shall cause the Design-Builder to secure Payment and Performance Bonds in the minimum amount of one hundred percent (100%) of the lump sum price specified in the Construction Contract and naming City and the Bond Trustee as an additional obligee. The Payment and Performance Bonds shall be issued by a company(s) and be in the form(s) acceptable to City in its sole discretion. Originals of the Payment and Performance Bonds and any related documentation requested by City must be delivered to City prior to the Commencement of Construction. Master Lessee may be required to submit a letter of credit, performance bond, deposit, personal guarantee, or other security as a cost of operation if City reasonably determines security is necessary or prudent to ensure performance of all other obligations under this Master Lease. City shall determine the form and amount of the security considering the nature and scope of the construction and the financial responsibility of Master Lessee.
- 9.4 <u>Construction of Joint Use Facility</u>. After Master Lessee complies with the requirements of <u>Sections 9.2 and 9.3</u>, Master Lessee shall construct, equip and install, or cause to be constructed, equipped and installed, the Joint Use Facility on the CONRAC Site in accordance with the plans and specifications, schedule and budget approved by City, the City Codes and Standards, the City Building Permit Requirements, this Master Lease, the Development Agreement and the Construction Contract, free and clear of all Liens and encumbrances, at no cost to City, subject to <u>Sections 8.1</u> and in accordance with <u>Section 9.5</u> hereof. Master Lessee shall ensure that construction activities are closed off from public access and restricted from ground view with construction safety barriers and easily readable signs explaining the construction, as approved by City prior to the Commencement of Construction. Without limitation of the generality of the foregoing:
- 9.4.1 Upon the Commencement of Construction, Master Lessee shall cause the Design-Builder to provide to City an affidavit of Commencement of Construction in recordable form, and a list of all known contractors, subcontractors and suppliers expected to provide labor or materials and thereafter upon procurement as reflected in the M/WBE Procurement Program Compliance Plan in accordance with Section 25.4.
- 9.4.2 The construction of the Joint Use Facility shall be Substantially Complete no later than the Deadline for Substantial Completion approved by City. When Substantial Completion of the Joint Use Facility has been obtained:
- 9.4.2.1 Master Lessee shall notify City, and Master Lessee and City shall schedule and perform within fourteen days a joint punch-list inspection and identify items to be corrected or completed by Final Completion (the "Punch-List Items");
- 9.4.2.2 Master Lessee shall cause the Design-Builder to provide City with a certified letter indicating that the Joint Use Facility was constructed in accordance with the construction plans and specifications submitted to and approved by City and that installation

of all components is in accordance with all Applicable Laws, Legal Requirements, City Codes and Standards, the City Building Permit Requirements, and the Construction Contract;

- 9.4.2.3 Master Lessee shall diligently pursue or cause Design-Builder to diligently pursue Final Completion (inclusive of all Punch-List Items identified during the joint punch-list inspection by City and Master Lessee) no later than one hundred twenty (120) days after Substantial Completion;
- 9.4.2.4 Master Lessee shall turn over to City the Commercial Parking Facility, the IDF Rooms and the Parking Management Office and thereafter City shall have exclusive possession of the same subject to Master Lessee's license to access the premises for purposes of completing Punch-List Items until Final Completion;
- 9.4.2.5 Master Lessee shall turn over to each RAC its Exclusive Use Premises for purposes of installing the Initial Tenant Improvements provided that nothing herein shall prohibit Master Lessee from providing earlier license to the RACs to enter the Exclusive Use Premises for commencement of such work and shall cause the Initial Tenant Improvements to be substantially completed by the RACs no later than Final Completion and finally completed no later than thirty (30) days after Final Completion to enable the CONRAC to be open for business to the public no later than that date;
- 9.4.2.6 Master Lessee shall cause the CONRAC to be open for business to the public not later than thirty (30) days after Final Completion; and
- 9.4.2.7 Master Lessee shall complete all modifications of or enhancements to way-finding signage in the Joint Use Facility no later than ninety (90) days after Final Completion.
- 9.4.3 The Joint Use Facility shall be constructed using new, quality materials, using only qualified personnel and in a good and workmanlike manner adhering to generally accepted industry standards and practices.
- 9.4.4 The Joint Use Facility shall be constructed in a manner that will not unreasonably interfere with or disturb daily operations at the Airport or City or its tenants, customers, guests or invitees.
- 9.4.5 During the construction of the Joint Use Facility, the CONRAC Site shall be kept free of trash and debris, and all construction on the CONRAC Site or performed by Master Lessee at the Airport must be orderly, presentable, and compatible with its use and surroundings and otherwise in compliance with City's Standards.
- 9.4.6 All portions of the CONRAC Site not directly used for the construction of the Joint Use Facility must be maintained by Master Lessee in a manner that does not attract birds and animals.
- 9.4.7 Other than the construction of the Joint Use Facility on the CONRAC Site, no building or other permanent structure may be constructed or placed within the boundary line of the CONRAC Site unless City otherwise approves.

- 9.4.8 If Master Lessee constructs underground improvements, Master Lessee shall appropriately mark the surface of the land with adequate surface markers. The type, quantity, and distance between the markers are subject to the approval of City.
- 9.4.9 The CONRAC Site and the Joint Use Facility shall be kept free and clear of all Liens, claims and encumbrances, and all contractors, subcontractors and suppliers providing labor and materials for the construction of the Joint Use Facility shall be timely paid and execute Lien waivers or releases upon payment. Master Lessee shall provide City with Lien waivers or releases from the Developer, Design-Builder, the subcontractors at all tiers, and the suppliers of all labor, materials, work and services for all component parts of the Joint Use Facility with ninety (90) days after the completion thereof in detail acceptable to City to enable City to verify compliance with the requirements of this Master Lease.
- 9.4.10 On Final Completion, Master Lessee shall obtain and provide to City, proof of all necessary permits and licenses to occupy and operate the Joint Use Facility including a certificate of occupancy.
- 9.4.11 Master Lessee agrees that any contract for construction, alteration or repair of the Joint Use Facility or for the purchase of material to be used, or for work and labor to be performed within or upon the CONRAC Site, shall be in writing and shall contain provisions to protect City from the claims of any laborers, subcontractors or materialmen against the Joint Use Facility and/or the CONRAC Site and otherwise comply with the requirements of City Codes and Standards. Master Lessee agrees to give City immediate written notice of the placing of any Lien or encumbrance against the Leased Premises and further agrees to extinguish such Lien in accordance with Section 18.2 hereof.
- 9.4.12 All contracts for the construction of the Joint Use Facility shall require Substantial Completion no later than the Deadline for Substantial Completion within the construction schedule therefor submitted by Master Lessee and accepted by City and shall contain reasonable and lawful provisions for the payment of liquidated damages in the event the Design-Builder fails to complete such construction on a timely basis. Master Lessee shall take all necessary action available under each such construction contract to enforce the timely Substantial Completion of the work covered thereby and in no event later that the Deadline for Substantial Completion. Master Lessee shall pay to City one thousand dollars (\$1,000.00) per day for failure to timely Substantially Complete the Joint Use Facility by the Deadline for Substantial Completion.
- 9.4.13 Master Lessee shall neither seek nor allow the Developer to seek any unearned progress payment from the Bond Trustee for work not accomplished to develop the CONRAC. In addition, Master Lessee shall reduce, and shall require the Developer to reduce, each progress payment request for all design build products, services and work by an itemized percent as retainage in accordance with applicable Texas law, and shall, so long as any indebtedness secured by Customer Facility Charges remains outstanding, abide by all provisions of the Indenture applicable to Master Lessee.

- 9.5 <u>Project Financing and Payment</u>. The Project shall be financed and paid for with proceeds of the Bonds and other funds described in the Indenture, if any, through requisitions submitted by City to the Trustee in accordance with the Indenture after City's receipt of Pay Applications (described below) from Master Lessee in accordance with the following procedures and requirements:
- 9.5.1 Master Lessee shall submit to City pay applications for costs of the Project ("Pay Applications") as set forth in the Phase II Final Project Budget ("Project Budget") (as defined in the Development Agreement) on or before a date to be determined, to recur on the same date or day each month (or the next business day if a specific date is designated and falls on a weekend or City holiday) ("Submittal Date") until Final Completion. For each Pay Application, Master Lessee shall: (a) on or before the Submittal Date arrange with City and Developer for on-site review of work performed to-date on the Joint Use Facility pursuant to the Construction Contract; and (b) on the Submittal Date submit to City utilizing the City required format or forms for review at the address specified below (i) an invoice in triplicate original, describing the percentage complete of the Project, together with the amount and nature of all authorized expenses under the Construction Contract to be paid on the percentage of work complete as reasonably determined by the time and materials undertaken to complete the work ("Progress Invoice"), (ii) certification of Master Lessee and Developer that such Progress Invoice has been reviewed and approved by Master Lessee and Developer, (iii) complete copies of the invoices of Design-Builder, the Developer, any other direct contractor to the Developer (collectively "Contractors") and of Master Lessee for which payment is requested under the Progress Invoice (along with any supporting documentation required under the Development Agreement or Construction Contract); (iv) applicable project schedule; (v) project task list or resource allocation plan from the Developer and Design-Builder for services and fees during Phase 2 of the Project; and (vi) as Design-Builder procures work, updated Compliance Plan in accordance with Section 25.4 (the items described in Subsections 9.5.1(b)(i)-(vi) are collectively referred to as the "Pay Application(s)"). Each Pay Application shall be sent or delivered to:

City of Austin Department of Aviation 2716 Spirit of Texas Austin, Texas 78719 Attn: Janice White, Contract Manager

- 9.5.2 Master Lessee shall reduce, and shall require Developer to reduce, each Pay Application by an itemized percent of the design and construction work as retainage in accordance with the applicable Texas law, which retainage shall remain held by the Trustee and shall be payable pursuant to a Pay Application submitted by Master Lessee to City and a requisition submitted by City to Trustee no less than thirty (30) days after the later to occur of Final Completion or the date on which all way-finding signage is installed if not installed by Final Completion.
- 9.5.3 After City's review and approval of each Pay Application, City shall promptly submit a requisition for payment of the same to the Trustee in accordance with the Indenture; provided however, City shall not be required to submit more than one (1) requisition for payment per month. The entire payment or part of any payment otherwise due pursuant to a

Pay Application may be withheld, to be effected by a reduction in the amount requisitioned by City from the Trustee on account of:

- (i) delivery of defective, untimely, or non-conforming work by the Design-Builder, Developer or Master Lessee; or
- (ii) failure of the Master Lessee to submit proper invoices with all required attachments and supporting documentation.

City shall furnish prompt written notice to Master Lessee of any withholding claimed by City under this <u>Section 9.5.3</u>, which notice shall include identification of the amount withheld and the reason or reasons for such withholding. Upon the cure of the reason or reason(s) for amounts withheld to the satisfaction of City, City shall submit a requisition for payment of the amount withheld to the Trustee in accordance with the Indenture.

- 9.5.4 Except for any amount expressly identified in the Project Budget as a time and material expense, the respective payment amounts for each of the Contractors and Master Lessee under the Project Budget are each lump sums to be paid according to the percentage complete of the Project as certified by the Design-Builder and confirmed by Developer's cost consultant, and for actual amounts invoiced for the time and material line items, all as submitted with approval by Developer and Master Lessee, reviewed by City's independent cost consultant and approved by City's Contract Manager. A final Pay Application, which shall be deemed to include request for payment of retainage, may be submitted to City after the later to occur of Final Completion or the date on which all way-finding signage is installed if not installed by Final Completion and acceptance of the same in writing by City.
- 9.5.5 City reserves the right to audit and examine at any reasonable time the books and records of the Contractors, Developer and Master Lessee to the extent necessary, consistent with the industry standards pertaining to lump-sum projects as contemplated under the Development Agreement, to verify the accuracy of any statement, charge, computation or invoice made hereunder, and to recover from any of the Master Lessee, Developer or Contractors any overcharge paid by the City or the Trustee to the Master Lessee, Developer or Contractor. The Master Lessee shall require that Developer and Contractors retain all such records for a period of three (3) years after the Trustee's final payment for the Project or until all audit and litigation matters that City has brought to the attention of the Master Lessee are resolved, whichever is longer. The Master Lessee shall require Developer and the Contractors to agree to refund to City any overpayments disclosed by any such audit. The Master Lessee shall include the provisions of this Section in the Development Agreement and all Contractor agreements entered into in connection with the Project under this Master Lesse.
- 9.5.5.1 City will provide to Master Lessee a Texas sales and use tax certification form.
- 9.6 <u>Documentation of Final Completion of Construction</u>. Master Lessee shall within sixty (60) days after the Final Completion of construction of the Joint Use Facility, submit to

City written documentation that the construction has been completed as required by this Master Lease including, without limitation, the following:

- 9.6.1.1 "As built" drawings of the Joint Use Facility (hard copies and electronic format) in full conformance with City's requirements. The "as built" drawings shall include details of all construction disciplines, including electrical (including switch gear and source of permanent power), plumbing, mechanical, architectural and information technology structures, lines and facilities and meets the requirements of the Airport CAD standards.
- 9.6.1.2 Proof of all necessary permits and licenses to occupy and operate the Joint Use Facility including a certificate of occupancy.
- 9.6.1.3 An as-built survey of the CONRAC Site and the Joint Use Facility. The as-built survey must establish the location and dimensions of all improvements constructed or installed and any dedications, easements and other encumbrances on the CONRAC Site and must provide bearings and distances to an established survey point in a form consistent with generally accepted professional standards and any special survey instructions issued by City or required by the FAA and meets the requirements of the Airport CAD standards.
- 9.6.1.4 Affidavit of completion of construction and Lien waiver in recordable form executed by the Design-Builder which shall include certification of payment of all amounts due in connection with the construction of the Joint Use Facility and compliance with the M/WBE Compliance Plan under <u>ARTICLE 25</u>.
- 9.6.1.5 For any equipment installed, Master Lessee shall deliver to City two (2) hard copy and one PDF format copy of the complete operations and maintenance manuals and warranties therefor.
- 9.6.2 Master Lessee shall within thirty (30) days after Final Completion submit to City a summary statement of the costs of the design, permitting and construction of the Joint Use Facility as follows:
- 9.6.2.1 a statement of the costs of the design, permitting and construction of the Joint Use Facility signed by the Developer and Design-Builder; and
- 9.6.2.2 a notarized affidavit signed by Master Lessee attesting to the costs of the design, permitting and construction.
- 9.7 <u>Surveys.</u> If the as-built survey required pursuant to <u>Section 9.6.1.3</u> is not approved by City, Master Lessee shall provide to City for further approval revised as-built survey plat(s) and metes and bounds description(s) incorporating any changes directed by City within ten (10) Business Days of Master Lessee's receipt of notice(s) from City of any required revisions. On City's final approval of the as-built survey plat and metes and bounds description of the CONRAC Site, provided under <u>Section 9.6.1.3</u>, City and Master Lessee shall enter into an amendment to the Master Lease thereby incorporating the same as the descriptions of the CONRAC Site and Leased Premises effective as of Substantial Completion and continuing through the Lease Term.

- 9.7.1 A Professional Land Surveyor registered in the State of Texas using the then current professional survey standards as established by the Texas Society of Professional Surveyors must conduct all surveying required under this Master Lease. All surveys must be prepared at no cost to City. Master Lessee shall obtain and comply with all reasonable survey instructions from City.
- 9.8 <u>Failure to Complete Construction</u>. If Master Lessee fails to Substantially Complete the construction of the Joint Use Facility by the Deadline for Substantial Completion, or to submit documentation that the construction has been completed as required by this Master Lease, City may, in addition to the exercise of its remedies as provided in <u>Section 9.4.12 and Section 21.2</u> or remedies otherwise available to City at law or in equity, draw upon the Security or other security posted by Master Lessee, and/or:
- 9.8.1.1 after notice and opportunity to cure as set forth in <u>Section 21.1(b)</u>, execute the forfeiture of the payment and performance bonds; and/or
- 9.8.1.2 after notice and opportunity to cure as set forth in <u>Section</u> 21.1(c), pursue specific performance of Master Lessee's obligations under to this Master Lease; and/or
- 9.8.1.3 after notice and opportunity to cure as set forth in <u>Section</u> <u>21.1(c)</u>, terminate this Master Lease.
- 9.8.2 Master Lessee agrees that, once Bonds are sold to finance the construction of the Joint Use Facility, Master Lessee must Substantially Complete construction of the Joint Use Facility according to the scope of the Project as of the date of the sale of the Bonds, subject to any changes thereafter by City-approved change orders, and regardless of any increase in cost in excess of the fixed price for the scope of the Project as of the date of the sale of the Bonds.
- 9.8.3 In the event Master Lessee fails to Substantially Complete the Joint Use Facility for any reason, other than as a result of a material breach of this Master Lease by City, Master Lessee shall, upon demand and at no additional cost or charge to City, deliver to City all Deliverables that were paid for or for which the Developer, Design-Builder or Master Lessee were reimbursed from Bond proceeds or otherwise from proceeds of the Customer Facility Charges. Without diminishing any contractual obligations of the Design-Builder under any other document, such Deliverables shall be accompanied by such licenses and warranties as Master Lessee, the Developer or the Design-Builder possess for the use of the Deliverables. Any privileged materials need not be provided to City as Deliverables. The delivery to City of Deliverables under this <u>Subsection</u> will not satisfy, cure or release a default, if any, of Master Lessee, the Developer or the Design-Builder under this Master Lease or any other document in which City has an interest, relating to the failure.

ARTICLE 10 IMPROVEMENTS AND EQUIPMENT

- Ownership of Improvements and Equipment. Title to the Joint Use Facility, CONRAC Capital Improvements and all other improvements and equipment constructed, placed or installed on the CONRAC Site including, without limitation, the Fuel Facilities (except for aboveground and underground fuel storage tanks) and the QTA Equipment pursuant to ARTICLE 8 of this Master Lease, other than the RAC Property, shall vest in and be the exclusive property of City as the same are being constructed, placed or installed and after completion of construction, placement or installation at all times during the Lease Term and after the expiration or termination of the Lease Term, free and clear of any Liens or encumbrances whatsoever. The foregoing notwithstanding, title to any aboveground and underground fuel storage tanks constituting a part of the Fuel Facilities shall remain with Master Lessee and shall in no event constitute a part of the Vested Improvements. Further, unless expressly rejected by City, title to any additional CONRAC Capital Improvements or other improvements or equipment constructed, placed or installed on the CONRAC Site or as a part of the Joint Use Facility after Final Completion, other than the RAC Property and any aboveground and underground fuel storage tanks, shall upon acceptance by City vest in and be the exclusive property of City as the same are being constructed, placed or installed and after completion of construction, placement and installation at all times during the Lease Term and after the expiration or termination of the Lease Term, free and clear of any Liens or encumbrances whatsoever. The Joint Use Facility, CONRAC Capital Improvements, Fuel Facilities (except for aboveground and underground fuel storage tanks) and QTA Equipment and the other improvements and equipment constructed, placed or installed on the CONRAC Site as described in this Section are hereinafter sometimes referred to as the "Vested Improvements" (as further defined in Attachment 1). Master Lessee hereby warrants and agrees to forever defend original title to the Vested Improvements to City and its successor and assigns throughout and after the expiration or termination of the Lease Term, free and clear of all Liens and encumbrances. On request of City at any time during or after the expiration or termination of the Lease Term, Master Lessee shall execute and deliver to City all documents City may require to perfect its title to the Vested Improvements.
- 10.2 <u>Interests in Improvements</u>. After Substantial Completion: (a) the CONRAC shall constitute the Leased Premises and be subject to Master Lessee's leasehold interest for the remaining Lease Term and the leasehold interests of the RACs pursuant the Sublease Agreements for the terms of said Sublease Agreements; and (b) the Commercial Parking Facility, the IDF Rooms and Parking Management Office shall be reserved to City for its exclusive use as provided for in <u>Section 3.3</u>.
- 10.3 <u>Warranty of Fitness and Suitability</u>. Master Lessee warrants to City that the Vested Improvements as of the completion of construction and installation of each of said improvements or equipment will be: safe, habitable, clean, of sound condition structurally and otherwise, free from patent and latent defects, in compliance with all Legal Requirements, City Codes and Standards, City Building Permit Requirements, the Development Agreement and the Construction Contract, and suitability for every purpose and use and in every respect contemplated by this Master Lease as of the Effective Date. Master Lessee expressly waives any

knowledge or notice City may or should reasonably have with respect to any defect in the Vested Improvements. City shall not be deemed to have accepted any such defect notwithstanding any inspection, knowledge or actual or constructive notice, which shall in no way prejudice or impair City's rights under Master Lessee's warranties in this Section or otherwise under this Master Lease or as a third party beneficiary of the Development Agreement or the Construction Contract. Master Lessee's warranties as to the condition of the Vested Improvements as set forth in this Section are in addition to and shall not be construed to extend, enlarge, diminish or replace the warranties provided under the Development Agreement or the Construction Contract. Master Lessee covenants that it will enforce such warranties against the Developer or Design-Builder, as applicable, and acknowledges City's right to enforce the warranties as a third party beneficiary of the Development Agreement and the Construction Contract in accordance with their respective terms and to proceed directly against the parties to such agreements, subject first to reasonable good faith efforts to coordinate enforcement through any non-breaching primary party. Any improvements or equipment not approved and accepted by City, shall be promptly removed by Master Lessee and replaced with improvements or equipment, as applicable, in compliance with Legal Requirements, City Codes and Standards, City Building Permit Requirements, the Development Agreement and the Construction Contract.

- Assignment of Agreements and Warranties. Without modifying, reducing or 10.4 negating any obligation of Master Lessee under this Master Lessee, Master Lessee hereby assigns to City a concurrent, non-exclusive right to enforce the terms of the Development Agreement, the Construction Contract and any other construction contract and/or warranty right of Master Lessee relating to the Vested Improvements (provided, such assignment shall not be applicable to any contract and/or warranty which would, as a result of such assignment, constitute a violation of, or void, the warranty provisions of any such contract or warranty). City, following City's written notice to Master Lessee, shall have the right, but not the obligation, to act on Master Lessee's behalf pursuant to the Development Agreement, the Construction Contract or any construction contract and/or warranty relating to the Vested Improvements subject first to reasonable good faith efforts to coordinate enforcement through any non-breaching primary party. To the extent City exercises a right under this Section, Master Lessee hereby assigns to City any applicable right of Master Lessee to payment or reimbursement from Bond proceeds under the Indenture. Similarly, if Master Lessee fails to enforce the use and repair and maintenance provisions of its Sublease Agreements then, in accordance with Section 12.5.4 and 23.5 of this Master Lease, City shall have the right, but not the obligation, to do so in Master Lessee's name. In accordance with Section 23.5, Master Lessee shall pay to City any cost City incurs to take an action under this Section, which action shall not cure any default of Master Lessee unless City expressly states the same in writing to Master Lessee.
- 10.5 <u>Alterations</u>. After Final Completion pursuant to <u>ARTICLE 9</u>, Master Lessee shall not make any changes, alterations, additions, substitutions or improvements (collectively, the "**Alterations**") to or upon the Leased Premises or to other improvements located on the CONRAC Site without first obtaining City's prior written approval of each such Alteration and then only in compliance with any and all conditions of such approval. Master Lessee shall otherwise comply with the then-current design and construction procedures of the City hereto in connection with Master Lessee's design and construction of any such Alteration. Any Alteration shall be performed (a) in a good and workmanlike manner; (b) in compliance with all Legal

Requirements and City Codes and Standards; and (c) in a manner that will not unreasonably interfere with or disturb City or its tenants.

- 10.6 <u>City Review Does Not Relieve Master Lessee</u>. Master Lessee agrees that nothing in City's review or approval of Master Lessee's plans shall create responsibility or liability on the part of City for their completeness, design sufficiency or compliance with all Legal Requirements or City Codes and Standards, all of which shall be Master Lessee's sole responsibility, nor shall such review or approval constitute a waiver by City of the right to thereafter require Master Lessee to correct any failure by Master Lessee to comply with any Legal Requirements or City Codes and Standards.
- 10.7 <u>As Built Documents</u>. Master Lessee shall deliver to City, not later than thirty (30) days after the completion of any Alterations, full and complete "as built" drawings of such Alterations (hard copies and electronic format specified by City) in full conformance with City's requirements. The "as built" drawings required under this <u>Section</u> shall include details of all construction disciplines, including electrical (including switch gear and source of permanent power), plumbing, mechanical, architectural and information technology structures, lines and facilities. For any equipment installed in conjunction with Alterations, Master Lessee shall deliver to City three (3) copies of the complete operations and maintenance manuals therefor.
- 10.8 <u>Trade Fixtures</u>. Except for the RAC Property or as otherwise specifically authorized in Sublease Agreements approved by City, Master Lessee shall ensure that all Alterations to the Vested Improvements shall remain with the Vested Improvements, and shall, at the option of City, be considered a part of the Vested Improvements with title vested in City at no cost to City. Master Lessee shall ensure that all Sublease Agreements and other agreements entered into after the date hereof that contemplate or allow Alterations to the Vested Improvements incorporate terms that effectuate this <u>Section</u> and ensure that the removal of Alterations, if approved by City, is effected without impairing the structural integrity or usability of the Vested Improvements. A violation of this <u>Section</u> by a RAC constitutes a violation of this Master Lease.
- 10.9 <u>Construction</u>. Master Lessee shall ensure that any and all construction, Alterations, repair work, and other work relating to the Vested Improvements or otherwise on the Leased Premises, is carried out in accordance with the Legal Requirements and City Codes and Standards applicable to such work.
- 10.10 Personal Property. Master Lessee agrees that all personal property brought into the Leased Premises by Master Lessee, or its agents, contractors, employees, invitees, assignees, subtenants or licensees, shall be at the sole risk of Master Lessee. City shall not be liable for theft thereof or for money deposited therein or for any damage thereto, such theft or damage being the sole responsibility of Master Lessee, and MASTER LESSEE HEREBY AGREES TO INDEMNIFY, DEFEND AND HOLD CITY, AND ITS ELECTED AND NON-ELECTED OFFICIALS, OFFICERS, EMPLOYEES, AGENTS, SERVANTS, REPRESENTATIVES, CONTRACTORS, SUBCONTRACTORS, AFFILIATES, SUBSIDIARIES, SUCCESSORS AND ASSIGNS, HARMLESS FROM ANY AND ALL CLAIMS ARISING OR RESULTING DIRECTLY OR INDIRECTLY FROM ANY SUCH THEFT OR DAMAGE EXCEPT TO THE

EXTENT THAT ANY SUCH THEFT OR DAMAGE IS CAUSED BY THE GROSS NEGLIGENCE OR WILLFUL MISCONDUCT OF SUCH OFFICIAL, EMPLOYEE OR OFFICER.

10.11 <u>Improvements to Existing City Parking Garage</u>. Notwithstanding any other provision herein, Master Lessee shall have no responsibility for the integrity of the existing parking garage owned by the City located to the South of the Joint Use Facility on which Master Lessee will construct walkway improvements.

ARTICLE 11 OPERATIONS AND MANAGEMENT

- 11.1 <u>Facility Manager</u>. At all times during the Lease Term, Master Lessee shall retain a qualified and experienced Facility Manager through a Facility Management Agreement in a form approved by the City in writing, to manage the daily operations of the Leased Premises and shall cause the Facility Manager: (a) to manage the daily operations of the Leased Premises in accordance with City Codes and Standards, the Legal Requirements, this Master Lease and the Facility Management Agreement; (b) to employ and retain a sufficient number of qualified personnel to fulfill its obligations under the Facility Management Agreement; (c) to operate, repair and maintain the Leased Premises including the Fuel Facilities and QTA Facility; and (d) to be the point of contact for City for all matters concerning the Leased Premises, assure that a qualified person is available twenty-four (24) hours a day for such purposes and provide to City written notice on the first (1st) day of each month the names and contact information of such persons. References in this Master Lease to the management and operations of the Leased Premises shall mean and include the management and operations of the Fuel Facilities and QTA Facility. References in this Master Lease to obligations and duties of Master Lessee with respect to management and operational matters concerning the Leased Premises shall mean and refer to Master Lessee's primary obligations as the lessee under this Master Lease and/or its obligation to cause the Facility Manager, through the Facility Management Agreement, to perform such management and operational duties. Master Lessee shall ensure that City is a third-party beneficiary of the Facility Management Agreement and has, among other rights thereunder, the right to approve the annual Budget and to enforce all rights and remedies of Master Lessee thereunder. Additionally, the Facility Management Agreement shall state that it may not be modified, amended, terminated or replaced without the prior written consent of City.
- 11.2 <u>Master Lessee Parties</u>. If required, Master Lessee shall coordinate Master Lessee Parties' operations and activities on the Leased Premises with City to ensure that Master Lessee Parties abide by City Codes and Standards and City's decisions and operational orders regarding operations, activities, safety and security matters and general use of the Leased Premises and the Airport. Master Lessee shall be fully responsible to City for the operations and activities of the Master Lessee Parties on the Leased Premises. Master Lessee shall ensure all Master Lessee Parties comply with the City Codes and Standards, Legal Requirements and operational orders that City issues under any Legal Requirements and any restrictions that City has posted or indicated by sign, signal or other control device, unless otherwise directed by an Airport police officer or other authorized City personnel directing aircraft, vehicle or pedestrian traffic.

- Airport Security. To the extent that activity on the Leased Premises is subject to provisions of the Airport Security Plan and/or Federal security regulations and the City provides written notice of such provisions to Master Lessee, Master Lessee shall ensure that all Master Lessee Parties comply with the Airport Security Plan and all other airport security regulations as adopted or required by the TSA or other Governmental Authorities from time to time. If a breach of the Airport Security Plan or such other airport security regulations occurs as a result of the acts or omissions of a Master Lessee Party in any manner or form at any time during the Lease Term, Master Lessee immediately shall remedy such breach or assist City, the TSA or other Governmental Authorities in remedying such breach, regardless of the circumstances. City reserves the right to take whatever action that City determines to be necessary to remedy any such breach in the event Master Lessee fails immediately to do so. Master Lessee shall be responsible for the integrity of the controlled access security system of the Airport with respect to the Leased Premises for the Lease Term. Master Lessee also shall take such steps as may be necessary or directed by City to ensure that Master Lessee Parties observe the requirements of this Section. MASTER LESSEE SHALL BE SOLELY AND FULLY RESPONSIBLE FOR, AND SHALL INDEMNIFY AND HOLD CITY, AND ITS ELECTED AND NON-ELECTED OFFICIALS, OFFICERS, EMPLOYEES, AGENTS AND REPRESENTATIVES HARMLESS FROM AND AGAINST ANY FINES OR PENALTIES IMPOSED ON CITY AS A RESULT OF, ANY BREACH OF AIRPORT SECURITY BY MASTER LESSEE OR ANY MASTER LESSEE PARTY.
- 11.3.1 Persons employed on certain locations at the Airport are subject to criminal history background checks, and failure to pass the background checks will disqualify a person from employment at the Airport. Master Lessee shall cooperate, and cause its existing and prospective employees and contractors to cooperate, with City in conducting such background checks, as may be or may become applicable in accordance with Applicable Law.
- 11.3.2 Master Lessee shall be responsible for obtaining security badges for entry to the sterile, secured or restricted areas of the Airport, if necessary, for all Master Lessee Parties required to perform Master Lessee's obligations in those areas under this Master Lease. Master Lessee shall be responsible for collecting all security badges issued to Master Lessee or Master Lessee Parties who cease to be employed and returning to City's Department of Aviation in accordance with Applicable Laws and City Codes and Standards. Master Lessee shall pay City the sum of Five Hundred Dollars (\$500) for each security badge issued to a Master Lessee Party that is lost, or otherwise not returned as required by applicable TSA Regulations.
- 11.3.3 Any fine that results from a violation of City's Airport Security Plan, or any applicable Legal Requirement caused by any Master Lessee Party, whether on or off the Leased Premises, will, as between City and Master Lessee, be the sole responsibility of Master Lessee. City may, with notice to Master Lessee, but without diminishing Master Lessee's responsibility, pay fines to the FAA or the TSA on Master Lessee's behalf to meet FAA or TSA deadlines. Within thirty (30) days after receipt of written notice from City, Master Lessee shall reimburse City for any such fines paid by City.
- 11.3.4 Master Lessee is responsible to ensure that all Master Lessee Parties comply at all times with the Airport Security Plan, as applicable. If the Leased Premises become

included within or adjacent to a Restricted Area(s), Master Lessee shall ensure that only authorized persons enter or remain in the Restricted Area(s). If required by City, TSA or any applicable Legal Requirements, Master Lessee shall erect a security fence in accordance with City Codes and Standards around all or portions of the Leased Premises necessary to provide a security separation between the Leased Premises and any Restricted Area. If the construction of a security fence is required, it must be: (a) tied into City's Airport security fence so as to create a continuous barrier to access; (b) constructed at the sole expense of Master Lessee; and (c) maintained by Master Lessee in an attractive condition.

- 11.3.5 Access to any Restricted Area by any of Master Lessee Parties shall be subject to the terms of the Airport Security Plan. Master Lessee assumes responsibility for any individual not entitled to unescorted access to a Restricted Area, but given access by any of Master Lessee Parties.
- Premises to comply with the Airport Security Plan, Master Lessee shall be responsible to provide the card reader(s), locking device, door/gate controller and communications link to the access control computer, with the cost to be paid by request to City in accordance with Section 12.7 from the Repair and Replacement Fund, and, if such costs are not eligible for reimbursement or if sufficient funds are not available in the Repair and Replacement Fund, then Master Lessee may request that the City approve discretionary disbursement from the CFC Surplus Fund, but shall otherwise be responsible for such costs. City shall have no obligation to act on any request of the Master Lessee for discretionary requisitions by City of moneys from the Trustee. City will be responsible for the installation of the card readers and integration into the Airport's security system. Master Lessee shall be responsible for access control during periods the card reader(s) are inoperative and shall notify City accordingly.
- 11.3.7 If City requires, or Master Lessee otherwise elects to install, surveillance cameras in the Leased Premises, Master Lessee shall install such cameras at its sole expense, coordinating such installation with City and providing connection to the Airport's security system, if required by City.
- 11.4 <u>Airport Operations</u>. Master Lessee shall ensure that all Master Lessee Parties perform all construction, repairs, maintenance, remediation and operations and activities authorized under this Master Lease in a manner that ensures the safety of people and the Airport, the protection of public health and the environment, and the safety and integrity of the Airport. Master Lessee shall employ qualified personnel and maintain equipment sufficient for the purposes of this provision. Master Lessee shall immediately notify City of any condition, problem, malfunction or other occurrence that threatens the safety of people or the Airport, harm to public health or the environment, or the safety or integrity of the Leased Premises.
- 11.5 <u>Radio Interference</u>. Master Lessee shall cause Master Lessee Parties to discontinue the use of any machine or device that interferes with any government-operated transmitters, receivers or navigation aids until the cause of the interference is eliminated if directed to do so by City.

- 11.6 <u>Birds and Wildlife</u>. Master Lessee acknowledges that a concentration of birds and other wildlife in the immediate vicinity of an Airport may constitute a significant hazard to aircraft operations. Master Lessee shall keep the Leased Premises clean of waste or any other material that might attract birds and animals. Master Lessee accepts full responsibility to maintain the Leased Premises, control operations and activities and take all safe, humane, and prudent measures to prevent birds from gathering on the Leased Premises and prevent other animals from gaining access to the Leased Premises.
- 11.7 <u>Equipment</u>. Master Lessee shall provide vehicles, equipment, storage space and parking space on the Leased Premises necessary for the operations and activities of Master Lessee Parties on the Leased Premises and to fulfill Master Lessee's obligations under this Master Lease. Such vehicles, equipment, storage space and parking space shall be maintained and managed by Master Lessee at no cost to City and in accordance with all Applicable Laws and must be limited to the Leased Premises and to other areas of the Airport designated in writing by City.
- 11.8 <u>Water, Ice and Snow Removal</u>. Master Lessee, at no cost to City, shall be responsible for any necessary clearing of water, drainage, ice or snow from the Leased Premises and for providing for the disposal of the same in accordance with all Applicable Laws.
- 11.9 <u>Heavy Vehicles</u>. If Master Lessee or any of the Master Lessee Parties use heavy trucks or equipment in excess of 7,500 pounds on or transiting to or from the Leased Premises during construction or operation of the facilities on the Leased Premises, Master Lessee shall ensure that the trucks or equipment use only those Airport access routes designated by City and that all trucks and equipment used comply with all applicable weight, width, and length restrictions established by the City Codes and Standards, Applicable Law or otherwise by operational orders issued by City.
- 11.10 <u>Road Obstructions</u>. If, during Master Lessee's development of the Leased Premises or during the operations or activities of Master Lessee or of the Master Lessee Parties relating to the Leased Premises, it becomes necessary to obstruct any road or other area provided for vehicular traffic, Master Lessee shall, at least seventy-two (72) hours before the placement of an obstruction, obtain the written approval of City and ensure compliance with all related decisions and directions of City by the Master Lessee and the Master Lessee Parties.
- 11.11 <u>Smoking Regulations</u>. City maintains a no smoking policy for the Terminal and the CONRAC. Master Lessee shall not permit smoking in the CONRAC.
- 11.12 <u>Key System</u>. Master Lessee, at no cost to the City, shall be responsible for installing and maintaining the lock and key system for the CONRAC including the installation of KNOX boxes.
- 11.13 <u>Fuel Facilities</u>. Master Lessee shall ensure that the delivery of fuel to the Fuel Facilities at such times and in such manner as City shall direct and in any event at Master Lessee's sole risk and responsibility.

ARTICLE 12 MAJOR MAINTENANCE

- Major Maintenance. At all times during the Lease Term, Master Lessee shall cause the Facility Manager to manage and to cause the performance of all Major Maintenance of the Joint Use Facility (except as hereinafter provided), including the maintenance of the Fuel Facilities and QTA Equipment, at no cost to City, except as provided in Section 12.7. Master Lessee shall ensure that the Facility Management Agreement includes a provision providing that City, among other rights, has the right to approve the annual Budget with respect to Major Maintenance consistent with <u>Section 13.5</u> regarding procedure for approval of the Budget as well as the right to enforce Master Lessee's rights and remedies under the Facility Management Major Maintenance shall include, without limitation, those items described in Exhibit F attached to and made a part of this Master Lease. For avoidance of doubt, except as hereinafter provided, Master Lessee shall be responsible for the Major Maintenance: (a) of all aspects of the CONRAC including all IDF Rooms, ramps, access roads, walkways, flyovers, elevators, escalators, stairs, foundation, roof and walls during the entire Lease Term; (b) of all aspects of the Parking Management Office and the Commercial Parking Facility including the elevators and stairwells dedicated to the Commercial Parking Facility for a one (1) year period of warranty by the Design-Builder after Substantial Completion of the Project (the "Warranty Period"); and (c) of all structural aspects (e.g., foundation, roof, walls, load bearing walls, and all other components of the Joint Use Facility that support or are integrated in the core structure and support of the CONRAC) of the Joint Use Facility, including within the Commercial Parking Facility and the Parking Management Office, after the expiration of the Warranty Period for the remainder of the Lease Term. After the expiration of the Warranty Period, City shall be responsible for all non-structural Major Maintenance of the Commercial Parking Facility and the Parking Management Office and of elevators and stairwells dedicated to the Commercial Parking Facility.
- Standards. At no cost to City, except as provided in Section 12.7, Master Lessee shall cause the Facility Manager to perform all Major Maintenance required hereunder for the Leased Premises throughout the Lease Term: (a) in compliance with all Legal Requirements, City Codes and Standards and the requirements of this Master Lease; (b) using quality materials at least equal to the original, and if materially changed from the original, shall be subject to the prior approval of City; (c) using only qualified personnel; and (d) in a good and workmanlike manner adhering to the highest standards of quality. Without limiting the generality of the foregoing, Master Lessee or the Facility Manager through the Facility Management Agreement, as applicable, shall throughout the Lease Term: (i) keep and maintain the Leased Premises, the QTA Equipment, the Fuel Facilities, and all of Master Lessee's equipment and installations therein and the appurtenances thereto including Vested Improvements, lighting, fire suppression, electrical, phone, and data systems, in good condition, working order and repair; (ii) keep and maintain the Leased Premises, the QTA Equipment, the Fuel Facilities and all of Master Lessee's equipment and installations therein and the appurtenances thereto in a neat, clean, safe and sanitary condition, free from infestation of pests and conditions which might result in infestation of pests, provide complete and adequate arrangements for the sanitary handling of all recyclable materials, trash, garbage and other refuse generated in connection with the use of the Leased Premises; (iii) not commit or suffer or allow others to commit or suffer any waste on the Leased

Premises, QTA Equipment or the Fuel Facilities; (iv) require the RACs to repair and maintain all RAC Property in accordance with the terms of the Sublease Agreements; (v) perform any repair and maintenance of any RAC improvements or property that is required of the Master Lessee under the applicable Sublease Agreement; (vi) perform any repairs and maintenance of the Leased Premises, the QTA Equipment or the Fuel Facilities in a manner that will not unreasonably interfere with the operations of the Commercial Parking Facility; and (vii) after consultation with City and approved through a City Building Permit or by City Codes and Standards, make or cause to be made all Major Maintenance and Routine Maintenance to the Leased Premises, the Commercial Parking Facility, the QTA Equipment and Fuel Facilities to the extent provided in Sections 12.1 and 13.1. Master Lessee shall cause the Facility Manager to fulfill the requirements of this Section so as to ensure that on the Termination Date, the Vested Improvements will have remaining a reasonably expected functional life of not less than five (5) years or more.

- 12.3 <u>No Abatement From Repairs</u>. There shall be no abatement or reduction of any Rent or other obligation of Master Lessee under this Master Lesse by reason of making of repairs, alterations and/or improvements to the Leased Premises by Master Lessee or the Facility Manager.
- 12.4 <u>Quarterly Condition Surveys</u>. City and Master Lessee, together with the Facility Manager, shall conduct an inspection of the Leased Premises quarterly to observe and note the condition of, cleanliness of and existing damage to the Leased Premises and to determine repairs and maintenance required to be performed. In the event of any dispute regarding the repairs and maintenance required to be performed, City's decision shall be final.
- 12.5 <u>City's Obligations and Master Lessee Waiver</u>. City, at its own expense, shall manage operate and maintain the Commercial Parking Facility and the Parking Management Office, including all janitorial responsibilities for the same from and after Substantial Completion, together with all non-structural Major Maintenance and Routine Maintenance for the same after the Warranty Period (but excluding Punch-List Items, Major Maintenance and non-janitorial Routine Maintenance during the Warranty Period), and shall perform all such operations without unreasonably interfering with Master Lessee's operation of the CONRAC. Except for the obligations of City expressly stated in this Master Lease, Master Lessee expressly waives any right Master Lessee might otherwise enjoy under any law or statute to make repairs to the Joint Use Facility at the expense of City or to hold City responsible for any condition of the Leased Premises or the Joint Use Facility. Without limiting the generality of the foregoing, responsibility for Major Maintenance is allocated as described and provided in Section 12.1.
- 12.5.1 City shall: (a) have no duty to repair or maintain the Joint Use Facility or any improvements placed at or constituting any portion of the Joint Use Facility except as provided in Sections 12.1 and 12.5; (b) not be liable for any damage or injury, fatal or nonfatal, resulting from any damage, defect or disrepair of any improvements placed at or constituting any portion of the CONRAC; (c) have no duty to make any replacement of any such improvements; and (d) have no duty to repair or maintain any equipment or property of Master Lessee or RACs located within the Joint Use Facility;

- 12.5.2 All improvements currently existing or installed on the Joint Use Facility and constituting any part of the Joint Use Facility (including building, parking lot, driveway, drive-through, walkway, flyover, or sidewalk improvements, if any, as well as any other improvements constructed by or on behalf of Master Lessee), including the Parking Management Office and the Commercial Parking Facility and the elevators and stairwells dedicated thereto during the Warranty Period, will be repaired and all maintenance thereon will be performed and replacements and renewals thereof will be made solely by Master Lessee in accordance with the requirement of Section 12.2 of this ARTICLE;
- 12.5.3 All equipment or property of Master Lessee located with the Leased Premises will be repaired and maintained solely by Master Lessee; and
- 12.5.4 City shall have a right to enter the Leased Premises at all reasonable times including during business hours of Master Lessee and the RACS for the purpose of ascertaining the condition of the Leased Premises or whether Master Lessee is observing and performing the obligations assumed by it under this Master Lease, all without hindrance or molestation from Master Lessee or RACs. City shall also have the right to enter upon the Leased Premises for the purpose of making any necessary repairs and performing any work that may be necessary by reason of Master Lessee's or the Facility Manager's failure to make any such repairs or perform any such work, with the cost to be paid from the Repair and Replacement Fund, but if sufficient funds are not available in the Repair and Replacement Fund or if the costs are not eligible for reimbursement therefrom, the City may pay such costs from the CFC Surplus Fund, to the extent such costs are eligible for reimbursement therefrom, but the Master Lessee shall otherwise be responsible for such costs. The foregoing rights of entry shall be exercisable upon request made on reasonable advance notice to Master Lessee (except that no notice shall be required in the event of any real or threatened emergency) or to the Facility Manager, which notice may be given verbally.
- 12.6 <u>Maintenance of Walkways</u>. Subject to <u>Section 10.11</u>, Master Lessee shall maintain any sidewalk(s) or walkways leading to the Terminal from the CONRAC and maintain access to and from the CONRAC.
- 12.7 Repair and Replacement Fund. A Repair and Replacement Fund will be established pursuant to the Indenture and funded by an initial deposit of three million dollars (\$3,000,000) in accordance with the Indenture, with additional deposits thereto made in accordance with Section 4.2.6.2.5 of the Concession Agreement, to the extent of available moneys in the CFC Surplus Fund. Disbursements will be made from the Repair and Replacement Fund in accordance with the terms of the Indenture and this Master Lease to reimburse Master Lessee for, or to pay for, the costs of Major Maintenance under the Budget approved by City for each Lease Agreement Year and for other purposes described in the Indenture. After the Warranty Period, upon written request by Master Lessee to City for reimbursement or payment of the costs for Major Maintenance under the Budget approved by City for each Lease Agreement Year, accompanied by documentation supporting the request and any additional documents required by City, if eligible City will submit a requisition to the Trustee in accordance with the Indenture for disbursements from the Repair and Replacement Fund. In addition to City's rights to requisition moneys from the Repair and Replacement Fund

on request of Master Lessee, moneys on deposit in the Repair and Replacement Fund may be utilized by City and the Trustee in accordance with and subject to the terms of the Indenture.

ARTICLE 13 ROUTINE MAINTENANCE, UTILITIES AND OTHER OPERATING COSTS

- 13.1 Routine Maintenance. At all times during the Lease Term, Master Lessee shall cause the Facility Manager to manage and to cause the performance of all Routine Maintenance of the Joint Use Facility (except as hereinafter provided), including the maintenance of the Fuel Facilities and QTA Equipment, at no cost to City. Master Lessee shall ensure that the Facility Management Agreement includes a provision providing that City, among other rights, has the right to approve the annual Budget with respect to Routine Maintenance consistent with Section 13.5 regarding procedure for approval of the Budget as well as the right to enforce Master Lessee's rights and remedies under the Facility Management Agreement. Routine Maintenance shall include, without limitation, those items described in Exhibit E attached to and made a part of this Master Lease. For avoidance of doubt, Master Lessee shall be responsible for the Routine Maintenance of all aspects of the Joint Use Facility excluding only (a) janitorial services in the Commercial Parking Facility, the elevators and stairwells dedicated to the Commercial Parking Facility, and the Parking Management Office and (b) all other non-structural Routine Maintenance for the same after the Warranty Period. At no cost to City, Master Lessee shall cause the Facility Manager to perform all Routine Maintenance required hereunder for the Leased Premises throughout the Lease Term and to the extent that Master Lessee is responsible for Routine Maintenance in the Commercial Parking Facility during the Warranty Period in compliance with all of the standards set forth in Section 12.2.
- 13.2 <u>Utilities.</u> Master Lessee shall (through the Facility Manager), at no cost to the City, arrange for all utilities necessary to service the Leased Premises and promptly pay when due all the Utilities Costs incurred with respect to the Leased Premises.
- 13.3 <u>Energy Conservation; Recycling</u>. City shall have the right to implement such policies, programs and measures as may be necessary or desirable, in its discretion, for the conservation and/or preservation of energy, energy-related services or other resources, to promote considerations of sustainability, or to comply with any applicable codes, rules and regulations, whether mandatory or voluntary.
- 13.4 <u>City Not Responsible</u>. City shall not be liable in any way to Master Lessee for any failure or defect in the supply or character of electrical energy, water, sewer or other utility service furnished to the Leased Premises by reason of any requirement, act or omission of the public utility providing such service or for any other reason. City shall have the right to shut down electrical or other utility services to the Leased Premises when necessitated by safety, repairs, alterations, connections, upgrades, relocations or reconnections or for any other reason with respect to any such utility system (singularly or collectively, the "Utility Work"), regardless of whether the need for such Utility Work arises with respect to the Leased Premises, the Commercial Parking Facility, the CONRAC Site or any other facility at the Airport. Whenever possible, City shall give Master Lessee not less than two (2) days prior notice of any such utility shutdown. City shall not be liable to Master Lessee for any losses, including loss of income or business interruption, resulting from any

interruptions or failure in the supply of any utility to the Leased Premises, except when such losses result from City's gross negligence.

- Budget for O&M Costs. Prior to Substantial Completion and prior to September 1st of each Lease Agreement Year thereafter, and at any other time City deems necessary, the Facility Manager shall submit to Master Lessee and City the Budget for the estimated O&M Costs for the following or current Lease Agreement Year (or for the first Lease Agreement Year, at any point from Substantial Completion to the end of the first Lease Agreement Year) and projected O&M Costs including Major Maintenance for the next five (5) Lease Agreement Years. City shall have the right to approve each annual Budget and shall notify Master Lessee and the Facility Manager within thirty (30) days of its receipt of the same from the Facility Manager if the applicable Budget is not approved and include with the notice details of any items of O&M Costs which are disapproved. The Facility Manager shall within ten (10) days of receipt of City's notice of disapproval submit a revised Budget to City and Master Lessee. If the revised Budget also is disapproved by City, the Facility Manager shall promptly submit further revisions to the Budget until the same is acceptable to the City. City and Master Lessee shall have the right to inspect, in the Facility Manager's offices during usual business hours, the Facility Manager's records regarding the O&M Costs referenced in the Budget. Commencing on Substantial Completion and throughout the Lease Term, Master Lessee shall (through the Facility Manager), at its sole cost and expense, except to the extent approved hereunder for payment from the Repair and Replacement Fund, promptly pay when due all O&M Costs necessary for the operation and maintenance of the Leased Premises. Master Lessee may request reimbursement from the Repair and Replacement Fund in accordance with Section 12.7 for O&M Costs for Major Maintenance performed in accordance with the Budget approved by City for each Lease Agreement Year, but if sufficient funds are not available in the Repair and Replacement Fund, then Master Lessee may request that City approve discretionary disbursement from the CFC Surplus Residual Account of the CFC Surplus Fund, to the extent of available funds, but shall otherwise be responsible for such O&M Costs. City shall have no obligation to act on any request of the Master Lessee for discretionary requisitions by City of moneys from the Trustee.
- 13.6 RAC Payment for O&M Costs. Each Sublease Agreement shall provide that no later than the Substantial Occupancy Date and continuing thereafter through the Lease Term, the respective RAC shall pay to the Facility Manager one-twelfth (1/12) of its Pro Rata Share of the O&M Costs in the Budget approved by City (or for the first Lease Agreement Year, an equal monthly amount) monthly in advance on the first day of each and every month during the Lease Term, at such place as the Facility Manager may designate, without any prior demand, and without any abatement, deduction or set-off whatsoever. Within one hundred twenty (120) days after the end of each Lease Agreement Year, the Facility Manager shall provide to City, Master Lessee and each RAC a statement (the "O&M Reconciliation Report") showing the total actual O&M Costs for the prior Lease Agreement Year (or for the first Lease Agreement Year, from the Deadline for Substantial Completion to the end of the first Lease Agreement Year), each RAC's Pro Rata Share thereof for such Lease Agreement Year, the O&M Deposit required for the thencurrent Lease Agreement Year in which such O&M Reconciliation Report is issued, and the then-current balance of the O&M Deposit. In the event that the total of the monthly payments made by each RAC for such Lease Agreement Year (including amounts drawn against the O&M

Deposit) is less than any RAC's actual Pro Rata Share thereof for such Lease Agreement Year, the applicable RAC shall pay the difference within thirty (30) days after receipt of such O&M Reconciliation Report. Any overpayment by a RAC (including any portion of such overpayment paid from the O&M Deposit) shall be credited toward the RAC's Pro Rata Share of the O&M Costs next becoming due or, in the event that the Lease Term has expired (and there is no outstanding default), refunded to the RAC. Notwithstanding the above, any delay or failure of the Facility Manager in computing or billing O&M Costs shall not constitute a waiver of or in any way impair any RAC's obligation to pay the O&M Costs or any other amount hereunder; provided, however, in the event City, Master Lessee or the Facility Manager determines that the Facility Manager has materially under-billed any RAC for any O&M Costs as a result of any error, neglect or unreasonable delay on part of the Facility Manager, the RAC shall establish with the Facility Manager a mutually acceptable schedule for repayment of any unbilled amounts (which schedule shall, in no event, extend beyond the next Lease Agreement Year). In the event of any such delay or failure, the RAC shall continue paying the O&M Costs currently being paid until notified by the Facility Manager of an adjustment.

- O&M Reserve Requirement. Each Sublease Agreement also shall provide that prior to the Substantial Occupancy Date, each RAC shall deposit an O&M Reserve Requirement with the Master Lessee (or Facility Manager if so provided under the Facility Management Agreement) to comprise the O&M Cost component of the Master Lessee's Rent and Operation Reserve and thereafter cause that RAC's O&M Reserve Requirement to be maintained throughout the Lease Term, and the Facility Manager shall be entitled to use the Master Lessee's Rent and Operation Reserve as a charge against each RAC's O&M Reserve Requirement for the payment of that RAC's Pro Rata Share of O&M Costs during an Lease Agreement Year to the extent that RAC's monthly payments of its Pro Rata Share of estimated O&M Costs are at any time not sufficient to cover the amount required during such Lease Agreement Year. Together with the payment of a RAC's Pro Rata Share of O&M Costs that is due on the Substantial Occupancy Date, each RAC shall pay to the Master Lessee or the Facility Manager, as applicable, the O&M Reserve Requirement in the required amount for the first Lease Agreement Year. To the extent that an O&M Reconciliation Report subsequently reflects a deficit in a RAC's O&M Reserve Requirement for the then-current Lease Agreement Year in which such O&M Reconciliation Report is issued, the RAC shall, within thirty (30) days after receipt of the O&M Reconciliation Report, pay to the Master Lessee or Facility Manager, as applicable, the amount of such deficit to cause the RAC's O&M Reserve Requirement to be met in the amount required to be maintained for the then-current Lease Agreement Year.
- CFC Surplus Fund. The City shall cause to be established under the Indenture a CFC Surplus Fund pursuant to the Indenture and Concession Agreement, and deposits thereto and distributions therefrom will be made in accordance with the terms of the Indenture and Concession Agreement. After the close of each Lease Agreement Year, Master Lessee may make a written request to City for reimbursement from the CFC Surplus Fund for: (a) costs of Initial Tenant Improvement Costs totaling not more than six million dollars (\$6,000,000), including an allocation to Master Lessee of one hundred twenty thousand dollars (\$120,000) for Initial Tenant Improvements in the New Entrant Areas; (b) funding the Repair and Replacement Fund in accordance with Section 4.2.6.2.5 of the Concession Agreement; (c) O&M Costs; (d) Base Rent; or (e) replenishment of the RAC O&M and Rent Reserve Fund, all in accordance

with and subject to the terms of the Indenture and the Concession Agreement. On City's receipt of such written request(s) accompanied by documentation supporting the request(s) and any additional documents reasonably required by City, City will submit a requisition to the Trustee in accordance with the Concession Agreement and the Indenture for disbursements from the CFC Surplus Fund. In addition to City's rights to requisition moneys from the CFC Surplus Fund on request of Master Lessee, City may requisition moneys from the Trustee that are on deposit in the CFC Surplus Residual Account of the CFC Surplus Fund and utilize such moneys in accordance with and subject to the terms of the Indenture and Concession Agreement.

ARTICLE 14 SUBLEASE AGREEMENTS AND ALLOCATED SPACE

- Term, Master Lessee shall enter into a Sublease Agreement with each RAC contemporaneously with the execution of a Concession Agreement between the City and the applicable RAC in the form approved by the City in writing. Exhibit G attached hereto and made a part hereof, is the form of Sublease Agreement initially approved by the City and is subject to amendment only by written approval of the City, which approval the City will not unreasonably withhold. Master Lessee may not refuse to enter into a Sublease Agreement with any RAC which is a party to a Concession Agreement in Good Standing with City. Each such Sublease Agreement is subject to prior consent of City which consent will not be unreasonably withheld provided that the proposed form of Sublease Agreement is in the form approved by the City as of the date of its execution and the RAC is not in default under the RAC's Concession Agreement. A request for consent to a Sublease Agreement must be submitted in writing to City for approval. No subleasing other than to a RAC not in default under the RAC's Concession Agreement is permitted.
- 14.1.1 Each Sublease Agreement shall terminate on either: (a) the same date that the corresponding Concession Agreement expires or terminates; (b) the date the Master Lease terminates unless City affirms the same as a direct lease in accordance with Section 21.2.5 or Section 22.3 or (c) the date the Sublease Agreement is terminated pursuant to any other provision of the Sublease Agreement. Master Lessee shall take action to evict any RAC that fails to vacate the Subleased Premises promptly after its Sublease Agreement expires, terminates or is canceled.
- 14.1.2 If a RAC fails to collect or remit its Customer Facility Charges, the City shall take action under the Concession Agreement to enforce the obligation to collect and remit the Customer Facility Charges, and the RAC shall be in default of its Sublease Agreement. If City notifies and documents to Master Lessee in writing that a RAC has failed to collect or remit its Customer Facility Charges, Master Lessee shall likewise take immediate action to enforce the Sublease Agreement, including termination of the RAC's Sublease Agreement if not cured.
- 14.1.3 If a RAC fails to pay its Contingent Fees, the City shall take action under the Concession Agreement to enforce the obligation to collect and remit the Contingent Fees, and the RAC shall be in default of its Sublease Agreement. If City notifies and documents to Master Lessee in writing that a RAC has failed to pay its Contingent Fees, Master Lessee shall

likewise enforce the Sublease Agreement, including termination of the RAC's Sublease Agreement if not cured.

- 14.1.4 Master Lessee may not terminate a RAC's Sublease Agreement while the RAC's Concession Agreement remains in effect without the prior written consent of City.
- 14.1.5 Each RAC shall, at its own expense, perform all operation, maintenance, repair, renewal, and replacement functions with respect to its RAC Property and shall, at its own expense, perform all functions necessary to maintain its Exclusive Use Premises in an orderly and clean condition free of trash and debris.
- 14.1.6 Each RAC must coordinate with Master Lessee and City prior to installing any antenna for wireless communication in the CONRAC.
- 14.1.7 Each Sublease Agreement must include a provision that all rights and duties imposed under the Sublease Agreement are subject to the terms of this Master Lease, that the Sublease Agreement shall be interpreted to be in all ways consistent with this Master Lease, that the Master Lease shall control in the event of a conflict between the terms of the Sublease Agreement and the Master Lease. The RAC shall be required, at its sole expense, promptly to comply in all material respects with all applicable current and future Legal Requirements regulating the use of or otherwise applicable to the Subleased Premises or to the RAC's use of its Allocated Space and the CONRAC Common Areas. City reserves the right and authority to enforce the obligations of Master Lessee under this Master Lease with respect to the payment of Rent and other amounts due under this Master Lease against either Master Lessee or the RACs directly, but each RAC is subject to such enforcement only with respect to the portion of Rent and other Master Lessee obligations for which that RAC is responsible under its Sublease Agreement.
- 14.1.8 A RAC may not occupy any portion of the Leased Premises before City consents to the RAC's Sublease Agreement in writing.
- 14.1.9 A Sublease Agreement may not and does not relieve Master Lessee of responsibility for providing City with evidence of insurance that meets the requirements of this Master Lease, including coverage of the RAC's operations on the Leased Premises.
- 14.1.10 Consent to a Sublease Agreement by City does not relieve or otherwise alter the obligations of Master Lessee under this Master Lease.
- 14.1.11 A RAC may not assign all or a portion of a Sublease Agreement, unless its corresponding rights and obligations under the Concession Agreement are assigned contemporaneously, with notice to Master Lessee and prior written consent of City, which consent shall not unreasonably be withheld with respect to an entity owned by, controlled by or under common ownership or control with Concessionaire, and except as provided under Exhibit I, attached hereto and made a part this Master Lease, with respect to any agreement between one or more Sublessees to adjust space occupancy with Master Lessee's written consent.

- 14.1.12 Master Lessee shall not modify or amend a Sublease Agreement without the consent of City.
- 14.1.13 Master Lessee shall remit to City a complete copy of all Sublease Agreements and any amendments thereto within twenty (20) days of full execution.
- 14.2 <u>Allocated Space</u>. Allocated Space covered by each Sublease Agreement shall include: (a) for the exclusive use of the applicable RAC, the Exclusive Use Premises consisting of designated spaces in the CONRAC Counter Areas, the Ready/Return Areas, the QTA Space, the QTA Equipment, the Fuel Facilities and the Storage Area; and (b) the right to use the Common Use Areas on a non-exclusive basis with other RACs unless otherwise agreed to in the applicable Sublease Agreement. The Allocated Space in the Sublease Agreements shall not include any portion of or right to use the Reserved Areas, the IDF Rooms, the Parking Management Office or any other space in the Joint Use Facility or on the CONRAC Site reserved to City pursuant to the terms of this Master Lease. The locations of the CONRAC Counter Areas, the Ready/Return Areas, the QTA Space, the Fuel Facilities, the Storage Areas, the Common Use Areas, the Reserved Areas, the IDF Rooms and the space to be allocated to New Entrants are shown on Exhibit I.
- 14.2.1 <u>Allocation of Subleased Premises</u>. Master Lessee shall allocate space in the CONRAC for possession by RACs from and after the Substantial Occupancy Date in accordance terms and provisions set forth in Exhibit I.
- 14.2.2 <u>City Approval</u>. City shall have the right of final approval of any proposed allocation or reallocation of space in the CONRAC. No less than thirty (30) days prior to (a) to Substantial Completion, and (b) at any other time Master Lessee proposes to reallocate space in the CONRAC, Master Lessee shall submit to City the proposed allocation or reallocation of space in the CONRAC for final approval by City. City's approval of the proposed allocation or reallocation shall not to be unreasonably withheld. The Master Lessee's proposed allocation or reallocation shall incorporate City's requirements regarding New Entrants.
- Agreements to New Entrants in accordance with the terms of Section 1.1 and Section 5.3 of Exhibit I, to occupy the New Entrant Area, which area, if not allocated for occupancy as of Substantial Completion, Master Lessee shall provide with basic Initial Tenant Improvements using an allocated portion of the amount allowed for reimbursement for Initial Tenant Improvements under Section 13.8. If fewer than two (2) New Entrants are added for the first ten (10) years of the Lease Term, or if any New Entrant has been terminated before the beginning of the second ten (10) years of the Lease Term, such occurrence will not increase the number of New Entrants which the City is entitled to solicit and award Concession Agreement to for the second ten (10) years of the Lease Term. City shall require any New Entrant to meet start-up standards and obligations no lower than previously applied by City to the entry of the RAC that most recently became a Concessionaire at the Airport, with any monetary requirement adjusted for any change in the relevant Consumer Price Index, and to execute a Concession Agreement and Sublease Agreement on the same terms and conditions as those executed by other RACs

except as to actual Subleased Premises. Master Lessee shall designate and allocate a minimum amount of CONRAC Counter Space, QTA Space, Ready/Return Space, and Storage Space for New Entrants in accordance with Exhibit I.

- 14.2.4 <u>Reallocations</u>. Master Lessee shall reallocate space in the CONRAC in accordance with the terms and provisions set forth in <u>Exhibit I</u>.
- 14.2.5 <u>Vacant Space</u>. Throughout the Lease Term, Master Lessee shall allocate and reallocate space in the CONRAC in accordance with the terms and provisions set forth in <u>Exhibit I</u>, and City shall be entitled to solicit and award Concession Agreements for vacant space in accordance with Section 5.3 of Exhibit I.
- 14.2.6 <u>Dispute Resolution</u>. In the event that Master Lessee and the RACs are unable to arrive at a mutually acceptable allocation or reallocation of space in the CONRAC, Master Lessee shall present a final proposal to City for approval. If Master Lessee's final proposal is approved by City, such decision shall be final and binding on Master Lessee and the RACs and not subject to appeal. If Master Lessee's final proposal is not approved by City, Master Lessee shall modify and resubmit the proposal for approval by City.

ARTICLE 15 INDEMNITY AND INSURANCE

15.1 Indemnity.

No Liability of City. Except to the extent any such injury or damage is 15.1.1 caused by the gross negligence or willful misconduct of City, the City shall not be liable for any injury (including death) to any persons or for damage to any property regardless of how such injury or damage is caused, sustained or alleged to have been sustained by Master Lessee or by others, including all persons directly or indirectly employed by Master Lessee, or any agents, contractors, subcontractors, subtenants, licensees or invitees of Master Lessee, as a result of any condition (including existing or future defects in the Leased Premises) or occurrence (including failure or interruption of utility service) whatsoever related in any way to Master Lessee's use or occupancy of the Leased Premises or of areas adjacent thereto. No elected or non-elected official, employee or officer of City shall have any personal liability with respect to (a) any of the provisions of this Master Lease; (b) any injury (including death) to any persons or for damage to any property regardless of how such injury or damage is caused, sustained or alleged to have been sustained by Master Lessee or by others, including all persons directly or indirectly employed by Master Lessee, or any agents, contractors, subcontractors, subtenants, licensees or invitees of Master Lessee, as a result of any condition (including existing or future defects in the Leased Premises) or occurrence (including failure or interruption of utility service) whatsoever related in any way to Master Lessee's use or occupancy of the Leased Premises or of areas adjacent thereto, except to the extent any such injury or damage is caused by the gross negligence or willful misconduct of such elected or non-elected official, employee, or officer of City; or (c) a default by City hereunder or the exercise by City of any of its remedies hereunder upon the occurrence of an Event of Default.

- 15.1.2 Indemnification by Master Lessee. MASTER LESSEE SHALL DEFEND, INDEMNIFY AND HOLD HARMLESS CITY AND ITS ELECTED AND NON-ELECTED OFFICIALS, EMPLOYEES, AGENTS, REPRESENTATIVES, SUCCESSORS AND ASSIGNS (COLLECTIVELY, THE "INDEMNIFIED PARTIES"), FROM AND AGAINST ALL COSTS, EXPENSES (INCLUDING REASONABLE ATTORNEYS' FEES, EXPENSES OF INVESTIGATION AND LITIGATION, AND COURT COSTS), LIABILITIES, DAMAGES, CLAIMS, SUITS, JUDGMENTS, ACTIONS, AND CAUSES OF ACTIONS WHATSOEVER (COLLECTIVELY, "CLAIMS") RESULTING FROM OR CONCERNING THIS MASTER LEASE OR THE CONDUCT OF MASTER LESSEE'S BUSINESS AT THE AIRPORT, TO THE EXTENT ARISING DIRECTLY OR INDIRECTLY, OUT OF (A) ANY BREACH OF THIS MASTER LEASE BY MASTER LESSEE, ITS AGENTS, EMPLOYEES OR CONTRACTORS, (B) ANY FALSE REPRESENTATION OR WARRANTY MADE BY MASTER LESSEE HEREUNDER, (C) ANY NEGLIGENT ACT OR OMISSION OR WILLFUL MISCONDUCT OF MASTER LESSEE, OR ITS AGENTS, EMPLOYEES OR CONTRACTORS, AND (D) TO THE EXTENT COVERED BY INSURANCE REQUIRED TO BE MAINTAINED BY MASTER LESSEE HEREUNDER, ANY ALLEGED, ESTABLISHED, OR ADMITTED ACT OR OMISSION OF THE INDEMNIFIED PARTIES, INCLUDING ALL CLAIMS CAUSED BY THE NEGLIGENCE OR STRICT LIABILITY OF THE INDEMNIFIED PARTIES, BUT, TO THE EXTENT ALLOWED BY TEXAS LAW, EXCLUDING CLAIMS TO THE EXTENT CAUSED BY THE GROSS NEGLIGENCE OR WILLFUL MISCONDUCT OF THE INDEMNIFIED PARTIES AS DETERMINED BY A COURT OF COMPETENT JURISDICTION, PROVIDED THAT THE EXECUTION OF THIS MASTER LEASE WILL NOT BE DEEMED A NEGLIGENT MASTER LESSEE SHALL ASSUME ON BEHALF OF THE INDEMNIFIED PARTIES AND CONDUCT WITH DUE DILIGENCE AND IN GOOD FAITH THE DEFENSE OF ALL CLAIMS AGAINST ANY OF THE INDEMNIFIED PARTIES. MASTER LESSEE MAY CONTEST THE VALIDITY OF ANY CLAIMS, IN THE NAME OF MASTER LESSEE OR THE INDEMNIFIED PARTIES, AS MASTER LESSEE MAY IN GOOD FAITH DEEM APPROPRIATE, PROVIDED THAT THE EXPENSES THEREOF SHALL BE PAID BY MASTER LESSEE. THE PROVISIONS OF THIS SECTION SHALL SURVIVE THE EXPIRATION OR EARLY TERMINATION OF THIS MASTER LEASE.
- 15.2 <u>Release.</u> OTHER THAN TO THE EXTENT CAUSED BY THE GROSS NEGLIGENCE OR WILLFUL MISCONDUCT OF THE INDEMNIFIED PARTIES, MASTER LESSEE HEREBY RELEASES THE INDEMNIFIED PARTIES WITH RESPECT TO ALL CLAIMS REGARDING ANY ALLEGED, ESTABLISHED OR ADMITTED NEGLIGENT OR WRONGFUL ACT OR OMISSION OF THE INDEMNIFIED PARTIES, INCLUDING ALL CLAIMS CAUSED BY THE NEGLIGENCE OR STRICT LIABILITY OF THE INDEMNIFIED PARTIES.
- 15.3 <u>Survival</u>. MASTER LESSEE AND CITY AGREE AND ACKNOWLEDGE THAT <u>Sections 15.1 through 15.3</u> ARE THE PRODUCT OF MUTUAL NEGOTIATION. Master Lessee's obligations under <u>Sections 15.1 and 15.2</u> shall survive the expiration or earlier termination of the Lease Term.

- 15.4 <u>Insurance</u>. Master Lessee shall obtain and keep in force, at its sole cost and expense, during the Lease Term the following types of insurance, in the amounts specified and in the form hereinafter provided:
- 15.4.1 Workers' Compensation and Employers Liability coverage with limits consistent with statutory benefits outlined in the Texas Workers' Compensation Act (Texas Labor Code Title 5.) and minimum policy limits for employers liability of \$1,000,000 bodily injury each accident, \$1,000,000 bodily injury by disease policy limit and \$1,000,000 bodily injury by disease each employee. The following endorsements shall be added to the policy:
- $15.4.1.1 \ \ A \ \ Waiver \ of \ Subrogation \ in \ favor \ of \ the \ City \ of \ Austin, form \ WC \ 420304; and$
- 15.4.1.2 A 30 day Notice of Cancellation/Material Change in favor of the City of Austin, form WC 420601.
- 15.4.2 Commercial General Liability Insurance with a minimum bodily injury and property damage per occurrence limit of \$1,000,000 for coverage A (Bodily Injury and Property Damage) and coverage B (Personal and Advertising Injury); and \$1,000,000 product/completed operations minimum limit of liability. The policy shall contain the following provisions:
 - 15.4.2.1 Blanket contractual liability coverage;
- 15.4.2.2 Medical expense coverage with a minimum limit of \$5,000 any one person;
 - 15.4.2.3 Fire Legal Liability with a minimum limit of \$50,000;
 - 15.4.2.4 Independent Contractors coverage;
 - 15.4.2.5 City of Austin listed as additional insured Form CG 2010;
- 15.4.2.6 Thirty-day Notice of Cancellation in favor of the City of Austin endorsement CG 0205; and
- 15.4.2.7 Waiver of Transfer of Right of Recovery Against Others in favor of the City of Austin endorsement CG 2404.
- 15.4.3 Business Automobile Liability Insurance for all owned, non-owned and hired vehicles with a minimum combined single limit of \$1,000,000 for bodily injury and property damage. The policy shall contain the following provisions:
- 15.4.3.1 City of Austin named as additional insured(s), form CA 2048; (and Bond Trustee, if so directed by City)

15.4.3.3 Waiver of Subrogation endorsement CA 0444.

- 15.4.4 During the construction of the Joint Use Facility and any subsequent construction of Alterations or repair of the Leased Premises, Master Lessee shall require Design-Builder to maintain builder's risk insurance in an all risk physical loss form in the amount of the Construction Contract, commercial general liability insurance, employer's liability and worker's compensation insurance, and automobile liability insurance in the amounts required by City under the 2011 Reimbursement Agreement. The builder's risk insurance shall continue until the work under the Construction Contract is accepted by City. City shall be a loss payee on the policy. If off-site storage is permitted, coverage shall include transit and storage in an amount sufficient to protect property being transported or stored.
- 15.4.5 During the construction of the Joint Use Facility, Master Lessee shall require the Design-Builder to provide professional liability insurance in the minimum amount of \$5,000,000 and require Design-Builder to maintain Builders' Risk Insurance or Installation Insurance on an all risk physical loss form in the amount of the Construction Contract. Coverage shall continue until the work is accepted by City. City shall be a loss payee on the policy. If off-site storage is permitted, coverage shall include transit and storage in an amount sufficient to protect property being transported or stored.
- 15.4.6 <u>All Risk Property Insurance</u>. This policy shall provide coverage for the building/structure and all other property owned by the City and leased to the Master Lessee and Concessionaires. The property policy shall provide all risk coverage for 100% replacement cost value as determined by the City. The City shall be named mortgagee or loss payee on the policy as its interest may appear and such policy shall contain a waiver of subrogation endorsement in favor of City and the RACs.
- 15.5 <u>General Requirements.</u> Master Lessee and its contractors and subcontractors shall not commence operations under this Master Lease until Master Lessee and its contractors and subcontractors have obtained the required insurance and Certificates of Insurance are received and reviewed by City indicating required coverage. If coverage period ends during the Lease Term of this Master Lease, Master Lessee and its contractors and subcontractors must, prior to the end of the coverage period, forward a new Certificate of Insurance to City as verification of continuing coverage for the duration of this Master Lease.
- 15.5.1 Approval of insurance by City and the required minimums shall not relieve or decrease the liability or responsibility of Master Lessee hereunder and shall not be construed to be a limitation of liability on the part of Master Lessee.
- 15.5.2 Master Lessee's and all contractors' and subcontractors' insurance coverage shall be written by companies licensed to do business in the State of Texas at the time the policy is issued and shall be written by companies with an A.M. Best rating of B+VII or

better. Companies with A.M. Best ratings of A- or better, if required, shall write hazardous materials insurance.

15.5.3 Except as permitted by <u>Section 16.18</u>, Master Lessee will not engage in operations or store any property in the facilities that will cause an increase in the premium rate paid by the Airport for fire and extended coverage insurance or that will cause an increase in the premiums paid for such insurance of other tenants or subtenants in the Airport, unless Master Lessee pays the entire amount of such increase or increases. Further, Master Lessee will not engage in operations or store any property in the Leased Premises which may make void or voidable any such insurance policies.

All endorsements, waivers, and notices of cancellation endorsements, as well as Certificates of Insurance naming City (and Bond Trustee, if so directed by City) as additional insureds shall indicate:

City of Austin/Department of Aviation Attn: Airport Properties Manager 3600 Presidential Boulevard, Suite 411 Austin, Texas 78719

- 15.5.4 The "other" insurance clause shall not apply to City where City is shown as additional insureds on any policy. It is intended that policies required in this Master Lease, covering both City and Master Lessee, shall be considered primary coverage as applicable. If insurance policies are not written for amounts specified below, Master Lessee shall carry Umbrella or Excess Liability Insurance for any differences in amounts specified. If Excess Liability Insurance is provided, it shall follow the form of the primary coverage.
- 15.5.5 In order to ensure compliance with the provisions of this <u>ARTICLE</u>, City shall be entitled, upon request and without expense, to inspect certified copies of Master Lessee's insurance policies and endorsements thereto at the Airport or other location in Austin, Texas reasonably designated by Master Lessee.
- 15.5.6 The City reserves the right to review the insurance requirements set forth during the Term of this Master Lease and to make commercially reasonable adjustments to insurance coverage, limits, and exclusions when deemed necessary and prudent by City based upon changes in statutory law, court decisions, and the claims history of their industry or the financial condition of the insurance company as well as the Master Lessee.
- 15.5.7 Master Lessee shall not cause or permit any insurance to lapse or to be canceled during the Lease Term unless replaced by other insurance that satisfies the requirements of this ARTICLE as of the time of lapse or cancellation.
- 15.5.8 Master Lessee shall pay all premiums, deductibles and self-insured retention's, if any, stated in policies. All deductibles or self-insured retention's shall be disclosed on the Certificate of Insurance.

15.6 <u>Claims Against Master Lessee</u>. If a claim, demand, suit, or other action is made or brought by any person against Master Lessee arising out of or concerning this Master Lease or a Sublease Lease Agreement, Master Lessee shall give written notice thereof, to City within two (2) Business Days after being notified of such claim, demand, suit, or action. Such notice shall enclose a true copy of all written claims. If the claim is not written, or the information is not discernible from the written claim, Master Lessee shall state the date of notification of any such claim, demand, suit, or other action, the names and addresses of the person asserting such claim or that instituted or threatened to institute any type of action or proceeding, the basis of such claim, action, or proceeding, and the name of any person against whom such claim is being made. The notice shall be given to the Director as provided herein, and to the Austin City Attorney, City Hall, 301 West 2nd Street, Austin, Texas 78701.

ARTICLE 16 COMPLIANCE WITH ENVIRONMENTAL LAWS

16.1 <u>Definitions in ARTICLE 16 and ARTICLE 17.</u>

"Environmental Laws" shall refer to and include, without limitation, all Federal, State, City, and local statutes, laws, ordinances, rules and regulations, now or hereafter in effect, and as amended from time to time, that are intended for the protection of the environment, or that govern, control, restrict, or regulate the use, handling, treatment, storage, discharge, disposal, or transportation of Hazardous Materials. Environmental Laws specifically include but are not limited to, the National Environmental Policy Act, the Comprehensive Environmental Response, Compensation and Liability Act, the Resource Conservation and Recovery Act, the Hazardous Materials Act, the Toxic Substances Control Act, the Clean Water Act, the Clean Air Act, the Superfund Authorization and Recovery Act, the Occupational Safety and Health Administration Hazard Communication Standards, the Texas Water Code, the Texas Hazardous Materials Act, and the Texas Water Quality Control Act.

"Hazardous Materials" shall refer to, and include, without limitation, all substances whose use, handling, treatment, storage, disposal, discharge, or transportation is governed, controlled, restricted, or regulated by Environmental Laws, that have been defined, designated or listed by any responsible regulatory agency as being hazardous, toxic, radioactive, or that may present an actual or potential hazard to human health or the environment if improperly used, handled, treated, stored, disposed, discharged, generated or released. Hazardous Materials specifically include, without limitation, asbestos and asbestos-containing-materials, petroleum products, solvents, and pesticides.

"Environmental Claims" shall refer to, and include, without limitation, all claims, demands, suits, actions, judgments, and liability for: (i) removal, remediation, assessment, transportation, testing and disposal of Hazardous Materials as directed by any government agency, court order, or Environmental Law; (ii) bodily injury, or death; (iii) damage to or loss of use of property of any person; (iv) injury to natural resources; (v) fines, costs, fees, assessments, taxes, demands orders, directives or any other requirements imposed in any manner by any governmental agency under Environmental Laws; and (vi) costs and expenses of cleanup,

remediation, assessment testing, investigation, transportation and disposal of a Hazardous Material spill, release, or discharge.

"City" shall include City's elected and non-elected officials, officers, agents, employees, contractors, successors, and assigns.

"Master Lessee" shall include Master Lessee's directors, officers, agents, employees, contractors, subtenants, customers, invitees, successors, and assigns.

- Compliance. In its operations on the Leased Premises and at the Airport, Master Lessee shall strictly comply with all applicable Environmental Laws, the Airport Environmental Policies and Procedures (including without limitation, the Storm Water Pollution Prevention Plan ("SWPPP") and Spill Response Plan), which are incorporated by reference, and as of the Effective Date of this Master Lease are located on the Airport's website http://content.abia.org/environmental/storm water.html. Without limiting the generality of the foregoing provision, Master Lessee shall not use or store Hazardous Materials on or at the Leased Premises or Airport except as reasonably necessary in the ordinary course of Master Lessee's permitted activities at the Leased Premises and Airport, and then only if such Hazardous Materials are properly labeled and contained as required pursuant to Applicable Laws, and notice of and a copy of the current material safety data sheet is provided to the DOA for each such Hazardous Material. Prior to commencing operations at the Leased Premises or Airport, Master Lessee will complete an Airport baseline environmental questionnaire. Master Lessee shall not discharge, release, or dispose of any Hazardous Materials on the Leased Premises or Airport or surrounding air, lands or waters in violation of Applicable Laws. Master Lessee shall promptly notify City of any Hazardous Material spills, releases, or other discharges by Master Lessee at the Airport in accordance with City's Spill Response Plan and promptly abate, remediate, and remove any the same to the extent required under Applicable Laws. Master Lessee shall provide the City with copies of all reports, complaints, claims, citations, demands, inquiries, or notices relating to the environmental condition of the Airport, or any alleged material noncompliance with Environmental Laws by Master Lessee at the Leased Premises or Airport within ten (10) days after such documents are generated by or received by Master Lessee. If Master Lessee uses, handles, treats, or stores Hazardous Materials at the Leased Premises or Airport, and it is necessary for Master Lessee to arrange for the disposal of the Hazardous Materials, Master Lessee shall comply with any applicable requirement under Applicable Laws to have a contract in place with an EPA or TCEQ approved waste transport or disposal company, and to identify and retain spill response contractors to assist with spill response and facilitate waste characterization, transport, and disposal. Complete records of all disposal manifests, receipts and other documentation required by Applicable Laws shall be retained by the Master Lessee and made available to City for review upon request. City shall have the right at any time to enter the Leased Premises to inspect, take samples for testing, and otherwise investigate the Leased Premises for the presence of Hazardous Materials. exercising its right of access, City shall endeavor to minimize disruption of or interfere with Master Lessee's operations or use of the Leased Premises.
- 16.3 <u>Responsibility</u>. Master Lessee's Hazardous Materials shall be the responsibility of Master Lessee. Master Lessee shall be liable for and responsible to pay all Environmental

Claims that arise out of or are caused in whole or in part from Master Lessee's use, handling, treatment, storage, disposal, discharge, or transportation of Hazardous Materials on or at the Leased Premises or Airport, the violation of any Environmental Law by Master Lessee, or the failure of Master Lessee to comply with the terms, conditions and covenants of this <u>ARTICLE</u>. If City incurs any costs or expenses (including attorney, consultant and expert witness fees) arising from Master Lessee's use, handling, treatment, storage, discharge, disposal, or transportation of Hazardous Materials on the Leased Premises or the Airport, Master Lessee shall promptly reimburse City for such costs upon demand. All reporting requirements under Environmental Laws with respect to spills, releases, or discharges of Hazardous Materials by Master Lessee at the Leased Premises or Airport shall be the responsibility of Master Lessee.

- 16.4 <u>Indemnity</u>. IN ADDITION TO ANY OTHER INDEMNITIES IN THIS MASTER LEASE, MASTER LESSEE SHALL DEFEND, INDEMNIFY AND HOLD HARMLESS CITY FROM ANY AND ALL ENVIRONMENTAL CLAIMS (INCLUDING REASONABLE ATTORNEY'S FEES, LITIGATION AND INVESTIGATION EXPENSES, AND COURT COSTS) ARISING OUT OF OR RESULTING IN WHOLE OR IN PART FROM MASTER LESSEE'S USE, HANDLING, TREATMENT, STORAGE, DISPOSAL, DISCHARGE, OR TRANSPORTATION OF HAZARDOUS MATERIALS ON OR AT THE LEASED PREMISES OR AIRPORT, THE VIOLATION OF ANY ENVIRONMENTAL LAW BY MASTER LESSEE, OR THE FAILURE OF MASTER LESSEE TO COMPLY WITH THE TERMS, CONDITIONS AND COVENANTS OF THIS <u>ARTICLE</u>.
- Master Lessee shall remove or remediate in accordance with applicable Environmental Laws and the Airport Environmental Rules and Policies, all of Master Lessee's Hazardous Materials from the Leased Premises and Airport, and surrounding lands and waters. Unless instructed otherwise by City, Master Lessee shall also, prior to vacating the Leased Premises and Airport and in accordance with Section 20.1, remove all aboveground and underground storage tanks, piping and other equipment which stored Hazardous Materials, or which are contaminated by Hazardous Materials. Master Lessee may request reimbursement for the costs incurred pursuant to this Section 16.5 and included in a City approved Budget from the Repair and Replacement Fund in accordance with Section 12.7, but if sufficient funds are not available in the Repair and Replacement Fund, then Master Lessee may request that the City approve discretionary disbursement from the CFC Surplus Residual Account of the CFC Surplus Fund, to the extent of available funds, but shall otherwise be responsible for such costs. City shall have no obligation to act on any request of the Master Lessee for discretionary requisitions by City of moneys from the Trustee.
- 16.6 <u>Stormwater Requirements</u>. Master Lessee acknowledges that the Airport is subject to the National Pollution Discharge Elimination System Program ("NPDES") and Federal Stormwater Regulations (40 C.F.R. Part 122) and the Texas Pollution Discharge Elimination System Program ("TPDES"). In its operations at the Leased Premises and Airport, Master Lessee shall comply with Applicable Law, including NPDES, TPDES, Federal and State Stormwater Regulations, including any permits thereunder, and the SWPPP.

- 16.7 <u>Sustainability</u>. Master Lessee shall comply with Applicable Laws pertaining to recycling, energy, and natural resource conservation and management. Master Lessee shall cooperate with City in the implementation of energy conservation, water conservation, and waste minimization programs and policies the City establishes from time to time.
- 16.8 <u>Survival</u>. The covenants, conditions, and indemnities in this <u>ARTICLE</u> shall survive the expiration or earlier termination of this Master Lease.
- 16.9 <u>Pre-Lease Environmental Condition</u>. City shall conduct a full and complete Environmental Assessment (the "**Pre-Lease Environmental Evaluation**") of the CONRAC Site prior to or during construction of the Project to identify, to the extent practicable, the nature and extent of Hazardous Materials, if any, present on the CONRAC Site (the "**Pre-Lease Environmental Condition**"). The costs associated with the Pre-Lease Environmental Evaluation and determination of the Pre-Lease Environmental Condition shall be Costs of the Project.
- 16.10 <u>Hazardous Materials</u>. Master Lessee shall not allow the release, spill, discharge, leak, emission, injection, escape, migration or dumping in, on, about, from or adjacent to the Leased Premises (including storm drains, sanitary sewer system, surface waters, soils, underground waters or air) of any Hazardous Material or other deleterious substance in any manner by any Master Lessee Party that could be a detriment to the Leased Premises or in violation of the Pollution Prevention Plan, the SPCC Plan, any City Codes and Standards, any City Environmental Permit or any of the Environmental Laws. To the extent applicable, Master Lessee shall make available to City upon request copies of all material safety data sheets for all Hazardous Materials used or stored on the Leased Premises by any Master Lessee Party and Master Lessee's U.S. Environmental Protection Agency waste generator number and generator annual hazardous waste reports. To the extent applicable, Master Lessee shall provide City with copies of any environmentally related regulatory permits or approvals (including revisions or renewals) and any material report or notice Master Lessee receives from, or provides to, any Governmental Authority in connection with the handling of Hazardous Materials on the Leased Premises by any Master Lessee Party or the presence, or possible presence, of any Hazardous Material in, on, about, from or adjacent to the Leased Premises. Master Lessee is responsible to report to City any spills or emissions of Hazardous Materials resulting from the acts or omissions of any Master Lessee Party in accordance with the City's Spill Response Plan and to report to the appropriate Governmental Authorities any spills or emissions of Hazardous Materials by any Master Lessee Party that are above reportable quantities as defined by applicable Environmental Laws.
- 16.11 <u>Pollution Prevention Plan</u>. Master Lessee shall, through the Facility Manager, prepare and implement a Pollution Prevention Plan that addresses measures in effect by Master Lessee to prevent pollution (specifically including storm water) through appropriate pollution prevention and good housekeeping practices and to control and perform immediate removal, investigation, remediation and restoration action in the event of a Release of a Hazardous Material or other deleterious material in connection with the operation of the CONRAC or the CONRAC Site (including the Fuel Facilities) during the Lease Term. The Pollution Prevention Plan shall be (a) provided to City not more than thirty (30) days before the Date of Beneficial

Occupancy, and (b) updated to address future changes in the CONRAC or activities upon the CONRAC Site. The Pollution Prevention Plan shall be updated as needed to address the operations and practices of Master Lessee. The Pollution Prevention Plan shall specifically provide for one or more dedicated persons having responsibility to oversee each underground storage tank refill, including (i) arriving before the tank refill pipe is opened, (ii) watching the entire refill operation, and (iii) observing the fuel provider closing the refill pipes and reloading its hoses onto its truck.

- 16.12 <u>Spill Prevention Control and Countermeasure Plan</u>. Master Lessee shall, through the Facility Manager, determine whether Section 112.7 of Title 40 of the Code of Federal Regulations is applicable to the CONRAC Site, including the Fuel Facilities, the QTA Equipment and/or their operations, and whether Master Lessee or the RACs are required to prepare an SPCC Plan. This determination must be submitted to City for approval. Preparation of an SPCC Plan shall be the responsibility of Master Lessee or the RACs, as applicable, through the Facility Manager. Any SPCC Plan must be certified by a licensed professional engineer in accordance with all applicable Legal Requirements (specifically including the Environmental Laws).
- 16.13 <u>Violation of Environmental Laws</u>. If Master Lessee, or the Leased Premises as a result of an act or omission of a Master Lessee Party, is in violation of any Environmental Law concerning the presence or use of Hazardous Materials or the handling or storing of hazardous wastes, Master Lessee shall promptly take such action as is necessary to mitigate and correct the violation. If Master Lessee does not act in such a manner, City reserves the right, but not the obligation, to come onto the Leased Premises, to act in place of Master Lessee (and Master Lessee hereby appoints each of City as its agent for such purposes) and to take such action as City deems necessary to ensure compliance or to mitigate the violation. If City has a reasonable belief that a Master Lessee Party is in violation of any of the Environmental Laws, or that a Master Lessee Party's acts or omissions present a threat of violation or a threat of damage to the Leased Premises, City reserves the right to enter onto the Leased Premises and take such corrective or mitigating action as it deems necessary. All reasonable and necessary costs and expenses incurred by City in connection with any such actions shall become immediately due and payable by Master Lessee upon presentation of an invoice therefor. Interest shall accrue on all unpaid sums at the Default Rate.
- 16.14 <u>Inspection</u>; <u>Test Results</u>. City shall have access to the Leased Premises to conduct (but shall have no obligation to conduct) environmental inspections, including an Environmental Audit, and Master Lessee shall permit City access to the Leased Premises for the purpose of conducting environmental testing, whether in connection with City action taken pursuant to <u>Section 16.13</u> hereof or for other City purposes; provided, however, except in the event of any real or threatened emergency, (a) such environmental testing by City shall occur only during normal business hours, or at such other times as Master Lessee shall reasonably approve; (b) City provides notice to Master Lessee of its intention to conduct such tests at least five (5) Business Days prior to such date of testing; (c) such testing shall not unreasonably interfere with Master Lessee's normal business operations; and (d) any damages to the Leased Premises caused by the environmental testing conducted by City shall be repaired by City at its sole cost and expense. Master Lessee shall not conduct or permit others to conduct

environmental media testing on the Leased Premises without first obtaining City's prior consent. Master Lessee shall promptly inform City of the existence of any environmental study, evaluation, investigation or results of any environmental testing conducted on the Leased Premises whenever the same becomes known to Master Lessee, and Master Lessee shall provide copies thereof to City.

- 16.15 Removal of Hazardous Materials. Prior to its vacation of the Leased Premises, and in addition to all other requirements under this Master Lease, Master Lessee shall remove and remediate any Hazardous Materials stored, released, spilled, discharged, leaked, emitted, injected, escaped or dumped in, on or about or adjacent to, or that has migrated from, the Leased Premises during the Lease Term or Master Lessee's possession of the Leased Premises as a result of any act or omission of any Master Lessee Party and shall demonstrate such removal to the reasonable satisfaction of City. City shall specifically have the right to insist on appropriate subsurface environmental investigations as part of any such demonstration. This removal and demonstration shall be a condition precedent to City's return of the Security to Master Lessee upon the expiration or earlier termination of the Lease Term. With respect to the removal and remediation of any Hazardous Materials on the Leased Premises, City agrees that it will reasonably approve remediation criteria and investigation, monitoring and remediation activities which comply with Environmental Laws and are consistent with both current commercial/industrial uses at the CONRAC Site as well as City's future development plans for the CONRAC. To the extent that any remediation activities approved by City will occur after the expiration or termination of this Master Lease, City will grant to Master Lessee a nonexclusive, revocable license to access the Leased Premises solely for the purpose of performing any such removals or investigations required by this Section.
- 16.16 Remedies Not Exclusive. No remedy provided herein shall be deemed exclusive. In addition to any remedy provided above, City shall be entitled to full reimbursement from Master Lessee whenever City incurs any costs resulting from the use or management of Hazardous Materials on the Leased Premises by a Master Lessee Party, including costs of remedial activities, fines or penalties assessed directly against City, injuries to third Persons or other properties, and loss of revenues resulting from an inability to re-lease or market property due to its environmental condition, even if such loss of revenue occurs after the expiration or earlier termination of the Lease Term.
- 16.17 Environmental Indemnity. IN ADDITION TO ALL OTHER INDEMNITIES PROVIDED IN THIS MASTER LEASE, MASTER LESSEE AGREES TO DEFEND, INDEMNIFY AND HOLD CITY AND ITS COMMISSIONERS, MEMBERS, MANAGERS, OFFICERS, AGENTS AND EMPLOYEES, FREE AND HARMLESS FROM ANY AND ALL CLAIMS, CAUSES OF ACTION, REGULATORY DEMANDS, LIABILITIES, FINES, PENALTIES, LOSSES, AND EXPENSES, INCLUDING REMEDIAL COSTS (AND INCLUDING REASONABLE ATTORNEYS' FEES, COSTS AND ALL OTHER REASONABLE LITIGATION **EXPENSES** WHEN INCURRED AND WHETHER INCURRED IN DEFENSE OF ACTUAL LITIGATION OR IN REASONABLE ANTICIPATION OF LITIGATION), ARISING FROM THE EXISTENCE OR DISCOVERY OF ANY HAZARDOUS MATERIAL ON THE LEASED PREMISES, OR THE MIGRATION OF ANY HAZARDOUS MATERIAL FROM THE LEASED PREMISES TO OTHER

PROPERTIES OR INTO THE SURROUNDING ENVIRONMENT, ARISING OR RESULTING FROM ANY ACT OR OMISSION OF A MASTER LESSEE PARTY, WHETHER (A) MADE, COMMENCED OR INCURRED DURING THE LEASE TERM, OR (B) MADE, COMMENCED OR INCURRED AFTER THE EXPIRATION OR TERMINATION OF THE LEASE TERM IF ARISING OUT OF EVENTS OCCURRING DURING THE LEASE TERM; PROVIDED, HOWEVER, MASTER LESSEE'S OBLIGATION TO INDEMNIFY CITY PURSUANT TO THIS SECTION SHALL NOT APPLY WITH RESPECT TO ANY RELEASE OF A HAZARDOUS MATERIAL CLEARLY ARISING FROM ANY CONSTRUCTION DEFECT IN THE FUEL FACILITIES, WHICH DEFECT IS DISCOVERED WITHIN ONE YEAR AFTER THE DATE OF SUBSTANTIAL COMPLETION. MASTER LESSEE'S OBLIGATIONS UNDER THIS SECTION SHALL SURVIVE THE EXPIRATION OR EARLIER TERMINATION OF THE LEASE TERM.

