Hi Greg,

As the email chain indicates NHCD Staff requested a postponement to April 11, 2013. The UNO Task Force has requested a postponement to the City Council meeting following the April 11 which is April 25<sup>th</sup> (CC does not have a meeting Easter week).

One of the key members of the group who represents the largest single owner of UNO projects will be out of the country on a previously booked trip on April 11<sup>th</sup>. The task force needs to have this key player at the public hearing and respectfully ask for this delay.

Thanks,

Mike, UAP vice president, Chair of the taskforce

Mike,

Could you send me an email with a sentence that spells out the date you'd like to postpone to and the reason why? I'd like to have it in an email just so I can include in the backup.

Thanks,

Greg
