February 13, 2013

The Zero Waste Advisory Commission convened in a regular meeting on February 13, 2013 at 301 West 2nd Street, Council Chambers Room in Austin, Texas.

Co-chair Cathy Gattuso called the Commission Meeting to order at 6: 40 p.m.

Board Members in Attendance:

Cathy Gattuso, Brent Perdue, Fayez Kazi, Dave Sullivan, and Daniela Ochoa Gonzalez.

Staff in Attendance:

Bob Gedert, Tammie Williamson, Sam Angoori, Julie Rhodes, Aiden Cohen, Vincent Cordova, Vera Labriola, Dee Dee Quinnelly, Jessica King, Ourana Cacho, Gena McKinley, Donald Hardee, Ron Romero, and Sylba Loren.

1. CITIZEN COMMUNICATION

2 citizens spoke during the opportunity for citizen communication.

- Adam Gregory, Texas Disposal Systems—commented on the changes in recently adopted Rules of Procedure regarding citizen communication. His concern was that increasing amount of speakers from four to ten (first five speakers at the beginning and last five speakers at the end) will not allow citizens to ask questions and comment on staff briefings. Mr. Gregory requested that the item is put on next month agenda, issue addressed, and the rules changed, so citizens can address the board on staff briefings.
- Caleb Daniels, Diesel Green Fuels—commented on the enforcement of code for mobile food vendors. His concern was that the code does not allow his business to provide service to mobile food vendors. According to the code, no services can be provided to mobile food vendors on the site, however, many food vendors only move once a year for the annual inspection. Mr. Daniels noted that not being able to offer Diesel Green Fuel's services to food trailers prevents them from being able to convert compost, recyclables, and greases into renewable resources.
- Stacy Guidry, Austin Zero Waste Alliance—decided to not address the Commission at this time.