16.18 Acknowledgment of Use of Certain Materials. Notwithstanding any other provision of this Master Lease, Master Lessee and City acknowledge and agree that fuel is to be stored in the Fuel Facilities and to be used at the fuel dispensers in the QTA Area, windshield wiper fluids, similar light fluids and cleaning products to be used in or on in the RAC vehicles and cleaning products in de minimus quantities for use in the Leased Premises may and will be stored and used on the Leased Premises, all in the ordinary course of operation of Rental Car Concessions and operation of the CONRAC, subject to compliance with Environmental Laws and other Applicable Laws.

ARTICLE 17 ADDITIONAL ENVIRONMENTAL OBLIGATIONS

17.1 Fuel Facilities.

17.1.1 Facility Manager. Master Lessee shall contract with the Facility Manager under the Facility Management Agreement to operate, maintain and repair the Fuel Facilities. The identity of the Facility Manager and the terms of any agreement or contract with the Facility Manager, including, without limitation, the Facility Management Agreement, shall specifically be subject to City's approval, which City shall not unreasonably withhold so long as such proposed Facility Manager has (a) significant experience in the management and operation of large commercial facilities similar to the Fuel Facilities in a competent and professional manner in accordance with operating standards and policies standard in the industry and with a proven track-record of successful, environmentally compliant operations; and (b) the financial strength and management competency, with personnel having appropriate experience, to operate, maintain and manage the Fuel Facilities. Not less than one hundred twenty (120) days before the Date of Beneficial Occupancy and ninety (90) days before any date on which Master Lessee intends to change the identity of, or the terms of the Facility Management Agreement (other than for default as provided under Section 22.1.4), Master Lessee shall submit to City for its review and approval, such approval not to be unreasonably withheld, such information as City may request regarding the experience, expertise, financial strength and/or operational plan associated with such Facility Manager and a complete copy (including all exhibits or attachments) of the proposed Facility Management Agreement. City's consent to the terms of any such Facility Management Agreement shall not be unreasonably withheld or delayed provided such

agreement: (i) is consistent with the provisions of this Master Lease and does not exceed the Lease Term; (ii) is otherwise consistent with operating agreements customary in the fuel facilities management industry; (iii) provides that the Common Use Areas are managed subject to and in accordance with the terms of this Master Lease; (iv) requires the Facility Manager to defend and indemnify City and Master Lessee, on terms acceptable to City in its sole discretion, from any damages, claims or the like resulting from the acts or omissions of the Facility Manager or from the operation, maintenance and management of the Fuel Facilities; (v) requires the Facility Manager to obtain and maintain insurance of like kind and amount required of Master Lessee as set forth in this Master Lease and each RAC as set forth in the Sublease Agreement and to cause City and Master Lessee to be named as additional insureds under such policies on terms and conditions acceptable to City in its sole discretion; (vi) may not be cancelled or terminated without prior written notice to City and Master Lessee; and (vii) may be assumed by City at its option in the event of a default by Master Lessee or any of the RACs thereunder which has not been cured within any applicable notice and cure period. The Facility Management Agreement shall specifically bind the Facility Manager to those obligations to be performed by the Facility Manager under this Master Lease, and City shall specifically be a third-party beneficiary of any such terms.

- 17.1.2 <u>Prompt Payment</u>. Master Lessee shall, in a timely fashion, pay all amounts due by Master Lessee under, and otherwise adhere to all covenants, conditions or agreements to be observed or performed by Master Lessee in the Facility Management Agreement. Master Lessee specifically agrees that any failure to pay such amounts due and owing by it or to observe such covenants, conditions or agreements to be observed or performed by Master Lessee and any such failure is not cured within any applicable notice and cure periods, whether or not a default has been declared by the Facility Manager, shall be a default under this Master Lease.
- 17.1.3 Environmental Assessment. Within forty-five (45) days after any change in the Facility Manager, Master Lessee, at the sole cost and expense of Master Lessee under the Facility Management Agreement with the in-coming or out-going Facility Manager, conduct an Environmental Assessment of the CONRAC Site and specifically the Fuel Facilities to identify, to the extent practicable, the nature and extent of any Hazardous Materials, if any, present on the CONRAC Site since the Pre-Lease Environmental Evaluation or any prior Environmental Assessment pursuant to this Section. Prior to conducting the Environmental Assessment, Master Lessee shall consult with City in the preparation of an assessment plan. The results of the plan will be compiled in a report and shall set forth any change in the environmental condition of the CONRAC Site since the Pre-Lease Environmental Condition or any prior Environmental Assessment pursuant to this Section. Any contamination identified shall be subject to remediation as more particularly set forth in ARTICLE 16 hereof and this ARTICLE 17.
- 17.1.4 <u>Master Lessee's Responsibilities</u>. Without limiting the responsibility of each RAC for proper use (and liability for improper use) of its allocated fuel dispenser(s), Master Lessee through the Facility Manager shall be entirely responsible to City (a) for the proper operation, maintenance, repair and use of the Fuel Facilities and the payment of all costs and expenses incurred in connection with the operation, maintenance, repair and use of the Fuel

Facilities, and (b) for any spill response, the immediate or other removal, investigation, remediation, restoration and other corrective actions, or site closure associated with a Release of any Hazardous Material from the Fuel Facilities. Immediately upon becoming aware that a Release of any Hazardous Material from the Fuel Facilities has occurred, Master Lessee shall advise the Facility Manager and City of such Release in accordance with City's Spill Response Plan and with Applicable Laws. In addition, immediately upon becoming aware that a Release of any Hazardous Material from the Fuel Facilities has occurred, the Facility Manager shall advise Master Lessee and City of such Release in accordance with City's Spill Response Plan and with Applicable Laws. City shall have no liability for, or responsibility for the payment of, any costs, expenses or liabilities incurred in connection with the operation, maintenance, repair and use of the Fuel Facilities or any fees, costs, expenses or reimbursements due to the Facility Manager.

17.1.4.1 In the event of a spill or Release involving a Hazardous Material upon the CONRAC Site and/or any event or mishap that directly threatens the spill or Release of any Hazardous Material upon the CONRAC Site, the Facility Manager will immediately take all necessary action to address such event, spill, Release or other mishap in accordance with the City's Spill Response Plan and Applicable Laws.

17.1.4.2 Master Lessee shall (and through the Sublease Agreements cause the RACs to) conduct all of their activities on, or relating to, the Fuel Facilities: (a) in compliance with the Environmental Laws, the provisions of this Master Lease and the Sublease Agreement, City Codes and Standards and any other Legal Requirements; (b) in cooperation with City in City's efforts to comply with the Environmental Laws; (c) in adherence with Best Management Practices applicable to the RACs' use of the CONRAC Site; and (d) the Fuel Facilities Operations Manual. In the event of a conflict between any provisions of this Master Lease and the Environmental Laws, the more stringent provisions shall govern and control.

17.1.4.3 Master Lessee, through the Facility Manager, shall manage and, as appropriate, secure the Fuel Facilities so as to prevent any violation of the Environmental Laws by any Person on or relating to the Leased Premises. Master Lessee understands that this Master Lease is not a substitute for, but is in addition to, the Legal Requirements already imposed upon Master Lessee by Applicable Laws applicable to the Fuel Facilities.

- Agreements cause the RACs to) obtain and maintain all necessary permits or consents required by the Environmental Laws with respect to RACs' use of the Fuel Facilities including obtaining the required certifications, registrations, and licensing for the installation, maintenance, and use of underground storage tanks in accordance with all Applicable Laws. Master Lessee shall promptly furnish City with copies of these permits and consents as they may be issued or renewed from time to time and all material correspondence between Master Lessee or RACs and any permitting agency.
- 17.1.6 <u>Compliance with Underground Storage Tank Regulations</u>. As to all operations on or about the Airport, Master Lessee shall specifically and diligently comply with all of the requirements set forth in the Fuel Facilities Operations Manual. The requirements in

the Fuel Facilities Operations Manual are in addition to (and not in lieu of or in summary of) any requirements imposed under the Environmental Laws. Master Lessee shall, through the Facility Manager, maintain all records necessary to document that the Fuel Facilities are being operated in compliance with the requirements of the Environmental Laws, the Fuel Facilities Operations Manual, the Pollution Prevention Plan and this Master Lessee shall provide City with copies of such records as set forth in the Fuel Facilities Operations Manual and otherwise promptly following City's request therefor.

- 17.1.7 <u>Fuel Facilities Operations Manual</u>. Master Lessee shall, through the Facility Manager, prepare the Fuel Facilities Operations Manual. The Fuel Facilities Operations Manual shall be: (a) provided to City not more than thirty (30) days before the Date of Beneficial Occupancy (and not more than thirty (30) days after any update thereof); (b) prepared in coordination with City staff; (c) describes in detail the fuel storage inventory and leak detection systems (d) consistent with warranty requirements and the manufacturer's recommendations with respect to the Fuel Facilities; (e) consistent with the Environmental Laws; (f) consistent with the Pollution Prevention Plan, the SPCC Plan, Best Management Practices and all other Legal Requirements; and (g) updated to address future changes in the design, use or composition of the Fuel Facilities. The Fuel Facilities Operations Manual shall be subject to the prior approval of City and shall be updated as needed, but not less often than annually, to address the operations and practices of the Facility Manager and the RACs.
- 17.1.8 Environmental Audit. Master Lessee shall, through the Facility Manager, hire an independent third party to conduct an Environmental Audit of the entire CONRAC Site (including the Fuel Facilities) and each RAC's and the Facility Manager's operations, equipment, facilities and fixtures on or about the CONRAC Site every third (3rd) Lease Agreement Year after the Opening Date. Environmental Audit shall be conducted on or about the commencement of each third (3rd) Lease Agreement Year after the Opening Date. Master Lessee shall, through the Facility Manager, review with City, not later than thirty (30) days following the commencement of each such third (3rd) Lease Agreement Year, the results of such Environmental Audit together with a draft plan (including a performance schedule) to complete all repairs, replacements and/or upgrades of the CONRAC Site (including the Fuel Facilities) and associated structures and/or facilities, and all modifications to the Fuel Facility Operations Manual or other operational plans and procedures associated with the Fuel Facilities, all as reasonably recommended by such Environmental Audit. City shall have thirty (30) days within which to comment upon the draft plan, and Master Lessee shall, through the Facility Manager, promptly incorporate any comments of City into a final plan and complete all repairs, replacements and/or upgrades according to the final plan (and performance schedule). Master Lessee shall, through the Facility Manager, also modify the Fuel Facility Operations Manual or other operational plans and procedures associated with the Fuel Facilities as reasonably recommended by such Environmental Audit. Any Alteration on or about the Leased Premises shall be accomplished in accordance with ARTICLE 10 hereof.
- 17.1.9 <u>Subsequent City Environmental Audit</u>. City shall have the right to conduct its own Environmental Audit of the CONRAC Site and the Facility Manager's operations, equipment, facilities and fixtures on or about the CONRAC Site. Master Lessee shall, through the Facility Manager, provide City with a draft plan (including a performance

schedule) to complete all repairs, replacements and/or upgrades of the CONRAC Site and associated structures and/or facilities located on or about the CONRAC Site and all modifications to the Fuel Facility Operations Manual or other operational plans and procedures associated with the Fuel Facilities, all as reasonably recommended by any such Environmental Audit, not later than thirty (30) days following their receipt of the results thereof. City shall have thirty (30) days within which to review and comment upon the draft plan. Master Lessee shall, through the Facility Manager, promptly incorporate any City comments into a final plan and complete all repairs, replacements and/or upgrades according to the final plan (and performance schedule). Master Lessee shall, through the Facility Manager, also modify the Fuel Facility Operations Manual or other operational plans and procedures associated with the Fuel Facilities as reasonably recommended by any such Environmental Audit. Any Alteration on or about the Leased Premises shall be accomplished in accordance with ARTICLE 10 hereof. In conducting any Environmental Audit, City shall not unreasonably interfere with the business operations of Master Lessee or the RACs and, if it shall damage or otherwise disturb the Leased Premises during such Environmental Audit, City shall restore the Leased Premises to the substantially the same condition as existed prior to the damage.

- 17.1.10 <u>General Standards</u>. In determining those recommendations incorporated into any Environmental Audit that are reasonable (and therefore to be implemented), all recommendations shall be presumed reasonable unless Master Lessee can demonstrate in a manner acceptable to City that a recommendation (a) is not required by Legal Requirements and (b) the cost of implementing such recommendation significantly outweighs the benefits thereof.
- 17.2 Environmental Indemnity. MASTER LESSEE SHALL (AND, THROUGH THE FACILITY MANAGEMENT AGREEMENT, CAUSE THE FACILITY MANAGER TO) DEFEND, INDEMNIFY AND HOLD CITY AND ITS COUNCIL MEMBERS, MANAGERS, OFFICERS, AGENTS AND EMPLOYEES, HARMLESS FROM ANY DAMAGES, CLAIMS OR LIABILITY ARISING OUT OF THE USE OR OCCUPANCY OF THE FUEL FACILITIES ON OR ABOUT THE CONRAC SITE, INCLUDING LIABILITY FOR INVESTIGATION AND REMEDIAL ACTION RELATED TO THE FOLLOWING OR SIMILAR ACTIVITIES OCCURRING DURING THE USE AND/OR OPERATION OF THE FUEL FACILITIES: (A) ANY RELEASES, SPILLS, DISCHARGES, LEAKS, EMISSIONS, INJECTIONS, ESCAPES, DUMPING, GENERATION, TRANSPORTATION, STORAGE, TREATMENT OR DISPOSAL OF HAZARDOUS MATERIALS; (B) ANY OTHER DISCHARGE TO SURFACE OR GROUND WATERS; (C) ANY AIR EMISSIONS; AND (D) ANY CONTAMINATION OF SOIL OR GROUND WATERS BENEATH OR ADJACENT TO THE CONRAC SITE, EXCEPT FOR SUCH DAMAGE, CLAIMS OR LIABILITY (I) CAUSED BY CITY OR ITS OFFICERS, AGENTS OR EMPLOYEES, (II) ASSOCIATED WITH THE PRE-LEASE ENVIRONMENTAL CONDITION, (III) CLEARLY ARISING FROM ANY CONSTRUCTION DEFECT IN THE FUEL FACILITIES DISCOVERED WITHIN ONE (1) YEAR AFTER THE SUBSTANTIAL COMPLETION, OR (IV) ASSOCIATED WITH ANY HAZARDOUS MATERIAL CLEARLY MIGRATING ONTO THE CONRAC SITE FROM SOME OTHER LOCATION THROUGH NO ACT OR OMISSION OF MASTER LESSEE OR A RAC. With respect to clean-up of any Hazardous Materials on the Leased Premises, City agrees that it will reasonably approve remediation criteria and investigation, monitoring and remediation activities that comply with Environmental Laws

and are consistent with both current commercial/industrial uses at the CONRAC Site, as well as the future development plans of Master Lessee for the CONRAC Site.

- 17.3 Environmental Certification. Master Lessee shall, through the Facility Manager, provide to City at the commencement of each Lease Agreement Year (other than the first) a written statement (certified by the Facility Manager as true and complete) that, to the best of the knowledge of the Facility Manager, each RAC has, with respect to the CONRAC Site and such RAC's occupation and use of the CONRAC Site, complied with (a) the Pollution Prevention Plan, the SPCC Plan, the terms of all applicable permits, the Fuel Facilities Operations Manual and the Environmental Laws during the preceding Lease Agreement Year, and (b) all directions and recommendations set forth in any previous Environmental Audit as required under Section 17.1.8 or 17.1.9. If the Facility Manager is unable to provide such certification or documentation at such time, then the RACs shall, through the Facility Manager, provide City with a written statement of the steps that are being taken to enable them to provide City with a certification of compliance and all required documentation.
- 17.4 <u>Financial Assurance</u>. In addition to, and not in lieu of, the Security, Master Lessee shall cause the Facility Manager to provide to City, and to continually maintain throughout the Lease Term, one of the following (the "Financial Assurance"): (a) the Fuel Letter of Credit, or (b) the PL Policy.
- The term "Fuel Letter of Credit" shall mean an irrevocable stand-by 17.4.1 letter of credit for the benefit of City and Master Lessee in the form approved by City, and drawn on a bank acceptable to City in a stated amount equal to One Million Dollars (\$1,000,000.00); provided, however, the stated amount of the Fuel Letter of Credit shall increase by ten percent (10%) over the previously existing amount of the Fuel Letter of Credit upon the commencement of each of the sixth (6th) Lease Agreement Year. The Fuel Letter of Credit shall secure, for the benefit of City, the full and faithful performance of the Environmental Covenants of Master Lessee in this Master Lease and of each RAC in the Sublease Agreements and the full and faithful performance of the Facility Manager and Master Lessee under the terms of the Facility Management Agreement. City may draw upon the Fuel Letter of Credit at any time to satisfy any of the unfulfilled obligations under, to remedy any violation of, or to pay damages for violation of, the Facility Management Agreement or any of the Environmental Covenants under this Master Lease or under any Sublease Agreement, if such amounts are owed to City or are amounts for which City may be held liable or if City has incurred or will incur any costs in connection with such violations. Further, City may draw on the entire Fuel Letter of Credit immediately, without notice to Master Lessee, the RACs or the Facility Manager, upon receipt of a notice of non-renewal of the Fuel Letter of Credit or upon the commencement of a bankruptcy case or other insolvency proceeding with respect to the Facility Manager. If drawn upon, Master Lessee must cause the Fuel Letter of Credit to be replenished in full within five (5) days or Master Lessee will be deemed in violation of this Master Lease, and, in the event of such violation, City shall have available to it all remedies for default under this Master Lease. The proceeds of any such draw upon the Fuel Letter of Credit shall not be considered to be held in trust by City for the benefit of Master Lessee, the RACs or the Facility Manager. Upon replenishment of the Fuel Letter of Credit in full, City shall refund to Master Lessee the amount

of any excess proceeds of the prior Fuel Letter of Credit drawn by City and then held by City subject to City Council approval, if necessary.

- 17.4.2 The term "PL Policy" shall mean a pollution liability insurance policy (written on a form acceptable to City) naming City as the insured thereunder against the following (and otherwise complying with the requirements of <u>Section 15.5</u> hereof):
- 17.4.2.1 claims for bodily injury, personal injury (including, without limitation, claims of emotional distress or fear of cancer) or property damage arising from or relating to any environmental condition on or off the CONRAC Site and arising from or relating to the presence, use, operation or maintenance of the Fuel Facilities;
- 17.4.2.2 costs, liabilities, expenses, fees, fines, assessments and other obligations arising from or relating to the investigation or remediation of any environmental condition on or off the Leased Premises pursuant to the Environmental Laws (including any work performed pursuant to a voluntary remediation statute, regulation or program) and arising from or relating to the presence, use, operation or maintenance of the Fuel Facilities;
- 17.4.2.3 costs, liabilities, expenses, fees, fines, assessments and other obligations arising from or relating to the investigation or remediation of any Release of Hazardous Materials at any off-site treatment, storage or disposal facilities used in connection with the operation of the Fuel Facilities;
- 17.4.2.4 any business interruption suffered by City or a tenant of the Airport to the extent that the business interruption suffered arises from or relates to any environmental condition on or off the CONRAC Site arising from or relating to the presence, use, operation or maintenance of the Fuel Facilities;
- 17.4.2.5 any loss of value of the CONRAC or the CONRAC Site, to the extent arising from or relating to any environmental condition on or off the CONRAC Site and arising from or relating to the presence, use, operation or maintenance of the Fuel Facilities;
- 17.4.2.6 costs, liabilities, expenses, fees, fines, assessments and other obligations arising from or relating to the presence, use, operation or maintenance of underground or aboveground storage tanks on the CONRAC Site; and
- 17.4.2.7 such other or additional risks and liabilities for which pollution liability insurance coverage is available as specified by City.
- 17.4.3 The PL Policy shall be on an occurrence basis providing single limit coverage in an amount of not less than Two Million Dollars (\$2,000,000.00) per occurrence. Such insurance coverage shall not contain any intra-insured exclusions as between insured Persons and shall contain a minimum One Hundred Thousand Dollars (\$100,000.00) sub-limit that covers damage to all property of Master Lessee and the RACs. Any deductibles or self-insured retentions for this insurance coverage that exceed One Hundred Thousand Dollars (\$100,000.00) must be disclosed to, and receive the prior approval of City and must be shown on the certificate of insurance evidencing such insurance coverage as required hereunder. The PL

Policy shall provide contractual liability coverage under which the issuing insurance company agrees to insure (a) Master Lessee's obligations under the Environmental Covenants under this Master Lease and the RACs' obligations under the Environmental Covenants of the Sublease Agreement, and (b) any other liability of Master Lessee under this Master Lease or of the RACs under the Sublease Agreement for which the PL Policy would otherwise provide coverage. The PL Policy shall provide primary insurance coverage for City and shall not be contributory with any similar insurance carried by City, whose insurance shall be considered excess insurance only. The PL Policy shall (a) not be altered, modified, cancelled or replaced without thirty (30) days prior notice from the insurer providing the PL Policy to City; (b) provide for a waiver of subrogation by the issuing insurance company as to claims against City and its council members, managers, officers and employees; (c) provide that any "other insurance" clause in the PL Policy shall exclude any policies of insurance maintained by City and that the PL Policy shall not be brought into contribution with any insurance maintained by City; and (d) have a term of not less than one (1) year. City shall have the right to change the terms or amount of the insurance coverages required under the PL Policy if such changes are recommended or imposed by an insurer of, or an insurance broker for City, City's risk manager, or the terms of the Bond Obligations. The PL Policy also shall comply with the requirements of Section 15.5 hereof.

17.4.4 Notwithstanding any provisions of this Master Lease to the contrary, the procurement and maintenance of the Financial Assurance shall not in any way release, waive, limit or otherwise abrogate Master Lessee's obligations under the Environmental Covenants set forth in this Master Lease. The Financial Assurance required by this Master Lease must, unless replaced with like Financial Assurance under a new lease agreement, be maintained until ten (10) years following the end of the Lease Term; provided, however, Master Lessee may, through the Facility Manager, request a reduction in the amount of the Financial Assurance to a dollar amount that would be sufficient to compensate City for any residual environmental costs and liabilities resulting from Hazardous Materials which may remain on or about the CONRAC Site following the expiration or termination of this Master Lease. Master Lessee shall have the burden of showing what would be sufficient to compensate City for any residual environmental costs and liabilities. Any such reduction of the Financial Assurance shall be at the sole discretion of City.

ARTICLE 18 TAXES AND ASSESSMENTS; LIENS

18.1 Payment of Taxes and Assessments. Master Lessee shall pay, or in good faith contest, on or before their respective due dates, to the appropriate collecting authority, all federal, state and local taxes and fees, which are now or may hereafter be levied upon the Leased Premises, the QTA Equipment, the Fuel Facilities, the personal property of Master Lessee or as a result of this Master Lease, or upon the business conducted by Master Lessee or the RACs on the Leased Premises; and shall maintain in current status all federal, state, and local licenses, and permits required for the operation of the Leased Premises. Master Lessee shall give notice to City if it plans to contests such taxes, charges or fees and provide to City all related documentation and information requested by City. If the nonpayment of any such taxes, charges or fees may result in a lien on the Joint Use Facility, the Airport or personal property of City, Master Lessee shall timely pay or take such action as provided under Applicable Law to avoid or

release any lien that may otherwise attach due to contesting the same. If Master Lessee contests such taxes, charges or fees, City may require Master Lessee to establish and sufficiently fund an escrow account or bond to cover payment of such taxes, charges, or fees, if determined to be due and owing, and Master Lessee shall diligently pursue any such contest to conclusion.

18.2 <u>Liens.</u> Master Lessee agrees not to directly or indirectly create, permit or suffer any Lien to be imposed upon the Leased Premises or any part thereof or upon the QTA Equipment, the Fuel Facilities or furniture, fixtures and equipment owned by Master Lessee as a result of Master Lessee's activities and operations on the Leased Premises. In the event any such Lien is created by or permitted by Master Lessee in violation of this <u>Section</u>, Master Lessee shall immediately: (a) give notice to City of such Lien and provide to City all related documentation and information requested by City; (b) discharge such Lien of record, by payment, bond or as otherwise allowed by Applicable Laws; and (c) provide to City a copy of the recorded release or discharge of such Lien and all related documentation and information requested by City. MASTER LESSEE SHALL ALSO DEFEND (WITH COUNSEL APPROVED BY CITY), FULLY INDEMNIFY AND HOLD ENTIRELY FREE AND HARMLESS CITY FROM ANY ACTION, SUIT OR PROCEEDING THAT MAY BE BROUGHT ON OR FOR THE ENFORCEMENT OF ANY SUCH LIEN.

ARTICLE 19 DAMAGE OR DESTRUCTION; EMINENT DOMAIN

- 19.1 Short Term Damage. In the event that the Leased Premises or the portion of the Airport of which the Leased Premises are a part are damaged by fire or other casualty, and if the damage can be repaired within thirty (30) days from the date of the occurrence (with repair work and the preparations therefor to be done during regular working hours on regular work days), the Leased Premises shall be repaired with due diligence by Master Lessee. While the repairs are being completed, Master Lessee shall continue to be responsible for the entire Rent that is owed to City hereunder without abatement. If the costs of such repairs are eligible for reimbursement as an item of Major Maintenance from the Repair and Replacement Fund, Master Lessee may request reimbursement for such costs from the Repair and Replacement Fund pursuant to Section 12.7, but if sufficient funds are not available in the Repair and Replacement Fund, then Master Lessee may request that the City approve discretionary disbursement from the CFC Surplus Fund, but shall otherwise be responsible for such costs. City shall have no obligation to act on any request of the Master Lessee for discretionary requisitions by City of moneys from the Trustee.
- 19.2 <u>Major Damage or Destruction</u>. In the event that the Leased Premises or the portion of the Airport of which the Leased Premises are a part are completely destroyed by fire or other casualty, or damaged to such an extent that the damage cannot be repaired within thirty (30) days of the occurrence, City shall have the option to terminate this Master Lease by notice to Master Lessee within thirty (30) days after the occurrence of any such damage, and such termination shall be effective as of any date not more than sixty (60) days after the occurrence. If City elects to terminate the Master Lease, all insurance proceeds in connection with the loss or damage either received by City or Master Lessee or due from policies for which City is named as the loss payee or an additional insured shall be and remain the sole property of City. Master Lessee shall assign or deliver to City any insurance proceeds in connection with the loss or

damage, except for proceeds for Master Lessee's personal property located in the Leased Premises or business interruption insurance. If City shall elect to continue this Master Lease in effect, Master Lessee shall commence and prosecute with due diligence any work necessary to restore or repair the Leased Premises with the costs of the work to be provided by insurance proceeds received by either Master Lessee or City in connection with the loss or damage, together with funds in the Repair and Replacement Fund and the CFC Surplus Fund. If City fails to notify Master Lessee of its election to terminate this Master Lease as provided in this Section, City shall be deemed to have elected to continue this Master Lease and Master Lessee shall commence and prosecute with due diligence any work necessary to restore or repair the Leased Premises. For the period from the occurrence of any damage to the Leased Premises to the date of substantial completion of the repairs to the Leased Premises (or to the date of termination of this Master Lease if City elects not to continue this Master Lease), the Rent shall be abated in the same proportion that any untenantable portion of the Leased Premises bears to the entire Leased Premises.

- 19.3 <u>Master Lessee's Improvements</u>. In the event that the Leased Premises or the portion of the Airport of which the Leased Premises are a part are damaged or destroyed by fire or other casualty, Master Lessee shall, at is sole cost and expense, but without waiver of any claim based thereon, be responsible, without regard to the cause of loss, for the repair, restoration and replacement of the furniture, fixtures and equipment owned by Master Lessee located on the Leased Premises. Master Lessee shall complete the repair, restoration and replacement thereof within ninety (90) days after such fire or other casualty in accordance with the requirements of this Master Lease. In the event a fire or casualty causes loss or damage does not materially affect the Common Use Space or the CONRAC, Master Lessee shall continue to be responsible for the entire Rent that is owed to City hereunder without abatement. A fire or casualty shall be deemed to materially affect the CONRAC when Master Lessee and/or RACs are prohibited from operating or doing business with the public due to the loss or damage of the CONRAC.
- 19.4 <u>Contingent Business Interruption</u>. In the event that Master Lessee's access to the Leased Premises or the portion of the Airport of which the Leased Premises are a part is materially impaired at no fault of Master Lessee for a period exceeding forty-five (45) consecutive days under circumstances not described in <u>Section 19.1 or 19.2</u>, City agrees that the Rent shall be abated in the same proportion that Master Lessee's access to or use of the Leased Premises is impaired, for the period from the date of impairment to the substantial restoration of access and use.

19.5 Condemnation.

19.5.1 If at any time during the Lease Term the entire Leased Premises shall be taken, for any public or quasi-public use under any statute or by right of eminent domain, this Master Lease shall terminate on the date of such taking. If less than all of the Leased Premises shall be so taken and in Master Lessee's reasonable opinion the remaining portion of the Leased Premises is insufficient for the conduct of Master Lessee's business, Master Lessee may terminate this Master Lease by delivering written notice to the City within sixty (60) days after the date Master Lessee received notice of the taking. If Master Lessee exercises its option to terminate, this Master Lease shall end on the date specified in Master Lessee's notice and the

Rent and all other obligations of Master Lessee shall be apportioned and paid to the date of such taking.

- 19.5.2 If less than all of the Leased Premises shall be taken and, in Master Lessee's reasonable opinion communicated by written notice to the City within sixty (60) days after the date Master Lessee received notice of the taking, Master Lessee is able to gain access to and continue the conduct of its business in the remaining portion of the Leased Premises, this Master Lease shall remain unaffected, except that Master Lessee shall be entitled to a pro rata abatement of Rent based on the proportion that the area of the Leased Premises taken bears to the area of the Leased Premises immediately prior to the taking.
- 19.5.3 City shall be entitled to receive the entire award or awards in any condemnation proceeding for the CONRAC Site, the Joint Use Facility and the Vested Improvements, and Master Lessee shall not be entitled to receive any part of such award or awards from the City or in the condemnation proceedings; provided however, Master Lessee may pursue and shall be entitled to receive the entire award or awards in any condemnation proceeding for Master Lessee's leasehold interest in the Leased Premises, if any. Master Lessee hereby assigns to the City any and all of Master Lessee's right, title and interest, if any, in or to such award or awards or any part thereof for the CONRAC Site, the Joint Use Facility and the Vested Improvements and to any award or awards for the value of Master Lessee's leasehold interest in the Leased Premises if Master Lessee declines or fails to pursue or make a claim for the same in any condemnation proceeding. This Section 19.5.3 will survive the termination of this Master Lease.
- 19.5.4 Taking by condemnation or eminent domain hereunder shall include the exercise of any similar governmental power and any sale, transfer or other disposition of the Leased Premises in lieu of or under threat of condemnation.

ARTICLE 20 SURRENDER AND HOLDING OVER

20.1 Surrender. Upon expiration or earlier termination of the Lease Term, Master Lessee shall promptly quit and surrender the Leased Premises and CONRAC Capital Improvements (to the extent City has elected to retain title thereto pursuant to Section 10.1 or other applicable provisions of this Master Lease) broom clean and in good condition and repair, obsolescence and ordinary wear and tear excepted, and deliver to City all keys that it may have to any part of the Leased Premises. Master Lessee shall, at its sole cost and expense, further remove or cause the respective RACs to remove, as applicable the following from the Leased Premises: (a) all of Master Lessee's equipment and trade fixtures or CONRAC Capital Improvements for which City has not elected to retain title to; (b) all of Master Lessee's and the RAC's signs, including company identifiers, operational signs, illuminated directional signs, rental/return signs and stall numbers, and back-wall displays; (c) all control booths, kiosks and security devices for the benefit of Master Lessee or any of the RACs, whether installed by Master Lessee or the RACs; (d) Master Lessee's computer and other electrical equipment; (e) Master Lessee's telephone/data communication lines and associated equipment; (f) any improvements other than the Joint Use Facility structure and CONRAC Capital Improvements,

whether installed at the commencement of the Lease Term or subsequently for which City's consent was conditioned on Master Lessee's removal of such improvements at the expiration or earlier termination of the Lease Term or were rejected on completion of construction pursuant to Section 10.1; and (g) unless instructed otherwise by City, aboveground and underground tanks, piping and other equipment which stored Hazardous Materials or which are contaminated by Hazardous Materials. Unless otherwise specifically agreed by City in writing, Master Lessee shall diligently complete such removal within forty-five (45) days after the expiration or earlier termination of the Lease Term. Upon the removal of any such property, Master Lessee shall promptly repair any and all damage to the Leased Premises caused thereby and reimburse City for City's costs and expenses in removing any such property not removed by Master Lessee and repairing any such damage not repaired by Master Lessee. In the event that the Leased Premises and the CONRAC Capital Improvements are not in the condition required by this Section at the expiration or earlier termination of the Lease Term, City shall have the right to draw against the Security for the funds necessary to restore the Leased Premises and the CONRAC Capital Improvements surrendered to City to such condition. In addition, City shall have the right to draw against the Security for the funds necessary to dispose of any CONRAC Capital Improvements to which City does not take title and to restore any damage to the Leased Premises resulting from such disposition, plus an administrative fee equal to fifteen percent (15%) of the cost of such disposition and restoration if Master Lessee fails to have caused such CONRAC Capital Improvements to be removed from the Leased Premises and the repair of any such damage prior to deadline for removal of the same stated in this Section. The terms of this Section shall survive the expiration or earlier termination of the Lease Term. Master Lessee may request reimbursement for the costs incurred pursuant to this Section 20.1 and included in a City approved Budget from the Repair and Replacement Fund in accordance with Section 12.7, but if sufficient funds are not available in the Repair and Replacement Fund, then Master Lessee may request that the City approve discretionary disbursement from the CFC Surplus Residual Account of the CFC Surplus Fund, to the extent of available funds, but shall otherwise be responsible for such costs. City shall have no obligation to act on any request by the Master Lessee for discretionary requisitions by City of moneys from the Trustee. In the event that City instructs Master Lessee not to remove the aboveground or underground fuel storage tanks and affiliated equipment on termination or expiration of this Master Lease, City will release Master Lessee from any liabilities or indemnities with respect to such facilities if Master Lessee provides City with an Environmental Assessment for such facilities which is approved by City prior to the expiration or termination of this Master Lease. In addition to the Environmental Assessment, Master Lessee shall provide City with documentation acceptable to City verifying that a Release has not occurred on the Leased Premises, or has been remediated to the full extent required under Applicable Law, as of the date of delivery of such documentation.

20.2 <u>Holding Over</u>. IF THE LEASED PREMISES ARE NOT SURRENDERED AS PROVIDED IN THIS <u>ARTICLE 20</u>, MASTER LESSEE SHALL INDEMNIFY AND HOLD CITY HARMLESS AGAINST LOSS OR LIABILITY RESULTING FROM THE DELAY BY MASTER LESSEE IN SO SURRENDERING THE LEASED PREMISES, INCLUDING ANY CLAIMS MADE BY ANY SUCCEEDING OCCUPANT FOUNDED ON SUCH DELAY. Any holding over with the consent of City after expiration or earlier termination of the Lease Term shall not be deemed to operate as an extension or renewal of the Lease Term, but shall be construed to be a tenancy from month-to-month upon the same terms and conditions provided in this Master Lease except that the

Base Rent shall be due and payable to City on the first (1st) day of each month that Master Lessee holds over in the amount of one-twelfth (1/12th) of the Base Rent due during the Lease Agreement Year immediately prior to the expiration, cancellation or termination of the Lease Term. If City does not consent to Master Lessee holding over and remaining in possession of the Leased Premises after the expiration, cancellation, or termination of this Master Lease, Base Rent shall be due and payable to City on the first (1st) day of each month that Master Lessee holds over without City's consent in the amount of one-twelfth (1/12th) of two (2) times the Base Rent due during the Lease Agreement Year immediately prior to the expiration, cancellation or termination of the Lease Term.

- 20.3 <u>Survival</u>. Master Lessee's obligations under this <u>ARTICLE 20</u> shall survive the expiration or earlier termination of the Lease Term except as otherwise provided in <u>Section 19.5.1</u>. No modification, termination or surrender to City of this Master Lease or surrender of the Leased Premises or any part thereof, or of any interest therein by Master Lessee, shall be valid or effective unless agreed to and accepted in writing by City, and no act by any representative or agent of City, other than such written agreement and acceptance, shall constitute an acceptance thereof.
- 20.4 <u>Release of Memorandum of Lease</u>. If a Memorandum of Lease was recorded pursuant to <u>Section 3.5</u>, upon the expiration or earlier termination of this Master Lease, Master Lessee shall execute a release of the Memorandum of Lease in recordable form and deliver the same to City for recordation in the Official Public Records of Travis County, Texas. If Master Lessee fails to execute and deliver such release to City within thirty (30) days of the expiration or earlier termination of this Master Lease, City is hereby authorized to execute the same on behalf of Master Lessee. Master Lessee hereby appoints City and each of its employees its true and lawful attorneys-in-fact to execute and deliver the release of the Memorandum of Lease upon Master Lessee's failure to execute and deliver the same, which power is coupled with an interest and shall be irrevocable.

ARTICLE 21 DEFAULT

- 21.1 <u>Events of Default</u>. The term "Event of Default" shall mean:
 - (a) the occurrence of an event described in <u>Section 21.1.8</u>;
- (b) the occurrence of any event described in <u>Section 21.1.1</u>, <u>Section 21.1.4</u>, or <u>Section 21.1.5</u> or that continues for a period of ten (10) days after a Notice of Default is deemed received by Master Lessee in accordance with <u>Section 26.9</u> hereof; or
- (c) the occurrence of any event described in Section 21.1.2, 21.1.3, 21.1.6, 21.1.7, 21.1.9, 21.1.10, 21.1.11 or 21.1.12 that continues for a period of thirty (30) days after a Notice of Default is deemed received by Master Lessee in accordance with Section 26.9 hereof or if such failure cannot reasonably be cured within such thirty (30) day period, Master Lessee fails to commence to cure such failure within such thirty (30) day period and/or thereafter fails to prosecute such cure diligently and continuously to completion within sixty (60) days the Notice of Default is deemed to be received by Master Lessee in accordance with Section 26.9 hereof; provided however, if Master

Lessee's failure to comply with such <u>Sections</u> creates a hazardous condition, the failure must be cured immediately on Master Lessee's receipt of the Notice of Default; or

- (d) if City delivers a Notice of Default to Master Lessee in accordance with Section 26.9 regarding the occurrence of any event described in any of Section 21.1.4, Section 21.1.5 or Section 21.1.6 on more than two (2) occasions during any Lease Agreement Year, the subsequent breach of the same term, provision or covenant shall, at the City's option, be an incurable Event of Default. The occurrence of an event described in Section 21.1.8 shall be an incurable Event of Default for which no Notice of Default or opportunity to cure will be given. Any subsequent Notice of Default for the breach of the same term, provision or covenant described in a prior Notice of Default shall not be given until the applicable cure period for the breach described in the prior Notice of Default has lapsed.
- 21.1.1 <u>Vacating or Abandonment</u>. The vacating or abandonment of the Leased Premises for a period of forty-eight consecutive (48) hours;
- 21.1.2 <u>Failure to Lease Space in CONRAC</u>. The failure by Master Lessee to enter into valid and binding Sublease Agreements with RACs for space within the CONRAC as required by and according to the terms of <u>Section 14.1</u>;
- 21.1.3 <u>Failure to Perform Under Agreements</u>. The failure by Master Lessee to observe and perform the covenants, conditions and agreements to be observed or performed by Master Lessee under the 2011 Reimbursement Agreement, Development Agreement, Facility Management Agreement or any Sublease Agreement;
- 21.1.4 <u>Failure to Make Payments</u>. The failure by Master Lessee to make any payment of Rent or other amounts required by this Master Lease when due;
- 21.1.5 <u>Failure to Perform under ARTICLE 15</u>. The failure by Master Lessee to observe or perform the covenants, conditions and agreements to be observed or performed by Master Lessee in <u>ARTICLE 15</u> hereof;
- 21.1.6 <u>Failure to Perform under ARTICLE 16 and ARTICLE 17</u>. The failure by Master Lessee to observe or perform the covenants, conditions and agreements to be observed or performed by Master Lessee in <u>ARTICLE 16 and ARTICLE 17</u> hereof;
- 21.1.7 <u>Failure to Perform Other Covenants, etc.</u> The failure by Master Lessee to observe or perform any other covenant, condition or agreement to be observed or performed by Master Lessee in this Master Lease;
- 21.1.8 <u>False Financial or Background Statement</u>. The discovery by City that any financial or background statement provided to City by Master Lessee or any successor, grantee or assign of Master Lessee was materially false;
- 21.1.9 <u>Bankruptcy</u>, <u>etc.</u> The filing by or against Master Lessee of a petition in bankruptcy, Master Lessee's being adjudged bankrupt or insolvent by any court, a receiver of the

property of Master Lessee being appointed in any proceeding brought by or against Master Lessee, Master Lessee's making an assignment for the benefit of creditors or any proceeding being commenced to foreclose any mortgage or other lien on Master Lessee's interest in the Leased Premises or on any personal property kept or maintained on the Leased Premises by Master Lessee;

- 21.1.10 <u>Failure to Abide by all Applicable Laws</u>. The failure by Master Lessee to abide by all applicable laws, ordinances, rules, and regulations of the United States, State of Texas, or the City of Austin;
- 21.1.11 <u>Event of Default Under Development Agreement, Facility Management</u>

 <u>Agreement.</u> The occurrence of an "Event of Default" as such term is defined in the 2011

 Reimbursement Agreement, Development Agreement, the Facility Management Agreement; or
- 21.1.12 <u>Failure to File Annual Audited Statement</u>. The failure of Master Lessee to submit its Annual Audited Statement within one hundred twenty (120) days after the end of the Lease Agreement Year shall be a material event of default.
- 21.2 <u>Remedies</u>. In addition to, and not in lieu or to the exclusion of, any other remedies provided in this Master Lease or to any other remedies available to City at law or in equity, City shall have the remedies specified in this <u>Section</u> upon the occurrence of an Event of Default hereunder.
- 21.2.1 Right to Terminate Rights of Master Lessee. Whenever any Event of Default has occurred, City shall have the right to terminate this Master Lease and all of Master Lessee's rights hereunder with ten (10) days' notice to Master Lessee. Upon termination, City may re-enter the Leased Premises using such force as may be necessary and remove all persons and property of Master Lessee from the Leased Premises. City will be entitled to recover from Master Lessee all unpaid Rent and any other amount otherwise payable by Master Lessee, or any other payments and damages incurred because of Master Lessee's default including the reasonable and necessary costs of reletting (including any tenant improvements reasonably required, renovations or repairs reasonably required, any advertising reasonably required, any leasing commissions reasonably required, and attorneys' fees and costs reasonably required) (collectively, the "Termination Damages"), together with interest on all Termination Damages at the Default Rate, from the date such Termination Damages are incurred by City until paid by Master Lessee.
- 21.2.2 <u>Master Lessee Retains Liability</u>. In addition to Termination Damages, and notwithstanding termination and re-entry, Master Lessee's liability for all Rent and all other amounts otherwise payable by Master Lessee hereunder, or other charges which, but for termination of this Master Lease, would have become due over the remainder of the Lease Term (collectively, the "**Future Charges**"), will not be extinguished and Master Lessee agrees that City will be entitled, upon termination for default, to collect as additional damages the following (the "**Deficiency**"):

21.2.2.1 An amount equal to the Future Charges, less the amount of actual fees, if any, which City receives during the remainder of the Lease Term from others to whom the Leased Premises may be leased including any fees or rents received from any Substitute Master Lessee, from any RACs, or from any other use in which case such Deficiency will be computed and payable at City's option either in an accelerated lump-sum payment discounted to net present value, or in monthly installments, in advance, on the first day of each calendar month following termination of this Master Lease and continuing until the date on which the Lease Term would have expired but for such termination. Any suit or action brought to collect any portion of Deficiency attributable to any particular month or months shall not in any manner prejudice City's right to collect any portion of the Deficiency by a similar proceeding. For purposes of this Section, "net present value" is computed by applying a discount rate equal to one percentage point above the discount rate then in effect at the Federal Reserve Bank for the region that includes Austin, Texas.

21.2.3 Re-Letting of Leased Premises. In the event this Master Lease is terminated as a result of an Event of Default, except as provided in Section 21.2.5, City shall have no obligation, to re-let the Leased Premises in whole or in part, alone or together with other Leased Premises, upon a termination of this Master Lease. City shall not be liable for, nor will Master Lessee's obligations under this Master Lease be diminished by reason of, any failure by City to re-let the Leased Premises or any failure by City to collect any rent due upon such reletting. Notwithstanding the foregoing, City and Master Lessee agree that any duty imposed by then Applicable Laws on City to mitigate damages after a default by Master Lessee under this Master Lease and termination of Master Lessee's right to possess of the Leased Premises shall be satisfied in full if City uses reasonable efforts to mitigate damages by reletting the Leased Premises to another master lessee (a "Substitute Master Lessee") in accordance with the following criteria: (a) City shall have no obligation to solicit or entertain negotiations with any Substitute Master Lessee for the Leased Premises until ninety (90) days following the date upon which City obtains full and complete possession of the Leased Premises, including the relinquishment by Master Lessee of any claim to possession of the Leased Premises by written notice from Master Lessee to City, and during such period the obligations of the terminated Master Lessee shall be born directly by the RACs in the same respective proportions as the RACs were then most recently obligated to pay Master Lessee for Base Rent and O&M Costs; (b) City shall not be obligated to lease the Leased Premises to a Substitute Master Lessee for less than the current fair market value of the Leased Premises, as determined by City in its sole discretion, or for less than the then current Base Rent under the Master Lease nor will City be obligated to enter into a new Master Lease for the Leased Premises under other terms and conditions that are unacceptable to City under City's then-current leasing policies; (c) City shall not be obligated to enter into a Master Lease with a Substitute Master Lessee: (1) who is not qualified or willing to perform all of Master Lessee's obligations under this Master Lease; (2) who is an affiliate, parent or subsidiary of Master Lessee; or (3) who does not meet City's reasonable standards for master lessees of the CONRAC as reasonably determined by City; and (d) City shall not be required to expend any amount of money in connection with reletting the Leased Premises or to alter, remodel or otherwise make the Leased Premises suitable for use by a Substitute Master Lessee.

- Personal Property of Master Lessee. If upon any re-entry permitted under this Master Lease, there remains any personal property of Master Lessee upon the Leased Premises, City, in its sole discretion, may remove and store such personal property for the account of and at the expense of Master Lessee, or make such personal property available to Substitute Master Lessee for use in connection with this Master Lease or any substitute master lease. All personal property of Master Lessee left on the Leased Premises will be considered permanently abandoned. Master Lessee shall bear all risks associated with the removal and storage of such personal property. Master Lessee shall reimburse City for any and all expenses incurred in connection with removal and storage as a condition to regaining possession of the personal property. City has the right to sell any personal property not accepted by a Substitute Master Lessee and which has been stored for a period of thirty (30) days or more, unless Master Lessee has tendered reimbursement to City for all expenses incurred in such removal and storage. The proceeds of sale will be applied first to the costs of sale (including reasonable attorneys' fees), second to the payment of removal and storage charges, and third to the payment of any other amounts which may then be due and owing from Master Lessee to City. The balance of sale proceeds, if any, will then be paid to Master Lessee. Master Lessee agrees that the foregoing provisions and timeframes are reasonable and in compliance with any applicable provisions of the Uniform Commercial Code.
- 21.2.5 <u>Status of Sublease Agreements on Event of Default</u>. In the event that this Master Lease is terminated as a result of an Event of Default:
- 21.2.5.1 reasonably attributable to a material failure of one or more RACs to abide by their obligations under their respective Sublease Agreements or the occurrence of an Event of Default(s) under their respective Sublease Agreements, City, in its sole and absolute discretion, may terminate any or all of the Sublease Agreements to which the Event of Default under the Master Lease is reasonably attributable;
- 21.2.5.2 not reasonably attributable to a material failure of a RAC to abide by its obligations under its Sublease Agreement or the occurrence of an Event of Default(s) under its Sublease Agreement, subject to Section 22.4 City will affirm the Sublease Agreement of each such RAC as a direct lease between City and the RAC provided that the RAC is then in Good Standing; or
- 21.2.5.3 as a result of any other Event of Default, City, in its sole and absolute discretion, may terminate any or all of the Sublease Agreements or subject to <u>Section 22.4</u>, affirm any or all as direct leases between City and the applicable RAC.

The determination of whether an Event of Default is reasonably attributable to a Sublease Agreement or not shall be in the sole and absolute discretion of City. In no event shall City be liable or responsible for any obligations under any Sublease Agreement which is affirmed accruing or arising prior to the date of such affirmation.

21.3 <u>Remedies Cumulative</u>. All rights, options and remedies of City contained in this Master Lease shall be construed and held to be distinct, separate and cumulative, and no one of them shall be exclusive of the other, and City shall have the right to pursue any one or all of such

remedies or any other remedy or relief which may be provided by law or in equity, whether or not stated in this Master Lease.

ARTICLE 22 TERMINATION

- 22.1 <u>Termination</u>. This Master Lease may be terminated prior to the Termination Date as follows:
- 22.1.1 <u>Default</u>. City may terminate this Master Lease upon the occurrence of an Event of Default as provided in <u>Section 21.1 and 21.2.1</u> hereof.
- 22.1.2 <u>Termination of Concession Agreement</u>. City may terminate this Master Lease upon the termination of Concession Agreement(s) constituting fifty-one percent (51%) of Market Share pursuant to an event described in Section 13.1 or 14.1 of the Concession Agreement.
- 22.1.3 <u>Termination of Development Agreement</u>. City may terminate this Master Lease upon the termination of the Development Agreement pursuant to an event of default or exercise of a termination right under the Development Agreement if a substitute contract for development of the Joint Use Facility on terms substantially similar to those under the Development Agreement has not been presented to City for approval or is not thereafter approved.
- 22.1.4 Termination of Facility Management Agreement. City may terminate this Master Lease upon the termination of the Facility Management Agreement pursuant to an event of default or exercise of a termination right under the Facility Management Agreement, unless Master Lessee has made adequate arrangements to replace the then-current Facility Manager; provided however, Master Lessee must (a) notify the City ten (10) days prior to terminating the existing Facility Management Agreement, and (b) obtain the prior written consent of City to the termination of the existing Facility Management Agreement and the new Facility Management Agreement before entering into the new Facility Management Agreement. If City declines to provide written consent to terminate the existing Facility Management Agreement then in default for matters relating to the operations of the CONRAC, then the City may not terminate this Master Lease on the basis of that default under that existing Facility Management Agreement.
- 22.1.5 <u>Termination of Construction Contract</u>. City may terminate this Master Lease upon the termination of the Construction Contract pursuant to an event of default or exercise of a termination right under the Construction Contract if a substitute contract for construction of the Joint Use Facility on terms substantially similar to those under the Development Agreement has not been presented to City for approval.
- 22.1.6 <u>Termination of Sublease Agreements</u>. City may terminate this Master Lease upon the termination of fifty-one percent (51%) of the Sublease Agreements pursuant to an event described in Sections 21.1 or 22.1 of the Sublease Agreements; provided, however, in no event shall Master Lessee be entitled to terminate any Sublease Agreement without the prior

written consent of City. If City declines to provide written consent to terminate any Sublease Agreement then in monetary default, then the City may not terminate this Master Lease on the basis of that default under that subject Sublease Agreement.

- 22.1.7 <u>Exercise of Option to Terminate</u>. City may terminate this Master Lease upon the City's exercise of its termination option pursuant to <u>Section 4.5</u>.
- 22.1.8 <u>Court Decree</u>. In the event that any court having jurisdiction in the matter shall render a decision which has become final and which will prevent the performance by City of any of its material obligations under this Master Lease, then either party hereto may terminate this Master Lease by written notice, and all rights and obligations hereunder (with the exception of any undischarged rights and obligations that accrued prior to the effective date of termination) shall thereupon terminate. If Master Lessee is not in default under any of the provisions of this Master Lesse on the effective date of such termination, any Rent or other payments prepaid by Master Lessee shall, to the extent allocable to any period subsequent to the effective date of the termination, be promptly refunded to Master Lessee.
- 22.1.9 <u>Major Damage or Condemnation</u>. City may terminate this Master Lease upon City's exercise of its termination option pursuant to <u>Section 19.2</u> in the event the Leased Premises are damaged or destroyed by fire or other casualty. The Master Lease shall terminate if the entire Leased Premises are taken by right of eminent domain as provided in <u>Section 19.5.1</u>. Master Lessee may terminate this Master Lease upon Master Lessee's exercise of its termination option pursuant to <u>Section 19.5.1</u> if less that all of the Leased Premises are taken by right of eminent domain and the remaining portion of the Leased Premises is insufficient for the conduct of Mater Lessee's business.
- 22.1.10 <u>City's Other Rights to Terminate</u>. City may terminate this Master Lease upon City's exercise of its termination option pursuant to <u>Sections 26.1 or 26.4.5</u> or pursuant to the exercise of any other termination option expressly provided for in this Master Lease, but not specifically described in <u>Sections 22.1.1 22.1.9</u>.
- 22.1.11 <u>Master Lessee's Right to Terminate</u>. In addition to any other termination option expressly provided to Master Lessee in this Master Lease, Master Lessee may terminate this Master Lease upon not less than six (6) months written notice to City when the Market Share serving Airport Customers by off-Airport Concessionaires exceeds the Market Share of Concessionaires with Sublease Agreements at the CONRAC. In the event of Master Lessee's termination of this Master Lease pursuant to this <u>Section</u>, City, in its sole and absolute discretion, may terminate or direct Master Lessee to terminate any or all of the Sublease Agreements or subject to <u>Section 22.4</u>, affirm any or all as direct leases between City and the applicable RAC.
- 22.2 <u>Improvements and Equipment</u>. Subject to the terms of <u>Sections 10.1 and 20.1</u>, upon the expiration or termination of this Master Lease title to all Vested Improvements shall be and remain vested in City and the exclusive property of City, and no Vested Improvements may be removed from the CONRAC Site by the Master Lessee except as provided in this <u>Section</u>. Subject to the terms of <u>Sections 10.1 and 20.1</u>, to the extent City notifies Master Lessee prior to

issuance of the City Building Permit or while improvements are being constructed or equipment is being installed that City will not accept any such improvements or equipment, the City reserves the right to direct Master Lessee to remove the same at any time during the Lease Term or upon expiration or termination of this Master Lease.

- 22.3 <u>Status of Sublease Agreements on Termination of Master Lease</u>. In the event that this Master Lease is terminated:
- 22.3.1 as a result of the termination of Concession Agreements constituting fifty-one percent (51%) of Market Share as provided in Section 22.1.2 or fifty-one percent (51%) of the Sublease Agreements in Section 22.1.6 or entry of a court decree as provided in Section 22.1.8, City, in its sole and absolute discretion, may terminate any or all of the remaining Sublease Agreements or, subject to Section 22.4, affirm any or all as direct leases between City and the applicable RAC;
- 22.3.2 as a result of the termination of the Development Agreement as provided in <u>Section 22.1.3</u>, the Facility Management Agreement as provided in <u>Section 22.1.4</u> or the Construction Contract as provided in <u>Section 22.1.5</u>, subject to <u>Section 22.4</u> City will affirm any Sublease Agreement of a RAC in Good Standing at the time of the termination of the Master Lease as a direct lease between City and the applicable RAC, but, in its sole and absolute discretion, may terminate any Sublease Agreement of a RAC not in Good Standing;
- 22.3.3 pursuant to <u>Section 4.5.1</u>, subject to <u>Section 22.4</u> City will affirm any Sublease Agreement of a RAC in Good Standing at the time of the termination of the Master Lease as a direct lease between City and the applicable RAC, but, in its sole and absolute discretion, may terminate any Sublease Agreement of a RAC not in Good Standing;
- 22.3.4 pursuant to <u>Section 4.5.2</u>, City will terminate all Sublease Agreements thirty-six (36) months after written notice of termination to the RACS;
- 22.3.5 pursuant to the occurrence of an Event of Default pursuant to <u>Section 21.1</u>, except as otherwise provided in <u>Section 21.2.5.2</u>, City, in its sole and absolute discretion, may terminate any or all of the Sublease Agreements or, subject to <u>Section 22.4</u>, affirm any or all as direct leases between City and the applicable RAC;
- 22.3.6 pursuant to <u>Section 19.2 or 19.5.1</u>, City will terminate all Sublease Agreements; or
- 22.3.7 pursuant to <u>Section 26.1 or 26.4.5</u> or pursuant to City's exercise of any other termination option expressly provided for in this Master Lease, but not specifically described in <u>Sections 22.1.1 22.1.9</u>, City, in its sole and absolute discretion, may terminate any or all of the Sublease Agreements or, subject to <u>Section 22.4</u>, affirm any or all as direct leases between City and the applicable RAC.

In any case where notice of termination of a Sublease Agreement is required or directed by City prior to the termination of the Master Lease, on direction of City, Master Lessee shall provide notice of termination of the applicable Sublease Agreement in accordance with the terms of such Sublease Agreement. In no event shall City be liable or responsible for any obligations under any Sublease Agreement which is affirmed accruing or arising prior to the date of such affirmation.

22.4 <u>City's Option to Relet Leased Premises</u>. To the extent that City has an obligation or option to affirm any Sublease Agreement pursuant to <u>Sections 21.2.5, 22.3 or 22.1.11</u>, City shall have the option in lieu thereof to relet the Leased Premises to a Substitute Master Lessee in accordance with the terms of <u>Section 21.2.3</u>. The new master lease with the Substitute Master Lessee shall require the Substitute Master Lessee to assume any Sublease Agreement which the City has an obligation to affirm or that City has opted to affirm or to replace any such Sublease Agreement with a new Sublease Agreement on the same terms. Neither the City nor any Substitute Master Lessee shall be required to affirm, assume or replace any Sublease Agreement of a RAC not in Good Standing.

ARTICLE 23 NO WAIVER; CITY'S RIGHT TO PERFORM

- 23.1 Receipt of Monies Following Termination. No receipt of monies by City from Master Lessee after the termination or cancellation of this Master Lease in any lawful manner shall (a) reinstate, continue or extend the Lease Term; (b) affect any notice theretofore given to Master Lessee; (c) operate as a waiver of the rights of City to enforce the payment of any Rent or other amount otherwise payable by Master Lessee then due or thereafter falling due; or (d) operate as a waiver of the right of City to recover possession of the Leased Premises by suit, action, proceeding or remedy. Master Lessee agrees that, after the service of notice to terminate the rights of Master Lessee or cancel this Master Lease, or after the commencement of suit, action or summary proceedings or any other remedy, or after a final order or judgment for the possession of the Leased Premises, City may demand, receive and collect any monies due, or thereafter falling due, without in any manner affecting such notice, proceeding, suit, action, remedy, order or judgment; and any and all such monies collected shall be deemed to be payments on account of the use and occupation by Master Lessee and/or Master Lessee's liability hereunder.
- 23.2 No Waiver of Breach. The failure of City to insist, in any one or more instances, upon a strict performance of any of the covenants of this Master Lease or to exercise any option herein contained, shall not be construed as a waiver or relinquishment of the future performance of such covenant, or the right to exercise such option, but the same shall continue and remain in full force and effect. The receipt by City of Rent or other amount otherwise payable by Master Lessee hereunder with knowledge of the breach of any covenant hereof, shall not be deemed a waiver of such breach, and no waiver by City of any provision hereof shall be deemed to have been made unless expressed in writing and signed by City. The consent or approval of City to or of any act by Master Lessee requiring City's consent or approval shall not be deemed to waive or render unnecessary City's consent to or approval of any subsequent similar acts by Master Lessee.

- 23.3 <u>No Waiver</u>. The receipt by City of any installment of Rent or other amount otherwise payable by Master Lessee shall not be a waiver of any Rent or other amount otherwise payable by Master Lessee hereunder.
- 23.4 <u>Application of Payments</u>. City shall have the right to apply any payments made by Master Lessee to the satisfaction of any debt or obligation of Master Lessee to City, in City's sole discretion, regardless of the instructions of Master Lessee as to the application of any such sum (whether such instructions are endorsed upon Master Lessee's check or otherwise), unless otherwise agreed by both parties in writing. The acceptance by City of a check or checks drawn by a Person other than Master Lessee shall in no way affect Master Lessee's liability hereunder (except as a credit against such liability) nor shall it be deemed an approval of any assignment of this Master Lesse or subletting by Master Lessee nor a waiver of or impairments of any of City's rights hereunder.
- 23.5 <u>City's Right to Perform</u>. Upon Master Lessee's failure to perform any obligation or make any payment required of Master Lessee hereunder, City shall, after ten (10) days written notice (provided that no notice shall be required during any real or threatened emergency to life, safety or structural integrity), have the right (but not the obligation) to perform such obligation of Master Lessee on behalf of Master Lessee and/or to make payment on behalf of Master Lessee. Master Lessee shall reimburse City the reasonable cost of City's performing such obligation on Master Lessee's behalf, including reimbursement of any amounts that may be expended by City, plus interest at the Default Rate.

ARTICLE 24 ASSIGNMENT OR SUBLEASE

24.1 Prohibition. Subject to the provisions of ARTICLE 14 regarding Sublease Agreements, Master Lessee shall not, without the prior consent of City, assign or transfer this Master Lease or any interest herein or sublet the whole or any portion of the Leased Premises, nor shall this Master Lease or any interest hereunder be assignable or transferable by operation of law or by any process or proceeding of any court or otherwise, without the prior consent of City. If Master Lessee is anything other than an individual, Master Lessee further agrees that if, at any time during the Lease Term, more than one-half (1/2) of the outstanding voting equity interests of Master Lessee shall belong to any Persons other than those which own more than one-half (1/2) of those outstanding voting equity interests at the time of the execution of this Master Lease or members of their immediate families (i.e., a person's spouse, children, grandchildren or siblings or any of the spouses of such person's children, grandchildren or siblings), such change in the ownership of Master Lessee shall be deemed an assignment of this Master Lease within the meaning of this ARTICLE; provided, however, this sentence shall not apply if and to the extent that Master Lessee is a corporation, the outstanding voting stock of which is publicly traded on a recognized security exchange. Master Lessee's entering into any operating agreement, license or other agreement under which a third party is given rights or privileges to enjoy a portion of or to utilize a portion of the Leased Premises shall be an attempted subletting, assignment or transfer within the meaning of this ARTICLE.

- 24.2 <u>Assignment or Sublease</u>. The terms of this <u>Section</u> are subject to the requirements of ARTICLE 14 hereof.
- 24.2.1 <u>Deliveries to City</u>. If Master Lessee shall, at any time during the Lease Term, desire to sell, assign or otherwise transfer this Master Lease in whole or in part, or any right or leasehold interest granted to it by this Master Lease, Master Lessee shall, at the time Master Lessee requests the consent of City, deliver to City such information in writing as City may reasonably require with respect to the proposed subtenant, assignee or transferee, including the name, address, nature of business, ownership, financial responsibility and standing of such proposed subtenant, assignee or transferee, together with the proposed form of sublease, assignment or other transfer. Within thirty (30) days after receipt of the information specified above, City shall notify Master Lessee of its election either (a) to consent to the sublease, assignment or transfer or (b) to disapprove the sublease, assignment or transfer.
- 24.2.2 <u>Additional City Conditions</u>. As a condition for City's consent to any sublease, assignment or other transfer hereunder, City may require that the subtenant, assignee or transferee remit directly to City, on a monthly basis, all monies due to Master Lessee by such subtenant, assignee or transferee. In addition, a condition to City's consent to any sublease, assignment or other transfer of this Master Lease or the Leased Premises shall be the delivery to City of a true copy of the fully executed instrument of sublease, assignment or transfer and an agreement executed by the subtenant, assignee or transferee in form and substance satisfactory to City and expressly enforceable by City, by which the subtenant, assignee or transferee assumes and agrees to be bound by the terms and provisions of this Master Lease and to perform all the obligations of Master Lessee hereunder.
- 24.2.3 <u>Right to Deal with Assignee or Transferee</u>. In the event of any assignment or other transfer of this Master Lease, Master Lessee and each respective assignor or transferor waive notice of default by the assignee or transferee in possession of the Leased Premises in the payment of Rent or other amounts and in the performance of the covenants and conditions of this Master Lease and agree that City may in each and every instance deal with such assignee or transferee in possession, grant extensions of time, waive performance of any of the terms, covenants and conditions of this Master Lease or modify the same, and in general deal with such assignee or transferee in possession without notice to or consent of any assignor or transferor, including Master Lessee; and any and all extensions of time, indulgences, dealings, modifications or waivers shall be deemed to be made with the consent of Master Lessee and of each respective assignor and transferor.
- 24.2.4 <u>Attornment</u>. Master Lessee agrees that any sublease will contain a provision to the effect that if there is any termination whatsoever of this Master Lease, then the subtenant, at the request of City, will attorn to City and the subtenancy, if City so requests, shall continue in effect with City. Nothing herein shall be deemed to require City to accept such attornment except as provided in Sections 21.2.5 and 22.3.
- 24.2.5 <u>Master Lessee's Liability.</u> No assignment or other transfer by Master Lessee of this Master Lease in whole or in part, or any right or leasehold interest granted to it by this Master Lease, and no subletting of the Leased Premises or any portion thereof, shall relieve

Master Lessee of any obligation under this Master Lease, including Master Lessee's obligation to pay all Rent and other amounts due hereunder. Any purported sublease, assignment or other transfer contrary to the provisions hereof without the consent of City shall be void. The consent by City to any subletting, assignment or other transfer hereunder shall not constitute a waiver of the necessity for such consent to any subsequent subletting, assignment or other transfer.

- 24.2.6 <u>Reimbursement to City</u>. Master Lessee shall reimburse City any reasonable professionals' fees and expenses incurred by City in connection with any request by Master Lessee for consent to any such sublease, assignment or other transfer hereunder.
- Assignment to Successor or Affiliate. Subject to the requirements of Sections 24.2 and 24.4 hereof, City agrees that it will not unreasonably condition or withhold its consent to an assignment or other transfer of this Master Lease to: (a) any corporation or other legal entity which at the time of such assignment or other transfer is the parent or a wholly-owned subsidiary of Master Lessee; (b) any corporation or other legal entity with which Master Lessee may merge or into which it may consolidate; or (c) any Person that may acquire all or substantially all of Master Lessee's rental car business or assets; provided, however, in each instance the surviving, resulting or transferee Person expressly assumes in writing all the obligations of Master Lessee contained in this Master Lease and the surviving, resulting or transferee Person has a consolidated net worth (after giving effect to such consolidation, merger or transfer) at least equal to the greater of (i) the net worth of Master Lessee as of the Effective Date of this Master Lease or (ii) the net worth of Master Lessee immediately prior to such consolidation, merger or transfer. The term "net worth" as used in this Section 24.3 means the difference obtained by subtracting total liabilities from total assets of Master Lessee and all of its subsidiaries in accordance with generally accepted accounting principles.
- 24.4 <u>Lease in CONRAC Required</u>. Notwithstanding any other terms or provisions of this <u>ARTICLE 24</u>, no proposed subtenant of Master Lessee shall be permitted to use or occupy any portion of the Leased Premises under a sublease for car rental use unless such proposed subtenant executes and Master Lessee delivers to City a Sublease Agreement for space within the CONRAC on substantially the same terms as contained in the form of Sublease Agreement described in <u>Section 14.1</u>, above, or otherwise obtains rights under a Sublease Agreement pursuant to rules, regulations, procedures and requirements established by City. Without limitation of the foregoing, each car rental subtenant of all or any portion of the Leased Premises must agree to collect the Customer Facility Charge in accordance with a Concession Agreement.
- 24.5 <u>Leasehold Mortgages Not Permitted</u>. Master Lessee shall have no right (a) to convey, pledge or encumber, by deed of trust, mortgage or similar instrument, its leasehold interest in and to the Leased Premises or any improvements or equipment or Vested Improvements constructed, placed or installed by Master Lessee on the CONRAC Site, or (b) to assign this Master Lease as collateral security for any indebtedness of Master Lessee.

ARTICLE 25 DISADVANTAGED BUSINESS ENTERPRISES, M/WBE PROCUREMENT PROGRAM AND WAGE RATES

- 25.1 ACDBE Program. Except as otherwise determined by the FAA, this Master Lease is a revenue-producing contract awarded to Master Lessee and will result in the provision of goods and services to passengers, patrons and tenants at the Airport. Federal law and regulations impose ACDBE goals upon the performance of this Master Lease by Master Lessee, and City encourages Master Lessee voluntarily to strive to include significant involvement with minority business enterprises in operations under this Master Lease. City has established a goal of six percent (6%) ACDBE participation for this Master Lease. ACDBE participation may be achieved through the purchase of goods and services necessary to conduct a Rental Car Concession business at the Airport from ACDBEs, as further described in the DOT regulations governing ACDBE participation, 49 C.F.R. Part 23.53, as amended or modified from time to time. These goods and services may include the purchase or lease of new vehicles from ACDBE firms. All ACDBE firms initially used to meet this ACDBE goal must be certified as ACDBEs by City prior to the Date of Beneficial Occupancy. Only ACDBE entities that have a direct contract with Master Lessee may be counted toward achievement by Master Lessee of the ACDBE participation goal for this Master Lease.
- ACDBE Program Compliance. Master Lessee has advised City that it will use the ACDBEs described in the ACDBE Participation Schedule in providing the services described therein. Master Lessee agrees that, within thirty (30) days after the expiration of each calendar quarter during the Lease Term, it will provide an ACDBE Quarterly Revenue Report to City describing the dollar value of vehicles and other goods and services purchased by Master Lessee from each ACDBE set forth in the ACDBE Participation Schedule (and each substitute ACDBE obtained pursuant to this Section) calculated in accordance with the requirements of 49 C.F.R. Part 23.53, as amended or modified from time to time. Master Lessee agrees that it also shall submit, within thirty (30) days after the expiration of each calendar quarter during the Lease Term, a report to City, in a form acceptable to City, describing Master Lessee's total dollar value of vehicles and other goods and services purchased by Master Lessee during such quarter. Master Lessee shall have no right to terminate for convenience an ACDBE set forth in the ACDBE Participation Schedule without City's prior consent. If any such ACDBE is terminated by Master Lessee with City's prior consent or because of ACDBE's default under its contractual obligations to Master Lessee, then Master Lessee must make a good faith effort, in accordance with the requirements of 49 C.F.R. Part 23.25(e)1(iii) and (iv), as amended or modified from time to time, and 49 C.F.R. Part 26.53, as amended or modified from time to time, to find another ACDBE to substitute for the original ACDBE to sell the same amount of vehicles and other goods and services under the contact as the ACDBE that was terminated. Master Lessee must implement appropriate mechanisms to ensure compliance with the requirements of the DOT regulations governing ACDBE participation, 49 C.F.R. Part 23.53, as amended or modified from time to time, by all ACDBEs set forth in the ACDBE Participation Schedule. Master Lessee must include in its ACDBE participation program the specific provisions to be inserted into concession agreements, development agreements, construction contracts, subleases and management contracts to ensure compliance with such regulations. Master Lessee's failure to comply with its obligations under this Section shall constitute a default under this Master Lease.

- ACDBE Participation Schedule. In the event of a change in the identity of the ACDBEs participating in the operations under this Master Lease, Master Lessee shall deliver, within ten (10) days after such change, a revised ACDBE Participation Schedule to City in the manner and to the addressees for City specified in accordance with Section 26.9 hereof. A notice by Master Lessee to City to remove a particular ACDBE from the ACDBE Participation Schedule is not sufficient for purposes of this Section. When Master Lessee submits a revised ACDBE Participation Schedule hereunder, Master Lessee must submit a complete revised ACDBE Participation Schedule that includes the required information for all ACDBEs then participating in operations under this Master Lease. Master Lessee also shall send a copy of such revised ACDBE Participation Schedule in the manner provided by Section 26.9 hereof to THE CITY OF AUSTIN, Small and Minority Business Resources, 4201 Ed Bluestein Boulevard, Austin, Texas 78721, Telephone (512) 974-7600, Fax (512) 974-7601.
- Program. Master Lessee shall comply with the standards and principles of the City Minority-Owned and Women-Owned Business Enterprise (M/WBE) Procurement Program, found at Austin City Code Chapters 2-9A, 2-9B, 2-9C, and 2-9D (Procurement Program). Accordingly, Master Lessee shall develop and submit to City an M/WBE Compliance Plan for approval in accordance with the standards and principles of the Procurement Program. Master Lessee will utilize subcontractors, suppliers and consultants that either assist Master Lessee in meeting the M/WBE participation goals, or Master Lessee will demonstrate Good Faith Efforts to meet the goals. The Compliance Plan shall be incorporated into and made a part of this Master Lease for all purposes once approved by City, and a violation by Master Lessee shall be an event of default.
- 25.5 <u>Wage Rates/Prevailing Wage</u>. As Master Lessee administers procurements to implement this Master Lease, Master Lessee must comply with, and require its contractors and subcontractors supplying construction labor or materials to the Project to comply with, the City's prevailing wage requirements throughout solicitation of any construction contract or procurement of services for the construction of improvements to be built as described in this Master Lease. The City has adopted the general prevailing rate of per diem wages established by the U.S. Department of Labor for work of similar character in the locality in which the work is performed as the minimum per diem wages to be paid in connection with a City public improvement project for the construction of public buildings. The rates the City pays are the rates in effect for Travis County at the time the City advertises these projects for bid. Resolution No. 20080605-047 adopts these same wage rates for public-private projects such as this one in which the City is a participant.

ARTICLE 26 GENERAL PROVISIONS

26.1 <u>Gratuities</u>. City may, by written notice to Master Lessee, terminate this Master Lease without liability if it is determined by City that gratuities were offered or given by the Master Lessee or any agent or representative of Master Lessee to any officer or employee of City with a view toward securing this Master Lease or securing favorable treatment with respect to the awarding or amending or the making of any determinations with respect to the performance

of this Master Lease. In the event this Master Lease is terminated by the City pursuant to this provision, the City shall be entitled, in addition to any other rights or remedies, to recover or withhold from the Master Lessee the amount of the cost incurred by the Master Lessee in providing such gratuities

- 26.2 <u>Prohibition Against Personal Interest in Contracts</u>. No officer, employee, contractor, or elected official of City who is involved in the development, evaluation, or decision-making process of the performance of any solicitation shall have a financial interest, direct or indirect, in this Master Lease resulting from that solicitation. Any willful violation of this provision shall constitute impropriety of office, and any officer or employee guilty thereof shall be subject to disciplinary action up to and including dismissal. Any violation of this provision, with the knowledge, express or implied, of the Master Lessee shall render this Master Lease voidable by City.
- Affirmative Action. Master Lessee shall undertake, to the extent applicable, an affirmative action program as required by 14 C.F.R. Part 152, Subpart E, as amended or modified from time to time, to ensure that no person shall, on the grounds of race, creed, color, national origin or sex, be excluded from participating in any employment, contracting or leasing activities covered in 14 C.F.R. Part 152, Subpart E, as amended or modified from time to time. Master Lessee further assures that (a) no person shall be excluded, on these grounds, from participating in or receiving the services or benefits of any program or activity covered by 14 C.F.R. Part 152, Subpart E, as amended or modified from time to time, and (b) it will require that its covered organizations under 14 C.F.R. Part 152, Subpart E, as amended or modified from time to time, provide assurances to Master Lessee that they similarly will undertake affirmative action programs and that they will require assurances from their suborganizations, as required by 14 C.F.R. Part 152, Subpart E, as amended or modified from time to time, to the same effect. Master Lessee agrees to comply with any affirmative action plan or steps for equal employment opportunity required by 14 C.F.R. Part 152, Subpart E, as amended or modified from time to time, as part of the affirmative action program, and by any federal, state or local agency or court, including those resulting from a conciliation agreement, a consent decree, court order or similar mechanism. Master Lessee agrees that state or local affirmative action plans will be used in lieu of any affirmative action plan or steps required by 14 C.F.R. Part 152, Subpart E, as amended or modified from time to time, only when they fully meet the standards set forth in 14 C.F.R. 152.409, as amended or modified from time to time. Master Lessee agrees to obtain a similar assurance from its covered organizations and to cause them to require a similar assurance from their covered suborganizations, as required by 14 C.F.R. Part 152, Subpart E, as amended or modified from time to time.

26.4 No Discrimination. Master Lessee hereby agrees as follows:

26.4.1 <u>Non-discrimination</u>. As part of the consideration for this Master Lease, Master Lessee covenants and agrees that no person on the grounds of race, color, religion, sex, national origin or ancestry, age, sexual orientation, or gender identity, shall be excluded from participation in, denied the benefits of, or otherwise subjected to discrimination in in Master Lessee's operations of the Leased Premises at the Airport. Additionally, Master Lessee shall use all Airport facilities in compliance with all other requirements imposed by, or pursuant to, 49

- C.F.R. Part 21, as amended or modified from time to time. Master Lessee covenants and agrees that this provision shall be binding on any successors and assigns of Master Lessee as permitted hereunder.
- 26.4.2 <u>Employment Decisions</u>. Master Lessee shall comply with Chapters 5-3 and 5-4 of the Austin City Code and will not discriminate against any employee or applicant for employment because of race, color, religion, sex, national origin, or ancestry, age, sexual orientation, gender identity, or disability, and Master Lessee will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, sex, or ancestry, sexual orientation, gender identity, or disability, handicap or creed, including action relating to employment; upgrading, demotion or transfer; recruitment or recruitment advertising; lay-off or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeships.
- 26.4.3 <u>Posting of Notices</u>. Master Lessee will post in conspicuous places, available to its employees and applicants for employment, notices to be provided setting forth the provisions of this <u>Section</u>.
- 26.4.4 <u>Solicitations and Advertisements for Employment</u>. Master Lessee will, in all solicitations or advertisements for employees placed by or on behalf of Master Lessee, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin or ancestry, sexual orientation, gender identity, or disability.
- 26.4.5 <u>Noncompliance</u>. In the event of Master Lessee's noncompliance with the nondiscrimination requirements of this Master Lease after notice under <u>Section 21.1(b)</u> and failure to cure, this Master Lease may be immediately canceled, terminated or suspended, in whole or in part, by City by providing notice of termination to Master Lessee, and Master Lessee may be declared ineligible for further government contracts or federally assisted construction contracts and such other sanctions may be imposed and remedies may be invoked in accordance with Applicable Laws.
- Purchase Orders. Master Lessee will include the provisions of this Section 26.4 in each of its subleases, contracts or purchase orders unless exempted by rules, regulations or orders of the United States Secretary of Labor issued pursuant to Section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subtenant, contractor or vendor. Master Lessee will take such action with respect to any sublease, contract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance; provided, however, in the event Master Lessee becomes involved in or is threatened with litigation by a subtenant, contractor or vendor as a result of such direction by the administering agency, Master Lessee may request the United States to enter into such litigation to protect the interests of the United States.
- 26.5 <u>No Exclusive Right</u>. Nothing herein contained shall be deemed to grant Master Lessee any exclusive right or privilege within the Federal Aviation Act, or the conduct of any

activity at the Airport, except that, subject to the terms and provisions hereof, Master Lessee shall have the right to use the Leased Premises under the provisions of this Master Lease.

- 26.6 <u>Subordination to Other Agreements</u>. This Master Lease is subject and subordinate to the provisions of any agreement heretofore or hereafter made between City and any other Governmental Authority relative to the operation or maintenance of the Airport, the execution of which has been required as a condition precedent to the transfer of federal rights or property to City for Airport purposes, or the expenditure of federal funds for the improvement or development of the Airport, including the expenditure of federal funds for the development of the Airport in accordance with the provisions of the Federal Aviation Act or the FAA's Airport Improvement Program or in order to impose and use passenger facilities charges under 49 U.S.C. Section 40117 or any successor thereto.
- 26.7 Subordination to City Encumbrances. This Master Lease and all rights of Master Lessee hereunder shall be subject and subordinate to any deed of trust or mortgage lien or security interest encumbering City's interest in the Leased Premises and to any renewal, extension, modification or consolidation of such deed of trust or mortgage or security agreement granting such security interest. However, City hereby represents and warrants that the Leased Premises are free of any such deed of trust or mortgage lien or security interest as of the Effective Date. Master Lessee agrees, at any time, and from time to time, upon not less than twenty (20) days prior notice by City, to execute, acknowledge and deliver to City a statement in writing certifying that this Master Lease is unmodified and in full force and effect (or if there have been modifications, that the same is in full force and effect as modified and stating the modifications), and the dates to which the Rent and other charges have been paid, and stating whether, to the best knowledge of Master Lessee, City is in default in the performance of any covenant, agreement, provision or condition contained in this Master Lease and, if so, specifying each such default of which Master Lessee may have knowledge. City and Master Lessee intend that any such statement delivered pursuant hereto may be relied upon by any prospective mortgagee of City and any purchaser or tenant of the Leased Premises, and such purchaser's or tenant's mortgagee or prospective mortgagee, and by any prospective assignee and its mortgagee or prospective mortgagee. Master Lessee also agrees to execute and deliver from time to time, upon not less than twenty (20) days prior notice by City, such similar estoppel certificates as a lender to City may require with respect to this Master Lease. If Master Lessee fails or refuses to furnish such certificate within the time provided, it will be conclusively presumed that this Master Lease is in full force and effect in accordance with its terms and City is not in default hereunder.
- 26.8 <u>No Waiver</u>. No waiver of default by either party of any of the terms, covenants or conditions herein to be performed, kept and observed by the other party shall be construed as, or shall operate as, a waiver of any subsequent default of any of the terms, covenants or conditions herein contained to be performed, kept and observed by the other party.
- 26.9 <u>Notices, Approvals, Consents, etc.</u> Except for the provisions of this Master Lease which expressly state that a notice, approval, consent, demand, request or other communication may be communicated verbally, all notices, approvals, consents, demands, requests and other communications required or permitted by this Master Lease must be in writing to be effective

and sent by certified United States Mail, first-class postage prepaid, or by a recognized delivery service that provides registered and verifiable shipment or airbill tracking and delivery record, with costs prepaid, to the addresses set forth below:

The person and place to which notices, approvals, consents, demands, requests and other communications are to be sent may be changed by a party hereto upon written notice to the other. A written notice, approval, consent, demand, request or other communication required or permitted hereunder shall be deemed received and effective (i) on the date that is three days after the date on which it is deposited in the United States Mail if sent by certified mail, or (ii) on the date on which the signature receipt is recorded by the recognized delivery service if it is sent by a recognized delivery service.

- 26.10 Consents and Approvals of City. Whenever any provision of this Master Lease requires the consent or approval of City or provides to City the right to make a determination or judgment, City shall have the absolute and unconditional right to withhold its consent or approval, in its sole discretion, and to make such determination or judgment in its sole discretion on the basis of such factors and considerations as it shall deem relevant (including self-interest), except for those circumstances, if any, where this Master Lease expressly provides that such consent or approval will not be unreasonably withheld or City will make such determination or judgment reasonably.
- 26.11 Agents for Service of Process. The parties hereto hereby designate the following as their agents for service of process and will waive any objection to service of process if served upon its agent as set forth below:

To City:

City of Austin City Clerk 301 W. Second St. Austin, TX 78701

To Master Lessee:

Austin CONRAC, LLC c/o UNISON-CRS, Inc. 12130 Colwick San Antonio, Texas 78216 Attn: Marshall A. Fein, President

- 26.12 <u>Severability</u>. If one or more clauses, Sections or provisions of this Master Lease shall be held to be unlawful, invalid or unenforceable, the parties hereto agree that the material rights of either party hereto shall not be affected thereby except to the extent of such holding, and this Master Lease shall be construed in all respects as if such invalid or unenforceable provision were omitted herefrom.
- 26.13 <u>Waiver of Anticipated Profits</u>. Master Lessee hereby waives any claim against City and its elected and non-elected officials, officers, employees, agents, servants, representatives, contractors, subcontractors, affiliates, successors and assigns for loss of anticipated profits caused by any suit or proceedings directly or indirectly attacking the validity of this Master Lease or any part hereof, or by any judgment or award in any suit or proceeding declaring this Master Lease null, void or voidable or delaying the exercise of any rights under this Master Lease.
- 26.14 Right of City to Develop Airport. The parties hereto further covenant and agree that City reserves the right to further develop or improve the Airport as City may see fit, regardless of the desires or views of Master Lessee and without interference or hindrance. It is understood that City may from time to time elect to alter, improve or remodel portions of the Airport, and may do so without consultation with or the consent of Master Lessee, except that City will consult with Master Lessee regarding any proposed alterations or improvements that would materially alter access to, or egress from the Joint Use Facility and will not materially alter the Leased Premises without Master Lessee consent. Master Lessee agrees that any temporary inconvenience resulting from any such work by City or its contractors and agents shall not be grounds for reduction of any amount otherwise payable by Master Lessee hereunder.
- 26.15 <u>Incorporation of Legally Required Provisions</u>. The parties incorporate herein by reference all provisions legally required to be contained herein by any Governmental Authority.
- 26.16 <u>Limitation of City's Liability</u>. No elected or non-elected official, employee, officer or agent of City shall have (a) any personal liability with respect to any of the provisions of this Master Lease, or (b) any liability for any consequential damages resulting from a default

by City hereunder or from the exercise by City of any of its remedies hereunder upon the occurrence of an Event of Default. City shall not have any liability for any consequential damages resulting from a default by City hereunder or from the exercise by City of any of its remedies hereunder upon the occurrence of an Event of Default. Master Lessee further agrees not to initiate any involuntary bankruptcy, reorganization, receivership or insolvency proceeding against City.

- 26.17 <u>Successors and Assigns</u>. This Master Lease shall be binding upon and inure to the benefit of the successors and permitted assigns of the parties hereto.
- 26.18 <u>Required Modifications</u>. In the event that a Governmental Authority (other than City) requires modifications or changes to this Master Lease as a condition precedent to the granting of funds for the improvement of the Airport, or otherwise, Master Lessee shall make or agree to such amendments, modifications, revisions, supplements or deletions of any of the terms, conditions, or requirements of this Master Lease as may be reasonably required.
- 26.19 <u>Time is of the Essence</u>. Time is of the essence in the performance of the terms and conditions of this Master Lease.
- 26.20 <u>Understanding of Agreement</u>. The parties hereto acknowledge that they thoroughly read this Master Lease, including any exhibits or attachments hereto, and have sought and received such competent advice and counsel as was necessary for them to form a full and complete understanding of all rights and obligations herein.
- 26.21 <u>Legal Interest and Other Charges</u>. Any payment of Rent or any other amount due and payable hereunder that is not paid on the date it is due shall bear interest until paid at the Default Rate. Notwithstanding any provision of this Master Lease to the contrary, it is the intent of City and Master Lessee that City shall not be entitled to receive, collect, reserve or apply, as interest, any amount in excess of the maximum amount of interest permitted to be charged by Applicable Laws. In the event this Master Lease requires a payment of interest that exceeds the maximum amount of interest permitted under Applicable Laws, such interest shall not be received, collected, charged or reserved until such time as that interest, together with all other interest then payable, falls within the maximum amount of interest permitted to be charged under Applicable Laws. In the event City receives any such interest in excess of the maximum amount of interest permitted to be charged under Applicable Laws, the amount that would be excessive interest shall be deemed a partial prepayment of Rent and treated under this Master Lease as such, or, if this Master Lease has expired or terminated, any remaining excess funds shall immediately be paid to Master Lessee.
- 26.22 Governing Law; Choice of Venue; Waiver of Jury Trial. This Master Lease shall be governed by and construed in accordance with the laws of the State of Texas. Jurisdiction and venue for any action on or related to the terms of this Master Lease shall be exclusively in Travis County, Texas, and the parties irrevocably consent to the personal jurisdiction of such courts over themselves for purposes of determining such action and waive any right to assert a claim of inconvenient forum.

26.23 <u>Dispute Resolution</u>. If a dispute arises out of or relates to this Master Lease, or the breach thereof, the parties agree to negotiate prior to prosecuting a suit for damages. However, this <u>Section</u> does not prohibit the filing of a lawsuit to toll the running of a statute of limitations or to seek injunctive relief. A party may make a written request for a meeting between representatives of each other party within fourteen (14) calendar days after receipt of the request or such later period as agreed by the parties. Each party shall include, at a minimum, one (1) senior level individual with decision-making authority regarding the dispute. The purpose of this and any subsequent meeting is to attempt in good faith to negotiate a resolution of the dispute. If, within thirty (30) calendar days after such meeting, the parties have not succeeded in negotiating a resolution of the dispute, they will proceed directly to mediation as described below.

26.23.1 Negotiation may be waived by a written agreement signed by both parties, in which event the parties may proceed directly to mediation as described below. If the efforts to resolve the dispute through negotiation fail, or the parties waive the negotiation process, the parties may select, within thirty (30) calendar days, a mediator trained in mediation skills to assist with resolution of the dispute. Should they choose this option, the parties agree to act in good faith in the selection of the mediator and to give consideration to qualified individuals nominated to act as mediator. Nothing in this Master Lease prevents the parties from relying on the skills of a person who is trained in the subject matter of the dispute or a contract interpretation expert. If the parties fail to agree on a mediator within thirty (30) calendar days of initiation of the mediation process, the mediator shall be selected by the Travis County Dispute Resolution Center. The parties agree to participate in mediation in good faith for up to thirty (30) calendar days from the date of the first mediation session. The parties will share the costs of the mediator equally.

26.23.2 Master Lessee agrees as a condition of this Master Lease that notwithstanding the existence of any dispute between the parties, insofar as is possible under the terms of this Master Lease, each party shall continue to perform the obligations required of it during the continuation of any such dispute, unless enjoined or prohibited by a Texas court of competent jurisdiction.

26.24 Avigation Easement. City hereby reserves from the Leased Premises, for the use and benefit of itself and its successors and assigns, and the operators, owners and users of Aircraft of all types and for the public in general, a perpetual easement and right-of-way for the free and unobstructed flight and passage of Aircraft by whomsoever owned or operated, in and through the airspace above, over and across the surface of the Leased Premises, together with the right to cause in such airspace such noise, vibration, odors, vapors, particulates, smoke, dust and other effects as may be inherent in the operation of Aircraft for navigation of or flight or passage in and through such airspace, and for the use of such airspace by Aircraft for approaching, landing upon, taking off from, maneuvering about or operating at the Airport. This easement is reserved upon and subject to the following terms and conditions: (a) Master Lessee shall not hereafter use, cause or permit to be used, or suffer use of, the Leased Premises so as: (i) to cause electrical, electronic or other interference with radio, radar, microwave or other similar means of communications between the Airport and any Aircraft; (ii) to adversely affect or impair the ability of operators of Aircraft to distinguish between regularly installed air navigation lights and

visual aids and other lights serving the Airport; or (iii) to cause glare in the eyes of operators of Aircraft approaching or departing the Airport, or to impair visibility in the vicinity of the Airport, or to otherwise endanger the approaching, landing upon, taking off from, maneuvering about or operating of Aircraft on, above and about the Airport; provided, however, that, notwithstanding any contrary provision contained above, Master Lessee shall be permitted to construct and maintain such improvements and to utilize all lighting, finishes and building materials as shall have been submitted to and approved by City; and (b) Master Lessee, for itself and the other Releasing Parties, hereby expressly releases and forever discharges City and its elected and nonelected officials, legal representatives, officers, assigns, associates, employees, agents and all others acting in concert with City, from any and all claims, debts, liabilities, obligations, costs, expenses, actions or demands, vested or contingent, known or unknown, whether in tort, contract or otherwise, that the Releasing Parties may now own or hold, or have any time heretofore owned or held, or may at any other time own or hold, by reason of noises, vibration, odors, vapors, particulates, smoke, dust or other effects as may be inherent in the operation of Aircraft and caused or created by the flight or passage of Aircraft in or through the airspace subject to the easement and right-of-way herein reserved.

- 26.25 <u>Waiver of Attorneys' Fees</u>. Each party waives any and all rights under law or in equity to seek or recover attorneys' fees from the other party in any civil or administrative litigation or dispute resolution proceeding for the breach of this Master Lease or to enforce any provision of this Master Lease.
- 26.26 <u>Update of Terms</u>. City shall, without the necessity of an amendment to this Master Lease, have the right to periodically update the requirements set forth in <u>ARTICLE 15</u> hereto to reflect changes in practices for similar properties or operations either at the Airport or at other comparable airports. City likewise has the right, without the necessity of an amendment to this Master Lease, to make adjustments to this <u>ARTICLE 26</u> to account for changes in Legal Requirements applicable to the CONRAC or CONRAC Site or the operation of a Rental Car Concession.
- 26.27 <u>Electronic Funds Transfer</u>. City specifically has the right, at any time, to require Master Lessee to remit any amounts to be remitted or otherwise payable under this Master Lesse to be made by electronic funds transfer to an account designated by City from time-to-time.
- 26.28 <u>Brokers</u>. Master Lessee warrants that it knows of no broker or agent that is or may be entitled to any commission or finder's fee in connection with this Master Lease. MASTER LESSEE SHALL INDEMNIFY AND HOLD CITY HARMLESS FROM AND AGAINST ANY AND ALL CLAIMS, DEMANDS, LOSSES, LIABILITIES, LAWSUITS, JUDGMENTS, COSTS AND EXPENSES (INCLUDING ATTORNEYS' FEES AND COSTS) WITH RESPECT TO ANY LEASING COMMISSION OR EQUIVALENT COMPENSATION ALLEGED TO BE OWING ON ACCOUNT OF MASTER LESSEE'S DISCUSSIONS, NEGOTIATIONS AND/OR DEALINGS WITH ANY BROKER OR AGENT. This <u>Section</u> is not intended to benefit any third parties and shall not be deemed to give any rights to brokers or finders.

- 26.29 <u>Survival of Indemnities and Other Provisions</u>. All indemnities provided in this Master Lease shall survive the expiration or any earlier termination of the Lease Term. Additionally, all provisions which are expressly stated to survive or require or contemplate performance after the expiration or any earlier termination of the Lease Term shall survive the expiration or earlier termination of the Lease Term and continue until expiration of the applicable statute of limitations period. In any litigation or proceeding within the scope of any indemnity provided in this Master Lease, Master Lessee shall, at City's option, defend City at Master Lessee's expense by counsel satisfactory to City.
- 26.30 <u>Submission of Agreement</u>. The submission of this Master Lease for examination and negotiation does not constitute an offer to lease or a reservation of or option to lease the Leased Premises. This Master Lease shall become effective and binding only upon execution and delivery hereof by City and Master Lessee. No act or omission of any officer, employee or agent of City or Master Lessee shall alter, change or modify any of the provisions hereof.
- 26.31 Entire Agreement; Modification. This Master Lease sets forth all covenants, promises, agreements, conditions and understandings between City and Master Lessee concerning the Leased Premises, and there are no covenants, promises, agreements, conditions or understandings, either oral or written, between City and Master Lessee as to the Leased Premises other than as herein set forth. No subsequent alteration, amendment, change or addition to this Master Lease shall be binding upon City or Master Lessee unless reduced to writing and signed by City and Master Lessee.
- 26.32 <u>Relationship of City and Master Lessee</u>. Nothing contained herein shall be deemed or construed as creating the relationship of principal and agent, partners or joint venture partners, and no provision contained in this Master Lesse nor any acts of Master Lessee and City shall be deemed to create any relationship between them other than as provided in this Master Lesse.
- 26.33 Exhibits. Attachment 1 and Exhibits A-1, A-2, A-3, B, C, D, E, F, G, H, I, I-1, I-2, I-3, and I-4 are attached to this Master Lease after the signatures and by this reference are incorporated herein.
- 26.34 <u>Lawful Currency of United States</u>. Any payments made or to be made by Master Lessee under this Master Lease shall be made in the lawful currency of the United States of America.
- 26.35 <u>Triple Net Lease</u>. This Master Lease constitutes a triple net lease of the Leased Premises and, notwithstanding any language herein to the contrary, it is intended and Master Lessee expressly covenants and agrees that all Rent and other payments herein required to be paid by Master Lessee to City shall be absolutely net payments to City, meaning that during the Lease Term City is not and shall not be required to expend any money or do any acts or take any steps affecting or with respect to the operation, maintenance, preservation, repair, restoration, or protection of the Leased Premises, or any part thereof, except as otherwise expressly provided in this Master Lease.

26.36 <u>Interpretation</u>. Neither the phrase "at the sole cost of Master Lessee," nor "at its sole cost and expense" nor any other language used in this Master Lease shall be construed or deemed to limit any RAC obligation to Master Lessee under the Sublease Agreements, including the obligation to pay a Pro Rata Share of all Master Lessee costs hereunder, to limit the rights of Master Lessee to enforce its rights under any Sublease Agreement, or to limit any right or claim Master Lessee may have against any third party (other than City, its officers and employees).

[SIGNATURES ON NEXT PAGE]

IN WITNESS WHEREOF, the parties have executed this Master Lease as of the date first above written.

