## Additional Backup Information

If approved, the resolution from Austin City Council will be submitted by Foundation Communities, Inc. along with its Low Income Housing Tax Credit application to the Texas Department of Housing and Community Affairs (TDHCA). Applications that have a commitment of funding from a unit of local government, even if the commitment is conditioned upon the award of tax credits, will qualify for a certain number of points in this competitive process.

As of January 11, 2013, 18 "pre-applications" were submitted from Austin and cities in Hays and Williamson Counties requesting a total of \$24 million in tax credits. TDHCA has \$3.3 million in tax credits allocated to Texas Region 7 which includes Austin and surrounding counties. Out of the 18 pre-applications, it is likely that only one or two projects can be funded with \$3.3 million in tax credits. The maximum tax credit award per project is \$1.5 million.

Full applications are due to TDHCA on March 1, 2013 and the announcement of tax credit awards will likely be in June or July 2013.
