Dear Sandra Harkins,

My Office has recently initiated and begun widely publicizing the City of Austin Redistricting Process. As part of this outreach effort, I am contacting community organizations and groups to encourage their input in the recent release of draft applications and Interpretive Guidance regarding the Redistricting Process.

I am also asking organizations to encourage their members to participate in the process by applying for either the Applicant Review Panel or the Citizens Redistricting Commission. Citizens can find information, including but not limited to the process, draft applications, Interpretive Guidance, applicant qualifications, and news at www.austintexas.gov/10-ONE.

Citizens can submit input in writing via email to oca_auditor@austintexas.gov, by mail, or hand-delivery at the following address:

Regards,

Kenneth J. Mory