FORM OF DEVELOPMENT AGREEMENT

PROJECT DELIVERY AGREEMENT

THIS AGREEMENT made effective as of the 27th day of July, 2011, provided that the 2011 Reimbursement Agreement described in Recital F, below, has been fully executed, is between Austin CONRAC LLC a Texas limited liability company ("Austin CONRAC") and Pfeffer Development, LLC, an Alaska limited liability company registered to do business in Texas ("Developer").

RECITALS

- A. Austin CONRAC is a single purpose entity with a Board of Managers consisting of officers or representatives of rental car companies ("RACs" or "Participating RACS") that have existing concession agreements with the City of Austin, Texas, Department of Aviation, acting by and through its Director of Aviation ("City") to operate at the Austin Bergstrom International Airport (the "Airport"). The purposes of Austin CONRAC are (i) to assist the Participating RACs and the City as required in connection with the planning, construction and operation of a consolidated rental car facility at the Airport and (ii) engage in any or all lawful business for which limited liability companies may be organized.
- B. Developer is a real estate development firm with substantial experience in the development, financing, leasing, managing, and design-build construction of projects including the only privately developed consolidated rental car facility ("CONRAC") in the United States.
- C. Austin CONRAC wishes to pursue a development project on Eastern ½ of Parking Lot A, bounded by Lot C to the north, the Airport parking garage and its associated access road to the south, Presidential Boulevard to the east and Lot A landscaping strip to the west, at Airport (the "**Property**").
- D. Austin CONRAC wishes to enter into a ground lease with the City for the private development of a new multi-story consolidated rental car facility ("CONRAC") at the Airport on behalf of the RACs. The CONRAC generally includes a multi level ready return area, a common customer lobby, a multi-level quick turn-around facility including fueling, car washes, vacuums and associated equipment, roadways, ingress and egress ramps and such other infrastructure as needed to make the CONRAC a first class car rental facility. The Project will also include certain replacement parking as required by the City.

- E. The Participating RACS and the City entered into a Reimbursement Agreement dated July 7, 2010 ("2010 Reimbursement Agreement") in order to complete preliminary feasibility and client programming and investigative services, which study has been completed and delivered and has provided a basis to proceed to Phase I Development Services.
- F. Austin CONRAC has or is about to enter into a subsequent 2011 Reimbursement Agreement for Phase I Consolidated Rental Car Facility effective July 27, 2011 ("2011 Reimbursement Agreement") with the City in order to pay for the comprehensive development services described in this Agreement to provide a sound basis for deciding whether to approve financing and construction of the CONRAC.
- G. Austin CONRAC, on behalf of the RACs, desires to engage Developer to provide Phase I Development Services for the Project as detailed in this document. Such services shall be compensated from funds provided for under the 2011 Reimbursement Agreement with the City in agreed-upon amounts as set forth in the approved budgets and pay request forms attached to this Agreement.
- H. Developer will provide Phase I Development Services, including contracting for design-build services to include schematic and design development drawings and Design-Builder-provided cost estimates and a lump sum cost proposal, third-party cost estimates, project management services, coordination with the City for financing for the Project, and providing due diligence efforts for Austin CONRAC as further set forth in this Agreement. The specific development services required will be identified as part of the Phase I Development Services.
- I. Pre-development feasibility study work having been accomplished, development of the Project shall, subject to the qualifications in this Agreement, proceed through a Phase I Development Services stage and, contingent upon a decision to proceed, a Phase II Project Delivery stage, as further set forth in **Sections 3** and **4**, below, respectively. Phase I will (1) produce the information necessary to a decision whether to proceed to construction, (2) provide an opportunity and process for the Parties to assess the viability of the Project and (3) result in a decision whether to proceed to financing, completing the design and constructing the Project or, in the alternative, to terminating the Project after Phase 1 (the "GO or NO GO Decision", i.e., either a "GO Decision" or a "NO GO Decision", respectively) and, in the event of a GO Decision, the closing of a financing transaction. If Phase I results in a decision to proceed, Phase II will consist of the contracts for and actual construction of the Project, under a Phase II Design-Build Contract conditioned upon provision by the City of sufficient financing to complete design and construction of the Project.

- J. Austin CONRAC is created as a Texas Limited Liability Company, but is expected to have no source of revenue other than funds received from the City and/or its Bond Trustee for the purposes set out in this Agreement and related agreements with Developer and the City. Accordingly, any obligation of Austin CONRAC to make payments is expressly made subject to Austin CONRAC receiving such funds under its agreements with the City and /or its Bond Trustee. In no case shall any liability or obligation of Austin CONRAC flow through or be chargeable to the Participating RACs. Nothing in this Agreement shall be construed as creating any obligation running from any one or more of the RACs to either of the Parties or to any other person or entity.
- K. In anticipation of the completion and execution of the 2011 Reimbursement Agreement and this Agreement, the City issued a Limited Notice to Proceed letter to Austin CONRAC on July 27, 2011, and Austin CONRAC, in turn, issued a Limited Notice to Proceed letter to Developer on August 11, 2011.

In recognition of the recitals, which are material to this Agreement, the Parties hereby agree as follows:

DEFINITIONS AND EXHIBITS

1. Definitions and List of Exhibits.

- 1.1. Additional Defined Terms. Capitalized words used in this Agreement that are not defined in this Section 1 shall have the same meaning as the capitalized words under the adapted and modified DBIA Document No. 520 (2nd ed. 2010), Standard Form of Preliminary Agreement Between Developer and Design-Builder, referred to herein as the Phase I Design-Build Contract (Exhibit 2), and the incorporated adapted and modified DBIA Document No. 535 (2nd ed. 2010), Standard Form of General Conditions of Contract Between Developer and Design-Builder, (Exhibit 2.7). Words of technical usage, even if and where not capitalized, including but not limited to "hazardous materials," "design-builder," "stipulated sum," "owner" or "change orders" shall likewise have a common meaning in this Agreement as in (Exhibit 2) and (Exhibit 2.7), unless the particular context provides otherwise.
- **1.2. "Agreement"** means this Project Delivery Agreement and any amendments thereto approved and executed by the Parties hereto.

¹ All parenthetical exhibit references are to exhibits attached to, and incorporated by reference into this Agreement.

- **1.3.** "CFCs" means, according to context, Customer Facility Charges imposed by the Airport on car rental transactions at the Airport and required to be collected by the RACs from car rental customers to pay costs of financing, developing, and operating the CONRAC, as well as the collected proceeds of those charges.
- **1.4.** "Design-Builder" means Austin Commercial, L.P., a construction contracting company with experience in both design-build contracting and consolidated rental car facility construction. In the event Austin Commercial, L.P. is replaced with an alternate design-build contractor, "Design-Builder" shall then refer to that alternate design-build contractor.
- **1.5.** "Development Services" means all work and effort described in this Agreement to be performed by or though the Developer to produce information necessary for the RACs, Austin CONRAC, the City, and the Developer to assess the viability of the Project and come to a decision whether to proceed to Phase II Project Delivery or to terminate the Project ("GO or NO GO Decision") and, in the event of a GO Decision, the closing of a financing transaction.
- **1.6.** "Effective Date" means the date the terms of this Agreement go into effect, which shall be that date on which the 2011 Reimbursement Agreement becomes effective.
- **1.7.** "Final Completion" means the full completion of the CONRAC in accordance with the applicable contract documents and all applicable standards, codes, laws, and ordinances, including the completion of all punch list items, such that all portions of the CONRAC are ready for occupancy and use as intended.
- **1.8.** "Financing Plan" means the entire process of financing the Project by the City using both collected and future CFC funding and other funding made available and approved by agreement among the RACs and the City for the purpose of funding the Project costs as shown in the Phase II Final Project Budget developed based on the Pricing Documents. The Plan includes all documentation reasonably necessary to sell such Bonds as may be created in the financing plan, in ready-to-sign format, to allow funding for Phase II of the Project.
- **1.9.** "Lump Sum" means the stipulated amount of money identified in a contract or subcontract for which a party agrees to complete services related to the Project, and which amounts are not subject to modification without the consent of all parties to the contract.

- **1.10.** "Lump Sum Cost Proposal" means a firm dollar price offer by the Design-Builder to complete the design and provide all labor, and materials to complete construction of the Project under the Phase II Design-Build Contract, and is used to refer, according to context, to an initial offer based on the Design-Builder's own cost estimates, a proposed final offer following reconciliation with the third-party cost estimator(s) and a final offer as approved by the Parties in the event of a GO Decision.
- **1.11.** "Notice to Proceed" means, as applicable, first the written notice jointly from Austin CONRAC and the City to Developer directing Developer to proceed with the Phase I work and, upon receiving a "Go" from the RACS and the City, a subsequent joint written notice from Austin CONRAC and the City, to Developer directing Developer to proceed with the Phase II work.
- **1.12. "Parties"** means, with respect to this Agreement, Developer and Austin CONRAC, with the City and the Participating RACs as intended third-party beneficiaries. With reference to any other contract or agreement, "parties" means the entities signatory to that contract or agreement.
- **1.13.** "Phase I" means the period and effort for Development Services running until the earlier of the date of (1) issuance of the Phase II Notice to Proceed, (2) issuance of notice of termination or (3) the expiration of all time for a GO or NO GO Decision under Sections 3.4 and 3.4.1.
- **1.14.** "Phase I Design-Build Contract" means the agreement between Developer and the Design-Builder for Phase I of the Project, which shall be substantially in the form of the attached adaptation of DBIA Document No. 520 (2nd ed. 2010), Standard Form of Preliminary Agreement Between Developer and Design-Builder, (Exhibit 2).
- **1.15.** "Comprehensive Development Budget" means Exhibit 1, the schedule of amounts allocated to the various components of each phase of the Project, the Feasibility Phase having been accomplished, the actual Phase I Development Services amounts having been approved for reimbursement under the 2011 Reimbursement Agreement, and the identified Phase II Project Delivery amounts being target amounts to guide development of the Phase I Deliverables.
- **1.16.** "Phase II" means the period of time and effort undertaken after the decision to proceed to Phase II is made and a financing transaction has closed, begins with the issuance of the Phase II Notice to Proceed, includes the

commencement and duration of construction of the Project, and will run until the date of Austin CONRAC's acceptance of Final Completion as set forth in Section 5.2.1 to the Phase II Design-Build Contract (**Exhibit 7**).

- **1.17.** "Phase II Design-Build Contract" means the agreement between Developer and the Design-Builder for Phase II of the Project, which shall be substantially in the form of the adaptation of DBIA Document No. 525 (2010 Edition), Standard Form of Agreement Between Developer and Design-Builder Lump Sum (**Exhibit 7**).
- **1.18.** "Phase II Final Project Budget" means the schedule of amounts allocated to the various components of each phase of the Project, the Feasibility Phase having been accomplished, the Phase I Development Services amounts that have been approved for reimbursement under the 2011 Reimbursement Agreement, and the Phase II Project Delivery amounts being determined at the conclusion of Phase I based on the Phase I Deliverables and made final for purposes of proceeding to Phase II.
- **1.19. "Pricing Documents"** means the Design Development Documents to be created by the Design-Builder under Section 2.3 of the Phase I Design-Build Contract (**Exhibit 2**), and which shall be that level of design plans and specifications sufficient for the Design-Builder to provide a Lump Sum Cost Proposal for the completion of all design and construction necessary to complete the Project under the terms and conditions of the Phase II Design-Build Contract (**Exhibit 7**).
- **1.20.** "**Project**" means all work and efforts undertaken or to be undertaken in the feasibility phase, Phase I Development Services and Phase II Project Delivery for the design, financing and construction of the CONRAC as generally described in **Recital D**, above, from the beginning of the feasibility phase through Austin CONRAC's acceptance of Final Completion as set forth in Section 5.2.3 of the Phase II Design-Build Contract (**Exhibit 7**).
- **1.21. "Project Delivery"** means all work and efforts to be undertaken following a decision to proceed and pursuant to a Phase II Notice to Proceed to close on financing, complete design and accomplish construction of the Project to Final Completion.
- **1.22.** "Property" means the Property as described in Recital C, above, and is more fully described in the attached drawings and /or surveys.

- **1.23. "Substantial Completion"** means the point at which a Certificate of Occupancy has been issued for the Project by the City, there are no items of uncompleted, nonconforming, deficient or defective work or services that preclude occupancy of the facility by the RACs for the intended purposes, and the Project is made available to the RACs for occupancy to carry out tenant improvements and subsequent operations.
- **1.24. Exhibits** attached to this Agreement—portions and attachments to which may be prepared during Phase I and attached for Phase II after execution—include the following:

Phase I - Development Services

- Exhibit 1 Comprehensive Development Budget
- Exhibit 2 Phase I Design-Build Contract.
 - Exhibit 2.1 Qualifications and Assumptions
 - Exhibit 2.2 Program Requirements and Concept Drawings
 - Exhibit 2.3 Concept Cost Estimate
 - Exhibit 2.4 Design Deliverables Lists
 - Exhibit 2.5 Development Services Schedule
 - Exhibit 2.6 Schedule of Values and Payment Schedule
 - Exhibit 2.6.1 Insurance Requirements (Exhibit B-7 to Phase I Design-Build Contract)
 - Exhibit 2.7 Standard Form of General Conditions of Contract Between Developer and Design-Builder, adapted from DBIA Document No. 535 (2nd ed. 2010)
 - Exhibit 2.8 Standard Form of Agreement Between Design-Builder and Designer, adapted from DBIA Document No. 540
 - Exhibit 2.8a Design Services
 - Exhibit 2.8b Not Used
 - Exhibit 2.8c Not Used
 - Exhibit 2.8d Not Used
 - Exhibit 2.8e Designers' Compensation and Payment
 - Exhibit 2.8f Insurance Requirements
 - Exhibit 2.8g City of Austin Contract Language (2011

Reimbursement Agreement Provisions)

Exhibit 3 Phase I Developer Schedule of Values and Payment Schedule Exhibit 3.1 Consultants and Key Personnel

Phase II - Project Delivery

Upon completion of Phase I and a decision to proceed to Phase II, documents generated during Phase I will be added as Exhibits 4, 5 and 6, and a copy of the finally negotiated and executed Phase II Design Build Contract shall replace the originally attached Exhibit 7 to govern Phase II Project Delivery, as follows:

Exhibit 4	Pricing Documents and Design-Build Lump Sum Cost
	Proposal (to be generated during Phase I and attached to this
	Agreement for Phase II)
Exhibit 5	Phase II Final Project Budget (to be generated during Phase I
	and attached to this Agreement for Phase II)
Exhibit 6	Phase II Project Delivery Schedule (to be generated during
	Phase I and attached to this Agreement for Phase II)
Exhibit 7	Form of Phase II Design-Build Agreement, (to be adapted
	from DBIA Document No. 525 (2nd ed. 2010), Standard
	Form of Agreement Between Developer and Design-Builder
	- Lump Sum) (This form agreement to be replaced for Phase
	II by a copy of the final accepted agreement between
	Developer and Design-Builder)

PREDEVELOPMENT PHASE

Example 2. Feasibility Study. Predevelopment services, consisting primarily of preparation of a feasibility study, were completed prior to execution of this Agreement.

PHASE I

3. Phase I – Development Services.

3.1. Scope of Work. Attached to this Agreement are the Phase I Comprehensive Development Budget (Exhibit 1) and the Phase I Design-Build Contract (Exhibit 2) for development of the Project as described in the Program Requirements and Concept Drawings (Exhibit 2.2) according to the Development Services Schedule (Exhibit 2.5), all of which have been prepared under or subsequent to the 2010 Reimbursement Agreement. During Phase I of the Project, Developer and its consultants, including the Design-Builder and the Design-Builder's consultants, use these documents as the basis for developing the Phase I Deliverables to become part of the Phase II Design-Build Contract. Such efforts will require Developer and its consultants, including the Design-Builder and its consultants, to complete or contract to complete the design and development of the Project to a

level of design drawings and specifications, referred to in this Agreement as Pricing Documents, sufficient for the Design Builder to submit a Lump Sum Cost Proposal and for Developer to present a proposed Phase II Design-Build Contract to Austin CONRAC and the City, and to identify all other development costs for the Project and to present a proposed Phase II Final Project Budget, coordinated with the Financing Plan, to Austin CONRAC for a concurrent decision by Austin CONRAC and to the City for their respective decisions as part of the "GO or NO GO Decision." Austin CONRAC, after consulting with and obtaining the approval of the RACs, shall decide whether to approve Developer's execution of the Phase II Design-Build Contract, subject to the City's decision whether to enter into the various agreements required for lease of the site and to provide the financing required for the Project to proceed under the Phase II Design-Build Contract.. The scope of work for Phase I shall include provision by Developer and its Design Builder of the following deliverables (certain of which, as noted, to become, upon acceptance by all Parties, exhibits to this Agreement concurrent with the issuance of a Phase II Notice to Proceed in the event of a "GO" decision): the Pricing Documents and Lump Sum Cost Proposal (to become Exhibit 4), a Phase II Final Project Budget (to become **Exhibit 5**), the Phase II Project Delivery Schedule (to become **Exhibit 6**), and the execution form of the Phase II Design-Build Contract (**Exhibit 7**), the draft Financing Documents, and copies of all other agreements between Developer and its other consultants for the design and construction of the Project (collectively, "Phase I Deliverables"). The time for delivery of the Phase I Deliverables is established in the Development Services Schedule (Exhibit 2.5). Any delay of Austin CONRAC or failure of Austin CONRAC to meet a deadline set by the Development Services Schedule shall extend the time for Developer's performance by an equal number of days for the performance of Phase I work and the deadline to issue the Phase II Notice to Proceed.

3.1.1. Design-Build Lump Sum Cost Proposal. Developer shall contract with the approved Design-Builder and any other necessary consultants to develop a Design-Build Lump Sum Cost Proposal which will identify the cost of the structural features and design elements of the Project, the inclusion of which will not exceed the Phase II Final Project Budget. Austin CONRAC covenants and represents that it will accurately advise Developer of all elements relating to RAC business and operations that the RACs need to have included in the Project as part of the Phase I process. If Austin CONRAC issues a Phase II Notice to Proceed under **Section 3.4**, below, the accepted Design-Build Lump Sum Cost Proposal, as amended under that section, if applicable, shall be attached to this Agreement as part

- of **Exhibit 4**, incorporated into the Phase II Design-Build Contract (**Exhibit 7**) in the form finally approved by the Parties, as well as by the Design-Builder and the City, and thereby incorporated into the Phase II Notice to Proceed.
- **3.1.2. Phase II Final Project Budget.** Developer shall develop and provide a proposed Final Project Budget. The proposed Final Project Budget will set forth all Lump Sum cost components and allowance components, including but not limited to the Phase II Lump Sum Development Base Fee and Phase II Lump Sum Development Fee At-Risk amounts, the Lump Sum for the design-build construction of the Project, and all other fees and costs of Austin CONRAC and its consultants required for completion of the Project and inclusive of those cost items required by the City and agreed to by the Parties. Certain items will be on an allowance basis, to be billed at actual cost. The allowance components are identified as such in the Comprehensive Development Budget (Exhibit 1). Other costs will be Lump Sum costs or a percentage of the proposed Final Project Budget as specified therein. If Austin CONRAC issues a Phase II Notice to Proceed under Section 3.4, below, the accepted PhaseII Final Project Budget, as amended under that section, if applicable, shall be attached to this Agreement as the Phase II Final Project Budget (Exhibit 5) and thereby incorporated into the Phase II Notice to Proceed.
 - **3.1.2.1. Budget Line Item.** The line items on the Phase II Final Project Budget will include both items that are under the control and the responsibility of Developer, its consultants and the Design-Builder, and items under the direct control and responsibility of Austin CONRAC. After a Phase II Notice to Proceed is executed by Austin CONRAC and approved by Developer, expenditures of both Developer and Austin CONRAC on the line items included in the Phase II Final Project Budget shall be chargeable to the Project up to only the respective amounts allocated to those line items under that budget, unless a modification or equitable adjustment is otherwise allowed by this Agreement.
- **3.1.3. Pricing Documents.** Developer shall develop and provide the Pricing Documents for the Project to reflect the features identified in the Program Requirements as they may be amended for a "GO" decision, and the Phase II Final Project Budget. The design will comply with all required and applicable local, state, and national codes and regulations. The drawings and specifications will be to a level of design sufficient for the

Design-Builder to give a Lump Sum Cost Proposal for completion of the design and provision of all labor, materials and other items necessary to complete construction of the Project. If Austin CONRAC issues the Phase II Notice to Proceed under **Section 3.4**, below, the Pricing Documents, as amended under that section, if applicable, shall be attached to this Agreement as part of **Exhibit 4**, and thereby incorporated into the Phase II Notice to Proceed.

- **3.1.3.1. Approval of Drawings.** Austin CONRAC's approval of the drawings and specifications in the Pricing Documents shall be limited to acknowledging that from Austin CONRAC's review of those documents, Austin CONRAC is not aware of any element or detail causing the building design not to meet Austin CONRAC's Project needs. Austin CONRAC's approval of drawings and specifications shall not constitute a waiver of Austin CONRAC's expectation that the design complies with any applicable codes, statutes, or regulations applicable to the Project. Such compliance shall be the responsibility of Developer and the Design-Builder.
- **3.1.4. Phase II Project Delivery Schedule.** Developer shall develop and provide a proposed Project Delivery Schedule for financing, design completion and construction of the Project. If Austin CONRAC issues the Phase II Notice to Proceed under **Section 3.4**, below, the proposed Project Delivery Schedule, as amended under that section to be consistent with the Phase II Design-Build Contract schedule, as applicable, shall be attached to this Agreement as the Phase II Project Delivery Schedule (**Exhibit 6**) and thereby incorporated into the Phase II Notice To Proceed. The Phase II Project Delivery Schedule shall include the dates for Substantial Completion and Final Completion.
- **3.1.5. Design-Build Contract.** Developer shall develop and provide a Phase II Design-Build Contract for the Project setting forth the obligations of the Design-Builder to undertake the work, the rights and obligations of the Developer, as well as certain rights of Austin CONRAC relating to the design and construction process. At a minimum, the Phase II Design-Build Contract shall identify the Lump Sum for the Project payable to the Design-Builder, identify Project criteria, set forth the Phase II Project Delivery Schedule, set forth the requirements necessary to complete the Project including design, permitting and governmental approval, identify that both Austin CONRAC and the City shall be required signatories to the

Acknowledgement of Substantial Completion, and identify all available remedies to Austin CONRAC should it become necessary to remove the Design-Builder from the Project. The Phase II Design-Build Contract shall be based on the form attached as **Exhibit 7** to this Agreement and approved by Austin CONRAC and the City.

- **3.1.6. Financing Analyses and Plan.** Developer shall cause its exhibits to prepare draft underwriting analyses for the proposed financing of the Project at key milestones. It is a condition of Developer's obligations under this Agreement that the City's consultants will engage in reviewing such analyses and provide comment and feedback. The goal of the financing analyses is to provide real-time updates of likely proceeds from bond underwriting so that the total project costs can be successfully underwritten at the time of any Phase II Notice to Proceed.
 - **3.1.6.1. Financing Commitments.** During Phase I Developer will continue to solicit and investigate financing sources while working closely with the City and Austin CONRAC to secure written commitments sufficient to identify full funding of the Phase II Final Project Budget. Prior to Approval of moving forward with a "Go" Decision for Phase II, Developer shall work with the City, as the issuer of bonds, to deliver a full Financing Plan in ready-to-execute documents that will provide for full project funding. The City, Austin CONRAC, Developer and all of their respective financing consultants shall work cooperatively to secure such financing, and the cooperation of the City is a condition of Developer's obligations under this Agreement.
 - **3.1.6.2. Underwriting**. Austin CONRAC thru the Developer shall cause the Developer's Underwriting Team as identified in **Exhibit 3.1** to this Agreement (the "Underwriters") to work closely with the City to underwrite the Project and to secure commitments sufficient to provide full funding of the Phase II Final Project Budget. It is intended that the City issue Special Facility Revenue Bonds for which the pledged source of repayment is the proceeds of customer facility charges ("CFCs") imposed on rental car transactions at the Airport. The City of Austin must cooperate in facilitating the financing, and Developer's obligation to proceed with Phase II by issuing a notice to proceed under the Phase II Design-Build Contract shall be conditioned upon the City having actually funded the

Project by closing a sale of bonds that generates the funds required under the Phase II Final Project Budget.

- **3.1.7. Legal Documentation.** Completed execution-ready documents will be necessary for completion of the financial underwriting of the Project, the issuance of the Phase II Notice to Proceed and the sale of bonds. Several documents necessary for the Phase II Notice to Proceed are not in the direct control of Austin CONRAC and its consultants. It is acknowledged that in some areas, completion of the Phase I Deliverables outlined herein are contingent upon the completion of other documentation within schedule by others not party to this Agreement (the amended concession agreement, master leases, sub-leases, etc). The RACs, Austin CONRAC, the consultants, the City, and the City's consultants must work cooperatively to identify and complete the necessary agreements needed to define all aspects of the Project, and it is a condition of Developer's obligations under this Agreement that the City and its consultants do so. At a minimum these shall include those documents identified in Exhibit B to Letter of Intent among the City and the Parties hereto with respect to the Project.
- 3.2. Austin CONRAC Cost Estimate and Final Design-Build Lump Sum Cost Proposal. Austin CONRAC agrees that it shall retain ABACUS as the Third-Party Cost Estimator to provide independent third-party construction cost estimating and to evaluate the reasonableness of the Design-Builder's Lump Sum Cost Proposal. The Parties are aware that the City intends to retain PGAL as an additional third-party expert for cost estimating and reconciliation. To the extent requested by the City, the Parties will cooperate to incorporate review and input by PGAL into all third-party cost review and reconciliation under this Agreement. Following ABACUS' review of Design-Builder's Lump Sum Cost Proposal and prior to the end of Phase I work, Austin CONRAC and Developer shall, and shall cause, respectively, ABACUS and the Design-Builder to, engage in process to reconcile differences between the ABACUS cost estimate and the Design-Builder's Lump Sum Cost Proposal. Following which Developer shall obtain from the Design-Builder its proposed final Design-Build Lump Sum Cost Proposal.
 - **3.2.1. Alternate Design-Builder.** If Austin CONRAC, ABACUS, Developer and the Design-Builder are unable to resolve budget differences after the Design-Builder delivers its final and best price Lump Sum Cost Proposal to Developer after consultation with ABACUS and Austin CONRAC, then to the extent that the Design-Builder's final Lump Sum Cost Proposal exceeds ABACUS's post-reconciliation estimate by more than 1.5%, Austin CONRAC may, in its sole discretion, exercising its

reasonable commercial judgment after affording the Developer a reasonable opportunity to present other adjustments or a rationale for proceeding notwithstanding the difference between the Lump Sum Cost Proposal and the ABACUS estimate, direct Developer to terminate the Design-Builder's contract and seek another design-builder for the Project. In such event, Developer will secure the Design-Build documents from the Design-Builder as allowed under the Design-Build Contract and shall seek an alternate design-builder with experience building CONRAC facilities and satisfactory to Developer and negotiate a Phase II Design-Build Contract with such alternate design-builder on terms acceptable to Developer and Austin CONRAC. Alternatively, Developer may elect not to proceed with another design-builder, in which case Developer shall coordinate and assist Austin CONRAC to have the Design-Builder deliver the Design-Build documents to Austin CONRAC under the limitations as set forth in Section 7, below.

- 3.3. Phase I Costs, Fees and Payment. Costs and fees for Phase I work shall be paid in accordance with this section. Absent a written Austin CONRAC-directed change in the scope of the Phase I work, final billing for the Phase I work shall not exceed the amounts identified in the Phase I Developer Schedule of Values and Payment Schedule (Exhibit 3). Phase I costs consist of various line item costs, including a Phase I Lump Sum Development Base Fee and a Phase I Lump Sum Development Fee At–Risk, both of which will be fully earned during the course of proper and timely completion of the Phase I effort and which will be payable in accordance with Section 3.3.1 and Section 3.3.2, below. Nothing in Sections 3.3 through 3.3.3 of this Agreement, however, shall be construed as negating or impairing Austin CONRAC's rights and remedies in the event Developer materially breaches this Agreement or commits a material misrepresentation relating to it.
 - **3.3.1. Timing of Phase I Cost and Fee Payments**. Regardless of whether Austin CONRAC decides to proceed to Phase II, the costs and fees for, Phase I work, including the Phase I Lump Sum Development Base Fee, shall be payable in the amounts as set forth for Phase I in the attached Comprehensive Development Budget. Upon execution of this Agreement, Developer shall be entitled to an initial Base Fee payment for all Phase I work accomplished between completion of the pre-development feasibility study and execution of this Agreement. The balance of the Phase I Lump Sum Development Base Fee shall be paid to Developer on a monthly basis, allocated over the duration of Phase I under the Phase I Development

Services Schedule. The format for Developer pay requests will comply with 2011 Reimbursement Agreement Terms, which the Parties believe to be satisfied by the Phase I Developer Schedule of Values and Payment Schedule (**Exhibit 3**). The payment for the completed percentage of Phase I scope of work as shown on **Exhibit 3** shall be due and owing and paid to Developer within thirty (30) business days of submittal of monthly billing to Austin CONRAC, subject to, and within seven days after, Austin CONRAC's actual receipt of payment from the City and/or the Bond Trustee. Austin CONRAC's obligation to pay shall be dependent upon payment coordination by the City, and Developer may modify the Phase I Developer Schedule of Values and Payment Schedule (**Exhibit 3**) as may be necessary for acceptance by the City under the 2011 Reimbursement Agreement.

- **3.3.2. Phase I Final Payment.** Design-Builder shall submit its final application for Phase I payment to Developer, and Developer, after review and approval, shall submit to Austin CONRAC a final Phase I invoice that includes the Design-Builder's final application for Phase I payment, with a copy to the City. Austin CONRAC shall, in turn, prepare and submit to the City a final Phase I invoice that includes Developer's final Phase I invoice, and, provided that the Design-Builder has satisfied all of the requirements for final payment set forth in Phase I Design-Build Contract, shall promptly pay Developer upon receipt of payment from the City or its trustee in accordance with the 2011 Reimbursement Agreement and applicable requirements of the Texas Prompt Payment statute, if any.
- **3.3.3. Timing of Payment of Phase I Lump Sum Development Fee At-Risk.** If Austin CONRAC and the City elect to proceed to Phase II, the Phase I Lump Sum Development Fee At-Risk as noted on the Comprehensive Development Budget (**Exhibit 1**) shall be paid in full as a lump sum amount from bond proceeds immediately upon completion of the bond sale funding of the Project.
- **3.4.** Approval of Phase I Deliverables and Initial Decision Whether to Proceed to Phase II. Upon delivery of the Phase I Deliverables identified in Section 3.1, above, including the reconciliation of the Lump Sum Cost Proposal with ABACUS, and PGAL, as applicable, then Austin CONRAC and the City have the right to review all such documentation and shall, within twenty (20) days of that delivery consult together concerning whether to proceed to Phase II of the Project conditioned upon final Project approval and financing approval by both Austin CONRAC and the City ("GO Decision") or not to proceed to Phase II

- ("NO GO Decision"). As a result of that consultation, Austin CONRAC may further negotiate the terms of the Pricing Documents, the Phase II Project scope, the Phase II Final Project Budget, and the Phase II Project Delivery Schedule, and other Phase I Deliverables and provide any revised Phase I Deliverables to the City. Based upon review, consultation, and consideration of any revised Phase I Deliverables, and within the time frame set forth in Phase II Project Delivery Schedule developed during Phase I, Austin CONRAC and the City shall then each, in its respective sole and exclusive discretion, make and issue in writing an initial GO Decision—final and effective only if all Parties concur—or an initial NO GO Decision, effective, subject to any further negotiation and reconsideration under Section 3.4.1, below, if issued by any Party.
 - Final Decision Whether to Proceed to Phase II. If Austin CONRAC or the City renders a "NO GO decision," it shall provide the other Parties with written reasons for such election. The provision of written reasons for any NO GO Decision shall be solely for the purpose of facilitating further discussions between the Parties, and shall not be construed as a limitation upon right of either Austin CONRAC or the City to elect not to proceed to Phase II for any reason in its sole and exclusive discretion. The Parties shall confer to attempt to resolve any differences. If the Parties are unable to resolve their concerns within ten (10) calendar days from the date of Austin CONRAC's election not to proceed, either Developer or Austin CONRAC may terminate this Agreement with written notice to the other. If the Parties agree on a revised set of Phase I Deliverables, upon which basis each NO GO Decision is rescinded in favor of a GO Decision, then the revised Phase I Deliverables shall be incorporated into this Agreement and the resulting Phase II Design-Build Contract and shall be incorporated by reference into a written Phase II Notice to Proceed.
- 3.5. City and Austin CONRAC Third Party Beneficiary. The City and Austin CONRAC shall be third-party beneficiaries of any contracts between Developer and other entities who perform work on the Phase I of the Project, including the Phase I Design-Build Contract, and any contracts between the Design-Builder and other entities who perform work on the Project. Notwithstanding the above, these rights shall not be interpreted nor relied upon to permit any direct or indirect claims against Austin CONRAC by any of Developer's other contractors or consultants. Such parties shall seek their relief solely as provided in the Design-Build Contract or other applicable agreement.

PHASE II

4. Phase II – Project Delivery.

- **4.1. Scope of Work.** The scope of work for Phase II shall be defined by the Phase II Notice to Proceed and shall include the subsequent completion of design services, securing all necessary land-use, occupancy permits, construction permits and other necessary governmental and regulatory approvals, and the construction and Final Completion of the Project.
- **4.2. Conditions Precedent to Phase II.** The Parties shall not proceed to Phase II unless all of the following conditions precedent are satisfied.
 - **4.2.1. Approved Deliverables.** Austin CONRAC and the City have approved the Phase I Deliverables as described in **Section 3.4**, above.
 - **4.2.2. Documents and Site Access.** Austin CONRAC, Developer, the City and the Participating RACS have successfully coordinated on Project finance, Project design, and drafting and negotiation over all forms of land leases or amendments to concession agreements as necessary and providing all exclusive site access required for Project construction under the Phase II Design Build Contract.
 - **4.2.3. Phase II Design-Build Contract.** Developer and the Design-Builder are able and agree to enter into a Phase II Design-Build Contract in a form conforming substantially with **Exhibit 7** to this Agreement and upon terms acceptable to Austin CONRAC and the City.
 - **4.2.4. Financing and Funding.** Austin CONRAC has entered into funding agreement(s) with the City and/or its Trustee providing sufficient funding and financing for the Project sufficient to pay all expenses as set forth in the Phase II Final Project Budget, including reasonable contingency accounts.
 - **4.2.5. Disposition of Contingency Funds.** Unless otherwise agreed by Austin CONRAC, the City and Developer, any funds in Phase II Final Project Budget line items expressly identified for contingencies that do not get used for those specific contingency funding purposes shall be applied to pay debt service on Bonds sold under the Financing Plan.

- **4.3. Written Phase II Notice To Proceed.** Upon the satisfaction of all conditions precedent in **Section 4.2**, above, Austin CONRAC shall give Developer its written Phase II Notice to Proceed which, contingent upon actual funding, will satisfy all conditions precedent to Phase II under this Agreement and shall be deemed to incorporate by reference **Exhibits 4, 5, 6 and 7** as attached to this Agreement for Phase II.
- Developer's Phase II Design-Build Contract. Upon receipt of the Phase II Notice to Proceed after satisfaction of the conditions precedent thereto, Developer shall enter into the Phase II Design-Build Contract with the Design-Builder, contingent upon both actual funding though sale of bonds and site access. Developer shall deliver to Austin CONRAC within ten (10) days of the written Phase II Notice to Proceed, an executed form of the Phase II Design-Build Contract, the insurance certificates required for the Project, including builder's allrisk insurance and all insurance required under Exhibit E to the 2011 Reimbursement Agreement (as Exhibit E may be modified for Phase II), and the payment and performance bonds delivered by the Design-Builder. In the event any commercially reasonable adjustments to insurance coverage, limits, and/or exclusions are deemed necessary and prudent by the City in accordance with Exhibit E, Developer shall promptly notify the Austin CONRAC in writing of the increase in the amount of the insurance cost, if any, together with supporting documents, and, unless the City rescinds its direction for the adjustment in insurance coverage, Austin CONRAC shall seek from the City and provide to Developer reimbursement for the increased amount of the insurance cost. Developer shall be the point of contact between the Design-Builder and Austin CONRAC during the Project duration.
- **4.5. Other Terms.** The following terms and covenants apply to the Phase II work.
 - **4.5.1. Payment and Performance Bonds.** Austin CONRAC, the City and the Project's financing underwriter (if required by the underwriter) will be named as co-obligees under the 100% payment and performance bonds to be provided by the Design-Builder under the Phase II Design-Build Contract.
 - **4.5.2.** City and Austin CONRAC Third Party Beneficiary. The City and Austin CONRAC shall be third-party beneficiaries of any contracts between Developer and other entities who perform work on Phase II of the Project, including the Phase II Design-Build Contract, and any contracts

between the Design-Builder and other entities who perform work on the Project. Notwithstanding the above, these rights shall not be interpreted nor relied upon to permit any direct or indirect claims against Austin CONRAC by any of Developer's other contractors or consultants. Such parties shall seek their relief solely as provided in the Design-Build Contract or other applicable agreement.

4.5.3. Standard of Work/Contractors. All work performed by Developer and the Design-Builder shall be performed in accordance with the professional and industry standards applicable to the Project consistent with other projects in Austin, Texas, of similar complexity, quality and scope, and in accordance with the City's Austin Living Wage standard. To the extent consistent with any City policy made legally applicable to this Project, Developer may use or replace, or consent to the use or replacement, of the Design-Builder, sub-contractor(s) or personnel, and may re-allocate responsibilities as Developer deems necessary or appropriate in order to carry out its responsibilities hereunder with any qualified design-builder, contractors or personnel as Developer deems appropriate in its reasonable judgment. If Developer starts with one design-builder and elects to appoint a different design-builder to take over the Project in place of the original design-builder, Austin CONRAC shall consent to the named design-builder after reasonable due diligence; however, Austin CONRAC's consent to such named design-builder shall not be unreasonably withheld or delayed. This requirement shall not apply to any surety performing under the payment and performance bonds which surety shall remain free to select its own contractors without Austin CONRAC's consent, but which surety shall select its own contractors in compliance with its obligations under its bonds and the governing law of surety.

4.5.4. Site Control. Austin CONRAC shall undertake to obtain from the City timely access to the Project site for the construction of the project in accordance with the Phase II Project Delivery Schedule (to be attached as **Exhibit 6**). Exclusive Project site access is a pre-requisite condition under **Section 4.2**, above, for a fully executed Phase II Design-Build Contract, and a continuing condition of performance. Austin CONRAC reserves for itself, its representatives, and any other assigns, the right to enter upon the Property so long as such entry is coordinated with and through Developer, at any time and for any purpose, so long as Austin CONRAC shall notify Developer and does not interfere with the Design-Builder's use of the Property or construction of the Project. Austin CONRAC and its assigns

shall comply with all necessary job-site safety rules imposed by Developer or Design Builder while present on the Property during construction. This provision should not be construed as relieving the requirement that Developer enforce the obligation under the Phase II Design-Build Contract that Design-Builder be responsible for adopting a jobsite safety program to be implemented and enforced by Design-Builder and its contractors.

- **4.5.5.** Use of Contingency and Disposition of Contingency upon Substantial Completion. The Phase II Final Project Budget (to be attached as Exhibit 5) will include one or more Project contingency line items, as well as the Phase II Lump Sum Development Fee At-Risk, which will also serve as a backup project contingency amount. Expenditure of Project contingency line item funds shall be under the control of Developer, with the consent of Austin CONRAC and the City, to pay for certain risks allocated to Austin CONRAC in Section **4.6.2**, below, (except for **4.6.2.1**) and to pay for Design-Builder initiated change orders to the extent allowable under the Phase II Design-Build Contract.
 - **4.5.5.1. Disposition of Project Contingency.** Any Project contingency line item balances not expended for the Project shall be disposed of as agreed under **Section 4.2.5**, above.
- **4.5.6. Substantial and Final Completion.** Final Completion of the work or identified portions, and resolution of all unresolved issues and Claims relating to the Work, shall be achieved no later than one hundred and twenty (120) calendar days following Substantial Completion.
- **4.6. Phase II Costs, Fees and Payment.** Costs and fees for Phase II work shall be payable in accordance with this section. The Phase II costs will consist of all costs identified for Phase II in the Phase II Final Project Budget (to be attached as **Exhibit 5**) as developed in Phase I. The Phase II costs shall include various line item costs, a Phase II Lump Sum Development Base Fee and a Phase II Lump Sum Development Fee At-Risk.
 - **4.6.1. Timing of Phase II Cost and Fee Payments**. Phase II costs and fees will be billed to Austin CONRAC in monthly billings based upon the percentage of work complete as reasonably determined by the time and materials undertaken to complete the work and the requirements specified in **Article 7** of the Phase II Design-Build Contract (**Exhibit 7**), and shall be paid within the times set forth therein. The monthly billings by the Design-

Build contractor and other third parties will be submitted to Developer for review and approval as payable, then to Austin CONRAC and the Independent Qualified Professional for review and approval and then to the City as the City may direct.. The Phase II Lump Sum Development Base Fee earned by Developer during Phase II work shall be earned as a percentage of Phase II work completed in accordance with the Phase II Design-Build Contract and paid by Austin CONRAC in conjunction with payments for Design-Builder work in accordance with payment provisions of the Phase II Design-Build Contract. Developer shall be entitled to stop work in the event of a failure to timely pay any earned portion of the Phase II Lump Sum Development Base Fee, except for matters submitted to the dispute resolution process as set forth in Section 11, below. However, if the failure to pay prevents Developer from requiring its design-builder to proceed with construction under the Phase II Design-Build Contract, then Developer may, at its risk, suspend work submitted to the dispute resolution process pending resolution of the dispute.

- **4.6.2. Cost Overruns.** The Design-Builder is at risk for cost overruns for construction and design for work that the Design-Builder is obligated to perform within the scope of the Design-Build Contract, except as set forth in this **Section 4.6.2** and subject to the provisions contained in **Recital J**, above.
 - **4.6.2.1. Delayed Phase II Notice to Proceed.** Austin CONRAC shall be responsible for cost overruns that result directly and solely from Austin CONRAC's delayed execution of a Phase II Notice to Proceed outside the timeframe set forth for issuing the Phase II Notice to Proceed under the Phase I Design-Build Contract (Exhibit 2) or in the Phase II Project Delivery Schedule (to be attached as Exhibit 6) to this Agreement. Any cost overruns resulting from such delay, however, must be approved by Austin CONRAC in its Notice to Proceed in order for any obligation to pay for such overruns to be enforceable against Austin CONRAC.
 - **4.6.2.2. Failure to Provide Site Access.** Austin CONRAC shall be responsible for cost overruns resulting directly and solely from Austin CONRAC's failure to provide timely and exclusive site access per the requirements of **Section 4.5.4**, above.

- **4.6.2.3.** Changed Site Conditions. Austin CONRAC shall be responsible for payment for cost overruns owing to changes in site conditions as set forth in Article 4 of the modified and adapted DBIA Document No. 535 (2nd ed. 2010), General Conditions of Contract Between Developer and Design-Builder. ("General Conditions") (Exhibit 2.7). Any such change will be processed as a change order under the Design-Build Contract and will result in an equitable adjustment of the Phase II Final Project Budget and Phase II Project Delivery Schedule. Increases in the Design-Builder's Lump Sum price due to cost overruns governed by this Section **4.6.2.3** shall be paid by Austin CONRAC. Contingency funding for changes to site conditions shall be included in the Phase II Final Project Budget as a "Soils Contingency" line item.
- **4.6.2.4. Regulatory Changes.** Austin CONRAC shall be responsible to pay the cost overruns associated with regulatory changes that are attributable to changes in municipal code or regulation between the date of record for the Pricing Documents and the date of issuance of the building permits, or which retroactively affect approvals earlier given under the building permits. Any change in regulatory requirements attributable to changes in municipal code or regulation shall be processed as a change order and shall result in an equitable adjustment of the Phase II Final Project Budget and Phase II Project Delivery Schedule.
- **4.6.2.5. Scope Increases.** Austin CONRAC shall be responsible for cost overruns owing to change orders initiated by Austin CONRAC that increases the scope of the Project and deviates from Pricing Documents.
 - **4.6.2.5.1. Use of Contingency for Changes.** During Phase II, Austin CONRAC, the City and Developer may agree to release a portion of a Project contingency line item for Austin CONRAC requested changes. Change order requests will be processed in consultation with the City and in accordance with the procedures set forth in Sections 9.4.1.3 or 9.4.1.4 of the General Conditions (**Exhibit 2.7**). Austin CONRAC's change order request shall be submitted through Developer, signed by both the City and Austin CONRAC, thereby authorizing the change in Phase II Final Project Budget and

Phase II Project Delivery Schedule. Payment for cost overruns caused by Austin CONRAC initiated change orders shall be in compliance with this **Section 4.6**.

- 4.6.3. Timing of Payment of the Phase II Lump Sum Development Fee At-Risk. If the final Project cost to Austin CONRAC is within the Phase II Final Project Budget (to be attached as Exhibit 5) including application of contingency line items, and if the date of Substantial Completion is within ninety (90) days of the scheduled date of Substantial Completion as shown on the Phase II Project Delivery Schedule (to be attached as **Exhibit 6**) (except for delays caused by any RAC in completing its Tenant Improvements,) then any Phase II Lump Sum Development Fee At-Risk funds that have not been used or encumbered for Project costs as of Substantial Completion, less (a) one hundred fifty percent (150%) of the estimated cost to complete all work identified on any punch list of work that must be accomplished to achieve Final Completion, and (b) a pro rata portion of the Phase II Lump Sum Development Base Fee and Phase II Lump Sum Development Fee At-Risk corresponding to the cost amount withheld, shall be paid in full, lump sum, to Developer within thirty (30) days of Substantial Completion.
- **4.6.4. Phase II Final Payment.** Design-Builder shall submit its final application for payment to Developer, and Developer, after review and approval, shall submit to Austin CONRAC a final invoice that includes the Design-Builder's final application for payment, with a copy to the City. Austin CONRAC shall, in turn, prepare and submit to the City a final invoice that includes Developer's final invoice, and, provided that the Design-Builder has satisfied all of the requirements for final payment set forth in Phase II Design-Build Contract, Austin CONRAC shall make prompt payment to Developer upon receipt of payment from the City or its trustee in accordance with applicable requirements of the Texas Prompt Payment statute, if any.

GENERAL PROVISIONS

Consent to Assignment. The obligations under this Agreement require in the case of both Parties certain capabilities and characteristics that it would make dealing with a different party a substantial change in the risks and desirability of the Project. Therefore any request for an assignment or delegation of rights under this Agreement (except for normal subcontracting under the design-build

contracts) shall be subject to the prior written review and approval of the other Party, such approval to be withheld in that Party's sole discretion. Notwithstanding the above, Austin CONRAC may assign its rights to a wholly owned subsidiary or affiliate, provided such assignment does not affect the financing for the Project and shall not release Austin CONRAC from its obligations hereunder.

- Mutual Obligations. Each of the Parties covenants and agrees that the other Party has relied in material ways on the expectation and belief that the other Party will continue to proceed with the Project with the other Party consistent with the covenant of good faith and fair dealing. Austin CONRAC recognizes that the Development Services and Project Delivery work identified above are complex and time intensive and will require Developer to engage other professionals in order to deliver the scope of services with enough accuracy and detail necessary to submit an application for financing and information to Austin CONRAC to make an informed decision. Austin CONRAC agrees to work diligently and in cooperation with Developer in order to proceed with the work under Phase I and Phase II. Nothing in this Paragraph obligates Austin CONRAC to advance to Phase II of the Project.
- 7. Ownership of Record Documents. The Design-Builder will maintain the redline drawings during the construction of the Project and one set shall be delivered to each of Austin CONRAC and the City within a reasonable time after the date of Final Completion. Developer will have the architect of record deliver to Austin CONRAC and the City, each one (1) hard copy and an e-version of the final as built drawings and specifications. Developer and Design-Builder shall provide to the City one complete copy of the as built in electronic file formats (CD-R). Drawings shall be prepared with computer-aided design and drawing technology utilizing the City's ABIA CAD Standards, which will be provided to the Design-Builder. Design-Builder shall also provide one (1) set of full-size high quality Mylar and two (2) sets of full size printed Project record drawings, each signed and sealed by the Design-Builder's architect/engineer of record. documents shall reflect any changes (field order, change orders, work change directives, etc.) made subsequent to the City's receipt of approved construction documents. Copies of the record documents that may be relied upon by the City are limited to the printed copies that are signed and sealed by the Design-Builder's architect of record. Electronic files of record documents that are furnished by Design-Builder to the City are for convenience of the City. reproductions and other hard copies will be delivered on a reimbursable basis outside of the Phase II Final Project Budget (to be attached as **Exhibit 5**). Austin

CONRAC's right to the design documents shall be as set forth in Article 4 of the Phase I or Phase II Design-Build Contract, as applicable. Austin CONRAC shall have full license rights to use such plans for its future work, remodeling and renovation work of the Project without any further consent from Developer, the Design-Builder, or the architect of record, subject to the provisions of Article 4 to the respective Design-Build Contract.

- **Records Retention.** Developer shall keep all of its record documents and accounting records of the Project as is usual and customary in the construction industry for not less than five (5) years after the date of Final Completion. Upon written request from Austin CONRAC or the City, such records shall be available to Austin CONRAC and the City or its appointed accounting or auditing representatives for inspection and copying. Prior to destroying or disposing of such records, Developer shall offer the records to Austin CONRAC and the City.
- **Termination and Default.** This Agreement may be terminated by mutual agreement of the Parties, for convenience, or for default as set forth below.
 - 9.1. Developer Right of Termination for Cause. Developer may terminate this Agreement upon thirty (30) days' written notice upon a material default by Austin CONRAC, unless during such notice period, the default is cured, or if the default is such that it may not reasonably be cured within thirty (30) days, then Austin CONRAC has begun the cure and is diligently prosecuting the cure until its completion. A material default shall not exist as to unpaid funds that are in dispute under Sections 11 through 11.5.1, below ("Disputes Clauses"), unless and until the funds remain unpaid ten (10) days after the funds are found due and exhaustion of the dispute resolution procedures in the Disputes Clauses. However, to any extent that the failure to pay prevents Developer from requiring its design-builder to proceed with construction under the Phase II Design-Build Contract, then Developer may, suspend work, without liability, to that same extent until the dispute is resolved.
 - **9.2.** Austin CONRAC Right of Termination for Cause. Austin CONRAC may terminate this Agreement upon thirty (30) days' written notice upon a material default by Developer, unless during such notice period, the default is cured, or if the default is such that it may not reasonably be cured within thirty (30) days, then Developer has begun the cure and is diligently prosecuting the cure until its completion, or if the default is in dispute, then until resolved under the Disputes Clauses of this Agreement. Notwithstanding the preceding, Austin CONRAC shall also have the rights to take over the work under the terms and

conditions and with the obligations as set forth in Article 6 of the Phase I Design-Build Contract (**Exhibit 2**) and Article 8 of the Phase II Design-Build Contract (**Exhibit 7**); however, if the dispute resolution determination is that Developer was not in default, or that its non performance was excused, then Developer shall be entitled to payment of its applicable Lump Sum Development Base Fee(s) accrued to the date of the dispute resolution and a pro rata percentage of any balance of the applicable Lump Sum Development Fee(s) At-Risk.

- **9.3.** Waiver of Consequential Damages. Upon any default, except for defaults of time of completion, which are addressed by liquidated damages, each of the Parties may seek its actual damages; however, both Parties waive as against the other the right to seek consequential damages and/or exemplary or punitive damages arising from such breach.
- **9.4. Termination for Convenience**. Austin CONRAC shall have the right to terminate this Agreement for convenience under the terms, conditions, and with the obligations as set forth in Article 6 of the Phase I Design-Build Contract and Article 8 of the Phase II Design-Build Contract. Developer shall be entitled to its earned portion of the applicable Lump Sum Development Base Fee(s), in the event of such termination and a pro rata percentage of any balance of the applicable Lump Sum Development Fee(s) At-Risk. Each Design-Build Contract shall provide that Austin CONRAC may terminate it without cause at any time without any obligation by Developer to pay the Design Builder for future lost profits or unabsorbed overhead, but only pay for work performed, cost incurred or legally committed to, or specially fabricated materials ordered prior to the termination date.
- 10. Alternate Contractor. In the event Developer and Austin CONRAC are unable to agree on an acceptable Phase II Final Project Budget to proceed to Phase II, then Austin CONRAC shall pay to Developer all sums due and owing for the Phase I work completed as set forth in Section 3, above, including the Phase I Lump Sum Development Base Fee, and reimburse Developer for any approved expenses advanced on behalf of Austin CONRAC in anticipation of Phase II work. Approved expenses are those expenses described as Phase I costs in the Comprehensive Development Budget (Exhibit 1), which are approved by Austin CONRAC upon execution of this Agreement, or any expenses for Phase II work that Austin CONRAC has authorized in writing to keep the Project on schedule prior to the Phase II Notice to Proceed. Austin CONRAC acknowledges that the documents are then to be incomplete and waives any claims against Developer, the Design-Builder and/or architect of record for any errors or omissions in the

documents and Austin CONRAC may use the form of documents most current at that time, subject to the requirements and conditions of **Section 7**, above.

- 11. <u>Disputes Between Austin CONRAC and Developer</u>. In the event of any dispute between Austin CONRAC and Developer arising out of or relating to this Agreement, either Party may institute the dispute resolution procedures set forth herein by written notice also copied to the intended third-party beneficiaries identified in **Section 1.12** of this Agreement. The Parties shall continue performance of their respective obligations hereunder notwithstanding the existence of a dispute, except only for the failure to pay timely for Phase I or Phase II work. Developer will include this Disputes Clause in lieu of the disputes clause set forth in the either Design-Build Contract.
 - 11.1. Initial Meeting to Resolve Disputes. Either of the Parties may from time to time call a special meeting for the resolution of disputes that would have a material impact on the cost or progress of the Project. Such meeting shall be held at Developer's offices in Austin, Texas, or other suitable Austin, Texas, location designated by Developer, within three (3) working days of written request therefore, which request shall specify in reasonable detail the nature of the dispute. Authorized Representative, Developer's Austin CONRAC's Representative, a representative from the Design-Builder if the issue concerns a matter relating to the Design-Build Contract, and any other person who may be affected in any material respect by the resolution of such dispute shall attend the meeting. The refusal or failure of any affected third party to attend the meeting, if having received at least three (3) working days advance notice of a reasonably clearly stated issue which potentially adversely affects that third party's interests, shall estop that third-party from objecting to the result achieved in good faith at the meeting on that issue, but only to the extent the non-attending third party establishes that no Party or third party in attendance suffered undue prejudice by the third party's failure to attend. Such Authorized Representatives shall have authority to resolve and settle the dispute and shall attempt in good faith to do so.

If it is determined that attendance at a dispute resolution meeting, whether an initial meeting as described above or a mediation as described below, on behalf of the Participating RACs is necessary, the Participating RACs may attend through a single Authorized Representative. To act as the single Authorized Representative for the RACs at such a dispute resolution meeting, the individual shall be so designated in a written resolution signed by an officer of, respectively, each of the Participating RACs, and a true copy of the written resolution signed on behalf of

the Participating RACs shall be made available, upon request, to any other person or entity attending the dispute resolution meeting.

- **11.2. Mediation**. If the dispute has not been resolved within five (5) working days after the special meeting has been held, a mediator, mutually acceptable to the Parties and experienced in design and construction matters shall be appointed. The Parties shall share the cost of the mediator. If the Parties cannot agree on the selection of a mediator within ten days of the decision to proceed to mediation, then either Party may request that the Travis County Dispute Resolution Center select a mediator to serve as a mediator for the Parties. The mediator shall be a lawyer or retired judge competent in the subject matter of the dispute. mediator shall be given any written statements of the Parties and may review the Project and any relevant documents. The mediator shall call a meeting of the Parties within ten (10) working days after his/her appointment, which meeting shall be attended by Austin CONRAC's Authorized Representative, Developer's Authorized Representative, at the City's option, an authorized representative of the City, and any other person who may be affected in any material respect by the resolution of such dispute. The refusal or failure of any affected third party to attend the meeting, if having received at least three (3) working days advance notice of a reasonably clearly stated issue which potentially adversely affects that third party's interests, shall estop that third-party from objecting to the result achieved in good faith at the meeting on that issue, but only to the extent the nonattending third party establishes that no Party or third party in attendance suffered undue prejudice by the third party's failure to attend. Such Authorized Representatives shall have authority to resolve and settle the dispute and shall attempt in good faith to do so. During such ten (10) day period, the mediator may meet with the Parties separately.
 - 11.2.1. The mediation proceedings shall be conducted under the Texas Alternative Dispute Resolution Act concerning mediations. The comments and/or findings of the mediator, together with any written statements prepared, shall be non-binding, confidential and without prejudice to the rights and remedies of any Party. The entire mediation process shall be completed within twenty (20) working days of the date upon which the initial special meeting is held, unless the Parties agree otherwise in writing. If the dispute is settled through the mediation process, the decision will be implemented by written agreement signed by the Parties.
- 11.3. Court. In the event mediation fails, then either Party may seek to resolve the dispute in a court of competent jurisdiction located in Austin, Travis County,

Texas. The prevailing Party in such action shall be entitled to payment of its reasonable attorney fees and court costs incurred in the court action itself and in any action necessary to enforce the judgment.

- **11.4. Other contracts**. All contracts that Austin CONRAC or Developer enters into with third parties that implement design or construction of the Project shall be required to include as a term a dispute resolution procedure in substantial compliance with the terms of this **Section 11**.
- **11.5. Authorized Representative/Notice**. Each of the Parties agrees, within ten (10) days of the delivery of a mutual executed copy of this Agreement, to provide notice of its Authorized Representative, including mailing address, phone numbers, fax numbers, and e-mail address, to the other Party.
 - **11.5.1. Notice.** All notices sent pursuant to this Agreement shall be in writing and sent by regular, registered or certified mail, postage prepaid, or by hand-delivery to the Parties and, as applicable, to the City and the Participating RACs, as follows:

Either Party or Third-Party Beneficiary may change these persons or addresses by giving notice as provided above. Notice shall be considered given and received on the latest original delivery or attempted delivery date as indicated on the postage or service receipt(s) of all persons and addresses to which notice is to be given. In the event of notice by regular mail, notice shall be deemed received on the fourth business day after posting.

- **12. Insurance**. Developer shall require the Design-Builder to carry the insurance as required by the City under the 2011 Reimbursement Agreement and as required by Austin CONRAC, including, for Phase II, all insurance required under Section 4.4, above. Developer and Austin CONRAC shall carry such coverage as will meet bond underwriter and City requirements. Developer will also require the Design-Builder to add Austin CONRAC, the City, and Developer as additional insureds under the Design-Builder's policies. In the event that during Phase I any commercially reasonable adjustments to insurance coverage, limits, and/or exclusions are deemed necessary and prudent by the City in accordance with Exhibit E, Developer shall promptly notify Austin CONRAC in writing of the increase in the amount of the insurance cost, if any, together with supporting documents, and, unless the City rescinds its direction for the adjustment in insurance coverage, Austin CONRAC shall seek from the City and provide to Developer reimbursement for the increased amount of the insurance cost in accordance with Section 2 of the 2011 Reimbursement Agreement.
- **Coordination with Design-Build Contract(s).** This Agreement shall define the obligations and performances of Developer and Austin CONRAC to one another. The Design-Build Contract(s), as entered into, shall define the obligations and performances of Design-Builder and Developer to one another.
 - **13.1. Delay.** In the event the Design-Builder shall be entitled to an equitable adjustment of time under either Design-Build Contract due to changes, force majeure, or other reasons as set forth in the respective Design-Build Contract and not the unexcused fault of the Developer, then Developer shall be allowed an equal time extension under this Agreement.
 - **13.2.** Liquidated Damages. In the event of any unexcused delay in completion of Phase II of the Project, then Developer shall collect from the Design-Builder the liquidated damages provided for under the Phase II Design-Build Contract, which shall include both a Developer component and an Austin CONRAC component, and shall remit the Austin CONRAC component to Austin CONRAC upon receipt of such funds.. Developer shall not be required to pay any additional liquidated

damages for such delay under this Agreement. Except to any extent that the loss is covered by a surety bond or insurance, such liquidated damages shall be Austin CONRAC's sole and exclusive remedy for delay.

- 13.3. Warranties. The warranties to be provided after Substantial Completion and acceptance of the Project shall be an obligation owed directly by the Design-Builder and its architects and engineers to Austin CONRAC and its assigns and no other warranty provided by Developer shall be provided nor implied under this Agreement except to any extent explicitly set forth in this Agreement. Beneficial occupancy will be delivered at the time of acceptance of Substantial Completion. Developer's performance shall be complete upon Final Completion of the Project and acceptance of the same by Austin CONRAC, except that Developer shall have a continuing duty to cooperate with Austin CONRAC to take the necessary steps to trigger the proper warranty performance in the event a condition arises after Final Completion which appears to involve a warranty obligation of Design-Builder or one of its contractors.
- **13.4.** Conflicts with Form Agreements. In the event of a conflict between this Agreement and the Design-Build Contract(s), the terms of this Agreement shall control over any printed portions of the respective Design-Build Contract, and the typed or revised provisions of the Design-Build Contract that have been approved by Austin CONRAC and Developer shall control over this Agreement.
- **13.5. Review and Approval of the Design-Build Contract.** Austin CONRAC and Developer shall have the right of review and approval of the form of each Design-Build Contract prior to its execution.
- **14.** <u>General Provisions.</u> The following general provisions shall apply to this Agreement.
 - **14.1. Reasonableness.** Except where either of the Parties is entitled explicitly by this Agreement to make a decision in its sole discretion, whenever consent or approval of either of the Parties is required, that Party shall not unreasonably withhold or delay such consent or approval.
 - **14.2. Parties and Successors**. This Agreement shall be binding upon and inure to the benefit of the Parties and their successors.

- **14.3. Governing Law and Venue.** This Agreement shall be construed and interpreted in accordance with the laws of the State of Texas and venue for dispute resolution shall be Austin, Travis County, Texas.
- **14.4. Headings and captions.** Headings and captions shall have no effect on its interpretation.
- **14.5. Gender and Number.** When required by this Agreement, the singular shall include the plural and the neuter shall include the masculine and the feminine.
- **14.6. Severability.** The unenforceability, invalidity, or illegality of any provision of this Agreement shall not render the other provisions of this Agreement unenforceable, invalid, or illegal.
- **14.7. Assistance of Counsel**. Each Party has negotiated this Agreement with the assistance of counsel and any ambiguity in the Agreement shall not be construed against either Party for having provided the language in question.

15. Additional Provisions.

15.1. Travel Expenses. Austin CONRAC agrees to reimburse Developer's and its consultants' reasonable and actual travel and lodging expenses. Travel and lodging expenses in connection with this Agreement will be reviewed against the City of Austin's Travel Policy as published and maintained by the City of Austin's Controller's Office and the Current United States General Services Administration Domestic Per Diem Rates (the "Rates") as published and maintained on the Internet at:

http://www.gsa.gov/Portal/gsa/ep/contentView.do?contentId=17943&contentType =GSA BASIC

No amounts in excess of the Travel Policy or Rates shall be paid. All invoices must be accompanied by copies of detailed itemized receipts (e.g. hotel bills, airline tickets). No reimbursement will be made for expenses not actually incurred. Airline fares in excess of coach or economy will not be reimbursed. Mileage charges may not exceed the amount permitted as a deduction in any year under the Internal Revenue Code or Regulations. Notwithstanding the above, total travel and lodging expenses under this Agreement shall be limited to and shall not exceed the amounts budgeted for Phase I in the Comprehensive Development Budget (Exhibit 1) and for Phase II in the Phase II Final Project Budget (to be attached as Exhibit 5).

- 15.2. Right to Audit. Austin CONRAC reserves the right to audit and examine at any reasonable time the books and records of Developer and its consultants to the extent necessary, consistent with the industry standards pertaining to lump-sum projects as contemplated under the Project Delivery Agreement and design-build contracts, to verify the accuracy of any statement, charge, computation or invoice made hereunder that is not chargeable under the respective budget as or within a Lump Sum, and to recover from Developer or its consultants any overcharges paid by Austin CONRAC or any trustee under the bond indentures. Developer shall retain all such records for a period of three (3) years after final payment on this Agreement or until all audit and litigation matters that Austin CONRAC has brought to the attention of Developer are resolved, whichever is longer. Developer agrees to refund to Austin CONRAC any overpayments disclosed by any such audit. Developer shall include the provisions of this section in all its consultants' contracts entered into in connection with this Agreement.
- **15.3.** Subcontracting. If Developer has identified any consultant, and if any consultant has identified any subconsultant, in a MBE/WBE Program Compliance Plan, Developer and the respective consultant, as applicable, shall comply with the applicable provisions of Chapters 2-9A, 2-9B, 2-9C, and 2-9D of the City of Austin Code and the terms of the Compliance Plan as approved by the City (the "Plan"). No subconsultants shall be employed except as provided in the Plan. No subconsultant identified in the Plan may be replaced, unless the substitute has been accepted by Austin CONRAC and the City in writing. No acceptance by Austin CONRAC of any subconsultant shall constitute a waiver of any rights or remedies of Austin CONRAC with respect to defective or incomplete Phase I Deliverables provided by a subconsultant. Developer and its consultants shall be fully responsible to Austin CONRAC for all acts and omissions of Developer and its consultants and any subconsultants just as they are responsible for their own acts and omissions. Nothing herein shall create for the benefit of any Developer consultant or subconsultant a contractual relationship between Austin CONRAC, the City and any consultant or subconsultant, nor shall it create any obligation on the part of the Austin CONRAC to pay or to see to the payment of any moneys due any consultant or subconsultant.
- **15.4. Warranty.** Developer, in its own capacity, warrants and represents that all services to be provided to Austin CONRAC under the Agreement will be fully and timely performed in a good and workmanlike manner in accordance with generally accepted industry and professional standards and practices, the terms, conditions, and covenants of this Agreement, and all applicable Federal, State and local laws, rules or regulations. Additionally, Developer agrees that this same warranty and covenant shall be required of, and included in all contracts between Developer and, Developer's consultants and any agreements between the consultants and

their subconsultants.

- A. Neither Austin CONRAC nor Developer and its consultants may limit, exclude or disclaim the foregoing warranty or any warranty implied by law, and any attempt to do so shall be without force or effect.
- B. If within a period of one year from the date of Substantial Completion, Austin CONRAC determines that one or more of the above standards was not met in some respect or that one of the above warranties were breached, Developer shall cause the responsible consultant(s) or subconsultant(s) to promptly upon receipt of demand perform the services again in accordance with above standard at no additional cost to Austin CONRAC. Developer agrees that it shall include these warranties and covenants in all contracts with its consultants and any agreements between the consultants and their subconsultants. All costs incidental to such additional performance, if any, shall be borne by Developer and its consultants without further reimbursement from Austin CONRAC. Austin CONRAC shall give Developer and its consultants written notice of the breach of warranty within thirty (30) calendar days of discovery of the breach warranty, but failure to give timely notice shall not impair Austin CONRAC's rights under this section.
- C. If Developer or any of its consultant is unable or unwilling to perform its services in accordance with the above standard as required by Austin CONRAC, then in addition to any other available remedy, Austin CONRAC may reduce the amount it is required to reimburse Developer under this Agreement, and purchase conforming services from other sources.
- D. Notwithstanding anything in the foregoing **Section 15.4** of this Agreement, the warranties as to Phase I Deliverables furnished by Developer, by Design-Builder or by a Consultant are subject to the following:
 - (1) All drawings, specifications, technical reports and other design documents prepared during Phase I for the purpose of obtaining pricing on material, equipment and other construction costs to develop the lump sum price for Phase II (the "Phase I Design Documents for Pricing") are subject to completion, refinement or modification during the Phase II process of developing and issuing the working drawings and specifications. Any warranty that a design document has been prepared in accordance with the applicable standard of professional care shall apply only to those

- design documents that are sealed and issued for construction, and not to the Phase I Design Documents for Pricing, subject to the following: the warranty of compliance with the applicable standard of professional care shall extend to any Phase I Design Document for Pricing, such as a geotechnical report, to the extent it is intended for use by other design professionals and is final for that purpose, as well as to any work product that the Design-Builder or the preparing Consultant has released to use for construction.
- (2) The Project is contemplated to be a design-build project. As such, Developer's and Design-Builder's warranty with respect to the degree of completion and level of detail in the Phase I Design Documents for Pricing shall be consistent with the degree of completion and level of detail in design-build documents for lump sum pricing purposes prepared by or for a sophisticated and experienced commercial design-builder with similar past experience with the designer on similar-in-price and type commercial designbuild projects. It is understood and agreed that the degree of design and drawing completion with respect to different aspects of the Project will vary widely depending on the elements of the Project involved. The level of detail in the Phase I Design Documents for Pricing will average approximately 50% of construction document completion. Pfeffer shall cause the Design-Builder to warrant the sufficiency of the documents to provide a firm Lump Sum price to complete Phase II construction.
- 15.5. Warranty Against Infringements. Developer in its own capacity represents and warrants to Austin CONRAC that the Phase I Deliverables will not infringe, directly or contributorily, any patent, trademark, copyright, trade secret, or any other intellectual property right of any kind of any third party. Developer agrees that it shall include these warranties and covenants in all contracts with Developer's consultants and any agreements between the consultants and their subconsultants and shall require them, at their sole expense, to defend, indemnify, and hold Austin CONRAC harmless from and against all liability, damages, and costs (including court costs and reasonable fees of attorneys and other professionals) arising out of or resulting from: (i) any claim that Austin CONRAC's exercise anywhere in the world of the rights associated with Austin CONRAC's use of the Phase I Deliverables infringes the intellectual property rights of any third party; or (ii) Developer's and its consultants' breach of any representations or warranties stated in this section. Developer and its consultants

shall obtain cross-warranties and cross indemnification from each subconsultant to the same extent as provided in this section.

15.6. Confidentiality. Austin CONRAC, Developer and its consultants may receive access to certain of the City's confidential information (including employee information, trade secrets, confidential know-how, confidential business information, and other information which the City considers confidential) (collectively, "Confidential Information"). Developer, in its own capacity, acknowledges and agrees that the Confidential Information is the valuable property of the City and any unauthorized use, disclosure, dissemination, or other release of the Confidential Information will substantially injure the City. Developer, in its own capacity (including its employees, its Consultants, agents, or representatives) agrees that it will maintain the Confidential Information in strict confidence and shall not disclose, disseminate, copy, divulge, recreate, or otherwise use the Confidential Information without the prior written consent of the City or in a manner not expressly permitted under this Agreement, unless the Confidential Information is required to be disclosed by law or an order of any court or other governmental authority with proper jurisdiction, provided Developer promptly notifies the City before disclosing such information so as to permit the City reasonable time to seek an appropriate protective order. Developer, in its own capacity, as well as its Consultants agree to use protective measures no less stringent than Developer or Consultants use within their own businesses to protect their own most valuable information, which protective measures shall under all circumstances be at least reasonable measures to ensure the continued confidentiality of the Confidential Information. Developer agrees that these warranties and covenants shall be included in all contracts with its consultants and any agreements between the consultants and their subconsultants.

15.7. Ownership and Use of Phase I Deliverables.

A. Subject to Section 23 of the 2011 Reimbursement Agreement on Open Records Requests, the City, Austin CONRAC and Developer shall jointly own all rights, titles, and interests throughout the world in and to the Phase I Deliverables. The Phase I Deliverables, including all plans, drawings, photos, designs, studies, specifications, data, computer programs, schedules, technical reports, or other work products for which Developer is being reimbursed under this Agreement are subject to the right of the City and Austin CONRAC to use, duplicate and disclose such items, in whole or in part, in any manner and for whatever purpose; and, to have others do so. If a Deliverable is copyrightable, Developer and its consultants may copyright it, subject to the rights of the City and Austin CONRAC. The Phase I Deliverables shall not include internal financial documents of the

- Participating RACs, Austin CONRAC or Developer proprietary software, programs, or methodologies used to create the Phase I Deliverables. Developer hereby grants, and shall cause the consultants to grant the City and Austin CONRAC a royalty-free, non-exclusive and irrevocable license to reproduce, publish, modify and use the Phase I Deliverables and to authorize others to do so. Developer shall include the provisions of this section in its consultants' contracts, and shall cause the consultants to include these provisions in any subconsultant contracts.
- B. Notwithstanding the foregoing or any other provision of this Agreement, Should the City or Austin CONRAC elect to have anyone other than the Consultant or design professional who developed a respective Phase I Design Document for Pricing complete, refine or modify that document for use in constructing Phase II of the Project, or should the City or Austin CONRAC elect to use any Phase I Design Document for Pricing for expansion or modification of the Project, or for a different construction project, the party electing such use shall contract for design services relating to that use so as to place a duty on each design professional involved in such use of a Phase I Design Document independently to achieve conformance with the then applicable standard of professional care without any reliance on whether the Phase I Design Document was previously prepared in a proper manner.
- 16. Actions Required of Non-Parties. As noted in Section 3.1.7, above, and elsewhere in this Agreement, some matters necessary to the success of the Project are not within the control of the Parties nor in the control of persons contracted by either Party or its consultants for performance under this Agreement. In each case that a duty or required cooperation of a non-Party/non-contracted person/non-consultant is identified in this Agreement, fulfillment of that duty or cooperation by that person is a condition of Developer's duty to perform any of its related obligations under this Agreement.
- 17. Resolution of Liens. The following shall govern in the event a mechanic's lien ("Lien") is recorded against the Project premises, the Project leasehold, or the Project improvements by the Design-Builder, by any subcontractor, supplier or worker, directly or indirectly, of the Design-Builder, or by any Consultant to the Developer, provided Developer has been paid all sums then due to Developer under this Agreement. Developer, in the event such a Lien is recorded, shall, at its own cost, obtain from a suitable commercial surety and file a lien release bond in proper form and proper amount, afford notice of the bond, and record the bond and notice consistent with the requirements of Texas Property Code sections 53.171, 53.172, 53.173 and 53.174. In addition, Developer shall indemnify and hold

Austin CONRAC harmless from all costs, damages and fees, including reasonable attorneys' fees, which Austin CONRAC incurs as result of the Lien.

- 18. Effective Date as to Notice Requirements. Notwithstanding the Effective Date first stated above, all provisions of this Agreement requiring notice by any Party to any other Party within a stated period following an occurrence or the acquisition of knowledge are effective only as of the date of full execution of this Agreement by all Parties. To the extent any occurrence or knowledge after the Effective Date first stated above but predating such full execution would have required notice by a Party had this Agreement then-been in effect, the Party shall be given the notice within the applicable number of days after receipt of a fully executed copy of this Agreement.
- 19. <u>Counterparts and Faxed Signatures</u>. This Agreement may be executed in any number of counterparts, each of which when so executed and delivered shall be an original, but such counterparts shall together constitute but one and the same instrument. Faxed or electronically transmitted signatures on this Agreement shall be given full effect as original signatures.

This Agreement having been reviewed and approved is executed on the 27 day of means, 2012.

Pfeffer Development, LLC

ADDENDUM TO PROJECT DELIVERY AGREEMENT

THIS ADDENDUM, dated January 7, 2013, is to that certain Project Delivery Agreement dated January 27, 2012, by and between Austin CONRAC LLC a Texas limited liability company ("Austin CONRAC") and Pfeffer Development, LLC, an Alaska limited liability company registered to do business in Texas ("Developer") and made effective as of the 27th day of July, 2011, (the "Agreement"). This Addendum is effective on the date it is fully executed, but Section A is to document and confirm the original intent and requirement of the parties and therefore relates back to the original effective date of the Agreement.

A. <u>Subcontracting Required</u>. Developer is specifically required under this Agreement, with such requirement being explicitly stated herein consistent with §171.1011(g) of the Texas Tax Code, to subcontract <u>all</u> provision of services, labor, and materials that Developer is obligated to provide in connection with design, construction, remodeling, or repair of the Project on the Property (the "Subcontract Work"), <u>excepting only</u> services provided under the following, for Phase I, the Comprehensive Development Budget (Exhibit 1), and for Phase II, the Phase II Final Project Budget (Exhibit 5):

The amount of Line 10 (PD Legal);

Any balance of Line 35 remaining net of amounts transferred to cover contingency work hereby required to be subcontracted (Developer's Contingency/Success Fee); and

The amount of Line 36 (Developer Base Fee)

(collectively, "Developer Line Items"). Developer is expressly mandated to distribute to others, as flow-through funds, all payment and funds Developer receives from Austin CONRAC or City under this Agreement, other than payment for and in the amounts of the Developer Line Items.

- B. **Phase II Exhibits.** The following attached products of Phase I are hereby incorporated as Exhibits to this Agreement:
 - Exhibit 4 Pricing Documents and Design-Build Lump Sum Cost Proposal (as finally approved)(representative summary pages attached, but full pricing document set incorporated therein by reference)
 - Exhibit 5 Phase II Final Project Budget
 - Exhibit 6 Phase II Project Delivery Schedule
 - Exhibit 7 Form of Phase II Design-Build Agreement

Exhibit 8 General Conditions of Contract, Phase II

- C. <u>Other Provisions Unchanged</u>. All other provisions of this Agreement remain unchanged.
- D. <u>Counterparts and Faxed Signatures</u>. This Agreement may be executed in any number of counterparts, each of which when so executed and delivered shall be an original, but such counterparts shall together constitute but one and the same instrument. Faxed or electronically transmitted signatures on this Agreement shall be given full effect as original signatures.

This Agreement having been reviewed and a, 2013.	approved is executed on theday of

- 1. License. The Design-Build Institute of America ("DBIA") provides DBIA Contract Documents and licenses their use worldwide. You acknowledge that DBIA Contract Documents are protected by the copyright laws of the United States. You have a limited nonexclusive license to: (a) Use DBIA Contract Documents on any number of machines owned, leased or rented by your company or organization; (b) Use DBIA Contract Documents in printed form for bona fide contract purposes; and (c) Copy DBIA Contract Documents into any machine-readable or printed form for backup or modification purposes in support of your permitted use.
- 2. User Responsibility. You assume sole responsibility for the selection of specific documents or portions thereof to achieve your intended results, and for the installation, use, and results obtained from the DBIA Contract Documents. You acknowledge that you understand that the text of the DBIA Contract Documents has important legal consequences and that consultation with an attorney is recommended with respect to use or modification of the text. You will not represent that any of the contract documents you generate from DBIA Contract Documents are DBIA documents unless (a) the document text is used without alteration or (b) all additions and changes to, and deletions from, the text are clearly shown.
- 3. Copies. You may not use, copy, modify, or transfer DBIA Contract Documents, or any copy, modification or merged portion, in whole or in part, except as expressly provided for in this license. Reproduction of DBIA Contract Documents in printed or machine-readable format for resale or educational purposes is expressly prohibited. You will reproduce and include DBIA's copyright notice on any printed or machine-readable copy, modification, or portion merged into another document or program.
- **4. Transfers.** You may not transfer possession of any copy, modification or merged portion of DBIA Contract Documents to another party, except that a party with whom you are contracting may receive and use such transferred material solely for purposes of its contract with you. You may not sublicense, assign, or transfer this license except as expressly provided in this Agreement, and any attempt to do so is void.
- **5. Term.** The license is effective for one year from the date of purchase. DBIA may elect to terminate it earlier, by written notice to you, if you fail to comply with any term or condition of this Agreement.
- 6. Limited Warranty. DBIA warrants the electronic files or other media by which DBIA Contract Documents are furnished to be free from defects in materials and workmanship under normal use during the Term. There is no other warranty of any kind, expressed or implied, including, but not limited to the implied warranties of merchantability and fitness for a particular purpose. Some states do not allow the exclusion of implied warranties, so the above exclusion may not apply to you. This warranty gives you specific legal rights and you may also have other rights which vary from state to state. DBIA does not warrant that the DBIA Contract Documents will meet your requirements or that the operation of DBIA Contract Documents will be uninterrupted or error free.
- 7. Limitations of Remedies. DBIA's entire liability and your exclusive remedy shall be: the replacement of any document not meeting DBIA's "Limited Warranty" which is returned to DBIA with a copy of your receipt, or at DBIA's election, your money will be refunded. In no event will DBIA be liable to you for any damages, including any lost profits, lost savings or other incidental or consequential damages arising out of the use or inability to use DBIA Contract Documents even if DBIA has been advised of the possibility of such damages, or for any claim by any other party. Some states do not allow the limitation or exclusion of liability for incidental or consequential damages, so the above limitation or exclusion may not apply to you.
- 8. Acknowledgement. You acknowledge that you have read this agreement, understand it and agree to be bound by its terms and conditions and that it will be governed by the laws of the District of Columbia. You further agree that it is the complete and exclusive statement of your agreement with DBIA which supersedes any proposal or prior agreement, oral or written, and any other communications between the parties relating to the subject matter of this agreement.

INSTRUCTIONS

For DBIA Document No. 525 Standard Form of Agreement Between Developer and Design-Builder - Lump Sum (2010 Edition)

Use this Checklist to ensure that the Agreement is fully completed and all exhibits are attached.

Checklist

Page 1 Developer's name, address and form of business Page 1 Design-Builder's name, address and form of business Page 1 Project name and address Section 2.1.3 Identify other exhibits to the Agreement Section 4.2 Note the optional provisions that are provided Section 4.3.2 Complete blanks for additional sum for use of Work Product Section 5.2.1 Complete blanks for calendar days and note the optional language that is provided Section 5.2.2 Insert any interim milestones (optional) Section 5.4 Complete blanks for liquidated damages and note the optional provisions that are provided Section 5.5 If the parties select the option provided they have to insert an amount Section 5.6 Complete blanks for early completion bonus and note the optional provision that is Section 5.7 Note the optional provisions that are provided Section 6.1 Complete blanks for Contract Price Section 6.2 Insert markups for changes and note optional provisions Section 6.3.4 Note the optional provision that is provided Section 6.4.1 Note optional provision Section 7.1.1 Complete blanks for day of month Section 7.2.1 Complete blanks for retention percentage and note optional provision Section 7.4 Complete blanks for interest rate Section 8.1.3 Choose overhead/profit method for termination for convenience Section 8.2.1 Complete blanks for percentages Section 8.2.2 Complete blanks for percentages Section 9.1.1 Insert Developer's Senior Representative's name, etc. (optional) Section 9.1.2 Insert Developer's Representative's name, etc. (optional)

General Instructions

No.	Subject	Instruction
1.	Standard Forms	Standard form contracts have long served an important function in the United States and international construction markets. The common purpose of these forms is to provide an economical and convenient way for parties to contract for design and construction services. As standard forms gain acceptance and are used with increased frequency, parties are able to enter into contracts with greater certainty as to their rights and responsibilities.
2.	DBIA Standard Form Contract Documents	Since its formation in 1993, the Design-Build Institute of America ("DBIA") has regularly evaluated the needs of Developers, design-builders, and other parties to the design-build process in preparation for developing its own contract forms. Consistent with DBIA's mission of promulgating best design-build practices, DBIA believes that the design-build contract should reflect a balanced approach to risk that considers the legitimate interests of all parties to the design-build process. DBIA's Standard Form Contract Documents reflect a modern risk allocation approach, allocating each risk to the party best equipped to manage and minimize that risk, with the goal of promoting best design-build practices.
3.	Use of Non-DBIA Documents	To avoid inconsistencies among documents used for the same project, DBIA's Standard Form Contract Documents should not be used in conjunction with non-DBIA documents unless the non-DBIA documents are appropriately modified on the advice of legal counsel. Moreover, care should also be taken when using different editions of the DBIA Standard Form Documents on the same project to ensure consistency.
4.	Legal Consequences	DBIA Standard Form Contract Documents are legally binding contracts with important legal consequences. Contracting parties are advised and encouraged to seek legal counsel in completing or modifying these Documents.
5.	Reproduction	DBIA hereby grants to purchasers a limited license to reproduce its Documents consistent with the License Agreement accompanying these Documents. At least two original versions of the Agreement should be signed by the parties. Any other reproduction of DBIA Documents is strictly prohibited.
6.	Modifications	Effective contracting is accomplished when the parties give specific thought to their contracting goals and then tailor the contract to meet the unique needs of the project and the design-build team. For that reason, these Documents may require modification for various purposes including, for example, to comply with local codes and laws, or to add special terms. DBIA's latest revisions to its Documents provide the parties an opportunity to customize their contractual relationship by selecting various optional contract clauses that may better reflect the unique needs and risks associated with the project. Any modifications to these Documents should be initialed by the parties. At no time should a document be re-typed in its entirety. Re-creating the document violates copyright laws and destroys one of the advantages of standard forms-familiarity with the terms.
7.	Execution	It is good practice to execute two original copies of the Agreement. Only persons authorized to sign for the contracting parties may execute the Agreement.

Specific Instructions

Section	Title	Instruction
General	Purpose of This Agreement	DBIA Document No. 525 ("Agreement") should be used only when the parties intend that Developer pay Design-Builder a lump sum fixed price for the completion of all design and construction services. There will be greater mutual understanding and cooperation if the lump sum is established based on Developer's Project Criteria that are well defined.
		If there is uncertainty about Developer's Project Criteria, or it remains to be developed by Developer and Design-Builder jointly, a cost-plus/guaranteed maximum price ("GMP") contracting approach may be more suitable. In such case, the parties should use DBIA Document No. 530.
General	Purpose of These Instructions	These Instructions are not part of this Agreement, but are provided to aid the parties in their understanding of the Agreement and in completing the Agreement.
General	Related Documents	This Agreement shall be used in conjunction with the General Conditions of Contract. Other related Contract Documents are listed in Article 2 of this Agreement.
General	Date	On Page 1, enter the date when both parties reach a final understanding. It is possible, due to logistical reasons, that the dates when the parties execute the Agreement may be different. Once both parties execute the Agreement, the effective date of the Agreement will be the date recorded on Page 1. This date does not, however, determine Contract Time, which is measured according to the terms of Article 5.
General	Parties: Developer and Design-Builder	On Page, 1 enter the legal name and full address of Developer and Design-Builder, as well as the legal form of each entity, e.g., corporation, partnership, limited partnership, limited liability company, or other.
2.1.2	Basis of Design Documents	The Basis of Design Documents are critical in establishing the scope of work. These documents include the Developer's Project Criteria, Design-Builder's Proposal, and the Deviation List, if any, contained in the Design-Builder's Proposal. Prior to the execution of this Agreement, Design-Builder will have submitted its Proposal based on Developer's Project Criteria. To avoid ambiguities or conflicts between Developer's Project Criteria and Design-Builder's Proposal, Design-Builder's Proposal shall specifically list any deviations from Developer's Project Criteria. Design-Builder's Deviation List shall, if accepted by Developer, become a Contract Document and shall have precedence over Developer's Project Criteria.
2.1.5	Construction Documents	After execution of the Agreement, and consistent with the requirements of Section 2.4 of the General Conditions of Contract, Design-Builder will prepare Construction Documents subject to Developer's review and approval.
3.2	Order of Precedence	The Contract Documents are listed in Section 2.1 in the order of their precedence. This hierarchy of documents reflects DBIA's belief that the Basis of Design Documents are critical documents that take precedence over other Contract Documents existing at the time the Agreement is executed. This section also makes clear that if a Deviation List exists it takes precedence over the Developer's Project Criteria. Moreover, Section 2.1.3 recognizes that there may be other exhibits attached to this Agreement. If this is the case, the parties should discuss whether these exhibits should be part of the Basis of Design Documents. If these exhibits are not made part of the Basis of Design Documents, these exhibits will not take priority over the Basis of Design Documents in the event of a conflict.
3.3	Definitions	Terms, words and phrases used in the Agreement shall have the same meanings used in the General Conditions of Contract.

Section	Title	Instruction
3.4	Design Specification	The Developer is cautioned that if it includes design specifications in its Project Criteria, there is case law holding that the Design-Builder is entitled to rely on such information, and to the extent such information is not accurate, the Design-Builder will be entitled to an adjustment in the Contract Price and/or Contract Time. Accordingly, the Developer to avoid such potential liability should consider using performance specifications.
4.1	Work Product	This Agreement provides that the Design-Builder shall retain Ownership of the Work Product it produces, but obligates Design-Builder to grant a limited license to Developer to use the Work Product according to the terms and circumstances described in Sections 4.2, 4.3, 4.4 and 4.5.
4.2	Developer's Limited License Upon Payment in Full	Design-Builder shall grant Developer, at Developer's sole risk, a limited license to use the Work Product at the completion of the Work in connection with Developer's occupation of the Project. This Section also provides the parties with the option of transferring Ownership of some or all of the Work Product to the Developer upon payment in full for all Work performed. Generally, where the Developer desires Ownership of Work Product, it is sufficient to transfer Ownership of unique architectural and design elements.
4.3	Developer's Limited License Upon Developer's Termination for Convenience or Design-Builder's Election to Terminate	Developer should not use the Termination for Convenience Clause to obtain Design-Builder's valuable design concepts, and then seek lower bids from other design-builders. Therefore, where Developer terminates this Agreement for its convenience, and then decides to complete the Project with its own or third-party forces, Design-Builder shall grant Developer the rights set forth in Section 4.2, provided Developer pays Design-Builder all amounts due Design-Builder as required by the Contract Documents, including paying Design-Builder an additional sum per Section 4.3.2 for the use of the Work Product. In the event Design-Builder elects to terminate this Agreement for cause, for reasons set forth in Section 11.4 of the General Conditions of Contract, these same conditions apply to Developer's use of the Work Product.
4.3.2	Additional Compensation	To minimize disputes, the parties should negotiate prior to execution of the Agreement the amount Developer shall pay Design-Builder for the use of Design-Builder's Work Product in the event Developer terminates this Agreement for its convenience or Design-Builder elects to terminate this Agreement for cause. Enter this amount.
4.4	Developer's Limited License Upon Design- Builder's Default	If Design-Builder is properly terminated for default, Developer is granted a limited license to use the Work Product, to complete the Project, and Developer shall thereafter have the same rights and obligations as set forth in Section 4.2.
4.5	Developer's Indemnification for Use of Work Product	Developer's use or alteration of the Work Product shall be at its sole risk, and Developer must agree to defend, indemnify and hold harmless Design-Builder and anyone working by or through Design-Builder, including Design Consultants of any tier.
5.1	Date of Commencement	Design-Builder's obligation to commence work is triggered by its receipt of a Notice to Proceed unless the parties mutually agree otherwise.
5.2.1	Substantial Completion of the Entire Work	Enter the calendar days duration by which Substantial Completion has to be achieved. The parties in this Section have the option of modifying the definition of Substantial Completion set forth in the General Conditions of Contract if they want to use a Temporary Certificate of Occupancy as the benchmark. If this option is selected, Substantial Completion will be deemed to be achieved no later than the date a Temporary Certificate of Occupancy is issued if applicable to the Project.

Section	Title	Instruction
5.2.2	Interim Milestones	It may be that some portions of the Work must be completed in phases or within a prescribed period of time to accommodate Developer's needs. The parties may, at their option, identify these portions of the Work to be completed prior to Substantial Completion of the entire Work. Enter the calendar days, starting from the Date of Commencement, for achieving Substantial Completion of these identified portions of the Work. If these portions of the Work are required to be substantially completed by certain milestone dates, enter those dates. As presently drafted no remedy is provided to the Developer if an interim milestone is not met. If the Developer has special requirements as it relates to interim milestones, the Developer may want to consider a remedy for the Design-Builder's failure to meet an interim milestone, as well as a bonus to the Design-Builder for satisfying such interim milestone.
5.4	Liquidated Damages	Developer should make a good faith evaluation of the amount that is reasonably necessary to compensate it for delay. Developer should not establish liquidated damages to penalize Design-Builder. Section 5.4 establishes a grace period between the Scheduled Substantial Completion Date and the assessment of liquidated damages in order to prevent disputes as to which party bears responsibility for only a few days of delay. The parties should enter the calendar days that may pass following the Scheduled Substantial Completion Date before liquidated damages will be assessed. The parties are also provided the option of establishing liquidated damages if the Design-Builder fails to achieve Final Completion within a specified number of days after Substantial Completion. If this option is selected, the parties have to negotiate the number of days, as well as the liquidated damages amount. The parties in negotiating liquidated damages should keep in mind that the amount of liquidated damages for failing to achieve Final Completion should be a considerably scaled down amount and should reflect the financial harm to the Developer. In no case should the total amount of liquidated damages for the Project exceed an amount that is reasonably necessary to compensate Developer for Project delay. The parties also have the option here of eliminating liquidated damages altogether, in which case the Developer can recover actual damages for Project delay at an amount that is capped by the parties. The Developer is cautioned that even if this option for actual damages is selected it still cannot recover consequential damages, as these are waived under Section 10.5.1 of the General Conditions of Contract.
5.5	Liquidated Damages Cap	The parties can agree to cap liquidated damages for delay at a negotiated amount.
5.6	Early Completion Bonus	If the Project economics justify liquidated damages, then it is appropriate to couple these liquidated damages with an early completion bonus. The parties should enter the number of calendar days prior to the Scheduled Substantial Completion Date that will set the Bonus Date. Also, enter the amount of the bonus to be paid per day that will allow Developer to share with Design-Builder the economic benefits of early completion. The parties also have the option in Section 5.6 of capping the early completion bonus at a negotiated amount.
5.7	Compensation for Force Majeure Events	The parties are provided the opportunity of providing the Design-Builder the right to receive compensation for Force Majeure Events. By selecting this option, the parties agree to modify Section 8.2.2 of the General Conditions of Contract, in which case the parties have to negotiate how many cumulative days of Force Majeure delays must occur before the Design-Builder is entitled to either a negotiated amount per day for delay or the direct costs it has incurred as a result of such delay.
6.1	Contract Price	Enter the lump sum price Developer will pay Design-Builder for the Scope of Work. The Contract Price should compensate Design-Builder for the services it provides and the risk it assumes in providing single point responsibility to Developer.

Section	Title	Instruction
6.2	Markups for Changes	Enter the markups agreed upon by Design-Builder and Developer to be used for pricing Changes to the Work. Prior to negotiating or agreeing to these markups, both parties should familiarize themselves with Article 9 of the General Conditions of Contract, Changes to the Contract Price and Time. For additive Change Orders, the parties have to negotiate the Fee the Design-Builder will receive. For deductive Change Orders, parties have the option by checking the appropriate box of whether there will be no additional reduction or whether there will be an additional reduction based on a negotiated percentage.
6.3.4	Allowance Value	This section recognizes that the parties may agree that certain items of Work should be treated as an Allowance Item and priced based on Allowance Values. The Allowance Value for which the Design-Builder will be entitled to receive compensation includes direct cost of labor, materials, equipment, transportation, taxes and insurance associated with the Allowance Item. All other costs associated with the Allowance Item, such as design fees, general conditions costs and fee, are deemed to be included in the Contract Price. However, the parties agree that in the event the actual cost of the Allowance Item is greater than or less than the Allowance Value by a negotiated percentage, then Design-Builder's right to Fee and markup shall be determined pursuant to Section 6.2.
6.4	Performance Incentives	There may be performance incentives that will influence Project success. Such incentives may include award fees tied to the Design-Builder achieving certain standards relative to client satisfaction, safety, and personnel retention. The parties are encouraged to discuss the use of such incentives during negotiation of this Agreement. Any agreement on the use of incentives should be set forth in an exhibit attached to this Agreement.
7.1.1	Progress Payments	Enter the day of the month when Design-Builder shall submit its Application for Payment.
7.2.1	Retainage	Enter the percentage Developer will retain from Progress Payments to Design-Builder until fifty percent (50%) of the Work is completed. Developer should recognize that it creates undue hardship to hold retainage on Subcontractors that have completed their work early in the Project. Developer should accordingly consider releasing retainage on Subcontractors that complete work early in the Project, providing that these Subcontractors have satisfactorily performed their portion of the Work. The parties are provided the option of modifying the retainage provision by checking the box. This option excludes from retainage the Design-Builder's General Conditions costs and amounts paid to Design-Builder's Design Consultant. The rationale for selecting this option is that the Design-Builder is obligated to pay its General Conditions costs in full each month and that under the design-bid-build delivery method, the Developer typically does not retain sums from its designer.
7.4	Interest	The parties should enter the rate at which interest will accrue on Design-Builder's payments if unpaid five (5) days after due. Late payment creates a hardship for Design-Builder, its Design Consultants and Subcontractors.
7.5	Record Keeping	The Developer is provided access to Design-Builder's accounting information as it relates to changes of the Work. However, if the parties have agreed to multipliers or markups for changes, the time to challenge and negotiate those percentages is at the time the parties execute the Agreement and not during the Project or after it has been completed. Accordingly, the Developer can at any time audit these percentages only to confirm that such percentage has been properly charged and not to challenge the composition of such percentage.

