Additional Backup Information

On December 15, 2011, City Council adopted an amendment to City Code Chapter 10-6 (*Smoking in Public Places*) that restricts smoking in parks. Included in the amended ordinance is an exemption for temporary designated smoking areas in a park for special events where the Director recommends approval of, and the City Council has approved, the exemption.

The Urban Music Festival has proposed two temporary designated smoking areas on Auditorium Shores during the event on March 29 & 30, 2013 that will be set apart from the public at large and other concert-goers. The Urban Music Festival has also made arrangements for daily cleanup of the area as well as a final cleanup at the conclusion of the event. The PARD Director recommends approval of the proposed Temporary Designated Smoking Areas.