Section	Title	Instruction
8.1.3	Termination for Convenience: Overhead and Profit	The parties should choose prior to execution of the Agreement the method that will be used to determine overhead and profit paid to Design-Builder in the event Developer terminates Design-Builder for its convenience. The parties may choose to set percentage rates for overhead and profit prior to execution of the Agreement, or may choose to determine reasonable sums to be paid for overhead and profit at the time of the termination. If the parties choose to set overhead and profit rates prior to execution of the Agreement, the percentages should be entered in Section 8.1.3.
8.2	Termination for Convenience: Additional Payments	Although it is important for Developer to have a process for terminating this Agreement for convenience, the process must consider the interests of Design-Builder. If Developer terminates this Agreement for its own convenience, compensating Design-Builder for its costs will not be adequate because Design-Builder will have committed its resources for a small amount of revenue. Therefore, in addition to the overhead and profit paid in Section 8.1, Developer shall pay Design-Builder an additional sum, calculated as a percentage of the remaining balance of the Contract Price. Enter the percentages Developer shall pay Design-Builder if Developer terminates this Agreement for its own convenience prior to or after the start of construction.
8.3	Termination for Convenience: Developer's Use of Work Product	Developer should not use the Termination for Convenience clause to obtain Design-Builder's valuable design concepts and then seek lower bids from another design-builder. If Developer terminates this Agreement for its own convenience, and chooses to proceed with the Project using Design-Builder's Work Product, Developer should pay an additional sum for the use of Design-Builder's Work Product pursuant to Section 4.3.
Article 9	Representatives of the Parties	Enter the name, title, address and telephone number of Developer's Senior Representative and Developer's Representative at Sections 9.1.1 and 9.1.2, respectively. Enter the name, title, address and telephone number of Design-Builder's Senior Representative and Design-Builder's Representative at Sections 9.2.1 and 9.2.2, respectively. The parties can elect to establish Representatives during the performance of the Project rather than at the time of execution of this Agreement. If Representatives are identified after execution of the Agreement, an appropriate amendment should be made to the Agreement at the time these individuals are designated.
10.1	Insurance	Attach an Insurance Exhibit setting forth in detail the insurance coverages required for the Project. Parties are advised to familiarize themselves with the terms of Article 5 of the General Conditions of Contract, Insurance and Bonds, and to consult their insurance advisor.
10.2	Bonds	Enter the type and amount of bonds or other performance security required for the Project. Where bonding is not required by statute, Developer may want to evaluate the project risks versus the bonding costs in deciding what type of performance security to require.
11.1	Other Provisions	Insert any other provisions. For example, the parties may elect to have disputes resolved through litigation rather than arbitration in which case the optional language in this Section should be included.

Standard Form of Agreement Between Developer and Design-Builder - Lump Sum

This document has important legal consequences. Consultation with an attorney is recommended with respect to its completion or modification.

This **AGREEMENT** is made as of the date of execution of that certain Bond Purchase Agreement by and between the City of Austin (the "City") and Wells Fargo Capital Markets with respect to the financing of the Joint Use Facility, that date being the ______ day of _____ in the year of 2013 (such "Effective Date" being inserted above by the Escrow Agent designated to hold this document pending such execution, provided, however, that this Agreement shall be void and of no effect if such date is later than February 15, 2013, unless otherwise agreed in writing by the Parties), by and between the following parties, for services in connection with the Project identified below.

DEVELOPER:

(Name and address)

Pfeffer Development, LLC 425 G Street, Suite 210 Anchorage, AK 99501

Texas Registered Agent:

Pfeffer Development, LLC c/o Stephen M. Dodge, Registered Agent 8909 Spring Lake Drive Austin, TX 78750-2932

DESIGN-BUILDER:

(Name and address)

Austin Commercial, L.P. 1301 South MoPac Expressway, Suite 310 Austin, TX 78746

PROJECT:

(Include Project name and location as it will appear in the Contract Documents)

Austin-Bergstrom International Airport – Consolidated Rental Car Facility

In consideration of the mutual covenants and obligations contained herein, Developer and Design-Builder agree as set forth herein.

Article 1

Scope of Work

- **1.1** Design-Builder shall perform all design and construction services, and provide all material, equipment, tools and labor, necessary to complete the Work described in and reasonably inferable from the Contract Documents.
- **1.2 Duty to Cooperate**. Developer and Design-Builder commit at all times to cooperate fully with each other, and to proceed on that basis to permit each party to realize the benefits afforded under this Agreement.
- 1.3 Actions Required of Non-Parties. Some matters necessary to the success of the Project are not within the control of the Parties nor in the control of persons contracted by either Party or its consultants for performance under this Agreement. In each case that a duty or required cooperation of Austin CONRAC, the City or the RACs is identified in this Agreement, fulfillment of that duty or cooperation by that entity (Austin CONRAC, the City or the RACs, respectively) is a condition of Developer's and Design-Builder's duty to perform any of its related obligations under this Agreement.

Article 2

Contract Documents

- **2.1** The Contract Documents are comprised of the following:
 - **2.1.1** All written modifications, amendments, minor changes and Change Orders to this Agreement issued in accordance with adapted and modified DBIA Document No. 535 (2010 Edition), Standard Form of General Conditions of Contract Between Developer and Design-Builder (Phase 2), by and between the Developer and Design-Builder dated January 7, 2013 ("General Conditions of Contract");
 - **2.1.2** The Design Development Documents prepared under the adapted and modified DBIA Form No. 520 (2010 edition), *Standard Form Of Preliminary Agreement Between Developer And Design-Builder*, accepted and approved by the City and Austin CONRAC, LLC ("Austin CONRAC") and executed by and between Developer and Design-Builder as of February 2, 2012 (the "Phase 1 Design-Build Agreement"), including the Developer's Project Criteria, Design-Builder's Lump-Sum Price Proposal and the Deviation List, if any, contained in the Design-Builder's Phase 2 Lump-Sum Price Proposal, as modified by reconciliation dated December 19, 2012, based on a December 17, 2012 submittal, and confirmed January 7, 2013, and which shall specifically identify any and all deviations from Developer's Project Criteria, and which shall be deemed Exhibit A to this Agreement;
 - **2.1.3** This Agreement, including all exhibits and attachments, executed by Developer and Design-Builder (List for example, performance standard requirements, performance incentive requirements, markup exhibits, allowances, or unit prices);
 - 2.1.4 The General Conditions of Contract; and
 - **2.1.5** Construction Documents prepared and approved in accordance with Section 2.4 of the General Conditions of Contract.
 - 2.1.6 Contractor's M/WBE Compliance Plan required under Section 11.25 of this Agreement.

Article 3

Interpretation and Intent

- **3.1** Design-Builder and Developer, prior to execution of the Agreement, shall carefully review all the Contract Documents, including the various documents comprising the Basis of Design Documents, for any conflicts or ambiguities. Design-Builder and Developer will discuss and resolve any identified conflicts or ambiguities prior to execution of the Agreement.
- 3.2 The Contract Documents are intended to permit the parties to complete the Work and all obligations required by the Contract Documents within the Contract Time(s) for the Contract Price. The Contract Documents are intended to be complementary and interpreted in harmony so as to avoid conflict, with words and phrases interpreted in a manner consistent with construction and design industry standards. In the event inconsistencies, conflicts, or ambiguities between or among the Contract Documents are discovered after execution of the Agreement, Design-Builder and Developer shall attempt to resolve any ambiguity, conflict or inconsistency informally, recognizing that the Master Lease shall take precedence followed by the Contract Documents in the order in which they are listed in Section 2.1 hereof. Conflicts existing within Section 2.1.2 shall be resolved by giving precedence first to the Deviation List, if any, then the Developer's Project Criteria, and then the Design-Builder's Proposal.
- 3.3 Terms, words and phrases used in the Contract Documents, including this Agreement, shall have the meanings given them in the General Conditions of Contract. Capitalized terms defined neither in this Agreement nor in the General Conditions of Contract shall have the meanings given them in the Master Glossary attached hereto.
- 3.4 The Contract Documents form the entire agreement between Developer and Design-Builder and by incorporation herein are as fully binding on the parties as if repeated herein. No oral representations or other agreements have been made by the parties except as specifically stated in the Contract Documents. To the extent not excluded by the context, the term "parties" shall be deemed to include Austin CONRAC, LLC, and the City of Austin, Aviation Department ("City").

Article 4

Ownership of Work Product

4.1 Work Product. Subject to Section 11.39.1 of this Agreement, the City, Austin CONRAC and the Developer shall jointly own all rights, titles, and interests throughout the world in and to all drawings, specifications and other documents and electronic data, including such documents identified in the General Conditions of Contract, furnished by Design-Builder to Developer under this Agreement ("Work Product"). The Work Product, including the Proposal and all plans, drawings, photos, designs, studies, specifications, data, computer programs, schedules, technical reports, or other work products for which the Design-Builder is being paid under this Agreement are subject to the right of the City, Austin CONRAC and the Developer to use, duplicate and disclose such items, in whole or in part, in any manner and for whatever purpose; and, to have others do so. If any portion of the Work Product is copyrightable, the Consultant that created it may copyright it, subject to the rights of the City, Austin CONRAC and the Developer under this Agreement. The Work Product shall not include internal financial documents of the RACs, Austin CONRAC, the Developer or the Design-Builder or proprietary software, programs, or methodologies used to create the Work Product. The Design-Builder hereby grants, and shall cause the Consultants and subcontractors to grant the City, Austin CONRAC and the Developer a royalty-free, nonexclusive and irrevocable license to reproduce, publish, modify and use the Work Product and to authorize others to do so conditioned on the express understanding that Developer's, Austin CONRAC's

or the City's alteration of the Work Product without the involvement of Design-Builder is at sole risk of the respective party or third-party beneficiary that directs or authorizes the modification and without liability or legal exposure to Design-Builder or anyone working by or through Design-Builder, including Design Consultants of any tier (collectively the "Indemnified Parties"), and on the Developer's obligation to provide the indemnity set forth in Section 4.5 below. The Design-Builder shall include the provisions of this Section in its Consultant contracts, and shall cause each Consultant to include these provisions in any subconsultant contracts.

- 4.2 Should the City or Austin CONRAC elect to have anyone other than the Consultant or design professional who developed a respective Phase I Design Document for Pricing complete, refine or modify that document for use in constructing Phase II of the Project, or should the City or Austin CONRAC elect to use any Phase I Design Document for Pricing for expansion or modification of the Project, or for a different construction project, the party electing such use shall contract for design services relating to that use so as to place a duty on each design professional involved in such use of a Phase I Design Document independently to achieve conformance with the then applicable standard of professional care without any reliance on whether the Phase I Design Document was previously prepared in a proper manner.
- **4.3 Developer's Limited License upon Developer's Termination for Convenience or Design-Builder's Election to Terminate.** If Developer terminates this Agreement for its convenience as set forth in Article 8 hereof, or if Design-Builder elects to terminate this Agreement in accordance with Section 11.4 of the General Conditions of Contract, Developer's right (and thereby Austin CONRAC's and the City's rights) to use the Work Product to complete the Project and subsequently occupy the Project, and Developer shall thereafter have the same rights as set forth in Section 4.2 above, conditioned on the following:
 - **4.3.1** Use of the Work Product is at Developer's sole risk without liability or legal exposure to any Indemnified Party identified in Section 4.1 and on the Developer's obligation to provide the indemnity set forth in Section 4.5 below; and
 - **4.3.2** Developer agrees to pay Design-Builder the additional sum of <u>Zero</u> Dollars (\$ 0.00) as compensation for the right to use the Work Product to complete the Project and subsequently use the Work Product in accordance with Section 4.2 if Developer resumes the Project through its employees, agents, or third parties.
- **4.4 Developer's Limited License upon Design-Builder's Default.** If this Agreement is terminated due to Design-Builder's default pursuant to Section 11.2 of the General Conditions of Contract, then Design-Builder grants Developer a limited license to use the Work Product to complete the Project and subsequently occupy the Project, and Developer shall thereafter have the same rights and obligations as set forth in Section 4.2 above. Notwithstanding the preceding sentence, if it is ultimately determined that Design-Builder was not in default, Developer shall be deemed to have terminated the Agreement for convenience, and Design-Builder shall be entitled to the rights and remedies set forth in Section 4.3 above.
- 4.5 Developer's Indemnification for Use of Work Product. IF DEVELOPER IS REQUIRED TO INDEMNIFY ANY INDEMNIFIED PARTIES BASED ON THE USE OR ALTERATION OF THE WORK PRODUCT UNDER ANY OF THE CIRCUMSTANCES IDENTIFIED IN THIS ARTICLE 4, DEVELOPER SHALL DEFEND, INDEMNIFY AND HOLD HARMLESS SUCH INDEMNIFIED PARTIES (AND CITY UNLESS SUCH USE OR ALTERATION OF THE WORK PRODUCT IS AT THE REQUEST OF OR BY REQUIREMENT OF CITY OVER THE OBJECTION OF THE DEVELOPER) FROM AND AGAINST ANY AND ALL CLAIMS, DAMAGES, LIABILITIES, LOSSES AND EXPENSES, INCLUDING ATTORNEYS' FEES, ARISING OUT OF OR RESULTING FROM THE USE OR ALTERATION OF THE WORK PRODUCT.

Article 5

Contract Time

- **5.1 Date of Commencement.** The Work shall commence within five (5) days of Design-Builder's receipt of Developer's Notice to Proceed ("Date of Commencement") unless the parties mutually agree otherwise in writing.
- 5.2 Substantial Completion and Final Completion.
 - **5.2.1** Substantial Completion of the entire Work shall be achieved no later than <u>Seven hundred and Sixty</u> (760) calendar days after the later of the Date of Commencement and the receipt from the City of Austin of the Site Development Permit and possession of the project site, all three being required to determine contract time ("Scheduled Substantial Completion Date").
 - The parties agree that the definition for Substantial Completion set forth in Section 1.2.18 of the General Conditions of Contract is hereby modified to read as follows:
 - "Substantial Completion" shall mean the stage in the progress of the construction of the Joint Use Facility when the work, or a designated part of the work, is sufficiently complete in accordance with the Development Agreement and this Agreement so that City can occupy the Commercial Parking Facility for its intended use, and Austin CONRAC and RACs can occupy or use the balance of the Joint Use Facility for construction and installation of Tenant Improvements and for building activation for its intended use, all as evidenced by a certificate of Substantial Completion approved by City and a Certificate of Occupancy issued by a City building inspector prior to Substantial Completion. "Substantial Occupancy Date" shall mean the date which shall be no later than the date of Substantial Completion, on which Design-Builder, Developer and Austin CONRAC turns over to each RAC its Exclusive Use Premises for purposes of installing the Initial Tenant Improvements and RAC Property in the Exclusive Use Premises and preparing to open for business in the CONRAC on the Opening Date.
 - 5.2.2 Design-Builder understands that if Final Completion is not achieved within One Hundred Twenty (120) days after the Substantial Completion Date, Developer will suffer damages which are difficult to determine and accurately specify. Design-Builder agrees that if Final Completion is not achieved within One hundred and Twenty (120) days of Substantial Completion, Design-Builder shall pay to Developer One Thousand Seven Hundred and Fifty Dollars (\$1,750), as liquidated damages for each calendar day that Final Completion is delayed beyond the above-referenced number of days. Liquidated damages shall be shared by the City, Developer and Austin CONRAC in the following manner: One Thousand Dollars (\$1,000) to the City, Five Hundred Dollars (\$500) to the Developer, and Two Hundred and Fifty Dollars (\$250) to Austin CONRAC. Final Completion is the date when all Work is complete pursuant to the definition of Final Completion set forth in Section 1.2.7 of the General Conditions of Contract.
 - **5.2.3** All of the dates set forth in this Article 5 (collectively the "Contract Time(s)") shall be subject to adjustment in accordance with the General Conditions of Contract and Section 5.6 of this Agreement.
- **5.3 Time is of the Essence.** Developer and Design-Builder mutually agree that time is of the essence with respect to the dates and times set forth in the Contract Documents.
- **5.4 Liquidated Damages.** Design-Builder understands that if Substantial Completion is not attained by the Scheduled Substantial Completion Date, as the same may be modified under Section 5.2.3, above, Developer will suffer damages which are difficult to determine and accurately specify. Design-

Builder agrees that if Substantial Completion is not attained by the Scheduled Substantial Completion Date, Designer-Builder shall pay Developer One Thousand Seven Hundred and Fifty Dollars (\$ 1,750) as liquidated damages for each day that Substantial Completion extends beyond the Scheduled Substantial Completion Date..

- 5.5 Any liquidated damages assessed pursuant to this Agreement shall be in lieu of all liability for any and all extra costs, losses, expenses, claims, penalties and any other damages, whether special or consequential, and of whatsoever nature incurred by Developer which are occasioned by any delay in achieving the Contract Time(s).
- 5.6 In addition, insofar as the Developer, the City of Austin and Austin CONRAC may agree to schedule extensions as provided for under the Project Delivery Agreement, the Design-Builder shall be entitled to extension of the Deadline for Substantial Completion of the same duration. In the event of any extension for any reason authorized herein or in Section 8.2.1 of the General Conditions of Contract, all references herein to the Deadline for Substantial Completion shall be deemed to refer to that extended date.

Because RAC Initial Tenant Improvements are specifically excluded from the definition of Scope of Work and Substantial Completion, The Design-Builder shall likewise be entitled to extension of the Deadline for Substantial Completion for delays in achieving Substantial Completion to the extent the delay is caused by RAC Initial Tenant Improvement work occurring concurrent to the Design-Builder's Work.

Article 6

Contract Price

- **6.1 Contract Price.** Developer shall pay Design-Builder in accordance with Article 6 of the General Conditions of Contract the sum of **ONE HUNDRED THIRTY-THREE MILLION, FIVE HUNDRED SIXTY-SIX THOUSAND, FIVE HUNDRED and NINETY-THREE Dollars (\$133,566,593)** ("Contract Price") Unless otherwise provided in the Contract Documents, the Contract Price is deemed to include all sales, use, consumer and other taxes mandated by applicable Legal Requirements.
- **6.2 Markups for Changes.** If the Contract Price requires an adjustment due to changes in the Work, and the cost of such changes is determined under Sections 9.4.1.3 or 9.4.1.4 of the General Conditions of Contract, the following markups shall be allowed on such changes:
 - **6.2.1** For additive Change Orders, including additive Change Orders arising from both additive and deductive items, it is agreed that Design-Builder shall receive a Fee of <u>Three point Nine Three percent (3.93%)</u> of the additional costs incurred for that Change Order.
 - **6.2.2** For deductive Change Orders, including deductive Change Orders arising from both additive and deductive items, the deductive amounts shall include:

An amount equal to the sum of Three point Nine Three percent (3.93%) applied to the direct costs of the net reduction (which amount will account for a reduction associated with Design-Builder's Fee).

- 6.3 Allowance Items and Allowance Values.
 - **6.3.1** Any and all Allowance Items, as well as their corresponding Allowance Values, are set forth in the Design-Builder's Lump Sum Price Proposal, incorporated as Exhibit A hereto.
 - **6.3.2** Design-Builder and Developer have worked together to review the Allowance Items and Allowance Values based on design information then available to determine that the Allowance

Values constitute reasonable estimates for the Allowance Items. Design-Builder and Developer will continue working closely together during the preparation of the design to develop Construction Documents consistent with the Allowance Values. Nothing herein is intended in any way to constitute a guarantee by Design-Builder that the Allowance Item in question can be performed for the Allowance Value.

- **6.3.3** No work shall be performed on any Allowance Item without Design-Builder first obtaining in writing advanced authorization to proceed from Developer. Developer agrees that if Design-Builder is not provided written authorization to proceed on an Allowance Item by the date set forth in the Project schedule, due to no fault of Design-Builder, Design-Builder may be entitled to an adjustment of the Contract Time(s) and Contract Price, subject to City's prior written approval.
- **6.3.4** The Allowance Value for an Allowance Item includes the direct cost of labor, materials, equipment, transportation, taxes and insurance associated with the applicable Allowance Item. All other costs, including design fees, Design-Builder's overall project management and general conditions costs, overhead and fee, are deemed to be included in the original Contract Price, and are not subject to adjustment, regardless of the actual amount of the Allowance Item.
- **6.3.5** Whenever the actual costs for an Allowance Item is more than or less than the stated Allowance Value, the Contract Price shall be adjusted accordingly by Change Order, subject to Section 6.3.4. The amount of the Change Order shall reflect the difference between actual costs incurred by Design-Builder for the particular Allowance Item and the Allowance Value.

Article 7

Procedure for Payment

7.1 Progress Payments.

- **7.1.1** Design-Builder shall submit to Developer on the Twenty-Fifth (25th) day of each month, beginning with the first month after the Date of Commencement, Design-Builder's Application for Payment in accordance with Article 6 of the General Conditions of Contract and 11.24 of this Agreement.
- **7.1.2** Developer shall make prompt payment immediately following Developer receipt of payment from Austin CONRAC, City and/or Trustee based on Developer's receipt from Design-Builder of each properly submitted and accurate Application for Payment in accordance with Article 6 of the General Conditions of Contract, but in each case less the total of payments previously made, and less amounts properly withheld under Section 6.3 of the General Conditions of Contract. The Design-Builder and the Developer agree that the payment process set out in Section 11.24 of this Agreement is a significantly improved payment process for this Phase II over the Phase I payment process under the 2011 Reimbursement Agreement, and that no interest on past payment amounts due shall accrue to Design-Builder except to any extent required under the Texas Prompt Payment statute. The Developer may not agree to material variance of financial arrangements under the Development Agreement without prior notice to the Design-Builder.

7.2 Retainage on Progress Payments.

7.2.1 Developer will retain FIVE percent (5%) (or any amount as may be determined to be required in accordance with applicable Texas law) of each Application for Payment provided Developer will also reasonably consider reducing retainage for Subcontractors completing their work early in the Project.

- **7.2.2** In the first Pay Application under Section 11.24 of this Agreement after Substantial Completion of the entire Work or, if applicable, any portion of the Work, pursuant to Section 6.6 of the General Conditions of Contract, Developer shall make request to Austin CONRAC for release to Design-Builder of all retained amounts relating, as applicable, to the entire Work or completed portion of the Work, less an amount equal to (a) the reasonable value of all remaining or incomplete items of Work as noted in the Certificate of Substantial Completion and (b) all other amounts Developer is entitled to withhold pursuant to Section 6.3 of the General Conditions of Contract.
- **7.3 Final Payment.** Design-Builder shall submit its Final Application for Payment, which shall be deemed to include request for payment of retainage not previously released and paid, to Developer in accordance with Section 6.7 of the General Conditions of Contract. Developer shall make payment on Design-Builder's properly submitted and accurate Final Application for Payment within thirty (30) days after Developer's receipt of payment from Austin CONRAC City and/or Trustee, provided that Design-Builder has satisfied the requirements for final payment set forth in Section 6.7.2 of the General Conditions of Contract.
- **7.4 Interest.** Payments due and unpaid by Developer to Design-Builder, whether progress payments or final payment, shall bear interest commencing THIRTY (30) days after Developer's payment is due at the annual rate of one percentage point more than the most recent Prime Rate as published by the Wall Street Journal, or any comparable source in absence such publication and accruing each month until paid.
- 7.5 Record Keeping and Finance Controls. With respect to changes in the Work performed on a cost basis by Design-Builder pursuant to the Contract Documents, Design-Builder shall keep full and detailed accounts and exercise such controls as may be necessary for proper financial management, using accounting and control systems in accordance with generally accepted accounting principles and as may be provided in the Contract Documents. During the performance of the Work and for a period of three (3) years after Final Payment, Developer and Developer's accountants shall be afforded access to, and the right to audit from time-to-time, upon reasonable notice, Design-Builder's records, books, correspondence, receipts, subcontracts, purchase orders, vouchers, memoranda and other data relating to changes in the Work performed on a cost basis in accordance with the Contract Documents, all of which Design-Builder shall preserve for a period of three (3) years after Final Payment. Such inspection shall take place at Design-Builder's offices during normal business hours unless another location and time is agreed to by the parties. Any multipliers or markups agreed to by the Developer and Design-Builder as part of this Agreement are only subject to audit to confirm that such multiplier or markup has been charged in accordance with this Agreement, with the composition of such multiplier or markup not being subject to audit.

Article 8

Termination for Convenience

- **8.1** Upon ten (10) days' written notice to Design-Builder, Developer may, for its convenience and without cause, elect to terminate this Agreement. In such event, Developer shall request to Austin CONRAC for payment for Design-Builder under Development Agreement Section 9.4 for the following:
 - **8.1.1** All Work executed and for proven loss, cost or expense in connection with the Work;
 - **8.1.2** The reasonable costs and expenses attributable to such termination, including demobilization costs and amounts due in settlement of terminated contracts with Subcontractors and Design Consultants; and

8.1.3 Overhead and profit in the amount of Three point Nine Three percent (3.93%) on the sum of items 8.1.1 and 8.1.2 above.

8.2 [NOT USED]

8.3 If Developer terminates this Agreement pursuant to Section 8.1 above and proceeds to design and construct the Project through its employees, agents or third parties, Developer's rights to use the Work Product shall be as set forth in Section 4.3 hereof. Such rights may not be transferred or assigned to others without Design-Builder's express written consent and such third parties' agreement to the terms of Article 4.

Article 9

Representatives of the Parties

9.1 Developer's Representatives.

9.1.1 Developer designates the individual listed below as its Senior Representative ("Developer's Senior Representative"), which individual has the authority and responsibility for avoiding and resolving disputes under Section 10.2.3 of the General Conditions of Contract: (Identify individual's name, title, address and telephone numbers)

Mark Pfeffer Pfeffer Development, LLC 245 G Street, Suite 210 Anchorage, AK 99501

9.1.2 Developer designates the individual listed below as its Developer's Representative, which individual has the authority and responsibility set forth in Section 3.4 of the General Conditions of Contract: (Identify individual's name, title, address and telephone numbers)

Bob O'Neill, P.E. Pfeffer Development, LLC 245 G Street, Suite 210 Anchorage, AK 99501

9.2 Design-Builder's Representatives.

9.2.1 Design-Builder designates the individual listed below as its Senior Representative ("Design-Builder's Senior Representative"), which individual has the authority and responsibility for avoiding and resolving disputes under Section 10.2.3 of the General Conditions of Contract: (Identify individual's name, title, address and telephone numbers)

Jack Archer Austin Commercial, L.P. 1301 South MoPac Expressway, Suite 310 Austin, Texas 78746

9.2.2 Design-Builder designates the individual listed below as its Design-Builder's Representative, which individual has the authority and responsibility set forth in Section 2.1.1 of the General Conditions of Contract: (Identify individual's name, title, address and telephone numbers)

Brian Clark Austin Commercial, L.P. 1301 South MoPac Expressway, Suite 310 Austin. Texas 78746

Article 10

Bonds and Insurance

- **10.1 Insurance.** Design-Builder and Developer shall procure the insurance coverages set forth in the Insurance Exhibit attached as Exhibit B hereto and Section 11.3 below and in accordance with Article 5 of the General Conditions of Contract.
- **10.2 Bonds and Other Performance Security.** Design-Builder shall provide the following performance bond and labor and material payment bond or other performance security per Section 11.2 below:

Performance Bond.			
X Required	☐ Not Required		
Payment Bond.			
X Required	☐ Not Required		
Other Performance Security.			
Required	■ Not Required		

Article 11

Other Provisions

- **11. Other Provisions** The following provisions are included as required by or to ensure consistency with the Master Lease or the Development Agreement. Although the following provisions correspond to respective Sections of those respective documents, the parenthetical document references are informational only, and the modified language adapting those provisions to this Agreement—including the designation of Design-Builder to perform of certain specified construction-related obligations—shall govern this Agreement:
- **11.1 Compliance**. Any improvement, construction, alteration, import of material, export of material, or any other alteration or addition to the CONRAC Site as described in this <u>ARTICLE</u> shall be completed in accordance with the provisions of the Master Lease, Legal Requirements, City Codes and Standards and the City Building Permit requirements.
- **11.2 Performance Bond and Security**. Design-Builder to secure Payment and Performance Bonds in the minimum amount of one hundred percent (100%) of the Contract Price specified in this Agreement and naming the City, the Bond Trustee, Developer, and Austin CONRAC, as obligees. The Payment and Performance Bonds shall be issued by a company(s) and be in the form(s) acceptable to City in its sole discretion. Originals of the Payment and Performance Bonds and any related documentation requested

DBIA Document No. 525 Page 10

by City must be delivered to City prior to the Commencement of Construction.

- 11.3 Insurance (Master Lease Section 15.4.4 and 2011 Reimbursement Agreement Section 9). Design-Builder shall procure and charge against the Contract Price, no less insurance coverages than the specific insurance coverages as set forth in Exhibit B to this Agreement. Design-Builder shall maintain such insurance throughout the course of the Project and for a minimum of one (1) year following Substantial Completion of the Work. A Certificate of Insurance indicating the expiration date of Design-Builder's professional liability insurance is required. In the event any commercially reasonable adjustments to insurance coverage, limits, and/or exclusions are deemed necessary and prudent by the City in accordance with Exhibit B of this Agreement, Design-Builder shall promptly notify the Developer and the City in writing of the increase in the amount of the insurance cost, if any, together with supporting documents, and, unless the City rescinds its direction for the adjustment in insurance coverage, the Developer shall request approval for use of budget contingency to reimburse Design-Builder for the increased amount of the insurance cost.
- **11.4 Cooperation On Furnishing Work Product.** Design-Builder shall cooperate and coordinate with the Developer to ensure that a copy all reports or other Work Product created by or for the Design-Builder under this Agreement are furnished to the City and to Austin CONRAC.
- **11.5 Success of Project**. The success of the proposed Joint Use Facility and balance of the Project is dependent upon its appearance and character as a major facility and its integration as part of the Airport consistent with the Airport Master Plan. The Joint Use Facility and Project design character will be vetted through the City's design process, and approval of the design character for the Joint Use Facility and the balance of the Project will be made by the City in its sole discretion.
- **11.6 Construction Document Review.** (Master Lease Section 9.2.2) Design-Builder shall provide interim construction plans and specification of the Joint Use Facility to Developer for Austin CONRAC and City review at the following milestones:
 - **11.6.1** Under the Phase 1 Design-Build Agreement, at thirty percent (30%) and fifty percent (50%) of construction documents (one hundred percent (100%) schematic design and one hundred percent (100%) design development, respectively) to allow for comments by City before City issues any applicable permits, and thereafter for approval of any proposed Significant Change. (Completed prior to the Effective Date.)
 - 11.6.2 Under this Agreement, at one hundred percent (100%) of design development drawings, to the extent not previously submitted under Section 11.6.1 of this Agreement, at ninety-five percent (95%) of construction documents to allow for comments by City before City issues any applicable permits to Austin CONRAC, and thereafter for approval of any proposed Significant Change. City agrees to review all plans and comment within fourteen (14) days of the delivery so long as Developer provides at least ten (10) days' notice to City prior to delivery for review. "Significant Change" means any change (or related series of changes) to the design of the CONRAC prior to the Date of Beneficial Occupancy that (a) results in an increase in costs in excess of \$25,000; (b) materially impacts the overall design of the CONRAC; (c) otherwise impacts the type of space available to the RACs in the CONRAC; or (d) extends the completion date of the CONRAC by more than thirty (30) days.
 - 11.6.3 The approval by City of any design or construction documents or any other provision does not create responsibility or liability on the part of City, Austin CONRAC or Developer for their completeness, design sufficiency or compliance with, nor waive Design-Builder's contractual or legal responsibility or liability to comply, with all Environmental Laws, Legal Requirements and City Codes and Standards, including those concerning the construction and design of the Joint Use Facility, all of which shall be Design-Builder's sole responsibility. In addition, such review or approval shall not constitute a waiver by City of the right thereafter to require Design-Builder to correct any failure by Design-Builder to comply with any Environmental Laws, Legal Requirements or City Codes and Standards.

11.7 [NOT USED]

11.8 [NOT USED]

- **11.9 Review & Comments on the Work Product.** The schedule for Phase II shall provide ample time for the Developer, Austin CONRAC and the City to review and provide their respective questions and comments concerning Work Product, including but not limited to interim or preliminary Work Product.
- 11.10 Permitting; Planning Requirements. (Master Lease Sections 9.2 and 9.2.1) Before Design-Builder undertakes, causes or permits any clearing, excavation, filling, demolition, construction, improvement or other work on the CONRAC Site or delivery of materials or equipment to the CONRAC Site, whether temporary or permanent ("Commencement of Construction"), Design-Builder shall (a) obtain City Site Development and Building Permits required for the scope of work to be undertaken (it being expressly understood that phased permitting is approved to allow specified scope to proceed while work toward permits for other scope of work remains ongoing); and (b) otherwise comply with the requirements of City Codes and Standards, including the requirements for the submission and approval of the plans and specifications for the Joint Use Facility. Developer, Design-Builder and others as necessary, shall attend such periodic meetings with City representatives as required by City for the purpose of the review of drawings, plans, finishes and specifications pursuant to City Codes and Standards, the Development Agreement, and this Agreement.
 - **11.10.1** To obtain all applicable permits, Design-Builder shall submit the following to City for the scope of work subject to the respective permit:
 - **11.10.2** One (1) complete copy of all work product for the design and construction of the Joint use Facility in electronic file formats (9CD-R) and prepared with computer-aided design and drawing technology utilizing City's ABIA CAD standards.
 - **11.10.3** In addition to the electronic files, at least three (3) sets of full-size printed Project drawings, plans and specifications for the Joint Use Facility (in hard copies and electronic format specified by City and which may be submitted in stages depending on the stages or phases of construction) in sufficient detail for City to evaluate the project and its scope, including, as applicable,
 - **11.10.3.1** A site plan showing horizontal dimensions and elevations, proposed work to be performed and improvements to be constructed on the CONRAC Site, as well as any off-site improvements Design-Builder proposes to perform on the Airport in conjunction with the construction of the Joint Use Facility, including the location of all proposed utility lines and connections, drainage, vehicle parking, landscaping, paths, drainage, roads and easements;
 - **11.10.3.2** architectural drawings sufficiently complete for construction showing front and side elevation views, floor plans for each floor of the Joint Use Facility and dimensions of any proposed structure and the materials, including colors and exterior finishes to be used, finished floor elevation data for each level and maximum elevation (height) of the Joint Use Facility;
 - **11.10.3.3** a boundary survey of the CONRAC Site, incorporating any boundary changes previously approved by City, unless such a survey is already on file with City on the date Design-Builder files the City Building Permit application;
 - **11.10.3.4** a copy of the schedule for the completion of the construction of the Joint Use Facility and a schedule of values composing the fixed price for the construction.
 - **11.10.3.5** documentation showing that the plans and specifications for the scope of work to be undertaken have received any approval required by other Governmental Authorities having jurisdiction over the proposed Project; and
 - **11.10.3.6** copies of all Deliverables required under the Phase I Design-Build Agreement and this Agreement in the amount and format specified; and

- 11.11 Failure to Obtain City Building Permit. (Master Lease Section 9.2.4) If Design-Builder does not obtain a City Building Permit required in Section 11.10 of this Agreement for a particular scope of work before beginning that work on the CONRAC Site, City may, after five (5) days written notice to Austin CONRAC and opportunity to cure (except in the case of real or threatened emergency to life, safety or structural integrity) and when it is in the interest of safe, effective, or efficient operation of the Airport to do so, require Austin CONRAC, and thereby Design-Builder, to cease or suspend the activity and to submit the application for the City Building Permit and other documentation required under Section 11.10 of this Agreement. After review of the application, City shall approve or deny the application. If City grants a City Building Permit, Design-Builder shall, at no cost to City, Developer or Austin CONRAC comply with any requirement that City includes in the approval as necessary to bring the construction into compliance with the permitting standards of City. If City denies a City Building Permit and if City so directs, Design-Builder shall, at no cost to City, Developer and Austin CONRAC remove all unauthorized improvements and restore the CONRAC Site to its condition prior to the unauthorized work on the CONRAC Site.
- 11.12 Construction of Joint Use Facility. (Master Lease Section 9.4) After Design-Builder complies with the requirements of Sections 11.6 and 11.10 of this Agreement, Design-Builder shall construct, equip and install, or cause to be constructed, equipped and installed, the Joint Use Facility on the CONRAC Site in accordance with the plans and specifications, schedule and budget approved by Developer and City, the City Codes and Standards, the City Building Permit Requirements and this Agreement, free and clear of all Liens and encumbrances, at no cost to City other than financing and payment for the Project under the Master Lease. Design-Builder shall ensure that construction activities are closed off from public access and ground view with construction safety barriers and easily readable signs explaining the construction, as approved by City prior to the Commencement of Construction. Without limitation of the generality of the foregoing:
 - **11.12.1** Upon the Commencement of Construction, Design-Builder shall provide to City (with copies to Developer and Austin CONRAC) an affidavit of Commencement of Construction in recordable form, and a list of all known contractors, subcontractors and suppliers expected to provide labor or materials and thereafter upon procurement as reflected in the M/WBE Procurement Program Compliance Plan in accordance with Section 11.25 of this Agreement.
- **11.13** The Joint Use Facility shall be constructed using new, quality materials, using only qualified personnel and in a good and workmanlike manner adhering to generally accepted industry standards and practices. (Master Lease Section 9.4.3)
- **11.14** The Joint Use Facility shall be constructed in a manner that will not unreasonably interfere with or disturb daily operations at the Airport or City or its tenants, customers, guests or invitees. (Master Lease Section 9.4.4)
- **11.15** During the construction of the Joint Use Facility, the CONRAC Site shall be kept free of trash and debris, and all construction on the CONRAC Site or performed by Design-Builder at the Airport must be orderly, presentable, and compatible with its use and surroundings and otherwise in compliance with City's Standards. (Master Lease Section 9.4.5)
- **11.16** All portions of the CONRAC Site not directly used for the construction of the Joint Use Facility must be maintained by Design-Builder in a manner that does not attract birds and animals. (Master Lease Section 9.4.6)
- **11.17** Other than the construction of the Joint Use Facility on the CONRAC Site, Design-Builder shall not construct or place any building or other permanent structure within the boundary line of the CONRAC Site unless City and Developer otherwise approves. (Master Lease Section 9.4.7)
- **11.18** In construction of underground improvements, Design-Builder shall appropriately mark the surface of the land with adequate surface markers. The type, quantity, and distance between the markers are subject to the approval of City. (Master Lease Section 9.4.8)
- 11.19 Design-Builder shall keep the CONRAC Site and the Joint Use Facility free and clear of all Liens, claims and encumbrances, and all contractors, subcontractors and suppliers providing labor and

materials for the construction of the Joint Use Facility shall be timely paid and execute Lien waivers or releases upon payment. Design-Builder shall provide Developer with Lien waivers or releases from Design-Builder and the subcontractors at all tiers and suppliers of labor, materials, work and services for all component parts of the Joint Use Facility within sixty (60) days after the completion thereof and receipt of payment therefor, in detail acceptable to City to enable Developer and Austin CONRAC to review and forward the same to the City to verify compliance with the requirements of the this Agreement. (Master Lease Section 9.4.9) In the event that any such Lien is recorded for any portion of the Work for which Design-Builder has been paid is not promptly removed, Design-Builder acknowledges that Developer may be required under the Development Agreement to obtain from a suitable commercial surety and file a lien release bond in proper form and proper amount, afford notice of the bond, and record the bond and notice consistent with the requirements of Texas Property Code sections 53.171, 53.172, 53.173 and 53.174, and additionally to indemnify and hold Austin CONRAC and the City harmless from all costs, damages and fees, including reasonable attorneys' fees, which Austin CONRAC and or the City incurs as result of the Lien. In such case, any such costs incurred by Developer shall be borne and paid or reimbursed by Design-Builder. (Development Agreement Section 17)

- **11.20** On Final Completion, Design-Builder shall obtain and provide to Developer to forward to City, proof of all necessary permits and licenses to occupy and operate the Joint Use Facility including a certificate of occupancy. (Master Lease Section 9.4.10)
- 11.21 Design-Builder agrees that any subcontract for construction, alteration or repair of the Joint Use Facility or for the purchase of material to be used, or for work and labor to be performed within or upon the CONRAC Site, shall be in writing and shall contain provisions to protect City from the claims of any laborers, subcontractors or materialmen against the Joint Use Facility and otherwise comply with the requirements of City Codes and Standards. Design-Builder agrees to give Developer and City immediate written notice of the placing of any Lien or encumbrance against the Leased Premises and further agrees to extinguish such Lien in accordance with below:
 - 11.21.1 Design-Builder agrees not to directly or indirectly create, permit or suffer any Lien to be imposed upon the Leased Premises or any part thereof or upon the QTA Equipment, the Fuel Facilities or furniture, fixtures and equipment as a result of Design-Builder's activities and operations on the Leased Premises. In the event any such Lien is created by or permitted by Design-Builder in violation of this Section, Design-Builder shall immediately: (a) give notice to Developer and City of such Lien and provide to City all related documentation and information requested by City; (b) discharge such Lien of record, by payment, bond or as otherwise allowed by Applicable Laws; and (c) provide to Developer and City a copy of the recorded release or discharge of such Lien and all related documentation and information requested by City. Design-Builder SHALL ALSO DEFEND (WITH COUNSEL APPROVED BY CITY), FULLY INDEMNIFY AND HOLD ENTIRELY FREE AND HARMLESS DEVELOPER, AUSTIN CONRAC AND CITY FROM ANY ACTION, SUIT OR PROCEEDING THAT MAY BE BROUGHT ON OR FOR THE ENFORCEMENT OF ANY SUCH LIEN. (Master Lease Sections 9.4.11 and 18.2)
- 11.22 All subcontracts for the construction of the Joint Use Facility shall require Substantial Completion no later than the Deadline for Substantial Completion within the construction schedule therefor submitted by Design-Builder to Developer and accepted by City and shall contain reasonable and lawful provisions for the payment of damages in the event the subcontractor fails to complete such construction on a timely basis. Design-Builder shall take all necessary action available under each such construction subcontract to ensure the timely Substantial Completion of the work and in no event later that the Deadline for Substantial Completion. (Master Lease Sections 9.4.12)
- **11.23** Design-Builder shall not seek any unearned progress payment for work not accomplished to develop the CONRAC, and acknowledges that Developer shall reduce, each progress payment request for all design build products and services retainage under Section 7.2.1 of this Agreement).
- **11.24 Project Financing and Payment.** (Master Lease Section 9.5) Design-Builder acknowledges that the Project is to be financed and paid for with proceeds of Bonds issued by the City and other funds described in the Indenture, if any, through requisitions submitted by the City to the Trustee in accordance

with the Indenture after City's receipt of Pay Applications (described below) from Austin CONRAC in accordance with the following procedures and requirements:

- 11.24.1 Design-Builder shall submit to Developer pay applications for costs of the Project ("Pay Applications") as set forth in the Phase II Final Project Budget ("Project Budget") on or before a date to be determined, to recur on the same date or day each month (or the next business day if a specific date is designated and falls on a weekend or City holiday) ("Submittal Date") until Final Completion. For each Pay Application, Design-Builder shall: (a) on or before the Submittal Date arrange with Developer and the City for on-site review of work performed to-date on the Joint Use Facility pursuant to this Agreement; and (b) on or before the Submittal Date submit to Developer utilizing the City required format or forms for review at the address specified below (i) an invoice in triplicate original, describing the percentage complete of the Project, together with the amount and nature of all authorized expenses under this Agreement to be paid on the percentage of work complete as reasonably determined by the time and materials undertaken to complete the work ("Progress Invoice").
- 11.24.2 The Developer shall then submit to Austin CONRAC for submittal to the City (i)certification that such Progress Invoice has been reviewed and approved by Developer, (ii) complete copies of the invoice of Design-Builder for which payment is requested under the Progress Invoice (along with any supporting documentation required under the Development Agreement or this Agreement); (iii) applicable project schedule; (iv) project task list or resource allocation plan from the Developer and Design-Builder for services and fees during Phase 2 of the Project; and (v) as Design-Builder procures work, updated Compliance Plan in accordance with Section 11.25 of this Agreement (the items described above are collectively referred to as the "Pay Application(s)").
- 11.24.4 Developer shall reduce, each Pay Application by a percentage of the design and construction work as retainage in accordance with Section 7.2.1 of this Agreement and the applicable Texas law, which retainage shall remain held by the Trustee and shall be payable pursuant to Pay Applications submitted in accordance with Section 7.2.2 and a Pay Application submitted in accordance with Section 7.3 of this Agreement, the latter to be submitted no more than sixty (60) days after the later to occur of Final Completion or the date on which all way-finding signage is installed if not installed by Final Completion. (Master Lease Section 9.5.2)
- **11.24.5** The City has agreed under the Master Lease that after the City's review and approval of each Pay Application, the City shall promptly submit a requisition for payment of the same to the Trustee in accordance with the Indenture; provided however, the City shall not be required to submit more than one (1) requisition for payment per month. The entire payment or part of any payment otherwise due pursuant to a Pay Application may be withheld, to be effected by a reduction in the amount requisitioned by City from the Trustee on account of:

Delivery of defective, untimely, or non-conforming work by the Design-Builder, Developer or Austin CONRAC; or

Failure of the Austin CONRAC to submit proper invoices with all required attachments and supporting documentation.

The City has also agreed under the Master Lease that the City shall furnish prompt written notice to Austin CONRAC of any withholding claimed by City as described above, which notice shall include identification of the amount withheld and the reason or reasons for such withholding, and that upon the cure of the reason or reason(s) for amounts withheld to the satisfaction of City, City shall submit a requisition for payment of the amount withheld to the Trustee in accordance with the Indenture. (Master Lease Section 9.5.3)

11.24.6 Except for any amount expressly identified in the Project Budget as a time and material expense, the amount for Design-Builder under Section 6.1 of this Agreement (and identified in the

final City-approved Project Budget) is a lump sum to be paid according to the percentage complete of the Project as certified by Design-Builder and confirmed by Developer's cost consultant, and for actual amounts invoiced for the time and material line items, all as submitted to and approved by Developer and Austin CONRAC, reviewed by City's independent cost consultant, and approved by City's Contract Manager. As noted in Section 7.3 of this Agreement, a final Pay Application, which shall be deemed to include request for payment of retainage, may be submitted to City after the later to occur of Final Completion or the date on which all way-finding signage is installed if not installed by Final Completion and acceptance of the same in writing by City. (Master Lease Section 9.5.4)

- 11.24.7 Design-Builder acknowledges that the City has reserved the right to audit and examine at any reasonable time the books and records of the Design-Builder to the extent necessary, consistent with the industry standards pertaining to lump-sum projects as contemplated under the Development Agreement, to verify the accuracy of any statement, charge, computation or invoice made under this Agreement, and to recover from Design-Builder any overcharge paid by the City or the Trustee via Austin CONRAC, and Developer to Design-Builder. Design-Builder shall retain all such records for a period of three (3) years after the Trustee's final payment for the Project or until all audit and litigation matters that City has brought to the attention of the Austin CONRAC are resolved, whichever is longer. Design-Builder agrees to refund to City any overpayments disclosed by any such audit. Design-Builder shall include the provisions of this Section in all Design-Builder agreements entered into in connection with the Project. (Master Lease Section 9.5.5)
- **11.24.8** The City has agreed to provide to Austin CONRAC a Texas sales and use tax certification form, and Developer shall cause such form to be provided to Design-Builder. (Master Lease Section 9.5.5.1)
- 11.25 Minority-Owned and Women-Owned Business Enterprise (M/WBE) Procurement Program. Design-Builder shall comply with the standards and principles of the City Minority-Owned and Women-Owned Business Enterprise (M/WBE) Procurement Program, found at Austin City Code Chapters 2-9A, 2-9B, 2-9C, and 2-9D (Procurement Program). Accordingly, Design-Builder shall develop and submit to City an M/WBE Compliance Plan for approval in accordance with the standards and principles of the Procurement Program. Design-Builder will utilize subcontractors, suppliers and consultants that either assist Design-Builder in meeting the M/WBE participation goals, or Design-Builder will demonstrate Good Faith Efforts to meet the goals. The Compliance Plan is hereby incorporated into and made a part of this Agreement for all purposes once approved by City, and a violation by Design-Builder shall be an event of default.
 - 11.25.1 Subcontracting If the Design-Builder has at any time identified a Subcontractor in a MBE/WBE Program Compliance Plan, the Design-Builder and the Subcontractor shall comply with the applicable provisions of Chapters 2-9A, 2-9B, 2-9C, and 2-9D of the Austin City Code and the terms of the Compliance Plan as approved by the City (the "Plan"). No Subcontractor shall be employed except as provided in the Plan. No Subcontractor identified in the Plan may be replaced, unless the substitute has been accepted by the City in writing. No acceptance by the City of any Subcontractor shall constitute a waiver of any rights or remedies of the City with respect to defective or incomplete Deliverables provided by a Subcontractor. The Design-Builder shall be fully responsible to Developer, the RACs and the City for all acts and omissions of each Subcontractor just as the Design-Builder is responsible for its own acts and omissions. Nothing herein shall create for the benefit of Design-Builder or any Subcontractor a contractual relationship between the City and Design-Builder or the Subcontractor, nor shall it create any direct obligation on the part of the City to pay or to see to the payment of any moneys due the Design-Builder or Subcontractor.
 - **11.25.2 Public Outreach Communications Plan.** Design-Builder, in cooperation with the Developer and the City, shall develop a public outreach communications plan satisfactory to the City to ensure compliance with the City's MBE/WBE Program Compliance Plan and the Austin

- 11.26 Substantial Completion. (Master Lease Section 9.4.2) Design-Builder shall cause the construction of the Joint Use Facility to be Substantially Complete no later than the Deadline for Substantial Completion, as stated under Article 5 of this Agreement, and as modified thereunder and approved by City as shown by the City's consent to the attachment of this form of agreement as an exhibit to the Master Lease, with all required permit sign-offs, regulatory inspections and structural components completed, equipment and systems installed and functional and all interior and exterior wall, ceiling and floor finish materials installed excluding only the completion of the Punch-List Items, Initial Tenant Improvements and modifications of or enhancements to way-finding signage as provided below. When Substantial Completion of the Joint Use Facility has been obtained:
 - **11.26.1** Design-Builder shall notify Developer and shall schedule and perform within fourteen days a joint punch-list inspection with Developer, Austin CONRAC and City and identify items to be corrected or completed by Final Completion (the "Punch-List Items");
 - **11.26.2** Design-Builder shall provide Developer with a certified letter indicating that the Joint Use Facility was constructed in accordance with the construction plans and specifications submitted to and approved by City and that installation of all components is in accordance with all Applicable Laws, Legal Requirements, City Codes and Standards, the City Building Permit Requirements, and this Agreement;
 - **11.26.3** Design-Builder shall diligently pursue and achieve Final Completion (inclusive of all Punch-List Items identified during the joint punch-list inspection by Design-Builder, City, Developer and Austin CONRAC) no later than the date provided under Section 5.2.2 of this Agreement;
 - **11.26.4** Design-Builder, Developer, and Austin CONRAC shall turn over to City the first floor of the Joint Use Facility (other than the first floor of the QTA) for City use as the Commercial Parking Facility, as defined in the attached Master Glossary, the IDF Rooms and the Parking Management Office and thereafter City shall have exclusive possession of the same subject to Design-Builder's license to access the premises for purposes of completing Punch-List Items until Final Completion;
 - **11.26.5** Design-Builder, Developer, and Austin CONRAC shall turn over to each RAC its Exclusive Use Premises for purposes of installing the Initial Tenant Improvements (provided that nothing herein shall prohibit Design-Builder from providing earlier license to the RACs to enter the Exclusive Use Premises for commencement of such work) and Design-Builder shall coordinate with the RACs so as not to unreasonably interfere with their efforts to cause the Initial Tenant Improvements to be substantially completed no later than Final Completion;
 - **11.26.6** Design-Builder shall work with Developer, Austin CONRAC and City to complete all modifications of or enhancements to way-finding signage in the Joint Use Facility no later than ninety (90) days after Final Completion.
- **11.27 Surveys.** (Master Lease Section 9.7) If the as-built survey required pursuant to Section 11.29.3, below, is not approved by City, Design-Builder shall provide to City for further approval revised as-built survey plat(s) and metes and bounds description(s) incorporating any changes directed by City within ten (10) Business Days of Design-Builder's receipt of notice(s) from City of any required revisions.
 - **11.27.1** A Professional Land Surveyor registered in the State of Texas using the then current professional survey standards as established by the Texas Society of Professional Surveyors must conduct all surveying required under this Agreement. All surveys must be prepared at no cost to City. Design-Builder shall obtain and comply with all survey instructions from City.

11.28 [NOT USED]

- **11.29 Documentation of Final Completion of Construction**. (Master Lease Section 9.6) Design-Builder shall within forty-five (45) days after the Final Completion of construction of the Joint Use Facility, submit to Developer written documentation that the construction has been completed as required by this Agreement including, without limitation, the following:
 - **11.29.1** "As built" drawings of the Joint Use Facility (hard copies and electronic format) in full conformance with City's requirements. The "as built" drawings shall include details of all construction disciplines, including electrical (including switch gear and source of permanent power), plumbing, mechanical, architectural and information technology structures, lines and facilities and meets the requirements of the Airport CAD standards.
 - **11.29.2** Proof of all necessary permits and licenses to occupy and operate the Joint Use Facility including a certificate of occupancy.
 - **11.29.3** An as-built survey of the CONRAC Site and the Joint Use Facility. The as-built survey must establish the location and dimensions of all improvements constructed or installed and any dedications, easements and other encumbrances on the CONRAC Site and must provide bearings and distances to an established survey point in a form consistent with generally accepted professional standards and any special survey instructions issued by City or required by the FAA and meets the requirements of the Airport CAD standards.
 - **11.29.4** Affidavit of completion of construction and Lien waiver in recordable form executed by the Design-Builder which shall include certification of payment of all amounts due in connection with the construction of the Joint Use Facility and compliance with the M/WBE Compliance Plan under Section 11. 25 of this Agreement.
 - **11.29.5** For any equipment installed, Design-Builder shall deliver to Developer two (2) hard copies and one PDF format copy of the complete operations and maintenance manuals and warranties therefor.
 - **11.29.6** Design-Builder shall within twenty (20) days after Final Completion submit to Developer a summary statement of the costs of the design, permitting and construction of the Joint Use Facility as follows:
 - **11.29.6.1** a statement of the costs of the design, permitting and construction of the Joint Use Facility signed by the Design-Builder.
 - **11.24.9** a notarized affidavit signed by Design-Builder attesting to the costs of the design, permitting and construction.

11.30 [NOT USED]

11.31 [NOT USED]

- **11.32** Design-Builder agrees that, once Bonds are sold to finance the construction of the Joint Use Facility and this Agreement is fully executed, Design-Builder must complete construction of the Joint Use Facility according to the scope of the Project as of the date of the sale of the Bonds, subject to any changes thereafter by City-approved written change order executed by Developer and Design-Builder, and regardless of any increase in cost in excess of the fixed price for the scope of the Project as of the date of the sale of the Bonds. (Master Lease Section 9.8.2)
- 11.33 In the event Design-Builder fails to complete the Joint Use Facility for any reason, other than as a result of a material breach by City, Design-Builder shall, upon demand and at no additional cost or charge to City, deliver to Developer all Deliverables that were paid for from Bond proceeds or otherwise from proceeds of the Customer Facility Charges. Without diminishing any other contractual obligations of Design-Builder under this or any other document, such Deliverables shall be accompanied by such licenses and warranties as Design-Builder possess for the use of the Deliverables. The delivery of Deliverables under this Section will not satisfy, cure or release a default, if any, of Design-Builder under this Agreement. (Master Lease Section 9.8.3)

- **11.34 Ownership of Improvements and Equipment.** (Master Lease Section 10.1) Title to the Joint Use Facility, CONRAC Capital Improvements and all other improvements and equipment constructed, placed or installed on the CONRAC Site under this Agreement including, without limitation, the Fuel Facilities (except for aboveground and underground fuel storage tanks, which shall be property of Austin CONRAC), shall vest in and be the exclusive property of City as the same are being constructed, placed or installed and after completion of construction.
- **11.35 Warranty** (Development Agreement Section 15.4) The Design-Builder warrants and represents, that all services to be provided by Design-Builder to the Developer under this Agreement will be fully and timely performed in a good and workmanlike manner in accordance with generally accepted industry standards and practices, the terms, conditions, and covenants of this Agreement, and all applicable Federal, State and local laws, rules or regulations. Additionally, the Design-Builder agrees that these warranties and covenants shall be included in all contracts with Subcontractors and any agreements between the Subcontractors and their Sub-Subcontractors.
 - A. The Design-Builder does not, and no Subcontractor shall, limit, exclude or disclaim the foregoing warranty or any warranty implied by law, and any attempt to do so shall be without force or effect.
 - B. If within a period of one year from the date of Substantial Completion, the Developer or the City determines that one or more of the above warranties were breached, the Design-Builder shall, or shall cause the responsible Subcontractor to promptly upon receipt of demand perform the services again in accordance with above standard at no additional cost to the Developer. The Design-Builder agrees that it shall include these warranties and covenants shall be included in all contracts with its Subcontractors and any agreements between the Subcontractors and their Sub-Subcontractors. All costs incidental to such additional performance, if any, shall be borne by the Design-Builder or such Subcontractor without further reimbursement from the Developer. The Developer or the City shall give the respective Subcontractor and Design-Builder written notice of the breach of warranty within thirty (30) calendar days of discovery of the breach warranty, but failure to give timely notice shall not impair the Developer's or the City's rights under this section.
 - C. If the Design-Builder or any Subcontractor is unable or unwilling to perform its services in accordance with the above standard as required by the Developer, then in addition to any other available remedy, the Developer may reduce the amount it is required to pay the Design-Builder under this Agreement, and purchase conforming services from other sources.
 - 11.35.1 Warranty Against Infringements (Development Agreement Section 15.5) The Design-Builder, in its own capacity, represents and warrants to the Developer and the City, that the Deliverables will not infringe, directly or contributorily, any patent, trademark, copyright, trade secret, or any other intellectual property right of any kind of any third party. The Design-Builder agrees that it shall include these warranties and covenants in all contracts with Subcontractors and any agreements between the Subcontractors and their Sub-Subcontractors and shall require them, at their sole expense, to defend, indemnify, and hold the Developer and the City harmless from and against all liability, damages, and costs (including court costs and reasonable fees of attorneys and other professionals) arising out of or resulting from: (i) any claim that the Developer's or the City's exercise anywhere in the world of the rights associated with the Developer's or the City's use of the Deliverables and Work infringes the intellectual property rights of any third party; or (ii) the Subcontractor's breach of any representations or warranties stated in this Section. Each Subcontractor shall obtain cross-warranties and cross indemnification from each Sub-Subcontractor to the same extent as provided in this Section.
 - **11.35.2 Warranty of Fitness and Suitability**. (Master Lease Section 10.3) Design-Builder warrants to Developer and City that the Improvements as of the completion of construction and installation of each of said improvements or equipment will be: safe, habitable, clean, of sound condition structurally and otherwise, free from patent and latent defects, in compliance with all

Legal Requirements, City Codes and Standards, City Building Permit Requirements, the Master Lease, the Development Agreement and this Agreement, and suitability for every purpose and use and in every respect contemplated by the Design Development Documents as of the effective date of this Agreement . Design-Builder expressly waives any knowledge or notice Developer, Austin CONRAC or City may or should reasonably have with respect to any defect in the Improvements. Neither Developer, Austin CONRAC nor City shall be deemed to have accepted any such defect notwithstanding any inspection, knowledge or actual or constructive notice, which shall in no way prejudice or impair Developer's, Austin CONRAC's or City's rights under Design-Builder's warranties in this Section or as a third party beneficiary of the Development Agreement or this Agreement. Design-Builder acknowledges the City's right to enforce the warranties in this Agreement as a third party beneficiary of this Agreement in accordance with their respective terms and to proceed directly against the parties to this Agreement, subject first to reasonable good faith efforts to coordinate enforcement through any non-breaching primary party. Any improvements or equipment not approved and accepted by City under this Agreement, shall be promptly removed by Design-Builder and replaced with improvements or equipment, as applicable, in compliance with Legal Requirements, City Codes and Standards, City Building Permit Requirements

11.35.3 Assignment of Agreements and Warranties. Without modifying, reducing or negating any obligation of Design-Builder under this Agreement, Design-Builder hereby assigns to City a concurrent, non-exclusive right to enforce the terms of this Agreement and any other construction contract and/or warranty right of Design-Builder relating to the Improvements (provided, such assignment shall not be applicable to any contract and/or warranty which would, as a result of such assignment, constitute a violation of, or void, the warranty provisions of any such contract or warranty). City, following City's written notice to Austin CONRAC, Developer and Design-Builder, shall have the right, but not the obligation, to act on Austin CONRAC's behalf pursuant to this Agreement subject first to reasonable good faith efforts to coordinate enforcement through any non-breaching primary party.

11.36 Improvements to Existing City Parking Garage. (Master Lease Section 10.4) Notwithstanding any other provision herein, Design-Builder shall have no responsibility for the integrity of the existing parking garage owned by the City located to the South of the Joint Use Facility on which Design-Builder will construct walkway improvements. Design-Builder however shall not cause or contribute to any structural damage to the existing parking garage during the construction of improvements thereon.

11.37 [NOT USED]

11.38 Disputes between Design-Builder and Developer. In the event of any dispute arising between Design-Builder and Developer regarding any part of this Agreement or the Parties' obligations or performance hereunder, either Party may institute the dispute resolution procedures set forth herein. The Parties shall continue performance of their respective obligations hereunder notwithstanding the existence of a dispute, except only for the failure to pay timely for Phase II work.

11.38.1 Initial Meeting to Resolve Disputes. Either of the Parties may from time to time call a special meeting for the resolution of disputes that would have a material impact on the cost or progress of the Project. Such meeting shall be held at Design-Builder's offices in Austin, Texas within three (3) working days after written request therefore, which request shall specify in reasonable detail the nature of the dispute. Austin CONRAC's Authorized Representative, Developer's Authorized Representative, a representative from the Design-Builder, and City's Authorized Representative, and any other person who may be affected in any material respect by the resolution of such dispute must attend the meeting. Such Authorized Representatives shall have authority to settle the dispute and shall attempt in good faith to resolve the dispute.

If it is determined that attendance on behalf of the RACs is necessary at any such special meeting, the RACs may attend through a single Authorized Representative. To act as the single Authorized Representative for the RACs at such a dispute resolution meeting, the individual shall be so designated in a written resolution signed by an officer of, respectively, each of the RACs, and a true copy of the written resolution signed on behalf of the RACs shall be made available, upon request, to any other person or entity attending the dispute resolution meeting.

City designates the individual below as its Authorized Representative ("City's Authorized Representative") which individual has the authority and responsibility for avoiding and resolving disputes, subject to City Council authorization as necessary.

Jim Smith, Executive Director City Austin Department of Aviation 3600 Presidential Boulevard, Suite 411 Austin, TX 78719

Developer designates the individual below as its Authorized Representative ("Developer's Authorized Representative") which individual has the authority and responsibility for avoiding and resolving disputes.

Mark Pfeffer Pfeffer Development, LLC 425 G Street, Suite 210 Anchorage, AK 99501

11.38.2 Mediation. If the dispute has not been resolved within five (5) working days after the special meeting has been held, a mediator, mutually acceptable to the parties and experienced in design and construction matters shall be appointed. The parties shall share the cost of the mediator. If the parties cannot agree on the selection of a mediator within ten days of the decision to proceed to mediation, then either party may request that the Travis County Dispute Resolution Center select a mediator to serve as a mediator for the parties. The mediator shall be a lawyer or retired judge competent in the subject matter of the dispute. The mediator shall be given any written statements of the Parties and may review the Project and any relevant documents. The mediator shall call a meeting of the parties within ten (10) working days after his/her appointment, which meeting shall be attended by Design-Builder's Representative, Developer's Authorized Representative, Austin CONRAC's Authorized Representative and the City's Authorized Representative, and any other person who may be affected in any material respect by the resolution of such dispute. Such Authorized Representatives shall have authority to settle the dispute and shall attempt in good faith to resolve the dispute. During such ten (10) day period, the mediator may meet with the Parties separately.

11.38.2.1 The mediation proceedings shall be conducted under the Texas Alternative Dispute Resolution Act concerning mediations. The comments and/or findings of the mediator, together with any written statements prepared, shall be non-binding, confidential and without prejudice to the rights and remedies of any Party. The entire mediation process shall be completed within twenty (20) working days of the date upon which the initial special meeting is held, unless the Parties agree otherwise in writing. If the dispute is settled through the mediation process, the decision will be implemented by written agreement signed by the parties.

11.38.3 Court. In the event the mediation is not successful, all remaining claims and disputes between Design-Builder and Developer shall be decided by litigation in state or federal Courts in Travis County, Texas, and Design-Builder and Developer agree to submit to the exclusive personal jurisdiction and venue of such courts, provided, however, that if the claims or disputes between Developer and Design-Builder include one or more issues of fact or law common to litigation arising from this Project and involving one or more of the City, Austin CONRAC and the

RACs, then in that event Developer and Design-Builder agree to join in or be joined in that litigation. The prevailing party in such action shall be entitled to payment of their reasonable attorney fees and court costs incurred in the court action itself and in any action necessary to enforce the judgment, except that in any litigation in which the City of Austin is a party, no attorney's fees shall be awarded against or to the City.

11.39 Confidentiality. Subject to Section 11.39.1, below, Confidential Information is defined as information which is determined by the transmitting party to be of a confidential or proprietary nature and: (i) the transmitting party identifies it as either confidential or proprietary; (ii) the transmitting party takes steps to maintain the confidential or proprietary nature of the information; and (iii) the document is not otherwise available in or considered to be in the public domain. The receiving party agrees to maintain the confidentiality of the Confidential Information and agrees to use the Confidential Information solely in connection with the services set forth in this Agreement.

11.39.1 Open Records Requests. The City is expected to use its best efforts to provide timely written notice to the Developer and/or Design-Builder of any request received by the City pursuant to the Texas Public Information Act (the "PIA") requesting (i) internal financial information of the RACs, Developer or Design-Builder, including detailed billing statements from their Sub-Subcontractors, collected, assembled or maintained for the City and to which information the City has contractual access; or (ii) other information held by the City to which RACs, Developer or Design-Builder may assert "confidential business information" or "trade secret" status under the PIA or which has been specifically designated in writing by the RACs. Developer or Design-Builder as "privileged" or" confidential," all for the purpose of providing the RACs, Developer and/or Design-Builder an opportunity to seek to protect such information from disclosure to third parties. The City makes no representation as to how the Attorney General of Texas will rule on any open records request under the PIA, but, subject to the City's obligations under the PIA, the City agrees to withhold disclosure of information covered by this Section until required to release it by the Attorney General or a court of competent jurisdiction, and to cooperate with the RACs, the Developer and the Design-Builder in asserting their exemption claims under the PIA.

11.39.2 Confidentiality (Development Agreement Section 15.6). In order to perform under this Agreement, the Design-Builder or a Subcontractor may require access to certain of the City of Austin's confidential information (including trade secrets, confidential know-how, confidential business information, and other information which the City considers confidential) (collectively, "Confidential Information"). The Design-Builder acknowledges and agrees that the Confidential Information is the valuable property of the City and any unauthorized use, disclosure, dissemination, or other release of the Confidential Information will substantially injure the City. The Design-Builder (including Design-Builder's employees, Subcontractor, agents, or representatives) agrees that it has a separate responsibility to maintain the Confidential Information in its possession or control in strict confidence and shall not disclose, disseminate, copy, divulge, recreate, or otherwise use the Confidential Information without the prior written consent of the City or in a manner not expressly permitted under this Agreement, unless the Confidential Information is required to be disclosed by law or an order of any court or other governmental authority with proper jurisdiction, provided the Design-Builder promptly notifies the City before disclosing such information so as to permit the City reasonable time to seek an appropriate protective order. The Design-Builder agrees to use protective measures no less stringent than Design-Builder uses within its own business to protect its own most valuable information, which protective measures shall under all circumstances be at least reasonable measures to ensure the continued confidentiality of the Confidential Information. The Design-Builder agrees that these warranties and covenants shall be included in all contracts with its Subcontractors and any agreements between the Subcontractors and their Sub-Subcontractors. The material breach of this section shall be an event of default and the Developer shall have the right to terminate this Agreement for cause.

- **11.40 Assignment.** Neither Design-Builder nor Developer shall without the written consent of the other party and the City, assign, transfer, or sublet any portion or part of its obligations under this Agreement. Notwithstanding the foregoing, Design-Builder acknowledges that the City and RACs are each third-party beneficiaries of this Agreement and may seek an assignment of this Agreement from Developer, which Developer may grant, without Design-Builder's consent.
- **11.41 Governing Law.** This Agreement shall be governed by the laws of the place of the Project, without giving effect to its conflict of law principles.
- **11.42 Severability.** If any provision or any part of a provision of this Agreement shall be finally determined to be superseded, invalid, illegal, or otherwise unenforceable pursuant to applicable laws by any authority having jurisdiction, such determination shall not impair or otherwise affect the validity, legality, or enforceability of the remaining provisions or parts of the provision of this Agreement, which shall remain in full force and effect as if the unenforceable provision or part was deleted.
- **11.43 Amendments**. This Agreement may not be changed, altered, or amended in any way except in writing signed by a duly authorized representative of both parties.
- **11.44 Entire Agreement.** This Agreement forms the entire agreement between Developer and Design-Builder. No oral representations or other agreements have been made by the parties except as specifically stated in this Agreement.
- **11.45** Effective Date as to Notice Requirements. Notwithstanding the Effective Date first stated above, all provisions of this Agreement requiring notice by any Party to any other Party within a stated period following an occurrence or the acquisition of knowledge are effective only as of the date of full execution of this Agreement by all Parties. To the extent any occurrence or knowledge after the Effective Date first stated above but predating such full execution would have required notice by a Party had this Agreement then-been in effect, the Party shall be given the notice within the applicable number of days after receipt of a fully executed copy of this Agreement.
- 11.46 Indemnity (Master Lease Section 15.1).
 - No Liability of City. Except to the extent any such injury or damage is caused by the gross negligence or willful misconduct of City, the City shall not be liable for any injury (including death) to any persons or for damage to any property regardless of how such injury or damage is caused, sustained or alleged to have been sustained by Design-Builder or by others, including all persons directly or indirectly employed by Design-Builder, or any agents, contractors, subcontractors, subtenants, licensees or invitees of Design-Builder, as a result of any condition (including existing or future defects in the CONRAC Site) or occurrence (including failure or interruption of utility service) whatsoever related in any way to Design-Builder's use or occupancy of the CONRAC Site or of areas adjacent thereto. No elected or non-elected official, employee or officer of City shall have any personal liability with respect to (a) any of the provisions of this Agreement; (b) any injury (including death) to any persons or for damage to any property regardless of how such injury or damage is caused, sustained or alleged to have been sustained by Design-Builder or by others, including all persons directly or indirectly employed by Design-Builder, or any agents, contractors, subcontractors, subtenants, licensees or invitees of Design-Builder, as a result of any condition (including existing or future defects in the CONRAC Site) or occurrence (including failure or interruption of utility service) whatsoever related in any way to Design-Builder's use or occupancy of the CONRAC Site or of areas adjacent thereto, except to the extent any such injury or damage is caused by the gross negligence or willful misconduct of such elected or non-elected official, employee, or officer of City; or (c) a default by City hereunder or the exercise by City of any of its remedies hereunder upon the occurrence of an Event of Default.
 - 11.46.2 Indemnification by Design-Builder. DESIGN-BUILDER SHALL DEFEND, INDEMNIFY AND HOLD HARMLESS THE CITY AND ITS ELECTED AND NON-ELECTED OFFICIALS, DEVELOPER, THE RACS AND AUSTIN CONRAC, AND EMPLOYEES, AGENTS, REPRESENTATIVES, SUCCESSORS AND ASSIGNS OF THE CITY, DEVELOPER, THE RACS

AND AUSTIN CONRAC (COLLECTIVELY, THE "INDEMNIFIED PARTIES"), FROM AND AGAINST ALL COSTS, EXPENSES (INCLUDING REASONABLE ATTORNEYS' FEES, EXPENSES OF INVESTIGATION AND LITIGATION, AND COURT COSTS), LIABILITIES, DAMAGES, CLAIMS, SUITS, JUDGMENTS, ACTIONS, AND CAUSES OF ACTIONS WHATSOEVER (COLLECTIVELY, "CLAIMS") RESULTING FROM OR CONCERNING THIS AGREEMENT OR THE CONDUCT OF DESIGN-BUILDER'S ACTIVITY AT THE AIRPORT. TO THE EXTENT ARISING DIRECTLY OR INDIRECTLY, OUT OF (A) ANY BREACH OF THIS AGREEMENT BY DESIGN-BUILDER, ITS AGENTS, EMPLOYEES OR SUB-CONTRACTORS, (B) ANY FALSE REPRESENTATION OR WARRANTY MADE BY DESIGN-BUILDER HEREUNDER, (C) ANY NEGLIGENT ACT OR OMISSION OR WILLFUL MISCONDUCT OF DESIGN-BUILDER, OR ITS AGENTS, EMPLOYEES OR CONTRACTORS, AND (D) TO THE EXTENT COVERED BY INSURANCE REQUIRED TO BE MAINTAINED BY DESIGN-BUILDER HEREUNDER, ANY ALLEGED, ESTABLISHED, OR ADMITTED ACT OR OMISSION OF THE INDEMNIFIED PARTIES, INCLUDING ALL CLAIMS CAUSED BY THE NEGLIGENCE OR STRICT LIABILITY OF THE INDEMNIFIED PARTIES, BUT, TO THE EXTENT ALLOWED BY TEXAS LAW, EXCLUDING CLAIMS TO THE EXTENT CAUSED BY THE GROSS NEGLIGENCE OR WILLFUL MISCONDUCT OF THE INDEMNIFIED PARTIES AS DETERMINED BY A COURT OF COMPETENT JURISDICTION. PROVIDED THAT THE EXECUTION OF THIS AGREEMENT WILL NOT BE DEEMED A NEGLIGENT ACT. DESIGN-BUILDER SHALL ASSUME ON BEHALF OF THE INDEMNIFIED PARTIES AND CONDUCT WITH DUE DILIGENCE AND IN GOOD FAITH THE DEFENSE OF ALL CLAIMS THAT ARE SUBJECT TO DESIGN-BUILDER'S INDEMNITY OBLIGATION AND ASSERTED AGAINST ANY OF THE INDEMNIFIED PARTIES. DESIGN-BUILDER MAY CONTEST THE VALIDITY OF ANY CLAIMS, IN THE NAME OF DESIGN-BUILDER OR THE INDEMNIFIED PARTIES, AS DESIGN-BUILDER MAY IN GOOD FAITH DEEM APPROPRIATE, PROVIDED THAT THE EXPENSES THEREOF SHALL BE PAID BY DESIGN-BUILDER. THE PROVISIONS OF THIS SECTION SHALL SURVIVE THE EXPIRATION OR EARLY TERMINATION OF THIS AGREEMENT.

Maintenance of the insurance required under this Agreement shall not limit the Design-Builder's obligations under this Article. The Design-Builder shall require each Subcontractor to indemnify the City to the same extent as provided in this Article.

11.47 [NOT USED]

- **11.48 Waiver of Attorneys' Fees.** Except with respect to any obligation to indemnify and defend, above, each party waives any and all rights under law or in equity to seek or recover attorneys' fees from the City in any civil or administrative litigation or dispute resolution proceeding for breach of this Agreement or to enforce any provision of this Agreement.
- **11.49 Gratuities.** The City may cancel the agreement for funding the Project without liability if it is determined by the City that gratuities were offered or given by the Developer or Design-Builder or any agent or representative of the Design-Builder to any officer or employee of the City of Austin with a view toward securing that funding agreement or securing favorable treatment with respect to the awarding or amending or the making of any determinations with respect to the performing of such contract. In the event that agreement is canceled by the City pursuant to this provision, the City shall be entitled, in addition to any other rights and remedies, to recover or withhold the amount of the cost incurred by the Design-Builder in providing such gratuities.
- **11.50 Prohibition Against Personal Interest in Contracts.** No officer, employee, contractor, or elected official of the City who is involved in the development, evaluation, or decision-making process of the performance of any solicitation shall have a financial interest, direct or indirect, in the Agreement resulting from that solicitation. Any willful violation of this section shall constitute impropriety in office, and any officer or employee guilty thereof shall be subject to disciplinary action up to and including dismissal. Any violation of this provision, with the knowledge, expressed or implied, of the Design-Builder shall render the Agreement voidable by the Developer and/or the City.
- **11.51** Design-Builder shall comply with "Third Party Resolution" Worker Safety (City Ordinance 20110728-106) and Prevailing Wage Rate (City Ordinance 20080605-047) requirements.

In executing this Agreement, Developer and Design-Builder each individually represents that it has the necessary financial resources (the Developer's representation relying expressly on monies from the City made available through Austin CONRAC under the Development Agreement) to fulfill its obligations under this Agreement, and each has the necessary corporate approvals to execute this Agreement, and perform the services described herein.

EXHIBIT A INSURANCE REQUIREMENTS

- 1. <u>Insurance</u>. Design-Builder shall obtain and keep in force, at its sole cost and expense, during Construction the following types of insurance, in the amounts specified and in the form hereinafter provided:
- 1.1.1 Workers' Compensation and Employers Liability coverage with limits consistent with statutory benefits outlined in the Texas Workers' Compensation Act (Texas Labor Code Title 5.) and minimum policy limits for employers liability of \$1,000,000 bodily injury each accident, \$1,000,000 bodily injury by disease each employee. The following endorsements shall be added to the policy:
- 1.1.1.1 A Waiver of Subrogation in favor of the City of Austin, form WC 420304; and
- $1.1.1.2\,$ A 30 day Notice of Cancellation/Material Change in favor of the City of Austin, form WC 420601.
- 1.1.2 Commercial General Liability Insurance with a minimum bodily injury and property damage per occurrence limit of \$1,000,000 for coverage A (Bodily Injury and Property Damage) and coverage B (Personal and Advertising Injury); and \$1,000,000 product/completed operations minimum limit of liability. The policy shall contain the following provisions:
 - 1.1.2.1 Blanket contractual liability coverage;
- 1.1.2.2 Medical expense coverage with a minimum limit of \$5,000 any one person;
 - 1.1.2.3 Fire Legal Liability with a minimum limit of \$50,000;
 - 1.1.2.4 Independent Contractors coverage;
 - 1.1.2.5 City of Austin listed as additional insured Form CG 2010;
- $1.1.2.6 \quad \text{Thirty-day Notice of Cancellation in favor of the City of Austin endorsement CG 0205; and}$
- 1.1.2.7 Waiver of Transfer of Right of Recovery Against Others in favor of the City of Austin endorsement CG 2404.
- 1.1.3 Business Automobile Liability Insurance for all owned, non-owned and hired vehicles with a minimum combined single limit of \$1,000,000 for bodily injury and property damage. The policy shall contain the following provisions:
- 1.1.3.1 City of Austin named as additional insured(s), form CA 2048; (and Bond Trustee, if so directed by City)

1.1.3.3 Waiver of Subrogation endorsement CA 0444.

- 1.1.4 During the construction of the CONRAC and Joint Use Facility Design-Builder shall maintain builder's risk insurance in an all risk physical loss form in the amount of the Construction Contract. The builder's risk insurance shall continue until the work under the Construction Contract is accepted by City. City shall be a loss payee on the policy. If off-site storage is permitted, coverage shall include transit and storage in an amount sufficient to protect property being transported or stored.
- 1.1.5 During the construction of the CONRAC and Joint Use Facility, Design-Builder shall provide professional liability insurance in the minimum amount of \$5,000,000. Coverage shall continue until the work is accepted by City. City shall be a loss payee on the policy. If off-site storage is permitted, coverage shall include transit and storage in an amount sufficient to protect property being transported or stored.
- 1.1.6 <u>All Risk Property Insurance</u>. This policy shall provide coverage for the building/structure and all other property owned by the City and occupied by Design-Builder and shall continue until the work under the Construction Contract is accepted by City. The property policy shall provide all risk coverage for 100% replacement cost value as determined by the City. The City shall be named mortgagee or loss payee on the policy as its interest may appear and such policy shall contain a waiver of subrogation endorsement in favor of City.

General Requirements. Design-Builder and its contractors and subcontractors shall not commence operations under this Construction Contract until Design-Builder and its contractors and subcontractors have obtained the required insurance and Certificates of Insurance are received and reviewed by City indicating required coverage. If coverage period ends during the term of the Construction Contract, Design-Builder and its contractors and subcontractors must, prior to the end of the coverage period, forward a new Certificate of Insurance to City as verification of continuing coverage for the duration of this Construction Contract.

- 1.1.7 Approval of insurance by City and the required minimums shall not relieve or decrease the liability or responsibility of Design-Builder hereunder and shall not be construed to be a limitation of liability on the part of Design-Builder.
- 1.1.8 Design-Builder's and all contractors' and subcontractors' insurance coverage shall be written by companies licensed to do business in the State of Texas at the time the policy is issued and shall be written by companies with an A.M. Best rating of B+VII or better. Companies with A.M. Best ratings of A- or better, if required, shall write hazardous materials insurance.

All endorsements, waivers, and notices of cancellation endorsements, as well as Certificates of Insurance naming City (and Bond Trustee, if so directed by City) as additional insureds shall indicate:

City of Austin/Department of Aviation Attn: Airport Properties Manager 3600 Presidential Boulevard, Suite 411 Austin, Texas 78719

- 1.1.9 The "other" insurance clause shall not apply to City where City is shown as additional insureds on any policy. It is intended that policies required in this Construction Contract, covering both City and Design-Builder, shall be considered primary coverage as applicable. If insurance policies are not written for amounts specified below, Design-Builder shall carry Umbrella or Excess Liability Insurance for any differences in amounts specified. If Excess Liability Insurance is provided, it shall follow the form of the primary coverage.
- 1.1.10 In order to ensure compliance with the provisions of this <u>Exhibit</u>, City shall be entitled, upon request and without expense, to inspect certified copies of Design-Builders's insurance policies and endorsements thereto at the Airport or other location in Austin, Texas reasonably designated by Desing-Builder.
- 1.1.11 The City reserves the right to review the insurance requirements set forth during the Term of this Master Lease and to make commercially reasonable adjustments to insurance coverage, limits, and exclusions when deemed necessary and prudent by City based upon changes in statutory law, court decisions, and the claims history of their industry or the financial condition of the insurance company as well as the Master Lessee.
- 1.1.12 Design-Builder shall not cause or permit any insurance to lapse or to be canceled during the Lease Term unless replaced by other insurance that satisfies the requirements of this Exhibit as of the time of lapse or cancellation.
- 1.1.13 Design-Builder shall pay all premiums, deductibles and self-insured retention's, if any, stated in policies. All deductibles or self-insured retention's shall be disclosed on the Certificate of Insurance.

Claims Against Design-Builder. If a claim, demand, suit, or other action is made or brought by any person against Design-Builder arising out of or concerning this Construction Contract, Design-Builder shall give written notice thereof, to City within two (2) Business Days after being notified of such claim, demand, suit, or action. Such notice shall enclose a true copy of all written claims. If the claim is not written, or the information is not discernible from the written claim, Design-Builder shall state the date of notification of any such claim, demand, suit, or other action, the names and addresses of the person asserting such claim or that instituted or threatened to institute any type of action or proceeding, the basis of such claim, action, or proceeding, and the name of any person against whom such claim is being made. The notice shall be given to the Director as provided herein, and to the Austin City Attorney, City Hall, 301 West 2nd Street, Austin, Texas 78701.

STANDARD FORM OF GENERAL CONDITIONS OF CONTRACT BETWEEN DEVELOPER AND DESIGN-BUILDER (Phase 2)

Design-Build Institute of America - Contract Documents LICENSE AGREEMENT

By using the DBIA Contract Documents, you agree to and are bound by the terms of this License Agreement.

- 1. License. The Design-Build Institute of America ("DBIA") provides DBIA Contract Documents and licenses their use worldwide. You acknowledge that DBIA Contract Documents are protected by the copyright laws of the United States. You have a limited nonexclusive license to: (a) Use DBIA Contract Documents on any number of machines owned, leased or rented by your company or organization; (b) Use DBIA Contract Documents in printed form for bona fide contract purposes; and (c) Copy DBIA Contract Documents into any machine-readable or printed form for backup or modification purposes in support of your permitted use.
- 2. User Responsibility. You assume sole responsibility for the selection of specific documents or portions thereof to achieve your intended results, and for the installation, use, and results obtained from the DBIA Contract Documents. You acknowledge that you understand that the text of the DBIA Contract Documents has important legal consequences and that consultation with an attorney is recommended with respect to use or modification of the text. You will not represent that any of the contract documents you generate from DBIA Contract Documents are DBIA documents unless (a) the document text is used without alteration or (b) all additions and changes to, and deletions from, the text are clearly shown.
- 3. Copies. You may not use, copy, modify, or transfer DBIA Contract Documents, or any copy, modification or merged portion, in whole or in part, except as expressly provided for in this license. Reproduction of DBIA Contract Documents in printed or machine-readable format for resale or educational purposes is expressly prohibited. You will reproduce and include DBIA's copyright notice on any printed or machine-readable copy, modification, or portion merged into another document or program.
- **4. Transfers.** You may not transfer possession of any copy, modification or merged portion of DBIA Contract Documents to another party, except that a party with whom you are contracting may receive and use such transferred material solely for purposes of its contract with you. You may not sublicense, assign, or transfer this license except as expressly provided in this Agreement, and any attempt to do so is void.
- **5. Term.** The license is effective for one year from the date of purchase. DBIA may elect to terminate it earlier, by written notice to you, if you fail to comply with any term or condition of this Agreement.
- 6. Limited Warranty. DBIA warrants the electronic files or other media by which DBIA Contract Documents are furnished to be free from defects in materials and workmanship under normal use during the Term. There is no other warranty of any kind, expressed or implied, including, but not limited to the implied warranties of merchantability and fitness for a particular purpose. Some states do not allow the exclusion of implied warranties, so the above exclusion may not apply to you. This warranty gives you specific legal rights and you may also have other rights which vary from state to state. DBIA does not warrant that the DBIA Contract Documents will meet your requirements or that the operation of DBIA Contract Documents will be uninterrupted or error free.
- 7. Limitations of Remedies. DBIA's entire liability and your exclusive remedy shall be: the replacement of any document not meeting DBIA's "Limited Warranty" which is returned to DBIA with a copy of your receipt, or at DBIA's election, your money will be refunded. In no event will DBIA be liable to you for any damages, including any lost profits, lost savings or other incidental or consequential damages arising out of the use or inability to use DBIA Contract Documents even if DBIA has been advised of the possibility of such damages, or for any claim by any other party. Some states do not allow the limitation or exclusion of liability for incidental or consequential damages, so the above limitation or exclusion may not apply to you.
- 8. Acknowledgement. You acknowledge that you have read this agreement, understand it and agree to be bound by its terms and conditions and that it will be governed by the laws of the District of Columbia. You further agree that it is the complete and exclusive statement of your agreement with DBIA which supersedes any proposal or prior agreement, oral or written, and any other communications between the parties relating to the subject matter of this agreement.

INSTRUCTIONS

For DBIA Document No. 535 Standard Form of General Conditions of Contract Between Developer and Design-Builder (2010 Edition)

General Instructions

No.	Subject	Instruction
1.	Standard Forms	Standard form contracts have long served an important function in the United States and international construction markets. The common purpose of these forms is to provide an economical and convenient way for parties to contract for design and construction services. As standard forms gain acceptance and are used with increased frequency, parties are able to enter into contracts with greater certainty as to their rights and responsibilities.
2.	DBIA Standard Form Contract Documents	Since its formation in 1993, the Design-Build Institute of America (DBIA) has regularly evaluated the needs of Developers, design-builders, and other parties to the design-build process in preparation for developing its own contract forms. Consistent with DBIA's mission of promulgating best design-build practices, DBIA believes that the design-build contract should reflect a balanced approach to risk that considers the legitimate interests of all parties to the design-build process. DBIA's Standard Form Contract Documents reflect a modern risk allocation approach, allocating each risk to the party best equipped to manage and minimize that risk, with the goal of promoting best design-build practices.
3.	Use of Non- DBIA Documents	To avoid inconsistencies among documents used for the same project, DBIA's Standard Form Contract Documents should not be used in conjunction with non-DBIA documents unless the non-DBIA documents are appropriately modified on the advice of legal counsel. Moreover, care should also be taken when using different editions of the DBIA Standard Form Document on the same project to ensure consistency.
4.	Legal Consequences	DBIA Standard Form Contract Documents are legally binding contracts with important legal consequences. Contracting parties are advised and encouraged to seek legal counsel in completing or modifying these Documents.
5.	Reproduction	DBIA hereby grants to purchasers a limited license to reproduce its Documents consistent with the License Agreement accompanying these Documents. At least two original versions of the Agreement should be signed by the parties. Any other reproduction of DBIA Documents is strictly prohibited.
6.	Modifications	Effective contracting is accomplished when the parties give specific thought to their contracting goals and then tailor the contract to meet the unique needs of the project and the design-build team. For that reason, these Documents may require modification for various purposes including, for example, to comply with local codes and laws, or to add special terms. DBIA's latest revisions to its Documents provide the parties an opportunity to customize their contractual relationship by selecting various optional contract clauses that may better reflect the unique needs and risks associated with the project. Any modifications to these Documents should be initialed by the parties. At no time should a document be re-typed in its entirety. Re-creating the document violates copyright laws and destroys one of the advantages of standard forms-familiarity with the terms.
7.	Execution	It is good practice to execute two original copies of the Agreement. Only persons authorized to sign for the contracting parties may execute the Agreement.

Specific Instructions

Section	Title	Instruction
General Purpose of This Document	The General Conditions of Contract provide the terms and conditions under which the Work of the Project will be performed.	
		This document accompanies DBIA Document No. 525 and DBIA Document No. 530 (each referred to herein generally as "Agreement"). It may also be incorporated by reference into other related agreements, as between the Design-Builder and the Design Consultant, and the Design-Builder and the Subcontractor.
		The following Sections reference documents that are to be attached to the Agreement:
General	Checklist	Section 3.5.1 Developer's Permit List Article 5 Insurance and Bonds Section 9.4.2 Unit Prices
2.1.3	Schedule	The parties are encouraged, if possible, to agree to a schedule for the execution of the Work upon execution of the Agreement or upon establishing the GMP.
2.2.1	Design Professional Services	The parties should be aware that in addition to requiring compliance with state licensing laws for design professionals, some states also require that the design professional have a corporate professional license.
2.3.1	Standard of Care for Design Professional's Services	Design-Builder's obligation is to deliver a design that meets prevailing industry standards. However, DBIA has provided the parties at Article 11 of the Agreement an optional provision whereby if Developer can identify specific performance standards that can be objectively measured, Design-Builder is obligated to design the Project to satisfy these standards if this optional provision is selected. To avoid any confusion and to ensure that the parties fully understand what their obligations are, the specific performance standards should be clearly identified and should be able to be objectively measured. The Design-Builder should recognize that this is a heightened standard of care that has insurance ramifications that should be discussed with the Design-Builder's insurance advisor.
3.5.1	Government Approvals and Permits	Design-Builder is responsible for obtaining all necessary permits, approvals and licenses, except to the extent specific permits, approvals, and licenses are set forth in a Developer's Permit List, which must be attached as an exhibit to the Agreement. The parties, prior to execution of the Agreement, should discuss which permits, approvals and licenses need to be obtained for the Project and which party is in the best position to do so.
5.1.1	Design-Builder's Insurance Requirements	Design-Builder is obligated to provide insurance coverage from insurance carriers that meet the criteria set forth in the Insurance Exhibit attached to Section 10.1 of the Agreement.
5.1.2	Exclusions to Design-Build	Parties are advised that their standard insurance policies may contain exclusions for the design-build delivery method. This Section 5.1.2 requires that any such exclusions be deleted from the policy.
5.2	Developer's Insurance Requirements	Developer, in addition to providing the insurance set forth in this Section and Section 5.3, is also obligated to procure the insurance coverages for the amounts and consistent with the terms set forth in the Insurance Exhibit made part of the Agreement.
5.4	Bonds and Other Performance Security	Design-Builder is only obligated to provide bonds or other forms of performance security to the extent called for in Section 10.2 of the Agreement.

Section	Title	Instruction	
8.2.2	Compensability for Force Majeure Events	The parties are provided the option in the Agreement of negotiating whether the Design-Builder is entitled to compensation for Force Majeure Events.	
9.4.1	Contract Price Adjustments	Unit prices, if established, shall be attached pursuant to Article 2 of the Agreement.	
9.4.3	Payment/ Performance of Disputed Services	When Developer disputes Design-Builder's entitlement to a change order or disagrees with Design-Builder regarding the scope of Work, and nevertheless expects Design-Builder to perform the services, Design-Builder's cash flow and ability to complete the Work will be hampered if Developer fails to pay Design-Builder for the disputed services. This Section provides a balanced approach whereby Design-Builder is required to perform the services, but Developer is required to pay fifty percent (50%) of Design-Builder's reasonable estimated direct costs of performing such services until the dispute is settled. By so doing, Developer does not forfeit its right to deny total responsibility for payment, and Design-Builder does not give up its right to demand full payment. The dispute shall be resolved according to Article 10.	
Article 10	Contract Adjustments and Disputes	DBIA endorses the use of partnering, negotiation, mediation and arbitration for the prevention and resolution of disputes. The General Conditions of Contract provides for the parties' Representatives and Senior Representatives to attempt to negotiate the dispute or disagreement. If this attempt fails, the dispute shall be submitted to mandatory, non-binding mediation. Any dispute that cannot be resolved by mediation shall then be submitted to binding arbitration, unless the parties elect in the Agreement to submit their dispute to a court of competent jurisdiction.	
10.3.4	Arbitration	The prevailing party in any arbitration shall receive reasonable attorneys' fees from the other party. DBIA supports this "loser pays" provision to encourage parties to negotiate or mediate their differences and to minimize the number of frivolous disputes.	
10.4	Duty to Continue Performance	Pending the resolution of any dispute or disagreement, both Developer and Design-Builder shall continue to perform their respective duties under the Contract Documents, unless the parties provide otherwise in the Contract Documents.	
10.5	Consequential Damages	DBIA believes that it is inappropriate for either Developer or Design-Builder to be responsible to the other for consequential damages arising from the Project. This limitation on consequential damages in no way restricts, however, the payment of liquidated damages, if any, under Article 5 of the Agreement.	
11.4	Design-Builder's Right to Terminate for Cause	If Design-Builder properly terminates the Agreement for cause, it shall recover from Developer in the same way as if Developer had terminated the Agreement for convenience under Article 8 of the Agreement. Developer shall pay to Design-Builder its costs, reasonable overhead and profit on the costs, and an additional payment based on a percentage of the remaining balance of the Contract Price, all as more fully set forth in Article 8 of the Agreement.	
Article 12	Electronic Data	Design-Builder and Developer shall agree on the software and format for the transmission of Electronic Data. Ownership of Work Product in electronic form is governed by Article 4 of the Agreement. The transmitting party disclaims all warranties with respect to the media transmitting the Electronic Data, but nothing in this Article is intended to negate duties with respect to the standard of care in creating the Electronic Data.

Article 1

General

1.1 Mutual Obligations and Applicability

- **1.1.1** Developer and Design-Builder commit at all times to cooperate fully with each other, and proceed on the basis of trust and good faith, to permit each party to realize the benefits afforded under the Contract Documents.
- **1.1.2** These General Conditions of Contract shall apply to the Phase 2 Design-Build Agreement, as described below.
- **1.1.3** Nothing in these General Conditions of Contract or otherwise in the contract documents shall be construed as eliminating or reducing the participation of the City of Austin and Austin CONRAC, LLC ("Austin CONRAC") in this Project.

1.2 Basic Definitions

- **1.2.1** Agreement refers to the adapted and modified DBIA Document No. 525 (2010 Edition), Standard Form of Agreement Between Developer and Design-Builder Lump Sum (the "Phase 2 Design-Build Agreement").
- **1.2.2** Basis of Design Documents are as follows: For DBIA Document No. 525, Standard Form of Agreement Between Developer and Design-Builder Lump Sum, the Basis of Design Documents are the Developer's Project Criteria, Design-Builder's Proposal and the Deviation List, if any.
- **1.2.3** Construction Documents are the documents, consisting of Drawings and Specifications, to be prepared or assembled by the Design-Builder consistent with the Basis of Design Documents unless a deviation from the Basis of Design Documents is specifically set forth in a Change Order executed by both the Developer and Design-Builder, and as approved by the City in writing, as part of the design review process contemplated by Section 2.4 of these General Conditions of Contract.
- **1.2.4** Day or Days shall mean calendar days unless otherwise specifically noted in the Contract Documents.
- **1.2.5** *Design-Build Team* is comprised of the Design-Builder, the Design Consultant, and key Subcontractors identified by the Design-Builder.
- **1.2.6** Design Consultant is a qualified, licensed design professional who is not an employee of Design-Builder, but is retained by Design-Builder, or employed or retained by anyone under contract with Design-Builder, to furnish design services required under the Contract Documents. A Design Sub-Consultant is a qualified, licensed design professional who is not an employee of the Design Consultant, but is retained by the Design Consultant or employed or retained by anyone under contract to Design Consultant, to furnish design services required under the Contract Documents.
- **1.2.7** *Final Completion* is the date on which all Work is complete in accordance with the Contract Documents, including but not limited to, any items identified in the punch list prepared under Section 6.6.1 and the submission of all documents set forth in Section 6.7.2.
- **1.2.8** Force Majeure Events are those events that are beyond the control of both Design-Builder and Developer, including the events of war, floods, labor disputes, earthquakes, epidemics, adverse weather conditions not reasonably anticipated, and other acts of God.
- **1.2.9** General Conditions of Contract refer to this amended and modified DBIA Document No.

535, Standard Form of General Conditions of Contract Between Developer and Design-Builder Phase 2 (2010 Edition).

1.2.10 [NOT USED]

1.2.11 [NOT USED]

- **1.2.12** Hazardous Conditions are any materials, wastes, substances and chemicals deemed to be hazardous under applicable Legal Requirements, or the handling, storage, remediation, or disposal of which are regulated by applicable Legal Requirements.
- **1.2.13** Legal Requirements are all applicable federal, state and local laws, codes, ordinances, rules, regulations, orders and decrees of any government or quasi-government entity having jurisdiction over the Project or Site, the practices involved in the Project or Site, or any Work.
- **1.2.14** Developer's Project Criteria are developed by or for Developer to describe Developer's program requirements and objectives for the Project, including use, space, price, time, site and expandability requirements, as well as submittal requirements and other requirements governing Design-Builder's performance of the Work. Developer's Project Criteria may include conceptual documents, design criteria, design performance specifications, design specifications, and LEED® or other sustainable design criteria and other Project-specific technical materials and requirements.
- **1.2.15** Site or CONRAC Site is the land or premises on which the Project is located, including the area on the third floor of the Airport's existing parking garage where the walkway to the Joint Use Facility is to be constructed, as well all areas necessary for construction of the dedicated ramps, roadways and flyovers necessary for ingress and egress and all other associated improvements, all as shown on Exhibit A to these General Conditions of Contract (Exhibit A-1 to the Master Lease).
- **1.2.16** *Subcontractor* is any person or entity retained by Design-Builder as an independent contractor to perform architectural, engineering, design or other professional or consulting services or to perform any other portion of the Work, and shall include materialmen.
- **1.2.17** Sub-Subcontractor is any person or entity retained by a Subcontractor as an independent contractor to perform any portion of a Subcontractor's Work and shall include materialmen and suppliers.
- 1.2.18 Substantial Completion or Substantially Complete (See Section 5.2 of the Agreement.)
- **1.2.19** *Work* is comprised of all Design-Builder's design, construction and other services required by the Contract Documents, including procuring and furnishing all materials, equipment, services and labor reasonably inferable from the Contract Documents.

Article 2

Design-Builder's Services and Responsibilities

2.1 General Services.

2.1.1 Design-Builder's Representative shall be reasonably available to Developer and shall have the necessary expertise and experience required to supervise, administer and manage the Work. Design-Builder's Representative shall communicate regularly with Developer and shall be vested with the authority to act on behalf of Design-Builder. Design-Builder's Representative may be replaced only with the mutual agreement of Developer and Design-Builder.

- **2.1.2** Design-Builder shall provide Developer with a monthly status report detailing the progress of the Work, including (i) whether the Work is proceeding according to schedule, (ii) whether discrepancies, conflicts, or ambiguities exist in the Contract Documents that require resolution, (iii) whether health and safety issues exist in connection with the Work; and (iv) other items that require resolution so as not to jeopardize Design-Builder's ability to complete the Work for the Contract Price and within the Contract Time(s).
- 2.1.3 Unless a schedule for the execution of the Work has been attached to the Agreement as an exhibit at the time the Agreement is executed, Design-Builder shall prepare and submit, at least three (3) days prior to the meeting contemplated by Section 2.1.4 hereof, a schedule for the execution of the Work for Developer's review and response. The schedule shall indicate the dates for the start and completion of the various stages of Work, including the dates when Developer information and approvals are required to enable Design-Builder to achieve the Contract Time(s). The schedule shall be revised as required by conditions and progress of the Work, but such revisions shall not relieve Design-Builder of its obligations to complete the Work within the Contract Time(s), as such dates may be adjusted in accordance with the Contract Documents. Developer's review of, and response to, the schedule shall not be construed as relieving Design-Builder of its complete and exclusive control over the means, methods, sequences and techniques for executing the Work.
- **2.1.4** The parties will meet within seven (7) days after execution of the Agreement to discuss issues affecting the administration of the Work and to implement the necessary procedures, including those relating to submittals and payment, to facilitate the ability of the parties to perform their obligations under the Contract Documents.

2.2 Design Professional Services.

2.2.1 Design-Builder shall, consistent with applicable state licensing laws, provide through qualified, licensed design professionals employed by Design-Builder, or procured from qualified, independent licensed Design Consultants, the necessary design services, including architectural, engineering and other design professional services, for the preparation of the required drawings, specifications and other design submittals to permit Design-Builder to complete the Work consistent with the Contract Documents. Nothing in the Contract Documents is intended or deemed to create any legal or contractual relationship between Developer and any Design Consultant.

2.3 Standard of Care for Design Professional Services.

2.3.1 The standard of care for all design professional services performed to execute the Work shall be the care and skill ordinarily used by members of the design profession practicing under similar conditions at the same time and locality of the Project.

2.4 Design Development Services.

2.4.1 Design-Builder and Developer shall, consistent with any applicable provision of the Contract Documents, agree upon any interim design submissions that Developer may wish to review, which interim design submissions may include design criteria, drawings, diagrams and specifications setting forth the Project requirements. Interim design submissions shall be consistent with the Basis of Design Documents, as the Basis of Design Documents may have been changed through the design process set forth in this Section 2.4.1. On or about the time of the scheduled submissions, Design-Builder and Developer shall meet and confer about the submissions, with Design-Builder identifying during such meetings, among other things, the evolution of the design and any changes to the Basis of Design Documents, or, if applicable, previously submitted design submissions. Changes to the Basis of Design Documents, including those that are deemed minor changes under Section 9.3.1, shall be processed in accordance with Article 9. Minutes of the meetings, including a full listing of all changes, will be maintained by Design-Builder and provided to all attendees for review. Following the design review meeting,

Developer shall review and approve the interim design submissions and meeting minutes in a time that is consistent with the turnaround times set forth in Design-Builder's schedule.

- **2.4.2** As further set forth in the Agreement, Design-Builder shall submit to Developer Construction Documents setting forth in detail drawings and specifications describing the requirements for construction of the Work. The Construction Documents shall be consistent with the latest set of interim design submissions, as such submissions may have been modified in a design review meeting and recorded in the meetings minutes. The parties shall have a design review meeting to discuss, and Developer shall review and approve, the Construction Documents in accordance with the procedures set forth in Section 2.4.1 above. Design-Builder shall proceed with construction in accordance with the approved Construction Documents and shall submit one set of approved Construction Documents to Developer prior to commencement of construction.
- **2.4.3** Developer's review and approval of interim design submissions, meeting minutes, and the Construction Documents is for the purpose of mutually establishing a conformed set of Contract Documents compatible with the requirements of the Work. Neither Developer's review nor approval of any interim design submissions, meeting minutes, and Construction Documents shall be deemed to transfer any design liability from Design-Builder to Developer.
- **2.4.4** To the extent not prohibited by the Contract Documents, the Legal Requirements or the City Codes and Standards, Design-Builder may prepare interim design submissions and Construction Documents for a portion of the Work to permit construction to proceed on that portion of the Work prior to completion of the Construction Documents for the entire Work.

2.5 Legal Requirements.

- **2.5.1** Design-Builder shall perform the Work in accordance with all Legal Requirements and shall provide all notices applicable to the Work as required by the Legal Requirements.
- **2.5.2** Subject to the City's prior written approval, the Contract Price and/or Contract Time(s) shall be adjusted to compensate Design-Builder for the effects of any changes in the Legal Requirements enacted after the date of the Agreement affecting the performance of the Work, or if a Guaranteed Maximum Price is established after the date of the Agreement, the date the parties agree upon the Guaranteed Maximum Price. Such effects may include, without limitation, revisions Design-Builder is required to make to the Construction Documents because of changes in Legal Requirements.

2.6 Government Approvals and Permits.

- **2.6.1** Except as identified in Developer's Permit List attached as an exhibit to the Agreement, Design-Builder shall obtain and pay for all necessary permits, approvals, licenses, government charges and inspection fees required for the prosecution of the Work by any government or quasi-government entity having jurisdiction over the Project.
- **2.6.2** Design-Builder shall provide reasonable assistance to Developer in obtaining those permits, approvals and licenses that are Developer's responsibility.

2.7 Design-Builder's Construction Phase Services.

- **2.7.1** Unless otherwise provided in the Contract Documents to be the responsibility of Developer or a separate contractor, Design-Builder shall provide through itself or Subcontractors the necessary supervision, administration, management, labor, inspection, testing, start-up, material, equipment, machinery, temporary utilities and other temporary facilities to permit Design-Builder to complete construction of the Project consistent with the Contract Documents.
- **2.7.2** Design-Builder shall perform all construction activities efficiently and with the requisite expertise, skill and competence to satisfy the requirements of the Contract Documents. Design-

Builder shall at all times exercise complete and exclusive control over the means, methods, sequences and techniques of construction.

- **2.7.3** Design-Builder shall employ only Subcontractors who are duly licensed and qualified to perform the Work consistent with the Contract Documents. Developer may reasonably object to Design-Builder's selection of any Subcontractor, provided that the Contract Price and/or Contract Time(s) shall be adjusted subject to the City's prior written approval, to the extent that Developer's decision impacts Design-Builder's cost and/or time of performance.
- **2.7.4** Design-Builder assumes responsibility to Developer for the proper performance of the Work of Subcontractors and any acts and omissions in connection with such performance. Nothing in the Contract Documents is intended or deemed to create any legal or contractual relationship between Developer and any Subcontractor or Sub-Subcontractor, including but not limited to any third-party beneficiary rights.
- **2.7.5** Design-Builder shall coordinate the activities of all Subcontractors. If Developer or others perform other work on the Project or at the Site with separate contractors under Developer's or others' control, Design-Builder agrees to reasonably cooperate and coordinate its activities with those of such separate contractors so that the Project can be completed in an orderly and coordinated manner without unreasonable disruption.
- **2.7.6** Design-Builder shall keep the Site reasonably free from debris, trash and construction wastes to permit Design-Builder to perform its construction services efficiently, safely and without interfering with the use of adjacent land areas. Upon Substantial Completion of the Work, or a portion of the Work, Design-Builder shall remove all debris, trash, construction wastes, materials, equipment, machinery and tools arising from the Work or applicable portions thereof to permit Developer to occupy the Project or a portion of the Project for its intended use.

2.8 Design-Builder's Responsibility for Project Safety.

- 2.8.1 Design-Builder recognizes the importance of performing the Work in a safe manner so as to prevent damage, injury or loss to (i) all individuals at the Site, whether working or visiting, (ii) the Work, including materials and equipment incorporated into the Work or stored on-Site or off-Site, and (iii) all other property at the Site or adjacent thereto. Design-Builder assumes responsibility for implementing and monitoring all safety precautions and programs related to the performance of the Work. Design-Builder shall, prior to commencing construction, designate a Safety Representative with the necessary qualifications and experience to supervise the implementation and monitoring of all safety precautions and programs related to the Work. Unless otherwise required by the Contract Documents, Design-Builder's Safety Representative shall be an individual stationed at the Site who may have responsibilities on the Project in addition to safety. The Safety Representative shall make routine daily inspections of the Site and shall hold weekly safety meetings with Design-Builder's personnel, Subcontractors and others as applicable.
- **2.8.2** Design-Builder and Subcontractors shall comply with all Legal Requirements and City Codes and Standards relating to safety, as well as any Developer-specific safety requirements set forth in the Contract Documents, provided that such Developer-specific requirements do not violate any applicable Legal Requirement. Design-Builder will immediately report in writing any safety-related injury, loss, damage or accident arising from the Work to Developer's Representative and, to the extent mandated by Legal Requirements, to all other government or quasi-government authorities having jurisdiction over safety-related matters involving the Project or the Work.
- **2.8.3** Design-Builder's responsibility for safety under this Section 2.8 is not intended in any way to relieve Subcontractors and Sub-Subcontractors of their own contractual and legal obligations and responsibility for (i) complying with all Legal Requirements and City Codes and Standards, including those related to health and safety matters, and (ii) taking all necessary measures to

implement and monitor all safety precautions and programs to guard against injuries, losses, damages or accidents resulting from their performance of the Work.

2.9 Design-Builder's Warranty.

2.9.1 Design-Builder warrants to Developer that the construction, including all materials and equipment furnished as part of the construction, shall be new unless otherwise specified in the Contract Documents, of good quality, in conformance with the Contract Documents and free of defects in materials and workmanship. Design-Builder's warranty obligation excludes defects caused by abuse, alterations, or failure to maintain the Work in a commercially reasonable manner. Nothing in this warranty is intended to limit any manufacturer's warranty which provides Developer with greater warranty rights than set forth in this Section 2.9 or the Contract Documents. Design-Builder will provide Developer with all manufacturers' warranties upon Substantial Completion.

2.10 Correction of Defective Work.

- **2.10.1** Design-Builder agrees to correct any Work that is found to not be in conformance with the Contract Documents, including that part of the Work subject to Section 2.9 hereof, within a period of one year from the date of Substantial Completion of the Work or any portion of the Work, or within such longer period to the extent required by any specific warranty included in the Contract Documents.
- **2.10.2** Design-Builder shall, within seven (7) days of receipt of written notice from Developer that the Work is not in conformance with the Contract Documents, take meaningful steps to commence correction of such nonconforming Work, including the correction, removal or replacement of the nonconforming Work and any damage caused to other parts of the Work affected by the nonconforming Work. If Design-Builder fails to commence the necessary steps within such seven (7) day period, Developer, in addition to any other remedies provided under the Contract Documents or law, may provide Design-Builder with written notice that Developer will commence correction of such nonconforming Work with its own forces. If Developer does perform such corrective Work, Design-Builder shall be responsible for all reasonable costs incurred by Developer in performing such correction. If the nonconforming Work creates an emergency requiring an immediate response, the seven (7) day period identified herein shall be deemed inapplicable.
- **2.10.3** The one-year period referenced in Section 2.10.1 above applies only to Design-Builder's obligation to correct nonconforming Work and is not intended to constitute a period of limitations for any other rights or remedies Developer or City may have regarding Design-Builder's other obligations under the Contract Documents.

Article 3

Developer's Services and Responsibilities

3.1 Duty to Cooperate.

- **3.1.1** Developer shall, throughout the performance of the Work, cooperate with Design-Builder and perform its responsibilities, obligations and services in a timely manner to facilitate Design-Builder's timely and efficient performance of the Work and so as not to delay or interfere with Design-Builder's performance of its obligations under the Contract Documents.
- **3.1.2** Developer shall provide timely reviews and approvals of interim design submissions and Construction Documents consistent with the turnaround times set forth in Design-Builder's schedule.
- 3.1.3 Developer shall give Design-Builder timely notice of any Work that Developer notices to

be defective or not in compliance with the Contract Documents.

3.2 Furnishing of Services and Information.

- **3.2.1** Unless expressly stated to the contrary in the Contract Documents, Developer shall provide, at its own cost and expense, for Design-Builder's information and use the following, all of which Design-Builder is entitled to rely upon in performing the Work:
 - **3.2.1.1** Surveys describing the property, boundaries, topography and reference points for use during construction, including existing service and utility lines;
 - **3.2.1.2** Geotechnical studies describing subsurface conditions, and other surveys describing other latent or concealed physical conditions at the Site;
 - **3.2.1.3** Temporary and permanent easements, zoning and other requirements and encumbrances affecting land use, or necessary to permit the proper design and construction of the Project and enable Design-Builder to perform the Work;
 - **3.2.1.4** A legal description of the Site;
 - **3.2.1.5** To the extent available, record drawings of any existing structures at the Site; and
 - **3.2.1.6** To the extent available, environmental studies, reports and impact statements describing the environmental conditions, including Hazardous Conditions, in existence at the Site.
- **3.2.2** Notwithstanding the foregoing, Design-Builder shall not rely on the foregoing documents to the extent a highly experienced commercial design-build firm would have reason to doubt the accuracy of the information provided, in which case, Design-Builder shall so notify Owner in writing of the information that is reasonably believed to be inaccurate or incorrect or in need of further verification:
- **3.2.3** Developer is responsible for securing and executing all necessary agreements with adjacent land or property Developers that are necessary to enable Design-Builder to perform the Work. Developer is further responsible for all costs, including attorneys' fees, incurred in securing these necessary agreements.

3.3 Financial Information.

- **3.3.1** Design-Builder acknowledges that Developer will, to any extent requested by Design-Builder, furnish reasonable evidence satisfactory to Design-Builder that Developer has made acceptable arrangements for a source of adequate funds available and committed to fulfill all of Developer's contractual obligations under the Contract Documents
- **3.3.2** Design-Builder shall cooperate with the reasonable requirements of Developer's lenders or other financial sources including the Bond Trustee and the City. Notwithstanding the preceding sentence, after execution of the Agreement Design-Builder shall have no obligation to execute for Developer or Developer's lenders or other financial sources any documents or agreements that require Design-Builder to assume obligations or responsibilities greater than those existing obligations Design-Builder has under the Contract Documents.

3.4 Developer's Representative.

3.4.1 Developer's Representative shall be responsible for providing Developer-supplied information and approvals in a timely manner to permit Design-Builder to fulfill its obligations under the Contract Documents. Developer's Representative shall also provide Design-Builder

with prompt notice if it observes any failure on the part of Design-Builder to fulfill its contractual obligations, including any errors, omissions or defects in the performance of the Work. Developer's Representative shall communicate regularly with Design-Builder and shall be vested with the authority to act on behalf of Developer.

3.5 Government Approvals and Permits.

- **3.5.1** Developer shall obtain and pay for all necessary permits, approvals, licenses, government charges and inspection fees set forth in the Developer's Permit List attached as an exhibit to the Agreement.
- **3.5.2** Developer shall provide reasonable assistance to Design-Builder in obtaining those permits, approvals and licenses that are Design-Builder's responsibility.

3.6 Developer's Separate Contractors.

3.6.1 Developer is responsible for all work performed on the Project or at the Site by separate contractors under Developer's control. Developer shall contractually require its separate contractors to cooperate with, and coordinate their activities so as not to interfere with, Design-Builder in order to enable Design-Builder to timely complete the Work consistent with the Contract Documents.

Article 4

Hazardous Conditions and Differing Site Conditions

4.1 Hazardous Conditions.

- **4.1.1** Unless otherwise expressly provided in the Contract Documents to be part of the Work, Design-Builder is not responsible for any Hazardous Conditions encountered at the Site. Upon encountering any Hazardous Conditions, Design-Builder will stop Work immediately in the affected area and duly notify Developer and, if required by Legal Requirements, all government or quasi-government entities with jurisdiction over the Project or Site.
- **4.1.2** Upon receiving notice of the presence of suspected Hazardous Conditions, Developer shall take the necessary measures required to ensure that the Hazardous Conditions are remediated or rendered harmless. Such necessary measures shall include Developer retaining qualified independent experts to (i) ascertain whether Hazardous Conditions have actually been encountered, and, if they have been encountered, (ii) prescribe the remedial measures that Developer must take either to remove the Hazardous Conditions or render the Hazardous Conditions harmless.
- **4.1.3** Design-Builder shall be obligated to resume Work at the affected area of the Project only after Developer's expert provides it with written certification that (i) the Hazardous Conditions have been removed or rendered harmless and (ii) all necessary approvals have been obtained from all government and quasi-government entities having jurisdiction over the Project or Site.
- **4.1.4** Design-Builder will be entitled, in accordance with these General Conditions of Contract, to an adjustment in its Contract Price and/or Contract Time(s) to the extent Design-Builder's cost and/or time of performance have been adversely impacted by the presence of Hazardous Conditions subject to City's prior written approval.
- **4.1.5** TO THE FULLEST EXTENT PERMITTED BY LAW, DEVELOPER SHALL INDEMNIFY, DEFEND AND HOLD HARMLESS DESIGN-BUILDER, DESIGN CONSULTANTS, SUBCONTRACTORS, ANYONE EMPLOYED DIRECTLY OR INDIRECTLY BY ANY OF THEM, AND THEIR OFFICERS, DIRECTORS, EMPLOYEES AND AGENTS, FROM AND AGAINST

ANY AND ALL CLAIMS, LOSSES, DAMAGES, LIABILITIES AND EXPENSES, INCLUDING ATTORNEYS' FEES AND EXPENSES, ARISING OUT OF OR RESULTING FROM THE PRESENCE, REMOVAL OR REMEDIATION OF HAZARDOUS CONDITIONS AT THE SITE.

Notwithstanding the preceding provisions of this Section 4.1, Developer is not responsible for Hazardous Conditions introduced to the Site by Design-Builder, Subcontractors or anyone for whose acts they may be liable, or, to any extent caused by Design-Builder, Subcontractors or anyone for whose acts they may be liable, for the spread, intensification or other exacerbation of or secondary contamination from pre-existing Hazardous Conditions at the Site of which Design-Builder is or reasonably should be aware. TO THE FULLEST EXTENT PERMITTED BY LAW, DESIGN-BUILDER SHALL INDEMNIFY, DEFEND AND HOLD HARMLESS DEVELOPER, AUSTIN CONTRAC AND THE CITY, AND THEIR OFFICERS, DIRECTORS, EMPLOYEES AND AGENTS FROM AND AGAINST ALL CLAIMS, LOSSES, DAMAGES, LIABILITIES AND EXPENSES, INCLUDING ATTORNEYS' FEES AND EXPENSES, ARISING OUT OF OR RESULTING FROM THOSE HAZARDOUS CONDITIONS INTRODUCED TO THE SITE BY DESIGN-BUILDER, SUBCONTRACTORS OR ANYONE FOR WHOSE ACTS THEY MAY BE LIABLE AND, TO ANY EXTENT CAUSED BY DESIGN-BUILDER, SUBCONTRACTORS OR ANYONE FOR WHOSE ACTS THEY MAY BE LIABLE, ARISING OUT OF OR RESULTING FROM THE SPREAD, EXACERBATION, OR SECONDARY CONTAMINATION FROM PRE-EXISTING HAZARDOUS CONDITIONS AT THE SITE OF WHICH DESIGN-BUILDER IS OR REASONABLY SHOULD BE AWARE.

4.2 Differing Site Conditions.

- **4.2.1** Concealed or latent physical conditions or subsurface conditions at the Site, which conditions Design-Builder did not actually learn about before signing the Phase 2 Agreement and should not reasonably have learned about before signing the Phase 2 Agreement, and that are of an unusual nature, and differ materially from the conditions ordinarily encountered and generally recognized as inherent in the Work are collectively referred to herein as "Differing Site Conditions." If Design-Builder encounters a Differing Site Condition, Design-Builder will be entitled to an adjustment in the Contract Price and/or Contract Time(s) to the extent Design-Builder's cost and/or time of performance are adversely impacted by the Differing Site Condition and subject to prior written approval by the City.
- **4.2.2** Upon encountering a Differing Site Condition, Design-Builder shall provide prompt written notice to Developer of such condition, which notice shall not be later than seven (7) days after such condition has been encountered. Design-Builder shall, to the extent reasonably possible, provide such notice before the Differing Site Condition has been substantially disturbed or altered.

Article 5

Insurance and Bonds

- 5.1 Design-Builder's Insurance Requirements.
 - 5.1.1 Intentionally Deleted. (See Section 11.3 of Agreement)]
 - **5.1.2** Design-Builder's professional liability insurance shall specifically delete any design-build or similar exclusions that could compromise coverages because of the design-build delivery of the Project.
 - **5.1.3** Prior to commencing any construction services hereunder, Design-Builder shall provide Developer with certificates evidencing that (i) all insurance obligations required by the Contract Documents are in full force and in effect and Design-Builder will issue annual renewal certificates indicating that coverage will remain in effect for the duration required by the Contract Documents and (ii) no insurance coverage will be canceled, renewal refused, or materially changed unless at

least thirty (30) days prior written notice is given by Design-Builder to Developer. If any of the foregoing insurance coverages are required to remain in force after final payment are reasonably available, an additional certificate evidencing continuation of such coverage shall be submitted with the Final Application for Payment. If any information concerning reduction of coverage is not furnished by the insurer, it shall be furnished by the Design-Builder with reasonable promptness according to the Design-Builder's information and belief.

5.2 Developer's Liability Insurance.

5.2.1 Developer shall procure and maintain from insurance companies authorized to do business in the state in which the Project is located such liability insurance as set forth in the Insurance Exhibit to the Agreement to protect Developer from claims which may arise from the performance of Developer's obligations under the Contract Documents or Developer's conduct during the course of the Project.

5.3 Property Insurance.

This Section 5.3 applies only to Phase 2.

- Design-Builder shall procure and maintain from insurance companies authorized to do business in the state in which the Project is located builder's risk property insurance in an all risk physical loss form covering the entire Work to the full insurable value of the Work, but not less than the Contract Price stated in Section 6.1 of the Agreement, including professional fees, overtime premiums and other insurable expenses incurred to replace or repair the insured property. The property insurance obtained by Design-builder shall provide coverage expressly approved by Developer, Austin CONRAC and the City, and shall include as additional insureds the interests of the City of Austin, Austin CONRAC, Developer, Design-Builder, Design Consultants and Subcontractors of any tier, and shall name the City a loss payee on the policy. Such insurance shall include but not be limited to the perils of fire and extended coverage, theft, vandalism, malicious mischief, collapse, flood, earthquake, debris removal and other perils or causes of loss as called for in the Contract Documents. The property insurance shall include physical loss or damage to the Work, including materials and equipment in transit, at the Site or at another location as may be indicated in Design-Builder's Application for Payment and approved by Developer. The Design-Builder is responsible for the payment of any deductibles under the insurance required by this Section 5.3.1; provided, however, that Design-Builder is not barred from seeking to recoup any or all of the deductible from any Subcontractor, Sub-Subcontractor, or any supplier to Design-Builder.
- **5.3.4** Any loss covered under Design-Builder's property insurance shall be adjusted with the respective claimant and made payable to the respective Named Insured, subject to any applicable mortgage clause. All insurance proceeds received as a result of any loss will be placed in a separate account and distributed in accordance with such agreement as the interested parties may reach. Any disagreement concerning the distribution of any proceeds will be resolved in accordance with Article 10 hereof.
- **5.3.5** Developer and Design-Builder waive against each other and against each of Developer's separate contractors, the City of Austin, Austin CONRAC, each of the RACs, Design Consultants, Subcontractors, agents and employees of each and all of them, all damages covered by property insurance provided herein, except such rights as they may have to the proceeds of such insurance. Design-Builder and Developer shall, where appropriate, require similar waivers of subrogation from Developer's separate contractors, Design Consultants and Subcontractors and shall require each of them to include similar waivers in their contracts. These waivers of subrogation shall not contain any restriction or limitation that will impair the full and complete extent of its applicability to any person or entity unless agreed to in writing prior to the execution of this Agreement. The term "RACs" as used herein shall have the same meaning as that term is used in the Master Glossary attached as an exhibit to the Master Lease, by and between the City of Austin and Austin CONRAC ("Master Lease").

5.4 Bonds and Other Performance Security.

This Section 5.4 applies only to Phase 2.

- **5.4.1** If Developer requires Design-Builder to obtain performance and labor and material payment bonds, or other forms of performance security, the amount, form and other conditions of such security shall be as set forth in the Agreement.
- **5.4.2** All bonds furnished by Design-Builder shall be in a form satisfactory to Developer, Austin CONRAC and the City, in accordance with the insurance exhibit to the Agreement. The surety shall be a company qualified and registered to conduct business in the state in which the Project is located.

Article 6

Payment

6.1 Schedule of Values.

- **6.1.1** Unless required by the Developer upon execution of this Agreement, within ten (10) days of execution of the Agreement, Design-Builder shall submit for Developer's review and approval a schedule of values for all of the Work. The Schedule of Values will (i) subdivide the Work into its respective parts, (ii) include values for all items comprising the Work and (iii) serve as the basis for monthly progress payments made to Design-Builder throughout the Work.
- **6.1.2** The Developer will timely review and approve the schedule of values so as not to delay the submission of the Design-Builder's first application for payment. The Developer and Design-Builder shall timely resolve any differences so as not to delay the Design-Builder's submission of its first application for payment.

6.2 Monthly Progress Payments.

- **6.2.1** On or before the date established in the Agreement, Design-Builder shall submit for Developer's review and approval its Application for Payment requesting payment for all Work performed as of the date of the Application for Payment. The Application for Payment shall be accompanied by all supporting documentation required by the Contract Documents and/or established at the meeting required by Section 2.1.4 hereof.
- **6.2.2** The Application for Payment may request payment for equipment and materials not yet incorporated into the Project, provided that (i) Developer is satisfied that the equipment and materials are suitably stored at either the Site or another acceptable location, (ii) the equipment and materials are protected by suitable insurance and (iii) upon payment, Developer will receive the equipment and materials free and clear of all liens and encumbrances.
- **6.2.3** All discounts offered by Subcontractor, Sub-Subcontractors and suppliers to Design-Builder for early payment shall accrue one hundred percent to Design-Builder to the extent Design-Builder advances payment. Unless Developer advances payment to Design-Builder specifically to receive the discount, Design-Builder may include in its Application for Payment the full undiscounted cost of the item for which payment is sought. Nothing in this section is intended to affect the lump sum Contract Price in the Agreement as may be modified by written Change Orders or other written modifications signed by the Developer and approved by Austin CONRAC and the City.
- **6.2.4** The Application for Payment shall constitute Design-Builder's representation that the Work described herein has been performed consistent with the Contract Documents, has progressed to the point indicated in the Application for Payment, and that title to all Work will pass to Developer free and clear of all claims, liens, encumbrances, and security interests upon the

incorporation of the Work into the Project, or upon Design-Builder's receipt of payment, whichever occurs earlier.

6.2.5 The application for payment process and the payments themselves shall be subject to the terms and conditions of the Section 11.24 of the Agreement.

6.3 Withholding of Payments.

- **6.3.1** On or before the date established in the Agreement, Developer shall pay Design-Builder all amounts properly due. If Developer determines that Design-Builder is not entitled to all or part of an Application for Payment as a result of Design-Builder's failure to meet its obligations hereunder, it will notify Design-Builder in writing at least five (5) days prior to the date payment is due. The notice shall indicate the specific amounts Developer intends to withhold, the reasons and contractual basis for the withholding, and the specific measures Design-Builder must take to rectify Developer's concerns. Design-Builder and Developer will attempt to resolve Developer's concerns prior to the date payment is due. If the parties cannot resolve such concerns, Design-Builder may pursue its rights under the Contract Documents, including those under Article 10 hereof.
- **6.3.2** Notwithstanding anything to the contrary in the Contract Documents, Developer shall pay Design-Builder all undisputed amounts in an Application for Payment within the times required by the Agreement.

6.4 Interest.

6.4.1 All payments due and unpaid shall bear interest at the rate set forth in the Agreement.

6.5 Design-Builder's Payment Obligations.

6.5.1 Design-Builder will pay Design Consultants and Subcontractors, in accordance with its contractual obligations to such parties, all the amounts Design-Builder has received from Developer on account of their work. Design-Builder will impose similar requirements on Design Consultants and Subcontractors to pay those parties with whom they have contracted. Design-Builder will indemnify and defend Developer, Austin CONRAC and City against any claims for payment and mechanic's liens as set forth in Section 7.3 hereof.

6.6 Substantial Completion.

- **6.6.1** Design-Builder shall notify Developer when it believes the Work, or to the extent permitted in the Contract Documents, a portion of the Work, is Substantially Complete. Within fourteen (14) days of Developer's receipt of Design-Builder's notice, Developer and Design-Builder will jointly inspect such Work to verify that it is Substantially Complete in accordance with the requirements of the Contract Documents. If such Work is Substantially Complete, Developer shall prepare and issue a Certificate of Substantial Completion that will set forth (i) the date of Substantial Completion of the Work or portion thereof, (ii) the remaining items of Work that have to be completed before final payment, (iii) provisions (to the extent not already provided in the Contract Documents) establishing Developer's and Design-Builder's responsibility for the Project's security, maintenance, utilities and insurance pending final payment, and (iv) an acknowledgment that warranties commence to run on the date of Substantial Completion, except as may otherwise be noted in the Certificate of Substantial Completion. The Certificate of Substantial Completion and the date established for substantial completion of the Project shall be subject to the review and approval of the City of Austin and Austin CONRAC.
- **6.6.2** Upon Substantial Completion of the entire Work or, if applicable, any portion of the Work, Developer shall release to Design-Builder all retained amounts relating, as applicable, to the entire Work or completed portion of the Work, less an amount equal to one point five (1.5) times the reasonable value of all remaining or incomplete items of Work as noted in the Certificate of

Substantial Completion.

6.6.3 Developer, at its option, may use a portion of the Work which has been determined to be Substantially Complete, provided, however, that (i) a Certificate of Substantial Completion has been issued for the portion of Work addressing the items set forth in Section 6.6.1 above, (ii) Design-Builder and Developer have obtained the consent of their sureties and insurers, and to the extent applicable, the appropriate government authorities having jurisdiction over the Project, and (iii) Developer and Design-Builder agree that Developer's use or occupancy will not interfere with Design-Builder's completion of the remaining Work.

6.7 Final Payment.

- **6.7.1** After receipt of a Final Application for Payment from Design-Builder, Developer shall make final payment by the time required in the Agreement, provided that Design-Builder has achieved Final Completion.
- **6.7.2** At the time of submission of its Final Application for Payment, Design-Builder shall provide the following information:
 - **6.7.2.1** An affidavit that there are no claims, obligations or liens outstanding or unsatisfied for labor, services, material, equipment, taxes or other items performed, furnished or incurred for or in connection with the Work which will in any way affect Developer's interests;
 - **6.7.2.2** A general release executed by Design-Builder waiving, upon receipt of final payment by Design-Builder, all claims, except those claims previously made in writing to Developer and remaining unsettled at the time of final payment;
 - **6.7.2.3** Consent of Design-Builder's surety, if any, to final payment;
 - **6.7.2.4** All operating manuals, warranties and other deliverables required by the Contract Documents; and
 - **6.7.2.5** Certificates of insurance confirming that required coverages will remain in effect consistent with the requirements of the Contract Documents.
- **6.7.3** Upon making final payment, Developer waives all claims against Design-Builder except claims relating to (i) Design-Builder's failure to satisfy its payment obligations, if such failure affects Developer's or the City's interests, (ii) Design-Builder's failure to complete the Work consistent with the Contract Documents, including defects appearing after Substantial Completion and (iii) the terms of any special warranties required by the Contract Documents.
- **6.7.4** Deficiencies in the Work discovered after Substantial Completion, whether or not such deficiencies would have been included on the Punch List if discovered earlier, shall be deemed warranty Work. Such deficiencies shall be corrected by Design-Builder under Sections 2.9 and 2.10 herein, and shall not be a reason to withhold final payment from Design-Builder, provided, however, that Developer shall be entitled to withhold from the Final Payment the reasonable value of completion or correction of such deficient work until such work is completed or corrected.

Article 7

Indemnification

7.1 Patent and Copyright Infringement.

7.1.1 Design-Builder shall defend any action or proceeding brought against any one or more of

Developer, Austin CONRAC, the RACs and the City based on any claim that the Work, or any part thereof, or the operation or use of the Work or any part thereof, constitutes infringement of any United States patent or copyright, now or hereafter issued. Developer shall give prompt written notice to Design-Builder of any such action or proceeding and will reasonably provide authority, information and assistance in the defense of same. DESIGN-BUILDER SHALL INDEMNIFY AND HOLD HARMLESS DEVELOPER, AUSTIN CONRAC, THE RACS AND THE CITY FROM AND AGAINST ALL DAMAGES AND COSTS, INCLUDING BUT NOT LIMITED TO ATTORNEYS' FEES AND EXPENSES AWARDED AGAINST DEVELOPER, AUSTIN CONRAC, THE RACS, THE CITY OR DESIGN-BUILDER IN ANY SUCH ACTION OR PROCEEDING. Design-Builder agrees to keep Developer, Austin CONRAC, the RACs and the City, respectively, informed of all developments in the defense of such actions in which that respective entity is a party.

- **7.1.2** If Developer, Austin CONRAC, the RACs or the City is enjoined from the operation or use of the Work, or any part thereof, as the result of any patent or copyright suit, claim, or proceeding, Design-Builder shall at its sole expense take reasonable steps to procure the right to operate or use the Work. If Design-Builder cannot so procure such right within a reasonable time, Design-Builder shall promptly, at Design-Builder's option and at Design-Builder's expense, (i) modify the Work so as to avoid infringement of any such patent or copyright or (ii) replace said Work with Work that does not infringe or violate any such patent or copyright.
- **7.1.3** Sections 7.1.1 and 7.1.2 above shall not be applicable to any suit, claim or proceeding based on infringement or violation of a patent or copyright (i) relating solely to a particular process or product of a particular manufacturer specified by Developer and not offered or recommended by Design-Builder to Developer or (ii) arising from modifications to the Work by Developer or its agents after acceptance of the Work. If the suit, claim or proceeding is based upon events set forth in the preceding sentence, Developer shall defend, indemnify and hold harmless Design-Builder (and City unless the specification or modification is at the request of or required by City over the objection of Developer) to the same extent Design-Builder is obligated to defend, indemnify and hold harmless Developer, Austin CONRAC, the RACs and the City in Section 7.1.1 above.
- **7.1.4** The obligations set forth in this Section 7.1 shall constitute the sole agreement between the parties relating to liability for infringement or violation of any patent or copyright.

7.2 Tax Claim Indemnification.

7.2.1 IF, IN ACCORDANCE WITH DEVELOPER'S DIRECTION, AN EXEMPTION FOR ALL OR PART OF THE WORK IS CLAIMED FOR TAXES, DEVELOPER SHALL INDEMNIFY, DEFEND AND HOLD HARMLESS DESIGN-BUILDER FROM AND AGAINST ANY LIABILITY, PENALTY, INTEREST, FINE, TAX ASSESSMENT, ATTORNEYS' FEES OR OTHER EXPENSES OR COSTS INCURRED BY DESIGN-BUILDER AS A RESULT OF ANY ACTION TAKEN BY DESIGN-BUILDER IN ACCORDANCE WITH DEVELOPER'S DIRECTIVE. DEVELOPER SHALL FURNISH DESIGN-BUILDER WITH ANY APPLICABLE TAX EXEMPTION CERTIFICATES NECESSARY TO OBTAIN SUCH EXEMPTION, UPON WHICH DESIGN-BUILDER MAY RELY.

7.3 Payment Claim Indemnification.

7.3.1 PROVIDED THAT DEVELOPER IS NOT IN BREACH OF ITS CONTRACTUAL OBLIGATION TO MAKE PAYMENTS TO DESIGN-BUILDER FOR THE WORK, DESIGN-BUILDER SHALL INDEMNIFY, DEFEND AND HOLD HARMLESS DEVELOPER, AUSTIN CONRAC, THE RACS, AND THE CITY FROM ANY CLAIMS OR MECHANIC'S LIENS BROUGHT AGAINST DEVELOPER, AUSTIN CONRAC, THE RACS, THE CITY OR THE PROJECT AS A RESULT OF THE FAILURE OF DESIGN-BUILDER, OR THOSE FOR WHOSE ACTS IT IS RESPONSIBLE, TO PAY FOR ANY SERVICES, MATERIALS, LABOR, EQUIPMENT, TAXES OR OTHER ITEMS OR OBLIGATIONS FURNISHED OR INCURRED

FOR OR IN CONNECTION WITH THE WORK. WITHIN THREE (3) DAYS OF RECEIVING WRITTEN NOTICE FROM DEVELOPER, AUSTIN CONRAC, THE RACS OR THE CITY THAT SUCH A CLAIM OR MECHANIC'S LIEN HAS BEEN FILED BASED ON WORK FOR WHICH DESIGN-BUILDER HAS BEEN PAID,, DESIGN-BUILDER SHALL COMMENCE TO TAKE THE STEPS NECESSARY TO DISCHARGE SAID CLAIM OR LIEN, INCLUDING, IF NECESSARY, THE FURNISHING OF A MECHANIC'S LIEN BOND. IF DESIGN-BUILDER FAILS TO DO SO, DEVELOPER, IN ALL CASES, AND AUSTIN CONRAC AND THE RACS AND THE CITY, RESPECTIVELY, AS TO CLAIMS OR LIENS AGAINST THEM OR THEIR RESPECTIVE PROPERTY WILL HAVE THE RIGHT TO DISCHARGE THE CLAIM OR LIEN AND HOLD DESIGN-BUILDER LIABLE FOR COSTS AND EXPENSES INCURRED, INCLUDING ATTORNEYS' FEES.

7.4 Design-Builder's General Indemnification.

7.4.1 [Replaced in its entirety with Section 11.46 of the Agreement]

7.4.2 IF AN EMPLOYEE OF DESIGN-BUILDER, DESIGN CONSULTANTS, SUBCONTRACTORS, ANYONE EMPLOYED DIRECTLY OR INDIRECTLY BY ANY OF THEM OR ANYONE FOR WHOSE ACTS ANY OF THEM MAY BE LIABLE HAS A CLAIM AGAINST DEVELOPER, ITS OFFICERS, DIRECTORS, EMPLOYEES, OR AGENTS, DESIGN-BUILDER'S INDEMNITY OBLIGATION SET FORTH IN SECTION 11.46 OF THE AGREEMENT SHALL NOT BE LIMITED BY ANY LIMITATION ON THE AMOUNT OF DAMAGES, COMPENSATION OR BENEFITS PAYABLE BY OR FOR DESIGN-BUILDER, DESIGN CONSULTANTS, SUBCONTRACTORS, OR OTHER ENTITY UNDER ANY EMPLOYEE BENEFIT ACTS, INCLUDING WORKERS' COMPENSATION OR DISABILITY ACTS.

7.5 Developer's General Indemnification.

7.5.1 DEVELOPER, TO THE FULLEST EXTENT PERMITTED BY LAW, SHALL INDEMNIFY, HOLD HARMLESS AND DEFEND DESIGN-BUILDER, CITY, AND ANY OF DESIGN-BUILDER'S OFFICERS, DIRECTORS, AND EMPLOYEES, FROM AND AGAINST CLAIMS, LOSSES, DAMAGES, LIABILITIES, INCLUDING ATTORNEYS' FEES AND EXPENSES, FOR BODILY INJURY, SICKNESS OR DEATH, AND PROPERTY DAMAGE OR DESTRUCTION (OTHER THAN TO THE WORK ITSELF) TO THE EXTENT RESULTING FROM THE NEGLIGENT ACTS OR OMISSIONS OF DEVELOPER'S SEPARATE CONTRACTORS OR ANYONE FOR WHOSE ACTS ANY OF THEM MAY BE LIABLE.

Article 8

Time

8.1 Obligation to Achieve the Contract Times.

8.1.1 Design-Builder agrees that it will commence performance of the Work and achieve the Contract Time(s) in accordance with Article 5 of the Agreement.

8.2 Delays to the Work.

8.2.1 If Design-Builder is delayed in the performance of the Work due to acts, omissions, conditions, events, or circumstances beyond its control and due to no fault of its own or those for whom Design-Builder is responsible, the Contract Time(s) for performance shall be reasonably extended by Change Order subject to prior written approval by City. By way of example, events that will entitle Design-Builder to an extension of the Contract Time(s) include acts or omissions of Developer or anyone under Developer's control (including separate contractors), changes in the Work, Differing Site Conditions, Hazardous Conditions, and Force Majeure Events. In particular, in the event that, and for the full length of any period that, the Design-Builder is not

provided access to and occupancy of any portion of the CONRAC Site on or before the date work in that area is to begin according to the Design-Builder's critical path schedule as agreed to by Developer and City, then with respect to all work in that portion of the CONRAC Site, Design-Builder shall be entitled to an extension of the Deadline for Substantial Completion of the same duration as the period of delayed access with City's prior written approval.

8.2.2 In addition to Design-Builder's right to a time extension for those events set forth in Section 8.2.1 above, Design-Builder, provided Design-Builder furnishes Developer with timely notice of claim, shall also be entitled to an appropriate adjustment of the Contract Price for the additional labor, material, equipment, and extended general conditions costs caused by such a delay attributable solely to the acts or omissions of the Developer, any of the Developer's consultants, or by any of their respective agents or employees (the "Compensable Delay"). Design-Builder's written notice specifying the reason or reasons for the Compensable Delay, the probable period of the Compensable Delay, and a reasonable estimate of the additional labor, material, equipment, and extended general conditions costs claimed to be attributable to the Compensable Delay, shall be furnished to Developer within five (5) business days of the commencement of the Compensable Delay.

Article 9

Changes to the Contract Price and Time

9.1 Change Orders.

- **9.1.1** A Change Order is a written instrument issued after execution of the Agreement signed by Developer and Design-Builder and approved by the City in writing, stating their agreement upon all of the following:
 - **9.1.1.1** The scope of the change in the Work;
 - 9.1.1.2 The amount of the adjustment to the Contract Price; and
 - **9.1.1.3** The extent of the adjustment to the Contract Time(s).
- **9.1.2** All changes in the Work authorized by applicable Change Order shall be performed under the applicable conditions of the Contract Documents. Developer and Design-Builder shall negotiate in good faith and as expeditiously as possible the appropriate adjustments for such changes.
- **9.1.3** If Developer requests a proposal for a change in the Work from Design-Builder and subsequently elects not to proceed with the change, a Change Order shall be issued to reimburse Design-Builder for reasonable costs incurred for estimating services, design services and services involved in the preparation of proposed revisions to the Contract Documents.

9.2 Work Change Directives.

- **9.2.1** A Work Change Directive is a written order prepared and signed by Developer and City directing a change in the Work prior to agreement on an adjustment in the Contract Price and/or the Contract Time(s). Developer has the right to issue a Work Change Directive to order Design-Builder to accelerate the performance of the Work to achieve Substantial Completion before the then Scheduled Substantial Completion Date.
- **9.2.2** Developer and Design-Builder shall negotiate in good faith and as expeditiously as possible the appropriate adjustments for the Work Change Directive. Upon reaching an agreement, the parties shall prepare and execute an appropriate Change Order reflecting the terms of the agreement.

9.3 Minor Changes in the Work.

9.3.1 Minor changes in the Work do not involve an adjustment in the Contract Price and/or Contract Time(s) and do not materially and adversely affect the Work, including the design, quality, performance and workmanship required by the Contract Documents. Design-Builder may make minor changes in the Work consistent with the intent of the Contract Documents, provided, however, that Design-Builder shall promptly inform Developer, in writing, of any such changes and record such changes on the documents maintained by Design-Builder.

9.4 Contract Price Adjustments.

- **9.4.1** The increase or decrease in Contract Price resulting from a change in the Work shall be determined by one or more of the following methods:
 - **9.4.1.1** Unit prices set forth in the Agreement or as subsequently agreed to between the parties;
 - **9.4.1.2** A mutually accepted lump sum, properly itemized and supported by sufficient substantiating data to permit evaluation by Developer;
 - 9.4.1.3 Costs, fees and any other markups set forth in the Agreement; or
 - **9.4.1.4** If an increase or decrease cannot be agreed to as set forth in items 9.4.1.1 through 9.4.1.3 above and Developer issues a Work Change Directive, the cost of the change of the Work shall be determined by the reasonable expense and savings in the performance of the Work resulting from the change, including a reasonable overhead and profit, as may be set forth in the Agreement.
- **9.4.2** If unit prices are set forth in the Contract Documents or are subsequently agreed to by the parties, but application of such unit prices will cause substantial inequity to Developer or Design-Builder because of differences in the character or quantity of such unit items as originally contemplated, such unit prices shall be equitably adjusted.
- If Developer and Design-Builder disagree upon whether Design-Builder is entitled to be paid for any services required by Developer, or if there are any other disagreements over the scope of Work or proposed changes to the Work, Developer and Design-Builder shall resolve the disagreement pursuant to Article 10 hereof. As part of the negotiation process, Design-Builder shall furnish Developer with a good faith estimate of the costs to perform the disputed services in accordance with Developer's interpretations. If the parties are unable to agree and Developer expects Design-Builder to perform the services in accordance with Developer's interpretations, Design-Builder shall proceed to perform the disputed services, conditioned upon Developer issuing a written order to Design-Builder (i) directing Design-Builder to proceed and (ii) specifying Developer's interpretation of the services that are to be performed. If this occurs, Design-Builder shall be entitled to submit in its Applications for Payment an amount equal to fifty percent (50%) of its reasonable estimated direct cost to perform the services, and Developer agrees to pay such amounts, with the express understanding that (i) such payment by Developer does not prejudice Developer's right to argue that it has no responsibility to pay for such services and (ii) receipt of such payment by Design-Builder does not prejudice Design-Builder's right to seek full payment of the disputed services if Developer's order is deemed to be a change to the Work.

9.5 Emergencies.

9.5.1 In any emergency affecting the safety of persons and/or property, Design-Builder shall act, at its discretion, to prevent threatened damage, injury or loss. Any change in the Contract Price and/or Contract Time(s) on account of emergency work shall be determined as provided in this Article 9.

Article 10

Contract Adjustments and Disputes

- 10.1 Requests for Contract Adjustments and Relief.
 - **10.1.1** If either Design-Builder or Developer believes that it is entitled to relief against the other for any event arising out of or related to the Work or Project, such party shall provide written notice to the other party of the basis for its claim for relief. Such notice shall, if possible, be made prior to incurring any cost or expense and in accordance with any specific notice requirements contained in applicable sections of these General Conditions of Contract. In the absence of any specific notice requirement, written notice shall be given within a reasonable time, not to exceed twenty-one (21) days, after the occurrence giving rise to the claim for relief or after the claiming party reasonably should have recognized the event or condition giving rise to the request, whichever is later. Such notice shall include sufficient information to advise the other party of the circumstances giving rise to the claim for relief, the specific contractual adjustment or relief requested and the basis of such request.
- **10.2 Dispute Avoidance and Resolution.** (Replaced by Section 11.38 of the Agreement)
- 10.3 Intentionally Deleted.
- 10.4 Duty to Continue Performance.
 - **10.4.1** Unless provided to the contrary in the Contract Documents, Design-Builder shall continue to perform the Work and Developer shall continue to satisfy its payment obligations to Design-Builder, pending the final resolution of any dispute or disagreement between Design-Builder and Developer.

Article 11

Stop Work and Termination for Cause

- 11.1 Developer's Right to Stop Work.
 - **11.1.1** Developer may, without cause and for its convenience, order Design-Builder in writing to stop and suspend the Work. Such suspension shall not exceed sixty (60) consecutive days or aggregate more than ninety (90) days during the duration of the Project.
 - **11.1.2** Subject to City's prior written approval, Design-Builder is entitled to seek an adjustment of the Contract Price and/or Contract Time(s) if its cost or time to perform the Work has been adversely impacted by any suspension of stoppage of the Work by Developer.
- 11.2 Developer's Right to Perform and Terminate for Cause.
 - **11.2.1** If Design-Builder persistently fails to (i) provide a sufficient number of skilled workers, (ii) supply the materials required by the Contract Documents, (iii) comply with applicable Legal Requirements, (iv) timely pay, without cause, Design Consultants or Subcontractors, (v) prosecute the Work with promptness and diligence to ensure that the Work is completed by the Contract Time(s), as such times may be adjusted, or (vi) perform material obligations under the Contract Documents, then Developer, in addition to any other rights and remedies provided in the Contract Documents or by law, shall have the rights set forth in Sections 11.2.2 and 11.2.3 below.
 - 11.2.2 Upon the occurrence of an event set forth in Section 11.2.1 above, Developer may provide written notice to Design-Builder that it intends to terminate the Agreement unless the

problem cited is cured, or commenced to be cured, within seven (7) days of Design-Builder's receipt of such notice. If Design-Builder fails to cure, or reasonably commence to cure, such problem, then Developer may give a second written notice to Design-Builder of its intent to terminate within an additional seven (7) day period. If Design-Builder, within such second seven (7) day period, fails to cure, or reasonably commence to cure, such problem, then Developer may declare the Agreement terminated for default by providing written notice to Design-Builder of such declaration.

- 11.2.3 Upon declaring the Agreement terminated pursuant to Section 11.2.2 above, Developer may enter upon the premises and take possession, for the purpose of completing the Work, of all materials, equipment, scaffolds, tools, appliances and other items thereon, which have been purchased or provided for the performance of the Work, all of which Design-Builder hereby transfers, assigns and sets over to Developer for such purpose, and to employ any person or persons to complete the Work and provide all of the required labor, services, materials, equipment and other items. In the event of such termination, Design-Builder shall not be entitled to receive any further payments under the Contract Documents until the Work shall be finally completed in accordance with the Contract Documents. At such time, if the unpaid balance of the Contract Price exceeds the cost and expense incurred by Developer in completing the Work, such excess shall be paid by Developer to Design-Builder. Notwithstanding the preceding sentence, if the Agreement establishes a Guaranteed Maximum Price, Design-Builder will only be entitled to be paid for Work performed prior to its default. If Developer's cost and expense of completing the Work exceeds the unpaid balance of the Contract Price, then Design-Builder shall be obligated to pay the difference to Developer. Such costs and expense shall include not only the cost of completing the Work, but also losses, damages, costs and expense, including attorneys' fees and expenses, incurred by Developer in connection with the reprocurement and defense of claims arising from Design-Builder's default, subject to the waiver of consequential damages set forth in Section 10.5 hereof.
- **11.2.4** If Developer improperly terminates the Agreement for cause, the termination for cause will be converted to a termination for convenience in accordance with the provisions of Article 8 of the Agreement.

11.3 Design-Builder's Right to Stop Work.

- **11.3.1** Design-Builder may, in addition to any other rights afforded under the Contract Documents or at law, stop the Work for the following reasons:
 - **11.3.1.1** Developer's failure to provide financial assurances as required under Section 3.3 hereof; or
 - **11.3.1.2** Developer's failure to pay substantial amounts properly due under Design-Builder's Application for Payment.
- **11.3.2** Should any of the events set forth in Section 11.3.1 above occur, Design-Builder has the right to provide Developer with written notice that Design-Builder will stop the Work unless said event is cured within seven (7) days from Developer's receipt of Design-Builder's notice. If Developer does not cure the problem within such seven (7) day period, Design-Builder may stop the Work. In such case, subject to City's prior written approval, Design-Builder shall be entitled to make a claim for adjustment to the Contract Price and Contract Time(s) to the extent it has been adversely impacted by such stoppage.

11.4 Design-Builder's Right to Terminate for Cause.

- **11.4.1** Design-Builder, in addition to any other rights and remedies provided in the Contract Documents or by law, may terminate the Agreement for cause for the following reasons:
 - 11.4.1.1 The Work has been stopped for sixty (60) consecutive days, or more than

- ninety (90) days during the duration of the Project, because of court order, any government authority having jurisdiction over the Work, or orders by Developer under Section 11.1.1 hereof, provided that such stoppages are not due to the acts or omissions of Design-Builder or anyone for whose acts Design-Builder may be responsible.
- **11.4.1.2** Developer's failure to provide Design-Builder with any information, permits or approvals that are Developer's responsibility under the Contract Documents which result in the Work being stopped for sixty (60) consecutive days, or more than ninety (90) days during the duration of the Project, even though Developer has not ordered Design-Builder in writing to stop and suspend the Work pursuant to Section 11.1.1 hereof.
- **11.4.1.3** Developer's failure to cure the problems set forth in Section 11.3.1 above after Design-Builder has stopped the Work.
- **11.4.2** Upon the occurrence of an event set forth in Section 11.4.1 above, Design-Builder may provide written notice to Developer that it intends to terminate the Agreement unless the problem cited is cured, or commenced to be cured, within seven (7) days of Developer's receipt of such notice. If Developer fails to cure, or reasonably commence to cure, such problem, then Design-Builder may give a second written notice to Developer of its intent to terminate within an additional seven (7) day period. If Developer, within such second seven (7) day period, fails to cure, or reasonably commence to cure, such problem, then Design-Builder may declare the Agreement terminated for default by providing written notice to Developer of such declaration. In such case, Design-Builder shall be entitled to recover in the same manner as if Developer had terminated the Agreement for its convenience under Article 8 of the Agreement.

11.5 Bankruptcy of Developer or Design-Builder.

- **11.5.1** If either Developer or Design-Builder institutes or has instituted against it a case under the United States Bankruptcy Code (such party being referred to as the "Bankrupt Party"), such event may impair or frustrate the Bankrupt Party's ability to perform its obligations under the Contract Documents. Accordingly, should such event occur:
 - **11.5.1.1** The Bankrupt Party, its trustee or other successor, shall furnish, upon request of the non-Bankrupt Party, adequate assurance of the ability of the Bankrupt Party to perform all future material obligations under the Contract Documents, which assurances shall be provided within ten (10) days after receiving notice of the request; and
 - **11.5.1.2** The Bankrupt Party shall file an appropriate action within the bankruptcy court to seek assumption or rejection of the Agreement within sixty (60) days of the institution of the bankruptcy filing and shall diligently prosecute such action.

If the Bankrupt Party fails to comply with its foregoing obligations, the non-Bankrupt Party shall be entitled to request the bankruptcy court to reject the Agreement, declare the Agreement terminated and pursue any other recourse available to the non-Bankrupt Party under this Article 11.

11.5.2 The rights and remedies under Section 11.5.1 above shall not be deemed to limit the ability of the non-Bankrupt Party to seek any other rights and remedies provided by the Contract Documents or by law, including its ability to seek relief from any automatic stays under the United States Bankruptcy Code or the right of Design-Builder to stop Work under any applicable provision of these General Conditions of Contract.

Article 12

Electronic Data

12.1 Electronic Data.

© 2010 Design-Build Institute of America

12.1.1 The parties recognize that Contract Documents, including drawings, specifications and three-dimensional modeling (such as Building Information Models) and other Work Product may be transmitted among Developer, Design-Builder and others in electronic media in addition to paper hard copies (collectively "Electronic Data").

12.2 Transmission of Electronic Data.

- **12.2.1** Developer, Design-Builder, and City shall agree upon the software and the format for the transmission of Electronic Data. Each party shall be responsible for securing the legal rights to access the agreed-upon format, including, if necessary, obtaining appropriately licensed copies of the applicable software or electronic program to display, interpret and/or generate the Electronic Data.
- **12.2.2** Neither party makes any representations or warranties to the other with respect to the functionality of the software or computer program associated with the electronic transmission of Work Product. Unless specifically set forth in the Agreement, Ownership of the Electronic Data does not include Ownership of the software or computer program with which it is associated, transmitted, generated or interpreted.
- **12.2.3** By transmitting Work Product in electronic form, the transmitting party does not transfer or assign its rights in the Work Product. The rights in the Electronic Data shall be as set forth in Article 4 of the Agreement. Under no circumstances shall the transfer of Ownership of Electronic Data be deemed to be a sale by the transmitting party of tangible goods.

12.3 Electronic Data Protocol.

- **12.3.1** The parties acknowledge that Electronic Data may be altered or corrupted, intentionally or otherwise, due to occurrences beyond their reasonable control or knowledge, including but not limited to compatibility issues with user software, manipulation by the recipient, errors in transcription or transmission, machine error, environmental factors, and operator error. Consequently, the parties understand that there is some level of increased risk in the use of Electronic Data for the communication of design and construction information and, in consideration of this, agree, and shall require their independent contractors, Subcontractors and Design Consultants to agree, to the following protocols, terms and conditions set forth in this Section 12.3.
- **12.3.2** Electronic Data will be transmitted in the format agreed upon in Section 12.2.1 above, including file conventions and document properties, unless prior arrangements are made in advance in writing.
- **12.3.3** The Electronic Data represents the information at a particular point in time and is subject to change. Therefore, the parties shall agree upon protocols for notification by the author to the recipient of any changes which may thereafter be made to the Electronic Data, which protocol shall also address the duty, if any, to update such information, data or other information contained in the electronic media if such information changes prior to Final Completion of the Project.
- **12.3.4** The transmitting party specifically disclaims all warranties, expressed or implied, including, but not limited to, implied warranties of merchantability and fitness for a particular purpose, with respect to the media transmitting the Electronic Data. However, transmission of the Electronic Data via electronic means shall not invalidate or negate any duties pursuant to the applicable standard of care with respect to the creation of the Electronic Data, unless such data is materially changed or altered after it is transmitted to the receiving party, and the transmitting party did not participate in such change or alteration.

Article 13

Miscellaneous

13.1 Intentionally Deleted.

13.2 Assignment.

13.2.1 Neither Design-Builder nor Developer shall, without the written consent of the other and the City assign, transfer or sublet any portion or part of the Work or the obligations required by the Contract Documents.

13.3 Successorship.

13.3.1 Design-Builder and Developer intend that the provisions of the Contract Documents are binding upon the parties, their employees, agents, heirs, successors and assigns.

13.4 Governing Law.

13.4.1 The Agreement and all Contract Documents shall be governed by the laws of the place of the Project, without giving effect to its conflict of law principles.

13.5 Severability.

13.5.1 If any provision or any part of a provision of the Contract Documents shall be finally determined to be superseded, invalid, illegal, or otherwise unenforceable pursuant to any applicable Legal Requirements, such determination shall not impair or otherwise affect the validity, legality, or enforceability of the remaining provision or parts of the provision of the Contract Documents, which shall remain in full force and effect as if the unenforceable provision or part were deleted.

13.6 No Waiver.

13.6.1 The failure of either Design-Builder or Developer to insist, in any one or more instances, on the performance of any of the obligations required by the other under the Contract Documents shall not be construed as a waiver or relinquishment of such obligation or right with respect to future performance.

13.7 Headings.

13.7.1 The headings used in these General Conditions of Contract, or any other Contract Document, are for ease of reference only and shall not in any way be construed to limit or alter the meaning of any provision.

13.8 Notice.

13.8.1 Whenever the Contract Documents require that notice be provided to the other party, notice will be deemed to have been validly given (i) if delivered in person to the individual intended to receive such notice, (ii) four (4) days after being sent by registered or certified mail, postage prepaid to the address indicated in the Agreement, or (iii) if transmitted by facsimile, by the time stated in a machine generated confirmation that notice was received at the facsimile number of the intended recipient.

13.9 Amendments.

13.9.1 The Contract Documents may not be changed, altered, or amended in any way except in

writing signed by a duly authorized representative of each party.

13.10 Payee of Surety Bond Proceeds

13.10 Developer, as obligee on both the performance bond and labor and material payment bond required under Sections 10.2 and 11.2 of the Agreement, hereby designates the City's Bond Trustee as proceeds payee on its behalf, provided that any such funds shall thereby be deemed received on behalf of Developer and Austin CONRAC, LLC, as a credit against any obligation or liability of Developer to Austin CONRAC, LLC and/or the City and of Austin CONRAC, LLC to the City under any of this Agreement, the Development Agreement or the Master Lease and—subject to termination of the Master Lease or Development Agreement—dedicated to costs of and available to Austin CONRAC and Developer for, completion of the Project.

EXHIBIT E

DESCRIPTION OF ROUTINE MAINTENANCE

"Routine Maintenance" shall mean the following: (a) the regular maintenance and repair of the structural components of the CONRAC, including the roof (both structure and any covering/membrane), exterior walls, foundation and building structure, required to keep and maintain such structural components in good order, condition and repair; (b) the regular maintenance and repair of the Common Use Areas including water, snow and ice removal and the pressure washing, resurfacing and repair of roadways, ramps, flyovers, walkways, stairs, and sidewalks included therein and the maintenance and repair of escalators, elevators and moving sidewalks, if any, required to keep and maintain the Common Use Areas in good order, condition and repair; (c) the maintenance and repair of the Reserved Area; (d) the repair and maintenance of the QTA Equipment and the Fuel Facilities; (e) the repair and maintenance of, but not janitorial services for, the Parking Management Office and the Commercial Parking Facility, including the elevators and stairwells dedicated to the Commercial Parking Facility, during the Warranty Period; (f) regular maintenance and replacement of landscaping included in Master Lessee's site plan and installed on or about the CONRAC; and (g) janitorial services, except as noted, in the areas maintained; provided, however, Routine Maintenance shall not include any repairs, replacements or other actions that constitute Major Maintenance. Items of Routine Maintenance include, but are not limited to, the following:

- Utilities
- Sweeping
- Power washing
- Trash pick-up
- Painting
- Light bulb replacements
- Service and repair of fire-alarm system
- Service and repair of security system
- Service maintenance agreements for CONRAC Capital Improvements (excluding Tenant Improvements)
- Insurance premium increases (if any)

EXHIBIT F

DESCRIPTION OF MAJOR MAINTENANCE

Major Maintenance shall mean any repair, replacement or removal of improvements in, of, or to the CONRAC Site or any aspect of the Joint Use Facility during the one (1) year Warranty Period, or in, of or to the CONRAC or any structural aspect of the Joint Use Facility that in either period (a) preserves, extends or restores the useful life of, and is beyond the regular, normal annual or more frequent upkeep of physical property (i.e. land, building, or equipment), or (b) removes improvements at the expiration or termination of the Master Lease, or otherwise at the direction of City. Major Maintenance includes the repair or replacement of failed or failing building components as necessary to return a facility to its currently intended use, to prevent further damage, or to make it compliant with changes in laws, regulations, codes, or standards. Routine Maintenance shall not be considered Major Maintenance. Items of Major Maintenance include, but are not limited to, the following items:

- Removal of above and underground fuel storage tanks if removal is required by City
- Repair or replacement of components such as: roof, boilers, windows, generators, utility distribution systems
- Repair or replacement (except to the extent required due to abuse or neglect by a RAC) of pumps or motors provided as part of the original outfitting of the CONRAC and not as a Tenant Improvement
- Additions or changes to safety systems such as: fire alarms, fire sprinklers, fire exits, or security systems
- Necessary changes to facilities to meet local, state, and federal requirements, codes, and standards
- Repairs or replacement of components that are creating a threat to life, health, and safety of people
- Emergency repairs resulting from storm, flood or fire, and in particular, damage requiring immediate attention to prevent further damage or to restore the use of a facility

CONSOLIDATED RENTAL CAR FACILITY

SUBLEASE AGREEMENT

THIS CONSOLIDATED RENTAL CAR FACILI	ITY SUBLEASE AGI	REEMENT (the
"Sublease Agreement") is made as of the day	of	(the "Effective
Date"), by and among AUSTIN CONRAC, LLC, a 7	Γexas limited liability	company (the
"Master Lessee") and	(the "Sublessee").	Master Lessee
and Sublessee may be referred to herein individually a	as a "Party" and coll	ectively as the
"Parties."		

For and in consideration of the mutual promises, covenants and conditions hereinafter set forth, the parties agree as follows:

ARTICLE 1 DEFINITIONS AND PURPOSE OF SUBLEASE AGREEMENT

- 1.1 <u>Definitions</u>. Capitalized terms utilized in this Sublease Agreement and its exhibits shall have the respective meanings set forth in <u>Attachment 1</u> hereto, except that a term otherwise defined in this Sublease Agreement will apply to the term as used in this Sublease Agreement.
- 1.2 <u>Interpretations</u>. All terms defined in this Sublease Agreement and all pronouns used in this Sublease Agreement shall, unless the context clearly requires otherwise, be deemed to apply equally to the singular and plural forms and to all genders. The term "or" is specifically used in its logical sense and, as such, is satisfied whenever one or more of its operands are true. Except as otherwise expressly provided or unless the context otherwise requires, (a) all accounting terms not otherwise defined herein have the meanings assigned to them in accordance with generally accepted accounting principles as at the time applicable; (b) the words "herein," "hereof" and "hereunder" and other words of similar import refer to this Sublease Agreement as a whole and not to any particular article, section or other subdivision; and (c) the word "including" shall mean "including without limitation". The table of contents, titles and headings of the articles and sections of this Sublease Agreement have been inserted for convenience of reference only and are not to be considered a part hereof and shall not in any way modify or restrict any of the terms or provisions hereof. This Sublease Agreement and all the terms and provisions hereof shall be liberally construed to effectuate the purposes set forth herein.
- 1.3 <u>RACs</u>. Sublessee is one of the RACs, each of which is party with City to a Concession Agreement that requires it to operate a Rental Car Concession in and from the CONRAC. To the extent that this Sublease Agreement describes duties or obligations of the RACs or imposes any such duties or obligations upon each of the RACs, Sublessee acknowledges and agrees that Sublessee shall be liable and responsible for performing such duties and obligations, but only to the extent of its Pro Rata Share.
- 1.4 <u>Master Lessee</u>. Master Lessee as of the Effective Date was formed at the request of certain RACs prior to development of the CONRAC and has made itself subject to the direction of a board of managers ("Board of Managers") composed of a representative of each

RAC that is party to a certain Participation Agreement dated as of January 10, 2008 "Participation Agreement." Decisions of the Board of Managers, including approval of rules and standards of occupancy and operation with which Sublessee and all other RACs shall be obligated to comply, are made according to vote of a "Majority in Interest of the Managers" (or "MII"), defined to mean the affirmative vote of managers representing at least sixty percent (60%) of the total Market Share among the RACs represented on the Board of Managers and at least two-thirds (2/3) of the RACs represented on the Board of Managers (provided that representatives of only RACs party to and in good standing under the Participation Agreement are entitled to a vote and only such RACs are counted in calculating total Market Share or number of RACs represented on the Board of Managers), except to the extent the Board of Managers (by the approval of a Majority in Interest) delegates authority to a committee of Managers. Upon the Effective Date of this Sublease Agreement, Sublessee shall

- 1.4.1 be entitled to (i) become a party to the Participation Agreement, if not already such a party, and (ii) designate a representative to serve on the Board of Managers entitled to vote in any vote of the Board of Managers; and
- 1.4.2 be subject to and bound by all duly made decisions of the Board of Managers neither made in nor resulting in a violation of law, whether or not Sublessee is party to the Participation Agreement, represented on the Board of Managers or had a representative participate in the vote; provided however,
- 1.4.3 this <u>Section 1.4</u> shall have no force or effect in the event that City exercises its option(s) as set forth in <u>Sections 22.4 and 27.3</u> unless City otherwise agrees in writing.
- 1.5 <u>Master Lease</u>. Pursuant to the terms of the Master Lease, Master Lessee has agreed to: (a) develop and construct the Joint Use Facility which includes the CONRAC as described/depicted on <u>Exhibit A</u> hereto; (b) lease the CONRAC from City; (c) engage the Facility Manager through the Facility Management Agreement to manage all operations of and activities in the CONRAC; and (d) enter into Sublease Agreements for space in the CONRAC with each RAC that is a party to a Concession Agreement that is in Good Standing with City.
- 1.6 <u>Sublessee</u>. Sublessee is a party is to a Concession Agreement that is in Good Standing with City and desires to sublease from Master Lessee the Subleased Premises hereinafter described on the terms and conditions set forth in this Sublease Agreement.
- 1.7 <u>City</u>. City is the owner of the CONRAC Site, the CONRAC and all other improvements on the CONRAC Site (except as provided in the Master Lease), a party to the Master Lease and the Concession Agreement and is a third-party beneficiary of this Sublease Agreement as further provided in <u>Article 27.5</u>.
- 1.8 Overview of CONRAC Program. As more particularly described herein and in **Exhibit E** hereto, each RAC party to a Sublease Agreement shall have rights to Allocated Space in the CONRAC generally determined according to Market Share. Upon establishment of its Allocated Space pursuant to **Exhibit E**, each RAC shall be obligated to pay its Pro Rata Share (based on its percentage of total subleased space of all RACs) of both Rent under the Master

Lease and O&M Costs (for operation and maintenance of the CONRAC generally). In addition Sublessee shall be obligated to pay Sublessee Direct Costs (as defined in Sections 13.3.1(a) and 13.3.1(b)). The Master Lessee is required under the Master Lease to retain a Facility Manager to carry out or contract for operation and maintenance of the CONRAC. Master Lessee reserves the right to delegate any or all of its functions, rights and responsibilities hereunder to the Facility Manager. To any extent that Master Lessee so provides in the Facility Management Agreement copied to Sublessee, or otherwise informs Sublessee in writing after prior notice to and written consent of City, references to Master Lessee herein with respect to any function, right or responsibility of Master Lessee so delegated shall be deemed to refer to the Facility Manager. The overview provided in this Section 1.8 is for general interpretive guidance only. Any conflict between this Section and any other provision hereof or the Master Lease, including any exhibit hereto or thereto, shall be resolved in favor of the other provision.

- RAC's obligation to pay its Pro Rata Share of Rent and O&M Costs and its Sublessee Direct Costs, this Sublease Agreement requires each RAC, prior to occupancy of or activity in the CONRAC to pay to Master Lessee, and maintain credited to Sublessee's account with Master Lessee at all times thereafter (a) an amount equal to twenty-five percent (25%) of Sublessee's Pro Rata Share of O&M Costs for each then-current Sublease Agreement Year (the O&M Reserve Requirement under Section 5.1.6), (b) an amount equal to fifty percent (50%) of Sublessee's Pro Rata Share of Base Rent for each then-current Sublease Agreement Year (one half being the Rent Reserve Requirement under Section 5.1.2, and the other being Security under Section 8.1) and (c) a fuel deposit in an amount to be established under the Facility Management Agreement.
- 1.10 Intent Regarding Contractual Joint and Several Liability. It is the intent and understanding of Master Lessee and the Sublessee that Sublessee does not contract under this Sublease Agreement to bear joint and several liability with other RACs or New Entrants that may also execute a Sublease Agreement with Master Lessee, except to any extent created as a matter of law rather than as a matter of contract. Nothing contained in this Section shall be construed or deemed as a waiver by City of its rights to pursue any remedy available to it at law or in equity for claims against any RAC or RACs either jointly or severally.

ARTICLE 2 CONSTRUCTION

- 2.1 <u>CONRAC</u>. Master Lessee shall construct or cause the construction of the CONRAC in accordance with the terms of the Master Lease and the Development Agreement and Construction Contract attached thereto.
- 2.2 <u>Tenant Improvements</u>. Except to the extent included in the construction of the CONRAC by Master Lessee pursuant to the terms of the Master Lease, Sublessee, at its sole expense (except to the extent that costs incurred are eligible for reimbursement under Section 4.2.6.2.3 and 4.2.6.2.4(g) of the Concession Agreement), shall be responsible for designing, furnishing, constructing and installing all improvements and fixtures within Sublessee's Exclusive Use Premises that Sublessee deems necessary or desirable in connection with Sublessee's operation of a Rental Car Concession in and from the CONRAC (the "Initial").

Tenant Improvements"). Sublessee shall comply with the design and construction procedures described in Exhibit B hereto, and shall design, construct and install the Initial Tenant Improvements (i) in a professional and workmanlike manner using new, quality materials and qualified personnel adhering to the highest standards of quality; (ii) in accordance with the plans, specifications and schedule approved by Master Lessee and City; (iii) in compliance with all Legal Requirements and City Codes and Standards, (iv) free and clear of all liens, encumbrances and security interests; (v) free and clear of all trash and debris; and (vi) in a manner that will not unreasonably interfere with or disturb daily operations at the Airport or City or its tenants, customers, guests or invitees. Upon Substantial Completion of the CONRAC base building, Master Lessee shall by written notice to Sublessee, give Sublessee access to Sublessee's Exclusive Use Premises to construct and install the Initial Tenant Improvements and the RAC Property, that access date being the Substantial Occupancy Date, and continuing for the one hundred twenty (120) day period thereafter through the Date of Beneficial Occupancy (the "Initial Tenant Improvements Construction Period.") Sublessee shall have no right of use or occupancy of the Subleased Premises prior to the Substantial Occupancy Date, but may be given earlier access to begin Initial Tenant Improvements, subject to all terms of the Master Lease and this Sublease Agreement, at the sole discretion of the Master Lessee.

- 2.3 <u>Permits</u>. Master Lessee shall obtain all necessary permits associated with construction of the CONRAC, including a certificate of occupancy prior to the Date of Beneficial Occupancy provided, however, Master Lessee shall not be responsible for permits associated with the Initial Tenant Improvements or Sublessee's operations within the CONRAC. Before Sublessee may undertake any construction or installation of the Initial Tenant Improvements, Sublessee shall obtain all required permits and otherwise comply with the requirements of the City Codes and Standards.
- 2.4 <u>Consultations</u>. Sublessee shall from time to time consult with Master Lessee, the Developer and the Design Builder during the design and construction of the CONRAC to obtain required field measurements and to identify the source of temporary power (if any) required for temporary facilities and/or construction build-out of the Initial Tenant Improvements. Master Lessee shall have no obligation to design, construct, or install any improvements or fixtures within Sublessee's Exclusive Use Premises that are not included within the Construction Contract for the construction of the CONRAC as set forth in Master Lease. Sublessee, along with Sublessee's third-party design professionals and others as necessary, shall attend construction progress meetings to coordinate construction activities with City, Master Lessee, the Developer, and the Design Builder and shall attend such periodic meetings with City representatives as required by City and Master Lessee for the purpose of the review of drawings, plans, finishes and specifications pursuant to City Codes and Standards.
- 2.5 <u>Master Lessee and City Review</u>. Sublessee agrees that nothing in Master Lessee's or City's review or approval of Sublessee's plans and specifications, either for Initial Tenant Improvements or Alterations under <u>Article 11</u>, shall create responsibility or liability on the part of Master Lessee or City for their completeness, design sufficiency or compliance with Legal Requirements or City Codes and Standards, all of which shall be Sublessee's sole responsibility. In addition, such review or approval shall not constitute a waiver by Master Lessee or City of the right thereafter to require Sublessee to correct any failure by Sublessee to comply with any Legal Requirements or City Codes and Standards.

2.6 Deadlines.

- 2.6.1 Tenant Improvement Substantial Completion. Sublessee shall cause all of Sublessee's Initial Tenant Improvements to be substantially completed no later than the Date of Beneficial Occupancy, with all required permit sign-offs and regulatory inspections, equipment, signage and systems installed and functional and all interior and exterior wall, ceiling and floor finish materials installed. Sublessee shall notify Master Lessee and City when substantial completion of the Initial Tenant Improvements has been achieved, and Sublessee, Master Lessee, and City shall schedule and perform a joint punch-list inspection. Sublessee's third-party design professionals shall provide Master Lessee and City with a certified letter of acceptance indicating that the Initial Tenant Improvements were constructed in accordance with the construction plans and specifications submitted to and approved by Master Lessee and City as may be modified by written change orders submitted to and approved by Master Lessee and City, and that installation of all components is in accordance with all Legal Requirements and the City Codes and Standards.
- 2.6.2 <u>Final Completion</u>. Notwithstanding that Sublessee has substantially completed the Initial Tenant Improvements by the Date of Beneficial Occupancy, Sublessee shall diligently pursue all of its Initial Tenant Improvements to final completion (inclusive of all punch-list items identified during the joint punch-list inspection and certified letter of acceptance described in <u>Section 2.6.1</u> hereof), and shall completely finish the Initial Tenant Improvements no later than thirty (30) days after the Date of Beneficial Occupancy.
- 2.6.3 Opening Date. Sublessee acknowledges and agrees that Master Lessee and City will require all RACs including Sublessee to commence rental car operations from the CONRAC on the Opening Date regardless of whether Sublessee has completed its Initial Tenant Improvements, including all punch-list items. Therefore, Sublessee shall have installed all furniture, trade fixtures and office equipment, shall have completed all systems/process testing, and otherwise shall be fully and completely ready to commence operations from the CONRAC not later than the Opening Date, and shall commence rental car operations from the CONRAC on the Opening Date regardless of whether Sublessee has completed its Initial Tenant Improvements. Sublessee specifically acknowledges and agrees that the one hundred twenty (120) day Initial Tenant Improvements Construction Period, plus a thirty (30) day burn-in period thereafter, provides adequate time for the design, installation, construction and testing of Sublessee's Initial Tenant Improvements (including installation of any temporary facilities required), and training required for Sublessee to commence rental car operations from the CONRAC on the Opening Date. Sublessee shall pay to Master Lessee two hundred dollars (\$200.00) per day as liquidated damages for failure to timely complete its Initial Tenant Improvements by the Opening Date.
- 2.6.4 <u>Deadline Adjustment</u>. Notwithstanding anything above, Master Lessee, with prior written consent of City, may adjust any deadline stated above by written notice to Sublessee, provided that Master Lessee will not shorten the total Initial Tenant Improvements Construction Period.
- 2.6.5 <u>Vacate Terminal and Kiosks</u>. Sublessee, at its sole cost and expense, shall vacate Sublessee's leased premises and kiosks in the Airport Terminal and on the third

floor of the existing parking garage covered by its Prior Concession Agreement in broom clean and good condition and repair, obsolescence and ordinary wear and tear excepted, and remove all of its personal property therefrom. Sublessee shall complete such vacation of its leased premises in the Airport Terminal not later than ten (10) days after the Opening Date unless vacated earlier in accordance with the terms of the Prior Concession Agreement, and shall complete such vacation of its leased premises on the third floor of the existing parking garage not later than fourteen (14) days after the Opening Date.

- 2.7 <u>As-Built Documents</u>. Sublessee shall deliver to Master Lessee and City, not later than thirty (30) days after the Opening Date, complete "as built" drawings of the Initial Tenant Improvements (in hard copies and electronic format specified by City) in full conformance with Master Lessee's and City's requirements. For any equipment installed, Sublessee shall deliver to Master Lessee and City two copies of the complete operations and maintenance manuals therefor. The "as built" drawings required under this <u>Section 2.7</u> shall include details of all construction disciplines, including electrical (including switch gear and source of permanent power), plumbing, mechanical, architectural and information technology structures, lines and facilities.
- 2.8 <u>Changes to the CONRAC</u>. Master Lessee may, with notice to Sublessee and opportunity to comment, but without any requirement for the consent or approval of Sublessee, make any minor changes to the CONRAC that will not materially adversely affect the nature or operation of the CONRAC or Sublessee's operations within the CONRAC and that Master Lessee or City consider necessary or advisable.
- 2.9 Additional Facilities. Master Lessee may elect to construct and install additional facilities or improvements to the CONRAC as follows: Master Lessee may, with notice to Sublessee and opportunity to comment, but without any requirement for the consent or approval of Sublessee, construct and install additional facilities for any of the following reasons: (a) the additional facility is required by a Governmental Authority or by City pursuant to the Master Lease; (b) the additional facility is of an emergency nature, which, if not made, would substantially impair the current safe operation of the CONRAC or the CONRAC Site; (c) the additional facility is to repair or replace the CONRAC or the CONRAC Site as a result of damage or destruction by fire or other casualty; (d) the additional facility is necessary to upgrade security, safety or to make repairs, replacements or improvements to roads, walkways or equipment providing safe access to and from the CONRAC or the CONRAC Site (e) upon City prior approval the additional facility is necessary to accommodate one or more New Entrants so as to prevent unnecessary disruption or relocation of one or more of the existing RACs; and (f) the additional facility is made to settle claims or lawsuits, satisfy judgments or comply with judicial or administrative orders against Master Lessee arising from or relating to its design, construction, ownership, maintenance or use of the CONRAC or the CONRAC Site. In the event any such additional facilities become necessary, Master Lessee shall promptly provide to Sublessee notice of the need thereof, and Sublessee shall have an opportunity to provide comment concerning the proposed additional facilities, but no Sublessee objection shall operate to limit or delay the construction or installation of such additional facilities.
- 2.10 <u>Tenant Improvement Reimbursements</u>. Under the terms of the Master Lease and Concession Agreement, City has agreed to reimburse certain costs of Initial Tenant

Improvements paid by Sublessee and each other RAC during the course of construction in an aggregate total amount not to exceed six million dollars (\$6,000,000) to be allocated among and paid proportionately to each RAC, subject to an allocation to Master Lessee of one hundred twenty thousand dollars (\$120,000) for Initial Tenant Improvements in the New Entrant Areas. Sublessee shall receive reimbursement paid by Master Lessee only to the extent and at such time as Master Lessee receives funds for such purpose from City as follows:

- 2.10.1 To request reimbursement, Sublessee shall provide documentation satisfactory to City that the claimed costs were actually incurred, that the work consisted of Initial Tenant Improvements in the CONRAC and was completed and paid for, and that reimbursement is requested according to City requirements. Sublessee's claim for reimbursement shall include a copy of a paid invoice, billing or cancelled check for each cost claimed, attached to a certified statement that all amounts claimed were paid to third-party design professionals, vendors or contractors. No amount will be paid to Sublessee for its own inhouse costs and expenses. The total claim by and reimbursement to Sublessee shall not exceed the lesser of (1) the qualifying costs of Initial Tenant Improvements made and properly documented in a timely claim by Sublessee and (2) Sublessee's Market Share multiplied times five million, eight hundred eighty thousand dollars (\$5,880,000).
- 2.10.2 Sublessee shall submit its fully documented claim for reimbursement no later than one hundred fifty (150) days after the Opening Date. Any request made more than one hundred fifty (150) days after the Opening Date will not be considered or paid.
- 2.10.3 Master Lessee shall compile Sublessee's claim for reimbursement with the requests from all other RACs and forward the compiled requests to City for approval and forwarding to the Trustee for disbursement pursuant to the Indenture. Upon receipt of funds from the Trustee to reimburse approved claims, Master Lessee shall promptly disburse the same, pro rata among the approved claim amounts.
- 2.10.4 Although CFCs are projected to generate sufficient funds to pay Initial Tenant Improvement reimbursements within three (3) years after the Opening Date, timely submitted and approved claims will be paid as and whenever Master Lessee receives the funds requisitioned by City pursuant to the Concession Agreement from the Trustee pursuant to the Indenture. Any funds not timely claimed shall be retained in the CFC Surplus Fund in accordance with the terms of the Indenture and Concession Agreement.
- 2.10.5 Reimbursement to Sublessee shall under no circumstance exceed Sublessee's Market Share multiplied times five million, eight hundred eighty thousand dollars (\$5,880,000), regardless of the total costs or expenses paid or owed by Sublessee for Initial Tenant Improvements or any unclaimed balance of funds otherwise available for such claims. Subsequent Tenant Improvements shall not be eligible for reimbursement under this Section.

ARTICLE 3 LEASE OF SUBLEASED PREMISES

3.1 <u>Lease of Subleased Premises</u>. Subject to all of the terms, covenants and conditions contained in this Sublease Agreement and the Master Lease, the management and

requirements of the Facility Manager, the Legal Requirements and the City Codes and Standards, Master Lessee hereby grants to Sublessee, and Sublessee hereby accepts from Master Lessee, the following rights and privileges with respect to occupancy, use and operation in the CONRAC for the Sublease Term, which rights and privileges are collectively hereafter referred to as the "Subleased Premises":

- 3.1.1 <u>Exclusive Use Premises</u>. Master Lessee hereby subleases to Sublessee the Exclusive Use Premises identified in <u>Exhibit C-1</u> hereto for the exclusive use of Sublessee except to any extent designated on <u>Exhibit C-1</u> as shared with another specified RAC; provided, however, the Exclusive Use Premises shall be subject to modification as a result of a reallocation of space within the CONRAC among the RACs as set forth in Article 10 hereof.
- 3.1.2 <u>Common Use Operational Areas</u>. Master Lessee hereby subleases to Sublessee an undivided, non-exclusive right to use and occupy the following, in common with the other RACs, for non-public operational uses: Shuttler Ramps, the QTA service elevator and restrooms, Customer Service Building hallways and restrooms and other such portions of the QTA Facility that are neither exclusively allocated nor Reserved Area, and Vendor Parking Area (collectively, the "Common Use Operational Areas") as depicted or described in <u>Exhibit C-2</u>. Sublessee and its employees and other authorized individuals (but not the public), shall be entitled to use the Common Use Operational Areas in common with the other RACs and in a manner so as not to impair the equivalent use and enjoyment by the other RACs or the maintenance and repair activities of the Master Lessee or the Facility Manager.
- 3.1.3 <u>Common Use Areas.</u> Master Lessee also hereby grants to Sublessee the non-exclusive right and privilege, for the benefit of Sublessee and its employees, patrons, invitees, suppliers and other authorized individuals, to use the Common Use Areas (other than the Common Use Operational Areas) in common with other RACs and occupants of the CONRAC during the Sublease Term, together with the non-exclusive right and privilege to use the elevated ramps, roadways and flyovers appurtenant to the CONRAC and easements, roadways and walkways as described in <u>Exhibit A-2</u> of the Master Lease for ingress to and egress from the Subleased Premises.
- 3.2 Reserved Area. Master Lessee specifically reserves to itself the Reserved Area identified in **Exhibit D** hereto. Master Lessee may utilize the Reserved Area, or permit the Reserved Area to be utilized, exclusively for the use of Master Lessee or the Facility Manager or any of their respective employees, agents or contractors, engaged in the management and operation of the CONRAC. Master Lessee further reserves to itself the right to increase or decrease the Reserved Area (and correspondingly, the Common Use Area and the Common Use Operational Areas) after thirty (30) days prior notice to Sublessee so long as doing so does not materially and adversely affect Sublessee's operation of its Rental Car Concession.
- 3.3 <u>Reserved Rights of City</u>. Sublessee acknowledges that this Sublease Agreement and the Subleased Premises are fully subject to Sections 3.3 and 4.4 of the Master Lease, whereby the City has reserved premises and certain rights relating to the CONRAC, along with all other terms, conditions and provisions of the Master Lease.

- 3.4 <u>Acceptance of the Subleased Premises</u>. Sublessee's acceptance and occupancy of the Subleased Premises on the Substantial Occupancy Date for purposes of completing the Initial Tenant Improvements shall mean that Sublessee has accepted the Subleased Premises in their then-present condition "as is, where is and with all faults."
- 3.5 <u>Sublease Agreement Subject To</u>. Sublessee acknowledges that the rights granted under this Sublease Agreement shall at all times be subject to (a) Master Lessee's reserved rights described in <u>Section 3.2</u> hereof or as otherwise described in this Sublease Agreement; (b) City's reserved rights described in <u>Section 3.3</u> hereof or as otherwise described in this Sublease Agreement or in the Master Lease; and (c) the Master Lease as further provided in <u>Article 27</u> hereof.

ARTICLE 4 TERM

4.1 Term.

- 4.1.1 <u>Sublease Term.</u> This Sublease Agreement shall be effective and binding between the parties as of the Effective Date conditioned upon Sublessee then being party in Good Standing to a Concession Agreement in effect with City. The Sublease Term shall commence on the Opening Date and unless earlier terminated or extended pursuant to the provisions of this Sublease Agreement, shall extend until the last day of the eleventh (11th) Sublease Agreement Year.
- 4.1.2 <u>Renewals</u>. Subject to any termination right of Master Lessee or City as described in <u>Section 4.1.5 and Article 22</u>, and so long as the Sublessee is in Good Standing under this Sublease Agreement and the Sublessee's Concession Agreement, if the City agrees in its sole discretion to extend the Concession Term pursuant to Section 3.2 of the Concession Agreement or to enter into a successor agreement with Sublessee authorizing Sublessee to operate its Rental Car Concession at the Airport, the Sublease Term shall automatically be extended for the same period of time; provided however, the Sublease Term shall not extend beyond the Lease Term in any event.
- 4.1.3 <u>Termination Upon Expiration or Termination of Concession Agreement.</u> At expiration of Sublessee's Concession Agreement without renewal or continuation by consent of City or replacement by a successor agreement with the City authorizing Sublessee to operate its Rental Car Concession at the Airport, and upon any other termination of the Concession Agreement, this Sublease Agreement shall, without regard to any default or lack of default hereunder, on written direction of City to Master Lessee terminate on ten (10) days written notice to Sublessee.
- 4.1.4 <u>City's Approval Rights</u>. The Sublease Term may not be terminated early or extended without the prior written consent of City.
- 4.1.5 <u>Termination of Master Lease</u>. Sublessee acknowledges that City has the right to terminate the Master Lease pursuant to various provisions thereof including without limitation, the absolute right and option to terminate the Master Lease at any time after two

hundred forty (240) months after the Opening Date as further provided in Section 4.5 of the Master Lease. In the event of the termination of the Master Lease pursuant to any provision thereof, this Sublease Agreement shall either (i) be terminated; (ii) become a direct lease between City and Sublessee, or (iii) become a sublease under a master lease to a Substitute Master Lessee, to the extent required or provided in Sections 21.2.5, 22.3 and/or 22.4 of the Master Lease and as further provided in Sections 22.1.2 and 27.3 below.

ARTICLE 5 RENT AND OTHER FINANCIAL OBLIGATIONS

5.1 Base Rent and O&M Costs and Deposits.

5.1.1 Base Rent. For and in consideration of the rights granted by this Sublease Agreement, Sublessee shall, commencing on the Opening Date and continuing each Sublease Agreement Year or portion thereof during the Sublease Term, pay to Master Lessee, or to the Facility Manager as Master Lessee may direct, Sublessee's Pro Rata Share of Base Rent due under the Master Lease, the amount of which is initially nine hundred thousand dollars (\$900,000) and subject to adjustment under Section 6.1.2 thereof, for the respective Lease Agreement Year. The Pro Rata Share of Base Rent due for a Sublease Agreement Year shall be paid to Master Lessee in equal monthly installments in advance on the first day of each and every month of that Sublease Agreement Year, at such place and in such manner as Master Lessee may designate, without any prior demand, and without any abatement, deduction or setoff whatsoever. If the Opening Date falls on any day other than the first day of a calendar month, the Pro Rata Share of Base Rent for the first fractional month prior to the commencement of the first Sublease Agreement Year shall be equivalent to a monthly installment to be paid for the first Sublease Agreement Year prorated on the basis of the actual number of days in such fractional month and shall be paid on or before the Opening Date. Prior to commencement of each Sublease Agreement Year, Master Lessee shall provide to Sublessee a statement specifying the Pro Rata Share of Base Rent due hereunder for such Sublease Agreement Year. Master Lessee shall reasonably endeavor to provide this notice not less than thirty (30) days prior to the commencement of each Sublease Agreement Year.

5.1.2 Rent Reserve Requirement.

Master Lessee, a Rent Reserve Requirement in an amount equal to twenty-five percent (25%) of Sublessee's Pro Rata Share of Base Rent for the period commencing on the Opening Date through the end of the first Sublease Agreement Year, and thereafter cause Sublessee's Rent Reserve Requirement to be maintained in an amount equal to twenty-five percent (25%) of Sublessee's Pro Rata Share of Base Rent for each then-current Sublease Agreement Year (in addition to a like amount as Security under Section 8.1). The aggregated Rent Reserve Requirements of all RACs shall constitute the rent portion of Master Lessee's Rent and Operation Reserve, which Master Lessee shall be entitled to use for the payment of Base Rent to any extent that the aggregate RAC Pro Rata Share payments of Base Rent for a month are at any time not sufficient to cover the amount of Base Rent to be paid for that month. Sublessee expressly acknowledges and consents to Master Lessee's aggregation and comingling of its Rent Reserve Requirement and O&M Reserve Requirement with all other RAC Rent Reserve

Requirements and O&M Reserve Requirements, which shall be tracked and accounted for with respect to Sublessee and each other RAC, but shall be not be considered property of or held in trust for Sublessee or any other RAC, but shall constitute a Master Lessee reserve account.

- 5.1.2.2 Any draw on Master Lessee's Rent and Operation Reserve due to the failure of Sublessee to pay in full its Pro Rata Share of Base Rent for any month shall be charged against the requirement with respect to Sublessee. Any such draw will not be deemed to cure the nonpayment or relieve Sublessee of any payment obligation. Exhaustion of the Rent Reserve Requirement tracked with respect to Sublessee or any other RAC shall not limit Master Lessee's access to the entire Master Lessee's Rent and Operation Reserve to draw funds to cover any and all shortages in monthly RAC payments to pay monthly Base Rent.
- days after receipt of written notice that, (i) any charge against either the Rent Reserve Requirement tracked with respect to Sublessee as described Section 5.1.2.1 or the O&M Reserve Requirement tracked with respect to Sublessee as described in Section 5.1.6.1, creates a deficit in Sublessee's required Rent Reserve Requirement or O&M Reserve Requirement for the thencurrent Sublease Agreement Year, or (ii) Master Lessee has drawn further from the Master Lessee's Rent and Operation Reserve due to Sublessee's nonpayment and exhaustion of either such requirement, pay to Master Lessee the full amount of such requirement deficit(s) together with the full amount of any further draws from Master Lessee's Rent and Operation Reserve due to Sublessee's nonpayment. Amounts paid shall be applied first to any amounts drawn from Master Lessee's Rent and Operation Reserve beyond the requirements tracked with respect to Sublessee and, upon full restoration of the same, to Sublessee's required Rent Reserve Requirement, and then to Sublessee's required O&M Reserve Requirement pursuant to Section 5.1.6.1 for the then-current Sublease Agreement Year.
- 5.1.4 RAC O&M and Rent Reserve Fund. The City has committed in the Master Lease to cause to be established a RAC O&M and Rent Reserve Fund pursuant to the Indenture. In the event that Sublessee fails to make monthly payments of Rent and/or O&M Costs in full when due and the Rent Reserve Requirement or O&M Reserve Requirement with respect to Sublessee is exhausted and not restored by Sublessee within thirty (30) days after written notice from Master Lessee, Master Lessee shall be entitled to submit a request to City for disbursement from the RAC O&M and Rent Reserve Fund in accordance with the terms of the Indenture for the full amount of deficits in the Master Lessee's Rent and Operation Reserve occasioned by Sublessee's failure to make its monthly Rent and/or O&M Costs payments in full when due. Upon any such disbursement from the RAC O&M and Rent Reserve Fund in accordance with the Indenture, Sublessee shall be liable to Master Lessee and City for the full amount disbursed by the Trustee from the RAC O&M and Rent Reserve Fund on account of Sublessee's failure to make its monthly Rent and/or O&M Costs payments in full when due and any amount collected will, after payment of costs of enforcement and collection, be paid to the Trustee for redeposit to the RAC O&M and Rent Reserve Fund.
- 5.1.5 <u>O&M Costs</u>. Sublessee acknowledges and agrees that Master Lessee shall retain the Facility Manager to manage, and to cause the performance of, the Maintenance of the CONRAC, the QTA Equipment and the Fuel Facilities, and Sublessee, along with the other

RACs, shall each pay its respective Pro Rata Share of the O&M Costs as more specifically described in this Section 5.1.5.

The Facility Management Agreement, which shall be subject to 5.1.5.1 prior review and comment by Sublessee and approval by City, shall require the Facility Manager to prepare and submit to Master Lessee and Sublessee not less than forty-five (45) days prior to the Substantial Occupancy Date for the period beginning with that date and running through the end of the first Sublease Agreement Year, and prior to the commencement of each Sublease Agreement Year thereafter, an itemized Budget detailing expected O&M Costs, including a reasonable contingency amount, for the coming Sublease Agreement Year and projected O&M Costs for the next five (5) Sublease Agreement Years. Both the proposed Budget and the final approved Budget for each year shall include a statement of the dollar amount to be requested as a disbursement from the Repair and Replacement Fund for eligible Major Maintenance in accordance with the Indenture, the dollar amount of Sublessee's Pro Rata Share of the budgeted O&M Costs for that Sublease Agreement Year, as both an annual amount and a pro-rated monthly amount, the amount of Sublessee Direct Costs expected to be chargeable to Sublessee, as both an annual amount and a pro-rated monthly amount, along with Sublessee's O&M Reserve Requirement for that year. The procedure for development review and approval of the Budget each year, as well as for adjustment of a Budget during a Sublease Agreement Year, if necessary, shall be stated in the Facility Management Agreement.

5.1.5.2 Sublessee shall, commencing on the Substantial Occupancy Date and continuing thereafter through the Sublease Term, pay to the Facility Manager one-twelfth (1/12) of Sublessee's Pro Rata Share of the budgeted O&M Costs (or for the first Sublease Agreement Year, the corresponding prorated monthly amount) monthly in advance on the first day of each and every month during the Sublease Term, at such place as the Facility Manager may designate, without any prior demand, and without any abatement, deduction or set-off whatsoever.

5.1.5.3 Within one hundred twenty (120) days after the end of each Sublease Agreement Year, the Facility Manager shall provide to Sublessee an O&M Reconciliation Report showing the total actual O&M Costs for the prior Sublease Agreement Year (or for the first Sublease Agreement Year, from the Substantial Occupancy Date to the end of the first Sublease Agreement Year), Sublessee's Pro Rata Share thereof for such Sublease Agreement Year, the prior year's use and then-current balance of the Sublessee's O&M Reserve Requirement and any amount required to restore or increase the Sublessee's O&M Reserve Requirement to the requirement for the then-current Sublease Agreement Year in which such O&M Reconciliation Report is issued. In the event that the total of the monthly payments made by Sublessee for the prior Sublease Agreement Year was less than Sublessee's actual Pro Rata Share thereof for such Sublease Agreement Year, Sublessee shall pay the difference within thirty (30) days after receipt of such O&M Reconciliation Report. Any overpayment by Sublessee (including any portion of such overpayment paid from the O&M Reserve Requirement) shall be credited toward the next payment due of Sublessee's Pro Rata Share of O&M Costs, in the event that the Sublease Term has expired (and there is no outstanding default), refunded to Sublessee. Notwithstanding the above, any delay or failure of the Facility Manager in computing or billing O&M Costs shall not constitute a waiver of or in any way impair Sublessee's obligation to pay its Pro Rata Share of O&M Costs or any other amount hereunder; provided, however, in the event Master Lessee or the Facility Manager determines that the Facility Manager has materially under-billed Sublessee for any O&M Costs as a result of any error, neglect or unreasonable delay on part of the Facility Manager, Sublessee shall establish with the Facility Manager a mutually acceptable schedule for repayment of any unbilled amounts (which schedule shall, in no event, extend beyond the next Sublease Agreement Year). In the event of any such delay or failure, Sublessee shall continue paying its Pro Rata Share of O&M Costs currently being paid until notified by the Facility Manager of an adjustment.

5.1.6 <u>O&M Reserve Requirement</u>.

- 5.1.6.1 Prior to the Substantial Occupancy Date, Sublessee shall pay to Master Lessee, an O&M Reserve Requirement in an amount equal to twenty-five percent (25%) of Sublessee's Pro Rata Share of O&M Costs budgeted for the period commencing on the Substantial Occupancy Date through the end of the first Sublease Agreement Year, and thereafter cause Sublessee's O&M Reserve Requirement to be maintained in an amount equal to twentyfive percent (25%) of Sublessee's Pro Rata Share of O&M Costs budgeted for each then-current Sublease Agreement Year. The aggregated O&M Reserve Requirements of all RACs shall constitute the operations portion of Master Lessee's Rent and Operation Reserve, which Master Lessee shall be entitled to use for the payment of budgeted O&M Costs to any extent that the aggregate RAC Pro Rata Share payments of O&M Costs budgeted for a month are at any time less than the budgeted O&M Costs amount for that month. Sublessee expressly acknowledges and consents to Master Lessee's aggregation and comingling of its O&M Reserve Requirement with all other RAC Rent Reserve Requirements and O&M Reserve Requirements, which shall be tracked and accounted for with respect to Sublessee and each other RAC, but shall be not be considered property of or held in trust for the Sublessee or any other RAC, but shall constitute a Master Lessee reserve account.
- 5.1.6.2 Any draw on Master Lessee's Rent and Operation Reserve due to the failure of Sublessee to pay in full its Pro Rata Share of budgeted O&M Costs for any month shall be charged against the requirement with respect to Sublessee. Any such draw will not be deemed to cure the nonpayment or relieve Sublessee of any payment obligation. Exhaustion of the O&M Reserve Requirement tracked with respect to Sublessee or any other RAC shall not limit Master Lessee's access to the entire Master Lessee's Rent and Operation Reserve to draw funds to cover any and all shortages in monthly RAC payments to pay budgeted monthly O&M Costs; provided however, any such draw(s) shall not be debited against any other RAC's O&M Reserve Requirement, and Master Lessee shall be entitled to restore Master Lessee's Rent and Operation Reserve by request to City for disbursement from the RAC O&M and Rent Reserve Fund in accordance with the Indenture and Section 5.1.4 hereof.
- 5.1.7 <u>Holdover Rent</u>. If Sublessee holds over and remains in possession of the Subleased Premises after the expiration, cancellation or termination of this Sublease Agreement, Sublessee shall pay holdover rent and O&M Costs on an allocated basis in accordance with the terms of <u>Section 19.2</u> hereof.
- 5.2 <u>Additional Financial Obligations</u>. Additional financial obligations of Sublessee may appear in other provisions of this Sublease Agreement, specifically including <u>Article 13</u> and Article 14 hereof.

- 5.3 <u>All Financial Obligations as Rent.</u> All financial obligations of Sublessee hereunder, whether directed to be paid to Master Lessee the Facility Manager or a third-party, shall collectively be deemed be rent under this Sublease Agreement.
- Disposition of Master Lessee's Rent and Operation Reserve and Security 5.4 Account. In the event that the Master Lease is terminated pursuant to Section 4.5.1 or pursuant to Article 22 of the Master Lease, and City will continue to operate the CONRAC for Rental Car Concessions or relet the CONRAC to a Substitute Master Lessee, Master Lessee shall transfer and assign all rights of Master Lessee in and to the Master Lessee's Rent and Operation Reserve and any account(s) maintained for the deposit of the Security to City or the Substitute Master Lessee, as applicable. In the event that the Master Lease is terminated pursuant to Section 4.5.2 or pursuant to Article 22 of the Master Lease and City will not continue to operate the CONRAC for Rental Car Concessions or relet the CONRAC to a Substitute Master Lessee, Master Lessee shall be entitled to use any balance remaining in the Master Lessee's Rent and Operation Reserve to the extent Repair and Replacement Fund moneys are not available to Master Lessee in a sufficient amount to fulfill its remaining obligations under the Master Lease including, without limitation, any obligation to remove aboveground and underground fuel storage tanks, with any remaining balance of Master Lessee's Rent and Operation Reserve to be distributed thereafter among the RACs in proportion to their respective most recent Rent and O&M Reserve Requirements hereunder after deduction therefrom and payment to City of any amounts owed to City by or on account of the applicable RAC(s). Any such deductions shall be made from the applicable RAC(s)' Rent and O&M Reserve Requirement tracked and accounted for with respect to the applicable RAC(s).

ARTICLE 6 REMITTANCE; LATE PAYMENT

- 6.1 Remittance Address. Any and all payments due to Master Lessee by Sublessee shall be remitted to the following address: Austin CONRAC, LLC, c/o UNISON-CRS, Inc., 12130 Colwick, San Antonio, Texas 78216, Attn: Marshall A. Fein, President, or at such other place as Master Lessee may direct in writing. Any and all payments due to City by Sublessee under this Sublease Agreement shall be remitted in accordance with the Concession Agreement. Any and all payments due to the Facility Manager by Sublessee shall be remitted to the address stated in the Facility Management Agreement or such other place as the Facility Manager may direct in writing. Determination of whether a particular type of payment required to be made by Sublessee hereunder is to be made to Master Lessee, to Facility Manager, or directly to third-party vendors, shall, to the extent practicable, be made by Master Lessee so as to avoid joint and several liability and to avoid or minimize tax liability, while at the same time giving effect to the intent of Section 4.2.6.2 of the Concession Agreement with respect to RAC reimbursement from the CFC Surplus Fund for RAC payments for Master Lease Rent and for O&M Costs.
- 6.2 <u>Late Payment Charge</u>. If any remittance of payment due from Sublessee to Master Lessee or the Facility Manager is not received by the Master Lessee or the Facility Manager, respectively, when due, Sublessee shall pay to Master Lessee or the Facility Manager, as applicable, in addition to the delinquent amount owing a late payment charge equal to five percent (5%) of such delinquent amount, regardless of whether or not a Notice of Default has been given by Master Lessee or a notice of nonpayment has been given by the Facility Manager.

- 6.3 Payments. Sublessee shall make all payments it is required to make under this Sublease Agreement in lawful currency of the United States of America. Sublessee shall make each payment free from any claim, demand, setoff or counterclaim of any kind against the payee, but without waiver of any valid claim. Sublessee's agreements to pay its Pro Rata Share of Base Rent and O&M Costs and any other rents under this Sublease Agreement are independent covenants, and no act or circumstance, regardless of whether such act or circumstance constitutes a breach of this Sublease Agreement by Master Lessee shall release of Sublessee of its obligations to pay its Pro Rata Share of Base Rent, O&M Costs or any other rents as required by this Sublease Agreement.
- 6.4 <u>Special Action in Event of Non-Payment</u>. In the event Sublessee fails to pay within thirty (30) days of invoicing for any Sublessee Direct Cost or for other work at its request or for its exclusive or shared benefit performed by or through the Facility Manager, or fails to make any other payment owed by Sublessee hereunder within thirty (30) days of the date due then the Facility Manager, with the Consent of Master Lessee, may, in addition to any other remedies which may be available to the Facility Manager or Master Lessee it, enter the Exclusive Use Premises (without such entering causing or constituting a cancellation of this Sublease Agreement or an interference with the possession of the Subleased Premises), and lock or otherwise disable any or all fuel dispensers allocated to Sublessee.

ARTICLE 7 ACCOUNTING PROCEDURES; AUDIT

- 7.1 <u>Accounting Procedures</u>. Sublessee covenants and agrees that it will establish and maintain as a requirement of this Sublease Agreement all books and record required under Article 6 of the Concession Agreement and this Sublease Agreement, and retain such records for the period of time required by the Concession Agreement.
- 7.2 <u>Audits</u>. Sublessee shall provide to City Annual Audit Statements as required by the Concession Agreement. Representative(s) designated by City shall be allowed to inspect and audit Sublessee's books of accounts and records in accordance with the terms of the Concession Agreement.

ARTICLE 8 SECURITY

Requirement that Sublessee is required to pay to Master Lessee hereunder to secure Sublessee's payment of all rent under this Sublease Agreement, including Base Rent, O&M Costs, fees and other amounts now or hereafter payable to or required to be remitted to Master Lessee, to the Facility Manager or to a third-party vendor, to further secure Sublessee's full performance of this Sublease Agreement, Sublessee shall deliver to Master Lessee on or before the Substantial Occupancy Date as Sublessee's contribution to Master Lessee's security requirement under Section 6.6 of the Master Lease cash (the "Security") in the amount of Sublessee's Pro Rata Share (determined as of the Substantial Occupancy Date) of the Security Amount, and subject to adjustment each Master Lease Agreement Year. The Security shall remain in place at all times throughout the full Sublease Term and throughout any holdover period.

Application of Security. Sublessee understands and agrees that the function of the Security under Section 8.1 is to fund Sublessee's share of Master Lessee's security requirement under Master Lease Section 6.6. Sublessee understands and agrees further that City may apply all or part of the proceeds of the Security to unpaid and delinquent amounts due under the Master Lease, and otherwise deal with the Security entirely as provided in Section 6.7 of the Master Lease. The Security shall remain on deposit with Master Lessee throughout the Sublease Term and shall remain at all times subject to Section 6.7 of the Master Lease and Sublessee shall, within two (2) Business Days after written notice of any City draw upon all or part of Master Lessee's security under the Master Lease, cause a replacement Security that meets the requirements of this Article 8 to be issued for the benefit of Master Lessee to restore the Security to Sublessee's Pro Rata Share of the Security Amount. To any extent that City, upon receipt of restored security under the Master Lease, refunds to Master Lessee the amount of any excess proceeds of the prior Master Lease security then held by City, then so long as Sublessee's Security is fully restored, Master Lessee shall refund to Sublessee its Pro Rata Share of the refund received from City. After the expiration or earlier termination of the Sublease Term and upon request therefor by Sublessee, Master Lessee shall request release of the Security from City, if required and in any event without impairing or diminishing the Security required under Section 6.6 of the Master Lease, and upon and to the extent of receipt thereof promptly return the Security to Sublessee, less any amounts then due from or liability of Sublessee to Master Lessee under this Sublease Agreement. Sublessee hereby waives any right to any interest which may be earned or accrued on the proceeds of a draw under the Security during the Sublease Term and agrees that neither City nor Master Lessee shall have any obligation to hold excess proceeds of a draw under the Security in a segregated account but both City and Master Lessee may commingle such proceeds with other funds. No trust relationship is created with respect to the Security.

ARTICLE 9 USE

Use of Subleased Premises. Subject to and in accordance with all present and 9.1 future Legal Requirements and City Codes and Standards, Sublessee covenants and agrees that it shall use the Subleased Premises solely for the purpose of operating the non-exclusive Rental Car Concession authorized under and in accordance with all requirements and limitations of Sublessee's Concession Agreement and for no other purpose, use or activity, including any activity prohibited under Master Lease Section 4.2, unless Sublessee obtains the prior written consent of Master Lessee and City. City may grant or withhold its consent in its sole and absolute discretion. Sublessee shall not, under any circumstances, use the Subleased Premises for performing vehicle maintenance or repair other than washing, vacuuming, refueling, changing light bulbs, fuses, wiper blades, changing or repairing leaking or flat tires and similarly quick turnaround activities in the QTA Space permitted under Master Lease Section 4.2.8, and shall limit such activities to only the portion of the QTA Space subleased to Sublessee as a part of its Exclusive Use Premises and in strict compliance with all of the requirements of this Sublease Agreement. Sublessee also shall not, under any circumstances, use the Subleased Premises for the retail sale of any vehicles or the storage of damaged vehicles. Sublessee shall not use any portion of the Commercial Parking Facility located on the ground floor of the Joint Use Facility in connection with its Rental Car Concession operations. Sublessee's employees, agents and representatives shall park their personal vehicles only in space in the CONRAC

expressly authorized in writing by Master Lessee for Sublessee's use for that purpose or in Airport parking lots (whether public or employee parking) subject to payment of any applicable rates or charges. All provisions regarding restrictions and requirements for the use of and conduct within the Leased Premises set forth in the Concession Agreement and Master Lease are incorporated herein by reference, and Sublessee covenants and agrees that it is bound and will abide by the same without assuming thereby direct responsibility for Master Lessee's affirmative responsibilities thereunder. Without limiting the generality of the foregoing, the following uses are specifically prohibited unless City's prior written approval is obtained:

- 9.1.1 Food and beverage sales other than food and beverage vending machine sales to Sublessee's employees in Sublessee's Exclusive Use Premises;
 - 9.1.2 News and sundry sales;
 - 9.1.3 Alcohol or tobacco sales;
- 9.1.4 Aviation-related equipment and services sales or other activities normally associated with fixed-base-operators;
 - 9.1.5 Advertising sales;
 - 9.1.6 Vehicle sales;
- 9.1.7 Selling or dispensing fuel other than to Sublessee's vehicles and its car rental customers as an integral part of car rental Transactions as provided for in the Sublease Agreements, or otherwise operating a Commercial Fueling Service, on or off the Subleased Premises:
- 9.1.8 Storage, dispensing or sale of fuel not provided through the Fuel Facilities.
- General Standards Governing Use of Subleased Premises. Sublessee shall not use 9.2 or occupy the Subleased Premises, permit the Subleased Premises or any part thereof to be used or occupied, or do or permit anything to be done in or upon the Subleased Premises, in whole or in part, in a manner that would in any way (a) violate any then-applicable Legal Requirements or City Codes and Standards; (b) violate any of the covenants, agreements, provisions and conditions of this Sublease Agreement or the terms and provisions of the Master Lease or the Concession Agreement; (c) violate any certificate of occupancy then in force with respect to the CONRAC or the Subleased Premises; (d) increase the difficulty for Master Lessee, City, the Facility Manager or any other Sublessee to obtain fire or other required insurance; or (e) constitute a public or private nuisance. Sublessee specifically agrees to comply with all present and future City Codes and Standards and City's decisions and operational orders regarding operations, activities, safety and security matters and general use of the Subleased Premises. Sublessee shall not use or occupy the Subleased Premises or permit the Subleased Premises to be used or occupied, in whole or in part, in a manner which may impair or interfere with (i) the character, reputation or appearance of the Subleased Premises, the CONRAC, the Airport or City, or (ii) the use of the CONRAC by any other Sublessees or the use by the City or any of its agents, employees, tenants, invitees or Airport Customers of the Commercial Parking Facility or

any other Airport property. Sublessee shall not do or permit or suffer any waste, damages, disfigurement or injury to or upon the Subleased Premises or any part thereof.

- 9.3 <u>Restricted Areas</u>. Access to any Restricted Area by Sublessee shall be subject to the terms of the Airport Security Plan. Sublessee assumes responsibility for any individual not entitled to unescorted access to a Restricted Area to which Sublessee gives that individual access.
- Subject to Sublessee's compliance with City Codes and Standards, 9.4 Sublessee's may install and display signage within its Exclusive Use Premises at the CONRAC at all times during the Sublease Term to ensure the safe and efficient operation of Sublessee's Rental Car Concession. Except within its Exclusive Use Premises and relating directly to Sublessees own products and services offered in the CONRAC or otherwise as specifically permitted by Master Lessee and City in writing, Sublessee shall not attach to or paint on or within the Subleased Premises (including the walls, windows and doors thereof) any signs or other advertising matter, symbols, canopies, or awnings. At the expiration or earlier termination of the Sublease Term, all signs, symbols, canopies, or awnings attached or painted by Sublessee shall be removed by Sublessee at its own expense, and Sublessee shall repair any damage or injury to the Subleased Premises and correct any unsightly condition caused by the maintenance and removal of such signs, symbols, canopies, or awnings. Sublessee shall not be permitted to advertise any products and/or services other than those of Sublessee connected to the operation of its Rental Car Concession, and then only as approved in advance in writing by Master Lessee and City.
- 9.5 Operations. Concession operations must be conducted in a safe, clean, orderly and inviting condition at all times. Trash or debris shall not be allowed to accumulate or be stored on any portion of the Subleased Premises other than in receptacles designated for that use by Master Lessee or the Facility Manager. Similarly, no loud, boisterous or otherwise improper actions or language shall be permitted within or about the Subleased Premises. No radio or television or other similar device shall be installed in any portion of the Subleased Premises open to the public without first obtaining the approval of Master Lessee and City. No antenna or aerial shall be erected on the roof, interior walls or exterior walls of the Subleased Premises without first obtaining the approval of Master Lessee and City.
- 9.6 <u>Airport Operations</u>. Sublessee shall perform all construction, repairs, maintenance, remediation and operations and activities authorized under this Sublease Agreement in a manner that ensures the safety of people and the Airport, the protection of public health and the environment, and the safety and integrity of the Airport. Sublessee shall employ qualified personal and maintain equipment sufficient for the purposes of this provision. Sublessee shall immediately notify City and Master Lessee of any condition, problem, malfunction or other occurrence that Sublessee reasonably knows to be an imminent threat to the safety of the people of the Airport, harm to public health or the environment, or the safety or integrity of the Subleased Premises.
- 9.7 <u>Concession Agreement</u>. Sublessee acknowledges that, notwithstanding anything to the contrary in this Sublease Agreement, Sublessee shall have the right to operate a Rental Car

Concession within the Subleased Premises only in full compliance at all times with its Concession Agreement and in Good Standing with City.

- 9.8 <u>Heavy Vehicles</u>. If Sublessee uses heavy trucks or equipment in excess 7,500 pounds on or transiting to or from the Subleased Premises during construction or operation of the facilities on the Subleased Premises, Sublessee shall ensure that the trucks or equipment use only those Airport access routes designated by City and that all trucks and equipment used comply with all applicable weight, width and length restrictions established by the City Codes and Standards, Applicable Law or otherwise by operational order issued by City.
- 9.9 <u>Road Obstructions</u>. If, during Sublessee's development of the Subleased Premises or during the operations or activities of Sublessee relating to the Subleased Premises, it becomes necessary to obstruct any road or other area provided for vehicular traffic, Sublessee shall, at least seventy-two (72) hours before the placement of an obstruction, obtain the written approval of City and ensure compliance with all related decisions and directions of City with regard to this Section.

ARTICLE 10 REALLOCATION OF EXCLUSIVE USE AREAS

- Areas" means those portions of the CONRAC described or depicted in **Exhibit I** to the Master Lease and includes the CONRAC Counter Areas and Office Space, Ready/Return Areas and the Storage Areas, allocated QTA Space and assigned Fuel Facilities to be subleased to the RACs on an exclusive basis from time to time. Section 14.2 of the Master Lease sets forth certain requirements for Sublessee's allocation of the Exclusive Use Areas. **Exhibit E** hereto describes or depicts the Exclusive Use Areas and the Exclusive Use Premises initially allocated to Sublessee, to each other RAC, and reserved for New Entrants as of the Substantial Occupancy Date. Master Lessee shall have the right to modify the Exclusive Use Premises allocated to each Sublessee in conjunction with a reallocation among all Sublessees and New Entrants of the Exclusive Use Areas on the time intervals, and in the manner, more specifically set forth in **Exhibit E** hereto and in accordance with the terms of Section 14.2 of the Master Lease.
- Reallocation Upon Early Termination of Rights to Exclusive Use Areas. In the event that Sublessee's right to sublease portions of the Exclusive Use Areas under this Sublease Agreement expires or is terminated (whether by default, rejection in bankruptcy or otherwise), Master Lessee may reallocate the vacated space within the Exclusive Use Areas among the thenremaining RACs or sublease such vacated space to a New Entrant if City elects to solicit for a New Entrant, and in either case in the manner set forth in **Exhibit E** and in accordance with Section 14.2 of the Master Lessee may consider such information and circumstances as it deems relevant, including the space needs of the remaining Sublessees or New Entrants, their locations and the efficiency and effective operation of the CONRAC. To any extent and for any period that any Exclusive Use Area is not subleased to any RAC, Master Lessee shall recalculate and increase the Pro Rata Share of Rent and O&M Costs due under the Sublease Agreements with all RACs to account for and include the Pro Rata Share of Rent and O&M Costs attributable to the vacant space to the end that all Rent and O&M Costs obligations of Master Lessee under

the Master Lease shall be apportioned to Exclusive Use Premises then covered by Sublease Agreements.

10.3 <u>Reallocation Costs</u>. The costs associated with any reallocation of space within the Exclusive Use Areas shall be paid by the RAC(s) affected by such reallocation, as provided under **Exhibit E**.

ARTICLE 11 ALTERATIONS; OWNERSHIP OF CERTAIN INSTALLATIONS

- 11.1 <u>Alterations</u>. After completion of the Initial Tenant Improvements pursuant to <u>Section 2.2</u> hereof, Sublessee shall not make any changes, alterations, additions, substitutions or improvements (collectively, "**Alterations**") to or upon the Subleased Premises without first obtaining Master Lessee's and City's prior approval of each such Alteration and then only in compliance with any and all conditions of such approvals. Sublessee shall otherwise comply with the design, construction and opening procedures required by Master Lessee or City in connection with Sublessee's design and construction of any such Alteration. Any Alteration shall be performed (a) in a good and workmanlike manner; (b) in compliance with all Legal Requirements and City Codes and Standards; (c) in a manner that will not unreasonably interfere with or disturb Master Lessee, the other Sublessees, City or any of its agents, employees, tenants, invitees or Airport Customers; and (d) otherwise in accordance with the requirements of <u>Sections 2.2 through 2.5</u> of this Sublease Agreement.
- 11.2 <u>As Built Documents</u>. Sublessee shall deliver to Master Lessee and City, not later than thirty (30) days after the completion of any Alterations, full and complete "as built" drawings of such Alterations (in hard copies and electronic format specified by Master Lessee and City) in full conformance with Master Lessee's and City's requirements. For any equipment installed, Sublessee shall deliver to Master Lessee and City two copies of the complete operations and maintenance manuals therefor. The "as built" drawings required under this <u>Section 11.2</u> shall include details of all construction disciplines, including electrical (including switch gear and source of permanent power), plumbing, mechanical, architectural and information technology structures, lines and facilities.
- 11.3 <u>Trade Fixtures</u>. Except to the extent provided in repair or substitution of any improvements to the CONRAC by Master Lessee, Sublessee shall retain ownership of: (a) all trade fixtures and business equipment and furnishings from time to time installed by Sublessee at its expense; and (b) all Initial Tenant Improvements, Alterations and/or other improvements that Sublessee is required to remove upon the expiration or earlier termination of the Sublease Term pursuant to <u>Section 19.1</u> hereof. Sublessee may remove any of such fixtures, equipment or furnishings at any time during the Sublease Term and shall remove all thereof prior to the expiration or earlier termination of the Sublease Term. Any such property not removed at the expiration or earlier termination of the Sublease Term shall, at the election of Master Lessee, become the property of Master Lessee without payment to Sublessee, or shall be deemed abandoned and removed by Master Lessee, at Sublessee's expense. Upon the removal of any such property, Sublessee shall promptly repair any and all damage to the Subleased Premises caused thereby or reimburse Master Lessee for Master Lessee's costs and expenses in removing any such property not removed by Sublessee and repairing any such damage not repaired by

Sublessee. The terms of this <u>Section 11.3</u> shall survive the expiration or earlier termination of the Sublease Term. Notwithstanding the foregoing, however, this <u>Section</u> is expressly subject to Master Lease Section 10.8, incorporated herein by this reference, and under which, among other things, Alterations to City's Vested Improvements may, at the option of City, be considered a part of the Vested Improvements with title vested in City at no cost to City, and removal, if approved by City, must be effected without impairing the structural integrity or usability of the Vested Improvements.

ARTICLE 12 REAL AND PERSONAL PROPERTY TAXES

- Payment of Taxes by Sublessee. Sublessee shall be liable for, and shall timely pay or cause to be paid throughout the Sublease Term, all license fees and all taxes payable for, or on account of, the Rental Car Concession and all taxes on the personal property of Sublessee located within or upon or used in connection with the Subleased Premises. Further, Sublessee shall pay through its monthly payment of O&M Costs its Pro Rata Share of any and all taxes, charges and assessments levied on the land, the buildings, any improvements, fixtures and equipment and all other real or personal property constituting or located within or upon the CONRAC, and any assessments or charges levied in lieu of any such taxes, charges or assessments, and any taxes levied on the leasing of the Subleased Premises or any portion thereof, or measured by the rents or other charges collected hereunder, whether imposed on Master Lessee or Sublessee, except that Sublessee shall pay directly any taxes levied with respect to Sublessee's personal property as provided below and no tax levied on RAC-owned personal property will be aggregated or allocated by Pro Rata Share. Unless otherwise provided in the then-current Budget approved by Master Lessee and City, all such taxes, charges and assessments imposed on Master Lessee and for which Master Lessee is or will be entitled to reimbursement from Sublessee shall be payable by Sublessee to Master Lessee at least fifteen (15) days prior to the due dates of the respective amounts involved; provided, however, Sublessee shall be entitled to a minimum of thirty (30) days' notice of the amounts payable by it.
- 12.2 <u>Sublessee's Personal Property Taxes</u>. Sublessee shall pay or cause to be paid, prior to delinquency, any and all taxes, charges and assessments levied upon all trade fixtures, inventories and other real or personal property placed or installed in or upon the Subleased Premises by Sublessee. If any such taxes, charges or assessments with respect to Sublessee's personal property or trade fixtures are levied against Master Lessee or Master Lessee's property, and if Master Lessee pays such taxes, charges or assessments (including to the extent based upon an increased assessment against Master Lessee or Master Lessee's property), Sublessee shall, upon demand, reimburse to Master Lessee the amounts so paid by Master Lessee.
- 12.3 <u>Tax Contests</u>. Nothing in this <u>Article 12</u> shall be construed to limit the right of Sublessee or Master Lessee to contest the imposition, assessment or amount of any tax, provided that Master Lessee or Sublessee, as applicable, give notice to City of its plans to contest such taxes, charges or fees and provide to City all related documentation and information requested by City. If nonpayment of any such taxes, charges or fees may result in a Lien on the Joint Use Facility, the Airport or the Vested Property of City, Master Lessee or Sublessee, as applicable, shall timely pay or take such action as provided under Applicable Law to avoid or release any Lien that may otherwise attach due to contesting the same. If Master Lessee or Sublessee

contests such taxes, charges or fees, they shall diligently pursue any such contest to conclusion or settlement.

ARTICLE 13 REPAIR AND MAINTENANCE

13.1 Repair and Maintenance by Sublessee.

Generally. Commencing on the Date of Beneficial Occupancy and 13.1.1 continuing thereafter during the Sublease Term, Sublessee shall (a) keep and maintain, at Sublessee's sole cost and expense, Sublessee's Initial Tenant Improvements, Alterations completed by Sublessee, and all of Sublessee's equipment and installations therein and the appurtenances thereto, in good order, condition and repair; (b) subject to the performance of Major Maintenance and non-janitorial Routine Maintenance by the Facility Manager, keep and maintain the Exclusive Use Premises at all times in a neat, clean, safe and sanitary condition, free from infestation of pests and conditions which might result in harborage for, or infestation of, pests, provide complete and adequate arrangements for the sanitary handling of all trash, garbage and other refuse generated in connection with the use of the Exclusive Use Premises, and remove all water, snow and ice from the Exclusive Use Premises; (c) pay to Master Lessee or the Facility Manager as Sublessee Direct Costs, all costs of maintain and repairing all facilities and equipment within or directly and exclusively serving Sublessee's Exclusive Use Premises as described in Section 13.3.1(a) and excepting only common CONRAC electrical, plumbing and HVAC systems; and (d) keep and maintain any RAC Property owned by Sublessee in the CONRAC in good order, condition and repair. As used in this Section 13.1.1, the word "pests" shall include rodents, insects and birds in numbers to the extent that a nuisance or safety hazard is created.

Master Lessee's Right to Enter. Notwithstanding the terms of Section 13.1.1 hereof, in the event Sublessee fails (a) to commence, within ten (10) days after notice from Master Lessee (or the Facility Manager to the extent authorized under the Facility Management Agreement) or City, to do any maintenance or repair work required to be done by Sublessee under the provisions of this Sublease Agreement, (b) to diligently continue to completion any such work as required under this Sublease Agreement; then Master Lessee, City or the Facility Manager may, at its option, and in addition to any other remedies which may be available to it, enter the Exclusive Use Premises (without such entering causing or constituting a cancellation of this Sublease Agreement or an interference with the possession of the Subleased Premises), and repair, maintain, replace or rebuild all or any part of the Exclusive Use Premises and do all things reasonably necessary to accomplish the work required, and the cost and expense (specifically including an allocation of Master Lessee and/or the Facility Manager's administrative costs) shall be payable by Sublessee to Master Lessee, City or the Facility Manager, as the case may be. In the event that Master Lessee, City or the Facility Manager, or any of their respective officers, employees, agents or contractors, undertakes any work hereunder, Sublessee hereby waives any claim for damages, consequential or otherwise, as a result thereof. The foregoing shall in no way affect or alter the primary obligations of Sublessee as set forth in this Sublease Agreement, and shall not impose or be construed to impose upon Master Lessee, City or the Facility Manager any obligation to maintain the Exclusive Use Premises other than as specifically provided in this Sublease Agreement.

- 13.1.3 <u>Standards</u>. Sublessee shall perform all maintenance, repairs or replacements required hereunder (a) in compliance with all Legal Requirements, City Codes and Standards and the requirements of this Sublease Agreement; (b) using quality materials at least equal to the original, and if materially changed from the original, shall be subject to the prior approval of Master Lessee and City; (c) using only qualified personnel; and (d) in a good and workmanlike manner, adhering to the highest standards of quality.
- 13.2 <u>Insurance Proceeds</u>. To the extent that Master Lessee receives any insurance proceeds under the policy of property insurance paid for as part of the O&M Costs for damage to any element(s) on or about the CONRAC or CONRAC Site for which the obligation for the repair belongs to Sublessee under <u>Section 13.2</u>, Master Lessee agrees to apply such insurance proceeds to the costs of such repairs or replacement, or to make such insurance proceeds available to Sublessee; provided, however, in the event that Sublessee accepts such funds, Sublessee shall then be required to adhere to any Legal Requirements by which Master Lessee otherwise would have been bound if it had undertaken the repairs.
- 13.3 <u>Repair and Maintenance by Facility Manager</u>. Pursuant to the Master Lease, Master Lessee shall retain the Facility Manager and shall cause the Facility Manager to manage and to cause the performance of the Routine Maintenance and Major Maintenance, with the cost thereof included in the Budget.
- 13.3.1 <u>Routine Maintenance</u>. The cost of Routine Maintenance shall be paid for by the Sublessee and the other RACs on a Pro Rata Share basis as part of the monthly O&M payment. Sublessee also shall pay within thirty (30) days after receipt of an invoice therefor from the Facility Manager or as otherwise determined under the Facility Management Agreement, together with interest on all such sums remaining unpaid after the date dues according to the terms of the Facility Management Agreement, the following costs (the "Sublessee Direct Costs"):
 - (a) the cost of goods or services not part of O&M Costs provided by or through Facility Manager directly to Sublessee or its Exclusive Use Premises by or through the Facility Manger in support of Sublessee's car rental operations (such as consumable and other group-purchased products and maintenance and repairs to RAC operational equipment such as car washes and vacuum equipment allocated exclusively, or on a specifically shared basis to Sublessee (as distinct from CONRAC system equipment); and
 - (b) any maintenance, repair or replacement, whether Routine or Major required by reason of the neglect, carelessness or misuse of Sublessee or its employees, agents, invitees, licensees or contractors.
- 13.3.2 <u>Major Maintenance</u>. The cost of Major Maintenance shall be included in the Budget and if the Budget is approved by the City, funded from the Repair and Replacement Fund to the extent funds are available therein. When Master Lessee undertakes such work, it shall so notify Sublessee and will proceed diligently to complete such work. To the extent that the cost of any Major Maintenance planned for a Sublease Agreement Year is not funded through the Repair and Replacement Fund, the cost of such Major Maintenance

(including a reasonable charge for Master Lessee's administrative cost) shall be included within the portion of the Budget to be paid by the RACs based on Pro Rata Share for such Sublease Agreement Year.

- 13.3.3 <u>Work Request by Sublessee</u>. If requested to do so in writing by Sublessee, the Facility Manager may agree to manage or perform any maintenance, repairs or restoration work that is Sublessee's responsibility under <u>Section 13.1</u> hereof; provided, however, in the event the Facility Manager manages or performs such work, Sublessee shall make arrangements acceptable to the Facility Manager for an advance deposit of working funds and payment of all costs and expenses of such work, including any applicable Facility Manager administrative fee, within thirty (30) days after invoice therefor by the Facility Manager.
- 13.4 <u>No Abatement From Repairs</u>. There shall be no abatement or reduction of any Pro Rata Share of Base Rent, O&M, or other obligation of Sublessee under this Sublease Agreement or the Concession Agreement by reason of the making of repairs, alterations and/or improvements to the CONRAC or the CONRAC Site by Master Lessee, City, Sublessee, the Facility Manager or otherwise.
- 13.5 Quarterly Condition Surveys. Master Lessee and the RACs, together with the Facility Manager, shall conduct an inspection of the CONRAC and CONRAC Site quarterly to observe and note the condition of, cleanliness of and existing damage to the CONRAC and CONRAC Site and to determine repairs and maintenance required to be performed. Master Lessee shall give the City notice of the scheduled time for any such inspections, and the City shall have the right to participate in the inspections. Any dispute regarding the repairs and maintenance required to be performed shall be put to an MII vote, but subject to a superseding determination by City that additional repairs and maintenance must be performed, in which case City's decision shall be final.

ARTICLE 14 UTILITIES AND OTHER OPERATING COSTS

<u>Utilities Costs.</u> Sublessee shall pay, as part of the O&M Cost Budget, its Pro Rata Share of all Utilities Costs incurred for utilities used or consumed with respect to the CONRAC that are provided through meters and/or utility connections provided by City or Master Lessee and not separately metered to any RAC, plus any Utilities Costs separately metered for any portion of Sublessee's Exclusive Use Premises. O&M Costs shall include all Utilities Costs for the CONRAC, except for the Utilities Costs incurred with respect to any separately metered portion of RAC Exclusive Use Premises Sublessee shall not install separate meters or other utility connections to be used or consumed within the CONRAC without the prior written approval by Master Lessee and City. Sublessee covenants and agrees that, at all times, the use of electric current by Sublessee shall never exceed the capacity of existing feeders and wiring to the applicable portion of the Subleased Premises and that Sublessee shall make no alterations or additions to the electric equipment and/or appliances serving the Subleased Premises without the prior written consent of Master Lessee and City in each instance. All telecommunications connections serving the Subleased Premises in the CONRAC and expenses therefor, both hardwired and wireless, are the responsibility of Sublessee and must be installed or completed through existing cables. Unless otherwise agreed by Master Lessee and City, Sublessee shall

participate in City's "Shared Tenant Services Program for Telecommunications" on City's private phone system offered to all tenants of the CONRAC at rates established by City. Access to City's fiber optic backbone and/or neutral wireless system shall be available to Sublessee at rates established by City from time to time.

- 14.2 <u>Energy Conservation; Recycling</u>. Master Lessee and City shall have the right to institute such reasonable policies, programs and measures as may be necessary or desirable, in their discretion, for the conservation and/or preservation of energy, energy-related services or other resources, to promote considerations of sustainability, or to comply with any applicable codes, rules and regulations, whether mandatory or voluntary.
- Master Lessee and City Not Responsible. Master Lessee and City shall not be liable in any way to Sublessee for any failure, defect, suitability or sufficiency in the supply or character of electrical energy, water, sewer or other utility service furnished to the Subleased Premises by reason of any requirement, act or omission of the public utility providing such service or for any other reason. Master Lessee and City shall have the right to shut down electrical or other utility services to the Subleased Premises when necessitated by safety, repairs, alterations, connections, upgrades, relocations or reconnections or for any other reason with respect to any such utility system (singularly or collectively, the "Utility Work"), regardless of whether the need for such Utility Work arises with respect to the Subleased Premises, any other part of the CONRAC, the CONRAC Site or any other facility at the Airport. Whenever possible, Master Lessee shall give Sublessee not less than two (2) days prior notice of any such utility shutdown. Master Lessee and City shall not be liable to Sublessee for any losses, including loss of income or business interruption, resulting from any interruptions or failure in the supply of any utility to the Subleased Premises provided that the foregoing shall not absolve Master Lessee or City from responsibility for its own respective gross negligent, reckless or intentional tortious act or omission. City shall a continual right of access to the Subleased Premises for purposes of access to all facilities including utility and informational technology cables or lines located beneath the surface of the Subleased Premises through manholes constructed by Master Lessee or otherwise.

ARTICLE 15 INDEMNITY AND INSURANCE

15.1 Indemnity.

15.1.1 No Liability of City. Except to the extent any such injury or damage is caused by the gross negligence or willful misconduct of City, City shall not be liable for any injury (including death) to any persons or for damage to any property regardless of how such injury or damage is caused, sustained or alleged to have been sustained by Sublessee or by others, including all persons directly or indirectly employed by Sublessee, or any agents, contractors, subcontractors, subtenants, licensees or invitees of Sublessee, as a result of any condition (including existing or future defects in the Subleased Premises) or occurrence (including failure or interruption of utility service) whatsoever related in any way to Sublessee's use or occupancy of the Subleased Premises or of areas adjacent thereto. No elected or non-elected official, employee or officer of City shall have any personal liability with respect to (a) any of the provisions of this Sublease Agreement; (b) any injury (including death) to any persons

or for damage to any property regardless of how such injury or damage is caused, sustained or alleged to have been sustained by Sublessee or by others, including all persons directly or indirectly employed by Sublessee, or any agents, contractors, subcontractors, subtenants, licensees or invitees of Sublessee, as a result of any condition (including existing or future defects in the Subleased Premises) or occurrence (including failure or interruption of utility service) whatsoever related in any way to Sublessee's use or occupancy of the Subleased Premises or of areas adjacent thereto, except to the extent any such injury or damage is caused by the gross negligence or willful misconduct of such elected or non-elected official, employee or officer of City; or (c) a default by City hereunder or the exercise by City of any of its remedies hereunder upon the occurrence of an Event of Default.

Indemnification of City by Sublessee. SUBLESSEE SHALL DEFEND, 15.1.2 INDEMNIFY AND HOLD HARMLESS CITY AND ITS ELECTED AND NON-ELECTED OFFICIALS, EMPLOYEES, AGENTS, REPRESENTATIVES, SUCCESSORS ASSIGNS (COLLECTIVELY, THE "INDEMNIFIED PARTIES"), FROM AND AGAINST ALL COSTS, EXPENSES (INCLUDING REASONABLE ATTORNEYS' FEES, EXPENSES OF INVESTIGATION AND LITIGATION, AND COURT COSTS), LIABILITIES, DAMAGES, CLAIMS, SUITS, JUDGMENTS, ACTIONS, AND CAUSES OF ACTIONS WHATSOEVER (COLLECTIVELY, "CLAIMS") RESULTING FROM OR CONCERNING THIS SUBLEASE AGREEMENT OR THE CONDUCT OF SUBLESSEE'S BUSINESS AT THE AIRPORT, TO THE EXTENT ARISING DIRECTLY OR INDIRECTLY, OUT OF (A) ANY BREACH OF THIS SUBLEASE AGREEMENT BY SUBLESSEE, ITS AGENTS, EMPLOYEES OR CONTRACTORS, (B) ANY FALSE REPRESENTATION OR WARRANTY MADE BY SUBLESSEE HEREUNDER, (C) ANY NEGLIGENT ACT OR OMISSION OR WILLFUL MISCONDUCT OF SUBLESSEE, OR ITS THEIR AGENTS, EMPLOYEES OR CONTRACTORS, AND (D) TO THE EXTENT COVERED BY INSURANCE REQUIRED TO BE MAINTAINED BY SUBLESSEE HEREUNDER, ANY ALLEGED, ESTABLISHED, OR ADMITTED ACT OR OMISSION OF THE INDEMNIFIED PARTIES, INCLUDING ALL CLAIMS CAUSED BY THE NEGLIGENCE OR STRICT LIABILITY OF THE INDEMNIFIED PARTIES, BUT, TO THE EXTENT ALLOWED BY TEXAS LAW, EXCLUDING CLAIMS TO THE EXTENT CAUSED BY THE GROSS NEGLIGENCE OR WILLFUL MISCONDUCT OF THE INDEMNIFIED PARTIES AS DETERMINED BY A COURT OF COMPETENT JURISDICTION, PROVIDED THAT THE EXECUTION OF THIS SUBLEASE AGREEMENT WILL NOT BE DEEMED A NEGLIGENT ACT. SUBLESSEE SHALL ASSUME ON BEHALF OF THE INDEMNIFIED PARTIES AND CONDUCT WITH DUE DILIGENCE AND IN GOOD FAITH THE DEFENSE OF ALL CLAIMS AGAINST ANY OF THE INDEMNIFIED PARTIES. SUBLESSEE MAY CONTEST THE VALIDITY OF ANY SUCH CLAIMS, IN THE NAME OF SUBLESSEE OR THE INDEMNIFIED PARTIES, AS SUBLESSEE MAY IN GOOD FAITH DEEM APPROPRIATE, PROVIDED THAT THE EXPENSES THEREOF SHALL BE PAID BY SUBLESSEE. THE PROVISIONS OF THIS SECTION SHALL SURVIVE THE EXPIRATION OR EARLY TERMINATION OF THIS SUBLEASE AGREEMENT.

15.1.3 <u>Indemnification of Master Lessee by Sublessee</u>. MASTER LESSEE AND ITS EMPLOYEES, AGENTS, REPRESENTATIVES, SUCCESSORS AND ASSIGNS ARE ALSO INCLUDED WITHIN THE DEFINITION OF "INDEMNIFIED PARTIES" UNDER THIS SECTION 15.1, provided that with respect to only each Indemnified Party that is

Master Lessee, or an employee, agent, representative, successor or assign of Master Lessee: (a) the phrase "TO THE EXTENT ARISING DIRECTLY OR INDIRECTLY, OUT OF" in Section 15.1.2 is replaced by "TO THE EXTENT CAUSED BY"; and (b) the language of "(D)" of the first sentence of Section 15.1.2 does not apply. In the event that this Sublease Agreement becomes, and for so long as it remains, a direct lease between City and Sublessee, this Section shall be null and void and not applicable as to City.

- Indemnification of Sublessee by Master Lessee. MASTER LESSEE SHALL DEFEND, INDEMNIFY AND HOLD HARMLESS SUBLESSEE AND ITS EMPLOYEES, AGENTS, REPRESENTATIVES, **SUCCESSORS** AND ASSIGNS (COLLECTIVELY, THE "SUBLESSEE INDEMNIFIED PARTIES"), FROM AND AGAINST ALL CLAIMS RESULTING FROM OR CONCERNING THIS SUBLEASE AGREEMENT OR THE CONDUCT OF MASTER LESSEE'S BUSINESS AT THE AIRPORT, TO THE EXTENT CAUSED BY (A) ANY BREACH OF THIS SUBLEASE AGREEMENT BY MASTER LESSEE, ITS AGENTS, EMPLOYEES OR CONTRACTORS, (B) ANY FALSE REPRESENTATION OR WARRANTY MADE BY MASTER LESSEE HEREUNDER, AND (C) ANY NEGLIGENT ACT OR OMISSION OR WILLFUL MASTER LESSEE, OR ITS AGENTS, EMPLOYEES MISCONDUCT OF CONTRACTORS. MASTER LESSEE SHALL ASSUME ON BEHALF OF THE SUBLESSEE INDEMNIFIED PARTIES AND CONDUCT WITH DUE DILIGENCE AND IN GOOD FAITH THE DEFENSE OF ALL SUCH CLAIMS AGAINST ANY OF THE SUBLESSEE INDEMNIFIED PARTIES. MASTER LESSEE MAY CONTEST THE VALIDITY OF ANY SUCH CLAIMS, IN THE NAME OF MASTER LESSEE OR THE SUBLESSEE INDEMNIFIED PARTIES, AS MASTER LESSEE MAY IN GOOD FAITH DEEM APPROPRIATE. PROVIDED THAT THE EXPENSES THEREOF SHALL BE PAID BY MASTER LESSEE. THE PROVISIONS OF THIS SECTION 15.2 SHALL SURVIVE THE EXPIRATION OR EARLY TERMINATION OF THIS SUBLEASE AGREEMENT. In the event that this Sublease Agreement becomes, and for so long as it remains, a direct lease between City and Sublessee, this Section shall be null and void and not applicable as to City.
- 15.2 <u>Release</u>. OTHER THAN TO THE EXTENT CAUSED BY THE GROSS NEGLIGENCE OR WILLFUL MISCONDUCT OF THE INDEMNIFIED PARTIES, SUBLESSEE HEREBY RELEASES THE INDEMNIFIED PARTIES WITH RESPECT TO ALL CLAIMS REGARDING ANY ALLEGED, ESTABLISHED OR ADMITTED NEGLIGENT OR WRONGFUL ACT OR OMISSION OF THE INDEMNIFIED PARTIES, INCLUDING ALL CLAIMS CAUSED BY THE NEGLIGENCE OR STRICT LIABILITY OF THE INDEMNIFIED PARTIES.
- 15.3 <u>Survival</u>. SUBLESSEE AND MASTER LESSEE AGREE AND ACKNOWLEDGE THAT <u>Sections 15.1 through 15.3</u> ARE THE PRODUCT OF MUTUAL NEGOTIATION. Sublessee's obligations under <u>Section 15.1 through 15.3</u> shall survive the expiration or earlier termination of the Sublease Term.
- 15.4 <u>Insurance</u>. Sublessee shall obtain and keep in force, at its sole cost and expense, during the Sublease Term the following types of insurance, in the amounts specified and in the form hereinafter provided:

- 15.4.1 Workers' Compensation and Employers Liability coverage with limits consistent with statutory benefits outlined in the Texas Workers' Compensation Act (Texas Labor Code Title 5.) and minimum policy limits for employers liability of \$1,000,000 bodily injury each accident, \$1,000,000 bodily injury by disease policy limit and \$1,000,000 bodily injury by disease each employee. The following endorsements shall be added to the policy:
- 15.4.1.1 A Waiver of Subrogation in favor of the City of Austin and Master Lessee, form WC 420304; and
- 15.4.1.2 A 30 day Notice of Cancellation/Material Change in favor of the City of Austin and Master Lessee, form WC 420601.
- 15.4.2 Commercial General Liability Insurance with a minimum bodily injury and property damage per occurrence limit of \$1,000,000 for coverage A (Bodily Injury and Property Damage) and coverage B (Personal and Advertising Injury); and \$1,000,000 product/completed operations minimum limit of liability. The policy shall contain the following provisions:
 - 15.4.2.1 Blanket contractual liability coverage;
- 15.4.2.2 Medical expense coverage with a minimum limit of \$5,000 any one person;
 - 15.4.2.3 Fire Legal Liability with a minimum limit of \$50,000;
 - 15.4.2.4 Independent Contractors coverage;
- 15.4.2.5 City of Austin and Master Lessee listed as additional insured; form CG 2010;
- 15.4.2.6 Thirty-day Notice of Cancellation in favor of the City of Austin and Master Lessee, endorsement CG 0205; and
- 15.4.2.7 Waiver of Transfer of Right of Recovery Against Others in favor of the City of Austin and Master Lessee, endorsement CG 2404.
- 15.4.3 Business Automobile Liability Insurance for all owned, non-owned and hired vehicles with a minimum combined single limit of \$1,000,000 for bodily injury and property damage. The policy shall contain the following provisions:
- 15.4.3.1 City of Austin and Master Lessee (and Bond Trustee if so directed by City) named as additional insured(s), form CA 2048;
- 15.4.3.2 Thirty-day Notice of Cancellation in favor of the City and Master Lessee, form CA 0244; and
 - 15.4.3.3 Waiver of Subrogation endorsement CA 0444.

- 15.4.4 All Risk Property Insurance for all Initial Tenant Improvements, any Alterations constructed by Sublessee in the CONRAC and all of the RAC's Property for 100% of the replacement cost value. The Sublessee shall be named as loss payee on the policy and such policy shall contain a waiver of subrogation endorsement in favor of City and Master Lessee.
- 15.5 <u>General Requirements</u>. Sublessee and its contractors and subcontractors shall not commence operations under this Sublease Agreement until Sublessee and its contractors and subcontractors have obtained the required insurance and Certificates of Insurance are received and reviewed by City and Master Lessee indicating required coverage. If coverage period ends during the Sublease Term of this Sublease Agreement, Sublessee and its contractors and subcontractors must, prior to the end of the coverage period, forward a new Certificate of Insurance to City and Master Lessee as verification of continuing coverage for the duration of this Sublease Agreement.
- 15.5.1 Approval of insurance by City and Master Lessee and the required minimums shall not relieve or decrease the liability or responsibility of Sublessee hereunder and shall not be construed to be a limitation of liability on the part of Sublessee.
- 15.5.2 Sublessee's and all contractors' and subcontractors' insurance coverage shall be written by companies licensed to do business in the State of Texas at the time the policy is issued and shall be written by companies with an A.M. Best rating of B+VII or better. Companies with A.M. Best ratings of A- or better, if required, shall write hazardous materials insurance. This section shall not be deemed to prohibit self-insurance, provided that self-insurance shall not be acceptable except to any extent that Sublessee provides to City documentation of any Sublessee self-insurance program that City, in its sole discretion, accepts as evidencing substantial equivalency to the insurance policies, terms and financial soundness described hereunder.
- 15.5.3 Except as permitted by <u>Section 16.18</u>, Sublessee will not engage in operations or store any property in the facilities that will cause an increase in the premium rate paid by the Airport for fire and extended coverage insurance or that will cause an increase in the premiums paid for such insurance of other tenants or subtenants in the Airport, unless Sublessee pays the entire amount of such increase or increases. Further, Sublessee will not engage in operations or store any property in the Subleased Premises which may make void or voidable any such insurance policies.

All endorsements, waivers, and notices of cancellation endorsements, as well as Certificates of Insurance naming City (and Bond Trustee, if so directed by City) as additional insured(s) shall indicate:

City of Austin/Department of Aviation Attn: Airport Property Manager 3600 Presidential Boulevard Austin, Texas 78719

15.5.4 The "other" insurance clause shall not apply to City where City is shown as additional insured on any policy or to Master Lessee where Master Lessee is shown as

additional insured on any policy. It is intended that policies required in this Sublease Agreement, covering City, Master Lessee and Sublessee, shall be considered primary coverage as applicable. If insurance policies are not written for amounts specified below, Sublessee shall carry Umbrella or Excess Liability Insurance for any differences in amounts specified. If Excess Liability Insurance is provided, it shall follow the form of the primary coverage.

- 15.5.5 In order to ensure compliance with the provisions of this <u>Article</u>, City and Master Lessee shall be entitled, upon request and without expense, to inspect certified copies of Sublessee's insurance policies and endorsements thereto at the Airport or other location in Austin, Texas reasonably designated by Sublessee.
- 15.5.6 The Master Lessee reserves and City is hereby granted the right to review the insurance requirements set forth during the Term of this Sublease Agreement and to make commercially reasonable adjustments to insurance coverage, limits, and exclusions when deemed necessary and prudent by City or Master Lessee based upon changes in statutory law, court decisions, and the claims history of their industry or the financial condition of the insurance company as well as the Sublessee, provided that Master Lessee shall not lessen any limit requirement or coverage requirement under the Master Lesse or allow any exclusions without express written consent by City.
- 15.5.7 Sublessee shall not cause or permit any insurance to lapse or to be canceled during the Sublease Term unless replaced by other insurance that satisfies the requirements of this <u>Article</u> as of the time of lapse or cancellation.
- 15.5.8 Sublessee shall pay all premiums, deductibles and self-insured retention's, if any, stated in policies. All deductibles or self-insured retention's shall be disclosed on the Certificate of Insurance.
- 15.6 <u>Claims Against Sublessee</u>. If a claim, demand, suit, or other action is made or brought by any person against Sublessee arising out of or concerning this Sublease Agreement, Sublessee shall give written notice thereof, to City and Master Lessee within two (2) Business Days after being notified of such claim, demand, suit, or action. Such notice shall enclose a true copy of all written claims. If the claim is not written, or the information is not discernible from the written claim, Sublessee shall state the date of notification of any such claim, demand, suit, or other action, the names and addresses of the person asserting such claim or that instituted or threatened to institute any type of action or proceeding, the basis of such claim, action, or proceeding, and the name of any person against whom such claim is being made. The notice shall be given to the Director as provided herein, and to the Austin City Attorney, City Hall, 301 West 2nd Street, Austin, Texas 78701. Notice under this Section to Master Lessee shall be given to the notice address provided under Section 26.9.
- 15.7 <u>Master Lessee's Insurance</u>. Master Lessee shall maintain all insurance required of it under the Master Lease with coverage amounts not less than specified therein. Master Lessee's Commercial General Liability Insurance, Business Automobile Liability Insurance, and any Pollution Liability Insurance and Umbrella policy, shall each name Sublessee as additional insured, and Master Lessee's All Risk Property Insurance shall contain a waiver of subrogation endorsement in favor of Concessionaire. For any claim or demand triggering coverage under

both Master Lessee-maintained insurance and Sublessee-maintained insurance, Master Lessee's insurance shall be primary except as follows: The Sublessee-maintained insurance shall be primary if the claim or demand is alleged to have occurred within Sublessee's Exclusive Use Space and there are no allegations of active negligence or wrongdoing against Master Lessee or any of its employees, agents, vendors or invitees arising from Master Lessee's operations or Master Lessee's use of the Leased Premises. In the event that this Sublease Agreement becomes, and for so long as it remains, a direct lease between City and Sublessee, this Section shall be null and void and not applicable as to City.

ARTICLE 16 COMPLIANCE WITH ENVIRONMENTAL LAWS

16.1 Definitions in Article 16 and Article 17.

"Environmental Laws" shall refer to and include, without limitation, all Federal, State, City, and local statutes, laws, ordinances, rules and regulations, now or hereafter in effect, and as amended from time to time, that are intended for the protection of the environment, or that govern, control, restrict, or regulate the use, handling, treatment, storage, discharge, disposal, or transportation of Hazardous Materials. Environmental Laws specifically include but are not limited to, the National Environmental Policy Act, the Comprehensive Environmental Response, Compensation and Liability Act, the Resource Conservation and Recovery Act, the Hazardous Materials Act, the Toxic Substances Control Act, the Clean Water Act, the Clean Air Act, the Superfund Authorization and Recovery Act, the Occupational Safety and Health Administration Hazard Communication Standards, the Texas Hazardous Materials Act, and the Texas Water Quality Control Act.

"Hazardous Materials" shall refer to, and include, without limitation, all substances whose use, handling, treatment, storage, disposal, discharge, or transportation is governed, controlled, restricted, or regulated by Environmental Laws, that have been defined, designated or listed by any responsible regulatory agency as being hazardous, toxic, radioactive, or that may present an actual or potential hazard to human health or the environment if improperly used, handled, treated, stored, disposed, discharged, generated or released. Hazardous Materials specifically include, without limitation, asbestos and asbestos-containing-materials, petroleum products, solvents, and pesticides.

Environmental Claims" shall refer to, and include, without limitation, all claims, demands, suits, actions, judgments, and liability for: (i) removal, remediation, assessment, transportation, testing and disposal of Hazardous Materials as directed by any government agency, court order, or Environmental Law; (ii) bodily injury, or death; (iii) damage to or loss of use of property of any person; (iv) injury to natural resources; (v) fines, costs, fees, assessments, taxes, demands orders, directives or any other requirements imposed in any manner by any governmental agency under Environmental Laws; and (vi) costs and expenses of cleanup, remediation, assessment testing, investigation, transportation and disposal of a Hazardous Material spill, release, or discharge.

"City" shall include City's elected and non-elected officials, officers, agents, employees, contractors, successors, and assigns.

"**Sublessee**" shall include Sublessee's directors, officers, agents, employees, contractors, subtenants, customers, invitees, successors, and assigns.

- Compliance. In its operations on the Subleased Premises and at the Airport, Sublessee shall strictly comply with all applicable Environmental Laws, the Airport Environmental Policies and Procedures (including without limitation, the Storm Water Pollution Prevention Plan ("SWPPP") and Spill Response Plan), which are incorporated by reference, and as of the Effective Date of this Sublease Agreement are located on the Airport's website at: www.ci.austin.tx.us/austinairport/swppp.htm. Without limiting the generality of the foregoing provision, Sublessee shall not use or store Hazardous Materials on or at the Subleased Premises or Airport except as reasonably necessary in the ordinary course of Sublessee's permitted activities at the Subleased Premises and Airport, and then only if such Hazardous Materials are properly labeled and contained as required pursuant to Applicable Laws, and notice of and a copy of the current material safety data sheet is provided to the DOA for each such Hazardous Material. Prior to commencing operations at the Subleased Premises or Airport, Sublessee will complete an Airport baseline environmental questionnaire. Sublessee shall not discharge, release, or dispose of any Hazardous Materials on the Subleased Premises or Airport or surrounding air, lands or waters in violation of Applicable Laws. Sublessee shall promptly notify City of any Hazardous Material spills, releases, or other discharges by Sublessee at the Airport in accordance with City's Spill Response Plan and promptly abate, remediate, and remove any the same to the extent required under Applicable Laws. Sublessee shall provide the City with copies of all reports, complaints, claims, citations, demands, inquiries, or notices relating to the environmental condition of the Airport, or any alleged material noncompliance with Environmental Laws by Sublessee at the Subleased Premises or Airport within ten (10) days after such documents are generated by or received by Sublessee. If Sublessee uses, handles, treats, or stores Hazardous Materials at the Subleased Premises or Airport, and it is necessary for Sublessee to arrange for the disposal of the Hazardous Materials, Sublessee shall comply with any applicable requirement under Applicable Laws to have a contract in place with an EPA or TCEQ approved waste transport or disposal company, and to identify and retain spill response contractors to assist with spill response and facilitate waste characterization, transport, and disposal. Complete records of all disposal manifests, receipts and other documentation required by Applicable Law shall be retained by the Sublessee and made available to City for review upon request. City shall have the right at any time to enter the Subleased Premises to inspect, take samples for testing, and otherwise investigate the Subleased Premises for the presence of Hazardous Materials. In exercising its right of access, City shall endeavor to minimize disruption of or interfere with Sublessee's operations or use of the Subleased Premises.
- Responsibility. Sublessee's Hazardous Materials shall be the responsibility of Sublessee. Sublessee shall be liable for and responsible to pay all Environmental Claims that arise out of or are caused in whole or in part from Sublessee's use, handling, treatment, storage, disposal, discharge, or transportation of Hazardous Materials on or at the Subleased Premises or Airport, the violation of any Environmental Law by Sublessee, or the failure of Sublessee to comply with the terms, conditions and covenants of this Article. If City or Master Lessee incurs any costs or expenses (including attorney, consultant and expert witness fees) arising from Sublessee's use, handling, treatment, storage, discharge, disposal, or transportation of Hazardous Materials on the Subleased Premises or the Airport, Sublessee shall promptly reimburse City or Master Lessee, as applicable, for such costs upon demand. All reporting requirements under

Environmental Laws with respect to spills, releases, or discharges of Hazardous Materials by Sublessee at the Subleased Premises or Airport shall be the responsibility of Sublessee.

16.4 <u>Environmental Claims Indemnity</u>.

- IN ADDITION TO ANY OTHER INDEMNITIES IN THIS SUBLEASE AGREEMENT, SUBLESSEE SHALL DEFEND, INDEMNIFY AND HOLD HARMLESS (A) CITY FROM ANY AND ALL ENVIRONMENTAL CLAIMS (INCLUDING REASONABLE ATTORNEY'S FEES, LITIGATION AND INVESTIGATION EXPENSES, AND COURT COSTS) ARISING OUT OF OR RESULTING IN WHOLE OR IN PART FROM SUBLESSEE'S USE, HANDLING, TREATMENT, STORAGE, DISPOSAL, DISCHARGE, OR TRANSPORTATION OF HAZARDOUS MATERIALS ON OR AT THE SUBLEASED PREMISES OR AIRPORT, THE VIOLATION OF ANY ENVIRONMENTAL LAW BY SUBLESSEE, OR THE FAILURE OF SUBLESSEE TO COMPLY WITH THE TERMS, CONDITIONS AND COVENANTS OF THIS ARTICLE AND (B) MASTER LESSEE FROM ANY AND ALL ENVIRONMENTAL CLAIMS (INCLUDING REASONABLE ATTORNEY'S FEES, LITIGATION AND INVESTIGATION EXPENSES, AND COURT COSTS) TO THE EXTENT ARISING OUT OF OR RESULTING FROM SUBLESSEE'S USE, HANDLING, TREATMENT, STORAGE, DISPOSAL, DISCHARGE, OR TRANSPORTATION OF HAZARDOUS MATERIALS ON OR AT THE SUBLEASED PREMISES OR AIRPORT, THE VIOLATION OF ANY ENVIRONMENTAL LAW BY SUBLESSEE, OR THE FAILURE OF SUBLESSEE TO COMPLY WITH THE TERMS, CONDITIONS AND COVENANTS OF THIS ARTICLE.
- IN THIS SUBLEASE AGREEMENT, MASTER LESSEE SHALL DEFEND, INDEMNITIES IN THIS SUBLEASE AGREEMENT, MASTER LESSEE SHALL DEFEND, INDEMNIFY AND HOLD HARMLESS SUBLESSEE FROM ANY AND ALL ENVIRONMENTAL CLAIMS (INCLUDING REASONABLE ATTORNEY'S FEES, LITIGATION AND INVESTIGATION EXPENSES, AND COURT COSTS) WITH RESPECT TO THE LEASED PREMISES (INCLUDING, WITHOUT LIMITATION, THE SUBLEASED PREMISES) TO THE EXTENT SUCH ENVIRONMENTAL CLAIMS ARISE OUT OF OR RESULT FROM MASTER LESSEE'S USE, HANDLING, TREATMENT, STORAGE, DISPOSAL, DISCHARGE, OR TRANSPORTATION OF HAZARDOUS MATERIALS ON OR AT THE LEASED PREMISES OR AIRPORT, THE VIOLATION OF ANY ENVIRONMENTAL LAW BY MASTER LESSEE, OR THE FAILURE OF MASTER LESSEE TO COMPLY WITH THE TERMS, CONDITIONS AND COVENANTS OF THIS <u>ARTICLE</u>. In the event that this Sublease Agreement becomes, and for so long as it remains, a direct lease between City and Sublessee, this Section shall be null and void and not applicable as to City.
- Agreement, Sublessee shall remove or remediate in accordance with applicable Environmental Laws and the Airport Environmental Rules and Policies, all of Sublessee's Hazardous Materials from the Subleased Premises and, if Sublessee is ceasing to operate at Airport, then from Airport, and surrounding lands and waters. Unless instructed otherwise by City, Sublessee shall also, prior to vacating the Subleased Premises and Airport, remove all aboveground and underground storage tanks, piping and other equipment, if any, installed by or on behalf of Sublessee in the CONRAC which stored Hazardous Materials, or which are contaminated by Hazardous

Materials, provided that Sublessee shall not at any time install or have installed any such storage tanks, piping or other equipment without express prior written consent of both Master Lessee and City.

- 16.6 <u>Stormwater Requirements</u>. Sublessee acknowledges that the Airport is subject to the National Pollution Discharge Elimination System Program ("NPDES") and Federal Stormwater Regulations (40 CFR Part 122) and the Texas Pollution Discharge Elimination System Program ("TPDES"). In its operations at the Subleased Premises and Airport, Sublessee shall comply with Applicable Law, including NPDES, TPDES, Federal and State Stormwater Regulations, including any permits thereunder, and the SWPPP.
- 16.7 <u>Sustainability</u>. Sublessee shall comply with Applicable Laws pertaining to recycling, energy, and natural resource conservation and management. Sublessee shall cooperate with City and Master Lessee in the implementation of energy conservation, water conservation, and waste minimization programs and policies the Master Lessee or City establishes from time to time.
- 16.8 <u>Survival</u>. The covenants, conditions, and indemnities in this <u>Article</u> shall survive the expiration or earlier termination of this Sublease Agreement.
- 16.9 <u>Pre-Lease Environmental Condition</u>. Sublessee acknowledges that City has or will conduct a full and complete Environmental Assessment (the "**Pre-Lease Environmental Evaluation**") of the CONRAC Site prior to or during construction of the CONRAC to identify, to the extent practicable, the nature and extent of Hazardous Materials, if any, present on the CONRAC Site (the "**Pre-Lease Environmental Condition**"). The costs associated with the Pre-Lease Environmental Evaluation and determination of the Pre-Lease Environmental Condition shall be Costs of the Project.
- 16.10 <u>Hazardous Materials</u>. Sublessee shall not allow the release, spill, discharge, leak, emission, injection, escape, migration or dumping in, on, about, from or adjacent to the Subleased Premises (including storm drains, sanitary sewer system, surface waters, soils, underground waters or air) of any Hazardous Material or other deleterious substance in any manner by any Sublessee Party that could be a detriment to the Subleased Premises or in violation of the Pollution Prevention Plan, the SPCC Plan, any City Codes and Standards, any City Environmental Permit or any of the Environmental Laws. To the extent applicable, Sublessee shall make available to City and Master Lessee upon request copies of all material safety data sheets for all Hazardous Materials used or stored on the Subleased Premises by any Sublessee Party and Sublessee's U.S. Environmental Protection Agency waste generator number and generator annual hazardous waste reports. To the extent applicable, Sublessee shall provide City and Master Lessee with copies of any environmentally related regulatory permits or approvals (including revisions or renewals) and any material report or notice Sublessee receives from, or provides to, any Governmental Authority in connection with the handling of Hazardous Materials on the Subleased Premises by any Sublessee Party or the presence, or possible presence, of any Hazardous Material in, on, about, from or adjacent to the Subleased Premises. Sublessee is responsible to report to City and Master Lessee any spills or emissions of Hazardous Materials resulting from the acts or omissions of any Sublessee Party in accordance with the City's Spill Response Plan and to report to the appropriate Governmental Authorities any spills

or emissions of Hazardous Materials by any Sublessee Party that are above reportable quantities as defined by applicable Environmental Laws.

- 16.11 <u>Pollution Prevention Plan</u>. Sublessee shall, through the Facility Manager, prepare and implement a Pollution Prevention Plan that addresses measures in effect by Sublessee to prevent pollution (specifically including storm water) through appropriate pollution prevention and good housekeeping practices and to control and perform immediate removal, investigation, remediation and restoration action in the event of a Release of a Hazardous Material or other deleterious material in connection with the operation of the Subleased Premises (including the Fuel Facilities) during the Sublease Term. The Master Lessee shall cause the Facility Manager to provide the Pollution Prevention Plan to City and Master Lessee not more than thirty (30) days before the Date of Beneficial Occupancy, and Sublessee shall be responsible to cause it to be updated to address future changes in the Subleased Premises or activities, operations and practices of Sublessee upon the Subleased Premises.
- 16.12 Spill Prevention Control and Countermeasure Plan. Sublessee shall, through the Facility Manager, determine whether Section 112.7 of Title 40 of the Code of Federal Regulations is applicable to the Sublessee's Exclusive Use Premises, its RAC Property and/or its operations, and whether Sublessee is required to prepare an SPCC Plan. This determination must be submitted to City for approval, with a copy to Master Lessee. Preparation of any Sublessee SPCC Plan shall be the responsibility of Sublessee, but may be accomplished by arrangements with the Facility Manager. Any SPCC Plan must be certified by a licensed professional engineer in accordance with all applicable Legal Requirements (specifically including the Environmental Laws) and an up-to-date copy thereof shall be furnished at all times to the Facility Manager.
- 16.13 Violation of Environmental Laws. If Sublessee, or the Subleased Premises as a result of an act or omission of a Sublessee Party, is in violation of any Environmental Law concerning the presence or use of Hazardous Materials or the handling or storing of hazardous wastes, Sublessee shall promptly take such action as is necessary to mitigate and correct the violation. If Sublessee does not act in such a manner, City and Master Lessee have the right, but not the obligation, to come onto the Subleased Premises, to act in place of Sublessee (and Sublessee hereby appoints each of City and Master Lessee as its agent for such purposes) and to take such action as City and Master Lessee deem necessary to ensure compliance or to mitigate the violation. If City and Master Lessee has a reasonable belief that a Sublessee Party is in violation of any of the Environmental Laws, or that a Sublessee Party's acts or omissions present a threat of violation or a threat of damage to the Subleased Premises, City and Master Lessee have the right to enter onto the Subleased Premises and take such corrective or mitigating action as it deems necessary. All reasonable and necessary costs and expenses incurred by City and Master Lessee, respectively, in connection with any such actions shall become immediately due and payable by Sublessee upon presentation of an invoice therefor. Interest shall accrue on all unpaid sums at the Default Rate.
- 16.14 <u>Inspection; Test Results</u>. City and Master Lessee shall each have access to the Subleased Premises to conduct (but shall have no obligation to conduct) environmental inspections, including an Environmental Audit, and Sublessee shall permit City and Master Lessee access to the Subleased Premises for the purpose of conducting environmental testing, whether in connection with City or Master Lessee action taken pursuant to <u>Section 16.13</u> hereof

or for other City or Master Lessee purposes; provided, however, except in the event of any real or threatened emergency, (a) such environmental testing by City or Master Lessee shall occur only during normal business hours, or at such other times as Sublessee shall reasonably approve; (b) City or Master Lessee provides notice to Sublessee of its intention to conduct such tests at least five (5) Business Days prior to such date of testing; (c) such testing shall not unreasonably interfere with Sublessee's normal business operations; and (d) any damages to the Subleased Premises caused by the environmental testing conducted by City shall be repaired by City at its sole cost and expense and any damages to the Subleased Premises caused by the environmental testing conducted by Master Lessee shall be repaired by Master Lessee, at no cost and expense to Sublessee (other than Sublessee's Pro Rate Share of O&M Costs). Sublessee shall not conduct or permit others to conduct environmental media testing on the Subleased Premises without first obtaining City's and Master Lessee's prior consent. Sublessee shall promptly inform City and Master Lessee of the existence of any environmental study, evaluation, investigation or results of any environmental testing conducted on the Subleased Premises whenever the same becomes known to Sublessee, and Sublessee shall provide copies thereof to City and Master Lessee.

16.15 Removal of Hazardous Materials. Prior to its vacation of the Subleased Premises, and in addition to all other requirements under this Sublease Agreement, Sublessee shall remove and remediate any Hazardous Materials stored, released, spilled, discharged, leaked, emitted, injected, escaped or dumped in, on or about or adjacent to, or that has migrated from, the Subleased Premises during the Sublease Term or Sublessee's possession of the Subleased Premises as a result of any act or omission of any Sublessee Party and shall demonstrate such removal to the reasonable satisfaction of City and Master Lessee. City and Master Lessee shall specifically have the right to insist on appropriate subsurface environmental investigations as part of any such demonstration. This removal and demonstration shall be a condition precedent to Master Lessee's return of the Security to Sublessee upon the expiration or earlier termination of the Sublease Term. With respect to the removal and remediation of any Hazardous Materials on the Subleased Premises, Master Lessee agrees that it will and City has committed that it will reasonably approve remediation criteria and investigation, monitoring and remediation activities comply with Environmental Laws and are consistent with commercial/industrial uses at the Subleased Premises as well as City's future development plans for the Subleased Premises. To the extent that any remediation activities approved by City will occur after the expiration or termination of this Sublease Agreement, City or Master Lessee, as applicable, will grant to Sublessee a non-exclusive revocable license to access the Subleased Premises solely for the purpose of performing any such removals or investigations required by this Section.

16.16 Remedies Not Exclusive. No remedy provided herein shall be deemed exclusive. In addition to any remedy provided above, City and Master Lessee shall be entitled to full reimbursement from Sublessee whenever City or Master Lessee incurs any costs resulting from the use or management of Hazardous Materials on the Subleased Premises by a Sublessee Party, including costs of remedial activities, fines or penalties assessed directly against City or Master Lessee, injuries to third Persons or other properties, and loss of revenues resulting from an inability to re-lease or market property due to its environmental condition, even if such loss of revenue occurs after the expiration or earlier termination of the Sublease Term.

16.17 Environmental Indemnity.

16.17.1 By Sublessee. IN ADDITION TO ALL OTHER INDEMNITIES PROVIDED IN THIS SUBLEASE AGREEMENT, SUBLESSEE AGREES TO DEFEND, INDEMNIFY AND HOLD CITY AND ITS ELECTED OFFICIALS, MANAGERS, OFFICERS, AGENTS AND EMPLOYEES, AND MASTER LESSEE AND ITS MEMBERS, MANAGERS, OFFICERS, AGENTS AND EMPLOYEES, FREE AND HARMLESS FROM ANY AND ALL CLAIMS, CAUSES OF ACTION, REGULATORY DEMANDS, LIABILITIES, FINES, PENALTIES, LOSSES, AND EXPENSES, INCLUDING REMEDIAL COSTS (AND INCLUDING REASONABLE ATTORNEYS' FEES, COSTS AND ALL OTHER REASONABLE LITIGATION EXPENSES WHEN INCURRED AND WHETHER INCURRED IN DEFENSE OF ACTUAL LITIGATION OR IN REASONABLE ANTICIPATION OF LITIGATION), ARISING FROM THE EXISTENCE OR DISCOVERY OF ANY HAZARDOUS MATERIAL ON THE SUBLEASED PREMISES, OR THE MIGRATION OF ANY HAZARDOUS MATERIAL FROM THE SUBLEASED PREMISES TO OTHER PROPERTIES OR INTO THE SURROUNDING ENVIRONMENT, ARISING OR RESULTING FROM ANY ACT OR OMISSION OF A SUBLESSEE PARTY, WHETHER (A) MADE, COMMENCED OR INCURRED DURING THE SUBLEASE TERM, OR (B) MADE, COMMENCED OR INCURRED AFTER THE EXPIRATION OR TERMINATION OF THE SUBLEASE TERM IF ARISING OUT OF EVENTS OCCURRING DURING THE SUBLEASE TERM; PROVIDED, HOWEVER, SUBLESSEE'S OBLIGATION TO INDEMNIFY CITY PURSUANT TO THIS SECTION SHALL NOT APPLY WITH RESPECT TO ANY RELEASE OF A HAZARDOUS MATERIAL CLEARLY ARISING OUT OF ANY CONSTRUCTION DEFECT IN THE FUEL FACILITIES, WHICH DEFECT IS DISCOVERED WITHIN ONE YEAR AFTER THE SUBSTANTIAL OCCUPANCY DATE. SUBLESSEE'S OBLIGATIONS UNDER THIS SECTION SHALL SURVIVE THE EXPIRATION OR EARLIER TERMINATION OF THE SUBLEASE TERM. RESPECT TO MASTER LESSEE ONLY, "ARISING FROM" IN THIS SECTION 16.17.1 SHALL BE REPLACED BY "TO THE EXTENT ARISING FROM" AND "ARISING OR RESULTING FROM ANY ACT OR OMISSION" IN THIS SECTION 16.17.1 SHALL BE REPLACED BY "TO THE EXTENT ARISING OR RESULTING FROM ANY NEGLIGENT OR GROSSLY NEGLIGENT ACT OR OMISSION OR ANY WILLFUL MISCONDUCT." In the event that this Sublease Agreement becomes, and for so long as it remains, a direct lease between City and Sublessee, the last sentence of this Section shall be null and void and not applicable as to City.

16.17.2 <u>By Master Lessee</u>. IN ADDITION TO ALL OTHER INDEMNITIES PROVIDED IN THIS SUBLEASE AGREEMENT, MASTER LESSEE AGREES TO DEFEND, INDEMNIFY AND HOLD SUBLESSEE AND ITS MANAGERS, OFFICERS, AGENTS AND EMPLOYEES, FREE AND HARMLESS FROM ANY AND ALL CLAIMS, CAUSES OF ACTION, REGULATORY DEMANDS, LIABILITIES, FINES, PENALTIES, LOSSES, AND EXPENSES, INCLUDING REMEDIAL COSTS (AND INCLUDING REASONABLE ATTORNEYS' FEES, COSTS AND ALL OTHER REASONABLE LITIGATION EXPENSES WHEN INCURRED AND WHETHER INCURRED IN DEFENSE OF ACTUAL LITIGATION OR IN REASONABLE ANTICIPATION OF LITIGATION), TO THE EXTENT ARISING FROM THE EXISTENCE OR DISCOVERY OF ANY HAZARDOUS MATERIAL ON THE LEASED PREMISES, OR THE MIGRATION OF ANY

HAZARDOUS MATERIAL FROM THE LEASED PREMISES TO OTHER PROPERTIES OR INTO THE SURROUNDING ENVIRONMENT, TO THE EXTENT ARISING OR RESULTING FROM ANY ACT OR OMISSION OF A MASTER LESSEE PARTY, WHETHER (A) MADE, COMMENCED OR INCURRED PRIOR TO OR DURING THE SUBLEASE TERM, OR (B) MADE, COMMENCED OR INCURRED AFTER THE EXPIRATION OR TERMINATION OF THE SUBLEASE TERM IF ARISING OUT OF EVENTS OCCURRING DURING THE SUBLEASE TERM. MASTER LESSEE'S OBLIGATIONS UNDER THIS SECTION 16.18 SHALL SURVIVE THE EXPIRATION OR EARLIER TERMINATION OF THE SUBLEASE TERM. In the event that this Sublease Agreement becomes, and for so long as it remains, a direct lease between City and Sublessee, this Section shall be null and void and not applicable as to City.

16.18 <u>Acknowledgement of Use of Certain Materials</u>. Notwithstanding any other provision of this Sublease Agreement, Sublessee, Master Lessee and City acknowledge and agree that fuel to be used at the fuel dispensers in the QTA Facility, windshield wiper fluids, similar light fluids and cleaning products to be used on or in Sublessee's vehicles and cleaning products in de minimus quantities for use in the Subleased Premises may and will all be stored and used in the Subleased Premises in the ordinary course of the operation of Sublessee's Rental Car Concession, subject to compliance with Environmental Laws and other Applicable Laws.

ARTICLE 17 FUEL FACILITIES AND MANAGEMENT

- 17.1 <u>Fuel Facilities</u>. Master Lessee, as part of the construction of the CONRAC, shall build, install and equip gasoline Fuel Facilities in the QTA Facility for the use and benefit of the CONRAC and the RACs. The Fuel Facilities shall include aboveground and underground fuel tanks, piping, automated fuel leak sensors, dispensers and appropriate equipment to support the fueling of rental cars. In accordance with the allocation plan and procedures depicted and described in **Exhibit E**, Sublessee shall be allocated one or more specific fuel dispensers to fuel its rental cars, preferably on the level of the QTA that corresponds to its ready/return spaces, but always on the same QTA level as its car wash(es). Sublessee is hereby given a license to make beneficial use of the Fuel Facilities that support its allocated dispenser(s), provided that all portions of the Fuel Facilities other than the Sublessee's specifically designated dispenser(s) shall at all times remain Reserved Area in the exclusive operational control of the Master Lessee through the Facility Manager.
- 17.2 <u>Fuel and Environmental Responsibilities</u>. Sublessee shall operate its allocated fuel dispenser(s) in accordance with Environmental Laws and in such a manner as to prevent and eliminate fuel spills or damage to the Fuel Facilities. Sublessee shall be responsible (a) to train its employees who use its allocated fuel dispenser(s) in their proper use, care and maintenance, and (b) for any and all damage to the Fuel Facilities, the CONRAC or the environment arising from its employees' acts or omissions relating to is allocated fuel dispenser(s).
- 17.3 <u>Fuel Facilities Management</u>. Master Lessee shall require the proposed Facility Manager to operate, maintain and repair the Fuel Facilities, under its contract with the Master Lessee. The identity of the Facility Manager and the terms and conditions of any agreement or contract with the Facility Manager, including the Facility Management Agreement shall be

subject to City approval, which approval shall not be unreasonably withheld so long as the proposed Facility Manager has (a) significant experience in the management and operation of commercial fueling facilities similar in nature and scale to the Fuel Facilities in the CONRAC in a competent and professional manner in accordance with operating standards and policies standard in the industry and with a proven track record of successful, environmentally compliant operations, and (b) the financial strength and management competency, with personnel having appropriate experience, to operate, maintain, manage and repair the Fuel Facilities. In accordance with Section 17.1 of the Master Lease, before any date on which Master Lessee intends to change the identity of, or the terms of the Facility Management Agreement as it relates to the Fuel Facilities, Master Lessee shall submit to City for its review and approval, such approval not to be unreasonably withheld.

- 17.3.1 Any contract with the Facility Manager as it relates to the Fuel Facilities shall satisfy the following minimum parameters:
 - (a) Be consistent with the Master Lease;
 - (b) Not exceed the Lease Term;
 - (c) Provide for the management and maintenance of Common Use Areas and Common Use Operational Areas in accordance with Master Lease and allocation of costs in accordance with the budgeting procedures described herein for each Sublease Agreement Year;
 - (d) Require the Facility Manager to maintain a training program and conduct proper reporting, testing, and inspections of the Fuel Facilities;
 - (e) Require the Facility Manager to abide by and follow City Codes and Standards, including rules relating to the Airport, all applicable Environmental Laws, laws and regulations relating to safety and security and all requirements of the Master Lease, Applicable Laws and any other Legal Requirements.
 - (f) Require the Facility Manager to obtain and maintain insurance of like kind, amount, terms and conditions required of Master Lessee under the Master Lease and naming not only City, but also the Master Lessee and the RACs, and the respective officers, employees and agents of each, as additional insureds and loss payees under such policies on terms and conditions acceptable to City in its sole discretion;
 - (g) Require the Facility Manager to indemnify and defend the City, Master Lessee and the RACs, on terms acceptable to the City in its sole discretion, from any damages, claims or the like resulting from its acts or omissions and from the operation, maintenance, and management of the Fuel Facilities;
 - (h) Consistent with operating agreements customary in the fuel facilities management industry;
 - (i) May not be cancelled or terminated without prior written notice to City and Master Lessee;

- (j) May be assumed by City at its option in the event of a default by Master Lessee or any of the RACs thereunder which has not been cured within any applicable notice and cure period.; and
- (k) City shall be specifically named as a third-party beneficiary of the Facility Management Agreement.
- 17.3.2 All insurance purchased shall provide that it cannot be cancelled or terminated without 30 days prior notice to Master Lessee and City, and all indemnities shall continue upon any termination of the Facility Management contract through the date ten (10) days after every similar indemnity in the Master Lease ceases to be enforceable.
- 17.4 <u>Fuel Supply</u>. The Master Lessee and/or the RACs shall also enter into a fuel supply agreement with the Facility Manager or a third-party fuel supplier to provide a continuous source of gasoline for the CONRAC and shall be specifically be subject to City's approval, which shall not be unreasonably withheld. Any resulting agreement shall be negotiated by and among the parties and the resulting fuel supply agreement shall have terms that provide for financial deposits, prompt payments, cross-defaults, and the authority and ability of the Facility Manager to turn off or otherwise disable any or all fuel dispenser(s) allocated to the Sublessee in the event that, and so long as, any payment from Sublessee for fuel is and remains unpaid more than ten (10) days after the date due.
- Assurance to City as required under Master Lease Section 17.4, and Sublessee shall cooperate with Master Lessee's and the Facility Manager's obligations to meet the Financial Assurance requirements. Sublessee shall be responsible for the cost of Master Lessee's Financial Assurance through Pro Rata Share monthly O&M Cost payments and/or an additional deposit as determined by Master Lessee. Sublessee shall also pay any advance payment or deposit and any other amounts that that Master Lessee or the Facility Manager deems necessary and prudent to ensure a reliable supply of fuel sufficient for all RACs in Good Standing at the CONRAC.
- 17.6 Environmental Assessment. Within forty-five (45) days after any change in the Facility Manager and/or the Master Lessee, Master Lessee, at the sole cost and expense of Master Lessee under the Facility Management Agreement with the in-coming or out-going Facility Manager and/or the Master Lessee, conduct an Environmental Assessment of the CONRAC Site and specifically the Fuel Facilities to identify, to the extent practicable, the nature and extent of any Hazardous Materials Release, if any, present on the CONRAC Site since the Pre-Lease Environmental Evaluation or any prior Environmental Assessment pursuant to this Section. Prior to conducting the Environmental Assessment, Master Lessee shall consult with City in the preparation of an assessment plan. The results of the plan will be compiled in a report and shall set forth any change in the environmental condition of the CONRAC Site since the Pre-Lease Environmental Condition or any prior Environmental Assessment pursuant to this Section. Any contamination identified shall be subject to remediation as more particularly set forth in Article 16 hereof and this Article.
- 17.7 <u>Master Lessee's Responsibilities</u>. Without limiting the responsibility of Sublessee for proper use of, for payment of or liability for improper use of, Sublessee Direct Costs relating

to its allocated fuel dispenser(s), Master Lessee through the Facility Manager shall otherwise be responsible for the proper operation, maintenance, repair and use of the Fuel Facilities and the payment of all costs and expenses incurred in connection with the operation, maintenance, repair and use of the Fuel Facilities as O&M Costs allocated to the RACs by Pro Rata Share, except for the cost of fuel allocated to the RACs according to consumption. Also without limiting Sublessee's responsibility for its own acts or omissions, Master Lessee, through the Facility Manager, also shall be entirely responsible for any spill response, the immediate or other removal, investigation, remediation, restoration and other corrective actions, or site closure associated with a Release of any Hazardous Material from the Fuel Facilities. Immediately upon becoming aware that a Release of any Hazardous Material from the Fuel Facilities has occurred, Master Lessee shall advise the Facility Manager and City of such Release in accordance with the City's Spill Response Plan. In addition, immediately upon becoming aware that a Release of any Hazardous Material from the Fuel Facilities has occurred, the Facility Manager shall advise Master Lessee and City of such Release in accordance with the City's Spill Response Plan. City shall have no liability for, or responsibility for the payment of, any costs, expenses or liabilities incurred in connection with the operation, maintenance, repair and use of the Fuel Facilities or any fees, costs, expenses or reimbursements due to the Facility Manager.

- 17.7.1 In the event of any spill or Release involving any Hazardous Material upon the CONRAC Site and/or any event or mishap that directly threatens the spill or Release of any Hazardous Material upon the CONRAC Site, the Facility Manager will immediately take all necessary action to address such event, spill, Release or other mishap in accordance with the City's Spill Response Plan and Applicable Laws.
- 17.7.2 Sublessee shall conduct all of its activities on, or relating to, the Fuel Facilities: (a) in compliance with the Environmental Laws, the provisions of this Sublease Agreement, City Codes and Standards and any other Legal Requirements; (b) in cooperation with City in City's efforts to comply with the Environmental Laws; (c) in adherence with Best Management Practices applicable to the RACs' use of the CONRAC Site; and (d) the Fuel Facilities Operations Manual. In the event of a conflict between any provisions of this Sublease Agreement and the Environmental Laws, the more stringent provisions shall govern and control.
- 17.8 <u>Necessary Permits</u>. Sublessee shall obtain and maintain any and all necessary permits or consents required by the Environmental Laws with respect to its use of the Fuel Facilities. Sublessee shall promptly furnish Master Lessee and City with copies of these permits and consents as they may be issued or renewed from time to time and all material correspondence between Sublessee and any permitting agency.
- 17.9 Environmental Audit. Master Lessee shall, through the Facility Manager, hire an independent third party to conduct an Environmental Audit of the entire CONRAC Site (including the Fuel Facilities) and each RAC's and the Facility Manager's operations, equipment, facilities and fixtures on or about the CONRAC Site every third (3rd) Lease Agreement Year after the Opening Date. The Environmental Audit shall be conducted on or about the commencement of each third (3rd) Sublease Agreement Year. Master Lessee shall, through the Facility Manager, review with City, not later than thirty (30) days following the commencement of each such third (3rd) Lease Agreement Year, the results of such Environmental Audit together with a draft plan (including a performance schedule) to complete

all repairs, replacements and/or upgrades of the CONRAC Site (including the Fuel Facilities) and associated structures and/or facilities, and all modifications to the Fuel Facility Operations Manual or other operational plans and procedures associated with the Fuel Facilities, all as reasonably recommended by such Environmental Audit. City shall have thirty (30) days within which to comment upon the draft plan, and Master Lessee shall, through the Facility Manager, promptly incorporate any comments of City into a final plan and complete all repairs, replacements and/or upgrades according to the final plan (and performance schedule). Master Lessee shall, through the Facility Manager, also modify the Fuel Facility Operations Manual or other operational plans and procedures associated with the Fuel Facilities as reasonably recommended by such Environmental Audit. Any Alteration on or about the Subleased Premises shall be accomplished in accordance with Article 2 hereof (except in regards to deadlines and reimbursement applicable only to Initial Tenant Improvements).

17.10 Subsequent City Environmental Audit. City shall have the right to conduct its own Environmental Audit of the CONRAC Site and the Facility Manager's operations, equipment, facilities and fixtures on or about the CONRAC Site. Master Lessee shall, through the Facility Manager, provide City with a draft plan (including a performance schedule) to complete all repairs, replacements and/or upgrades of the CONRAC Site and associated structures and/or facilities located on or about the CONRAC Site and all modifications to the Fuel Facility Operations Manual or other operational plans and procedures associated with the Fuel Facilities, all as reasonably recommended by any such Environmental Audit, not later than thirty (30) days following their receipt of the results thereof. City shall have thirty (30) days within which to review and comment upon the draft plan. Master Lessee shall, through the Facility Manager, promptly incorporate any City comments into a final plan and complete all repairs, replacements and/or upgrades according to the final plan (and performance schedule). Master Lessee shall, through the Facility Manager, also modify the Fuel Facility Operations Manual or other operational plans and procedures associated with the Fuel Facilities as reasonably recommended by any such Environmental Audit. Any Alteration on or about the Subleased Premises shall be accomplished in accordance with Article 2 hereof. In conducting any Environmental Audit, City shall not unreasonably interfere with the business operations of Master Lessee or the RACs and, if it shall damage or otherwise disturb the Subleased Premises during such Environmental Audit, City shall restore the Subleased Premises to the substantially the same condition as existed prior to the damage.

17.11 <u>General Standards</u>. In determining those recommendations incorporated into any Environmental Audit that are reasonable (and therefore to be implemented), all recommendations shall be presumed reasonable unless Master Lessee can demonstrate in a manner acceptable to City that a recommendation (a) is not required by Legal Requirements and (b) the cost of implementing such recommendation significantly outweighs the benefits thereof.

17.12 Environmental Indemnity.

17.12.1 <u>By Sublessee</u>. SUBLESSEE SHALL DEFEND, INDEMNIFY AND HOLD MASTER LESSEE AND CITY AND ITS COUNCIL MEMBERS, MANAGERS, OFFICERS, AGENTS AND EMPLOYEES, HARMLESS FROM ANY DAMAGES, CLAIMS OR LIABILITY ARISING OUT OF ANY SUBLESSEE PARTY'S USE OF THE FUEL FACILITIES ON OR ABOUT THE CONRAC SITE OR OCCUPANCY OF THE FUEL

FACILITIES ON OR ABOUT THE SUBLEASED PREMISES, INCLUDING LIABILITY FOR INVESTIGATION AND REMEDIAL ACTION RELATED TO THE FOLLOWING OR SIMILAR ACTIVITIES OCCURRING DURING AND BY REASON OF ANY SUBLESSEE PARTY'S USE AND/OR OPERATION OF THE FUEL FACILITIES: (A) ANY RELEASES, SPILLS, DISCHARGES, LEAKS, EMISSIONS, INJECTIONS, ESCAPES, DUMPING, GENERATION, TRANSPORTATION, STORAGE, TREATMENT OR DISPOSAL OF HAZARDOUS MATERIALS; (B) ANY OTHER DISCHARGE TO SURFACE OR GROUND WATERS; (C) ANY AIR EMISSIONS; AND (D) ANY CONTAMINATION OF SOIL OR GROUND WATERS BENEATH OR ADJACENT TO THE CONRAC SITE, EXCEPT FOR SUCH DAMAGE, CLAIMS OR LIABILITY (I) CAUSED BY MASTER LESSEE, THE FACILITY MANAGER, CITY OR ITS OFFICERS, AGENTS OR EMPLOYEES, (II) ASSOCIATED WITH THE PRE-LEASE ENVIRONMENTAL CONDITION, (III) CLEARLY ARISING FROM ANY CONSTRUCTION DEFECT IN THE FUEL FACILITIES DISCOVERED WITHIN ONE (1) YEAR AFTER SUBSTANTIAL COMPLETION, OR (IV) ASSOCIATED WITH ANY HAZARDOUS MATERIAL CLEARLY MIGRATING ONTO THE CONRAC SITE FROM SOME OTHER LOCATION THROUGH NO ACT OR OMISSION OF SUBLESSEE. WITH RESPECT TO CLEAN-UP OF ANY HAZARDOUS MATERIALS ON THE SUBLEASED PREMISES, CITY HAS AGREED THAT IT WILL REASONABLY APPROVE, AND MASTER LESSEE AGREES THAT IT WILL NOT OBJECT TO, REMEDIATION CRITERIA AND INVESTIGATION, MONITORING AND REMEDIATION ACTIVITIES THAT COMPLY WITH ENVIRONMENTAL LAWS AND ARE CONSISTENT WITH BOTH CURRENT COMMERCIAL/INDUSTRIAL USES AT THE CONRAC SITE, AS WELL AS THE FUTURE DEVELOPMENT PLANS OF MASTER LESSEE FOR THE CONRAC SITE. WITH RESPECT TO MASTER LESSEE ONLY, "ARISING OUT OF" IN THIS SECTION 17.12.1 SHALL MEAN "TO THE EXTENT ARISING OUT OF." In the event that this Sublease Agreement becomes, and for so long as it remains, a direct lease between City and Sublessee, the last sentence of this Section 17.12.1 shall be null and void and not applicable as to City.

17.12.2 By Master Lessee. MASTER LESSEE SHALL DEFEND. INDEMNIFY AND HOLD SUBLESSEE ITS OFFICERS, AGENTS AND EMPLOYEES. HARMLESS FROM ANY DAMAGES, CLAIMS OR LIABILITY TO THE EXTENT ARISING OUT OF ANY MASTER LESSEE PARTY'S USE OR OCCUPANCY OF THE FUEL FACILITIES ON OR ABOUT THE CONRAC SITE, INCLUDING LIABILITY FOR INVESTIGATION AND REMEDIAL ACTION RELATED TO THE FOLLOWING OR SIMILAR ACTIVITIES OCCURRING DURING ANY MASTER LESSEE PARTY'S USE AND/OR OPERATION OF THE FUEL FACILITIES: (A) ANY RELEASES, SPILLS, DISCHARGES. LEAKS, EMISSIONS, INJECTIONS, ESCAPES, DUMPING. GENERATION, TRANSPORTATION, STORAGE, TREATMENT OR DISPOSAL OF HAZARDOUS MATERIALS; (B) ANY OTHER DISCHARGE TO SURFACE OR GROUND WATERS; (C) ANY AIR EMISSIONS; AND (D) ANY CONTAMINATION OF SOIL OR GROUND WATERS BENEATH OR ADJACENT TO THE CONRAC SITE, EXCEPT FOR SUCH DAMAGE, CLAIMS OR LIABILITY (I) CAUSED BY SUBLESSEE OR ITS OFFICERS, AGENTS OR EMPLOYEES, (II) ASSOCIATED WITH THE PRE-LEASE ENVIRONMENTAL CONDITION, OR (III) ASSOCIATED WITH ANY HAZARDOUS MATERIAL CLEARLY MIGRATING ONTO THE CONRAC SITE FROM SOME OTHER LOCATION THROUGH NO ACT OR OMISSION OF MASTER LESSEE. In the event that this Sublease Agreement becomes, and for so long as it remains, a direct lease between City and Sublessee, this Section shall be null and void and not applicable as to City.

17.13 Environmental Certification. Sublessee shall provide to Master Lessee at the commencement of each Sublease Agreement Year (other than the first) a written statement that Sublessee's occupation and use of the CONRAC Site, complied with (a) the Pollution Prevention Plan, the SPCC Plan, the terms of all applicable permits, the Fuel Facilities Operations Manual and the Environmental Laws during the preceding Sublease Agreement Year, and (b) all directions and recommendations set forth in any previous Environmental Audit. If Master Lessee is unable to provide such certification or documentation to City in accordance with Section 17.3 of the Master Lease, then the RACs shall, through the Facility Manager, provide City with a written statement of the steps that are being taken to enable them to provide City with a certification of compliance and all required documentation.

ARTICLE 18 DAMAGE OR DESTRUCTION; EMINENT DOMAIN

- 18.1 <u>Minor Damage</u>. In the event that the Subleased Premises or the portion of the CONRAC of which the Subleased Premises are a part are damaged by fire or other casualty, and if the damage can be repaired within thirty (30) days from the date of the occurrence (with repair work and the preparations therefor to be done during regular working hours on regular work days), the Subleased Premises (but excluding the Initial Tenant Improvements, Alterations by Sublessee, RAC Property and the furniture, fixtures and equipment owned by Sublessee pursuant to <u>Section 11.3</u> hereof) shall be repaired with due diligence by Master Lessee in accordance with Master Lease Section 19.1. While the repairs are being completed, Sublessee shall continue to pay its Pro Rata Share of Base Rent and O&M Costs and all other amounts owed to Master Lessee hereunder without abatement.
- Major Damage or Destruction. In the event that the Subleased Premises or the portion of the CONRAC of which the Subleased Premises are a part are completely destroyed by fire or other casualty, or damaged to such an extent that the damage cannot be repaired within thirty (30) days of the occurrence, City has reserved the option to terminate the Master Lease, and thereby this Sublease Agreement, by notice to Master Lessee and Sublessee within thirty (30) days after the occurrence of any such damage, and such termination shall be effective as of any date not more than sixty (60) days after the occurrence. If City elects to terminate the Master Lease, under Master Lease Section 19.2, all insurance proceeds in connection with the loss or damage either received by City or Master Lessee or due from policies for which City is named as the loss payee or an additional insured shall be and remain the sole property of City. If City shall elect to continue the Master Lease and this Sublease Agreement in effect, Master Lessee shall commence and prosecute with due diligence any work necessary to restore or repair the Subleased Premises (but excluding the Initial Tenant Improvements, Alterations by Sublessee, RAC Property and the furniture, fixtures and equipment owned by Sublessee pursuant to Section 11.3 hereof), with the costs of the work to be provided by insurance proceeds received by either Master Lessee or City in connection with the loss or damage, together with funds in the Repair and Replacement Fund and the CFC Surplus Fund pursuant to Master Lease Section 19.2. If City fails to notify Sublessee of its election to terminate the Master Lease and this Sublease Agreement as provided in this Section 18.2, City shall be deemed to have elected to continue the

Master Lease and this Sublease Agreement. For the period from the occurrence of any damage to the Subleased Premises to the date of substantial completion of the repairs to the Subleased Premises (or to the date of termination of the Master Lease and this Sublease Agreement if City elects not to continue the Master Lease and this Sublease Agreement), the Pro Rata Share of Base Rent shall be abated in the same proportion that any untenantable portion of the Sublessee's Exclusive Use Premises bears to Sublessee's entire Exclusive Use Premises. Sublessee shall be responsible for a reasonable share of the Utilities Costs otherwise payable for the CONRAC to account for the amounts consumed in the completion of the repairs.

- Sublessee's Improvements. In the event that the Subleased Premises or the 18.3 portion of the CONRAC of which the Subleased Premises are a part are damaged or destroyed by fire or other casualty, Sublessee shall, at is sole cost and expense, be responsible, without regard to the cause of loss, for the repair, restoration and replacement of the Initial Tenant Improvements, Alterations by Sublessee, RAC Property and the furniture, fixtures and equipment owned by Sublessee. Sublessee shall complete the repair, restoration and replacement thereof within thirty (30) days in the case of minor damage and ninety (90) days in the case of major damage after such fire or other casualty in accordance with the requirements of this Sublease Agreement. In the event a fire or casualty causes loss or damage to Sublessee's Initial Tenant Improvements or Alterations, but does not materially affect the Common Use Areas, the CONRAC or the CONRAC Site, Sublessee shall continue to be responsible for the entire Pro Rata Share of Base Rent that is owed to Master Lessee hereunder without abatement. A fire or casualty shall be deemed to materially affect the Common Use Areas, the CONRAC or the CONRAC Site when Sublessee is prohibited from operating or doing business with the public for a period of thirty (30) consecutive days.
- 18.4 <u>Contingent Business Interruption</u>. In the event that Sublessee's access to or use of the Subleased Premises or the portion of the CONRAC of which the Subleased Premises are a part is materially impaired for a period exceeding forty-five (45) days under circumstances that give rise to rent abatement to Master Lessee under Section 19.4 of the Master Lease, Sublessee shall benefit on a Pro Rata Share basis in any rent abatement allowed by City under Section 19.4 of the Master Lease, but otherwise shall not be abated.

18.5 <u>Condemnation</u>.

18.5.1 If at any time during the Sublease Term the entire Subleased Premises shall be taken for any public or quasi-public use under any statute or by right of eminent domain this Sublease Agreement shall terminate on the date of such taking. If less than all of the Subleased Premises shall be so taken and in Master Lessee's and Sublessee's reasonable opinion the remaining portion of the Subleased Premises is insufficient for the conduct of Sublessee's business, Master Lessee and Sublessee, with the prior written consent of City which consent may not be unreasonably withheld, may terminate this Sublease Agreement within sixty (60) days after the date Master Lessee received notice of the taking. If Master Lessee and Sublessee exercise the option to terminate, with the prior written consent of City, this Sublease Agreement shall end on the date the Sublease Agreement is terminated, and the Sublessee's Pro Rata Share of Base Rent shall be apportioned and paid to the date of such taking.

- 18.5.2 If less than all of the Subleased Premises shall be taken and, in Master Lessee's and Sublessee's reasonable opinion communicated by written notice to the City within sixty (60) days after the date Master Lessee received notice of the taking, Sublessee is able to gain access to and continue the conduct of its business in the remaining portion of the Subleased Premises, this Sublease Agreement shall remain unaffected, except that Sublessee shall be entitled to a pro rata abatement of its Pro Rata Share of Base Rent based on the proportion that the area of the Subleased Premises taken bears to the area of the Subleased Premises immediately prior to the taking.
- 18.5.3 City shall be entitled to receive the entire award or awards in any condemnation proceeding for the CONRAC Site, the Joint Use Facility and the Vested Improvements, and Sublessee shall not be entitled to receive any part of such award or awards from the City or in the condemnation proceedings; provided however, Sublessee may pursue and shall be entitled to receive the entire aware or awards in any condemnation proceeding for Sublessee's leasehold interest, if any, in the Subleased Premises. Sublessee hereby assigns to City any and all of Sublessee's right, title and interest, if any, in or to such award or awards or any part thereof for the CONRAC Site, the Joint Use Facility and the Vested Improvements and to any award or awards for the value of Sublessee's leasehold interest in the Subleased Premises if Sublessee, or Master Lessee on behalf of Sublessee, declines or fails to pursue or make a claim for the same in any condemnation proceeding. This Section 18.5.3 will survive the termination of this Sublease Agreement.
- 18.5.4 Taking by condemnation or eminent domain hereunder shall include the exercise of any similar governmental power and any sale, transfer or other disposition of the Subleased Premises in lieu of or under threat of condemnation.

ARTICLE 19 SURRENDER AND HOLDING OVER

19.1 Upon expiration or earlier termination of the Sublease Term, Sublessee shall promptly quit and surrender the Subleased Premises in good condition and repair, normal wear and tear excepted, and deliver to Master Lessee all keys that it may have to any part of the Subleased Premises. Sublessee shall, at its sole cost and expense, remove its RAC Property including, without limitation, the following from the Subleased Premises: (a) all of Sublessee's equipment and trade fixtures; (b) all of Sublessee's signs, including company identifiers, operational signs, illuminated directional signs, rental/return signs and stall numbers, and back-wall displays; (c) all control booths, kiosks and security devices for the benefit of Sublessee, whether installed by Sublessee or Sublessee's predecessors-in-interest; (d) Sublessee's computer and other electrical equipment; (e) Sublessee's telephone/data communication lines and associated equipment; (f) Sublessee's vehicle cleaning equipment, if any, together with all structures, enclosures and piping associated with such systems; (g) any improvements, whether installed at the commencement of the Sublease Term or subsequently for which City's consent was conditioned on Sublessee's removal of such improvements at the expiration or earlier termination of the Sublease Term; and (h) unless instructed otherwise by City, remove any equipment which stored Hazardous Materials or which are contaminated by Hazardous Materials. Unless otherwise specifically agreed by Master Lessee and City in writing, Sublessee shall diligently complete such removal within thirty (30) days after the

expiration or earlier termination of the Sublease Term. Upon the removal of any such property, Sublessee shall promptly repair any and all damage to the Subleased Premises caused thereby and reimburse Master Lessee or City, as applicable, for their costs and expenses in removing any such property not removed by Sublessee and repairing any such damage not repaired by Sublessee. In the event that the Subleased Premises are not in the condition required by this Section at the expiration or earlier termination of the Sublease Term, Master Lessee shall have the right to draw against the Security for the funds necessary to restore the Subleased Premises to the required condition and/or for the funds necessary to dispose of Sublessee's property described above. The terms of this Section 19.1 shall survive the expiration or earlier termination of the Sublease Term.

- Holding Over. IF THE SUBLEASED PREMISES ARE NOT SURRENDERED 19.2 AS PROVIDED IN THIS ARTICLE 19, SUBLESSEE SHALL INDEMNIFY AND HOLD MASTER LESSEE AND CITY HARMLESS AGAINST LOSS OR LIABILITY RESULTING FROM THE DELAY BY SUBLESSEE IN SO SURRENDERING THE SUBLEASED PREMISES, INCLUDING ANY CLAIMS MADE BY ANY SUCCEEDING OCCUPANT FOUNDED ON SUCH DELAY. Any holding over with the consent of Master Lessee after expiration or earlier termination of the Sublease Term shall be construed to be a tenancy from month-to-month upon the same terms and conditions provided in this Sublease Agreement. Any holding over without the consent of Master Lessee after expiration or earlier termination of the Sublease Term shall be construed to be tenancy at sufferance upon the same terms and conditions provided in this Sublease Agreement, except that the Pro Rata Share of Base Rent and of O&M Costs shall be due and payable to Master Lessee on the first (1st) day of each month that Sublessee holds over in the amount of one-twelfth (1/12th) of the Pro Rata Share of Base Rent and of O&M Costs due during the greater of the then-current Sublease Agreement Year or the Sublease Agreement Year immediately prior to the expiration, cancellation, or termination of the Sublease Term. If Master Lessee does not consent to Sublessee holding over and remaining in possession of the Subleased Premises after the expiration, cancellation, or termination of this Sublease Agreement, the Pro Rata Share of Base Rent and of O&M Costs shall be due and payable to Master Lessee on the first (1st) day of each month that Sublessee holds over without Master Lessee's consent in the amount of one-twelfth (1/12th) of two (2) times the Pro Rata Share of Base Rent and of O&M Costs due during the Sublease Agreement Year immediately prior to the expiration, cancellation or termination of the Sublease Term and Master Lessee shall retain any surplus Rent Reserve Requirement and O&M Reserve Requirement of Sublessee in Master Lessee's Rent and Operation Reserve.
- 19.3 <u>Survival</u>. Sublessee's obligations under this <u>Article 19</u> shall survive the expiration or earlier termination of the Sublease Term. No modification, termination or surrender to Master Lessee of this Sublease Agreement or surrender of the Subleased Premises or any part thereof, or of any interest therein by Sublessee, shall be valid or effective unless agreed to and accepted in writing by Master Lessee and City, and no act by any representative or agent of Master Lessee or City, other than such written agreement and acceptance, shall constitute an acceptance thereof.

ARTICLE 20 IMPAIRMENT OF TITLE

Liens. Sublessee will not directly or indirectly create, or permit to be created or exist, any Lien upon the Subleased Premises or any portion thereof or upon any Initial Tenant Improvements or Alterations. In the event any such Lien is created by or permitted by Sublessee in violation of this Section 20.1, Sublessee shall immediately: (a) give notice to Master Lessee and City of such Lien and provide to Master Lessee and City all related documentation and information requested by Master Lessee or City; (b) discharge such Lien of record, by payment, bond or as otherwise allowed by Applicable Laws; and (c) provide to Master Lessee and City a copy of the recorded release or discharge of such Lien and all related documentation and information requested by Master Lessee or City. SUBLESSEE SHALL ALSO DEFEND (WITH COUNSEL APPROVED BY MASTER LESSEE AND CITY), FULLY INDEMNIFY AND HOLD ENTIRELY FREE AND HARMLESS MASTER LESSEE AND CITY FROM ANY ACTION. SUIT OR PROCEEDING THAT MAY BE BROUGHT ON OR FOR THE ENFORCEMENT OF ANY SUCH LIEN. Nothing in this Section 20.1 shall, however, be interpreted as a limitation on Sublessee's ability to lease and/or finance its vehicle fleet and pledge, encumber or otherwise hypothecate title to its vehicles for such purpose; and Master Lessee expressly hereby subordinates, in favor of any such vehicle lessor or lender, any interest it may have in such vehicles, whether arising under this Sublease Agreement or as a matter of law.

ARTICLE 21 DEFAULT

- 21.1 Events of Default. The term "**Event of Default**" shall mean:
 - (a) the occurrence of an event described in <u>Section 21.1.8</u>;
- (b) the occurrence of any event described in <u>Section 21.1.1, 21.1.2, 21.1.3, 21.1.4 or Section 21.1.5</u> that continues for a period of ten (10) days after a Notice of Default is deemed received by Sublessee in accordance with <u>Section 26.9</u> hereof; or
- (c) the occurrence of any event described in <u>Section 21.1.6, 21.1.7, 21.1.9, 21.1.10, or 21.1.11</u> that continues for a period of thirty (30) days after a Notice of Default is deemed received by Sublessee in accordance with <u>Section 26.9</u> hereof or if such failure cannot reasonably be cured within such thirty (30) day period, Sublessee fails to commence to cure such failure within such thirty (30) day period and/or thereafter fails to prosecute such cure diligently and continuously to completion within sixty (60) days the Notice of Default is deemed to be received by Sublessee in accordance with <u>Section 26.9</u> hereof; provided however, if Sublessee's failure to comply with such <u>Sections</u> creates a hazardous condition, the failure must be cured immediately on Sublessee's receipt of the Notice of Default; or
- (d) if Master Lessee delivers a Notice of Default to Sublessee in accordance with Section 26.9 regarding the occurrence of an event described in any of Sections 21.1.1 through 21.1.11 (except Section 21.1.8) on more than two (2) occasions during any Sublease Agreement Year, the subsequent breach of the same term, provision or

covenant may, at the Master Lessee's option with the approval of City, be an incurable Event of Default. The occurrence of an event described in <u>Section 21.1.8</u> shall, at Master Lessee's option with the approval of City, be an incurable Event of Default for which no Notice of Default or opportunity to cure will be given. Any subsequent Notice of Default for the breach of the same term, provision or covenant described in a prior Notice of Default shall not be given until the applicable cure period for the breach described in the prior Notice of Default has lapsed.

- 21.1.1 <u>Vacating or Abandonment</u>. The vacating or abandonment of the Subleased Premises for a period of forty-eight (48) consecutive hours;
- 21.1.2 <u>Failure to Enter Concession Agreement</u>. The failure by Sublessee to enter into or maintain a valid and binding Concession Agreement with City pursuant to rules, regulations, procedures and requirements established by City;
- 21.1.3 <u>Failure to Perform Under Concession Agreement</u>. The occurrence of an "Event of Default" as such term is defined in the Concession Agreement or the failure by Sublessee to otherwise observe and perform the covenants, conditions and agreements to be observed or performed by Sublessee under the Concession Agreement or any other agreement between Sublessee and City.
- 21.1.4 <u>Failure to Make Payments</u>. The failure by Sublessee to make any payment when due of its Pro Rata Share of Base Rent, its Pro Rata Share of O&M Costs or any other amount Sublessee is obligated to pay under this Sublease Agreement;
- 21.1.5 <u>Failure to Perform under Article 15</u>. The failure by Sublessee to observe or perform the covenants, conditions and agreements to be observed or performed by Sublessee in <u>Article 15</u>;
- 21.1.6 <u>Failure to Perform under Article 16 and Article 17</u>. The failure by Sublessee to observe or perform the covenants, conditions and agreements to be observed or performed by Sublessee in <u>Article 16 and Article 17</u> hereof;
- 21.1.7 <u>Failure to Perform Other Covenants, etc.</u> The failure by Sublessee to observe or perform any covenant, condition or agreement required to be observed or performed by Sublessee under this Sublease Agreement;
- 21.1.8 <u>False Financial or Background Statement</u>. The discovery by Master Lessee or City that any financial or background statement provided to Master Lessee or City by Sublessee or any successor, grantee or assign of Sublessee was either knowingly materially false or unknowingly materially false and the correct information would have affected the eligibility of the Sublessee or a successor, grantee or assign of Sublessee for a Sublease Agreement;
- 21.1.9 <u>Bankruptcy</u>, <u>etc.</u> The filing by or against Sublessee of a petition in bankruptcy, Sublessee's being adjudged bankrupt or insolvent by any court, a receiver of the property of Sublessee being appointed in any proceeding brought by or against Sublessee, Sublessee's making an assignment for the benefit of creditors or any proceeding being commenced to foreclose any mortgage or other lien on Sublessee's interest in the Subleased

Premises or on any personal property kept or maintained on the Subleased Premises by Sublessee;

- 21.1.10 <u>Failure to Abide by all Applicable Laws</u>. The failure by Sublessee to abide by all Applicable Laws; and
- 21.1.11 <u>Failure to File Annual Audited Statement</u>. The failure of Sublessee to submit its annual audited statement within ninety (90) days after the end of the Concession Agreement Year shall be a material event of default.
- 21.2 <u>Remedies</u>. In addition to, and not in lieu or to the exclusion of, any other remedies provided in this Sublease Agreement or to any other remedies available to Master Lessee at law or in equity, Master Lessee shall have the remedies specified in this <u>Article</u> upon the occurrence of an Event of Default hereunder provided that Master Lessee first provides City ten (10) day prior written notice to pursue any such remedies. Additionally, Sublessee acknowledges that Master Lessee shall be entitled to pursue any remedies to which the City is legally entitled and directs Master Lessee in writing to pursue upon the occurrence of an Event of Default.
- 21.2.1 Right to Terminate. Whenever any Event of Default is continuing hereunder, Master Lessee, with the prior written consent of City, shall have the right to terminate this Sublease Agreement and all of Sublessee's rights hereunder upon ten (10) days written notice to Sublessee. Upon termination, Master Lessee may re-enter the Subleased Premises using such force as may be necessary and remove all persons and property of Sublessee from the Subleased Premises. Master Lessee will be entitled to recover from Sublessee all unpaid Pro Rata Share of Base Rent and any other amount otherwise payable by Sublessee, or any other payments and damages incurred because of Sublessee's default including the reasonable and necessary costs of re-letting (including any tenant improvements reasonably required, renovations or repairs reasonably required, any advertising reasonably required, and attorneys' fees and costs reasonably required) (collectively, the "Termination Damages"), together with interest on all Termination Damages at the Default Rate, from the date such Termination Damages are incurred by Master Lessee until paid by Sublessee.
- 21.2.2 <u>Sublessee Retains Liability</u>. In addition to Termination Damages, and notwithstanding termination and re-entry, Sublessee's liability for all of the Pro Rata Share of Base Rent and O&M Costs and all other amounts otherwise payable by Sublessee hereunder, or other charges which, but for termination of this Sublease Agreement, would have become due over the remainder of the Sublease Term (collectively, the "**Future Charges**"), will not be extinguished and Sublessee agrees that Master Lessee will be entitled, upon termination for default, to collect as additional damages the following (the "**Deficiency**"):
- 21.2.2.1 An amount equal to the Future Charges, less the amount of actual fees, if any, which Master Lessee receives during the remainder of the Sublease Term from others to whom the Subleased Premises may be leased (but without reduction for amounts collected through Pro Rata Shares of other RACs that do not lease or occupy the Subleased Premises), in which case such Deficiency will be computed and payable at Master Lessee's option either in an accelerated lump-sum payment discounted to net present value, or in monthly

installments, in advance, on the first day of each calendar month following termination of this Sublease Agreement and continuing until the date on which the Sublease Term would have expired but for such termination. Any suit or action brought to collect any portion of Deficiency attributable to any particular month or months shall not in any manner prejudice Master Lessee's right to collect any portion of the Deficiency by a similar proceeding. For purposes of this Section, "net present value" is computed by applying a discount rate equal to one percentage point above the discount rate then in effect at the Federal Reserve Bank for the region that includes Austin, Texas.

- 21.2.3 <u>Re-Letting of Subleased Premises</u>. In the event this Sublease Agreement is terminated as a result of an Event of Default, Master Lessee shall have an obligation to offer the Subleased Premises for re-let or re-allocation in accordance with the terms of <u>Exhibit I</u>, to the Master Lease.
- 21.2.4 Personal Property of Sublessee. If upon any re-entry permitted under this Sublease Agreement, there remains any personal property of Sublessee upon the Subleased Premises, all such personal property will be considered permanently abandoned and subject to immediate sale or disposal as provided below with no obligation for holding first or opportunity for redemption. Nevertheless, Master Lessee may, in its sole discretion, remove and store such personal property for the account of, at the sole risk of, and at the expense of Sublessee. If Master Lessee so elects, Sublessee shall reimburse Master Lessee for all expenses incurred in connection with removal and storage as a condition of regaining possession of the personal property. Master Lessee has the right to sell any personal property, which has been stored for a period of thirty (30) days or more, unless Sublessee has tendered reimbursement to Master Lessee for all expenses incurred in such removal and storage and any and all outstanding obligations of Sublessee to Master Lessee. The proceeds of sale will be applied first to the costs of sale (including reasonable attorneys' fees), second to the payment of removal and storage charges, and third to the payment of any other amounts which may then be due and owing from Sublessee to Master Lessee. The balance of sale proceeds, if any, will then be paid to Sublessee. Sublessee agrees that the foregoing provisions and timeframes are reasonable and in compliance with any applicable provisions of the Uniform Commercial Code.
- 21.3 <u>Remedies Cumulative</u>. All rights, options and remedies of Master Lessee contained in this Sublease Agreement shall be construed and held to be distinct, separate and cumulative, and no one of them shall be exclusive of the other, and Master Lessee shall have the right to pursue any one or all of such remedies or any other remedy or relief which may be provided by law or in equity, whether or not stated in this Sublease Agreement.

ARTICLE 22 TERMINATION

- 22.1 <u>Termination</u>. This Sublease Agreement may be terminated prior to the Termination Date by Master Lessee on written direction of City or with the City's prior written consent or directly by City on the termination of the Master Lease as follows:
- 22.1.1 <u>Default</u>. Master Lessee may terminate this Sublease Agreement upon the occurrence of an Event of Default as provided in <u>Sections 21.1 and 21.2</u> hereof.

- 22.1.2 <u>Termination of Master Lease</u>. Master Lessee on written direction of City or City, as applicable, may terminate this Sublease Agreement on the termination of the Master Lease as provided in Sections 21.2.5 and/or Section 22.3 of the Master Lease and as further provided in <u>Section 27.3</u> below.
- 22.1.3 <u>Court Decree</u>. In the event that any court having jurisdiction in the matter shall render a decision which has become final and which will prevent the performance by Master Lessee of any of its material obligations under this Sublease Agreement, then either party hereto after obtaining City's prior written consent, may terminate this Sublease Agreement by written notice, and all rights and obligations hereunder (with the exception of any undischarged rights and obligations that accrued prior to the effective date of termination) shall thereupon terminate. If Sublessee is not in default under any of the provisions of this Sublease Agreement on the effective date of such termination, any Pro Rata Share of Base Rent or other payments prepaid by Sublessee shall, to the extent allocable to any period subsequent to the effective date of the termination, be promptly refunded to Sublessee.
- 22.1.4 <u>Major Damage or Condemnation</u>. This Sublease Agreement shall terminate: (a) upon City's exercise of its termination option pursuant to Section 19.2 of the Master Lease in the event the Leased Premises and Subleased Premises are damaged or destroyed by fire or other casualty; (b) if the entire Subleased Premises are taken by right of eminent domain as provided in <u>Section 18.5.1</u>; or (c) upon Master Lessee's exercise of its termination option pursuant to Section 19.5.1 of Master Lease if less than all of the Leased Premises are taken by right of eminent domain and the remaining portion of the Leased Premises is insufficient for the conduct of Master Lessee's business.
- 22.1.5 <u>Master Lessee's Other Rights or Obligations to Terminate</u>. On written direction of City, Master Lessee shall terminate this Sublease Agreement pursuant to <u>Sections 26.1 or 26.4.5</u> or pursuant to the exercise of any other termination option expressly provided for in this Sublease Agreement or the Master Lease, but not specifically described in <u>Sections 21.1.1</u> 22.1.5 of this Sublease Agreement.
- 22.2 <u>Survival of Sublessee's Obligations</u>. Notwithstanding the termination of this Sublease Agreement prior to the expiration of the Sublease Term, Sublessee's indemnity, removal and remediation obligations and liabilities among other obligations and liabilities pursuant to <u>Article 15</u>, <u>Article 16</u> and <u>Article 17</u>, and any other provision that corresponds or relates to a provision of the Master Lease or obligation or liability of Master Lessee that survives termination of the Master Lease, shall survive; provided, however, Sublessee's obligations to maintain insurance during the Sublease Term pursuant to <u>Article 15</u> shall not survive termination of this Sublease Agreement.
- 22.3 <u>Improvements and Equipment</u>. Upon the expiration or termination of this Sublease Agreement title to all Vested Improvements shall be and remain vested in City and the exclusive property of City, and no Vested Improvements may be removed from the CONRAC Site by the Sublessee except as provided in this <u>Section</u>. To the extent City notifies Sublessee prior to or while the Initial Tenant Improvements are being constructed or equipment is being installed that City will not accept any such improvements or equipment, the City may direct Sublessee to remove the same upon expiration or termination of this Sublease Agreement.

- 22.4 <u>Affirmation of Sublease Agreement.</u> Pursuant to Sections 21.2.5, 22.1.11, 22.3 and/or 22.4 of the Master Lease, on the termination of the Master Lease this Sublease Agreement may be terminated, affirmed as a direct lease between City and Sublessee or be assigned to a Substitute Master Lessee provided that Sublessee is then in Good Standing and that other conditions of the referenced Sections are met.
- 22.4.1 If this Sublease Agreement is affirmed by City as a direct lease between City and Sublessee, in no event shall City be liable or responsible for any obligations of Master Lessee accruing or arising prior to the date of such affirmation of this Sublease Agreement, except that to the extent that Master Lessee transfers over to City moneys received from Sublessee under this Sublease Agreement not yet expended and net of any fees duly payable to Master Lessee, then City shall be responsible for accrued Master Lessee obligations to the limited extent of such moneys received by City. In addition, upon the termination of the Master Lease and affirmation of this Sublease Agreement by City as a direct lease between City and Sublessee, any portion of the Master Lessee's Rent and Operation Reserve, and Sublessee's Security transferred to City and held with respect to Sublessee, net of any amount required to satisfy outstanding liabilities of Sublessee, shall be released to Sublessee upon Sublessee's establishment of replacement Security in favor of City.
- 22.4.2 If this Sublease Agreement is assigned to a Substitute Master Lessee, in no event shall Substitute Master Lessee be liable or responsible for any obligations of Master Lessee accruing or arising prior to the date of such affirmation or assignment of this Sublease Agreement, except that Master Lessee shall transfer to any Substitute Master Lessee, in addition to the Master Lessee's Rent and Operation Reserve as provided under Section 5.4, the Security and all other all monies received from the Sublessee under this Sublease Agreement and not yet expended, net of any fees duly payable to Master Lessee, and the Substitute Master Lessee shall be responsible for accrued Master Lessee obligations to the limited extent of such monies received.
- 22.4.3 Sublessee acknowledges and agrees that: (a) Master Lessee has no obligations to Sublessee with respect to the preconditions for the City's affirmation or assignment of this Sublease Agreement pursuant to Section 21.2.5, 22.3 or 22.4 of the Master Lease; (b) any affirmation by City of a direct lease relationship with Sublessee or assignment to a Substitute Master Lessee shall not be relieve Sublessee of any responsibility or obligation, but every such responsibility and obligation shall be owed directly to City or to the Substitute Master Lessee, as applicable, by Sublessee's attornment; and (c) Sublessee shall execute any writing City reasonably requests to document Sublessee's attornment to City or to a Substitute Master Lessee as further provided in Section 27.3 below.

ARTICLE 23 NO WAIVER; MASTER LESSEE'S RIGHT TO PERFORM

23.1 <u>Receipt of Monies Following Termination</u>. No receipt of monies by Master Lessee from Sublessee after the termination or cancellation of this Sublease Agreement in any lawful manner shall (a) reinstate, continue or extend the Sublease Term; (b) affect any notice theretofore given to Sublessee; (c) operate as a waiver of the rights of Master Lessee to enforce the payment of any Pro Rata Share of Base Rent, O&M Costs or other amount otherwise payable

by Sublessee then due or thereafter falling due; or (d) operate as a waiver of the right of Master Lessee to recover possession of the Subleased Premises by suit, action, proceeding or remedy. Sublessee agrees that, after the service of notice to terminate or cancel this Sublease Agreement, or after the commencement of suit, action or summary proceedings or any other remedy, or after a final order or judgment for the possession of the Subleased Premises, Master Lessee may demand, receive and collect any monies due, or thereafter falling due, without in any manner affecting such notice, proceeding, suit, action, remedy, order or judgment; and any and all such monies collected shall be deemed to be payments on account of the use and occupation by Sublessee and/or Sublessee's liability hereunder.

- 23.2 <u>No Waiver of Breach</u>. The failure of Master Lessee to insist, in any one or more instances, upon a strict performance of any of the covenants of this Sublease Agreement or to exercise any option herein contained, shall not be construed as a waiver or relinquishment of the future performance of such covenant, or the right to exercise such option, but the same shall continue and remain in full force and effect. The receipt by Master Lessee of the Pro Rata Share of Base Rent, O&M Costs or other amount otherwise payable by Sublessee hereunder with knowledge of the breach of any covenant hereof, shall not be deemed a waiver of such breach, and no waiver by Master Lessee of any provision hereof shall be deemed to have been made unless expressed in writing and signed by Master Lessee. The consent or approval of Master Lessee or City to or of any act by Sublessee requiring City's consent or approval shall not be deemed to waive or render unnecessary Master Lessee's or City's consent to or approval of any subsequent similar acts by Sublessee.
- 23.3 <u>No Waiver</u>. The receipt by Master Lessee of any installment of Pro Rata Share of Base Rent, O&M Costs or other amount otherwise payable by Sublessee shall not be a waiver of any Pro Rata Share of Base Rent, O&M Costs or other amount otherwise payable by Sublessee hereunder.
- 23.4 <u>Application of Payments</u>. Master Lessee shall have the right to apply any payments made by Sublessee to the satisfaction of any debt or obligation of Sublessee to Master Lessee, in Master Lessee's sole discretion, regardless of the instructions of Sublessee as to the application of any such sum (whether such instructions are endorsed upon Sublessee's check or otherwise), unless otherwise agreed by both parties in writing. The acceptance by Master Lessee of a check or checks drawn by a Person other than Sublessee shall in no way affect Sublessee's liability hereunder nor shall it be deemed an approval of any assignment of this Sublease Agreement or subletting by Sublessee.
- 23.5 <u>Master Lessee's Right to Perform</u>. Upon Sublessee's failure to perform any obligation or make any payment required of Sublessee hereunder, Master Lessee shall have the right (but not the obligation) to perform such obligation of Sublessee on behalf of Sublessee and/or to make payment on behalf of Sublessee. Sublessee shall reimburse Master Lessee the reasonable cost of Master Lessee's performing such obligation on Sublessee's behalf, including reimbursement of any amounts that may be expended by Master Lessee, plus interest at the Default Rate, within thirty (30) days of receipt of notice of such action by Master Lessee.

ARTICLE 24 ASSIGNMENT OR SUBLEASE

- Prohibition. Sublessee shall not, without the prior consent of Master Lessee and City, assign or transfer this Sublease Agreement or any interest herein or sublet the whole or any portion of the Subleased Premises, other than to any extent allowed in and under the terms of Exhibit E, nor shall this Sublease Agreement or any interest hereunder be assignable or transferable by operation of law or by any process or proceeding of any court or otherwise, without the prior consent of Master Lessee and City. If Sublessee is anything other than an individual, Sublessee further agrees that if, at any time during the Sublease Term, more than onehalf (1/2) of the outstanding voting equity interests of Sublessee shall belong to any Persons other than those which own more than one-half (1/2) of those outstanding voting equity interests at the time of the execution of this Sublease Agreement or members of their immediate families (i.e., a person's spouse, children, grandchildren or siblings or any of the spouses of such person's children, grandchildren or siblings), such change in the ownership of Sublessee shall be deemed an assignment of this Sublease Agreement within the meaning of this Article; provided, however, this sentence shall not apply if and to the extent that Sublessee is a corporation, the outstanding voting stock of which is publicly traded on a recognized security exchange. Sublessee's entering into any operating agreement, license or other agreement under which a third party is given rights or privileges to enjoy a portion of or to utilize a portion of the Subleased Premises shall be deemed to constitute a subletting, assignment or transfer within the meaning of this Article.
- 24.2 <u>Assignment or Sublease</u>. This Sublease Agreement is assignable only to an assignee of Sublessee's Concession Agreement with the approval of City under Article 16 of the Concession Agreement, and any request for assignment of the Concession Agreement shall be deemed a request for assignment also of this Sublease Agreement.
- 24.2.1 <u>Deliveries to Master Lessee and City</u>. If Sublessee shall, at any time during the Sublease Term, desires to sell, assign or otherwise transfer this Sublease Agreement in whole or in part, or any right or leasehold interest granted to it by this Sublease Agreement, Sublessee shall, at the time Sublessee requests the consent of Master Lessee and City, deliver to Master Lessee and City such information in writing as Master Lessee and City may reasonably require with respect to the proposed subtenant, assignee or transferee, including the name, address, nature of business, ownership, financial responsibility and standing of such proposed subtenant, assignee or transferee, together with the proposed form of sublease, assignment or other transfer. Within thirty (30) days after receipt of the information specified above, Master Lessee and City shall notify Sublessee of their respective elections either (a) to consent to the sublease, assignment or transfer or (b) to disapprove the sublease, assignment or transfer. If either the Master Lessee or the City disapproves the sublease, assignment or transfer, Sublessee shall not proceed with the sublease, assignment or transfer.
- 24.2.2 <u>Additional Conditions</u>. As a condition for Master Lessee's consent to any sublease, assignment or other transfer hereunder, Master Lessee may require that the subtenant, assignee or transferee remit directly to Master Lessee, on a monthly basis, all monies due to Sublessee by such subtenant, assignee or transferee. In addition, a condition to Master Lessee's and City's consent to any sublease, assignment or other transfer of this Sublease

Agreement or the Subleased Premises shall be the delivery to Master Lessee and City of a true copy of the fully executed instrument of sublease, assignment or transfer and an agreement executed by the subtenant, assignee or transferee in form and substance satisfactory to Master Lessee and City and expressly enforceable by Master Lessee and/or City, by which the subtenant, assignee or transferee assumes and agrees to be bound by the terms and provisions of this Sublease Agreement and to perform all the obligations of Sublessee hereunder. Further conditions to City's consent to any sublease, assignment or other transfer of this Sublease Agreement or the Subleased Premises shall be the execution by any such subtenant, assignee or transferee of a Concession Agreement and the inclusion third-party beneficiary provisions comparable to those in Section 27.5 herein.

- 24.2.3 <u>Right to Deal with Assignee or Transferee</u>. In the event of any assignment or other transfer of this Sublease Agreement, Sublessee and each respective assignor or transferor waive notice of default by the assignee or transferee in possession of the Subleased Premises in the payment of Pro Rata Share of Base Rent, O&M Costs or other amounts due hereunder and in the performance of the covenants and conditions of this Sublease Agreement and agree that Master Lessee may in each and every instance deal with such assignee or transferee in possession, grant extensions of time, waive performance of any of the terms, covenants and conditions of this Sublease Agreement or modify the same, and in general deal with such assignee or transferee in possession without notice to or consent of any assignor or transferor, including Sublessee; and any and all extensions of time, indulgences, dealings, modifications or waivers shall be deemed to be made with the consent of Sublessee and of each respective assignor and transferor.
- 24.2.4 <u>Attornment</u>. Sublessee agrees that any sublease will contain a provision to the effect that if there is any termination whatsoever of this Sublease Agreement or the Master Lease, then the subtenant, at the request of City, will attorn to City and the subtenancy, if City so requests, shall continue in effect with City. Nothing herein shall be deemed to require City to accept such attornment, except as may be expressly stated.
- 24.2.5 <u>Sublessee's Liability.</u> No assignment or other transfer by Sublessee of this Sublease Agreement in whole or in part, or any right or leasehold interest granted to it by this Sublease Agreement, and no subletting of the Subleased Premises or any portion thereof, shall relieve Sublessee of any obligation under this Sublease Agreement, including Sublessee's obligation to pay all Pro Rata Share of Base Rent and O&M Costs and other amounts due hereunder. Any purported sublease, assignment or other transfer contrary to the provisions hereof without the consent of Master Lessee and City shall be void. The consent by Master Lessee or City to any subletting, assignment or other transfer hereunder shall not constitute a waiver of the necessity for such consent to any subsequent subletting, assignment or other transfer.
- 24.2.6 <u>Reimbursement to City</u>. Sublessee shall reimburse Master Lessee and City any reasonable professionals' fees and expenses incurred by Master Lessee and City in connection with any request by Sublessee for consent to any such sublease, assignment or other transfer hereunder.

- 24.3 Assignment to Successor or Affiliate. Subject to the requirements of Section 24.4 hereof, Master Lessee and City agree that neither will not unreasonably condition or withhold its consent to an assignment or other transfer of this Sublease Agreement to: (a) any corporation or other legal entity which at the time of such assignment or other transfer is the parent or a wholly-owned subsidiary of Sublessee; (b) any corporation or other legal entity with which Sublessee may merge or into which it may consolidate; or (c) any Person that may acquire all or substantially all of Sublessee's rental car business or assets; provided, however, in each instance the surviving, resulting or transferee Person expressly assumes in writing all the obligations of Sublessee contained in this Sublease Agreement and the surviving, resulting or transferee Person has a consolidated net worth (after giving effect to such consolidation, merger or transfer) at least equal to the greater of (i) the net worth of Sublessee as of the Effective Date of this Sublease Agreement or (ii) the net worth of Sublessee immediately prior to such consolidation, merger or transfer. The term "net worth" as used in this Section 24.3 means the difference obtained by subtracting total liabilities from total assets of Sublessee and all of its subsidiaries in accordance with generally accepted accounting principles.
- 24.4 <u>Lease in CONRAC Required</u>. Notwithstanding any other terms or provisions of this <u>Article 24</u>, no proposed subtenant of Sublessee shall be permitted to use or occupy any portion of the Subleased Premises under a sublease unless such proposed subtenant, executes and delivers to Master Lessee and City a Sublease Agreement for space within the CONRAC on substantially the same terms as contained this Sublease Agreement or otherwise obtains rights under a Sublease Agreement pursuant to rules, regulations, procedures and requirements established by City. Without limitation of the foregoing, each subtenant of all or any portion of the Subleased Premises must enter into and agree to collect the Customer Facility Charge in accordance with a Concession Agreement.
- 24.5 <u>Leasehold Mortgages Not Permitted</u>. Sublessee shall have no right (a) to convey, pledge or encumber, by deed of trust, mortgage or similar instrument, its leasehold interest in and to the Subleased Premises or any Initial Tenant Improvements, Alterations or other improvements or equipment constructed, placed or installed by Sublessee on the Subleased Premises, or (b) to assign this Sublease Agreement as collateral security for any indebtedness of Sublessee.

ARTICLE 25 AIRPORT CONCESSION DISADVANTAGED BUSINESS ENTERPRISES AND M/WBE PROGRAM

- 25.1 <u>ACDBE Program Compliance</u>. Sublessee shall comply with all requirements of the City's ACDBE Program strictly in accordance with the terms of Sections 17.1-17.3 of the Concession Agreement.
- 25.2 <u>M/WBE Compliance Plan</u>. Sublessee shall comply with the requirements of the City's M/WBE Procurement Program as set forth in Section 17.4 of the Concession Agreement.

ARTICLE 26 GENERAL PROVISIONS

- 26.1 <u>Gratuities</u>. Master Lessee may, by written notice to Sublessee at the written direction of City, terminate this Sublease Agreement without liability if it is determined by City that gratuities were offered or given by the Sublessee or any agent or representative of Sublessee to any officer or employee of City with a view toward securing this Sublease Agreement or securing favorable treatment with respect to the awarding or amending or the making of any determinations with respect to the performance of this Sublease Agreement. In the event this Sublease Agreement is terminated pursuant to this provision, the City shall be entitled, in addition to any other rights or remedies, to recover or withhold from the Sublessee the amount of the cost incurred by the Sublessee in providing such gratuities
- 26.2 <u>Prohibition Against Personal Interest in Contracts</u>. No officer, employee, contractor, or elected official of City who is involved in the development, evaluation, or decision-making process of the performance of any solicitation shall have a financial interest, direct or indirect, in this Sublease Agreement resulting from that solicitation. Any willful violation of this provision shall constitute impropriety of office, and any officer or employee guilty thereof shall be subject to disciplinary action up to and including dismissal. Any violation of this provision, with the knowledge, express or implied, of the Sublessee shall render this Sublease Agreement voidable by Master Lessee at the written direction of City.
- Affirmative Action. Sublessee shall undertake, to the extent applicable, an affirmative action program as required by 14 C.F.R. Part 152, Subpart E, as amended or modified from time to time, to ensure that no person shall, on the grounds of race, creed, color, national origin or sex, be excluded from participating in any employment, contracting or leasing activities covered in 14 C.F.R. Part 152, Subpart E, as amended or modified from time to time. Sublessee further assures that (a) no person shall be excluded, on these grounds, from participating in or receiving the services or benefits of any program or activity covered by 14 C.F.R. Part 152, Subpart E, as amended or modified from time to time, and (b) it will require that its covered organizations under 14 C.F.R. Part 152, Subpart E, as amended or modified from time to time, provide assurances to Sublessee that they similarly will undertake affirmative action programs and that they will require assurances from their suborganizations, as required by 14 C.F.R. Part 152, Subpart E, as amended or modified from time to time, to the same effect. Sublessee agrees to comply with any affirmative action plan or steps for equal employment opportunity required by 14 C.F.R. Part 152, Subpart E, as amended or modified from time to time, as part of the affirmative action program, and by any federal, state or local agency or court, including those resulting from a conciliation agreement, a consent decree, court order or similar mechanism. Sublessee agrees that state or local affirmative action plans will be used in lieu of any affirmative action plan or steps required by 14 C.F.R. Part 152, Subpart E, as amended or modified from time to time, only when they fully meet the standards set forth in 14 C.F.R. 152.409, as amended or modified from time to time. Sublessee agrees to obtain a similar assurance from its covered organizations and to cause them to require a similar assurance from their covered suborganizations, as required by 14 C.F.R. Part 152, Subpart E, as amended or modified from time to time.
 - 26.4 No Discrimination. Sublessee hereby agrees as follows:

- Agreement, Sublessee covenants and agrees that no person on the grounds of race, color, religion, sex, national origin or ancestry, age, sexual orientation, or gender identity, shall be excluded from participation in, denied the benefits of, or otherwise subjected to discrimination in Sublessee's operations of the Subleased Premises at the Airport. Additionally, Sublessee shall use all Airport facilities in compliance with all other requirements imposed by, or pursuant to, 49 C.F.R. Part 21, as amended or modified from time to time. Sublessee covenants and agrees that this provision shall be binding on any successors and assigns of Sublessee as permitted hereunder.
- 26.4.2 Employment Decisions. Sublessee shall comply with Chapters 5-3 and 5-4 of the Austin City Code and will not discriminate against any employee or applicant for employment because of race, color, religion, sex, national origin, or ancestry, age, sexual orientation, gender identity, or disability, and Sublessee will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, sex, or ancestry, sexual orientation, gender identity, or disability, handicap or creed, including action relating to employment; upgrading, demotion or transfer; recruitment or recruitment advertising; lay-off or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeships.
- 26.4.3 <u>Posting of Notices</u>. Sublessee will post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this <u>Section</u>.
- 26.4.4 <u>Solicitations and Advertisements for Employment</u>. Sublessee will, in all solicitations or advertisements for employees placed by or on behalf of Sublessee, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin or ancestry, sexual orientation, gender identity, or disability.
- 26.4.5 <u>Noncompliance</u>. In the event of Sublessee's noncompliance with the nondiscrimination requirements of this Sublease Agreement, this Sublease Agreement may be immediately canceled, terminated or suspended, in whole or in part, by Master Lessee at the written direction of City by providing notice of termination to Sublessee, and Sublessee may be declared ineligible for further government contracts or federally assisted construction contracts and such other sanctions may be imposed and remedies may be invoked in accordance with Applicable Laws.
- 26.4.6 <u>Inclusion of Provisions in Sublessee's Subleases, Contracts and Purchase Orders</u>. Sublessee will include the provisions of this <u>Section 26.4</u> in each of its subleases, vendor contracts or purchase orders unless exempted by rules, regulations or orders of the United States Secretary of Labor issued pursuant to Section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subtenant, contractor or vendor. Sublessee will take such action with respect to any sublease, contract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance; provided, however, in the event Sublessee becomes involved in or is threatened with litigation by a contractor or vendor as a result of such direction by the

administering agency, Sublessee may request the United States to enter into such litigation to protect the interests of the United States.

- 26.5 <u>No Exclusive Right</u>. Nothing herein contained shall be deemed to grant Sublessee any exclusive right or privilege within the Federal Aviation Act, or the conduct of any activity at the Airport, except that, subject to the terms and provisions hereof, Sublessee shall have the right to use the Subleased Premises under the provisions of this Sublease Agreement.
- 26.6 <u>Subordination to Other Agreements</u>. This Sublease Agreement is subject and subordinate to the provisions of any agreement heretofore or hereafter made between City and any other Governmental Authority relative to the operation or maintenance of the Airport, the execution of which has been required as a condition precedent to the transfer of federal rights or property to City for Airport purposes, or the expenditure of federal funds for the improvement or development of the Airport, including the expenditure of federal funds for the development of the Airport in accordance with the provisions of the Federal Aviation Act or the FAA's Airport Improvement Program or in order to impose and use passenger facilities charges under 49 U.S.C. Section 40117 or any successor thereto.
- Subordination to City Encumbrances. This Sublease Agreement and all rights of Sublessee hereunder shall be subject and subordinate to any deed of trust or mortgage lien or security interest encumbering City's interest in the Subleased Premises and to any renewal, extension, modification or consolidation of such deed of trust or mortgage or security agreement granting such security interest. Sublessee agrees, at any time, and from time to time, upon not less than twenty (20) days prior notice by Master Lessee or City, to execute, acknowledge and deliver to Master Lessee or City, as applicable, a statement in writing certifying that this Sublease Agreement is unmodified and in full force and effect (or if there have been modifications, that the same is in full force and effect as modified and stating the modifications), and the dates to which the Pro Rata Share of Base Rent and O&M Costs and other charges have been paid, and stating whether, to the best knowledge of Sublessee, Master Lessee is in default in the performance of any covenant, agreement, provision or condition contained in this Sublease Agreement and, if so, specifying each such default of which Sublessee may have knowledge. Master Lessee and Sublessee intend, and acknowledge that City intends, that any such statement delivered pursuant hereto may be relied upon by any prospective mortgagee of City, lender to or assignee of Master Lessee, any purchaser or tenant of the Subleased Premises, and such purchaser's or tenant's mortgagee or prospective mortgagee, and by any prospective assignee and its mortgagee or prospective mortgagee. Sublessee also agrees to execute and deliver from time to time, upon not less than twenty (20) days prior notice by Master Lessee or City, such similar estoppel certificates as a lender to Master Lessee or City may require with respect to this Sublease Agreement. If Sublessee fails or refuses to furnish such certificate within the time provided, it will be conclusively presumed that this Sublease Agreement is in full force and effect in accordance with its terms and Master Lessee is not in default hereunder.
- 26.8 <u>No Waiver</u>. No waiver of default by either party of any of the terms, covenants or conditions herein to be performed, kept and observed by the other party shall be construed as, or shall operate as, a waiver of any subsequent default of any of the terms, covenants or conditions herein contained to be performed, kept and observed by the other party.

26.9 <u>Notices, Approvals, Consents, etc.</u> Except for the provisions of this Sublease Agreement which expressly state that a notice, approval, consent, demand, request or other communication may be communicated verbally, all notices, approvals, consents, demands, requests and other communications required or permitted by this Sublease Agreement must be in writing to be effective and sent by certified United States Mail, first-class postage prepaid, or by a recognized delivery service that provides registered and verifiable shipment or airbill tracking and delivery record, with costs prepaid, to the addresses set forth below:

To Master Lessee:	Austin CONRAC, LLC c/o UNISON-CRS, INC. 12130 Colwick San Antonio, TX 78216 Attn: Marshall A. Fein, President
To City:	Director of Aviation THE CITY OF AUSTIN Austin - Bergstrom International Airport 3600 Presidential Boulevard, Suite 411 Austin, Texas 78719
	With a copy to:
	The Airport Properties Manager Department of Aviation THE CITY OF AUSTIN Austin - Bergstrom International Airport 3600 Presidential Boulevard, Suite 411 Austin, Texas 78719
To Sublessee:	
	Attn:
	With a copy to:

The person and place to which notices, approvals, consents, demands, requests and other communications are to be sent may be changed by a party hereto upon written notice to the other. A written notice, approval, consent, demand, request or other communication required or

permitted hereunder shall be deemed received and effective (i) on the date that is three days after the date on which it is deposited in the United States Mail if sent by certified mail, or (ii) on the date on which the signature receipt is recorded by the recognized delivery service if it is sent by a recognized delivery service.

- 26.10 Consents and Approvals of City. Whenever any provision of this Sublease Agreement requires the consent or approval of City or provides to City the right to make a determination or judgment, City shall have the absolute and unconditional right to withhold its consent or approval, in its sole discretion, and to make such determination or judgment in its sole discretion on the basis of such factors and considerations as it shall deem relevant (including self-interest), except for those circumstances, if any, where this Sublease Agreement expressly provides that such consent or approval will not be unreasonably withheld or City will make such determination or judgment reasonably.
- 26.11 <u>Agents for Service of Process</u>. The parties hereto hereby designate the following as their agents for service of process and will waive any objection to service of process if served upon its agent as set forth below:

To City:

City of Austin
City Clerk
301 W. Second St.
Austin, TX 78701

To Master Lessee:

Austin CONRAC, LLC
c/o UNISON-CRS, INC.
12130 Colwick
San Antonio, TX 78216
Attn: Marshall A. Fein, President

To Sublessee:

- 26.12 <u>Severability</u>. If one or more clauses, sections or provisions of this Sublease Agreement shall be held to be unlawful, invalid or unenforceable, the parties hereto agree that the material rights of either party hereto shall not be affected thereby except to the extent of such holding, and this Sublease Agreement shall be construed in all respects as if such invalid or unenforceable provision were omitted herefrom.
- 26.13 <u>Waiver of Anticipated Profits</u>. Sublessee hereby waives any claim against City and its elected and non-elected officials, officers, employees, agents, servants, representatives, contractors, subcontractors, affiliates, successors and assigns for loss of anticipated profits caused by any suit or proceedings directly or indirectly attacking the validity of this Sublease Agreement or any part hereof, or by any judgment or award in any suit or proceeding declaring this Sublease Agreement null, void or voidable or delaying the exercise of any rights under this Sublease Agreement.

- 26.14 <u>Right of City to Develop Airport</u>. The parties hereto further covenant and agree that City has the right to further develop or improve the Airport as City may see fit, regardless of the desires or views of Sublessee and without interference or hindrance. It is understood that City may from time to time elect to alter, improve or remodel portions of the Airport and/or Airport. Sublessee agrees that any temporary inconvenience resulting from any such work by City or its contractors and agents shall not be grounds for reduction of any amount otherwise payable by Sublessee hereunder.
- 26.15 <u>Incorporation of Legally Required Provisions</u>. The parties incorporate herein by reference all provisions legally required to be contained herein by any Governmental Authority.
- 26.16 <u>Limitation of City's Liability</u>. No elected and non-elected official, employee, officer or agent of City shall have (a) any personal liability with respect to any of the provisions of this Sublease Agreement, or (b) any liability for any consequential damages resulting from a default by City hereunder or from the exercise by City of any of its remedies hereunder upon the occurrence of an Event of Default. City shall not have any liability for any consequential damages resulting from a default by City hereunder or from the exercise by City of any of its remedies hereunder upon the occurrence of an Event of Default. Sublessee further agrees not to initiate or participate in any involuntary bankruptcy, reorganization, receivership or insolvency proceeding against City.
- 26.17 <u>Successors and Assigns</u>. This Sublease Agreement shall be binding upon and inure to the benefit of the successors and permitted assigns of the parties hereto.
- 26.18 <u>Required Modifications</u>. In the event that a Governmental Authority (other than City) requires modifications or changes to this Sublease Agreement as a condition precedent to the granting of federal funds for the improvement of the Airport, or otherwise, Sublessee shall make or agree to such amendments, modifications, revisions, supplements or deletions of any of the terms, conditions, or requirements of this Sublease Agreement as may be reasonably required.
- 26.19 <u>Time is of the Essence</u>. Time is of the essence in the performance of the terms and conditions of this Sublease Agreement.
- 26.20 <u>Understanding of Agreement</u>. The parties hereto acknowledge that they thoroughly read this Sublease Agreement, including any exhibits or attachments hereto, and have sought and received such competent advice and counsel as was necessary for them to form a full and complete understanding of all rights and obligations herein.
- 26.21 <u>Legal Interest and Other Charges</u>. Any payment of Pro Rata Share of Base Rent, O&M Costs or any other amount due and payable hereunder that is not paid on the date it is due be thereby be increased by an administrative fee of twenty-five dollars (\$25) per day after the date due and shall bear interest until paid at the Default Rate. Notwithstanding any provision of this Sublease Agreement to the contrary, it is the intent of Master Lessee and Sublessee that Master Lessee shall not be entitled to receive, collect, reserve or apply, as interest, any amount in excess of the maximum amount of interest permitted to be charged by Applicable Laws. In the event this Sublease Agreement requires a payment of interest that exceeds the maximum amount

of interest permitted under Applicable Laws, such interest shall not be received, collected, charged or reserved until such time as that interest, together with all other interest then payable, falls within the maximum amount of interest permitted to be charged under Applicable Laws. In the event Master Lessee receives any such interest in excess of the maximum amount of interest permitted to be charged under Applicable Laws, the amount that would be excessive interest shall be deemed a partial prepayment of Pro Rata Share of Base Rent or O&M Costs and treated under this Sublease Agreement as such, or, if this Sublease Agreement has expired or terminated, any remaining excess funds shall immediately be paid to Sublessee.

- 26.22 Governing Law; Choice of Venue; Waiver of Jury Trial. This Sublease Agreement shall be governed by and construed in accordance with the laws of the State of Texas. Jurisdiction and venue for any action on or related to the terms of this Sublease Agreement shall be exclusively in Travis County, Texas, and the parties irrevocably consent to the personal jurisdiction of such courts over themselves for purposes of determining such action and waive any right to assert a claim of inconvenient forum.
- 26.23 <u>Dispute Resolution</u>. If a dispute arises out of or relates to this Sublease Agreement, or the breach thereof, the parties agree to negotiate prior to prosecuting a suit for damages. However, this <u>Section</u> does not prohibit the filing of a lawsuit to toll the running of a statute of limitations or to seek injunctive relief. A party may make a written request for a meeting between representatives of each other party within fourteen (14) calendar days after receipt of the request or such later period as agreed by the parties. Each party shall include, at a minimum, one (1) senior level individual with decision-making Sublessee regarding the dispute. The purpose of this and any subsequent meeting is to attempt in good faith to negotiate a resolution of the dispute. If, within thirty (30) calendar days after such meeting, the parties have not succeeded in negotiating a resolution of the dispute, they will proceed directly to mediation as described below.
- 26.23.1 Negotiation may be waived by a written agreement signed by both parties, in which event the parties may proceed directly to mediation as described below. If the efforts to resolve the dispute through negotiation fail, or the parties waive the negotiation process, the parties may select, within thirty (30) calendar days, a mediator trained in mediation skills to assist with resolution of the dispute. Should they choose this option, the parties agree to act in good faith in the selection of the mediator and to give consideration to qualified individuals nominated to act as mediator. Nothing in this Sublease Agreement prevents the parties from relying on the skills of a person who is trained in the subject matter of the dispute or a contract interpretation expert. If the parties fail to agree on a mediator within thirty (30) calendar days of initiation of the mediation process, the mediator shall be selected by the Travis County Dispute Resolution Center. The parties agree to participate in mediation in good faith for up to thirty (30) calendar days from the date of the first mediation session. The parties will share the costs of the mediator equally.
- 26.23.2 Sublessee agrees as a condition of this Sublease Agreement that notwithstanding the existence of any dispute between the parties, insofar as is possible under the terms of the Concession Agreement, each party shall continue to perform the obligations required of it during the continuation of any such dispute, unless enjoined or prohibited by a Texas court of competent jurisdiction.

- 26.24 Avigation Easement. In the Master Lease, City reserved from the Subleased Premises, for the use and benefit of itself and its successors and assigns, and the operators, owners and users of Aircraft of all types and for the public in general, a perpetual easement and right-of-way for the free and unobstructed flight and passage of Aircraft by whomsoever owned or operated, in and through the airspace above, over and across the surface of the Subleased Premises, together with the right to cause in such airspace such noise, vibration, odors, vapors, particulates, smoke, dust and other effects as may be inherent in the operation of Aircraft for navigation of or flight or passage in and through such airspace, and for the use of such airspace by Aircraft for approaching, landing upon, taking off from, maneuvering about or operating at the Airport. This easement was reserved upon and subject to the following terms and conditions: (a) Sublessee shall not hereafter use, cause or permit to be used, or suffer use of, the Subleased Premises so as: (i) to cause electrical, electronic or other interference with radio, radar, microwave or other similar means of communications between the Airport and any Aircraft; (ii) to adversely affect or impair the ability of operators of Aircraft to distinguish between regularly installed air navigation lights and visual aids and other lights serving the Airport; or (iii) to cause glare in the eyes of operators of Aircraft approaching or departing the Airport, or to impair visibility in the vicinity of the Airport, or to otherwise endanger the approaching, landing upon, taking off from, maneuvering about or operating of Aircraft on, above and about the Airport; provided, however, that, notwithstanding any contrary provision contained above, Sublessee shall be permitted to construct and maintain such improvements and to utilize all lighting, finishes and building materials as shall have been submitted to and approved by City; and (b) Sublessee, for itself and the other Releasing Parties, hereby expressly releases and forever discharges City and its elected and non-elected officials, legal representatives, officers, assigns, associates, employees, agents and all others acting in concert with City, from any and all claims, debts, liabilities, obligations, costs, expenses, actions or demands, vested or contingent, known or unknown, whether in tort, contract or otherwise, that the Releasing Parties may now own or hold, or have any time heretofore owned or held, or may at any other time own or hold, by reason of noises, vibration, odors, vapors, particulates, smoke, dust or other effects as may be inherent in the operation of Aircraft and caused or created by the flight or passage of Aircraft in or through the airspace subject to the easement and right-of-way herein reserved.
- 26.25 <u>Waiver of Attorneys' Fees</u>. Each Party shall be entitled to seek and recover attorneys' fees from the other Party in any civil or administrative litigation or dispute resolution proceeding for the breach of this Sublease Agreement or to enforce any provision of this Sublease Agreement. In the event that the Master Lease is terminated and this Sublease Agreement is affirmed by City as a direct lease, effective as of that date City and Sublessee each waive any and all rights under law or in equity to seek or recover attorneys' fees from the other party in any civil or administrative litigation or dispute resolution proceeding for the breach of this Sublease Agreement or to enforce any provision of this Sublease Agreement.
- 26.26 <u>Update of Terms</u>. Master Lessee shall, at the direction of City and without the necessity of an amendment to this Sublease Agreement, have the right to periodically update the requirements set forth in <u>Article 15</u> hereto to reflect changes in practices for similar properties or operations either at the Airport or at other comparable airports. Master Lessee shall, at the direction of City likewise have the right, without the necessity of an amendment to this Sublease Agreement, to make adjustments to this <u>Article 26</u> to account for changes in Legal Requirements

applicable to the Subleased Premises, the CONRAC or CONRAC Site or the operation of a Rental Car Concession.

- 26.27 <u>Brokers</u>. Sublessee warrants that it knows of no broker or agent that is or may be entitled to any commission or finder's fee in connection with this Sublease Agreement. SUBLESSEE SHALL INDEMNIFY AND HOLD CITY HARMLESS FROM AND AGAINST ANY AND ALL CLAIMS, DEMANDS, LOSSES, LIABILITIES, LAWSUITS, JUDGMENTS, COSTS AND EXPENSES (INCLUDING ATTORNEYS' FEES AND COSTS) WITH RESPECT TO ANY LEASING COMMISSION OR EQUIVALENT COMPENSATION ALLEGED TO BE OWING ON ACCOUNT OF SUBLESSEE'S DISCUSSIONS, NEGOTIATIONS AND/OR DEALINGS WITH ANY BROKER OR AGENT. This <u>Section</u> is not intended to benefit any third parties and shall not be deemed to give any rights to brokers or finders.
- 26.28 <u>Survival of Indemnities and Other Provisions</u>. All indemnities provided in this Sublease Agreement shall survive the expiration or any earlier termination of the Sublease Term. Additionally, all provisions which are expressly stated to survive or require or contemplate performance after the expiration or any earlier termination of the Sublease Term shall survive the expiration or earlier termination of the Sublease Term. In any litigation or proceeding within the scope of any indemnity provided to City in this Sublease Agreement, Sublessee shall, at City's option, defend City at Sublessee's expense by counsel satisfactory to City. In any litigation or proceeding within the scope of any indemnity provided to Master Lessee in this Sublease Agreement, Sublessee shall, at Master Lessee's option, defend Master Lessee at Sublessee's expense by counsel satisfactory to Master Lessee.
- 26.29 <u>Submission of Agreement</u>. The submission of this Sublease Agreement for examination and negotiation does not constitute an offer to lease or a reservation of or option to lease the Subleased Premises. This Sublease Agreement shall become effective and binding only upon execution and delivery hereof by Master Lessee, City and Sublessee. No act or omission of any officer, employee or agent of Master Lessee, City or Sublessee shall alter, change or modify any of the provisions hereof.
- 26.30 Entire Agreement; Modification. This Sublease Agreement sets forth all covenants, promises, agreements, conditions and understandings between Master Lessee and Sublessee concerning the Subleased Premises, and there are no covenants, promises, agreements, conditions or understandings, either oral or written, between Master Lessee and Sublessee as to the Subleased Premises other than as herein set forth. No subsequent alteration, amendment, change or addition to this Sublease Agreement shall be binding upon Master Lessee or Sublessee unless reduced to writing and signed by Master Lessee and Sublessee and shall be consented to in writing by City.
- 26.31 <u>Relationship of City and Sublessee</u>. Nothing contained herein shall be deemed or construed as creating the relationship of principal and agent, partners or joint venture partners, and no provision contained in this Sublease Agreement nor any acts of Sublessee or Master Lessee shall be deemed to create any relationship between them other than as provided in this Sublease Agreement.

- 26.32 <u>Exhibits</u>. <u>Attachment 1</u> and <u>Exhibits A, B, C-1, C-2, D and E</u> are attached to this Sublease Agreement after the signatures and by this reference are incorporated herein.
- 26.33 <u>Lawful Currency of United States</u>. Any payments made or to be made by Sublessee under this Sublease Agreement shall be made in the lawful currency of the United States of America.

ARTICLE 27 MASTER LEASE AND CITY AS THIRD PARTY BENEFICIARY

- Master Lease Incorporation. The terms and conditions of the Master Lease are incorporated into this Sublease Agreement by reference for all purposes, and this Sublease Agreement is subject to all of the terms and conditions of the Master Lease with the same force and effect as if fully set forth herein at length. Sublessee, by Sublessee's execution of this Sublease Agreement, acknowledges that: (a) Master Lessee has furnished Sublessee with a fully executed copy of the Master Lease; (b) Sublessee has examined the Master Lease and is familiar with its terms; (c) Sublessee hereby agrees to assume, perform and comply in all respects with the terms and conditions of the Master Lease insofar as the same are applicable to the Subleased Premises; and (d) Sublessee shall not commit any act or omission that will violate any of the provisions of the Master Lease. Master Lessee likewise agrees to abide by and to fully perform each of Master Lessee's obligations under the Master Lease.
- 27.2 <u>Master Lease Rights and Remedies</u>. As between Master Lessee and Sublessee, Master Lessee shall be entitled to all of the rights and remedies reserved by and granted to the landlord in the Master Lease as if Master Lessee was the "landlord" under the Master Lease and Sublessee was the "tenant" under the Master Lease. Such rights and remedies are incorporated into this Sublease Agreement by reference for all purposes.
- Termination of Master Lease. This Sublease Agreement is subject and subordinate to all of the terms, covenants and conditions of the Master Lease and to all of the rights of City under the Master Lease. Notwithstanding any other provision of this Sublease Agreement to the contrary, as between City and Sublessee, upon termination of the Master Lease for any reason whatsoever, the Sublease Agreement shall, as provided in Sections 21.2.5, 22.3 and/or 22.4 of the Master Lease, as applicable, and as further provided in Sections 4.1.4 and 22.1.2 hereof, either (i) be terminated; (ii) become a sublease under a master lease to a Substitute Master Lessee in which event Sublessee shall attorn to the Substitute Master Lessee as the Master Lessee under this Sublease Agreement, except that the Substitute Master Lessee shall have no liability for acts, omissions or defaults by Sublessee or the original Master Lessee prior to such attornment; or (iii) become a direct lease between City and Sublessee, in which event Sublessee shall attorn to City as the "sublessor" or Master Lessee under this Sublease Agreement, except that City shall have no liability for acts, omissions or defaults by Sublessee or Master Lessee prior to such attornment. If City elects to or is required to proceed pursuant to clause (iii) of the preceding sentence, then Sublessee shall attorn to City as the "sublessor" or Master Lessee under this Sublease Agreement, except that City will not be (a) liable for any Pro Rata Share of Base Rent, O&M Costs or other sums paid by Sublessee to Master Lessee more than one month in advance, any Rent Reserve Requirements or O&M Reserve Requirements paid to Master Lessee or any Security paid or provided by Sublessee to Master Lessee, with

respect to which Sublessee shall look solely to Master Lessee for refund or reimbursement unless same has been transferred to City by Master Lessee; (b) liable for any acts or omissions of Master Lessee or for any defaults by Master Lessee under the Sublease Agreement or any other written agreement by and between Master Lessee and Sublessee; (c) subject to any counterclaims, defenses or offsets that Sublessee may have against Master Lessee; (d) bound by any changes or modifications made to the Sublease Agreement without the prior written consent of City, which consent City may withhold in its sole and absolute discretion; (e) obligated in any manner with respect to the transfer, delivery, use or condition of any furniture, equipment or personal property in the Subleased Premises which Master Lessee agreed would be transferred to Sublessee or which Master Lessee agreed could be used by Sublessee during the Sublease Term; (f) liable for the payment of any improvement allowance, or any other payment, credit, offset or amount due from Master Lessee to Sublessee under the Sublease Agreement or any other written agreement by and between Master Lessee and Sublessee; (g) be obligated to perform any work in the Subleased Premises or to prepare it for occupancy; and (h) be bound by any provision of the Sublease Agreement that increases City's duties, obligations or liabilities to Sublessee beyond those owed by City to Master Lessee under the Master Lease, expressly including insurance, indemnity and any other obligation stated in Sections 15.1.3, 15.1.4, 15.7, 16.4.2, 16.17.2 and 17.12.2, the language following "AND (B)" in Section 16.4.1, and the last sentence of each of Sections 16.17.1 and 17.12.1. The provisions of this Section 27.3 shall be self-operative, and no further instrument shall be required to give effect to this Section; provided, however, Sublessee shall execute and deliver to City any instruments City may reasonably request to evidence and confirm an attornment by Sublessee.

- 27.4 <u>Limitation of Liability</u>. Notwithstanding any provision of the Master Lease or this Sublease Agreement to the contrary, City shall not be liable to Sublessee, or any of its agents, employees, servants or invitees, for any damage to persons or property due to the condition or design or any defect in the Subleased Premises, the CONRAC or its mechanical systems which may exist or subsequently occur. Sublessee with respect to itself and its agents, employees, servants and invitees, expressly assumes all risks and damage to persons and property, either proximate or remote, by the reason of the present or future condition of the Subleased Premises or the CONRAC.
- 27.5 <u>City as Third Party Beneficiary</u>. By execution of this Sublease Agreement, Master Lessee and Sublessee acknowledge and agree that City is a third party beneficiary of this Sublease Agreement for all intents and purposes. Master Lessee and Sublessee further acknowledge and agree that this Sublease Agreement shall not be amended, modified, extended or terminated without the prior written consent of City. In its capacity as a third party beneficiary, City shall have the right to receive all notices and communications which Master Lessee is entitled to receive under this Sublease Agreement and the full right, power and authority to enforce any or all provisions of this Sublease Agreement for its own benefit as though City were Master Lessee under this Sublease Agreement, subject first to reasonable good faith efforts to coordinate enforcement through any non-breaching primary party. City is joining in the execution of this Sublease Agreement to evidence its consent to the same in its capacity as the landlord under the Master Lease and in its capacity as the third-party beneficiary of this Sublease Agreement.

27.6 <u>Sublessee Employees</u>. Any and all references herein to "employees" of Sublessee shall extend to and include all personnel engaged to participate in Sublessee operations at the Airport on a contract basis.

EXHIBIT A

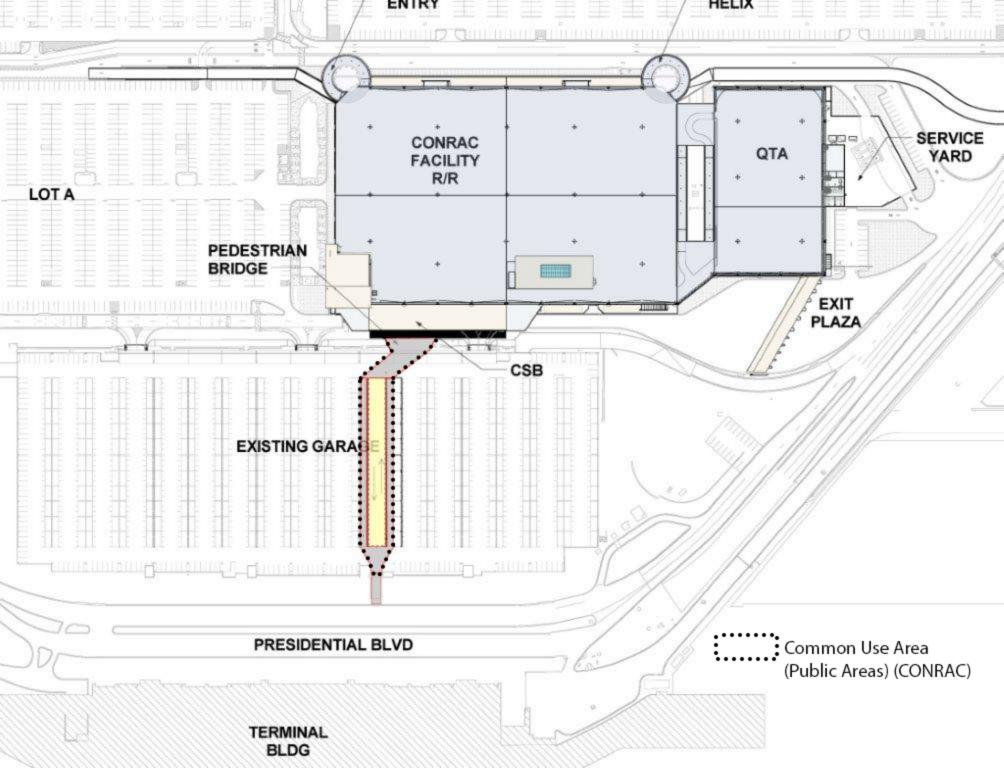

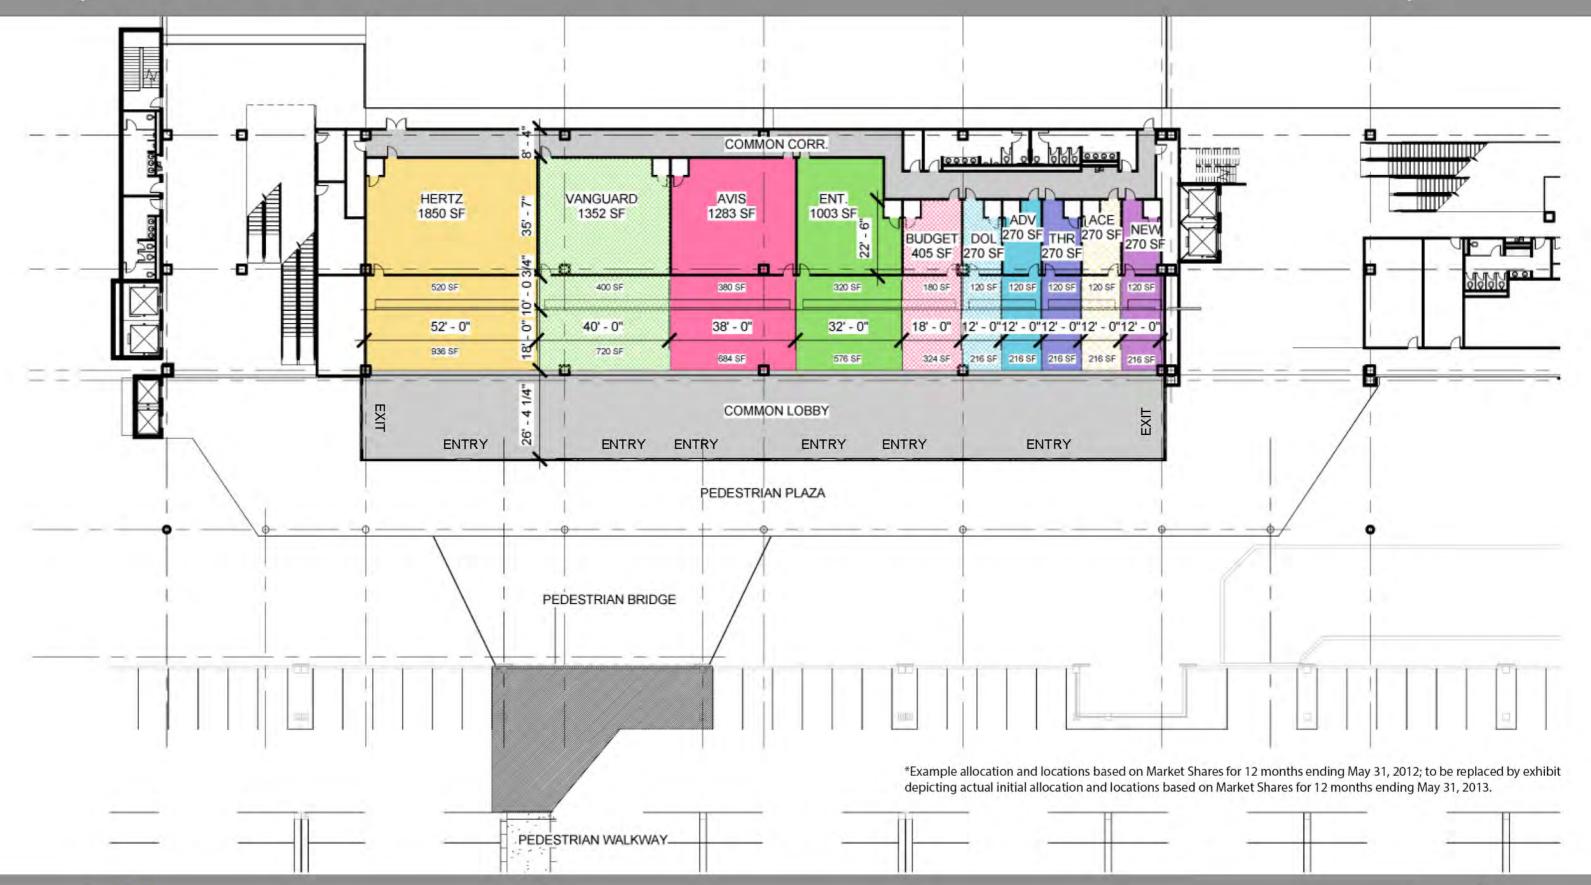

EXHIBIT B

(Reserved)

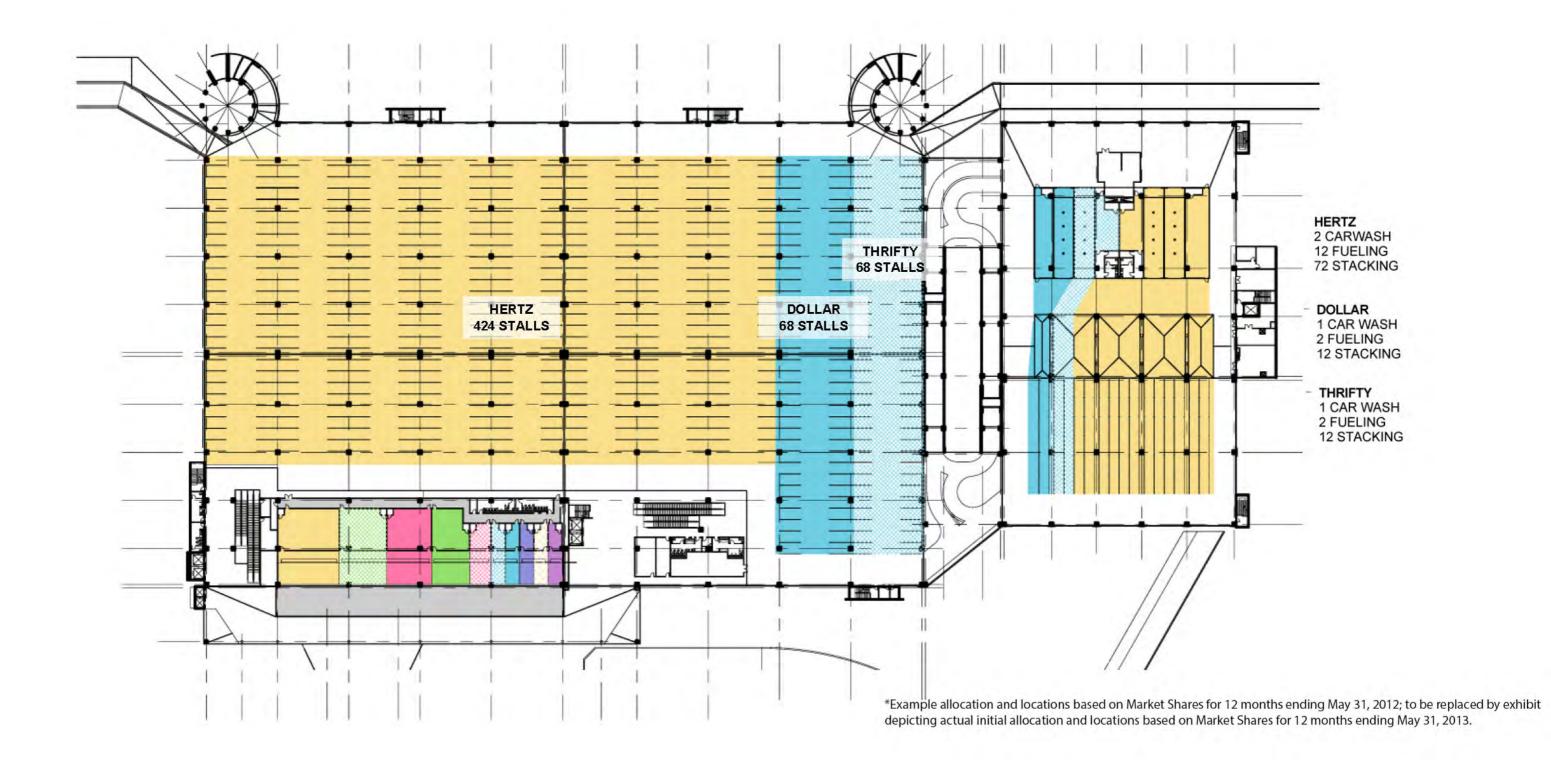

EXHIBIT C-1

CSB ALLOCATION FLOOR PLAN

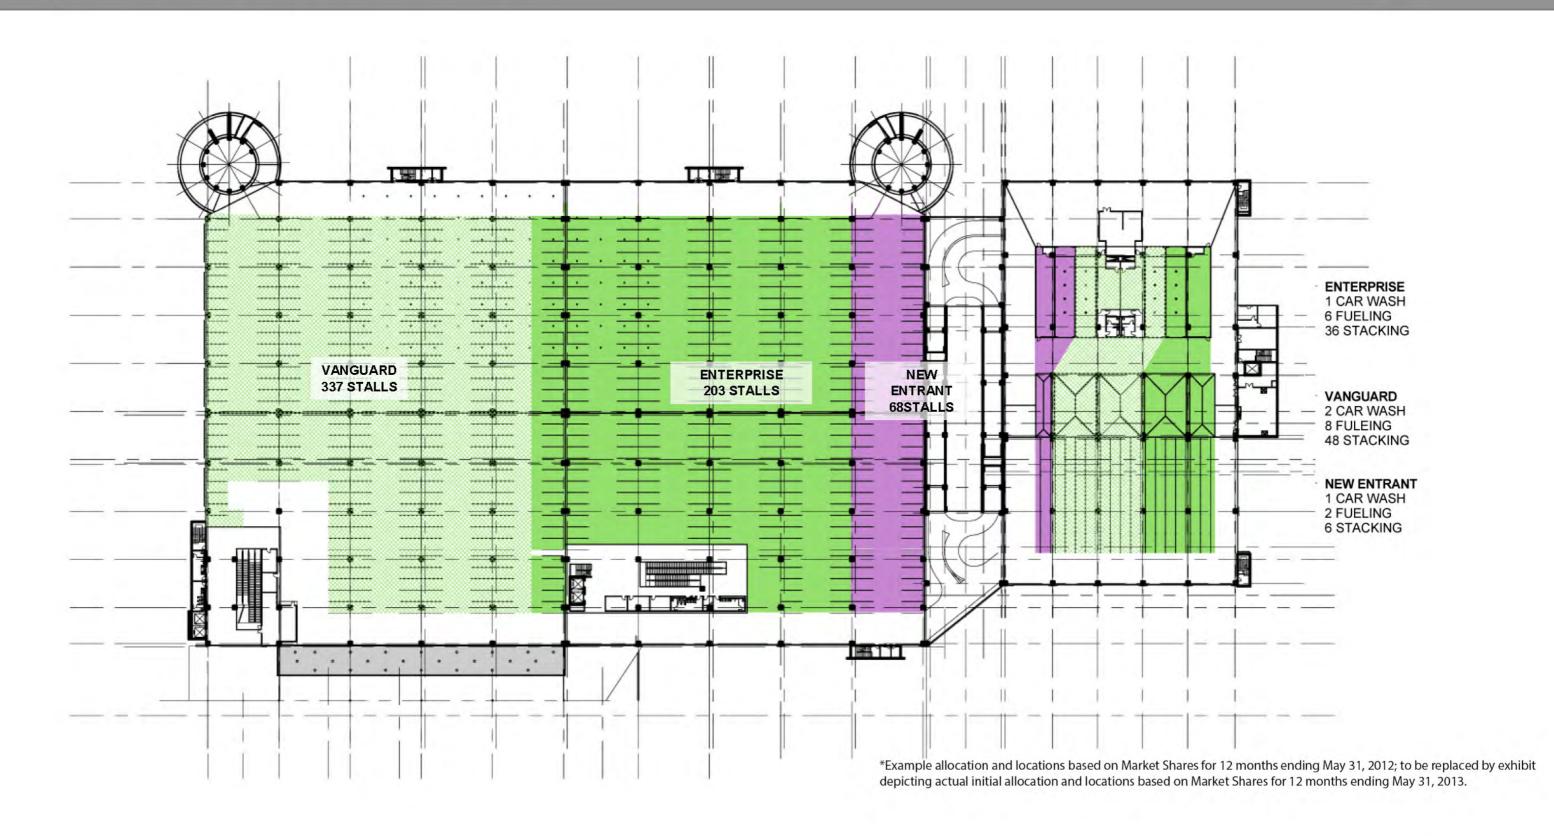

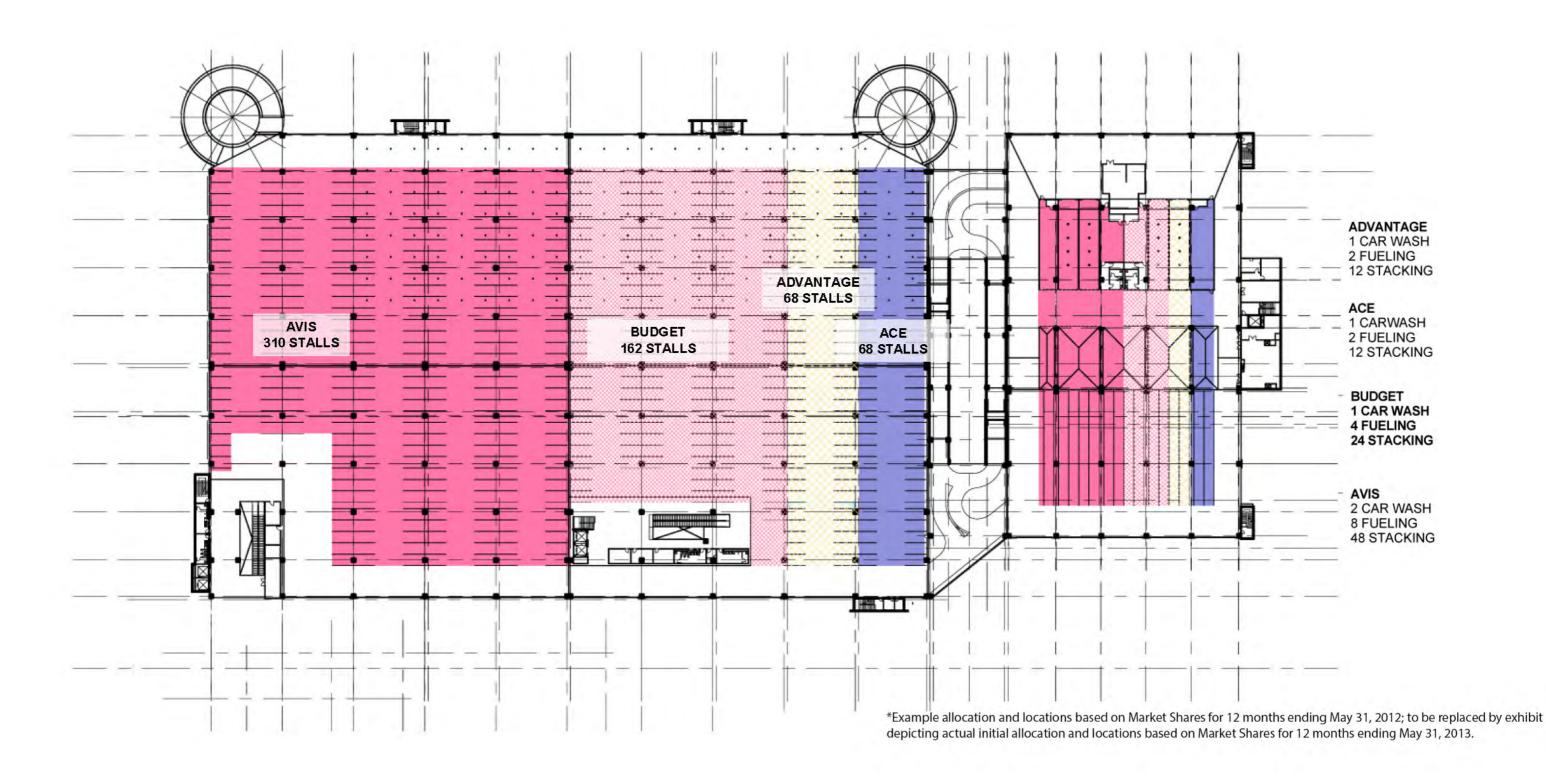

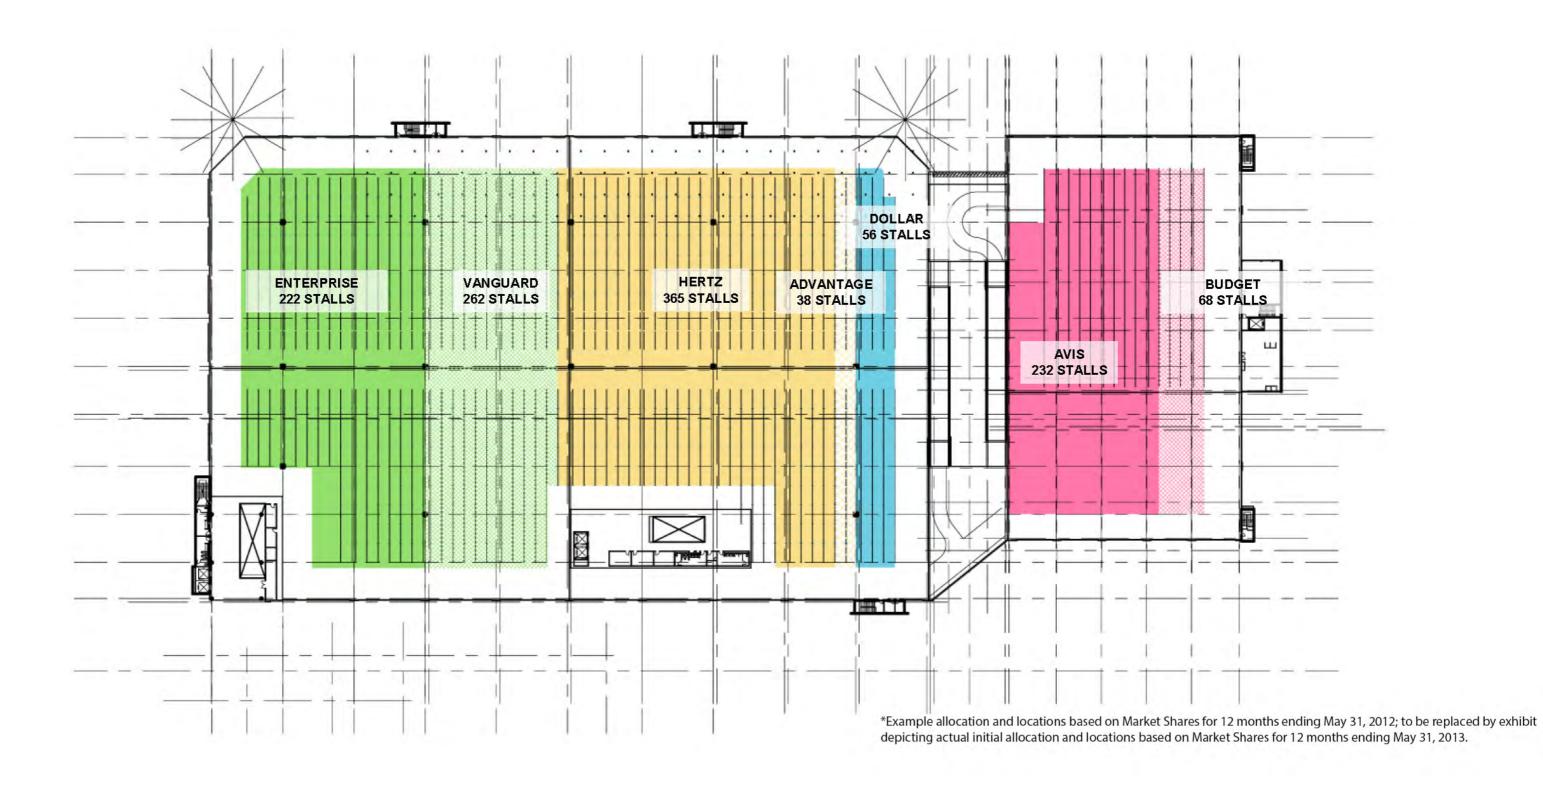

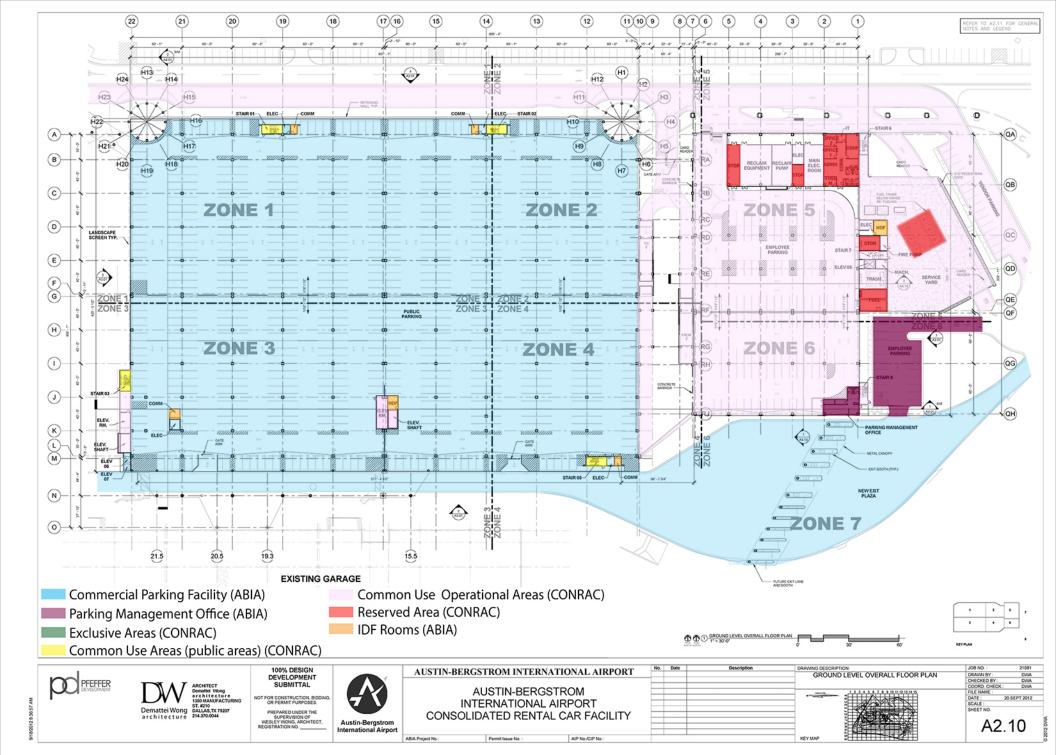

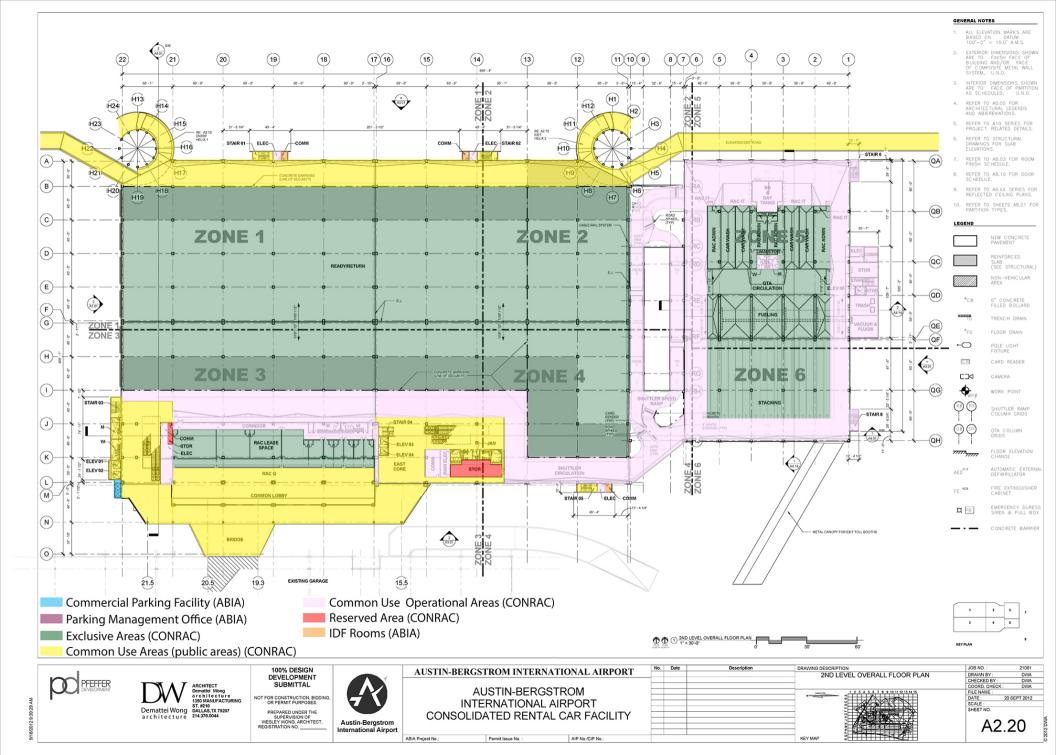

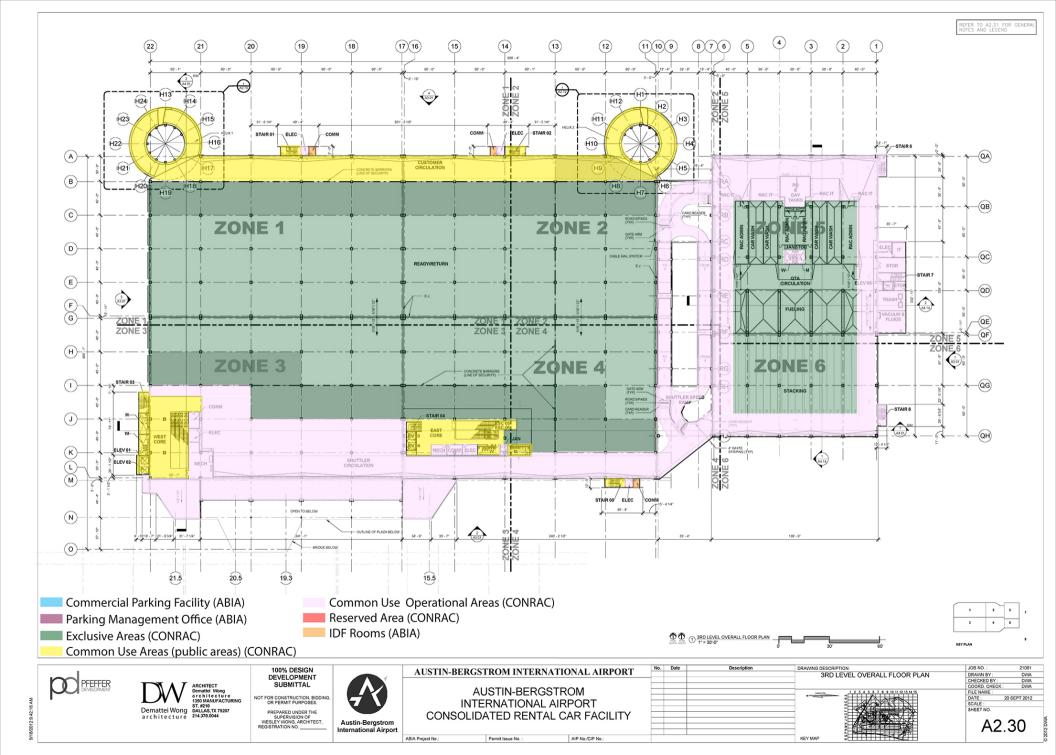

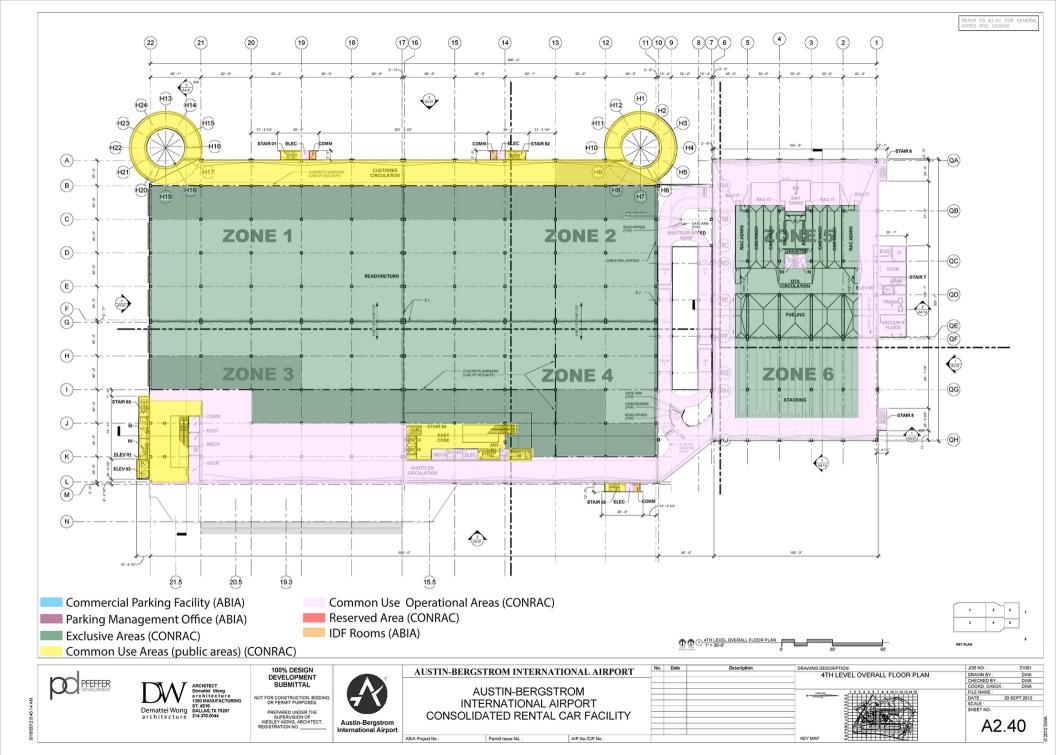

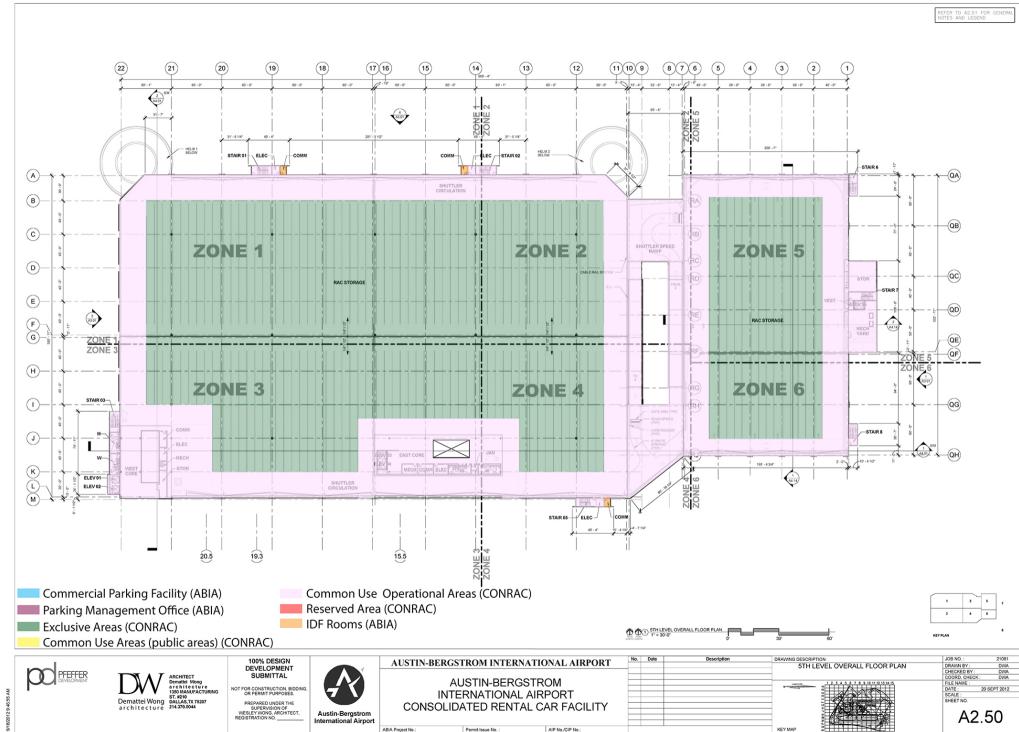

EXHIBIT C-2

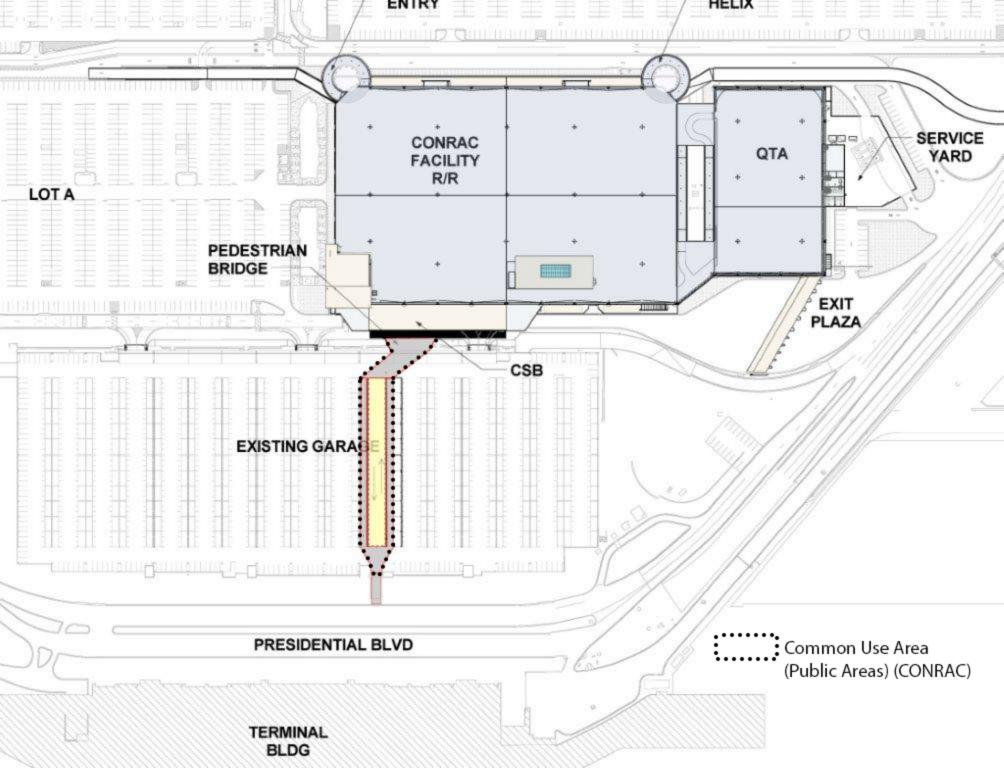

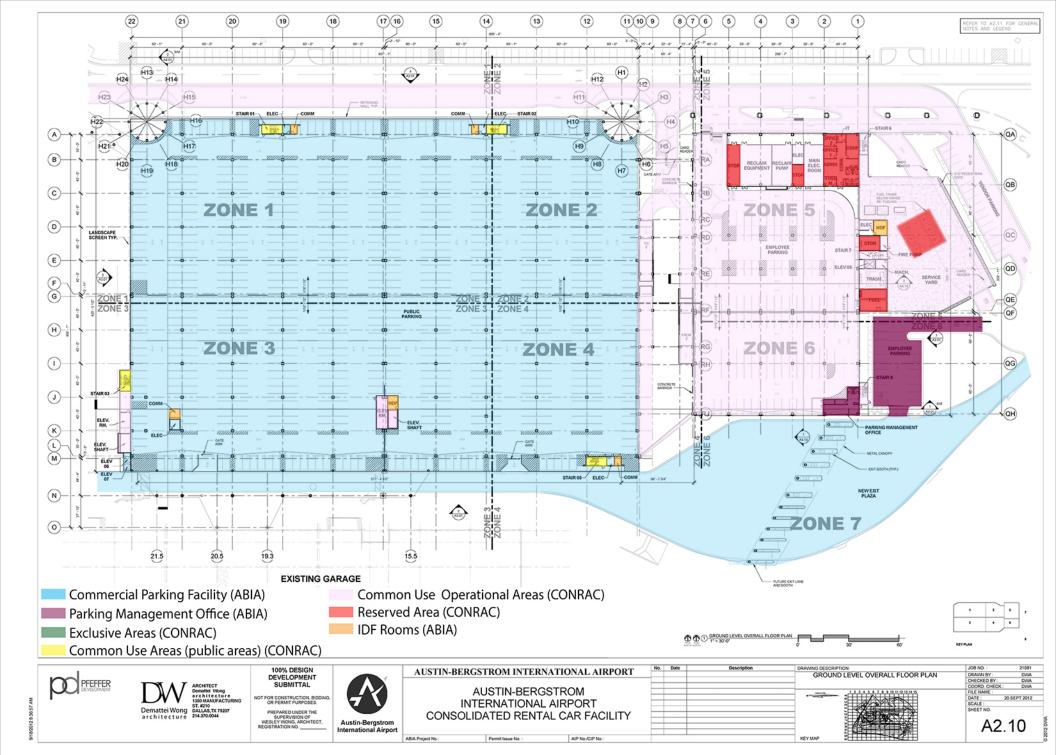

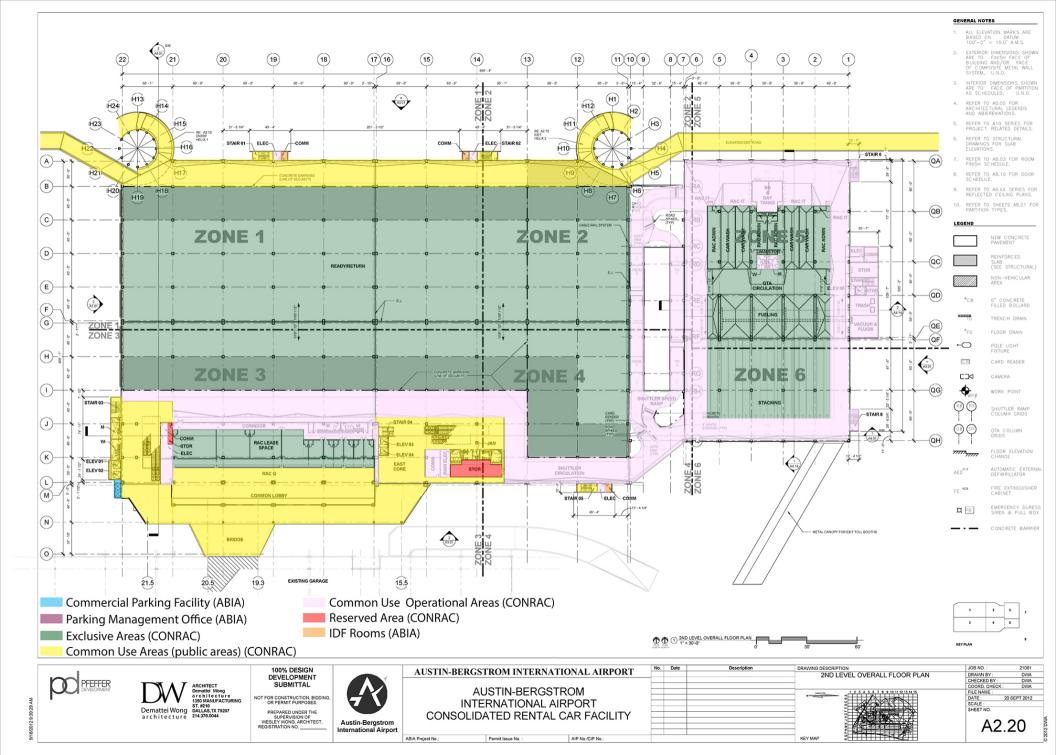

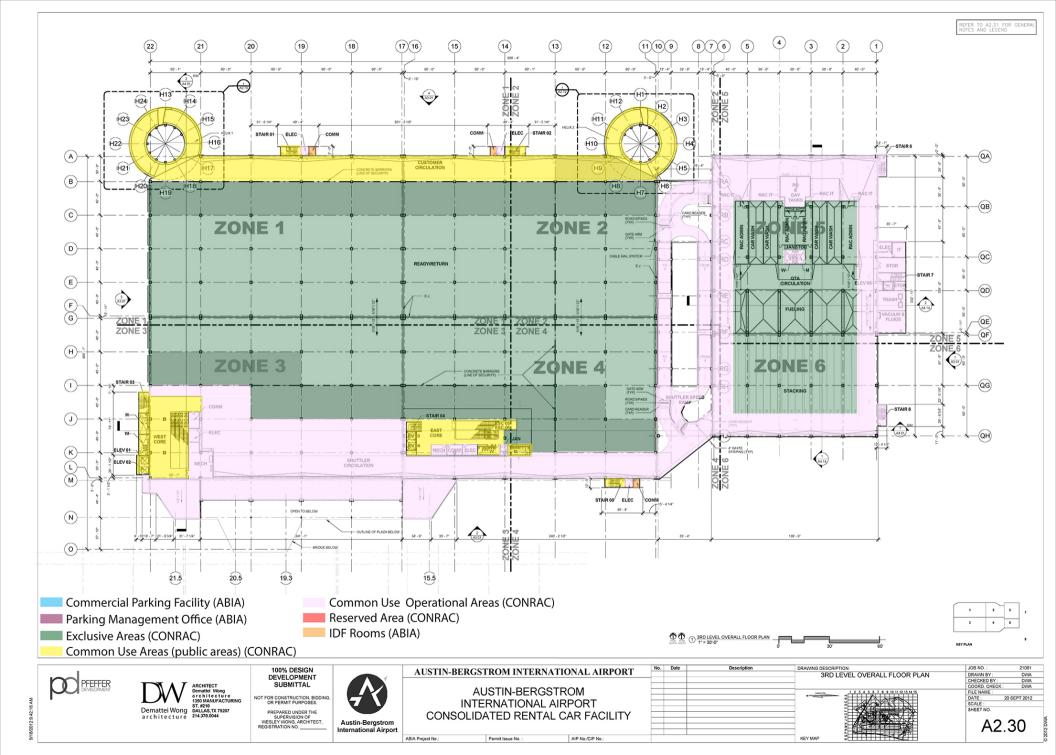

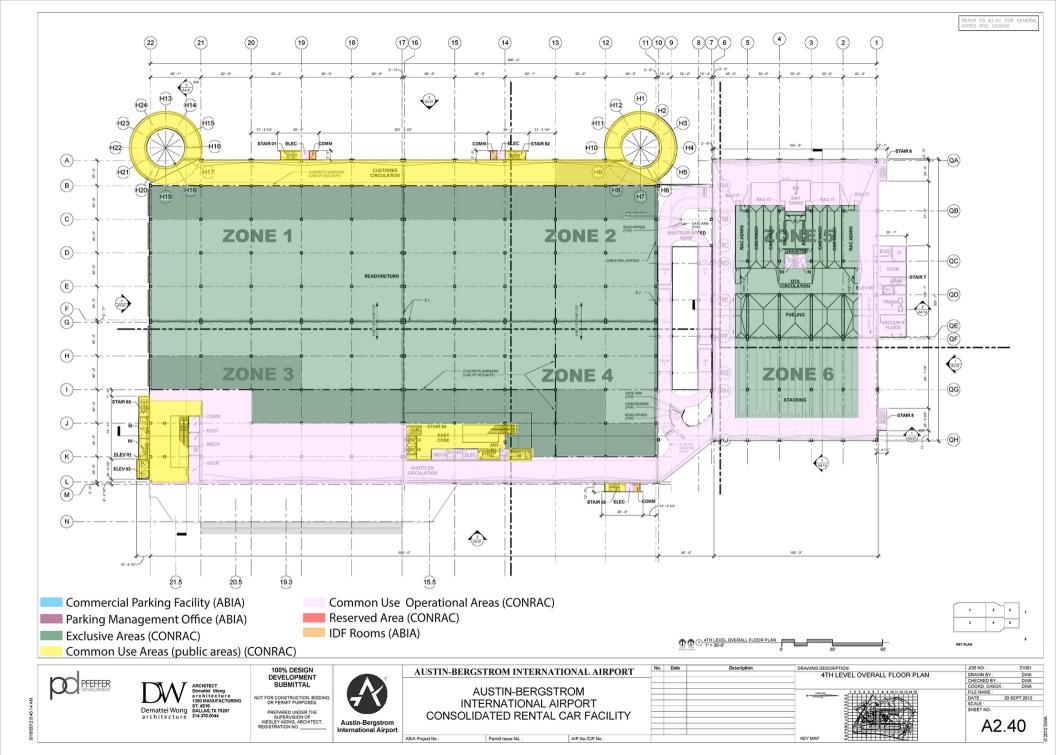

EXHIBIT D

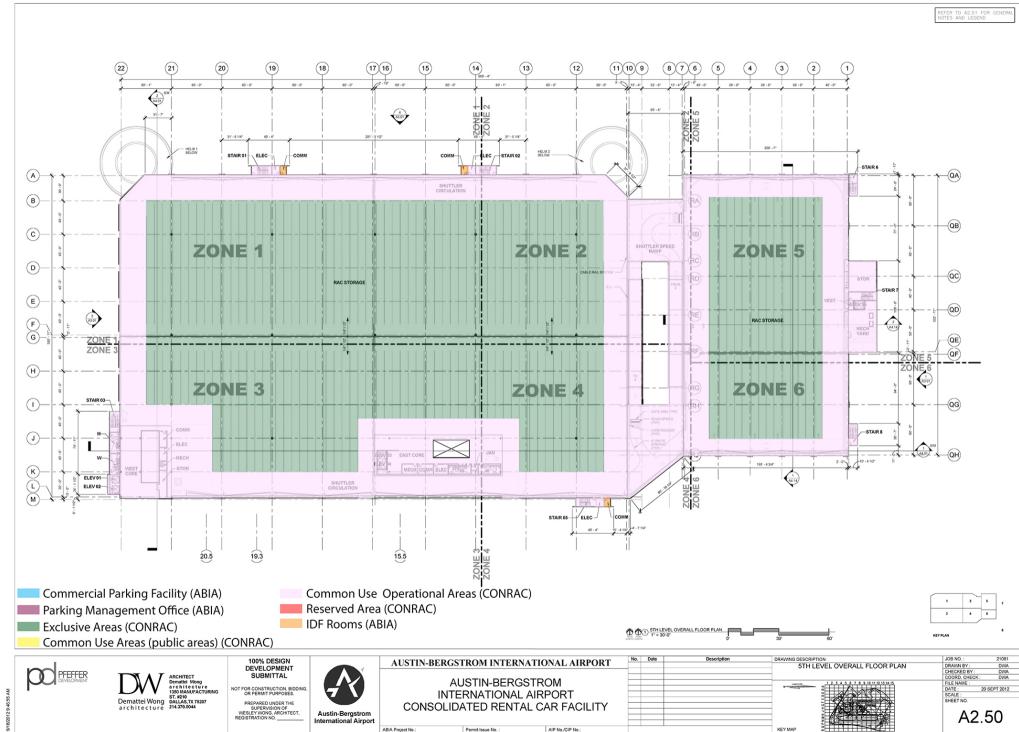

EXHIBIT E

EXHIBIT E

SPACE LOCATION, ALLOCATION AND REALLOCATION METHODOLOGY

This <u>Exhibit E</u> is attached to and made a part of the Master Lease and shall be an attachment to each Sublease Agreement with each RAC to identify the location and size of the RACs' initial Exclusive Use Premises in the CONRAC and to bind each RAC to the terms of this <u>Exhibit E</u>. All terms in this <u>Exhibit E</u> not otherwise defined herein shall have the meanings set forth in the Master Glossary attached to the Master Lease and each Sublease Agreement as <u>Attachment 1</u>.

- 1. <u>Initial Space Location and Allocation</u>. As of the Effective Date, the Parties to the Master Lease and to all Sublease Agreements to be executed more or less contemporaneously with the Master Lease agree that the initial location and allocations of space in the CONRAC have been determined by negotiation among all the parties and that each RAC is leasing space generally proportionate to its Market Share, with accepted variations based on practical considerations relating to layout of the CONRAC and the number and size of various units of allocation (*e.g.* Ready/Return Space, CONRAC Counter Space, Storage Space, QTA Space and Fuel Facilities). The initial location of the Subleased Premises where each initial RAC shall operate its Rental Car Concession is shown on the attached color copies of <u>Exhibits "E-1," "E-2," "E-3," and "E-4"</u> attached hereto and made a part hereof, and will be revised on or before May 31, 2013 and incorporated into each Sublease Agreement by amendment, subject to approval by City.
 - On Exhibit H to the Master Lease, a portion of the CONRAC is specifically 1.1. designated to provide lease space for up to two (2) New Entrants ("New Entrant Areas"). The New Entrant Area for the first ten (10) years after the Opening Date consists of one shared Ready/Return bay, one shared car wash bay and shared use of two designated fueling positions/nozzles and vacuums in the QTA Facility, twelve (12) linear feet of shared counter space and corresponding office space in the Customer Service Building ("CSB") and any storage space on the 5th floor of the CONRAC ("Level 5") necessary to bring total New Entrant stalls to that percentage of the stalls in the CONRAC proportionate to the New Entrant's (or Entrants') Market Share, and Master Lessee shall reserve or arrange for comparable New Entrant Areas for up to two (2) additional New Entrants during the second ten (10) years of the Lease Term City shall have the right to award up to two (2) Rental Car Concessions to New Entrants during the first ten (10) years of the Lease Term and up to two (2) additional New Entrants during the second ten (10) years of the Lease Term. Any and all New Entrants added during a particular ten (10) year Lease Term shall share the New Entrant space through the end of that ten (10) year Lease Term, regardless of the number of years remaining in that that period of Lease Term.
- 2. The Exclusive Use Areas depicted as to their initial location and the allocation in the Attachments, shall be reallocated on the following frequencies:

Exhibit	Type of Space/ Area	Allocation or Location	Annually	Every Five Years	Every Ten Years
E-1	Customer Service Building CONRAC Counter Space	Allocation			X
		Location			X
	Customer Service Building Office Space	Allocation			X
		Location			X
E-2	Ready/Return Areas	Allocation		X	X
		Location			X
E-3	QTA Space	Allocation		X	X
		Location			X
E-4	Level 5 Storage Areas	Allocation	X	X	X
		Location		X	X

- 2.1 Certain principles have been agreed to and shall be taken into consideration in the initial allocation and future reallocations of subleased space within the CONRAC including, without limitation, the following:
 - 2.1.1 Space shall be reallocated generally along Market Share lines based on each RAC's payment of Concession Fees to City as a percentage of all RAC Concession Fees paid to City for the twelve (12) consecutive calendar months ending sixty (60) days before the scheduled date of reallocation according to the frequencies above.
 - 2.1.2 The frequency for all reallocations and relocations shall run on a Concession Agreement Year basis, starting on the Opening Date.
 - 2.1.3 Whenever there is a requirement to make a new allocation determination and to provide an opportunity to the RACs to select additional or different space, the order of selection shall be by a Market Share with the RAC/Sublessee with the largest Market Share having the first choice, the second largest Market Share having the second choice, etc. The RAC with the smallest Market Share shall choose last. All RAC selections must be guided by the principles and limitations stated in this Exhibit E and are subject to review and adjustment by Master Lessee to better satisfy these principles which

- assumes one RAC for each existing Concession Agreement and subject to reevaluation otherwise.
- 2.1.4 No RAC may build any Initial Tenant Improvements or any other improvements that Master Lessee and City have not approved in writing or that is likely to cause unnecessary expense to another company when required to move during a reallocation of space.
- 2.1.5 No RAC may build any tenant improvement that Master Lessee determines would prohibit or unreasonably impair the visibility of a neighboring RAC's directional signage or kiosks or build on common walkways available to all customers of the facility.
- 2.1.6 Each RAC shall occupy its initially allocated Exclusive Use Premises until reallocation, and reallocated space thereafter until each subsequent reallocation.
- 2.1.7 Except as approved by Master Lessee, which approval shall not be unreasonably withheld or delayed, no RAC shall have Ready/Return Space on more than one (1) floor plate nor have direct customer access from the elevator banks on more than one (1) floor plate. Unless otherwise agreed by the affected RACs, each RAC's Exclusive Use Premises, other than the initial New Entrant Areas, shall have
 - (a) At least twelve (12) linear feet of frontage counter space;
 - (b) Not less than one (1) Ready/Return bay and no partial Ready/Return bays or Ready/Return bays separated from each other;
 - (c) Ready/Return Space reasonably close to an elevator/escalator core;
 - (d) At least one (1) car wash, except that a RAC with less than five percent (5%) Market Share (a "Small Market Share RAC") may be required to share a car wash with one or more other Small Market Share RAC; and
 - (e) At least two (2) fueling positions/nozzles.
- 2.1.8 Nothing in this Exhibit E shall prevent two (2) or more RACs from adjusting Ready/Return Space or Storage Space by mutual agreement as long as the adjustment does not adversely affect traffic on a floor plate, overload the QTA Space, or adversely affect customer flow or operation of the CONRAC, is approved in advance by Master Lessee, and all costs are fully paid for by the RACs that are party to the mutual agreement. Master Lessee shall provide written notice to City no later than ten (10) days of Master Lessee's approval of such adjustment.

- 2.1.9 Customer access to Level 5 is limited and customer presence is prohibited. Retail operations shall not occur on Level 5 unless, and until, City, Master Lessee and all RACs agree in writing to an amendment to this provision.
- 2.1.10 Each RAC shall be responsible, at no cost to City or the Master Lessee, for the installation or removal of all RAC Property, including antennas, kiosks, security equipment and signage, during any reallocation event.
- 2.1.11 Reallocation shall not require replacement of the attached initial allocation and location Exhibits E-1 E-4, but shall be documented by Master Lessee's issuance to the RACs of up-dated City-approved allocation/location drawings by an addendum. Such addendum shall be effective as of a stated date in such addendum that is not less than fifteen (15) nor more than thirty (30) days from the date of its distribution to the RACs in the case of annual reallocations and not less than thirty (30) nor more than sixty (60) days from the date of its distribution to the RACs in the case of five- (5) and ten (10) year reallocations and relocations, if any. RACs shall each work to reduce customer disruption during reallocation events
- 3. <u>Reallocation of Space</u>: Reallocation of space shall be generally proportionate to Market Share of the RACs as described above. Reallocation of space shall be administered by Master Lessee with the approval and consent of City, which shall not be unreasonably denied or delayed. Confirm standard is acceptable to City.
 - 3.1 In the event that Master Lessee and the RACs are unable to arrive at a mutually acceptable allocation or reallocation of space in any area of the CONRAC by the deadline in Section 2.1.11 above. Master Lessee shall present a final proposal to City for approval. If Master Lessee's final proposal is approved by City, such decision shall be final and binding on Master Lessee and RACs and not subject to further appeal. If Master Lessee's final proposal is not approved by City, Master Lessee shall modify it and resubmit the proposal for approval by City.
 - 3.2 During the tenth (10th) Lease Agreement Year and twentieth (20th) Lease Agreement Year, all spaces in the CONRAC are subject to reallocation and relocation. Any New Entrants added during either the first or second ten (10) year term of the Master Lease shall be included in the reallocation of all spaces.
 - 3.3 Ready/Return Space (Exhibit E-2). To avoid the cost of more frequent reallocation of Ready/Return Space, annual increases or decreases in the allocation of Storage Areas on Level 5, which is shared by all RACs, shall be used to maintain aggregate proportionality of parking spaces.
 - 3.3.1 Beginning on day one (1) of the second Concession Agreement Year, and each year thereafter, deviations in the Market Share proportionality of Ready/Return Space allocations, shall be corrected by increases or decreases in allocated Level 5 Storage Spaces such that the combined total of Ready/Return Spaces and Storage Spaces of each RAC are as proportionate to Market Share as possible.

- 3.3.2 At five (5) year intervals from the Opening Date, Ready/Return Space shall be reallocated to generally meet Market Share percentages as reasonably practical without relocating any RAC to a different floor plate, or otherwise violating the principles stated in this Exhibit E.
- 3.3.3 General proportionality of space to Market Share is the goal of allocations of Levels 2, 3 and 4, but is not the goal on Level 5, except to the extent Levels 2, 3, and 4 Ready/Return Space proportionality is achieved every fifth (5th) year without need to use Level 5 Storage Space to correct for deviations. Allocation of all floors will be by full bays and lanes, rather than by dividing bays or lanes among RACs except within the initial New Entrant Areas.
- 3.4 <u>Customer Service Building (Exhibit E-1)</u>. Market Share percentages shall be used to determine the relative percentage of counter space available to each RAC, however, no company (other than those in the New Entrant Areas) shall have less than twelve (12) linear feet of counter space and no incremental change in length of counter shall occur in increments of less than four (4) linear feet. Back office space shall roughly match, to the degree available, the proportion of linear counter space allocated to each RAC.
- 3.5 QTA Space (Exhibit E-3). Market Share percentages shall be the guideline for allocating QTA Space and facilities, keeping in mind there is a finite and reduced number of units of each type of space available for use in the QTA Facility. Except for initial New Entrants or as otherwise agreed, each RAC shall, to the extent possible, have and use fueling, and car wash allotments as stated in Section 2.1.7 (d) and (e). To the extent possible, RACs shall have designated car washes and fueling positions for security and direct control. As feasible, fuel dispensers and car washes shall be designated for use by specific companies during each QTA Space reallocation process. Small Market Share RACs and any New Entrants may be required to share car wash facilities and may be limited to a single fueling position/nozzle.
- 3.6 <u>Storage Space on Level 5 (Exhibit E-4)</u>. Level 5 is for storage of ready/return vehicles and may not be used for employee-owned vehicles or any use incompatible with the Joint Use Facility.
- 4. New Entrants. New Entrants shall initially occupy, upon execution of a Concession Agreement and a Sublease Agreement, a shared area of space set aside as a New Entrant Area for operations within the CONRAC. If there are two (2) New Entrants, they shall share the space. If there is only one New Entrant, it shall be able to occupy one half of the New Entrant space until another new entrant qualifies to operate in the CONRAC.
 - 4.1 At the end of the tenth 10th Lease Agreement Year, when all space within the CONRAC is reallocated and RACs can chose (or be required by an election of a larger Market Share RAC) to relocate, New Entrants shall fully participate in accordance with their Market Share pursuant to Section 2.1.3 herein.

- 5. <u>Vacant Space</u>: RACs who no longer have a Concession Agreement (whether by expiration, voluntary termination or termination by default or cross-default with another agreement) shall vacate the CONRAC immediately, and/or shall be evicted and removed, if necessary, in accordance with applicable Sublease Agreements. Vacant space shall be reallocated within thirty (30) days based upon the principles stated in this <u>Exhibit E</u>.
 - Master Lessee shall reallocate vacant Ready/Return Space, whether vacant due to departure of a RAC or due to the absence of one or more New Entrants, to the first RAC in Good Standing that agrees to sublease the space upon sequential offering of the space in the following priority order (1) to the RAC occupying a portion of the same floor plate and having the lowest ratio of Ready/Return Spaces to Storage Spaces of all RACs occupying that floor plate, (2) to each other RAC occupying a portion of that floor plate in the order of next lowest to highest ratio of Ready/Return Spaces to Storage Spaces, and (3) to each other subleasing RAC, regardless of the location of its subleased premises, in order of Market Share, from highest to lowest, all subject to the approval of City which shall not be unreasonably withheld, delayed or denied. If an RAC accepts vacant Ready/Return Space, its Pro Rata Share shall be recalculated based on its new total Exclusive Use Space, and its allocation of Storage Space on Level 5 shall thereby be reduced by one stall for each additional Ready/Return Space it receives, and Level 5 shall be reallocated.
 - 5.2 Master Lessee shall endeavor to reallocate the vacated space within thirty (30) days. Master Lessee shall recalculate Pro Rata Shares for Rent and O&M Costs as necessary to account for the assumption of space.
 - 5.3 If any vacated space is not reallocated within thirty (30) days of the date the same is vacated, City shall have the right to solicit an additional New Entrant to occupy the vacated space.
 - 5.4 To collect sufficient funds to pay City all Rent and to cover all O&M Costs as required by the Master Lease, for any period of time during which any space is vacant that would otherwise be designated for Exclusive Use Premises, Master Lessee shall recalculate and increase proportionately the Pro Rata Share of Rent and O&M Costs due under the Sublease Agreements to account for and include the Pro Rata Share of Rent and O&M Costs attributable to the vacant space to the end that all Rent and O&M Costs obligations of Master Lessee under the Master Lease shall be apportioned to Exclusive Use Premises then covered by Sublease Agreements.

6. Rent and Costs of Reallocations

- 6.1 Rent. The Master Lessee is obligated to pay Rent in accordance with the terms of the Master Lease. Each RAC shall be responsible and pay Master Lessee for its Pro Rata Share of Rent, which rent may change from time to time and is subject to adjustment as provided in Section 5.2 or 5.4.
- 6.2 <u>Costs of Reallocations</u>. During any reallocation event described above, the following distribution of costs shall occur. To the extent that such costs are eligible for reimbursement from the CFC Surplus Fund, Master Lessee shall submit a written

request to City for reimbursement of such costs from the CFC Surplus Fund pursuant to <u>Section 13.8</u> of the Master Lease. In the event the costs associated with the reallocations are not eligible for reimbursement from the CFC Surplus Fund or if there are insufficient funds in the CFC Surplus Fund to reimburse such costs, then

- 6.2.1 At each reallocation period for Ready/Return Areas and Level 5 Storage Areas, the Sublessees shall each pay for their own costs of reallocation.
- 6.2.2 Upon the reallocation of space for the CSB and the QTA Facility, as well as any floor plate changes hereunder, subject to eligibility and availability of funds in the Repair and Replacement Fund to pay for the space changes, any unfunded costs shall be the expense of the relocating RACs which shall bear their own costs of relocation so that no non-moving RAC will be required to pay the costs of moving another RAC.
- 6.2.3 Two (2) or more RACs may agree to exchange space, spaces or locations during the Sublease Term. In any such event, the individual costs of such changes shall be borne by the RACs incurring the costs. Prior approval by the Master Lessee is required.
- 6.2.4 If in the tenth (10th) Sublease Agreement Year of the Sublease Agreements, a floor plate relocation is required to meet the Market Share formula for distribution of space, if eligible for reimbursement from the Repair and Replacement Fund, the Master Lessee shall submit a written request to City for reimbursement of such costs from the Repair and Replacement Fund pursuant to Section 12.7 of the Master Lease. In the event such costs are not eligible for reimbursement from the Repair and Replacement Fund or if there are insufficient funds in the Repair and Replacement Fund to reimburse such costs, then the costs shall be borne by the affected RACs.
- 6.2.5 In adding New Entrants to operate within the CONRAC after the tenth (10th) Lease Agreement Year, if there is insufficient room due to the car rental market growth, Master Lessee may request that City approve discretionary disbursement from either from the CFC Surplus Fund or the Repair and Replacement Fund or approve the sale of Additional Bonds or use of other funding available to City, sufficient to make infrastructure changes for, or the creation of, additional space in the CONRAC to accommodate New Entrants without diminishing the operating space of the then existing incumbent RACs and to effect the reallocation and relocation of RACs for the subsequent ten (10) year period. If City determines that such costs are not eligible for reimbursement from the Repair and Replacement Fund or the CFC Surplus Fund or if eligible, but sufficient funds are not available in the Repair and Replacement Fund or the CFC Surplus Fund or not available through the issuance of Additional Bonds, then Master Lessee shall be not be responsible for such costs.

EXHIBIT E-2

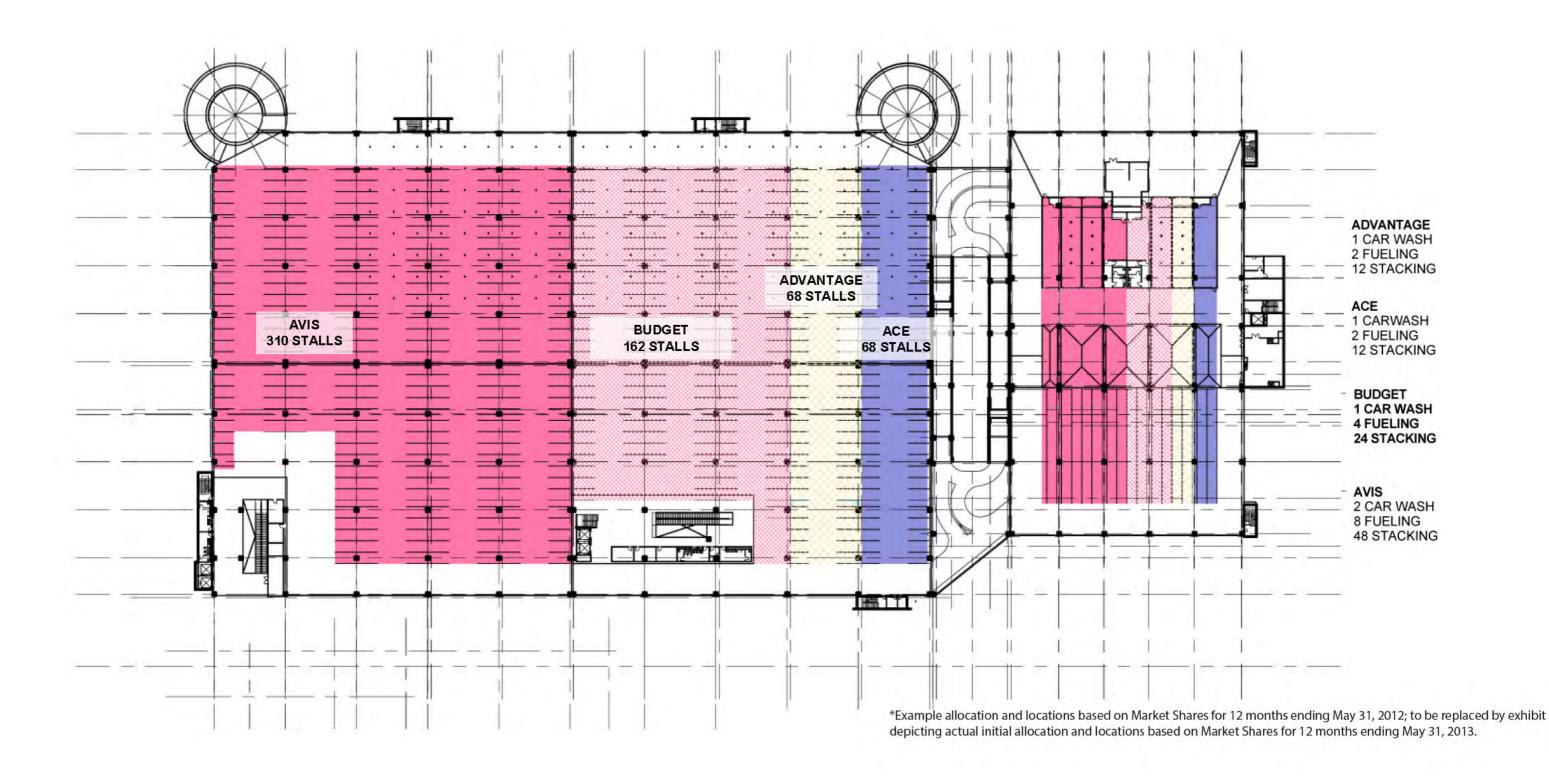

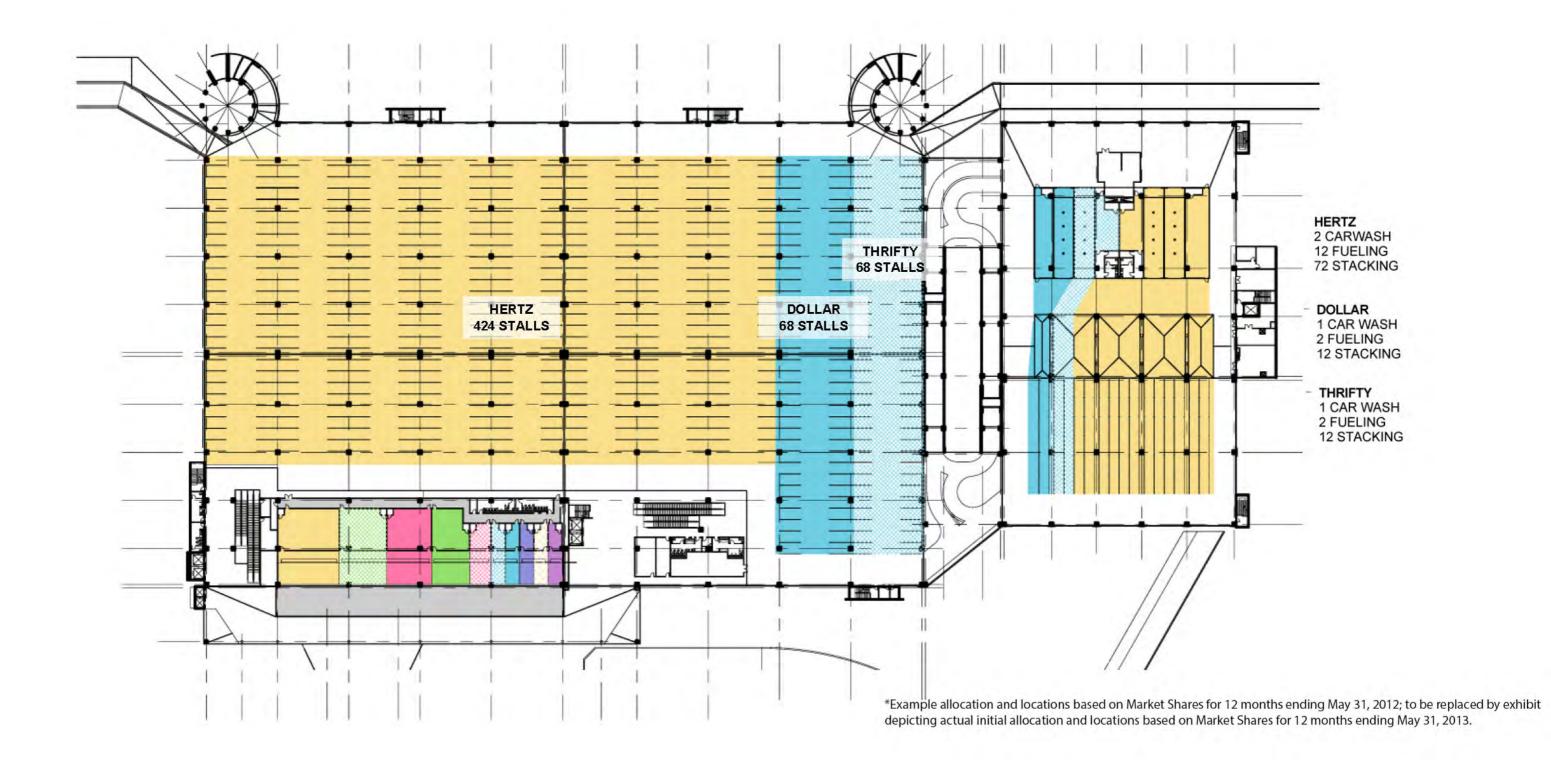

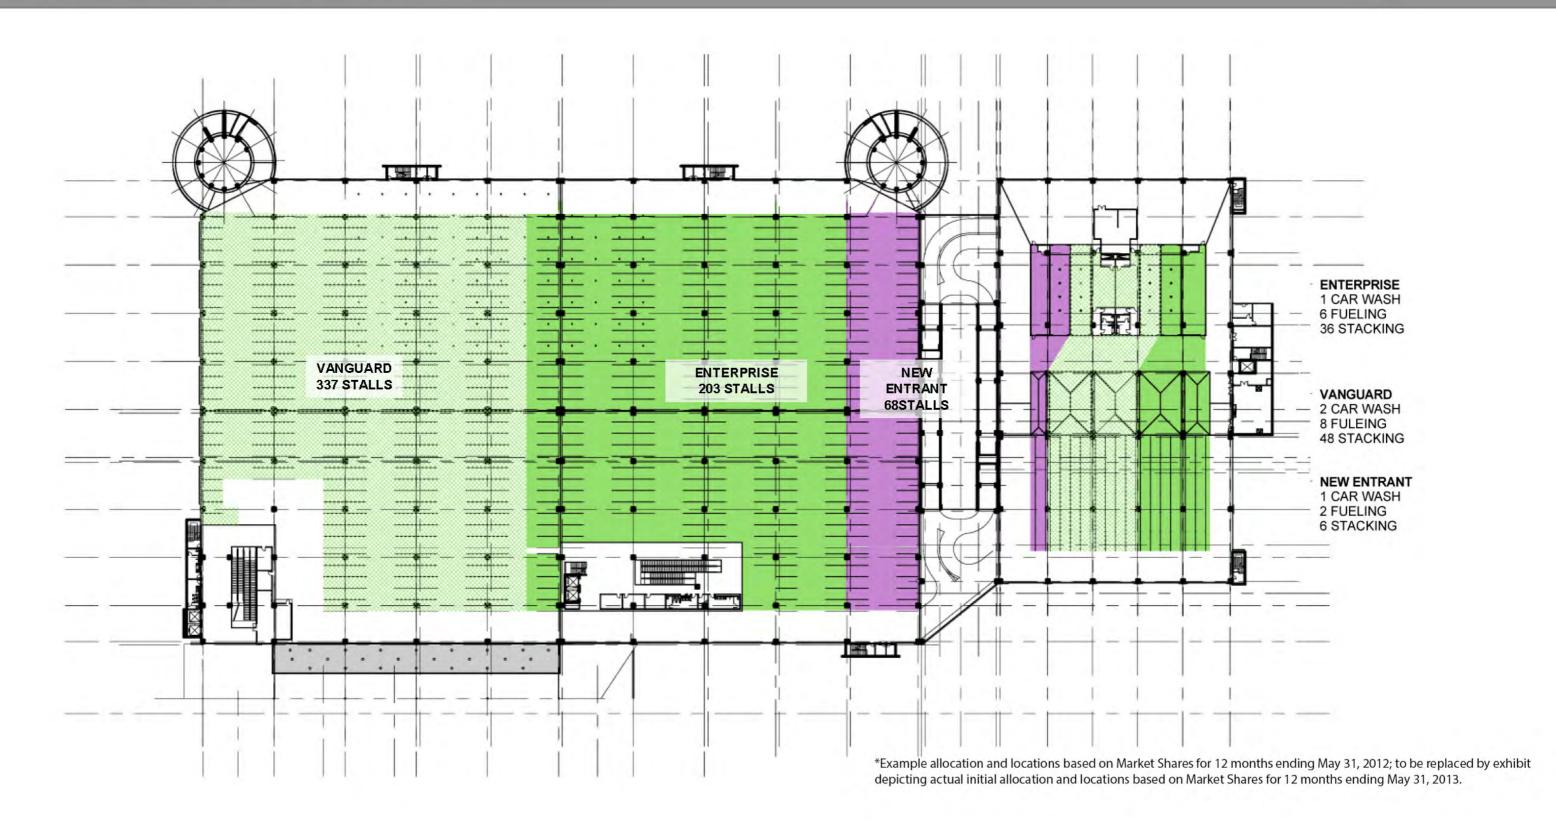

EXHIBIT E-3

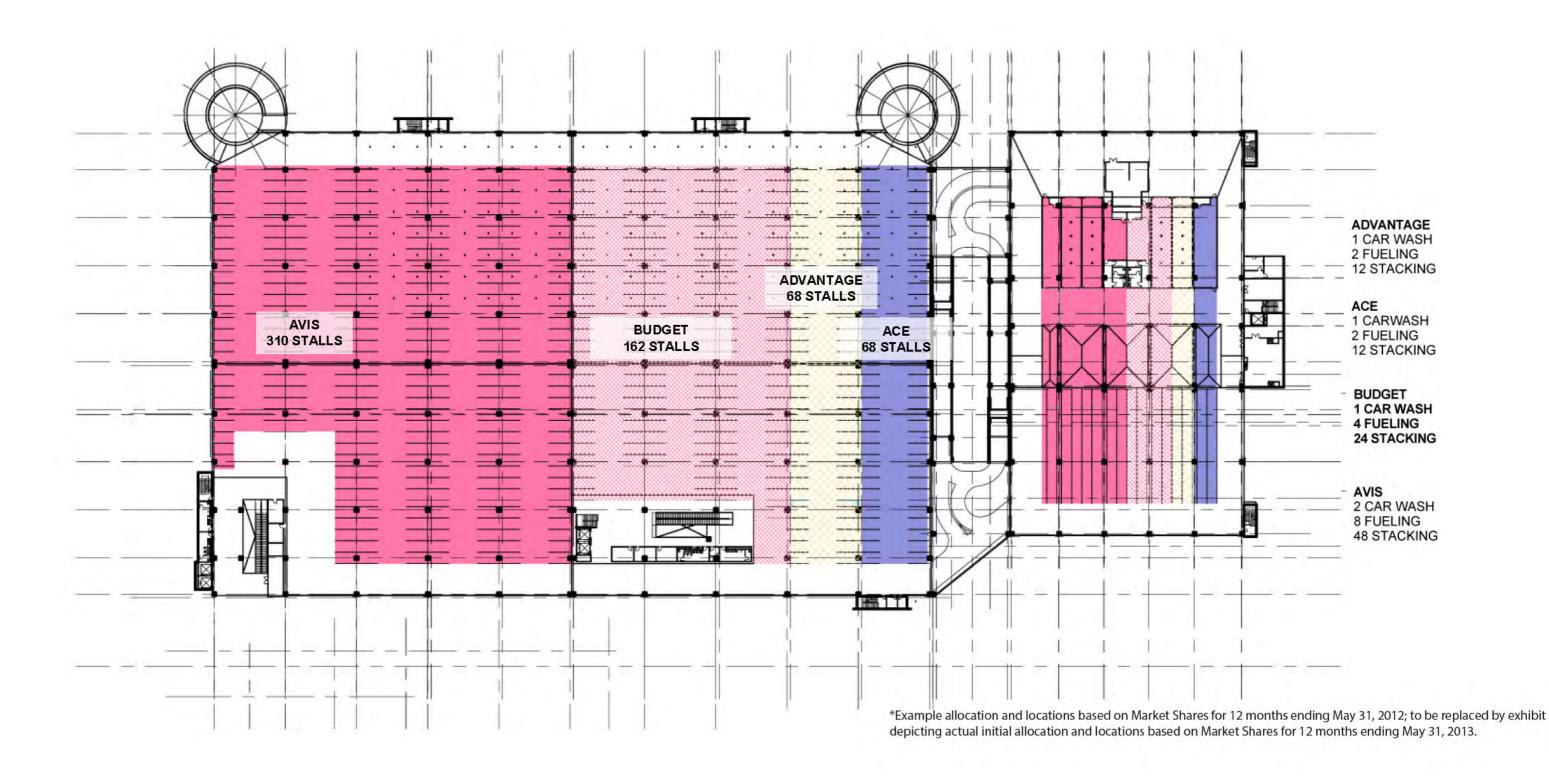

EXHIBIT E-4

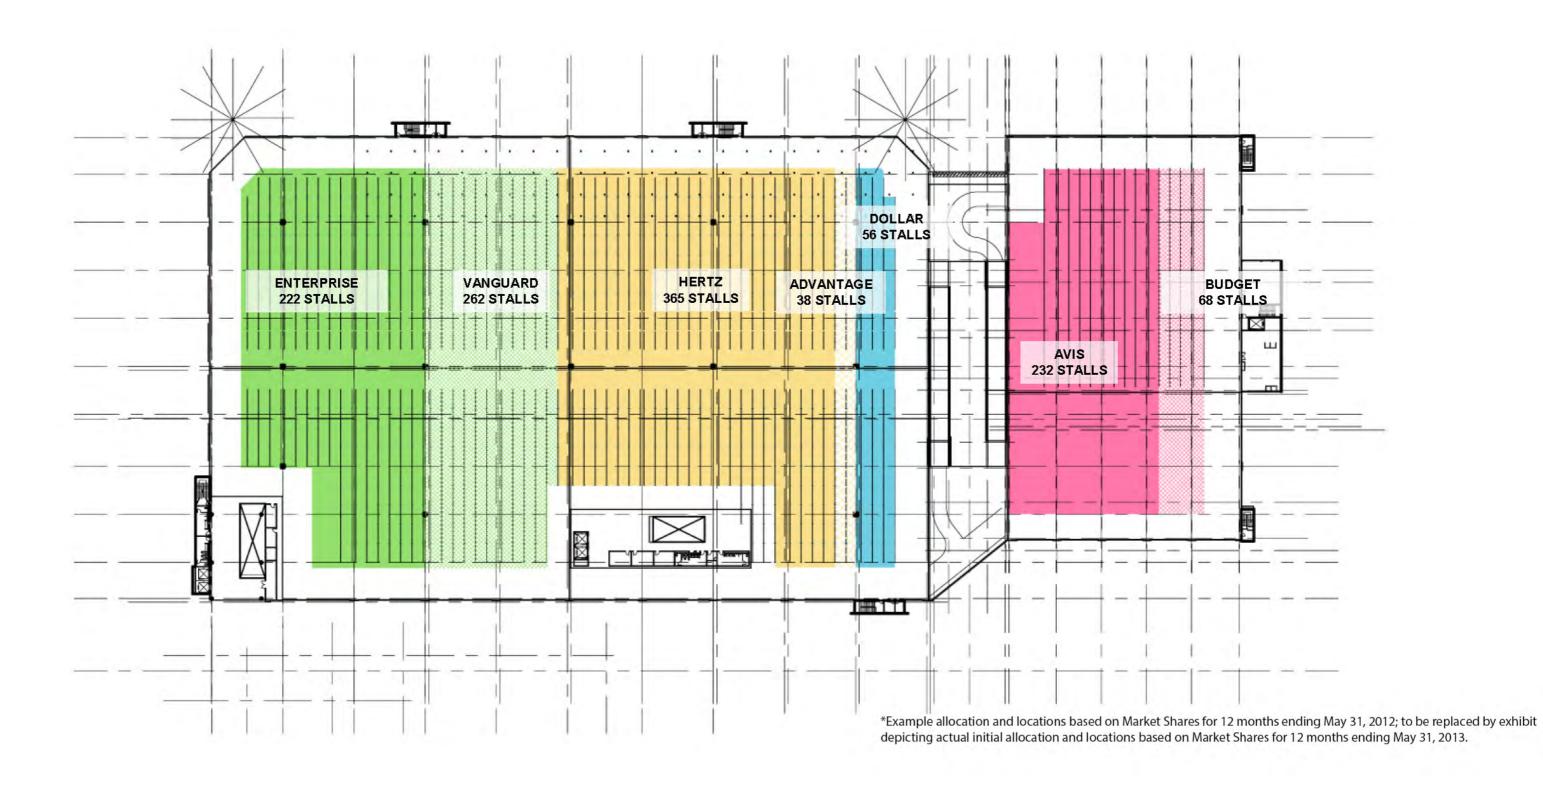

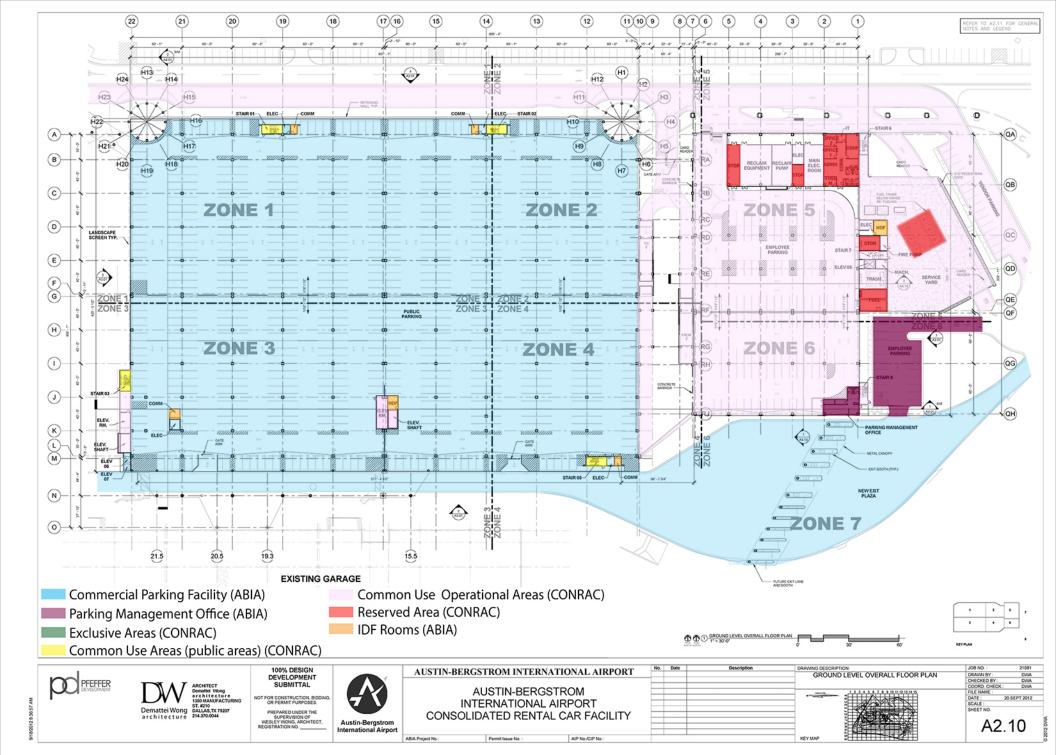

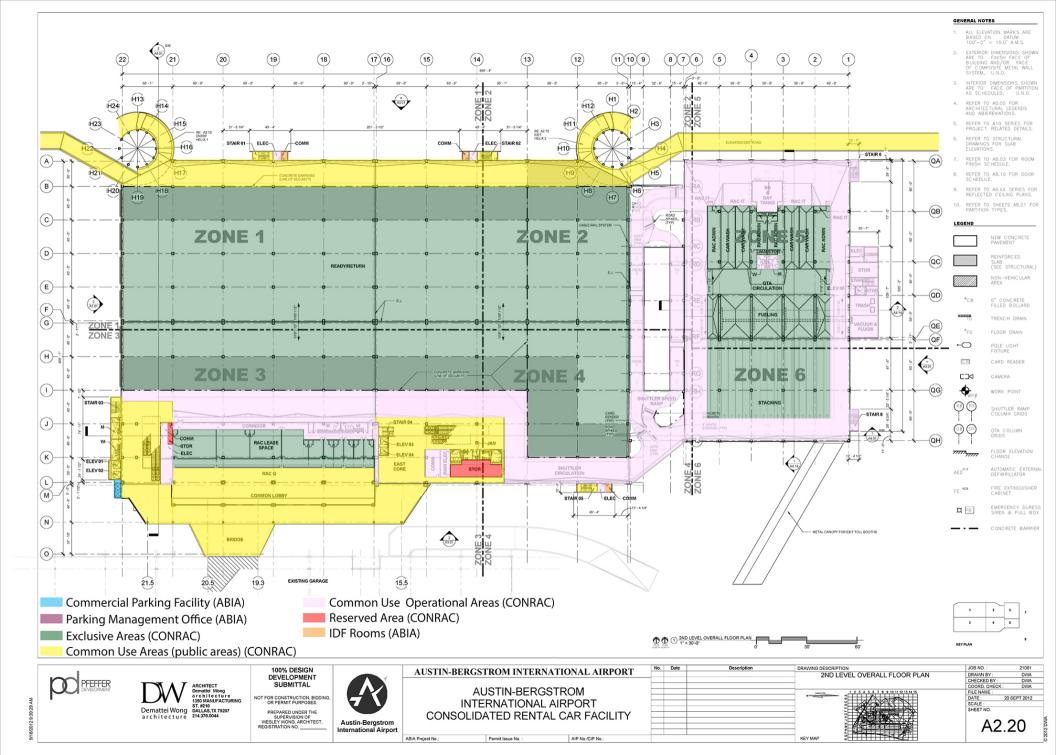

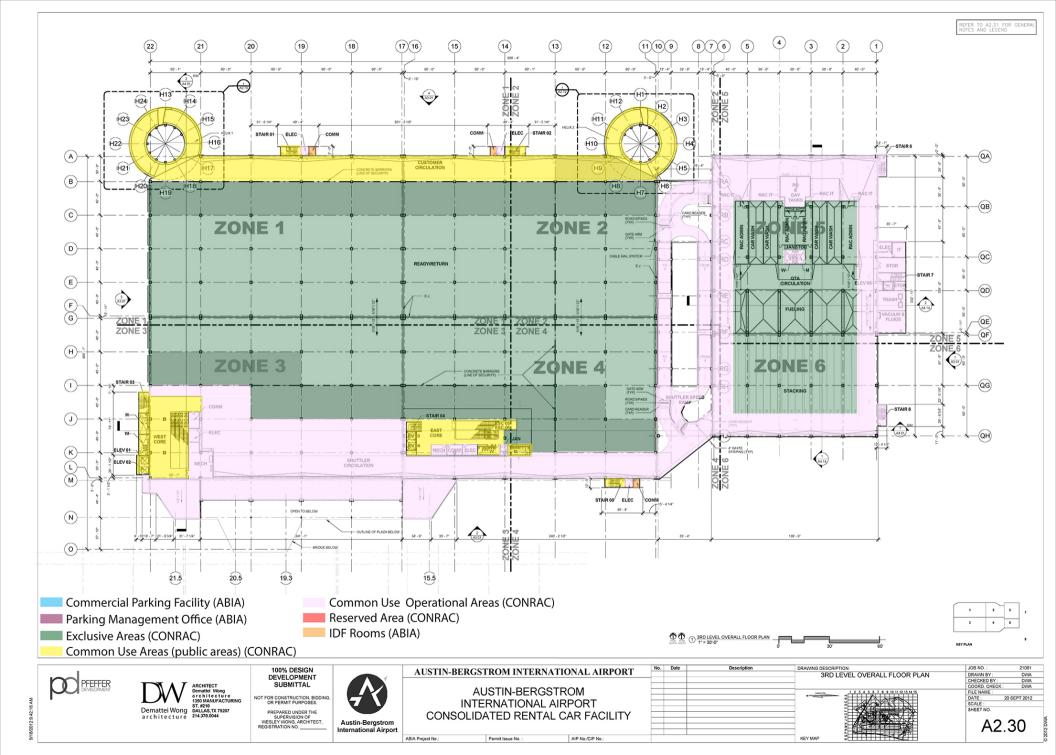

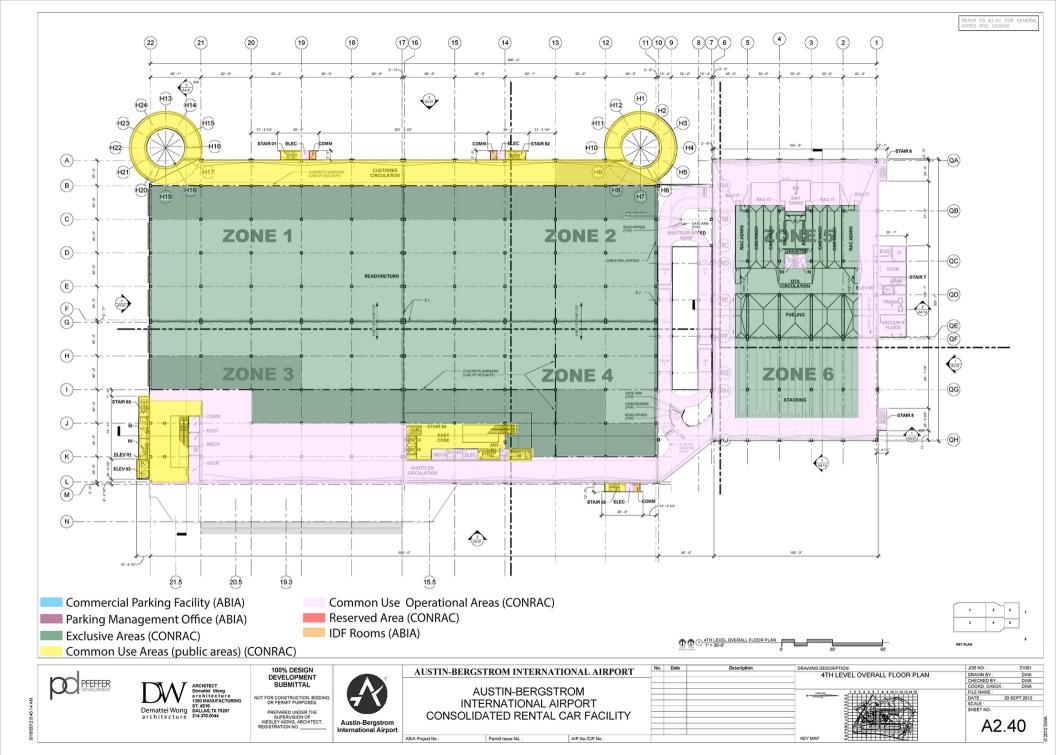

EXHIBIT H

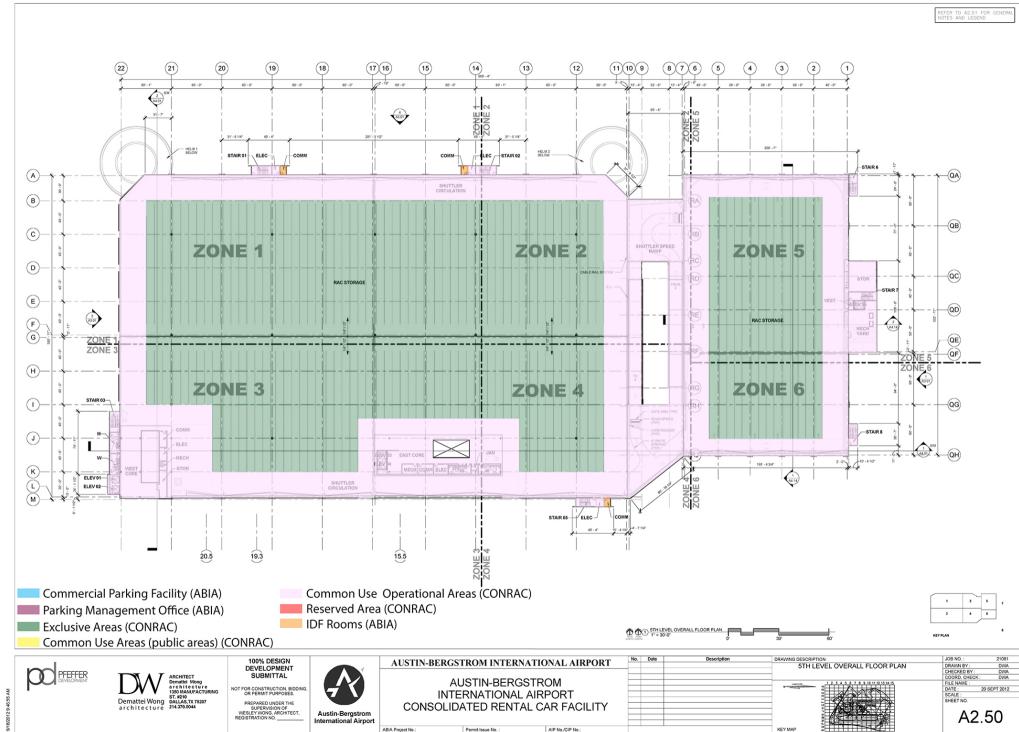

<u>DEPICTION OF DESIGNATED AREAS AND SPACES IN JOINT USE FACILITY</u>

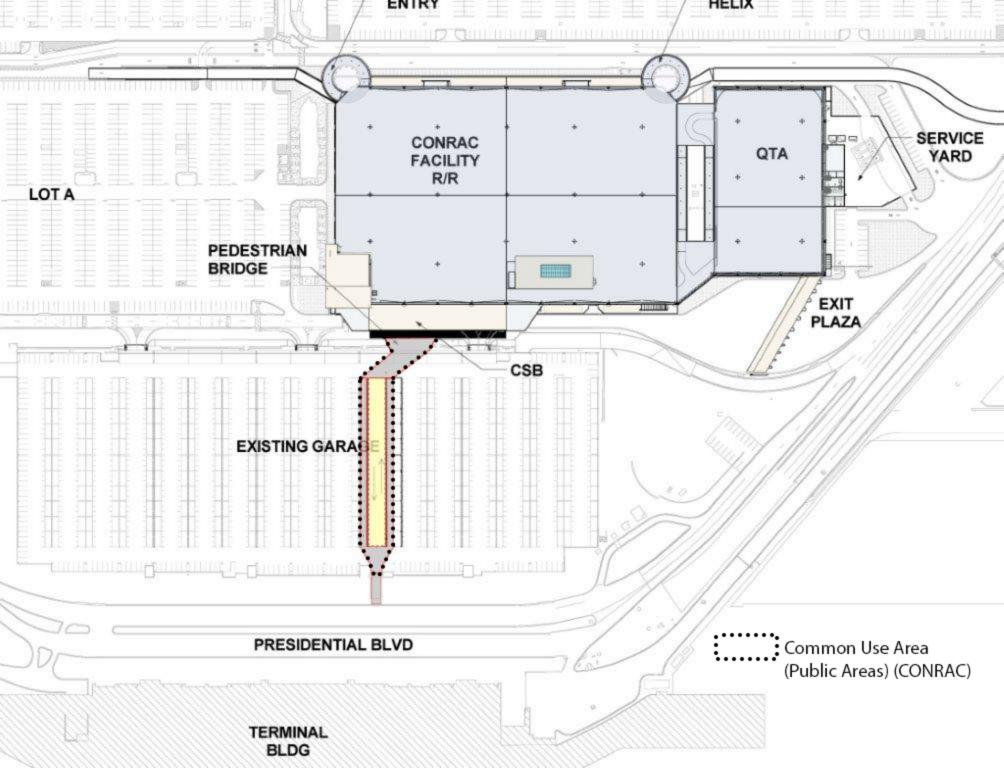

SPACE LOCATION, ALLOCATION AND REALLOCATION METHODOLOGY

This <u>Exhibit I</u> is attached to and made a part of the Master Lease and shall be an attachment to each Sublease Agreement with each RAC to identify the location and size of the RACs' initial Exclusive Use Premises in the CONRAC and to bind each RAC to the terms of this <u>Exhibit I</u>. All terms in this <u>Exhibit I</u> not otherwise defined herein shall have the meanings set forth in the Master Glossary attached to the Master Lease and each Sublease Agreement as Attachment 1.

- 1. <u>Initial Space Location and Allocation</u>. As of the Effective Date, the Parties to the Master Lease and to all Sublease Agreements to be executed more or less contemporaneously with the Master Lease agree that the initial location and allocations of space in the CONRAC have been determined by negotiation among all the parties and that each RAC is leasing space generally proportionate to its Market Share, with accepted variations based on practical considerations relating to layout of the CONRAC and the number and size of various units of allocation (*e.g.* Ready/Return Space, CONRAC Counter Space, Storage Space, QTA Space and Fuel Facilities). The initial location of the Subleased Premises where each initial RAC shall operate its Rental Car Concession is shown on the attached color copies of <u>Exhibits "I-1," "I-2," "I-3," and "I-4"</u> attached hereto and made a part hereof, and will be revised on or before May 31, 2013 and incorporated into each Sublease Agreement by amendment, subject to approval by City.
 - 1.1. On Exhibit H to the Master Lease, a portion of the CONRAC is specifically designated to provide lease space for up to two (2) New Entrants ("New Entrant Areas"). The New Entrant Area for the first ten (10) years after the Opening Date consists of one shared Ready/Return bay, one shared car wash bay and shared use of two designated fueling positions/nozzles and vacuums in the QTA Facility, twelve (12) linear feet of shared counter space and corresponding office space in the Customer Service Building ("CSB") and any storage space on the 5th floor of the CONRAC ("Level 5") necessary to bring total New Entrant stalls to that percentage of the stalls in the CONRAC proportionate to the New Entrant's (or Entrants') Market Share, and Master Lessee shall reserve or arrange for comparable New Entrant Areas for up to two (2) additional New Entrants during the second ten (10) years of the Lease Term City shall have the right to award up to two (2) Rental Car Concessions to New Entrants during the first ten (10) years of the Lease Term and up to two (2) additional New Entrants during the second ten (10) years of the Lease Term. Any and all New Entrants added during a particular ten (10) year Lease Term shall share the New Entrant space through the end of that ten (10) year Lease Term, regardless of the number of years remaining in that that period of Lease Term.
- 2. The Exclusive Use Areas depicted as to their initial location and the allocation in the Attachments, shall be reallocated on the following frequencies:

Exhibit	Type of Space/ Area	Allocation or Location	Annually	Every Five Years	Every Ten Years
I-1	Customer Service Building CONRAC Counter Space	Allocation			X
		Location			X
	Customer Service Building Office Space	Allocation			X
		Location			X
I-2	Ready/Return Areas	Allocation		X	X
		Location			X
I-3	QTA Space	Allocation		X	X
		Location			X
I-4	Level 5 Storage Areas	Allocation	X	X	X
		Location		X	X

- 2.1 Certain principles have been agreed to and shall be taken into consideration in the initial allocation and future reallocations of subleased space within the CONRAC including, without limitation, the following:
 - 2.1.1 Space shall be reallocated generally along Market Share lines based on each RAC's payment of Concession Fees to City as a percentage of all RAC Concession Fees paid to City for the twelve (12) consecutive calendar months ending sixty (60) days before the scheduled date of reallocation according to the frequencies above.
 - 2.1.2 The frequency for all reallocations and relocations shall run on a Concession Agreement Year basis, starting on the Opening Date.
 - 2.1.3 Whenever there is a requirement to make a new allocation determination and to provide an opportunity to the RACs to select additional or different space, the order of selection shall be by a Market Share with the RAC/Concessionaire with the largest Market Share having the first choice, the second largest Market Share having the second choice, etc. The RAC with the smallest Market Share shall choose last. All RAC selections must

- be guided by the principles and limitations stated in this <u>Exhibit I</u> and are subject to review and adjustment by Master Lessee to better satisfy these principles which assumes one RAC for each existing Concession Agreement and subject to re-evaluation otherwise.
- 2.1.4 No RAC may build any Initial Tenant Improvements or any other improvements that Master Lessee and City have not approved in writing or that is likely to cause unnecessary expense to another company when required to move during a reallocation of space.
- 2.1.5 No RAC may build any tenant improvement that Master Lessee determines would prohibit or unreasonably impair the visibility of a neighboring RAC's directional signage or kiosks or build on common walkways available to all customers of the facility.
- 2.1.6 Each RAC shall occupy its initially allocated Exclusive Use Premises until reallocation, and reallocated space thereafter until each subsequent reallocation.
- 2.1.7 Except as approved by Master Lessee, which approval shall not be unreasonably withheld or delayed, no RAC shall have Ready/Return Space on more than one (1) floor plate nor have direct customer access from the elevator banks on more than one (1) floor plate. Unless otherwise agreed by the affected RACs, each RAC's Exclusive Use Premises, other than the initial New Entrant Areas, shall have
 - (a) At least twelve (12) linear feet of frontage counter space;
 - (b) Not less than one (1) Ready/Return bay and no partial Ready/Return bays or Ready/Return bays separated from each other;
 - (c) Ready/Return Space reasonably close to an elevator/escalator core;
 - (d) At least one (1) car wash, except that a RAC with less than five percent (5%) Market Share (a "Small Market Share RAC") may be required to share a car wash with one or more other Small Market Share RAC; and
 - (e) At least two (2) fueling positions/nozzles.
- 2.1.8 Nothing in this Exhibit I shall prevent two (2) or more RACs from adjusting Ready/Return Space or Storage Space by mutual agreement as long as the adjustment does not adversely affect traffic on a floor plate, overload the QTA Space, or adversely affect customer flow or operation of the CONRAC, is approved in advance by Master Lessee, and all costs are fully paid for by the RACs that are party to the mutual agreement.

- Master Lessee shall provide written notice to City no later than ten (10) days of Master Lessee's approval of such adjustment.
- 2.1.9 Customer access to Level 5 is limited and customer presence is prohibited. Retail operations shall not occur on Level 5 unless, and until, City, Master Lessee and all RACs agree in writing to an amendment to this provision.
- 2.1.10 Each RAC shall be responsible, at no cost to City or the Master Lessee, for the installation or removal of all RAC Property, including antennas, kiosks, security equipment and signage, during any reallocation event.
- 2.1.11 Reallocation shall not require replacement of the attached initial allocation and location Exhibits I-1 I-4, but shall be documented by Master Lessee's issuance to the RACs of up-dated City-approved allocation/location drawings by an addendum. Such addendum shall be effective as of a stated date in such addendum that is not less than fifteen (15) nor more than thirty (30) days from the date of its distribution to the RACs in the case of annual reallocations and not less than thirty (30) nor more than sixty (60) days from the date of its distribution to the RACs in the case of five (5) and ten (10) year reallocations and relocations, if any. RACs shall each work to reduce customer disruption during reallocation events
- 3. <u>Reallocation of Space</u>: Reallocation of space shall be generally proportionate to Market Share of the RACs as described above. Reallocation of space shall be administered by Master Lessee with the approval and consent of City, which shall not be unreasonably denied or delayed. Confirm standard is acceptable to City.
 - 3.1 In the event that Master Lessee and the RACs are unable to arrive at a mutually acceptable allocation or reallocation of space in any area of the CONRAC by the deadline in Section 2.1.11 above. Master Lessee shall present a final proposal to City for approval. If Master Lessee's final proposal is approved by City, such decision shall be final and binding on Master Lessee and RACs and not subject to further appeal. If Master Lessee's final proposal is not approved by City, Master Lessee shall modify it and resubmit the proposal for approval by City.
 - 3.2 During the tenth (10th) Lease Agreement Year and twentieth (20th) Lease Agreement Year, all spaces in the CONRAC are subject to reallocation and relocation. Any New Entrants added during either the first or second ten (10) year term of the Master Lease shall be included in the reallocation of all spaces.
 - 3.3 <u>Ready/Return Space (Exhibit I-2)</u>. To avoid the cost of more frequent reallocation of Ready/Return Space, annual increases or decreases in the allocation of Storage Areas on Level 5, which is shared by all RACs, shall be used to maintain aggregate proportionality of parking spaces.

- 3.3.1 Beginning on day one (1) of the second Concession Agreement Year, and each year thereafter, deviations in the Market Share proportionality of Ready/Return Space allocations, shall be corrected by increases or decreases in allocated Level 5 Storage Spaces such that the combined total of Ready/Return Spaces and Storage Spaces of each RAC are as proportionate to Market Share as possible.
- 3.3.2 At five (5) year intervals from the Opening Date, Ready/Return Space shall be reallocated to generally meet Market Share percentages as reasonably practical without relocating any RAC to a different floor plate, or otherwise violating the principles stated in this Exhibit I.
- 3.3.3 General proportionality of space to Market Share is the goal of allocations of Levels 2, 3 and 4, but is not the goal on Level 5, except to the extent Levels 2, 3, and 4 Ready/Return Space proportionality is achieved every fifth (5th) year without need to use Level 5 Storage Space to correct for deviations. Allocation of all floors will be by full bays and lanes, rather than by dividing bays or lanes among RACs except within the initial New Entrant Areas.
- 3.4 <u>Customer Service Building (Exhibit I-1)</u>. Market Share percentages shall be used to determine the relative percentage of counter space available to each RAC, however, no company (other than those in the New Entrant Areas) shall have less than twelve (12) linear feet of counter space and no incremental change in length of counter shall occur in increments of less than four (4) linear feet. Back office space shall roughly match, to the degree available, the proportion of linear counter space allocated to each RAC.
- 3.5 QTA Space (Exhibit I-3). Market Share percentages shall be the guideline for allocating QTA Space and facilities, keeping in mind there is a finite and reduced number of units of each type of space available for use in the QTA Facility. Except for initial New Entrants or as otherwise agreed, each RAC shall, to the extent possible, have and use fueling, and car wash allotments as stated in Section 2.1.7 (d) and (e). To the extent possible, RACs shall have designated car washes and fueling positions for security and direct control. As feasible, fuel dispensers and car washes shall be designated for use by specific companies during each QTA Space reallocation process. Small Market Share RACs and any New Entrants may be required to share car wash facilities and may be limited to a single fueling position/nozzle.
- 3.6 <u>Storage Space on Level 5 (Exhibit I-4)</u>. Level 5 is for storage of ready/return vehicles and may not be used for employee-owned vehicles or any use incompatible with the Joint Use Facility
- 4. <u>New Entrants</u>. New Entrants shall initially occupy, upon execution of a Concession Agreement and a Sublease Agreement, a shared area of space set aside as a New Entrant

Area for operations within the CONRAC. If there are two (2) New Entrants, they shall share the space. If there is only one New Entrant, it shall be able to occupy one half of the New Entrant space until another new entrant qualifies to operate in the CONRAC.

- 4.1 At the end of the tenth 10th Lease Agreement Year, when all space within the CONRAC is reallocated and RACs can chose (or be required by an election of a larger Market Share RAC) to relocate, New Entrants shall fully participate in accordance with their Market Share pursuant to <u>Section 2.1.3</u> herein.
- 5. <u>Vacant Space</u>: RACs who no longer have a Concession Agreement (whether by expiration, voluntary termination or termination by default or cross-default with another agreement) shall vacate the CONRAC immediately, and/or shall be evicted and removed, if necessary, in accordance with applicable Sublease Agreements. Vacant space shall be reallocated within thirty (30) days based upon the principles stated in this Exhibit I.
 - 5.1 Master Lessee shall reallocate vacant Ready/Return Space, whether vacant due to departure of a RAC or due to the absence of one or more New Entrants, to the first RAC in Good Standing that agrees to sublease the space upon sequential offering of the space in the following priority order (1) to the RAC occupying a portion of the same floor plate and having the lowest ratio of Ready/Return Spaces to Storage Spaces of all RACs occupying that floor plate, (2) to each other RAC occupying a portion of that floor plate in the order of next lowest to highest ratio of Ready/Return Spaces to Storage Spaces, and (3) to each other subleasing RAC, regardless of the location of its subleased premises, in order of Market Share, from highest to lowest, all subject to the approval of City which shall not be unreasonably withheld, delayed or denied. If an RAC accepts vacant Ready/Return Space, its Pro Rata Share shall be recalculated based on its new total Exclusive Use Space, and its allocation of Storage Space on Level 5 shall thereby be reduced by one stall for each additional Ready/Return Space it receives, and Level 5 shall be reallocated.
 - 5.2 Master Lessee shall endeavor to reallocate the vacated space within thirty (30) days. Master Lessee shall recalculate Pro Rata Shares for Rent and O&M Costs as necessary to account for the assumption of space.
 - 5.3 If any vacated space is not reallocated within thirty (30) days of the date the same is vacated, City shall have the right to solicit an additional New Entrant to occupy the vacated space.
 - 5.4 To collect sufficient funds to pay City all Rent and to cover all O&M Costs as required by the Master Lease, for any period of time during which any space is vacant that would otherwise be designated for Exclusive Use Premises, Master Lessee shall recalculate and increase proportionately the Pro Rata Share of Rent and O&M Costs due under the Sublease Agreements to account for and include the Pro Rata Share of Rent and O&M Costs attributable to the vacant space to the end that all Rent and O&M Costs obligations of Master Lessee under the Master

Lease shall be apportioned to Exclusive Use Premises then covered by Sublease Agreements.

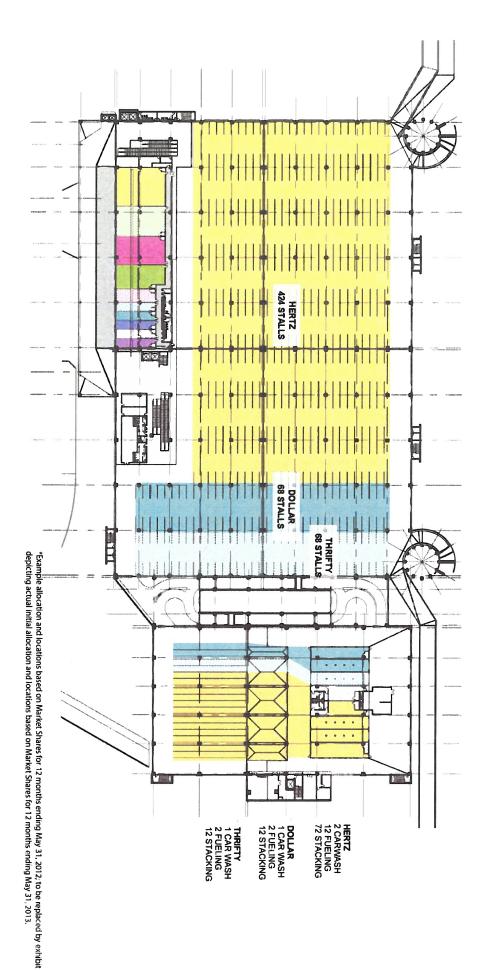

6. Rent and Costs of Reallocations

- 6.1 <u>Rent</u>. The Master Lessee is obligated to pay Rent in accordance with the terms of the Master Lease. Each RAC shall be responsible and pay Master Lessee for its Pro Rata Share of Rent, which rent may change from time to time and is subject to adjustment as provided in <u>Section 5.2 or 5.4</u>.
- 6.2 <u>Costs of Reallocations</u>. During any reallocation event described above, the following distribution of costs shall occur. To the extent that such costs are eligible for reimbursement from the CFC Surplus Fund, Master Lessee shall submit a written request to City for reimbursement of such costs from the CFC Surplus Fund pursuant to <u>Section 13.8</u> of the Master Lease. In the event the costs associated with the reallocations are not eligible for reimbursement from the CFC Surplus Fund or if there are insufficient funds in the CFC Surplus Fund to reimburse such costs, then
 - 6.2.1 At each reallocation period for Ready/Return Areas and Level 5 Storage Areas, the Concessionaires shall each pay for their own costs of reallocation.
 - 6.2.2 Upon the reallocation of space for the CSB and the QTA Facility, as well as any floor plate changes hereunder, subject to eligibility and availability of funds in the Repair and Replacement Fund to pay for the space changes, any unfunded costs shall be the expense of the relocating RACs which shall bear their own costs of relocation so that no non-moving RAC will be required to pay the costs of moving another RAC.
 - 6.2.3 Two (2) or more RACs may agree to exchange space, spaces or locations during the Sublease Term. In any such event, the individual costs of such changes shall be borne by the RACs incurring the costs. Prior approval by the Master Lessee is required.
 - 6.2.4 If in the tenth (10th) Sublease Agreement Year of the Sublease Agreements, a floor plate relocation is required to meet the Market Share formula for distribution of space, if eligible for reimbursement from the Repair and Replacement Fund, the Master Lessee shall submit a written request to City for reimbursement of such costs from the Repair and Replacement Fund pursuant to Section 12.7 of the Master Lease. In the event such costs are not eligible for reimbursement from the Repair and Replacement Fund or if there are insufficient funds in the Repair and Replacement Fund to reimburse such costs, then the costs shall be borne by the affected RACs.

6.2.5 In adding New Entrants to operate within the CONRAC after the tenth (10th) Lease Agreement Year, if there is insufficient room due to the car rental market growth, Master Lessee may request that City approve discretionary disbursement from either from the CFC Surplus Fund or the Repair and Replacement Fund or approve the sale of Additional Bonds or use of other funding available to City, sufficient to make infrastructure changes for, or the creation of, additional space in the CONRAC to accommodate for New Entrants without diminishing the operating space of the then existing incumbent RACs and to effect the reallocation and relocation of RACs for the subsequent ten (10) year period. If City determines that such costs are not eligible for reimbursement from the Repair and Replacement Fund or the CFC Surplus Fund or if eligible, but sufficient funds are not available in the Repair and Replacement Fund or the CFC Surplus Fund or not available through the issuance of Additional Bonds, then Master Lessee shall be not be responsible for such costs.
